Institutional Employment

Calendar Year	Graduates Employed in the field who are employed by the Colburn School	Total graduates employed in the field
2019	0	0
2020	0	0

¹“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

²“Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

Pursuant to CEC 94910(f)(2), The Colburn School maintains a list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates. This list of actual employment of our graduates is kept in the Conservatory Office and is available upon request.
