Job Placement Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2021	95	57	57	36	63%
2022	85	53	53	34	64%

You may obtain from the institution a list of the employment positions determined to be in the field for which a student received education and training. A copy of such listing is available in the school catalog posted at www.uscmed.com

Gainfully Employed Categories (includes data for the two calendar years prior to reporting)

Part-Time vs. Full-Time Employment

Calendar Year	Graduates Employed in the Field 20-29 Hours Per Week	Graduates Employed in the Field at Least 30 Hours Per Week	Total Graduates Employed in the Field
2021	3	33	36
2022	0	34	34

Single Position vs. Concurrent Aggregated Position

Calendar Year	Graduates Employed in the Field in a Single Position	Graduates Employed in the Field in Concurrent Aggregated Positions	Total Graduates Employed in the Field
2021	36	0	36
2022	34	0	34

Self-Employed / Freelance Positions

Calendar Year	Graduates Employed who are Self-Employed or Working Freelance	Total Graduates Employed in the Field
2021	0	36
2022	0	34

Institutional Employment

Calendar Year	Graduates Employed in the Field who are Employed by the Institution, an Employer Owned by the Institution, or an Employer who Shares Ownership with the Institution.	Total Graduates Employed in the Field
2021	0	36
2022	0	34

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Self-Employed / Freelance Positions

This program may result in freelance or self-employment.

- The work available to graduates of this program is usually for freelance or self-employment.
- This type of work may not be consistent.
- The period of employment can range from one day to weeks to several months.
- Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.
- You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.
- Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises this work style.

Student's Initials: _____ Date: _____

Only initial after you have had sufficient time to read and understand the information.

License Examination Passage Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Graduates in Calendar Year	Number of Graduates Taking Exam	Number Who Passed First Available Exam	Number Who Failed First Available Exam	Passage Rate
2021	57	0	0	0	0%
2022	53	0	0	0	0%

No state agency licensure examination is required for the employment of graduates of this program

Salary and Wage Information (includes data for the two calendar years prior to reporting)

Annual salary and wages reported for graduates employed in the field.

Calendar Year	Graduates Available for Employment	Graduates Employed in Field	\$10,001-\$15,000	\$15,001-\$20,000	\$20,001-\$25,000	\$25,001-\$30,000	\$30,001-\$35,000	\$35,001-\$40,000	\$40,001-\$45,000	\$45,001-\$50,000	\$50,001-\$55,000	No Salary Information Reported
2021	57	36	0	0	0	0	1	2	2	0	0	31
2022	53	34	0	0	0	0	0	0	3	5	1	25

A list of sources used to substantiate salary disclosures is available from the school. The institution verifies graduate employment and salary information through employer verifications or student attestations. Additionally, a student may obtain salary information by visiting the Bureau of Labor Statistics website at: <https://www.bls.gov/>

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Cost of Educational Program

Total charges for the program for students completing on-time in 2021: \$2,995 Total charges may be higher for students that do not complete on-time.

Total charges for the program for students completing on-time in 2022: \$2,995 Total charges may be higher for students that do not complete on-time.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Federal Student Loan Debt

Students at Universal Schools & Colleges of Health & Human Services, Inc. are not eligible for federal student loans. This institution does not meet the U.S. Department of Education criteria that would allow its students to participate in federal student aid programs.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 1747 N. Market Blvd., Suite 225, Sacramento, CA 95834, www.bppe.ca.gov, toll-free telephone number (888) 370-7589 or by fax (916) 263-1897.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919(d) provides that the student has the right to cancel and obtain a refund of charges paid (excluding the registration fee) through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement through the second (2) class session or until midnight of the seventh (7) calendar day after the date of enrollment, whichever is later.

In accordance with California Education Code Section 94919(b), students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid (with the exception of the registration fee) will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation, or if the school cancels this agreement as described below.

If a student fails to attend the first three (3) consecutive class days of the program, the student must notify the school of his/her intent to remain in the program by midnight of the fifth (5) calendar day of the program.

If the student is not admitted to the School, all monies paid to the School by the student are refunded.

If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

A cancellation determination will be made by the institution for new and re-entry students on or before midnight of the seventh (7) calendar day after the date of enrollment based on the following criteria:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent, if applicable.
3. Incomplete arrangements to fulfill financial obligations.
4. Student fails to notify the School of his/her intent to remain in the program (as described above).

- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919(d) provides that the student has the right to cancel and obtain a refund of charges paid (excluding the registration fee) through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement through the second (2) class session or until midnight of the seventh (7) calendar day after the date of enrollment, whichever is later.

In accordance with California Education Code Section 94919(b), students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid (with the exception of the registration fee) will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation, or if the school cancels this agreement as described below.

If a student fails to attend the first three (3) consecutive class days of the program, the student must notify the school of his/her intent to remain in the program by midnight of the fifth (5) calendar day of the program.

If the student is not admitted to the School, all monies paid to the School by the student are refunded.

If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

A cancellation determination will be made by the institution for new and re-entry students on or before midnight of the seventh (7) calendar day after the date of enrollment based on the following criteria:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent, if applicable.
3. Incomplete arrangements to fulfill financial obligations.
4. Student fails to notify the School of his/her intent to remain in the program (as described above).

