

SCHOOL PERFORMANCE FACT SHEET
CALENDAR YEARS 2020 & 2021

**California Dental Practice Act – (Full Time 1
 Week) - Avocational**

On-Time Completion Rates (Graduation Rates)

Includes data for the two calendar years prior to reporting.

Calendar Year	Number of Students Who Began the Program	Students Available for Graduation	Number of On-Time Graduates	On-Time Completion Rate
2020	0	0	0	0%
2021	4	4	4	100%

Student's Initials: _____ **Date:** _____

Initial only after you have had sufficient time to read and understand the information.

Job Placement Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2020	0	0	0	0	0
2021	0	0	0	0	0

You may obtain from the institution a list of the employment positions determined to be in the field for which a student received education and training. [The information is available at The Office of Career Services](#)

Gainfully Employed Categories (includes data for the two calendar years prior to reporting)

Part-Time vs. Full-Time Employment

Calendar Year	Graduate Employed in the Field 20-29 Hours Per Week	Graduates Employed in the Field at Least 30 Hours Per Week	Total Graduates Employed in the Field
2020	0	0	0
2021	0	0	0

Single Position vs. Concurrent Aggregated Position

Calendar Year	Graduates Employed in the Field in a Single Position	Graduates Employed in the Field in Concurrent Aggregated Positions	Total Graduates Employed in the Field
2020	0	0	0
2021	0	0	0

Self-Employed / Freelance Positions

Calendar Year	Graduates Employed who are Self-Employed or Working Freelance	Total Graduates Employed in the Field
2020	0	0
2021	0	0

Institutional Employment

Calendar Year	Graduates Employed in the Field who are Employed by the Institution, an Employer Owned by the Institution, or an Employer who Shares Ownership with the Institution.	Total Graduates Employed in the Field
2020	0	0
2021	0	0

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

License Examination Passage Rates (includes data for the two calendar years prior to reporting)

There is no License requirement for this program

Calendar Year	Number of Graduates in Calendar Year	Number of Graduates Taking Exam	Number Who Passed First Available Exam	Number Who Failed First Available Exam	Passage Rate
2020	0	0	0	0	0
2021	0	0	0	0	0

Licensure examination passage data is not available from the state agency administering the examination. We are unable to collect data from # graduates.

Student's Initials: _____ **Date:** _____

Initial only after you have had sufficient time to read and understand the information.

Salary and Wage Information (includes data for the two calendar years prior to reporting)

Annual salary and wages reported for graduates employed in the field.

Calendar Year	Graduates Available for Employment	Graduates Employed in Field	\$20,001	\$35,001	\$40,001	\$45,001	No Salary Information Reported
			- \$25,000	- \$40,000	- \$45,000	- \$50,000	
2020	0	0	0	0	0	0	0
2021	0	0	0	0	0	0	0

A list of sources used to substantiate salary disclosures is available from the school. [This information can be obtained from the Office of Career Services.](#)

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Cost of Educational Program

Total charges for the program for students completing on time in 2020: \$99.00

Total charges may be higher for students that do not complete on time.

Total charges for the program for students completing on time in 2021: \$99.00

Total charges may be higher for students that do not complete on time.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.4%	0	0	\$13,830
2021		0	0	

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.4%	0	0	
2021		0	0	

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on **03/17/2022**. As of **12/01/2026**, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

DELETE “*” STATEMENT IF NOT APPLICABLE ↓

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on **MM/DD/YYYY**. As of **MM/DD/YYYY**, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT’S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on **MM/DD/YYYY**. As of **MM/DD/YYYY**, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.4%	0	0	\$13,830
2021		0	0	

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

DELETE “*” STATEMENT IF NOT APPLICABLE ↓

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on **MM/DD/YYYY**. As of **MM/DD/YYYY**, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.4%	100%	100%	\$13,830
2021	1.1%	78%	92%	\$15,566

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.4%	0	0	\$13,830
2021	1.1%	0	0	\$15,566

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on 01/04/2021. As of 12/01/2024, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.4%	85%	80%	\$12,478
2021	1.1%	87%	93%	\$13,596

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.4%	83%	90%	\$12,478
2021	1.1%	89%	95%	\$13,596

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.4%	0	0	\$12,478
2021	1.1%	0	0	\$13,596

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on **1/4/2021**. As of **12/01/2023**, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.4%	0	0	\$12,478
2021	1.1%	0	0	\$13,596

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.4%	0	0	\$12,478
2021	1.1%	0	0	\$13,596

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on **01/04/2021**. As of **12/01/2024**, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education.¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.4%	91%	100%	\$7,760
2021	1.1%	81%	87%	\$12,883

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.4%	62%	60%	\$9,047
2021	1.1%	66%	75%	\$12,883

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on **MM/DD/YYYY**. As of **MM/DD/YYYY**, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available foremployment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program has not Started. As of **TBD**, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.3%	0	0	\$9,047
2021	1.1%	0	0	\$12,883

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on **01/04/2021**. As of **12/01/2023**, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported

calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.4%	0	0	\$9,047
2021	1.1%	67%	91%	\$12,883

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on **01/21/2019**. As of **12/01/2023**, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.4%	0	0	\$9,047
2021	1.1%	0	0	\$12,883

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2020/21 receiving federal student loans to pay for this program.	The percentage of graduates in 2020/21 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2020/21 graduates who took out federal student loans at this institution.
2020	3.4%	0	0	\$9,047
2021	1.1%	0	0	\$12,883

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Date

Date

* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on **06/02/2022**. As of **12/01/2024**, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

-
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
 - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
 - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
 - “Salary” is as reported by graduate or graduate’s employer.
 - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The Institutions shall refund 100 percent (100%) of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred dollars (\$200.00), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent (60%) or less of the period of attendance shall be a pro rata refund.

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Cancellation shall occur when you have given notice of cancellation to the campus of High Desert Medical College listed on the top of the page of this agreement or verbally to the Director of Admissions. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within ten (10) days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the ten (10) day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the ten (10) day period and in good condition, within 45 days after your notice of cancellation is received.
