### **Health and Physical Considerations**

Generally, a professional in the Barbering, Cosmetology, Manicuring, Esthetics, Massage Therapy and Holistic Practice fields must be in good physical health since he/she will be working in direct contact with customers. These related fields of study require a great deal of standing, walking, pushing, bending and stretching for extended periods of time. A person must consider his/her physical limitations in terms of making a career choice that involves these extensive physical demands. We promote the acceptance of students with physical limitations or disabilities if these students (their parents and physician) believe they can fulfill the training demands. This Institution does not offer special facilities or programs for disabled students.

### **Orientation**

All new students are required to attend an orientation prior to their first class. During the orientation, you will be introduced to your campus staff and learn about our policies, expectations and student services.

## **Scholarships**

At the discretion of the School Director of San Bernardino Beauty College, Inc., a scholarship can be awarded based upon the circumstances of an individual student.

## **Attendance Policy, Tardy, and Make-Up Policies**

Attendance must be maintained at an average of 67 percent of the scheduled attendance if the student expects to complete the course of study within the maximum timeframe stated in the Satisfactory Academic Progress Policy. An absence may be excused by calling-in the same day prior to the beginning of the class. Students are required to make-up lessons and exams missed due to absences. **If the student is absent for two (2) consecutive weeks/fourteen (14) days (in a row)** the school will withdraw him/her. The instructor in charge will review excessive tardiness or absences with the student to determine possible corrective action.

## **Attendance Status**

A full-time student attending a clock hour program is expected to complete 900 clock hours in a period not less than 26 instructional weeks attending a minimum of 24 clock hours per week. A half-time or less than half-time enrollment is calculated based on the student workload in a payment period.

## **Time Clock Credit Policy/Theory hours & Practice Operations/Credit Procedure**

Students at San Bernardino Beauty College, Inc. record their attendance on program specified time/operations card by entering their time to clock IN at the start of the day, OUT for a lunch period, IN when returning to class and OUT at the end of the class day. Students will be allowed up to seven (7) minutes to sign-in and receive credit for the full quarter (1/4) hour. Students receive credit for a task/operation/project completed after each action is verified by an instructor. Students must add up their theory hours and practical operations each day. At the end of each week, all earned and validated credit will be carried over to the next week's timecard.

## **Leave Of Absence (LOA)**

Occasionally, students may experience extended personal problems, death of a family member, medical or other problems, which make it difficult to attend classes. The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program. The student must request a Leave of Absence in advance and in writing unless unforeseen circumstances prevent the student from doing so (For example, if the student was injured in a car accident.). In such a case, the LOA start date will be determined to be the first day the student was unable to attend due to an accident and the school will document the reason for the LOA and obtain the request from the student at a later date. The written request must be approved by the School Director. The written request must include the start and end date of the leave of absence, and must include the reason for LOA, and must include the student's signature. Student cannot take more than 180 days in any 12-month period. A student may only take a leave of absence if they are meeting SAP at the time of the request. A student **MUST** request any additional time needed before their LOA return day in writing. Do not request a Leave of Absence unless you absolutely need to be off school for a period of more than 14 days. Students will not be assessed additional tuition charges while on their Leave of absence. The student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.

Students returning from an authorized LOA will retain all credit for clock hours and work projects completed and will return to the academic progress status they held. If the student fails to return from a LOA, the withdrawal date determination date would be the date the student did not return and the refund would be calculated based on the student's last date of attendance. Students must be reasonably certain of their intent to return. The institution must extend the student's contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties. The student must follow the institution's policy in requesting a LOA.

## **Graduation Requirements**

When a student has completed the required theory hours and practical operations as required by the State of California and completed their chosen program of study with a GPA (Grade Point Average) of "C" (70%) or better and an attendance average of 67% or better, and passes the final written and practical test with a 70% or better, he/she receives a diploma certifying his/her graduation from the course of study. **Please be advised that completion documents (diploma, transcripts, Proof of Training) will be withheld until all monies owed the school are paid in full or arrangements have been made with the Director.**

## **Licensure Requirements for Applicable Courses**

Applicants for the state licensing exam must be at least 17 years old and have completed their program's clock hours, theory hours and practical operations as required by the State of California. In addition, students must take and pass (70% or better) the state exam to be issued a license. Licensure is a requirement in order to work in a beauty, barber or spa establishment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

### **Academic Years**

The school follows the same format as Title IV regulations which define 1 academic year to be equivalent to 900 clock hours.

## **EVALUATION PERIODS**

\*Transfer Students - Midpoint of the contracted hours or the established evaluation periods, whichever comes first. Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

**ATTENDANCE PROGRESS EVALUATIONS**

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed. Students who do not complete within the maximum time frame will be dropped from the program.

