Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.

Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

Student's Right to Cancel

Cancelling on Or Before The First Day Of Class

If tuition and fees are collected in advance of the start date of classes and you do not begin classes or withdraw on the first day of classes, Gnomon retains the non-refundable registration fee of \$75.00 and will process a refund for all other tuition and fees paid. Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.
- 2) Cancellation shall occur when you give written notice of cancellation to Gnomon School of Visual Effects, Attn: Registrar, 1015 North Cahuenga Boulevard, Hollywood, CA 90038.
- 3) Written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage pre-paid.
- 4) The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the Agreement.
- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.

Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.

Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

Student's Right to Cancel

Cancelling on Or Before The First Day Of Class

Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.
- 2) Cancellation shall occur when you give written notice of cancellation to Gnomon School of Visual Effects, Attn: Registrar, 1015 North Cahuenga Boulevard, Hollywood, CA 90038.
- 3) Written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage pre-paid.
- 4) The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the Agreement.
- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.

The period of attendance is defined as a 10-week term of instruction. The program includes a defined number of 10-week terms. Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

Student's Right to Cancel

Cancelling on Or Before The First Day Of Class

If tuition and fees are collected in advance of the start date of classes and the Student does not begin classes or withdraw on the first day of classes, Gnomon retains the non-refundable Enrollment Deposit of \$125.00 and will process a refund for all other tuition and fees paid. Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) The Student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Gnomon shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later.
- 2) Cancellation shall occur when the Student gives written notice of cancellation to Gnomon, Attn: Registrar, 1015 North Cahuenga Boulevard, Los Angeles, CA 90038 or by email: registrar@gnomon.edu.
- 3) Written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage pre-paid. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the Student no longer wishes to be bound by the Agreement. The Student may request a form from the administration office.
- 4) If the School has given or loaned the Student any equipment, assets, or library resources, the Student shall return the item(s) to the School within 30 days following the date of notice of cancellation per the terms of the Library Borrower Agreement.

- 2) After the cancellation period, Gnomon will provide a pro-rata refund of nonfederal student financial aid program monies paid to students who have completed 60% or less of the period of attendance within the current quarter. The period of attendance is defined as a 10-week term of instruction. The program includes a defined number of 10-week quarters. Students who withdraw from the program are not financially obligated beyond the current quarter.
- 3) If the Student withdraws from any course after midnight of the seventh day after enrollment, the School will calculate the amount owed for the time attended according to the following formula: The amount owed shall be determined on a pro-rata basis if completion of 60% or less of the period of attendance depending on how many days remain at the withdrawal from the course(s). After Gnomon computes the amount owed for time attended, the School will retain the non-refundable Enrollment Deposit of \$125.00, and the STRF fees (when applicable).
- 4) For the purpose of determining a refund, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:
 - a) The Student notifies the Registrar in writing or via email of the date of intent to withdraw.
 - b) The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; and/or failure to meet financial obligations to the school.
 - c) The student does not return from a leave of absence.
 - d) The student fails to attend classes for 14 consecutive days.

Student's Right to Cancel

Cancelling on Or Before The First Day Of Class

If tuition and fees are collected in advance of the start date of classes and you do not begin classes or withdraw on the first day of classes, Gnomon retains the non-refundable registration fee of \$75.00 and will process a refund for all other tuition and fees paid. Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.
- 2) Cancellation shall occur when you give written notice of cancellation to Gnomon School of Visual Effects, Attn: Registrar, 1015 North Cahuenga Boulevard, Hollywood, CA 90038.
- 3) Written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage pre-paid.
- 4) The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the Agreement.
- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.
- 6) Refunds will be paid within 45 days after your notice of cancellation is received.
- 7) If you have received federal student financial aid funds, you are entitled to a refund of moneys not paid from federal student financial aid program funds.

The period of attendance is defined as a 10-week term of instruction. The program includes a defined number of 10-week terms. Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.
- 4) For the purpose of determining a refund, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

- 7) If the amount paid is more than the amount owed for the time attended, then a refund will be issued within 45 days. If the amount owed is more than the amount paid, arrangements must be made to pay the balance due.

Student's Right to Cancel

Cancelling on Or Before The First Day Of Class

If tuition and fees are collected in advance of the start date of classes and you do not begin classes or withdraw on the first day of classes, Gnomon retains the non-refundable registration fee of \$75.00 and will process a refund for all other tuition and fees paid. Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.
- 2) Cancellation shall occur when you give written notice of cancellation to Gnomon School of Visual Effects, Attn: Registrar, 1015 North Cahuenga Boulevard, Hollywood, CA 90038.
- 3) Written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage pre-paid.
- 4) The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the Agreement.
- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.
- 6) Refunds will be paid within 45 days after your notice of cancellation is received.

