### **OUT OF STATE/COUNTRY HOURS**

The California Board of Barbering and Cosmetology must evaluate all prior training to obtain credit. KC Beauty Academy reserves the right to determine the amount of credit we will accept upon state evaluation. The documents required for this process can be found on the California Board and Barbering website at [www.barbercosmo.ca.gov](http://www.barbercosmo.ca.gov). Students will be denied re-enrollment if they have demonstrated attendance, academic, and/or conduct issues indicating an inability to successfully complete a program at the academy.

## **ACADEMY POLICIES & INFORMATION**

### **ATTENDANCE POLICY**

Regular attendance and punctuality will help develop the good habits necessary for successful careers. Students must attend all classes according to their schedule indicated on their Enrollment Agreement. Attendance is verified by clock in time and roll call. A student who is not present at roll call will not receive clock hour credit. Attendance must be maintained at an average of 67% or above of their scheduled hours of attendance. The student is expected to complete the course of study within the 150% of the period of time stated in the enrollment agreement. In the event that an absence is necessary, a student must call the school to report the absence that same day and prior to beginning of class. The student must provide documentation for an absence, such as a doctor's note or court documents. If a student is found to be off campus for more than their allotted break time they will be clocked out for any excessive time.

If the student is **absent 14 consecutive calendar days**, the school will withdraw him/her unless a leave of absence has been granted. The school registrar will review excessive tardiness and/or absences with the student to determine possible corrective action. Student's hours and operations once properly earned by the student will not be taken away from the student's records based on disciplinary actions by the school.

### **ATTENDANCE STATUS**

Full-time enrollment is defined as any student scheduled to attend 24 hours or more per week. Part-time enrollment is defined as 20 or more but less than 24 hours per week.

### **TARDY POLICY**

Daily attendance and punctuality are essential to the success of each student as they are preparing for excellence in their program and later in the beauty industry. All students must be clocked in before or AT the time their scheduled class start time to receive full clock hour credit for that day. Student's time begins at the minute they clock into school using the biometric time clock system. To be considered not tardy, KC Beauty Academy students must be clocked in, seated in their assigned classroom, in uniform and ready to begin with their class work when roll-call is taken at 10:15 a.m. Tardiness is considered unexcused time as it portrays unprofessional behavior. Students are given until 10:15 a.m. or 1:15 p.m. depending on their schedules to be not considered tardy. Students who are tardy, will be asked to leave until their practical portion of their class begins after lunch. Should the student arrive late more than five times in a one-month period, they will be suspended for one full day.

### **LATE WORK POLICY**

If a student is not present at the time exams are given, the student will have a chance to take their missed exam **ONLY** with serious and compelling reason of the student's absence and instructor approval. Re-exams will be given based on the instructor's discretion and announced to all students who are eligible to retake an exam. All students who do not take an exam on the day it was given, and with no viable excuse of their absence/tardy, 10% will be taken off from any work that is turned in late.

### **MAKE UP WORK POLICY**

Students who score below 70% on exams may request to retake the exam. The final score will be determined by taking the average of both exams.

### **MAKE UP HOURS POLICY**

Students have the opportunity to make up hours once the student has reached 75% of their scheduled time. A student cannot request to make-up hours if they have not exhausted their 14-calendar grace period added on their on-time graduation date stated on their Enrollment Agreement. To request to make-up hours, the student must submit a written request and schedule a meeting with the school registrar.

A thirty (30) minute lunch break shall be taken when a student attends 6 or more hours a day. If attending 8 hours or more, two thirty (30) minute breaks are required to be taken. At the completion of the day, the daily hours and operation earned are recorded.

## STUDENT RECORD OF APPLIED EFFORT

Student record of applied efforts are an important factor to your success at KC Beauty Academy. Student record of applied effort, referred to as time cards, reflect the student's daily record of technical instruction (measured in hours) and practical operations (actual operations completed – not hours). An instructor must document each operation on the student record and initial to verify the validity of the timecard. However, it is also the responsibility of students to ensure the appropriate credits are being awarded and that prior hours and credits are being transferred correctly every week. In order to complete the course of study, the student must complete the minimum hours and operations as prescribed by the Board of Barbering and Cosmetology. If you are clocked in at the school, you are required to be in applied effort, meaning, you are to be engaged in assigned practical activities, self-study activities (authorized by your instructor), or participating in a class. In all cases, your activities while being clocked in must be related to training for your course of study. Personal grooming, leaving the building, reading materials not related to your training, or engaging in activity not related to your training will not be tolerated. You will be asked to stop such activity or to clock out for the remainder of the day. Continued activities unrelated to your program of study could result in your termination. **Time cards CANNOT be taken or removed from school premises. Lost time cards will cause the loss of applied effort for the period covered on the lost time card.**

## GRADUATION REQUIREMENTS

All students must complete the clock hour requirement of their respective program and tuition accounts must be paid in full. Additionally, students must complete the required theory hours and practical operations in the course of study with a GPA of 70% or above. After completion of all graduation requirements, the student will be awarded a certificate and Proof of Training document certifying the successful completion of their program. For all of the institution's educational programs, a final examination is not required in order for a student to graduate. Students are assisted in completing the necessary documents to file for the appropriate State of California Barbering and Cosmetology Board examination.