**MAXIMUM TIME FRAME**

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

COURSE	MAXIMUM TIME ALLOWED	
	WEEKS	SCHEDULED HOURS
Cosmetologist (Full time, 30 hrs/wk) - 1600 Hours	80 Weeks	2400

Manicurist (Full time, 30 hrs/wk) – 400 Hours	20 Weeks	600
Manicurist (Part time, 20 hrs/wk) – 400 Hours	30 Weeks	600

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled contracted hours.

**ACADEMIC PROGRESS EVALUATIONS**

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

<b>Grading</b>	<b>Letter</b>	<b>Description</b>	<b>Grade Point</b>
90% - 100%	A	EXCELLENT	4.0
80% - 89%	B	Above Average	3.0
70% - 79%	C	Average	2.0
60% - 69%	D	Below Average	1.0
59% and below	F	Fail	0.0

### **DETERMINATION OF PROGRESS STATUS**

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

### **WARNING**

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress when they finish. During the warning period, students are eligible, if applicable, to receive Title IV funds. If at the end of the warning period, the student has still not met both academic and/or attendance requirements, the students will be deemed ineligible to receive Title IV funds, unless appeal has been approved. Please refer to the appeal procedure section for details below.

### **PROBATION**

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the satisfactory academic progress policy standards by the end of the evaluation period may be placed on probation. The student will be advised in writing of the actions required to attain satisfactory academic progress. If at the end of the probation period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress the student will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

### **RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS**

Students may re-establish satisfactory academic progress and regain title IV funds eligibility as applicable, by meeting minimum attendance and academic requirements.

### **INTERRUPTIONS, WITHDRAWALS**

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

### **APPEAL PROCEDURE**

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within five (5) calendar days from the date of notification that they are not meeting the second consecutive satisfactory progress determination to appeal the unsatisfactory academic progress determination. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be

reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress report. Appeal documents will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable. This policy applies to all students regardless of whether or not they are eligible for Title IV funding programs. In order to comply with USDE requirements, the terminology warning or probation will be used for both Title IV and non-Title IV students.

**\*Non-Refundable**

Student Tuition Recovery Fund (STRF).

**As of 08/10/2017, the Student Tuition Recovery Fund changed to Student tuition Recovery Fund Disclosure.**

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N Market Blvd. Suite 225 Sacramento, CA 95834, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau

3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by the institution in excess of tuition and other cost.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector debt a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

### **Extra Instructional (Overtime) charges**

The notice of cancellation shall be in writing and submitted directly to the administration office.

### **WITHDRAWAL/DROP POLICY**

If you withdraw from the course of instruction after the period allowed for cancellation, the school will remit a pro-rata refund if the student has completed 60 percent (60%) or less of the scheduled period of attendance (**based on scheduled hours**). The refund will be less the registration fee and equipment received by the student. If the amount that you owe is more than the amount that you have already paid, then you will be required to pay the outstanding balance.

Official withdrawal date is on the student's notification or school's determination. If a student does not attend school for 14 consecutive days, without having contacted the school or requesting a Leave of Absence (LOA), the student will be automatically dropped from the course in which they are enrolled. Students who are on a LOA and who do not return on or before their LOA end date will also be dropped from the course.

## **RETURN OF TITLE IV FUNDS POLICY**

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are Federal Pell Grants, Iraq and Afghanistan Service Grants, TEACH Grants, Direct Loans, Direct PLUS Loans, and Federal Supplemental Educational Opportunity Grants (FSEOGs).

Though your aid is posted to your account at the start of each period, you earn the funds as you complete the period. If you withdraw during your payment period or period of enrollment (your school can define these for you and tell you which one applies to you), the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/ or you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If your post-withdrawal disbursement includes loan funds, your school must get your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school needs your permission to use the post-withdrawal grant disbursement for all other institutional charges. If you do not give your permission

(some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

There are some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any Direct Loan funds that you would have received had you remained enrolled past the 30th day.

If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of:

1. your institutional charges multiplied by the unearned percentage of your funds, or
2. the entire amount of excess funds.

The school must return this amount even if it didn't keep this amount of your Title IV program funds. If your school is not required to return all of the excess funds, you must return the remaining amount

For any loan funds that you must return, you (or your parent for a Direct PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return. If you don't already know your school's refund policy, you should ask your school for a copy. Your school can also provide you with the requirements and procedures for officially withdrawing from school.

