Aveda Founder - Horst M. Rechelbacher

Aveda Corporation's founder Horst M. Rechelbacher has redefined the face of beauty worldwide. For nearly four decades, he was a major motivating force in hair care and the beauty industry. As a world-renowned hair stylist, artist, entrepreneur, and educator, he was a master of innovation: moved by a keen intelligence, artistic talent, and quest for knowledge, he invented and perfected cutting-edge techniques, trends, products, and treatments imbued with the multiple benefits of pure flower and plant ingredients. His beliefs in the powers of nature and his efforts to preserve the environment, combined with his lifelong commitment to excellence, have spawned a new sense of beauty that goes far beyond surface image. Reflected in Aveda's expanding global network of educational institutes, salons, spas and Environmental Lifestyle Stores, the Aveda concept of beauty encompasses a complete system of care, using plant-based products, treatments, and simple rituals to enhance appearance, well-being, and the quality of life. In turn, this approach also advocates more environmentally responsible business practices and lifestyles.

Horst's dynamic vision and ideas are embodied in the Aveda Institutes, which he founded in 1976. Under his vital leadership, the Aveda Institutes have become an internationally acclaimed center of learning for professionals in cosmetology, esthology, manicuring, spa body care and massage. The very essence of Horst's vision and ideas,

The Aveda Institutes are a stimulating, interactive learning center that offers a comprehensive program that blends basic theory with practical experience in real-life salon and spa environments.

EVALUATION PERIODS

*Academic Year= 900 hours

All students are evaluated for Satisfactory Academic Progress and are based on actual hours attended as follows:

Program	Evaluations
Cosmetology - 1000 Hours	450, 900, hours
Advanced Cosmetology 500 Hours	250, 500 hours
Barbering - 1000 Hours	450,900,hours

All students are advised on Satisfactory Academic progress during the above checkpoints if needed. Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first. Students meeting minimum requirements are considered making Satisfactory Academic Progress until the next scheduled evaluation.

ATTENDANCE PROGRESS EVALUATIONS

All students are required to attend a minimum of **70%** of the hours possible based on the applicable attendance schedule to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least **70%** cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 143% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

Course	Maximum Time Allowed	Scheduled Hours
Cosmetology 1000 Hrs (Full time, 27 hrs/wk.)	53 Weeks	1430 hrs.
Advanced Cosmetology 500 Hrs (Full time 27 hrs /wk)	26.5 Weeks	715 hrs.
Barbering 1000 Hrs . (Full time 27 hrs/wk)	53 Weeks	1430 hrs
Esthiology 600 Hrs (Full time 27 hrs./wk)	23 Weeks	858 hrs

22

Advanced Esthiology 300 Hrs (Full time 27 hrs/wk)	11.5 Weeks	429 hrs.
---	------------	----------

The Maximum time allowed for transfer students who need less than the full course requirements or part time students will

be determined based on 143% of the scheduled hours. Students who exceed their Maximum time frame are subject to termination. *(Program hours* 1.43 = Max Time Frame Scheduled Hours)*

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a grade average of 80% and pass a FINAL written and practical exam prior to graduation. Students must make up for failed or missed tests and incomplete assignments.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation. Your progress at Cinta Aveda Institute will be evaluated for the purposes of SAP at the required intervals stated above for each course offered, throughout your scheduled hours. The maximum time (which does not exceed 143% of the course length) allowed for students to complete each course at a satisfactory academic progress. Students are required to attend a minimum of **70%** of the hours possible on the applicable attendance schedule per contract enrollment. Students are also required to maintain a written grade average at a minimum of **80%**.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student still has not met both the attendance and academic requirements, students may be deemed not making satisfactory progress and are ineligible to receive Title IV funds.

APPEAL PROCEDURE

If it is determined that the student is not making satisfactory academic progress, the student may appeal **prior** to being placed on probation. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstances. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable. If a student is unable to meet Satisfactory Progress by the time the student graduates then the appeal will not be granted.

