Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

<u>STUDENT'S RIGHT TO CANCEL</u>

You have the right to cancel this Enrollment Agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel no later than MONTH XXth 20XX.

If you have received federal student financial aid funds, you are entitled to a refund of moneys not paid from federal student financial aid program funds.

In order to cancel your enrollment, you must submit a written request to the School Director by mail or in person or you can complete the prepared cancelation notice provided in the last pages of the School Catalog. Your request will be considered effective the date it is received by the College.

You will be considered withdrawn if you do not attend class for five consecutive business days and do not otherwise contact the school to maintain enrollment.

The refund of the tuition (if any) for the students who do not finish the program is calculated by deducting the non-refundable fees and prorating the completed hours. The College will pay or credit refunds within 30 days of the effective date of your cancellation or withdrawal from the College.

Calculation of Refund

A pro rata refund shall be no less than the total amount owed by you for the portion of the educational program provided subtracted from the amount paid by you, calculated as follows:

1.   The amount owed equals the daily charge for the program (total tuition, divided by the number of days or hours in the program), multiplied by the number of hours the student attended, or was scheduled to attend, prior to withdrawal.
2.   All amounts paid by the student in excess of what is owed, as calculated above, shall be refunded, with the exception of the application fee and any non-refundable fees.

The College shall transmit all of the lessons and other materials to the student if the student:

1.   has fully paid for the educational program; and
2.   after having received the first lesson and initial materials,

If an institution transmits the balance of the material as the student request, the institution shall remain obligated to provide the other education services it agreed to provide, such as responses to student inquiries, student and faculty interaction, and evaluation and comment on lessons submitted by the student but shall not be obligated to pay any refund after all of the lessons and material are transmitted.
