**Definitions:**

“Number of students who began the program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students available for graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time graduates” means the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed within 150% of the program length (includes on-time graduates.)

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within the 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduate” means an individual who has been awarded a degree or diploma.

“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

**Santa Barbara Body Therapy Institute**      **School Code #4201111**

**[www.sbbti.com](http://www.sbbti.com) P: (805) 966-5802 F: (805) 563-0032**

“Graduates employed in the field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of graduates taking the exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

“Exam date” is the date for the first available exam after the students completed the program.

“Passage Rate” is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

“Number who passed the first available exam ” is the number of graduates who took and passed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Number who failed exam ” is the number of graduates who took and failed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Salary” is as reported by the student. Not all graduates report salary. A list of the employers of the graduates employed in the field can be obtained from our Santa Barbara Body Therapy Employment Binder located in our school office.

“No salary information reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT’S RIGHT TO CANCEL**

You have the right to cancel this Agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, until midnight of the first day of the first class you attended or the seventh day after enrollment, whichever is later

Cancellation shall occur when written notice of cancellation is delivered to the address of the school shown on the reverse side, by mail, hand delivery or telegram. “Graduates employed in the field” means graduates who, beginning within six months after a student completes the applicable educational program, are gainfully employed, whose employment has been reported and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of graduates taking the exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

“Exam date” is the date for the first available exam after the students completed the program.

“Passage Rate” is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

“Number who passed the first available exam” is the number of graduates who took and passed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Number who failed exam” is the number of graduates who took and failed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Salary” is as reported by the student. Not all graduates report salary. A list of the employers of the graduates employed in the field can be obtained from our Santa Barbara Body Therapy Employment Binder located in our school office.

“No salary information reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **Definitions:**

“Number of students who began the program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students available for graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time graduates” means the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within the 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduate” means an individual who has been awarded a degree or diploma.

“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

**Santa Barbara Body Therapy Institute      School Code #4201111**

“Graduates employed in the field” means graduates who, beginning within six months after a student completes the applicable educational program, are gainfully employed, whose employment has been reported and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of graduates taking the exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

“Exam date” is the date for the first available exam after the students completed the program.

“Passage Rate” is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

“Number who passed the first available exam” is the number of graduates who took and passed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Number who failed exam” is the number of graduates who took and failed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Salary” is as reported by the student. Not all graduates report salary. A list of the employers of the graduates employed in the field can be obtained from our Santa Barbara Body Therapy Employment Binder located in our school office.

“No salary information reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT’S RIGHT TO CANCEL**

You have the right to cancel this Agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, until midnight of the first day of the first class you attended or the seventh day after enrollment, whichever is later.

“Graduates employed in the field” means graduates who, beginning within six months after a student completes the applicable educational program, are gainfully employed, whose employment has been reported and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of graduates taking the exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

“Exam date” is the date for the first available exam after the students completed the program.

“Passage Rate” is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

“Number who passed the first available exam” is the number of graduates who took and passed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Number who failed exam” is the number of graduates who took and failed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Salary” is as reported by the student. Not all graduates report salary. A list of the employers of the graduates employed in the field can be obtained from our Santa Barbara Body Therapy Employment Binder located in our school office.

“No salary information reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT’S RIGHT TO CANCEL**

You have the right to cancel this Agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, until midnight of the first day of the first class you attended or the seventh day after enrollment, whichever is later.

Cancellation shall occur when written notice of cancellation is delivered to the address of the school shown on the reverse side, by mail, hand delivery or telegram. ### **Definitions:**

“Number of students who began the program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students available for graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time graduates” means the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within the 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduate” means an individual who has been awarded a degree or diploma.

“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

**Santa Barbara Body Therapy Institute      School Code #4201111**

“Graduates employed in the field” means graduates who, beginning within six months after a student completes the applicable educational program, are gainfully employed, whose employment has been reported and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of graduates taking the exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

“Exam date” is the date for the first available exam after the students completed the program.

“Passage Rate” is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

“Number who passed the first available exam” is the number of graduates who took and passed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Number who failed exam” is the number of graduates who took and failed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Salary” is as reported by the student. Not all graduates report salary. A list of the employers of the graduates employed in the field can be obtained from our Santa Barbara Body Therapy Employment Binder located in our school office.

“No salary information reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT’S RIGHT TO CANCEL**

You have the right to cancel this Agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, until midnight of the first day of the first class you attended or the seventh day after enrollment, whichever is later.

