INTRODUCTION

OUR MISSION

The mission of Theatre of Arts is to prepare acting students for successful entertainment careers in theatre, film, television and media by guiding them through a process of professional and personal development—designed to render them into highly skilled performers who contribute original, creative and effective voices to the entertainment industry.

At our Hollywood campus in Los Angeles, we foster a safe training environment that is artistically stimulating, collaborative and conducive to growth. Our acting courses combine the

strengths of classical training with the vibrancy and innovations of contemporary practice. The structure and content of our drama programs facilitate a clear learning progression for our students that can inspire confidence, trigger curiosity and unleash inventiveness.

Theatre of Arts proactively enrolls diverse talent representing communities that have been historically marginalized, providing individuals with the tools and training needed to affect change in our industry, and in turn, the global conversation.

HISTORY

In continuous operation since 1927, Theatre of Arts is the oldest and most storied drama conservatory in Los Angeles, offering a rigorous two-year degree program to prepare actors for careers in theatre, film & TV.

Ben Bard Drama

1927: Upon finding himself coaching former silent film actors eager to adapt to the new world of “talkies”, former vaudeville star Ben Bard opens Ben Bard Drama at a playhouse on Wilshire Boulevard. It soon establishes itself as one of the most successful acting schools in Hollywood. Distinguished graduates include Alan Ladd, Jack Carson, Shirley Temple, Gower Champion, Cliff Robertson & Gig Young.

Max Reinhardt Theatre Workshop

1938: Bard is made Head of Talent at Twentieth Century Fox, and hands the school’s operation over to noted film and stage director Max Reinhardt, who renames it Max Reinhardt Theatre Workshop. Some of Reinhardt’s well-known students include Alan Ladd, Jack Carson, Shirley Temple, Angie Dickinson, and Cliff Robertson.

The Michael Chekov Years

1941: Reinhardt departs and Jack Geller creates the Geller Theatre Workshop. Geller assigns a brilliant Russian expatriate by the name of Michael Chekov to direct the studio. Chekhov was a student of the legendary Konstantin Stanislavski, who frequently referred to Chekov as a, “radical challenger to [his] own system of modern acting” and “his most brilliant student.” With Chekhov at the helm, the school becomes the “go-to” acting school in Hollywood. Students include icons such as Ingrid Bergman, Yul Brynner, Gary Cooper, James Dean, Clint Eastwood, Natalie Wood & more.

Theatre of Arts is Born

1959: Artist and entrepreneur Madame Valmar Oleska acquires the studio, renaming it Theatre of Arts. Oleska would run the school for 41 years, with notable alumni including Frank Bonner, Anthony James, Greg Mulavey, Charlene Tilton, and Vic Tayback.

The 21st Century

2000: Theatre of Arts is incorporated within Campus Hollywood, a consortium of performing arts academies which include Musician’s Institute, Los Angeles College of Music, as well as notable guitar manufacturers ESP, Takamine, and Schecter.

Effective July 27th 2021, all students, faculty, staff and visitors must provide proof of having been fully vaccinated with the SARS-CoV-2 Vaccine (COVID-19 Vaccine) prior to visiting campus and/or entering TOA facilities or events.

Purpose:

Consistent with the duty to provide and maintain a campus free of recognized hazards, Theatre of Arts ("TOA") has adopted this policy to safeguard the health and well-being of students, faculty, staff and visitors and others who spend time in our facilities, and the community, from the risks associated with COVID-19. This policy is intended to comply with applicable federal, state and local guidance and authority, including guidance from the Centers for Disease Control and Prevention (CDC) and public health and licensing authorities.

Scope:

This policy applies to all students, faculty and staff. Any material changes to this policy will be communicated as soon as available via toa.edu and updates to this catalog.

Policy:

To confirm vaccination status, all individuals must present written evidence of immunization from an authorized healthcare provider, pharmacy, or other authorized source. Faculty and staff must send proof of vaccination to David Law at davidlaw@toa.edu. Students must direct proof of vaccination to Amanda Alvarez at amandaalvarez@toa.edu. Theatre of Arts regards all such information as confidential and will ensure that records are preserved to ensure privacy is maintained.

negative test results each Monday, Wednesday and Friday in order to be permitted on campus. Please note that COVID-19 testing will NOT be provided on campus; all persons requiring thrice-weekly testing must locate and schedule their own tests.

Requests for Exemptions & Accommodations:

To assist any student, faculty or staff member who is disabled, pregnant, a nursing mother, has a qualifying medical condition that contraindicates the vaccination, or objects to being vaccinated on the basis of a sincerely held religious belief or practice, Theatre of Arts will engage in an interactive process to determine if a reasonable accommodation can be provided that does not create an undue hardship on the college's community and/or does not pose a direct threat to the health or safety of others at TOA. To request an accommodation for one of the above reasons, please notify Amanda Alvarez in writing at: amandaalvarez@toa.edu. Students, faculty and staff may request an accommodation without fear of retaliation. If you believe you have been treated in a manner not in accordance with this policy, please notify Theatre of Arts immediately.

IMPORTANT: All persons granted exemption from vaccination must be tested for COVID-19 THREE TIMES PER WEEK AT THEIR OWN EXPENSE, and provide hard copies of negative test results each Monday, Wednesday and Friday in order to be permitted on campus. COVID-19 testing will NOT be provided on campus; all persons requiring thrice-weekly testing must locate and schedule their own tests.

FACE MASKS:

Theatre of Arts follows all Los Angeles County Department of Public Health face mask guidance and mandates, as posted on publichealth.lacounty.gov.

During periods when LA County health orders so require, signs will be posted prominently in all TOA facilities indicating face masks or face coverings must be worn on campus at all times. Appropriate use of face masks or coverings is critical in minimizing risks to others near you. You could spread COVID-19 to others even if you do not feel sick. FINANCIAL AID PROGRAMS

FINANCIAL AID BASED ON A COMBINATION OF APPROVALS, AUTHORIZATION AND ACCREDITATION

Theatre of Arts students are eligible to apply for and receive tuition aid and financial assistance while attending school. Currently both government and non-government sponsored financial aid programs are available to help pay for portions of your tuition and fees with grants or loans. Title IV federal funding is available to those who qualify. These assistance programs include:

- **Federal PELL Grant (FPELL):** Repayment not required
- **FDirect Stafford Loans (Subsidized):** Must be repaid
- **FDirect Stafford Loans (Unsubsidized):** Must be repaid
- **FDirect Plus Loans:** Must be repaid

Theatre of Arts does not participate in any state of California financial aid programs.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and if the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

How to Apply for Financial Aid:

Complete the Online Free Application for Federal Student Aid (FAFSA), starting October 1st online at fafsa.ed.gov. Students financial aid funding is awarded on an annual basis and it is not automatically renewed. The Free Application for Federal Student Aid (FAFSA) must be submitted for each academic year of attendance for U.S. citizens and eligible non-citizens.

