STUDENT'S RIGHT TO CANCEL

Right to cancel: all funds paid will be returned if the student is rejected for enrollment. The student has the right to cancel the enrollment agreement and obtain the refund of charges paid minus the non-refundable \$150 registration fee through attendance at the first class session, or the seventh day after enrolment, whichever is later.

Cancellation shall occur when you give written notice of cancellation at the institution's address. You can do this by certified mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when it is deposited in the mail properly addressed with prepaid postage. The written notice of cancellation need not take any particular form, however expressed; it is effective if it shows that you no longer wish to be bound by the enrollment agreement. You do not cancel the contract by just not attending classes.

After the cancellation period, the institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has elapsed (including absences), there will be no refund to the student. If the student has received federal financial aid program funds, the student may be entitled to a refund of monies not paid from federal student financial aid program funds.

A registration fee of \$150.00 is non-refundable. Equipment and textbooks/electronic materials issued and received by student would not be returnable. Once received by the student it will belong to the student and will represent a liability to the student.

If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee, equipment, and textbooks received. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. See "Return of Title IV Funds Policy" section below. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdraw date is on the students notification or school's determination.

You can withdraw by sending the notice in writing or in person. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, which is until the midnight of the seventh day following the first class you have attended, the school will remit a refund per the policy stated above. Official withdrawal date is on the student's notification or school's determination. Students requesting a withdrawal from school must complete a financial aid exit interview.

Refunds will be processed automatically by the school; no request for a refund needs to be submitted.

RETURN OF TITLE IV FUNDS

Determination of withdrawal from school: CES College takes student attendance for all classes, labs and clinical.
