Cancellation shall occur when you give written notice of cancellation at the address of the School shown on the top of the first page of the Enrollment Agreement. You can do this by mail or hand delivery. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid.

The institution shall advise each student that a notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that you no longer wish to be bound by this Agreement. You will be given two (2) Notice of Cancellation forms (attached to this Agreement) to use at the first day of class, but you can use any written notice that you wish.

If the school has given you any equipment, including books or other materials you shall return them to the school within thirty days following the date of your Notice of Cancellation. If you fail to return this equipment, including books and other materials, in good condition within the thirty (30) day period, the School may deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation.

If you cancel this Agreement, the School will refund any money that you paid less any deduction for equipment not timely returned in good condition, within thirty days after your Notice of Cancellation is received.