If you have questions about the Title IV program funds, please see the financial aid director at the school. Information is also available on Student Aid on the website at <https://studentaid.ed.gov/sa/>.

### **The STRF is a fund administered by the Bureau for Private Postsecondary Education (Bureau):**

That relieves or mitigates economic loss suffered by a student while enrolled in a qualifying institution – generally, one that is approved or registered by the Bureau. At the time of his or her enrollment, the student must have been a California resident or enrolled in a California residency program, prepaid tuition, and suffered economic loss.

Please be advised that the STRF is \$0.50 per \$1,000 that is collected for the state accordingly and that this STRF is non refundable. Effective February 8, 2021, the Student Tuition Recovery Fund (STRF) assessment rate changed from zero (\$0) per one thousand dollars (\$1,000) of institutional charges to fifty cents (\$0.50) per one thousand dollars (\$1,000) of institutional charges. **Financial Aid**

**Financial Aid -Consumer Information**

Based on a combination of approvals, authorization, and accreditation, our students are eligible to apply for and receive tuition aid and financial assistance while attending the college. This includes Federal PELL Grant [Does not require repayment (FPELL)]

**General Financial Aid Information**

If you wish to apply for financial aid or you have questions, or you need sections of the handbook clarified, contact the financial aid office at the school. Additional information regarding the student aid programs available at school may be found in "The Student Guide" and the "Free Application for Federal Student Aid" published by the U.S. Department of Education. Additional information may be obtained by calling the Federal Student Aid Information Center between 9:00 a.m. and 5:00 p.m. (EST) Monday through Friday at 1 (800) 433- 3243. **Compliance Statement**

The Federal Privacy Act of 1974 requires that students be notified that the disclosure of his/her social security number is mandatory. The social security number is used to verify students' identities, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state or private programs.

**Financial Aid Mechanism**

Financial aid is a mechanism that reduces out-of-pocket costs that the student and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants and loans. Grants do not have to be repaid. **San Bernardino Beauty College, Inc. do not participate in direct loan program.** Financial aid is awarded to students who have "need". Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school. If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the money not paid from federal student financial aid program funds.

If Student graduate earlier than the scheduled end date, the student's financial aid package may be recalculated and that may result in liabilities owed by the student and/or the institution.

### **Student Eligibility Requirements**

To be eligible for financial aid, a student must:

- Be admitted as a regular student
- Be enrolled or accepted for enrollment in an eligible program on at least a half time basis;

Documentation to substantiate the data entered on the form may be required by the financial aid office. Forms and assistance in completing them are available at this school during school hours. In addition to the FAFSA, the institution requires a series of forms as they apply to the individual student aid program and to the student's individual family circumstances.

### **Treatment of Title IV Funds if the Student Withdraws from the Program of Study**

As of 10/07/00, Federal Regulations dictate specific formulas to determine the amount of Title IV Aid earned by a student withdrawing from the course of study. Simply stated, if the student withdraws before the sixty percent of the payment period in the course, student would have earned only 50% of the aid received or eligible to have received. To determine the percentage complete, the scheduled hours of class or the actual hours attended (if less than seventy percent of scheduled hours) will be divided by the total hours in the payment period. Unearned aid will be returned to the program(s) in accordance to the guidance described in the regulations. Withdrawing students will be responsible for institutional charges not covered by student aid. Delinquent school accounts will be assigned to a collection agency. Collection agency expenses will be added to the balance owed to the school.

### **Financial Aid Definitions**

(The following definition correspond to some common terms used within the financial aid terminology):

**ACADEMIC YEAR:** A period of not less than 30 weeks of instructional time with a minimum of 900 clock hours of instruction for a full time student. The midpoint of the academic year shall be a minimum of 15 weeks and at least 450 clock hours. In effect, all students enrolled in courses with an academic year schedule to be completed in less than 30 weeks, regardless of the number of clock hours offered, would have aid eligibility reduced in proportion to the number of weeks and hours in the course of study in relation to the academic year.

**CLOCK HOUR:** 50 to 60 minutes of supervised instruction during a 60 minutes period.

**CREDIT BALANCE:** A credit balance occurs when tuition payments have been received by the institution in excess of the amount of charges assessed to the student. Students may take repayment arrangements with the U.S. Departments of Education within 45 days from the student’s withdrawal and present proof of such arrangements to the institution. The Student will no longer be eligible for aid until informed by U.S. Department of Education.

**REFUNDS:** In any case where a refund is due to the Title IV Programs, the payment of the refund will be made within 45 days from the official withdrawal date first to FPELL and then to the student. This order will be applied providing the student received funds from that program and in amounts not to exceed the amounts originally paid from each program.
