## **STUDENT'S RIGHT TO CANCEL**

**The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (first day of classes), or the seventh day after enrollment (seven (7) days from date when the enrollment agreement was signed), whichever is later. Cancellation shall occur when the student gives a verbal or written notice of cancellation to the school. The notice of cancellation need not take a particular form and, however expressed, is effective if it indicates the student's desire not to be bound by the agreement. All monies paid by an applicant shall be refunded, if requested within seven (7) days after signing an enrollment agreement and making an initial payment. If the agreement is cancelled, within the allowable time noted above, the school shall refund within forty-five (45) days any consideration paid by the student, less a (Non-Refundable) Registration fee of seventyfive dollars (\$75) and the (Non-Refundable) Student Tuition Recovery Fund fee, if applicable. If the school gave the student any books and supplies, the student shall return the books and supplies within seven (7) days following the notice of cancellation.**
