ALL TUITION • Private Pay students will arrange at the time of enrollment. Students referred by Vocational Counselors do not have to prepay. Major credit cards will be considered for student tuition payments if alternate programs are not available. If a student obtains a loan to pay for educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, if the student receives federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal financial aid funds. **American Career Training** does not currently participate in any federal or state financial aid programs.

REFUND PROVISIONS • The student has the right to cancel the agreement for a course and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later. Any required books, material and registration will be billed at the contracted rate.

Cancellation shall only occur when you give written notice of cancellation at the address of the school. This can be done by mail, hand delivery, telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid.

The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement. The student will be given a cancellation notice form to use on the first day of class, but any written notice can be used.

If the school gives the student any equipment, including book or other materials, they can be returned at no cost, on the fifth day providing the books and materials have not been used or written on and are in good condition. Once the materials and/or books have been paid for, they belong to the student without further obligation.

If this agreement is canceled within seven (7) days, the school will refund any money that has been paid, less any deduction for equipment not timely returned in good condition, within thirty (30) days after the notice of cancellation is received.

Withdraw and Refund Rights.

If the student has obtained a loan to pay for this program, the student will have the responsibility to repay the full amount of the loan plus interest. You have the right to withdraw from School at any time. If you withdraw from the course of instruction after the cancellation period as in Par 1., School will remit a refund less a registration fee. The total costs or \$75.00 within 30 days following your withdrawal. You are obligated to pay only for educational services rendered and unreturned equipment. The refund shall be the amount you paid for instruction which you have not received but for which you have paid, the denominator of which is the total number of hours of instruction for which you have paid. If you obtain equipment, as specified on the front page of this agreement, and return it in good condition within 30 days following the date of your withdrawal, School may retain lesser amount of a pro-rata portion as described below (up to 60% of course completion) or the documented cost of the listed equipment. You are liable for the amount, if any, by which (the pro rata or documented cost) for equipment exceeds the refund amount. If the amount that you owe is more than the amount that you paid, then you will have to make arrangements to pay it.

HYPOTHETICAL REFUND EXAMPLE: Assume that a student, upon enrollment in a 400-hour course, pays \$2000.00 for tuition, \$75.00 for registration, and \$150.00, documented cost to school for equipment as specified in the enrollment agreement and withdraws after completing 100 hours without returning the equipment he/she obtained. The pro rata refund to the student would be \$1,500 based on the calculation stated below. If the student returns the equipment in good condition within 30 days following his/her withdrawal, the school shall refund the charge for the equipment paid by the student.

\$2,225 total paid	-	\$75 registration fee	=	\$2,150
		(amount the school may retain)		
\$2,150	-	\$150 (documented cost of unreturned equipment)	=	\$2,000 total refundable amount
\$2,000	\	400 hours in the program	=	\$5.00
				hourly charge for the program
\$5.00	X	100 hours of instruction attended	=	\$500 owed by the student for instruction received
\$2,000	-	\$500	=	\$ 1,500 total refund amount*

For the purpose of determining the amount you owe, you shall be deemed to have withdrawn from the course when any of the following occurs: (a) You notify School of your withdrawal or the actual date of withdrawal; (b) School terminates your enrollment; (c) You fail to attend classes for a three-week period (d) You fail to return from a leave of absence. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.

If any portion of your tuition was paid from loan proceeds, the refund will be sent to the lender or agency that guaranteed the loan. Any remaining refund amount will first be used to repay any student financial aid programs from which you received benefits, to the extent of benefits received. Any remaining amount will be paid to you. If there is a balance due, you will be responsible to pay that amount.

Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.” (b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog: “It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau. 2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued. 3. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs. 6. A student whose loan is revived by a loan holder or debt collector after a period of non collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.