Entrance/Exit Counseling:

- You are required to complete an entrance counseling if you are a first-time borrower and prior to receiving your first disbursement. To complete your Direct Loan En-

trance Counseling, go to www.studentloans.gov, and sign in using your FSA ID.

- Select “Complete Entrance Counseling.” Note that you can add an email address to which correspondence about your loans can be sent.
- For additional information, read “Direct Loan Entrance Interview” pamphlet and/or go to <https://studentloans.gov>.

If a student withdraws or terminates and the institution is unable to have the student complete exit counseling prior to the student's departure, the institution will send a letter to the student, requesting exit counseling to be completed at www.studentloans.gov.

VETERANS ASSISTANCE

Theatre of Arts is an accredited, military-friendly school, registered with the US Veterans Administration for vocational rehabilitation. We enthusiastically welcome applications from US Armed Forces veterans and military-to-civilian transition personnel. Thank you for your service! We are proud to have enrolled many ex-military students, who bring a wealth of incredible experience that helps them thrive in the dramatic arts—and acting in particular!

Veterans, military-to-civilian transition personnel, reservists or otherwise eligible members (such as spouses and dependents) may be eligible to qualify for various VA educational assistance programs, including the Post 9/11 GI Bill®.

Applicants must first check with the Veterans Affairs Administration Office to see if they qualify for benefits. Students who receive VA educational benefits are still required to select one of the school's primary financing options to cover educational costs and related expenses not covered directly by the VA. All payments must be made in accordance with the school's financial policies and procedures.

Students who have questions about these benefits should contact the U.S Department of Veteran Affairs.

Students wishing to enroll at Theatre of Arts and utilize the VA benefits for which they may be eligible must submit unofficial transcripts for ALL prior training even though they may not be transferring any credits into the Theatre of Arts program.

ACADEMIC POLICIES

ACADEMIC CREDIT

A **CREDIT** is a unit of measurement indicating the academic weight given to particular clock hours. A clock hour is a period of time consisting of a 50-60 minute class, lecture, faculty-supervised practicum, technical application, or comprehensive study.

An **ACADEMIC YEAR** is a period that begins on the first day of classes and ends on the last day of tutorial or examination, with a minimum of 36 weeks of instructional time.

In theatre studio and production courses, one trimester credit equals two hours of class instruction and two hours of work outside class. In lab and lecture courses, one trimester credit equals two hours of class instruction and three hours of work outside class.

Theatre of Arts ensures accurate and reliable application of its credit hour policies and procedures by issuing approved course syllabi by faculty to each student within the enrolled course. Syllabi include attendance, which is entered into our system daily, and grading policies and requirements; checked weekly by the registrar. At mid-term and upon completion of each term, attendance rosters, student evaluations completed by the faculty and course evaluation completed by the students are compiled and assessed by the registrar office to ensure satisfactory academic of credit hour policies and procedures are met.

maintain Satisfactory Academic Progress (SAP) in order to be awarded and remain eligible for financial aid.

In order to maintain satisfactory academic progress as established by Theatre of Arts, a student must:

1. Maintain a minimum average grade of C (2.0 GPA on a 4.0 scale)
2. Complete his or her program of study within a maximum time frame of no longer than 150% of the published length of the educational program. Periods during which the student has formally requested and received a leave of absence or has officially withdrawn will not be considered in calculating the maximum time frame. The evaluation points are at the end of every term.
3. Successfully attend and maintain cumulative attendance of at least 75% of the scheduled credit hours at the end of each evaluation period in a term in order to complete the educational objective within the maximum time frame. A student will be terminated for failing to attend classes for 14 consecutive calendar days. You will only receive credit for hours if you are present.

For purpose of determining satisfactory academic progress, each program is divided into individual courses. Students receive a letter grade based on the institution's grading system.

Satisfactory academic progress standards are consistently applied to all students within categories of students, e.g., full-time, part-time, and varying programs established by the institution.

Withdrawals

Withdrawals after the end of the first week of term will appear on the student's transcript as a "W". Withdrawals after the semester midpoint semester will be issued a grade based on course requirements fulfilled to that point.

Incompletes

In special and unusual circumstances, a student may request a grade of Incomplete designated by the letter I. Students must petition the relevant instructor for the grade of Incomplete before the final week of the semester and the instructor must approve the petition before the semester ends. An incomplete will be issued only if the student is making satisfactory progress in

the course and due to unforeseen, justifiable, and documented reasons including but not limited to a personal emergency, an illness or a documented family emergency, has not been able to complete all necessary coursework before grades are established. All other work must be completed and up to date with only the final project or examination remaining incomplete. All incomplete coursework must be made up before the end of the second week of the following semester unless an extension is granted in writing due to verifiable circumstances such as injury or illness.

When course work is completed to the instructor's satisfaction, a grade will be issued to replace the "I" on the student transcript. Failure to complete the coursework within the maximum allotted time will result in a grade of "F" replacing the incomplete. An incomplete on a prerequisite course must be resolved before the student can enroll in a class requiring that course as a prerequisite. This grade will be used in the grade-point calculation.

Repeats

Courses may be repeated pending prior approval from the school administration. Students receiving a final grade of "F" for a class must repeat that class to fulfill graduation requirements. Students repeating a class must pay for each class taken. If a student repeats a class, the newly earned grade replaces the original grade and is used in the grade point calculation. The original grade remains in the student's transcript but is not used in the grade point calculation.

Academic Warning

Students who fail to maintain a minimum cumulative grade average of 2.0 and who fail to successfully attend and maintain cumulative attendance of at least 75% of the scheduled credit hours at the end of each evaluation period in a term will be placed on a "warning" status.

This is merely a mechanism to alert the student to the possibility of failure at the end of the trimester if he/she does not invest more effort and commitment into fulfilling the requirements of the course. Students attending School during the "warning" period are still deemed to be in Satisfactory Academic Progress and will continue to receive Title IV assistance for that one term period. Financial aid warning status is assigned without an appeal or other action by the student.

