Definitions

- ▯ “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- ▯ “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- ▯ “Number of On---time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- ▯ “On---time Completion Rate” is the number of on---time graduates divided by the number of students available for graduation.
- ▯ “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on---time graduates).
- ▯ “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on---time graduates, divided by the number of students available for graduation.
- ▯ “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- ▯ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- ▯ “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation and to CCNM. You may submit a cancellation notice by mail to: CCNM, 1237 South Victoria, #169, Oxnard, CA 93035 or hand delivery. The written cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage paid.

If a student has received federal student aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If the student defaults on a federal or state loan, both the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you or loaned any equipment, including books or other materials, you shall return them to the school within thirty days following the date of your notice of cancellation.

- ◆ “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- ◆ “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- ◆ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- ◆ “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- ◆ “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- ◆ “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

CALIFORNIA COLLEGE OF NATURAL MEDICINE
WWW.CCONM.COM

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Student's Right to Cancel

You have the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation and to CCNM. You may submit a cancellation notice by mail to: CCNM, 1237 South Victoria, #169, Oxnard, CA 93035 or hand delivery. The written cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage paid.

If a student has received federal student aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If the student defaults on a federal or state loan, both the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you or loaned any equipment, including books or other materials, you shall return them to the school within thirty days following the date of your notice of cancellation.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of OnGtime Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “OnGtime Completion Rate” is the number of onGtime graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes onGtime graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including onG time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

California College of Natural Medicine
1237 S. Victoria Ave, #169
Oxnard, CA 93035

- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation and to CCNM. You may submit a cancellation notice by mail to: CCNM, 1237 South Victoria, #169, Oxnard, CA 93035 or hand delivery. The written cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage paid.

If a student has received federal student aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If the student defaults on a federal or state loan, both the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you or loaned any equipment, including books or other materials, you shall return them to the school within thirty days following the date of your notice of cancellation.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of OnFtime Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “OnFtime Completion Rate” is the number of onFtime graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes onFtime graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including onFtime graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureauFapproved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation and to CCNM. You may submit a cancellation notice by mail to: CCNM, 1237 South Victoria, #169, Oxnard, CA 93035 or hand delivery. The written cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage paid.

If a student has received federal student aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If the student defaults on a federal or state loan, both the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you or loaned any equipment, including books or other materials, you shall return them to the school within thirty days following the date of your notice of cancellation.
