**Definitions:**

CRC Title 5, Div.7.5, Chpt.4, Art. 2, Section 74112(l)

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

## **STUDENT'S RIGHT TO CANCEL**

### **STUDENT'S RIGHT TO CANCEL:**

A student may cancel an enrollment agreement through the seventh day after enrollment or before the first lesson and materials are received in a distance learning program. The notice of cancellation must be in writing. Breining Institute will refund 100 percent of the amount paid for institutional charges, less the non-refundable Registration Fee of \$75.00, if written notice of cancellation is made through the seventh day after enrollment or made before the first lesson and materials are received in a distance learning program. Breining Institute will pay or credit refunds within 45 calendar days of a student's cancellation or withdrawal. Cancellation shall occur when the student gives written notice of cancellation at the address of the school. This can be done by US postal mail, hand delivery or e-mail. The written notice of cancellation is effective when received by the college. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the enrollment agreement.