If at the end of the warning period, the student meets

both the attendance and academic requirements, they will re-establish Satisfactory Academic Progress and eligibility for Title IV assistance will continue.

If at the end of the warning period, the student has not met both the attendance and academic requirements, the student will be placed on “probation” for the next evaluation period.

Academic Probation:

If the student does not meet the minimum cumulative grade point average by the end of this period, they will be placed on academic probation for the following term. Students who are on probation may continue to receive Title IV funds during that evaluation period only if the student submits a written appeal to the SAP determination within 10 days of receiving notice of unsatisfactory progress and Theater of Arts approves the appeal by:

1. Determining that the student should be able to meet the Institute’s Satisfactory Academic Progress standards by the end the next evaluation period
2. Developing an academic plan for the student that, if followed, will ensure that the student is able to meet Satisfactory Academic Progress standards by a specific point in time.

The student will be advised in writing within 10 days of submission of the appeal of the actions required to attain Satisfactory Academic Progress.

If a student meets the minimum attendance and academic requirements by the end of the probationary period, satisfactory progress has been re-established and Title IV funds will be disbursed for the next payment period.

If a student has not met the minimum attendance and academic requirements by the end of the probationary period or if Theater of Arts has determined that the student did not meet the requirements specified in the academic plan for the student, the student will not be in Satisfactory Academic Progress, will not be eligible to receive Title IV funds and will be subject to enrollment termination.

ATTENDANCE POLICY

Students must be present and on time for all class ses-

sions. We recommend that you arrive in class no later than 5 minutes before the beginning of each session. Reliability, punctuality and strong self-discipline are crucial factors in your success as an actor. You will be refused attendance if you arrive 5 minutes after the beginning of the session regardless of the reason. You must give 24-hour notice via email to the Administrative office or Registrar for all pre-booked appointments e.g. doctor, dentist etc. It is your responsibility to make sure the message is received in due time.

Your work in most sessions is cooperative and interdependent with other students. If you’re late or absent you jeopardize their chances of growth. It may mean that your absence will deny another student to work on a scene in which you have both been cast. The chain reaction could result in a state of arrested development, which will affect the entire group including you.

Tardy Policy

A student who attends class more than 5 minutes late, or leaves class early, is considered tardy. Each instructor will record tardiness on the attendance sheet.

Attendance Probation:

A student who is tardy three (3) times or more and/or drops below 75% cumulative attendance by the end of an evaluation period will be placed on attendance probation. Same process will be followed as stated above on the Academic Probation. The probation can be cleared during the next four-week period by avoiding tardiness and improving the cumulative attendance to 75% or above. Failure to meet these requirements will result in termination from the program of study. You will only receive credit for hours if you are present.

Concessionary Policy

If absences on verifiable medical grounds or due to family emergency or other unforeseen debilitating personal circumstances affect your presentation of work for grading, our concessionary grading procedures will be put into effect. The responsibility for supplying Theatre of Arts with verifiable evidence of any of the above circumstances lies solely with the student and qualifying the authenticity of such evidence is entirely at the discretion of the institution. It is important to note that the Concessionary Policy may only apply to those students with a maximum of 25% absence from any given course. Any student, regardless of circumstance, exceeding the 25% absence threshold is subject to Attendance Probation procedures.

Concessionary Grading Procedures:

- You may, where possible and relevant to the course of study, be given the opportunity to present your work at a different date and time than originally scheduled

OR

- Where such a presentation is not possible, be given a grade based on work done in preparation for said presentation and your overall performance throughout the duration of the course

LEAVE OF ABSENCE POLICY

Occasionally, students may experience extended personal or medical issues which make it difficult for them to attend classes. The School may allow a student experiencing such circumstances to take a Leave of Absence (LOA) from their program. Requests to take a Leave of Absence (LOA) must be submitted in writing, delivered personally to the Registrar’s Office, and contain the desired LOA starting date and expected date of return. All LOA’s must be pre-approved by the Director of Education. **Please note that students on LOA remain responsible for fulfilling their financial obligations as per their Student Payment Plan.**

A student is eligible for one Leave of Absence during their term of enrollment at Theatre of Arts. In the event of extenuating circumstances, the acting Director has the discretion to grant an extended LOA. Any approved LOA will be granted in accordance with the Federal guidelines for a Leave of Absence state that a LOA will not exceed 180 days in a twelve-month period. A LOA will not be granted to an active student who exceeded or surpassed the 100% point of the scheduled time of their program. The student enrollment contract will be extended for the same number of days taken in the LOA. Students returning from an authorized LOA will retain all credit for work projects completed and will return to the same SAP status they held prior to their LOA. Students returning from an LOA must coordinate their return with the campus Registrar.

Students who fail to return from a LOA on their scheduled return date will be terminated and will be considered dismissed as of the last day of attendance prior to the start of their LOA.

Mid-term Leaves of Absence

Students who expect to be absent from school for more

than five consecutive days of classes during a term must file a mid-term Leave of Absence. The minimum length of a midterm LOA is 14 calendar days. Students must return in time to complete all coursework and take final exams. Students who must leave mid-term and cannot return within two weeks must withdraw and repeat the courses as and when those courses are next available.

REINSTATEMENT / RE-ENROLLMENT POLICY

If for any reason you decide to withdraw from the program and choose to return at a later date, the decision to grant reinstatement is at full discretion of the Theatre of Arts and will be made by the meeting of the Academic Review Committee.

Charges for re-enrollment will be based on the tuition charges in effect at the time of re- enrollment. Unpaid balances from any previous enrollment must be resolved prior to re- enrollment.

GRADUATION REQUIREMENTS

Students who complete a prescribed program of study and have maintained an overall GPA of 2.0 or better will be able to graduate and receive a diploma attesting to the successful completion of studies.

To be eligible to graduate and receive a diploma, a student must have completed all courses with a passing grade and have met all academic and financial obligations. Students who terminate before graduation may request certificates of completion for specified courses.

STUDENT TUITION RECOVERY FUND

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in educational programs who are California residents, or are enrolled in a residency programs attending certain schools regulated by the Bureau for Private Postsecondary and Vocational Education.

You may be eligible for STRF if:

1. You are a California resident or are enrolled in a residency program
2. Prepaid tuition
3. Paid the STRF assessment
4. Suffered an economic loss as a result of any of the following:
 - The school closed before the course of instruction was completed.
 - The school’s failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
 - The school’s failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to

pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.

- There was a material failure to comply with the Act or this Division within 30 days before the school closed or, if the material failure began earlier than 30 days prior to closure, the period determined by the Bureau.
- An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act. However, no claim can be paid to any student without a social security number or a taxpayer identification number.