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919(d) provides that the student has the right to cancel and obtain a refund of charges paid (excluding the registration fee) through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement through the second (2) class session or until midnight of the seventh (7) calendar day after the date of enrollment, whichever is later.

In accordance with California Education Code Section 94919(b), students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid (with the exception of the registration fee) will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation, or if the school cancels this agreement as described below.

If a student fails to attend the first three (3) consecutive class days of the program, the student must notify the school of his/her intent to remain in the program by midnight of the fifth (5) calendar day of the program.

If the student is not admitted to the School, all monies paid to the School by the student are refunded.

If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

A cancellation determination will be made by the institution for new and re-entry students on or before midnight of the seventh (7) calendar day after the date of enrollment based on the following criteria:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent, if applicable.
3. Incomplete arrangements to fulfill financial obligations.
4. Student fails to notify the School of his/her intent to remain in the program (as described above).

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919(d) provides that the student has the right to cancel and obtain a refund of charges paid (excluding the registration fee) through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement through the second (2) class session or until midnight of the seventh (7) calendar day after the date of enrollment, whichever is later.

In accordance with California Education Code Section 94919(b), students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid (with the exception of the registration fee) will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation, or if the school cancels this agreement as described below.

If a student fails to attend the first three (3) consecutive class days of the program, the student must notify the school of his/her intent to remain in the program by midnight of the fifth (5) calendar day of the program.

If the student is not admitted to the School, all monies paid to the School by the student are refunded.

If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

A cancellation determination will be made by the institution for new and re-entry students on or before midnight of the seventh (7) calendar day after the date of enrollment based on the following criteria:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent, if applicable.
3. Incomplete arrangements to fulfill financial obligations.
4. Student fails to notify the School of his/her intent to remain in the program (as described above).

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919(d) provides that the student has the right to cancel and obtain a refund of charges paid (excluding the registration fee) through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement through the second (2) class session or until midnight of the seventh (7) calendar day after the date of enrollment, whichever is later.

In accordance with California Education Code Section 94919(b), students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid (with the exception of the registration fee) will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation, or if the school cancels this agreement as described below.

If a student fails to attend the first three (3) consecutive class days of the program, the student must notify the school of his/her intent to remain in the program by midnight of the fifth (5) calendar day of the program.

If the student is not admitted to the School, all monies paid to the School by the student are refunded.

If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

A cancellation determination will be made by the institution for new and re-entry students on or before midnight of the seventh (7) calendar day after the date of enrollment based on the following criteria:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent, if applicable.
3. Incomplete arrangements to fulfill financial obligations.
4. Student fails to notify the School of his/her intent to remain in the program (as described above).

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919(d) provides that the student has the right to cancel and obtain a refund of charges paid (excluding the registration fee) through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement through the second (2) class session or until midnight of the seventh (7) calendar day after the date of enrollment, whichever is later.

In accordance with California Education Code Section 94919(b), students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid (with the exception of the registration fee) will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation, or if the school cancels this agreement as described below.

If a student fails to attend the first three (3) consecutive class days of the program, the student must notify the school of his/her intent to remain in the program by midnight of the fifth (5) calendar day of the program.

If the student is not admitted to the School, all monies paid to the School by the student are refunded.

If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

A cancellation determination will be made by the institution for new and re-entry students on or before midnight of the seventh (7) calendar day after the date of enrollment based on the following criteria:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent, if applicable.
3. Incomplete arrangements to fulfill financial obligations.
4. Student fails to notify the School of his/her intent to remain in the program (as described above).

- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919(d) provides that the student has the right to cancel and obtain a refund of charges paid (excluding the registration fee) through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement through the second (2) class session or until midnight of the seventh (7) calendar day after the date of enrollment, whichever is later.

In accordance with California Education Code Section 94919(b), students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid (with the exception of the registration fee) will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation, or if the school cancels this agreement as described below.

If a student fails to attend the first three (3) consecutive class days of the program, the student must notify the school of his/her intent to remain in the program by midnight of the fifth (5) calendar day of the program.

If the student is not admitted to the School, all monies paid to the School by the student are refunded.

If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

A cancellation determination will be made by the institution for new and re-entry students on or before midnight of the seventh (7) calendar day after the date of enrollment based on the following criteria:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent, if applicable.
3. Incomplete arrangements to fulfill financial obligations.
4. Student fails to notify the School of his/her intent to remain in the program (as described above).

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919(d) provides that the student has the right to cancel and obtain a refund of charges paid (excluding the registration fee) through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement through the second (2) class session or until midnight of the seventh (7) calendar day after the date of enrollment, whichever is later.

In accordance with California Education Code Section 94919(b), students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid (with the exception of the registration fee) will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation, or if the school cancels this agreement as described below.

If a student fails to attend the first three (3) consecutive class days of the program, the student must notify the school of his/her intent to remain in the program by midnight of the fifth (5) calendar day of the program.

If the student is not admitted to the School, all monies paid to the School by the student are refunded.

If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

A cancellation determination will be made by the institution for new and re-entry students on or before midnight of the seventh (7) calendar day after the date of enrollment based on the following criteria:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent, if applicable.
3. Incomplete arrangements to fulfill financial obligations.
4. Student fails to notify the School of his/her intent to remain in the program (as described above).