Cancellation shall occur when written notice of cancellation is delivered to the address of the school shown on the reverse side, by mail, hand delivery or telegram. If notice is sent by mail, it is effective when postmarked with postage prepaid. If you cancel this Agreement by the above timeframe the School will refund any money that you paid, less registration fee and any deduction for equipment not returned in good condition, within thirty days after your Notice of Cancellation is received.

I have read and understand this School Performance Fact Sheet. The School Performance Fact Sheet was reviewed and discussed with a school official prior to signing an enrollment agreement.

“Graduates employed in the field” means graduates who, beginning within six months after a student completes the applicable educational program, are gainfully employed, whose employment has been reported and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of graduates taking the exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

“Exam date” is the date for the first available exam after the students completed the program.

“Passage Rate” is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

“Number who passed the first available exam” is the number of graduates who took and passed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Number who failed exam” is the number of graduates who took and failed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Salary” is as reported by the student. Not all graduates report salary. A list of the employers of the graduates employed in the field can be obtained from our Santa Barbara Body Therapy Employment Binder located in our school office.

“No salary information reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT’S RIGHT TO CANCEL**

You have the right to cancel this Agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, until midnight of the first day of the first class you attended or the seventh day after enrollment, whichever is later.

### **Definitions:**

“Number of students who began the program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students available for graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time graduates” means the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within the 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduate” means an individual who has been awarded a degree or diploma.

“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates employed in the field” means graduates who, beginning within six months after a student completes the applicable educational program, are gainfully employed, whose employment has been reported and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of graduates taking the exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

“Exam date” is the date for the first available exam after the students completed the program.

“Passage Rate” is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

“Number who passed the first available exam” is the number of graduates who took and passed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Number who failed exam” is the number of graduates who took and failed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Salary” is as reported by the student. Not all graduates report salary. A list of the employers of the graduates employed in the field can be obtained from our Santa Barbara Body Therapy Employment Binder located in our school office.

“No salary information reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT’S RIGHT TO CANCEL**

You have the right to cancel this Agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, until midnight of the first day of the first class you attended or the seventh day after enrollment, whichever is later.

Cancellation shall occur when written notice of cancellation is delivered to the address of the school shown on the reverse side, by mail, hand delivery or telegram. If notice is sent by mail, it is effective when postmarked with postage prepaid. If you cancel this Agreement by the above timeframe the School will refund any money that you paid, less registration fee and any deduction for equipment not returned in good condition, within thirty days after your Notice of Cancellation is received.

I have read and understand this School Performance Fact Sheet. The School Performance Fact Sheet was reviewed and discussed with a school official prior to signing an enrollment agreement.

“Graduates employed in the field” means graduates who, beginning within six months after a student completes the applicable educational program, are gainfully employed, whose employment has been reported and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of graduates taking the exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

“Exam date” is the date for the first available exam after the students completed the program.

“Passage Rate” is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

“Number who passed the first available exam” is the number of graduates who took and passed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Number who failed exam” is the number of graduates who took and failed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Salary” is as reported by the student. Not all graduates report salary. A list of the employers of the graduates employed in the field can be obtained from our Santa Barbara Body Therapy Employment Binder located in our school office.

“No salary information reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **Definitions:**

“Number of students who began the program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students available for graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time graduates” means the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within the 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduate” means an individual who has been awarded a degree or diploma.

“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates employed in the field” means graduates who, beginning within six months after a student completes the applicable educational program, are gainfully employed, whose employment has been reported and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of graduates taking the exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

“Exam date” is the date for the first available exam after the students completed the program.

“Passage Rate” is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

“Number who passed the first available exam” is the number of graduates who took and passed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Number who failed exam” is the number of graduates who took and failed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Salary” is as reported by the student. Not all graduates report salary. A list of the employers of the graduates employed in the field can be obtained from our Santa Barbara Body Therapy Employment Binder located in our school office.

“No salary information reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

**Definitions:**

“Number of students who began the program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students available for graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time graduates” means the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within the 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduate” means an individual who has been awarded a degree or diploma.

“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

**Santa Barbara Body Therapy Institute**      **School Code #4201111**

**[www.sbbti.com](http://www.sbbti.com) P: (805) 966-5802 F: (805) 563-0032**

“Graduates employed in the field” means graduates who, beginning within six months after a student completes the applicable educational program, are gainfully employed, whose employment has been reported and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of graduates taking the exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

“Exam date” is the date for the first available exam after the students completed the program.

“Passage Rate” is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

“Number who passed the first available exam” is the number of graduates who took and passed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Number who failed exam” is the number of graduates who took and failed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Salary” is as reported by the student. Not all graduates report salary. A list of the employers of the graduates employed in the field can be obtained from our Santa Barbara Body Therapy Employment Binder located in our school office.