You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:

1. You are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third-party payer such as an employer, government program or other unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if either of the following applies:

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

REFUND POLICY

CANCELLATION

A student shall have the right to cancel an agreement for a program of instruction until 5PM of the seventh business day after the first day of class. Cancellation shall occur when Theatre of Arts receives written notice of cancellation. Theatre of Arts, for all students, without penalty or obligation, shall refund 100% of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed one hundred dollars

(\$100), if notice of cancellation is made in accordance with the above deadlines. Notification of withdrawal or cancellation and any request for a refund is required in writing to the Executive Director at Theatre of Arts.

Any refund in tuition will be mailed by Theatre of Arts to the student within 30 days of cancellation.

STUDENT WITHDRAWAL & REFUNDS

The student has the right to withdraw from a Program of study at any time and pay only for tuition reflective of the amount of time the student was enrolled, in addition to the application fee, and other institutional charges. The student may withdraw by submitting the student's written notice to Theatre of Arts or by Student's conduct, including, but not limited to, the student's lack of attendance. If the student withdraws prior to completion of the Program of study in which she/he is enrolled the School determines whether the student is eligible for a refund of monies paid based on a pro-rata calculation formula up until the student has been enrolled for sixty percent (60%) of the scheduled days of the payment period. Should the number of scheduled days during the student's enrollment in the payment period exceed sixty percent (60%) of the total days in the payment period, the institution shall have earned and will retain 100 percent of the institutional charges assessed to the student, as explained on the Enrollment Agreement. If the student withdraws from her/his Program of study after the deadline for the student's right to cancel the Agreement has passed and the student is entitled to a refund per the pro rata calculation mentioned above, the School will issue such refund to the student, less the application fee not to exceed \$100.00, within forty-five (45) days following the student's withdrawal.

RETURN OF TITLE IV PROVISIONS

All institutions participating in the Student Financial Aid (SFA) Programs are required to use a federally recognized payment period to determine the amount of SFA Program Funds a student has earned when he or she ceases attendance based on the payment period the student was in attendance. A payment period at this institution is trimester.

RETURN OF TITLE IV PROCEDURES

This applies to:

- Students who were awarded Title IV loans and/or grants in the trimester in which they have withdrawn. This includes funds that were or could have been disbursed under federal regulations, as students may be entitled to a Post-Withdrawal Disbursement for funds they were eligible for, but were not disbursed prior to the withdrawal.
- Students who withdraw before the 60% point of the trimester. The percentage is calculated by dividing:
 1. the number of days from the first day of school to and including the withdrawal date by
 2. the total number of days in the trimester from the first day to and including the last day of trimester*

Number of days completed = Percentage completed
Number of days in period (rounding the third decimal place up if the fourth decimal place is 5 or more)

* Scheduled breaks of at least five consecutive days are excluded from the total number of calendar days in a payment period (numerator) and the number of calendar days completed in that period (denominator). Days in which a student was on an approved leave of absence are also not included in the calendar days from the payment period or period of enrollment.

RETURN OF UNEARNED SFA PROGRAM FUNDS

Within 45 days of the date of determination of the withdrawal date, the school must return the lesser of the amount of SFA program funds that the student does not earn or the amount of institutional cost that the student incurred for the payment period, multiplied by the percentage of funds that was not earned. If the institution must return federal funds received by students who withdrew prior to completing the 60% of a given payment period, the student may owe the school for the portion of funds returned that the institution is otherwise entitled to, based on the school's approved and applicable refund policy. Return of Title IV Worksheets are available upon request from the Financial Aid Office.

TERMINATION OF ENROLLMENT

The student's enrollment will be terminated by the School when:

- The student notifies the School of her/his withdrawal.
- The student fails an academic probation or violates the School's rules and policies.
- The student is absent for fourteen (14) consecutive calendar days. The 14th day then constitutes the withdrawal date.
- The student fails to return from an approved leave of absence on the scheduled date of return. The scheduled date of return constitutes the formal date of withdrawal except in the event the student notifies the institution that the student will not be returning, in which case that date shall be the formal date of withdrawal.

NOTE: The time elapsed between the last day of physical attendance and the termination date and any approved leaves of absence will not be included in the refund computation.

APPLICATION OF REFUND

The student agrees that if any portion of the cost of her/his attendance was covered by the proceeds of a federal loan, then a refund will be sent to the lender. Any remaining amount of a refund will first be made to the financial aid programs from which benefits were received, according to the order of priority provided in federal regulations. Any amount remaining shall be paid to the student.

Order of return of Title IV funds is as follows.

1. FDirect Stafford Loans - Unsubsidized
2. FDirect Stafford Loans – Subsidized
3. FDirect Plus Loans

STUDENT POLICIES

STUDENT CONDUCT CODE POLICIES

Theatre of Arts (T.O.A) is dedicated to providing a safe and orderly environment in which they may pursue their educational goals. This requires that students, teachers and staff foster an atmosphere of respect toward each other and their surroundings.

In order to ensure that these processes and policies apply fairly to all, the term "student" in the student conduct policy shall apply to all current, students.

Students are expected to abide by ordinary rules of responsible and courteous behavior. Theatre of Arts holds all students, teachers and staff responsible for

carrying out and monitoring compliance with this commitment. By making it the responsibility of all members of the T.O.A. community—including students—to take an active role in policing compliance with these ethical standards, we can continue to not only maintain our creative environment, but also our reputation in the community.

NOTE: *Student actions or behavior within the classroom or other learning environment that is considered by the teacher or other staff/facultymember to be distracting or disrespectful either to the teacher or other students will result in the student being asked to remove him/herself from the classroom/learning environment immediately. Further disciplinary sanctions may be applied.*

DRESS CODE

As an institution dedicated to artistic expression, Theatre of Arts passionately supports students' right to creative self-expression. TOA is also obligated to ensure a learning environment where all members of our community feel safe, comfortable and respected. To that end, all TOA students of all gender identities, are required to be attired appropriately for all school-related circumstances: class, events, performances and formal affairs. Attire considered **inappropriate** in any TOA setting includes: exposed underwear; any garment(s) that reveal the upper thigh(s), groin, buttock(s), genitalia and/or excessive breast/chest/nipples; sheer/transparent garments which accentuate contours of genitals or breasts/chest/nipples (natural or simulated); clothing bearing profane, indecent, distasteful, hateful or offensive language/artwork/messaging; pajamas; bedroom slippers, fetish wear, bare feet; or bathing suits. Students are expected to demonstrate personal cleanliness and good hygiene, and respect the odor and fragrance sensitivities of others in their selection and use of personal hygiene products. During special occasions (graduations, Industry Spotlights, actor showcases, galas, premieres, performances, career/graduate and professional fairs, interviews, etc.) business or formal wear should be worn. Students who fail to abide by the dress code, when advised by a College official, shall be considered in violation of the dress code and will be subject to disciplinary action. Classroom instructors and College administrators and staff have the right to address policy violators and/or deny admission to students dressed inappropriately. If a student is unsure what is appropriate, they can direct specific questions to their instructor or the TOA Admin Office.

