STUDENT'S RIGHT TO CANCEL

You have the right to cancel your Enrollment Agreement without obligation, and obtain a refund of charges paid, through attendance at the first class session, or the seventh day after enrollment, whichever is later.

Applicants or students may cancel or terminate their enrollment at any time, before or during their training. Applicants or students should notify an Academic Dean or Campus President of their intent to cancel or withdraw either in person, via telephone, email, or in writing. If you cancel this Agreement within the prescribed time period, the school will refund any money that you paid within 10 days after your notice of cancellation.

If the school has given you any equipment, you must return the equipment within 14 days following the date of the notice of cancellation. If you fail to return the equipment in good condition within this 14-day period, the school may retain that portion of payment paid by you equal to the documented cost of the equipment and shall refund the portion paid by you exceeding the documented cost to the school of the equipment within 10 days after the period within which you are required to return the equipment. Once you have paid for the equipment, it is yours to keep without further obligation.

Students who have not visited the school facility prior to enrollment will have the opportunity to cancel without penalty if notice of cancellation is given before midnight of the fifth business day following the first class you attend.