The period of attendance is defined as a 10-week term of instruction. The program includes a defined number of 10-week terms. Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

Student's Right to Cancel

Cancelling on Or Before The First Day Of Class

Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.
- 2) Cancellation shall occur when you give written notice of cancellation to Gnomon School of Visual Effects, Attn: Registrar, 1015 North Cahuenga Boulevard, Hollywood, CA 90038.

- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.

Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.
- 6) Refunds will be paid within 45 days after your notice of cancellation is received.

Withdrawing After the First Seven (7) Days After Enrollment

- 2) Gnomon will provide a pro rata refund of nonfederal student financial aid program moneys paid to students who have completed 60% or less of the period of attendance within the current term. The period of attendance is defined as a 10-week term of instruction. The program includes a defined number of 10-week terms. Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

 - d) The student fails to attend classes for 14 consecutive days.

The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal.
- 6) For programs beyond the current payment period, students who withdraw prior to the next payment period, all charges collected for the next period

will be refunded. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

- 7) If the amount paid is more than the amount owed for the time attended, then a refund will be issued within 45 days. If the amount owed is more than the amount paid, arrangements must be made to pay the balance due.

- 2) Gnomon will provide a pro rata refund of nonfederal student financial aid program moneys paid to students who have completed 60% or less of the period of attendance within the current term. The period of attendance is defined as a 10-week term of instruction. The program includes a defined number of 10-week terms. Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.
- 4) For the purpose of determining a refund, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:
 - a) The student notifies the Director of Administrative Operations in writing or via email of the date of intent to withdraw.
 - b) The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; and/or failure to meet financial obligations to the school.
 - c) The student does not return from a leave of absence.
 - d) The student fails to attend classes for 14 consecutive days.
- 5) For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal.
- 6) For programs beyond the current payment period, students who withdraw prior to the next payment period, all charges collected for the next period

will be refunded. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

- 7) If the amount paid is more than the amount owed for the time attended, then a refund will be issued within 45 days. If the amount owed is more than the amount paid, arrangements must be made to pay the balance due.

Student's Right to Cancel

Cancelling on Or Before The First Day Of Class

If tuition and fees are collected in advance of the start date of classes and you do not begin classes or withdraw on the first day of classes, Gnomon retains the non-refundable registration fee of \$75.00 and will process a refund for all other tuition and fees paid. Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.
- 2) Cancellation shall occur when you give written notice of cancellation to Gnomon School of Visual Effects, Attn: Registrar, 1015 North Cahuenga Boulevard, Hollywood, CA 90038.
- 3) Written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage pre-paid.
- 4) The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the Agreement.
- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.

Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.

Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

Student's Right to Cancel

Cancelling on Or Before The First Day Of Class

If tuition and fees are collected in advance of the start date of classes and you do not begin classes or withdraw on the first day of classes, Gnomon retains the non-refundable registration fee of \$75.00 and will process a refund for all other tuition and fees paid. Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.
- 2) Cancellation shall occur when you give written notice of cancellation to Gnomon School of Visual Effects, Attn: Registrar, 1015 North Cahuenga Boulevard, Hollywood, CA 90038.
- 3) Written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage pre-paid.
- 4) The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the Agreement.
- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.
- 6) Refunds will be paid within 45 days after your notice of cancellation is received.

The period of attendance is defined as a 10-week term of instruction. The program includes a defined number of 10-week terms. Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.
- 4) For the purpose of determining a refund, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:
 - a) The student notifies the Director of Administrative Operations in writing or via email of the date of intent to withdraw.

If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

- 7) If the amount paid is more than the amount owed for the time attended, then a refund will be issued within 45 days. If the amount owed is more than the amount paid, arrangements must be made to pay the balance due.

Student's Right to Cancel

Cancelling on Or Before The First Day Of Class

If tuition and fees are collected in advance of the start date of classes and you do not begin classes or withdraw on the first day of classes, Gnomon retains the non-refundable registration fee of \$75.00 and will process a refund for all other tuition and fees paid. Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.
- 2) Cancellation shall occur when you give written notice of cancellation to Gnomon School of Visual Effects, Attn: Registrar, 1015 North Cahuenga Boulevard, Hollywood, CA 90038.
- 3) Written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage pre-paid.
- 4) The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the Agreement.
- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.
- 6) Refunds will be paid within 45 days after your notice of cancellation is received.

The period of attendance is defined as a 10-week term of instruction. The program includes a defined number of 10-week terms. Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

Student's Right to Cancel

Canceling on Or Before The First Day Of Class

If tuition and fees are collected in advance of the start date of classes and you do not begin classes or withdraw on the first day of classes, Gnomon retains the non-refundable registration fee of \$75.00 and will process a refund for all other tuition and fees paid. Refunds will be paid within 45 days.