PROHIBITED CONDUCT

Students should report all allegations of Prohibited Conduct to the Director of Education. Reports of such Prohibited Conduct will ordinarily be investigated and decided according to the Student Discipline Procedures set forth below. If the report involves allegations of a sexual nature, the Director of Education or his or her designee shall refer the matter to the Title IX Coordinator for processing under the Sexual Misconduct Response Policy. You may also choose to report sexual misconduct to the Title IX Coordinator or another Official With Authority pursuant to the Sexual Misconduct Response Policy.

In mixed cases involving allegations of Prohibited Conduct as well as sexual misconduct arising from the same facts and circumstances, the Title IX Coordinator, within his or her discretion, may consolidate such allegations and may work with the Director of Education or his or her designee to investigate and adjudicate them together under the Grievance Process set forth in the Sexual Misconduct Response Policy.

Students that wish to appeal a determination that they are not making satisfactory academic progress when placed on probation, must submit a written appeal to the School on the SAP Appeal Form with supporting documentation as to the reasons why the determination should be reversed. The student must submit the appeal within 10 days of receiving notice. The request should describe any circumstances that the student believes deserve special consideration. This information should include what has changed about the student's situation (such as a death in the family, an injury or illness of the student or other allowable special circumstances) that will allow them to achieve Satisfactory Academic Progress by the next evaluation point.

Appeal documents will be reviewed by the campus Academic committee, whose membership includes the Executive Director, a School administrative staff member, and a School instructional faculty member. The committee will evaluate the appeal and inform the student of their decision in writing within 10 days of receiving the letter. The determination of the committee is final.

The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the Satisfactory Academic Progress determination will be reversed and federal financial aid will be reinstated as applicable.

STUDENT DISCIPLINE PROCEDURES

The procedures outlined in this section, based on common rules of fairness, represent the steps employed to reach a resolution in cases of alleged Prohibited Conduct under this Student Code of Conduct. However, for certain cases involving conduct of a sexual nature, the

Safety and Security Manager, in consultation with the Title IX Coordinator and within their discretion, may utilize the Grievance Process set forth in the Sexual Misconduct Response Policy. In such cases, the Safety and Security Manager will work with the Title IX Coordinator to apply the Grievance Process (including Sections IV.E-F, and V. through IX.) in order to investigate and adjudicate the allegations. In addition to following the Grievance Process in the Sexual Misconduct Response Policy, the Safety and Security Manager or the Title IX Coordinator may also utilize, as necessary and appropriate, additional provisions from the Sexual Misconduct Response Policy, such as Section III.F. regarding emergency removals. Questions concerning these procedures may be addressed to the Office of Student Affairs.

STUDENT CONDUCT COMPLAINTS

Complaints involving alleged misconduct by students under this Student Code of Conduct must be formally submitted in writing to the Director of Education within 14 calendar days of the alleged misconduct, unless they involve conduct of a sexual nature, in which case, they will be referred to the Title IX Coordinator.

Student Conduct complaints must include the name of the alleged offender, the nature of the conduct in question, including a brief statement of the factual basis of the charges; the time, date, and place it is alleged to have occurred; and indicate the TOA Student Conduct Code rules and/or regulations allegedly violated.

The Director of Education will ensure the complaint is kept confidential, and determine whether to immediately refer the matter to a Theatre of Arts Designee (School Designee) for further action, or to first provide information about other campus or community resources which may be of assistance in resolving the matter outside the TOA Student Conduct Code.

LETTER OF ADMONITION

A Theatre of Arts Designee may provide notice to a student that his or her alleged behavior may have violated Theatre of Arts policy or regulations and that, if repeated, such behavior may be subject to the disciplinary process.

INVESTIGATION & NOTICE TO STUDENT

Upon receiving a complaint of the alleged violation(s), the Theatre of Arts Designee (School Designee), may consider information acquired from a complainant and may augment that information through further investi-

gation. If the School Designee determines that the allegations are substantiated, the School Designee will give notice to the student of the following:

- the nature of the conduct in question, including a brief statement of the factual basis of the charges; the time, date, and place it is alleged to have occurred; and Theatre of Arts rules and/or regulations allegedly violated;
- the nature of the student conduct procedures (to be accomplished by providing the student access to the Theatre of Arts Student Conduct Code);
- the student has seven days from the date notice was given to contact the School Designee for the purpose of scheduling an initial meeting. Meetings are to be scheduled within ten days of the student contacting the School Designee. This schedule may be amended as a result of school breaks, closures and holidays;
- if the student does not contact the School Designee within the seven-day period or fails to keep any scheduled appointment, the student will be placed on Hold and the student will be notified that this action has been taken. The placement of a Hold may result in suspension of access to school functions or facilities, prevention of the student from registering and from obtaining transcripts, verifications, certificates or degrees from Theatre of Arts. The Hold will be removed only when the student either attends a scheduled meeting with the School Designee, or requests in writing that the case be referred to the Student Conduct Committee for a hearing; and
- no degree may be conferred on a student until any pending disciplinary charges against a student are fully resolved

In addition, the School Designee may direct the student to act or refrain from acting in a manner specified by the School Designee. These directions may include directing the student not to intentionally contact, telephone, or otherwise disturb the peace of others specifically named for a specified period of time. Violation of these directions constitutes separate misconduct (Failure to Comply).

