Phlebotomy CPT1 - Training Program

Catalog

January 1, 2020 to December 31, 2020

Wagner Training Institute, Inc.

Welcome to Wagner Training Institute, Inc., (WTI) for your Phlebotomy Training Program. We have successfully provided professional training to the medical community for over 20 years. *Our mission is to provide each student with the best possible phlebotomy education with the least financial burden and to expose the students to an exciting career in laboratory services. The mission includes the institution's broad expectations concerning the education that the students will receive, including the acquisition of the body of knowledge presented in the education program, the development of intellectual, analytical, and critical abilities, and the fostering of values such as a commitment to pursue lifelong learning. Our mission is to enhance the educational expectations of our students, faculty, and to serve our local communities. Our objective is to successfully educate our students in accordance to our mission and transform it into measurable student learning outcomes for our phlebotomy program. You will be instructed by our patient, friendly and caring staff.*

Our Program Director is a Physician Assistant/CPT-1. He has many years of experience in the medical field, and an outstanding instructor. All our staff are licensed and experienced Certified Phlebotomy Technicians (CPT-1) with years of experience in hospitals, laboratories, and clinics. WTI provides students with a complete 80-hour course of instruction in the field of phlebotomy: 20 hours of basic didactic education, 20 hours of advanced didactic education, and 40 hours of clinical externship, in accordance with California State requirements. We proctor the National Test, required for both National Certification and State Licensure.

The course will include the following: Syllabus, handouts, scrubs, and a personal name badge. Students will be expected to perform live punctures on each other in a controlled setting. Live lectures including state of the art audio visual presentations of assorted topics including Arterial Blood Gases. Our qualified staff will be building self-confidence, teach professionalism, and encourage students at his/her own pace.

WTI will provide a convenient 40-hour clinical externship. Students will be placed in area hospitals, clinical laboratories or clinics to complete the requirements. Demonstration of competency is required prior to extern placement. In addition, scheduled time for lab sessions will be available in the office during the week, by appointment only.

WTI is a private institution which has been approved to operate by the California Bureau for Private Postsecondary Education and Department of Health-Laboratory Field Services. Approval to operate means the institution is compliant with the minimum standards contained in the California Private Postsecondary Education Act of 2009 (as amended) and Division 7.5 of Title 5 of the California Code of Regulations.

There may come a time when you will need to take a leave of absence, return from a leave of absence, or withdraw from WTI. Leave of absence request must be in writing. If you take a leave of absence from your training, and it exceeds 12 months, you will be required to re-enroll and be subjected to the current fees.
14. This institution or any of its programs are not accredited by an accrediting agency recognized by the United States Department of Education. Wagner Training Institute's admission policy does not include credits earned in other institution or through challenge examination and achievement tests, and requirements for ability-to-benefit students.
15. WTI does not participate in Federal and State financial aid programs. If the student has received Federal student financial aid funds, the student is entitled to a refund of moneys not paid from Federal student financial aid program funds.
16. If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. Further, if the student defaults on a Federal or State loan, both the following may occur:

1. The Federal or State government or a loan guarantee agency may take action against the student, including garnishing an income tax refund; and
 2. The student may not be eligible for any other government financial assistance at another institution until the loan is repaid.
17. **NONREFUNDABLE CHARGES:** Registration fee of \$175
18. **Probation and dismissal Policies:** Students who miss full or partial days are required to make up the missed hours during a subsequent month prior to advancing to the next segment of the program. If a student does not make up the missed hours during the subsequent month, the student will be on probation and will have 12 months to complete missed hours at no charge. After 12 months, the student will be dismissed for the current program. If the student wishes to complete the program after 12 months, then he/she must re-enroll into a new program and will be subject to additional fees.
19. **Disclosure:** WTI is a private institution which has been approved to operate by the California Bureau for Private Postsecondary Education. Approval to operate means the institution is compliant with the minimum standards contained in the California Private Postsecondary Education Act of 2009 (as amended) and Division 7.5 of Title 5 of the California Code of Regulations.
20. Annual updates may be made by the use of supplements or inserts accompanying the catalog. If changes in educational programs, educational services, procedures, or policies required to be included in the catalog by statute or regulation are implemented before the issuance of the annually updated catalog, those changes shall be reflected at the time they are made in supplements or inserts accompanying the catalog.
21. Prior to enrollment, this institution shall provide a prospective student, either in writing or electronically, with a school catalog containing, at a minimum, all of the following: the name, address, telephone number, and, if applicable, internet web site address of the institution.
22. This institute has additional offsite locations: 1) 350 Terracina Blvd, Redlands, CA 92374; 2) 26520 Cactus Ave, Moreno Valley, CA 92555; 3) 1910 E. Central Ave., San Bernardino, CA 92408. (Currently not in use).
23. **Retention of student records:** All student records are stored in the corporate office located at 1040 Nevada Street, Suite 306, Redlands CA 92374. In accordance with State regulations, WTI, will retain student records for a period of 5 years and student transcripts are retained permanently. Academic and Financial records are maintained in separate files.
24. Children and pets are not allowed to attend the classes. Students are required to be attentive and participate. Cell phones and electronic devices are to be turned off and recording devices are not allowed.
25. **Attendance Policies:** Students shall be required to attend the full duration of the course in accordance with California state laws and regulations. This consists of a full 20 hours of Basic Didactic instruction, 20 hours of Advanced Didactic instruction, and 40 hours of Practical Training in a clinical setting. Upon completing both the Basic and Advanced Didactic training, students are eligible to continue with the clinical externship portion of the program. Upon completion of all three segments of the program, students are given a certificate of completion and are eligible to sit for the National Certifying Examination and apply for State Licensure. Students, who have greater than 40 hours of previous on-the-job experience in phlebotomy, as described by State guidelines, are required to attend on the Advanced Didactic portion of the program, provided they can produce accurate documentation of said experience. Students are required to document attendance at each class by signing in on an attendance tracking sheet each day of class. Students shall sign in on the same line in each of three columns representing the three days in each didactic segment. Attendance is monitored throughout the duration of the class and sign-in sheets are kept on file at the School's main office in Redlands, CA. Students who miss full or partial days are required to make up the missed hours during a subsequent month prior to advancing to the next segment of the program. If a student does not make up the missed hours during the subsequent month, the student will have 12 months to complete missed hours at no charge.
26. **Standard for student achievement:** Student grade is based on the one score of the National Health career Association (NHA) Certified Phlebotomy Technician exam. The passing score for the NHA Certified Phlebotomy Technician (CPT) examination is 390 and scores range from 200 to 500. The scaled score is a conversion of a candidate's raw score on a test that allows for comparison between different forms of the same examination. The use of a scaled score provides consistency in reporting passing standards by accounting for the difficulty level of the examination form. The same level of performance is required to meet the scaled passing score of **390** regardless of which form of this assessment a candidate takes.
27. Students can be expelled from the program without refund for the following reasons: Any student using profanity, inappropriate/unprofessional behavior, or any student dismissed from the phlebotomy program for just cause.

28. WTI reserves the right to modify program dates and locations for each course (basic and advance) without notice to meet operational needs. Fees are subject to change without notice.
29. WTI, has a learning resource center on site which has all the essential learning resources for our phlebotomy program. The learning resource center is open Monday-Thursday 9am-5pm. The students also have access to AK Smiley Public library in the city of Redlands, which is 1.9 miles from our site. The address for AK Smiley Public library is 125 West Vine Street, Redlands, CA 92373.
30. **California Department of Public Health Laboratory Field Services may require a criminal background check. Failure to disclose pertinent information prior to registration, including felonies or misdemeanors will result in no refund.**
31. **The health care profession operates under a strict drug-free policy. In order to safely and effectively perform their duties, health care workers must be focused and unimpaired. It is our policy, therefore, that all students are subject to random drug testing. Any presence of illegal drugs or narcotics in a student's system is grounds for dismissal from the program without refund. By signing this form and enrolling in the course, you agree to this policy.**
32. **After completing the application to the State for the CPT1 license, students will no longer be covered under the school liability insurance and will not be able to return for extra stick practice, etc.**
33. A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau's internet web site www.bppe.ca.gov.

46. **NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION:** The transferability of credits you earn at WTI, is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn in the Phlebotomy program is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending WTI, to determine if your certificate will transfer. This institution has not entered into an articulation or transfer agreement with any other colleges or university.
47. **As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement.**
48. **Student Recovery Tuition Fund (STRF)**

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

(b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog:

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollecting may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”