Canceling During the First Seven (7) Days After Enrollment

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.
- 2) Cancellation shall occur when you give written notice of cancellation to Gnomon School of Visual Effects, Attn: Registrar, 1015 North Cahuenga Boulevard, Hollywood, CA 90038.
- 3) Written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage pre-paid.
- 4) The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the Agreement.
- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.
- 6) Refunds will be paid within 45 days after your notice of cancellation is received.

The period of attendance is defined as a 10-week term of instruction. The program includes a defined number of 10-week terms. Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

Student's Right to Cancel

Cancelling on Or Before The First Day Of Class

If tuition and fees are collected in advance of the start date of classes and you do not begin classes or withdraw on the first day of classes, Gnomon retains the non-refundable registration fee of \$75.00 and will process a refund for all other tuition and fees paid. Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.
- 2) Cancellation shall occur when you give written notice of cancellation to Gnomon School of Visual Effects, Attn: Registrar, 1015 North Cahuenga Boulevard, Hollywood, CA 90038.
- 3) Written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage pre-paid.
- 4) The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the Agreement.
- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.
- 6) Refunds will be paid within 45 days after your notice of cancellation is received.
- 7) If you have received federal student financial aid funds, you are entitled to a refund of moneys not paid from federal student financial aid program funds.

The period of attendance is defined as a 10-week term of instruction. The program includes a defined number of 10-week terms. Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

 - d) The student fails to attend classes for 14 consecutive days.

- 6) For programs beyond the current payment period, students who withdraw prior to the next payment period, all charges collected for the next period

will be refunded. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

- 7) If the amount paid is more than the amount owed for the time attended, then a refund will be issued within 45 days. If the amount owed is more than the amount paid, arrangements must be made to pay the balance due.

- 2) Cancellation shall occur when you give written notice of cancellation to Gnomon School of Visual Effects, Attn: Registrar, 1015 North Cahuenga Boulevard, Hollywood, CA 90038.

- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.
- 6) Refunds will be paid within 45 days after your notice of cancellation is received.
- 7) If you have received federal student financial aid funds, you are entitled to a refund of moneys not paid from federal student financial aid program funds.

Withdrawing After the First Seven (7) Days After Enrollment

- 2) Gnomon will provide a pro rata refund of nonfederal student financial aid program moneys paid to students who have completed 60% or less of the period of attendance within the current term. The period of attendance is defined as a 10-week term of instruction. The program includes a defined number of 10-week terms. Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

 - d) The student fails to attend classes for 14 consecutive days.

- 6) For programs beyond the current payment period, students who withdraw prior to the next payment period, all charges collected for the next period

will be refunded. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal.
- 6) For programs beyond the current payment period, students who withdraw prior to the next payment period, all charges collected for the next period

will be refunded. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

- 7) If the amount paid is more than the amount owed for the time attended, then a refund will be issued within 45 days. If the amount owed is more than the amount paid, arrangements must be made to pay the balance due.

After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.
- 2) Cancellation shall occur when you give written notice of cancellation to Gnomon School of Visual Effects, Attn: Registrar, 1015 North Cahuenga Boulevard, Hollywood, CA 90038.

- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.

Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.
- 2) Cancellation shall occur when you give written notice of cancellation to Gnomon School of Visual Effects, Attn: Registrar, 1015 North Cahuenga Boulevard, Hollywood, CA 90038.
- 3) Written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage pre-paid.
- 4) The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the Agreement.
- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.

Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

Refunds will be paid within 45 days.

Cancelling During the First Seven (7) Days After Enrollment

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.
- 2) Cancellation shall occur when you give written notice of cancellation to Gnomon School of Visual Effects, Attn: Registrar, 1015 North Cahuenga Boulevard, Hollywood, CA 90038.
- 3) Written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage pre-paid.
- 4) The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the Agreement.
- 5) You may request a form from the administration office. If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.

Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

Refunds will be paid within 45 days.

- 1) You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

If the school has given you any equipment or supplies, you shall return it to the School, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the School may deduct its documented cost for the equipment or supplies from any refund due to you. Once you pay for the equipment or supplies it is yours to keep without further obligation. If you cancel this Agreement, the School will refund any money that you paid, less the deduction for equipment or supplies not timely returned in unused condition and the non-refundable registration fee of \$75.00.

Students who withdraw from the program are not financially obligated beyond the current term.
- 3) If you withdraw from the course after midnight of the seventh day after enrollment, the School will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.

After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee of \$75.00 and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as the STRF fees.