MEETING(S) WITH THE SCHOOL DESIGNEE ASSIGNED TO THE CASE

At the initial meeting with the student, the School Designee assigned to the case will:

- ensure that the student has been provided information on how to access the Theatre of Arts Student Conduct Code;
- discuss confidentiality; inform the student that the content of this and all subsequent communication with the School Designee regarding information not relevant to the case will, insofar as allowed by law, be treated confidentially, unless such confidentiality is waived by the student; and that information relevant to the case may be divulged to those who have a legitimate educational interest, including but not limited to the Student Conduct Committee;
- provide the student with an opportunity to inspect all documents relevant to the case which are in the possession of the school at the time of the meeting, at the student's request;
- describe to the student as completely as possible the nature of the conduct in question, and the Theatre of Arts rules and/or regulation(s) allegedly violated, hear the student's defense to such charges, and counsel the student as appropriate; and
- provide the student with copies of the documents relevant to the case, at the student's request. Should the case be referred to the Student Conduct Committee, the School Designee will provide the student with copies of all documents relevant to the case which are in the possession of the Student Conduct Committee at the time the case is referred. Relevant documents received thereafter will be shared with the student

Although meeting with the School Designee provides the student with an opportunity to resolve the case without a hearing before the Student Conduct Committee, the student may opt to forgo a meeting with the School Designee by requesting, in writing, that the case be forwarded to the Student Conduct Committee for a hearing as defined below.

DISPOSITION BY THE SCHOOL DESIGNEE

After conducting any further necessary investigation, the School Designee assigned to the case may take one of several actions listed below. Regardless of the action taken, the School Designee will confirm his or her disposition of the case in a notice to the student

within seven days of the action.

IMPOSING SANCTIONS

If the student does admit responsibility, and if the School Designee concludes that there is sufficient information to sustain a finding of responsibility, the School Designee may impose or defer one or more of the sanctions listed herein.

REFERRAL TO THE STUDENT CONDUCT COMMITTEE

If the student does not admit responsibility, and if the School Designee concludes that an Agreement of Resolution (see below) is not appropriate, and that the charges have been substantiated, the School Designee will refer the case to the Student Conduct Committee for a hearing. At any time until the Student Conduct Committee recorder makes report of the hearing decision, the student may make an admission of responsibility to the School Designee assigned to the case. The School Designee may then impose or defer one or more of the sanctions listed herein. This disposition is binding and terminates all Student Conduct Committee proceedings.

UNSUBSTANTIATED CHARGES

If the School Designee concludes that the charges have not been substantiated, the case will be dismissed, and will not be referred to the Student Conduct Committee for a hearing.

AGREEMENT OF RESOLUTION

When the School Designee and the student agree that the above dispositions are not appropriate, an Agreement of Resolution may be used to conclude the matter. This Resolution, while not considered to be a finding of responsibility, is binding if the student fails to abide by the terms of the Agreement of Resolution, that failure may be regarded as actionable misconduct and may subject the student to disciplinary action by the school.

An Agreement of Resolution may include—but is not limited to—such terms as:

- agreement by the student to refrain from specific behaviors, and/or to refrain from contacting others involved in the case
- agreement by the student to participate in specified educational programs, counseling and/or reconciliation processes such as mediation

The Agreement of Resolution will be retained in the case file in the Office of Registrar Records for seven years from the date of the Agreement. During that time,

should the school have a reasonable basis to believe that the student has engaged in misconduct related in nature to the conduct which occasioned the Agreement, both cases may be the subject of Theatre of Arts disciplinary action.

SANCTIONS

When a student admits responsibility or is found in violation of Theatre of Arts policy, the School Designee may impose one or more of the sanctions listed in this Section; any sanction may be effective retroactively. Any sanction imposed will be appropriate to the violation, taking into consideration the context and seriousness of the violation, and may include required enrollment in and completion of educational programs, classes, activities or workshops, which in the judgment of the School Designee will be beneficial to the student.

Where it is more likely than not that a violation of Theatre of Arts policy has been committed against any person or group because of the person's or group's race, color, religion, ancestry, national origin, disability, gender, or sexual orientation, or because of the perception by the student charged with the violation that the person or group has one or more of those characteristics, the recommendation or imposition of sanctions will be enhanced, and usually will result in Suspension or Dismissal.

EXCLUSION FROM THEATRE OF ARTS CAMPUS, FACILITIES OR OFFICIAL FUNCTIONS

Exclusion of a student as part of a disciplinary action from specified areas of the campus or Theatre of Arts-owned, operated, or leased facilities, or other facilities located on Theatre of Arts or affiliated property, including but not limited to residence halls and dining facilities, either permanently or for a specified term or terms. Upon Exclusion and until reinstated, a student may not enter restricted locations without securing prior approval from the School Designee. Violation of the conditions of Exclusion or of Theatre of Arts policy during the period of Exclusion may be cause for further disciplinary action. Conditions for readmission to excluded locations may include, but are not limited to, disciplinary probation for a specified length of time; and restricted visitation to specified campus locations.

LOSS OF PRIVILEGES/EXCLUSION FROM ACTIVITIES

Exclusion from participation in designated privileges and extracurricular activities for a specified term or terms. Upon Exclusion and until reinstated, a student may not utilize such privileges or attend or participate

in such activities without securing prior approval from the School Designee. Violation of the conditions of Exclusion or of Theatre of Arts policy during the period of Exclusion may be cause for further disciplinary action. Conditions for reinstatement to exercise privileges and/or access to excluded functions may include, but are not limited to, disciplinary probation for a specified length of time; and restricted attendance or participation in specified privileges or activities.

RESTITUTION

A requirement for restitution in the form of reimbursement may be imposed for expenses incurred by Theatre of Arts or other parties resulting from a violation of the Theatre of Arts policies. Such reimbursement may take the form of monetary payment or appropriate service to repair or otherwise compensate for damages. Restitution may be imposed on any student who alone, or through group or concerted activities, participates in causing the damages or costs. Failure to fulfill restitution obligations may be cause for further disciplinary action. Theatre of Arts shall not be responsible for collecting restitution assessed to or incurred by any parties other than Theatre of Arts.

EDUCATIONAL SANCTIONS

Sanctions including but not limited to: required participation in or attendance at appropriate educational programs or counseling; community service; apologies, essays or other appropriate discretionary assignments or community service that fulfill the goals of education and reconciliation. The cost for attendance or participation is at the expense of the student. Note: community service cannot be part of an event, sport, etc. the student is already involved in.

NO CONTACT ORDER

An order of 'no contact' is a restriction of contact between Parties, included direct and indirect contact, through a third-Party, and/or through technology or social media. It may be imposed for a specified period of time, or permanently.

WARNING/CENSURE

Written notice or reprimand to the student that a violation of Theatre of Arts policy has occurred and that additional, continued or repeated violations of Theatre of Arts policy will likely result in more serious disciplinary action. Warning may also involve conditions, such as those listed above, that are intended to be educational in nature.