## STATE BOARD EXAMINATION REQUIREMENTS AND COSTS

To be eligible to take the California Board of Barbering and Cosmetology licensing examinations, students must be at least seventeen years of age, have completed the 10<sup>th</sup> grade (or equivalent) have a Social Security number or ITIN number and have committed no acts of crimes constituting grounds for denial of licensure under Section 480 of the Business and Professions Code. They must also submit a Proof of Training from an approved California school, present a valid government issued ID, file an Application for Examination, and remit an examination fee. Students must furnish an examination kit, traveling expenses, and pay all necessary fees to the Board of Barbering & Cosmetology Examination centers (located in Los Angeles and Fairfield).

## PRE-APPLICANTS

Students are eligible to apply for the Pre-Application for Examination with Board of Barbering & Cosmetology when they have completed 75% of their respective program. The pre-application assists the student in obtaining a date closer to his/her graduation date. KC Beauty Academy also requires students who wish to submit a pre-application for examination to be in good standing with the school's academic and attendance policies, to be graduating within the contracted time frame as stated on the student's Enrollment Agreement, and the student's tuition account is paid in full or has made the necessary arrangements to pay before graduation.

## **LEAVE OF ABSENCE (LOA) POLICY**

Students must follow the institution's policy in requesting a Leave of Absence (LOA). Students may request a LOA for reasons not limited to illness, death in the family, or other emergency circumstances. A student must submit their LOA request in advance, in writing outlining the circumstances, duration of leave, documentation, and student's signature; unless unforeseen circumstances prevent the student from doing so. The institution may grant a LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if the institution documents the reason for its decision and collects the request from the student at a later date. In this example, the beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the unforeseen circumstance. Written requests are reviewed on an individual basis and must be approved by the School Director. A denial of a LOA request may occur if the School Director determines that the request has unrealistic expectations for return of the student. LOA request for medical purposes require medical documentation. A LOA may not normally exceed 60 days, unless an unforeseen circumstance extends a leave of absence - not to exceed 180 days in a 12-month period. A LOA may only be granted once the student has been enrolled for at least 90 days (3 months), unless mitigating circumstances exist. Students will not assess any additional charges as a result of an approved LOA. A student granted a LOA that meets this criterion is not considered to have withdrawn, and no refund calculation is required at that time. KC Beauty Academy will extend the student's contract period by the same number of days taken in the leave of absence. Upon the student's return, an addendum to the enrollment agreement will be generated and must be signed by all parties. The student's contract end period and maximum time frame will be extended by the same number of days in the leave of absence.

## **FAILURE TO RETURN FROM AN APPROVED LOA**

If a student does not return at the expiration of an approved LOA (or a student takes an unapproved LOA), the withdrawal date for the purpose of calculating a refund is always the student's last day of attendance. Students who fail to return to class as scheduled following a LOA will be terminated from the program. Students who have received Federal Student Loans must be made aware that failure to return from an approved LOA, depending on the length of the LOA, may have an adverse impact on the student's loan repayment schedule. Students will only be eligible for Federal Pell Grant while on an approved LOA. Students will not be eligible for any of their student loan while on a LOA. Federal Loan programs provide students with a grace period which delays the student obligation to begin repaying their loan debt for 6 months (180 days) from the last day of attendance. If a student takes a lengthy LOA and fails to return to school after its conclusion, some or all of the grace period may be exhausted forcing the borrower to begin making payments immediately.

## **INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS**

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

## **UNOFFICIAL WITHDRAWAL**

**If the student fails to attend the institution for more than 14 consecutive days, the institution will consider the student a drop and automatically withdraw him/her from the program.** The date of withdrawal will be determined as the fourteenth (14<sup>th</sup>) day the student was absent from school. The institution will send the student a letter of withdrawal on the date of withdrawal determination.

## **AUTOMATIC WITHDRAWAL**

A student will automatically be withdrawn from the program for the following reasons:

- Failure to attend school for 14 consecutive class days.
- Failure to return from an approved leave of absence on the scheduled return date. Students who fail to return from a LOA will be considered dismissed, and the withdrawal date for the purposes of calculating a refund will be determined by the student's last day of attendance.
- Failure to maintain satisfactory progress for two consecutive evaluation periods.
- Failure to fulfill cash pay schedules for three consecutive months.

## SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

Satisfactory Academic Progress (SAP) is the qualitative and quantitative measures used by an institution to determine the extent to which students are making adequate progress toward completion of a course of study within a specified time. KC Beauty Academy's SAP Policy applies to all enrolled students and is utilized to assess the student's progress throughout their program and measures progress in the student's attendance and academics. Students receive notice of the institution's SAP Policy and the institution's minimum requirements prior to enrollment.

To meet Satisfactory Academic Progress, students must:

1. **Maintain a cumulative rate of attendance of 67% or above.**
2. **Maintain a cumulative qualitative academic performance average (GPA) of 70% or above on all exam, practical assessments, and other required course work.**
3. Complete the course within a maximum time frame of 150% of the published length of the educational program measures in clock hours. The maximum time frame for KC Beauty Academy's programs have been listed below. Students who exceed 150% of course length are considered to NOT be making satisfactory academic progress and will be terminated.

KC Beauty Academy's evaluation periods are based on the student's scheduled hours. Students meeting the minimum requirement for attendance and academic progress at any evaluation point will be considered to be making satisfactory progress until the next evaluation. Students returning from a leave of absence will have their contract period and maximum time frame extended by the same number of days taken in the leave of absence. All evaluations must be completed within seven (7) school business days following the established evaluation points. At this time, the student meets with the School Director to discuss their SAP status and are given access to their evaluation results. Students can request to receive a hard copy of their SAP evaluation at the time of this meeting.

The maximum time allowed for students with previous hours, who need less than the full course requirements, will be determined based on 67% attendance rate of the scheduled contracted hours. Students must complete the course within 150% of course length as defined in the enrollment agreement. Students who exceed 150% of course length are considered NOT to be making satisfactory academic progress and will be terminated.

## DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academic and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. A student will receive a hard copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students who do not achieve the minimum standards are no longer eligible for Title IV program funds, if applicable, unless the student is on *warning* or has prevailed upon appeal resulting in a status of *academic probation*. The institution is required to notify students of any evaluation that impacts the student's eligibility for financial aid, if applicable.

## WARNING PERIOD

Students who fail to meet minimum requirements for attendance or academic progress are placed on a warning status. The student will still be able to receive Title IV funds on warning status. The student will be advised in writing on the actions required to obtain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress, the student will be determined as NOT making satisfactory academic progress and will be deemed ineligible to receive Title IV funds.

## PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be considered not making satisfactory academic progress and are not eligible to receive Title IV funds. In order for the student to be placed on academic probation and continue to receive federal financial aid, the student MUST APEAL the satisfactory academic progress decision within the next 10 days and prevail upon appeal. Additionally, only students who have the ability to meet the satisfactory progress policy standards by the end of the evaluation period may be placed on probation. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If, at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will be deemed ineligible to receive Title IV funds. Students will be required to bring their academic and/or attendance rates to satisfactory levels in order to have financial aid reinstated.

## APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten (10) calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student or any other allowable special or mitigating circumstances. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting

documentation for the reasons why the determination should be reversed. The documentation should also include what has changed about the student's situation that will allow them to achieve satisfactory academic progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the student will be placed on academic probation and federal financial aid will be reinstated, if applicable.

### **RE- ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS**

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the evaluation period.

### **TRANSFER HOURS (SAP)**

With regards to satisfactory academic progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution. For transfer students, the SAP will take place at the midpoint of their program or at the institution's established evaluation periods.

### **NON-CREDIT, REMEDIAL COURSES, REPETITIONS**

Non-credit, remedial courses and repetitions do not apply to this institution. Therefore, these items have no effect upon the academy's satisfactory academic progress standards.

### **INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS**

If enrollment is temporarily interrupted due to a leave of absence, the student will return to school in the same progress status as prior to the leave. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of calendar days taken in the leave of absence and will not be included in the student's attendance percentage calculations. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. A leave of absence and/or failure to return from a leave of absence may affect your loan interest rates and/or repayment timeline. Please see your Financial Aid representative for more information.

## **FINANCIAL AID MECHANISM**

Financial aid is a mechanism that reduces out-of-pocket costs that the student and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of Academy attendance. Financial aid includes grants and loans. Grants do not have to be repaid. Loans usually have low interest rates that a student must pay in accordance with the individual loan program terms. Most of the loans can be arranged to required payment after a grace period of several months upon graduation, or upon the student’s termination from the program or if a student’s attendance falls below half time. Financial aid was awarded to students who have “need.” Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

## **NSLDS DISCLOSURE**

Financial aid may be in form of a Grant (no repayment required) or student loans. It is also our policy to discourage students from borrowing loans funds unless necessary. Due to sanitary reasons the equipment once issued and accepted by the student, is no longer returnable to the school for any reason. The kit contents become the responsibility and property of the student.