PROBATION

Students will be placed on probation only if the student prevails upon his/her appeal of a negative progress. If the student is granted the appeal the student will be deemed to have met Satisfactory Progress and Title IV will be reinstated during the probationary period. Only students who can meet Satisfactory Academic Progress standards by the end of the next evaluation period will be allowed to appeal their satisfactory progress determination. An academic and attendance plan will be developed to assure the student can achieve satisfactory progress by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has not met both

the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress, VA educational benefits, and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory progress status as at the time of withdrawal.

NONCREDIT AND REMEDIAL COURSES

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

VETERANS

Students certified to receive veteran benefits whose grade point average (GPA) falls below **80%** attendance for students whose scheduled hours will be placed on probation and reported to the VA. Failure for students to achieve the minimum cumulative GPA of 80% and a cumulative rate of attendance of **80%** after two consecutive terms on probation will have their veteran benefits interrupted. Students certified to receive veteran benefits conditions for reentrance after dismissal for unsatisfactory progress/re-enrollment policy is as follows: pay outstanding balances and re-enroll with Admissions.

Satisfactory Progress Evaluation Results: The Fame Software which allows each student to view their progress at any time. Students who are not making SAP at any one of the hour check points are advised on their status and what needs to be done to come into Satisfactory Progress status.

Student Records Policy

Records of students' attendance, grades, hours and progress records will be kept permanently on file in the business office of the school electronically. Students (or parents/guardians of dependent minors) may request an appointment to review their records at any time. These records are only for the students' knowledge, unless a guardian(s)/ parent(s) of a dependent minor makes a written request to the Director of the school for an appointment to view these with the student order or subpoena, and persons who need to know for health or safety emergencies are all exempt from obtaining written permission.

Violation Policy (Minor & Major)

Minor Standard Violations Minor violations include assigned area violations, property misuses, guest service violations, unprofessional behavior and any disruptive behaviors determined by instructors and team leaders as interrupting or preventing the regular operation of the school or interrupting or preventing the education of other students. Anytime during the student's program, the violation of a minor standard may result in lost hours, and repeated violations may result in suspension from school or termination. **All minor standard violations will result in a student being put on probation for that infraction. A student will receive 4 probation notices for each similar violation before dismissal occurs. On the fourth probationary notice a final warning will be given, on the fifth infraction of the same violation a student will be dismissed from the program.**

Major Standard Violations

Major standards include using controlled substances/alcohol, defacing or destroying property, stealing, falsifying documents, committing fraud, abusing and/or threatening to cause physical harm to others and violating local, state and federal laws. At any time during a student's program, the violation of a major standard will result in termination. **All major standard violations will result in immediate dismissal. Appeal may be made by submitting a written letter to the Cinta Aveda Institute Director and a hearing will be held with 3 team members to hear the student appeal and review the case. Leave of Absence (LOA) Policy

This Policy applies for all student requests for a leave of absence from the Cinta Aveda Institute.

An authorized leave of absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during a program when a student is not in attendance. An LOA is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during an LOA.

An Approved LOA will be granted when unforeseen circumstances are present that prevent a student from attending. Some of those circumstances would be illness, lack of transportation, work schedule, family emergencies and family care. Leave of absence for students will be determined on a case-by-case basis.

A LOA must meet certain conditions to be counted as a temporary interruption in a student's education instead of being counted as a withdrawal requiring the Institute to perform a refund calculation. In order for an LOA to qualify as an approved LOA:

