¹ “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³ “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴ “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵ “Placement Rate” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

STUDENT'S RIGHT TO CANCEL & REFUND POLICY

In the event a student elects to withdraw from attendance, that student will have rights to a full refund if cancellation is initiated formally as follows:

To cancel the course and be eligible for a refund, a student must submit in writing their notice to cancel through attendance of the first class session, or the seventh (7th) day after enrollment, whichever is later. If the cancellation is mailed in rather than hand-delivered, the letter must be submitted to 3355 Myrtle Ave Ste 200, North Highlands, CA, 95660, and the postmark must be prior to the first day of class, or the seventh (7th) day after enrollment, whichever is later.

Should a student withdrawal from the course and be eligible for a refund, the refund will be paid to the student, department, or agency that paid the course fees. In the event that a student withdrawal prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student withdrawal after 60 percent completion, no refunds will be dispersed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible to pay that amount.

If the student obtained a loan to pay for an educational program, the student has the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

STUDENT'S RIGHT TO CANCEL & REFUND POLICY

In the event a student elects to withdraw from attendance, that student will have rights to a full refund if cancellation is initiated formally as follows:

To cancel the course and be eligible for a refund, a student must submit in writing their notice to cancel through attendance of the first class session, or the seventh (7th) day after enrollment, whichever is later. If the cancellation is mailed in rather than hand-delivered, the letter must be submitted to 3355 Myrtle Ave Ste 200, North Highlands, CA, 95660, and the postmark must be prior to the first day of class, or the seventh (7th) day after enrollment, whichever is later.

Should a student withdrawal from the course and be eligible for a refund, the refund will be paid to the student, department, or agency that paid the course fees. In the event that a student withdrawal prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student withdrawal after 60 percent completion, no refunds will be dispersed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible to pay that amount.

If the student obtained a loan to pay for an educational program, the student has the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

STUDENT'S RIGHT TO CANCEL & REFUND POLICY

In the event a student elects to withdraw from attendance, that student will have rights to a full refund if cancellation is initiated formally as follows:

To cancel the course and be eligible for a refund, a student must submit in writing their notice to cancel through attendance of the first class session, or the seventh (7th) day after enrollment, whichever is later. If the cancellation is mailed in rather than hand-delivered, the letter must be submitted to 3355 Myrtle Ave Ste 200, North Highlands, CA, 95660, and the postmark must be prior to the first day of class, or the seventh (7th) day after enrollment, whichever is later.

Should a student withdrawal from the course and be eligible for a refund, the refund will be paid to the student, department, or agency that paid the course fees. In the event that a student withdrawal prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student withdrawal after 60 percent completion, no refunds will be dispersed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible to pay that amount.

If the student obtained a loan to pay for an educational program, the student has the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

STUDENT'S RIGHT TO CANCEL & REFUND POLICY

In the event a student elects to withdraw from attendance, that student will have rights to a full refund if cancellation is initiated formally as follows:

To cancel the course and be eligible for a refund, a student must submit in writing their notice to cancel through attendance of the first class session, or the seventh (7th) day after enrollment, whichever is later. If the cancellation is mailed in rather than hand-delivered, the letter must be submitted to 3355 Myrtle Ave Ste 200, North Highlands, CA, 95660, and the postmark must be prior to the first day of class, or the seventh (7th) day after enrollment, whichever is later.

Should a student withdrawal from the course and be eligible for a refund, the refund will be paid to the student, department, or agency that paid the course fees. In the event that a student withdrawal prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student withdrawal after 60 percent completion, no refunds will be dispersed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible to pay that amount.

If the student obtained a loan to pay for an educational program, the student has the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

¹ “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³ “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴ “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵ “Placement Rate” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

STUDENT'S RIGHT TO CANCEL & REFUND POLICY

In the event a student elects to withdraw from attendance, that student will have rights to a full refund if cancellation is initiated formally as follows:

To cancel the course and be eligible for a refund, a student must submit in writing their notice to cancel through attendance of the first class session, or the seventh (7th) day after enrollment, whichever is later. If the cancellation is mailed in rather than hand-delivered, the letter must be submitted to 3355 Myrtle Ave Ste 200, North Highlands, CA, 95660, and the postmark must be prior to the first day of class, or the seventh (7th) day after enrollment, whichever is later.

Should a student withdrawal from the course and be eligible for a refund, the refund will be paid to the student, department, or agency that paid the course fees. In the event that a student withdrawal prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student withdrawal after 60 percent completion, no refunds will be dispersed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible to pay that amount.

If the student obtained a loan to pay for an educational program, the student has the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

STUDENT'S RIGHT TO CANCEL & REFUND POLICY

In the event a student elects to withdraw from attendance, that student will have rights to a full refund if cancellation is initiated formally as follows:

To cancel the course and be eligible for a refund, a student must submit in writing their notice to cancel through attendance of the first class session, or the seventh (7th) day after enrollment, whichever is later. If the cancellation is mailed in rather than hand-delivered, the letter must be submitted to 3355 Myrtle Ave Ste 200, North Highlands, CA, 95660, and the postmark must be prior to the first day of class, or the seventh (7th) day after enrollment, whichever is later.

Should a student withdrawal from the course and be eligible for a refund, the refund will be paid to the student, department, or agency that paid the course fees. In the event that a student withdrawal prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student withdrawal after 60 percent completion, no refunds will be dispersed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible to pay that amount.

If the student obtained a loan to pay for an educational program, the student has the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

STUDENT'S RIGHT TO CANCEL & REFUND POLICY

In the event a student elects to withdraw from attendance, that student will have rights to a full refund if cancellation is initiated formally as follows:

To cancel the course and be eligible for a refund, a student must submit in writing their notice to cancel through attendance of the first class session, or the seventh (7th) day after enrollment, whichever is later. If the cancellation is mailed in rather than hand-delivered, the letter must be submitted to 3355 Myrtle Ave Ste 200, North Highlands, CA, 95660, and the postmark must be prior to the first day of class, or the seventh (7th) day after enrollment, whichever is later.

Should a student withdrawal from the course and be eligible for a refund, the refund will be paid to the student, department, or agency that paid the course fees. In the event that a student withdrawal prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student withdrawal after 60 percent completion, no refunds will be dispersed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the amount of the benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible to pay that amount.

If the student obtained a loan to pay for an educational program, the student has the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; 2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Federal Student loan Debt

Students at Security & Firearms Training Academy are not eligible for federal student loans. This institution does not meet the U.S. Department of Education criteria that would allow its students to participate in federal student aid programs.

If you have any questions about how the data reflected on the above charts was gathered or if you want a list of employment positions determined to be within the field for any specific program for which statistics are reported above, please speak with an **Admissions Representative**.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at: 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, www.bppe.ca.gov, Phone: 888.370.7589, Fax: 916.263.1897.
