On-Time Completion Rates (Graduation Rates)

Includes data for the two calendar years prior to reporting.

Calendar Year	Number of Students Who Began the Program	Students Available for Graduation	Number of On-Time Graduates	On-Time Completion Rate
2019				
2020				

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

150% TABLE OPTIONAL ↓

Students Completing Within 150% of the Published Program Length

Calendar Year	Number of Students Who Began the Program	Students Available for Graduation	150% Graduates	150% Completion Rate
2010				
2020				
**20XX				
**20XY				

**Included if the program is more than one year in length.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Job Placement Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2019					
2020					

You may obtain from the institution a list of the employment positions determined to be in the field for which a student received education and training. This information can be found in the catalog.

Gainfully Employed Categories (includes data for the two calendar years prior to reporting)

Part-Time vs. Full-Time Employment

Calendar Year	Graduate Employed in the Field 20-29 Hours Per Week	Graduates Employed in the Field at Least 30 Hours Per Week	Total Graduates Employed in the Field
2019			
2020			

Single Position vs. Concurrent Aggregated Position

Calendar Year	Graduates Employed in the Field in a Single Position	Graduates Employed in the Field in Concurrent Aggregated Positions	Total Graduates Employed in the Field
2019			
2020			

Self-Employed / Freelance Positions

Calendar Year	Graduates Employed who are Self-Employed or Working Freelance	Total Graduates Employed in the Field
2019		
2020		

Institutional Employment

Calendar Year	Graduates Employed in the Field who are Employed by the Institution, an Employer Owned by the Institution, or an Employer who Shares Ownership with the Institution.	Total Graduates Employed in the Field
2019		
2020		

Student's Initials: _____ **Date:** _____

Initial only after you have had sufficient time to read and understand the information.

IF the majority of graduates from this program obtain jobs in self-employment or freelance work add:

This program may result in freelance or self-employment.

- The work available to graduates of this program is usually for freelance or self-employment.
- This type of work may not be consistent.
- The period of employment can range from one day to weeks to several months.
- Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.
- You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.
- Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises this work style.

Student's Initials: _____ **Date:** _____

Only initial after you have had sufficient time to read and understand the information.

License Examination Passage Rates (includes data for the two calendar years prior to reporting)

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. - “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

Initial only after you have had sufficient time to read and understand the information.

IF the majority of graduates from this program obtain jobs in self-employment or freelance work add:

This program may result in freelance or self-employment.

- The work available to graduates of this program is usually for freelance or self-employment.
- This type of work may not be consistent.
- The period of employment can range from one day to weeks to several months.
- Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.
- You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.
- Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises this work style.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on 01/28/2019. As of 01/28/2024, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation up through the end of the first day the student receives a full refund minus non-refundable amounts. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the first day of class, if the student chooses to leave the program this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. If the withdrawal occurs during a period of attendance, then the refund policy for students who have completed 60 percent or less of the period of attendance is a pro rata refund. After 60 percent of the course has been completed there is no refund. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. The school will refund any money paid, less application/registration fee and other non-refundable fees within 45 days after the notice is received. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

IF the majority of graduates from this program obtain jobs in self-employment or freelance work add:

This program may result in freelance or self-employment.

- The work available to graduates of this program is usually for freelance or self-employment.
- This type of work may not be consistent.
- The period of employment can range from one day to weeks to several months.
- Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.
- You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.
- Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises this work style.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on 08/21/2020. As of 08/31/2025, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation up through the end of the first day the student receives a full refund minus non-refundable amounts. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the first day of class, if the student chooses to leave the program this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. If the withdrawal occurs during a period of attendance, then the refund policy for students who have completed 60 percent or less of the period of attendance is a pro rata refund. After 60 percent of the course has been completed there is no refund. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. The school will refund any money paid, less application/registration fee and other non-refundable fees within 45 days after the notice is received. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.

- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation up through the end of the first day the student receives a full refund minus non-refundable amounts. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the first day of class, if the student chooses to leave the program this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. If the withdrawal occurs during a period of attendance, then the refund policy for students who have completed 60 percent or less of the period of attendance is a pro rata refund. After 60 percent of the course has been completed there is no refund. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. The school will refund any money paid, less application/registration fee and other non-refundable fees within 45 days after the notice is received. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: _____.
