This program may result in freelance or self-employment.
- The work available to graduates of this program is usually for freelance or self-employment
- This type of work may not be consistent.
- The period of employment can range from one-day to weeks or several months.
- Hours worked in a day or week may be more than traditional 8 hour work day or 40 hour work week
- You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed, as such so that they may be counted as placed for our job placement records.
- Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what compromises this work style.

Student's Initials: _____ **Date:** _____

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United States Department of Education. [1]	The percentage of enrolled students in 2019/2020 receiving federal student loans to pay for this program	The percentage of graduates in 2019/2020 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2019/2020 graduates who took out federal student loans at this institution.
2020	15.4%	72%	79%	$28,602.56
2019	15.7%	83%	89%	$35,614.71

[1] The percentage of students who defaulted on their federal student loans is called Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This most recent CDR is reported by the U.S. Department of Education.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the

number of graduates who took the reported licensing exam.

- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

<u>STUDENT'S RIGHT TO CANCEL</u>

Students and applicants have the right to cancel an enrollment agreement at any time by contacting the admissions office in person, by electronic mail, or by standard mail.
Cancellation occurs in two scenarios:

- A student requests cancellation before the start of classes
- A student does not attend classes beyond the 7th calendar day after the start of the program.

In the event of a cancellation, all monies paid will be refunded in full.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United States Department of Education. [1]	The percentage of enrolled students in 2019/2020 receiving federal student loans to pay for this program	The percentage of graduates in 2019/2020 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2019/2020 graduates who took out federal student loans at this institution.
2020	15.4%	95%	93%	$28,602.56
2019	15.7%	87%	86%	$35,614.71

1. The percentage of students who defaulted on their federal student loans is called Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This most recent CDR is reported by the U.S. Department of Education.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

- "First Available Exam Date" is the date for the first available exam after a student completed a program.

- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

<u>STUDENT'S RIGHT TO CANCEL</u>

Students and applicants have the right to cancel an enrollment agreement at any time by contacting the admissions office in person, by electronic mail, or by standard mail.
Cancellation occurs in two scenarios:
- A student requests cancellation before the start of classes
- A student does not attend classes beyond the 7th calendar day after the start of the program.

In the event of a cancellation, all monies paid will be refunded in full.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United States Department of Education. [1]	The percentage of enrolled students in 2019/2020 receiving federal student loans to pay for this program	The percentage of graduates in 2019/2020 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 2019/2020 graduates who took out federal student loans at this institution.
2020	15.4%	67%	100%	$28,602.56
2019	15.7%	100%	100%	$35,614.71

[1] The percentage of students who defaulted on their federal student loans is called Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This most recent CDR is reported by the U.S. Department of Education.

*This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on September 26, 2016. As of August 1st, 2021, two full years of data for this program will be available.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam

in the reported calendar year.

- "First Available Exam Date" is the date for the first available exam after a student completed a program.

- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

- "Salary" is as reported by graduate or graduate's employer.

- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Students and applicants have the right to cancel an enrollment agreement at any time by contacting the admissions office in person, by electronic mail, or by standard mail.
Cancellation occurs in two scenarios:
- A student requests cancellation before the start of classes
- A student does not attend classes beyond the 7th calendar day after the start of the program.

In the event of a cancellation, all monies paid will be refunded in full.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

- "First Available Exam Date" is the date for the first available exam after a student completed a program.

- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Students and applicants have the right to cancel an enrollment agreement at any time by contacting the admissions office in person, by electronic mail, or by standard mail.
Cancellation occurs in two scenarios:
- A student requests cancellation before the start of classes
- A student does not attend classes beyond the 7th calendar day after the start of the program.

In the event of a cancellation, all monies paid will be refunded in full.

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Students and applicants have the right to cancel an enrollment agreement at any time by contacting the admissions office in person, by electronic mail, or by standard mail.
Cancellation occurs in two scenarios:
- A student requests cancellation before the start of classes
- A student does not attend classes beyond the 7th calendar day after the start of the program.

In the event of a cancellation, all monies paid will be refunded in full.