- All requests must be submitted in writing, by the student and include a documented reason for the LOA. • The Institute may grant an LOA to a student who for unforeseen circumstances prevents the student from applying before the student was able to apply in writing prior to the LOA. Example: Student is hospitalized and cannot sign until they can return to classes. • A. the Institute documents the reason for its decision.
 - B. the Institute collects the request from the student at a later date; and
 - C. the Institute establishes the start date of the approved LOA as the first date the student was unable to attend.
- LOA must be at least for 7 days and cannot be longer than 180.
- Students may have more than one LOA as long as any combination does not exceed 180 day in a year from the end date of the students last LOA
- The Institute reserves the right to require additional documentation from outside sources in order to substantiate an LOA request.
- The Institute shall not assess the student any additional institutional charges as a result of the LOA. • The Institute shall extend the student's maximum time frame and the contract enrollment period by the same number of days taken in the LOA. Changes to the contract period shall be documented in an enrollment agreement addendum that must be signed and dated by the student and an authorized representative of the Institute.
- A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.
- In the event that a student does not return or call from his/her leave of absence at the expiration of an approved LOA, that student shall be considered terminated. The Institute is required to take attendance therefore the withdrawal date for the purpose of calculating a refund is the student's last day of attendance.
 - Students will be withdrawn if the student takes an unapproved LOA or does not return by the expiration of an approved LOA.

Procedure:

Before placing any student on an approved LOA follow the procedure below

1. Check to see if student has not exhausted their LOA day requirement of 180 days in a 12-month period from the last day of the previous LOA
2. Check with the Financial Aid department for any pending disbursements.
3. Calculate new graduation date and enter into Smart student software
4. Both student and administrator must sign the LOA request form.

Grounds for Termination

The student enrollment may be terminated for non-compliance with Cinta Aveda Institution rules and regulations as set forth by enrollment agreement and the course catalog; conduct that reflects unfavorably upon Cinta Aveda Institute or the students, creating a safety hazard to other students, unsatisfactory academic progress, excessive absences or tardiness, failure to pay fees when due, cheating, falsifying records, breach of the enrollment agreement, disobedient or disrespectful behavior to faculty or other students, unprofessional or potentially dangerous weapon, sexual harassment or harassment of any kind, including intimidation and discrimination. Terms of the refund policy will apply.

For any violation of the enrollment or the Cinta Aveda Institute's rules and policies set forth in this catalog or a student manual, including attendance and academic requirements the student will be terminated by the Cinta Aveda Institute's discretion by following the procedure set forth below:

e. Method of Calculating Refund. For Students who have completed 60 percent or less of the scheduled hours for the period of attendance, the tuition refund to be paid to the Student shall be calculated as follows:

- The total tuition charge is divided by the number of hours in the program.
- The quotient is the hourly charge for the program.
- The amount owed by the Student for purposes of calculating a refund is equal to the hourly charge for instruction multiplied by the number of hours the student was scheduled to attend prior to withdrawal.
- The refund is equal to any amount in excess of the figure derived in the bullet point above that was paid by the Student.
- The refund amount shall be adjusted as provided below for equipment, if applicable.

In the event of a Student who is on an approved leave of absence and notifies the school in writing that they he/she is not returning; the Termination Date shall be the earlier of the date of expiration of the leave or the

date on which the student gives notice. The withdrawal date, for refund computations purposes, is the last day of actual attendance by the student. If the student is absent 30 consecutive calendar days, the student will be considered withdrawn. The determination date will be 30 days after the students' last day attending classes. The Cinta Aveda Institute monitors clock hour attendance every 30 days. If the Student has received Title IV funding the determination date will be the 14th day of absence.

The Cinta Aveda Institute will determine the amount of any Title IV aid to be returned in accordance with the Department of Education Guidelines. An eligible Title IV aid recipient who fails to complete over 60% of a payment period is considered to have not earned all the federal aid that may have been previously awarded. A required calculation will be performed to determine the portion of the unearned federal student aid that must be returned to the U.S. Department of Education.

In many cases, this policy may also result in the student owing a refund to the Department of Education. The following is the distribution of unearned aid that must be returned: Federal Family Education Loan Programs, Federal Pell Grants & FSEOG. If there are any funds left over after having returned the stated programs listed above, the student may then receive the credit balance. All refunds will be made within 45 days of the determination of withdrawal.

Return of Unearned Funds from Non-title IV loans. If any portion of the total fee is funded through a loan other than a Title IV. Loan, then student and any responsible guardian hereby authorizes the Cinta Aveda Institute to pay any refunds directly to the lender, up to the outstanding loan amount.