“No salary information reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT’S RIGHT TO CANCEL**

You have the right to cancel this Agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, until midnight of the first day of the first class you attended or the seventh day after enrollment, whichever is later.

Cancellation shall occur when written notice of cancellation is delivered to the address of the school shown on the reverse side, by mail, hand delivery or telegram. If notice is sent by mail, it is effective when postmarked with postage prepaid. If you cancel this Agreement by the above timeframe the School will refund any money that you paid, less registration fee and any deduction for equipment not returned in good condition, within thirty days after your Notice of Cancellation is received.

I have read and understand this School Performance Fact Sheet. The School Performance Fact Sheet was reviewed and discussed with a school official prior to signing an enrollment agreement.

“Graduates employed in the field” means graduates who, beginning within six months after a student completes the applicable educational program, are gainfully employed, whose employment has been reported and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of graduates taking the exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

“Exam date” is the date for the first available exam after the students completed the program.

“Passage Rate” is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

“Number who passed the first available exam” is the number of graduates who took and passed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Number who failed exam” is the number of graduates who took and failed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Salary” is as reported by the student. Not all graduates report salary. A list of the employers of the graduates employed in the field can be obtained from our Santa Barbara Body Therapy Employment Binder located in our school office.

“No salary information reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT’S RIGHT TO CANCEL**

You have the right to cancel this Agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, until midnight of the first day of the first class you attended or the seventh day after enrollment, whichever is later.

Cancellation shall occur when written notice of cancellation is delivered to the address of the school shown on the reverse side, by mail, hand delivery or telegram. ### **Definitions:**

“Number of students who began the program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students available for graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time graduates” means the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within the 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduate” means an individual who has been awarded a degree or diploma.

“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates employed in the field” means graduates who, beginning within six months after a student completes the applicable educational program, are gainfully employed, whose employment has been reported and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of graduates taking the exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

“Exam date” is the date for the first available exam after the students completed the program.

“Passage Rate” is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

“Number who passed the first available exam” is the number of graduates who took and passed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Number who failed exam” is the number of graduates who took and failed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Salary” is as reported by the student. Not all graduates report salary. A list of the employers of the graduates employed in the field can be obtained from our Santa Barbara Body Therapy Employment Binder located in our school office.

“No salary information reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT’S RIGHT TO CANCEL**

You have the right to cancel this Agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, until midnight of the first day of the first class you attended or the seventh day after enrollment, whichever is later.

Cancellation shall occur when written notice of cancellation is delivered to the address of the school shown on the reverse side, by mail, hand delivery or telegram. If notice is sent by mail, it is effective when postmarked with postage prepaid. If you cancel this Agreement by the above timeframe the School will refund any money that you paid, less registration fee and any deduction for equipment not returned in good condition, within thirty days after your Notice of Cancellation is received.

I have read and understand this School Performance Fact Sheet. The School Performance Fact Sheet was reviewed and discussed with a school official prior to signing an enrollment agreement.

### **Definitions:**

“Number of students who began the program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students available for graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time graduates” means the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within the 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduate” means an individual who has been awarded a degree or diploma.

“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates employed in the field” means graduates who, beginning within six months after a student completes the applicable educational program, are gainfully employed, whose employment has been reported and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of graduates taking the exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

“Exam date” is the date for the first available exam after the students completed the program.

“Passage Rate” is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

“Number who passed the first available exam” is the number of graduates who took and passed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Number who failed exam” is the number of graduates who took and failed the first available licensing exam after completing the program in the reported calendar year on the first attempt.

“Salary” is as reported by the student. Not all graduates report salary. A list of the employers of the graduates employed in the field can be obtained from our Santa Barbara Body Therapy Employment Binder located in our school office.

“No salary information reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT’S RIGHT TO CANCEL**

You have the right to cancel this Agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this Agreement, until midnight of the first day of the first class you attended or the seventh day after enrollment, whichever is later.

Cancellation shall occur when written notice of cancellation is delivered to the address of the school shown on the reverse side, by mail, hand delivery or telegram. If notice is sent by mail, it is effective when postmarked with postage prepaid. If you cancel this Agreement by the above timeframe the School will refund any money that you paid, less registration fee and any deduction for equipment not returned in good condition, within thirty days after your Notice of Cancellation is received.

I have read and understand this School Performance Fact Sheet. The School Performance Fact Sheet was reviewed and discussed with a school official prior to signing an enrollment agreement.