DISCIPLINARY PROBATION

A status imposed for a specific period of time in which

a student must demonstrate conduct that conforms to Theatre of Arts standards of conduct and policies. Disciplinary Probation is a status which may involve restrictions, conditions or terms imposed for a definite period of time not to exceed the length of the probationary period. Restrictions, conditions, or terms of probation may include but are not limited to: periodic contact with a designated member of the campus community; restrictions on accessibility to TOA facilities, functions, activities and/or housing areas; and change of housing assignment. Failure to comply with the terms and conditions of the probation or additional behavior in violation of Theatre of Arts policies that occurs during or outside of the probationary period will likely result in more serious disciplinary action.

HOLD ON THEATRE OF ARTS RECORDS

A Hold may be placed on the student's Theatre of Arts records for either a stated period or until the student satisfies any conditions imposed as part of another sanction. The placement of a Hold on the student's Theatre of Arts records may, for example, prevent the student from registering for classes and/or from obtaining transcripts, verifications, or a degree from Theatre of Arts.

SUSPENSION

Suspension is the **temporary** termination of student status involving denial of all student privileges for a specified academic term or terms, to take effect at such time as the School Designee decides. Upon suspension and until reinstated, a student may not enter TOA premises or TOA-related premises without securing prior approval from the School Designee. Violation of the conditions of Suspension or of Theatre of Arts policy during the period of Suspension may be cause for further disciplinary action.

Post-suspension, students may be reinstated if:

- the student has complied with all conditions imposed as part of the Suspension;
- the student is academically eligible;
- the student meets all requirements for reinstatement including, but not limited to, removal of Holds on records, and payment of restitution where payment is a requirement of reinstatement; and
- the student meets the deadlines for filing all necessary applications, including those for readmission, registration, and enrollment

Conditions for readmission may include, but are not limited to, disciplinary probation for a specified length

of time; non-residence on campus; and restricted visitation to specified campus facilities.

DISMISSAL

Dismissal is the **permanent** termination of student status and denial of all student privileges. Students dismissed from TOA may not enter TOA premises or TOA-related premises without prior approval from the School Designee. Readmission to the TOA campus, facilities or properties after Dismissal may be granted only under exceptional circumstances and requires the specific prior approval of the School Designee.

REVOCATION OF AWARDING OF DEGREE

Should it be found that a degree, certificate or award was obtained by fraud, such degree, certificate or award is subject to revocation. Such revocation is subject to review on appeal by Theatre of Arts.

NOTATION OF SUSPENSION OR DISMISSAL ON ACADEMIC TRANSCRIPT

When a student is suspended or dismissed, a temporary or permanent notation on the student's record (academic transcript) that the student was found responsible for a violation of Theatre of Arts policy may be imposed.

APEAL OF SUSPENSION OR DISMISSAL

Except in the case of a sanction imposed as a result of the Grievance Process under the Sexual Misconduct Response Policy, which has a separate process for appeals, if the School Designee imposes a sanction of Suspension or Dismissal as a result of a violation of the Student Code of Conduct determined in accordance with the procedures under this Code, the student may submit a written appeal of the impose Suspension or Dismissal to the Director of Student Affairs within seven days of the date of notice from the School Designee of decision imposing such sanction. The imposition of a sanction of Suspension or Dismissal may be deferred during such appeal, at the discretion of the Director of Student Affairs.

If, as a result of an appeal, the Director of Student Affairs determines that the student was improperly disciplined, the Office of Registrar Records will, if requested by the student, have the record of the hearing sealed and have any reference to the disciplinary process and resulting Suspension or Dismissal removed from the student's record (academic transcript). In such case, the record of the disciplinary process may be disclosed only as required by law.

THE STUDENT CONDUCT COMMITTEE

When a case is referred to the Student Conduct Com-

mittee for a hearing, the following will be provided to the student to ensure a fair hearing:

- written notice, including a brief statement of the factual basis of the charges, the Theatre of Arts policies or regulations allegedly violated, and the time and place of the hearing
- the opportunity for a prompt and fair hearing where the school will have the responsibility of proving that it is more likely than not that a violation occurred;
- the opportunity to present documents, defense and witnesses;
- a written report including a summary of the findings of fact and, at the request of the student, access to a copy of a record of the hearing; and
- an appeal process

REFERRAL TO STUDENT CONDUCT COMMITTEE

A hearing will be provided for all cases referred to the Student Conduct Committee under the Theatre of Arts Student Conduct Code.

COMPOSITION

The Student Conduct Committee will consist of 3 individuals possibly including, but not limited to, member of faculty, member of Theatre of Arts management, member of Theatre of Arts staff, and member of Theatre of Arts Directorship. One member of the Committee will act as Hearing Recorder.

SCHEDULE OF HEARING

It is the intention of the TOA Student Conduct Code that hearing will be set as soon as reasonably possible after referral to the Student Conduct Committee.

HEARING PROCEDURES & STANDARDS

If a student absents himself or herself from the disciplinary process, or has withdrawn from Theatre of Arts while subject to pending disciplinary action, the case may proceed to disposition without the student's participation.

CONTINUING RESOLUTION BETWEEN THE STUDENT AND THEATRE OF ARTS

Until the Student Conduct Committee has published its decision to TOA Senior Management and the student, the student may make an admission of responsibility to the School Designee assigned to the case. The School Designee may then impose or defer one or more of the sanctions listed herein. Any sanction may be effective retroactively. This disposition of the matter will bind all parties and terminate all proceedings.

REPORTS OF STUDENT CONDUCT COMMITTEE DECISION TO TOA SR. MANAGEMENT & STUDENT

Within fifteen days after the conclusion of a hearing, the Student Conduct Committee Recorder will submit a notice of the Committee decision to Theatre of Arts Senior Management and the student including:

- a summary of the allegations and the outcome of the Committee examination of the information concerning the alleged misconduct, including the positions of the parties and a summary of the evidence presented;
- whether a majority of the Committee determined it was more likely than not that the student has violated one or more of the Theatre of Arts policies that the student has been charged with violating; and
- a decision of sanction based on those conferred in similar cases and in any previous cases of misconduct by the accused student on file with the Office of Registrar Records. Such sanction shall be carried out by all relevant parties on the time line decided by the Committee.

