Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "No Data" means our graduates have not conveyed this information to our institution to enable us to provide a figure for the field in which it appears.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL

This institution offers a distance education program where the instruction is not offered in real time and shall transmit the first lesson and any materials to any student within seven days after the student enrolls. For the purposes of this policy, the College considers a student "enrolled" as of the date that the Enrollment Agreement is signed by the student and by an authorized employee of the institution.

The student shall have the right to cancel the agreement and receive a full refund, less nonrefundable charges, before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

This institution shall transmit all of the lessons and other materials to the student if the student:

- A. has fully paid for the educational program; and
- B. after having received the first lesson and initial materials, requests in writing that all of the material be sent.

If this institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquiries, student and faculty interaction, and evaluation and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

A student may cancel enrollment at any time by submitting a Notice of Cancellation to the Director of Administration. The Notice of Cancellation must be made by written notice and should be directed in writing to the Director of Administration by one of the following methods: by mail: Oak Brook College of Law, P.O. Box 26870, Fresno, CA 93729; by email: info@obcl.edu; or by fax: (559) 650-7755. Cancellation is effective on the date written notice is sent.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid

15H1...

from federal student financial aid program funds.

The amount of the refund due, if any, will be determined when the Notice of Cancelation is received and will

follow the refund timelines below.

FULL REFUND

After the cancellation period described above, students have a right to cancel enrollment and receive a full refund

of tuition charges paid to the College, less nonrefundable charges, up to midnight of the first day of the

commencement of studies, or the seventh day after enrollment, whichever is later (refer to the "Academic Year,

Dates, and Deadlines section earlier in this Agreement), by submitting a Notice of Cancellation to the Director of

Administration as directed above. The start of lesson one is the commencement of studies.

PRO-RATA REFUND

Refunds for students cancelling after the full refund cancelation period who are enrolled in the program up through

and including the second lesson of the third quarter of instruction (60% of the period of attendance) as shown on

the Academic Calendar but not beyond, are entitled to a pro rata refund of tuition charges paid to the College, less

nonrefundable charges.

You are obligated to pay only for educational services rendered. The pro rata refund will be the total amount owed

by the student for the portion of the educational program provided subtracted from the amount paid by the student,

calculated as follows:

The amount owed equals the total nonrefundable fees plus the daily charge for the program (total institutional

charge, divided by the number of scheduled days in the enrollment period), multiplied by the number of days

student attended, or was scheduled to attend, prior to withdrawal. IF THE AMOUNT THAT YOU HAVE PAID IS

MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL

BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE

AMOUNT THAT YOU HAVE ALREADY PAID, ARRANGEMENTS MUST BE MADE TO PAY THE

BALANCE DUE.

.....

NO REFUND DUE

A student may cancel at any time after the above listed cancellation periods (greater than 60% of the period of attendance) by submitting a Notice of Cancellation to the Director of Administration. Students who are enrolled in the program beyond the second lesson of the third quarter are not entitled to a refund and if on the payment plan, are required to continue making payments until the balance of tuition owed is paid in full.

REFUNDS UPON DISMISSAL OR SUSPENSION

Refunds upon dismissal or suspension are treated the same as for voluntary cancellation and are subject to the above mentioned cancellation periods. All refunds due to cancellation or dismissal will be paid within 45 days after receipt of a Notice of Cancellation. If the College cancels or discontinues a course or educational program, the College will make a full refund of all charges associated with that course or program within 45 days of its discontinuation.

STUDENT LOAN OBLIGATIONS

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.