**NOTICE: Should the student complete the program earlier than the estimated timeframes stated in the contract, the student's financial aid package may be recalculated, which may result in liabilities owed by the student and/or institution if applicable.**

## **CANCELLATION AND REFUND POLICY**

### **MANDATED BY THE STATE OF CALIFORNIA**

This refund policy applies to all terminations for any reason, by either party, including student decision, course or program, cancellation, or school closure.

### **STUDENT'S RIGHT TO CANCEL**

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (first day of classes), or the seventh calendar day after enrollment (seven calendar days from the date when enrollment agreement was signed), whichever is later. However, the registration fee of \$100.00 is non-refundable. The notice of cancellation shall be in writing and submitted directly to the School Director, a withdrawal may be initiated by the student's written notice or by the institution due to student's academics or conduct, including but not necessarily limited to student's lack of attendance.

### **REFUND POLICY**

After the cancellation period, the institution provides a prorated refund to students who have completed 60% or less of the program's scheduled hours, less the cost of the registration fee of \$100.00, equipment received, or any other non-refundable fees such as late charges or transaction fees. Students who have completed more than 60% of their program's scheduled hours are not eligible for a refund. If the student has received federal student financial aid funds, the student may be entitled to a refund of monies not paid from federal student financial aid program funds.

A registration fee of \$100.00 is a non-refundable item. Late fees and transaction fees, if incurred by the student during their program, are also considered non-refundable items. Supplies and textbooks once received by the student are considered non-refundable and will represent a liability to the student.

If the student cancels the agreement within the cancellation period, the school will refund any money paid, less the \$100.00 registration fee, equipment received, and any other non-refundable fees. If the student withdraws from the school after the cancellation period, the refund policy above will apply. If the amount that the student has paid is more than the amount owed for the time attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that the student owes is more than the amount already paid, an arrangement with the institution will be made to pay the remaining balance. Note: Proof of Training document, will not be released until all monies owed to the school are paid.

### **DETERMINATION OF WITHDRAWAL FROM SCHOOL**

The withdrawal date should be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the <b>School Director</b> of your intent to withdraw. Only the School Director would be authorized to accept a notification of your intent to withdraw.
--

The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
--

The date you fail to attend classes for a two-week (14 consecutive calendar days) and fail to inform the school that you are not withdrawing.
---

The date you failed to returned as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.
---

### **COURSE CANCELLATION**

If a course is cancelled subsequent to a student's enrollment and before instruction in the course has begun, the school shall at its option: 1) Provide a full refund of all money paid; or 2) Provide for completion of the course at schools in the neighborhood.

### **SCHOOL CLOSURE**

If the school closes subsequent to a student's enrollment and before instruction in the course has begun, the school shall at its option: 1) provide a full refund of all money paid; or 2) provide for completion of the course at schools in the neighborhood.

## **FEDERAL REFUND REQUIREMENTS VS STATE REFUND REQUIREMENTS**

In addition to the Return of Title IV requirements for federal financial aid recipients, the institution is required by the state to calculate a prorated refund for all students who have completed less than 60 percent of their period of attendance, regardless of whether or not the student received Title IV funds. However, the federal formula for Return of Title IV funds may result in a larger refund than the state refund policy. In that case, the Academy and/or the student must return the sum resulting in the larger of the two calculations to the appropriate Title IV program. Therefore, the student may, after Title IV funds are returned, owe a balance to the institution.

### **RETURN OF TITLE IV (R2T4)**

Special to students receiving Unsubsidized/Subsidized/PLUS/Pell/SEOG, Teach Grants, Iraq and Afghanistan Service Grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received.

**Sample Calculation**, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disburse. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Tile IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student, defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including garnishing any income tax refund to which the person is entitled, to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If any refunds are due based on the Return of Tile IV calculations **or** based on the institutional refund policy calculations, any refunds will be made as soon as possible but no later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refund is, 1) Unsubsidized Direct Loans (other than Direct Plus Loan), 2) Subsidized Direct Loans, 3) Federal Pell Grant, 4) FSEOG, 5) Teach Grants, 6) Iraq and Afghanistan Services Grants, 7) Other. This order would apply in accordance to the aid programs available at the intuition.

### **STUDENT TUITION RECOVERY FUND (STRF): CCR §76215(A)**

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

(b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog:

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd. Ste 225, Sacramento, CA 95834, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.

4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”