APPEAL BY STUDENT

A student seeking to appeal a decision by the Committee shall submit a written appeal within 7 days of receiving the Committee's decision. An appeal is not a hearing, but rather a review on limited grounds. Grounds for appeal are:

- Procedural irregularity that affected the outcome of the matter;
- New evidence that was not reasonably available at the time the determination regarding responsibility was made, that could affect the outcome of the matter;
- A conflict of interest or bias by a member of the Committee that affected the outcome of the matter;
- The sanctions assessed are substantially disproportionate to the findings.
- When a student has appealed in writing a decision or sanction by TOA, the final decision regarding the outcome will be made by Senior Management. Within 20 days of the submission of appeal, Senior Management will notify the student as to the decision on the appeal. The decision of Senior Management will be final and complete.

The written decision will be delivered to:

1. The student & his/her representative, if any;
2. The Theatre of Arts Office of Registrar Records; and
3. Other Theatre of Arts departments/employees as necessary to carry out sanctions

INTERIM SUSPENSION

Before final determination of an alleged violation, Interim Suspension may be imposed by the School Designee

1. Interim Suspension may include exclusion from all or part of the Theatre of Arts campus or Theatre of Arts owned, operated, or leased facilities, or other facilities located on Theatre of Arts or affiliated property, facilities, classes or from other specified activities, including but not limited to residence halls and dining facilities. Until reinstated, a student may not enter restricted locations without securing prior approval from the School Designee. Violation of the conditions of Interim Suspension or of Theatre of Arts policy during the period of Interim Suspension may be cause for further disciplinary action. Conditions for readmission to excluded locations may include, but are not limited to, disciplinary probation for a specified length of time; and restricted visitation to specified campus locations.
2. Upon imposition of the Interim Suspension, the School Designee will notify the student under the Interim Suspension of the charges against him or her, the length and conditions of the Interim Suspension, and the opportunity for a hearing
3. FACULTY MISCONDUCT COMPLAINTS

While Theatre of Arts affords its faculty Academic Freedom in determining the content of courses and the method and style of teaching, it also acknowledges its responsibility to provide students a mechanism for making complaints of faculty misconduct, such as neglect of duty, incapacity, or conduct unbecoming an academic professional.

Retaliation: No member of the TOA community may retaliate against anyone who engages in good faith conduct. Acts of retaliation violate school policy and may be unlawful, and as such, will not be tolerated. Any individual found to have retaliated shall be subject to disciplinary action, up to and including termination of employment or student expulsion.

Step 1: Concern or Incident: Informal Resolution

Students are encouraged to resolve disputed behavior informally with the faculty member when at all possible, or seek the assistance of their Advisor to facilitate informal resolution.

Step 2: Formal Written Complaint

In circumstances where informal resolution is not possible, a formal written complaint must be filed with the Director of Education within 14 calendar days of the alleged misconduct.

Step 3: Committee Investigation

A Fact Finding Committee comprised of three neutral individuals will conduct a rigorous inquiry into the complaint's veracity, including interviews of all parties involved, witness statements from fellow classmates and/or video evidence of recorded class sessions.

Step 4: Proposed Resolution

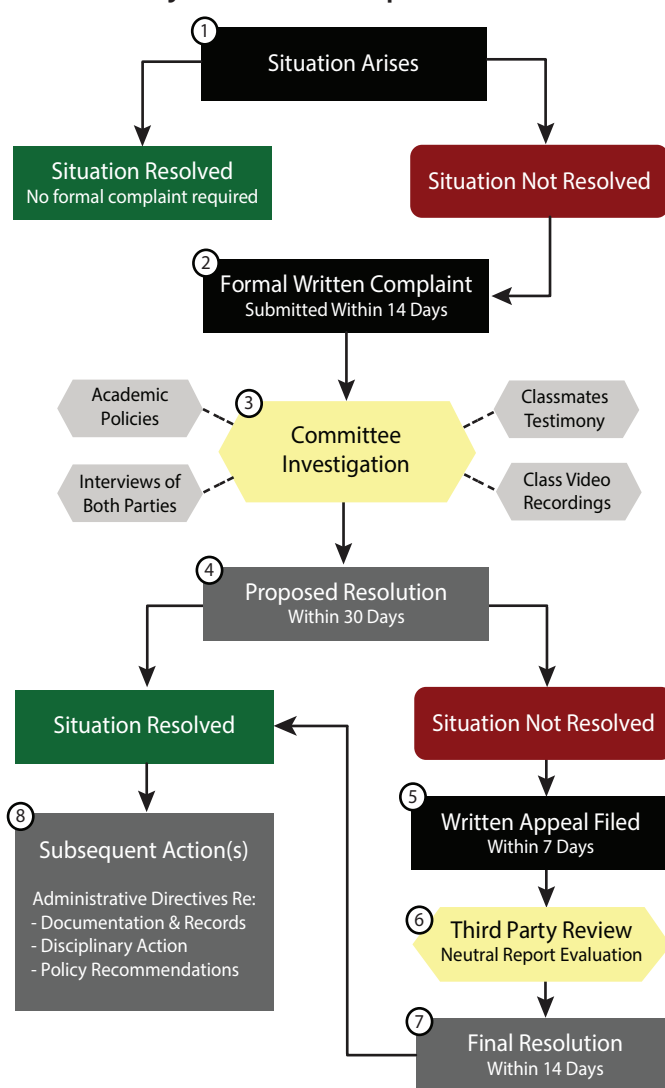

The Fact Finding Committee issues a written report or response within 30 days of first reviewing the complaint. Report will contain findings and recommendations, with particular focus on whether the conduct in question is protected by Academic Freedom, providing copies to the complaining student, faculty member, and school administration.

Step 5: Appeals

Either the student or the faculty member may file a written appeal of the Proposed Resolution to TOA Administration within seven calendar days of delivery of the Committee's report or response.

Step 6: Neutral Third Party Review

The Director of Education will appoint a Neutral Third

Party individual to review the report, with focus on whether the alleged conduct is protected by Academic Freedom. The Neutral Third Party will not conduct a new investigation or overturn factual findings in the report unless they are clearly erroneous.

Step 7: Final Resolution

The Neutral Third Party will issue a written decision within 14 calendar days of receiving the appeal. A copy of the decision will be sent to the student, the faculty member, and the Director of Education.

Step 8: Subsequent Action(s)

The appropriate school official will decide what action, if any, to take. For example, the Director of Education may decide to place a report in the faculty member's personnel file or bring faculty disciplinary charges. Similarly, disciplinary charges up to and including expulsion may be brought against the student in some cases, such as following repeated complaints deemed frivolous or without merit. Any actions must comply with TOA policies and bylaws.
