## Mission Statement

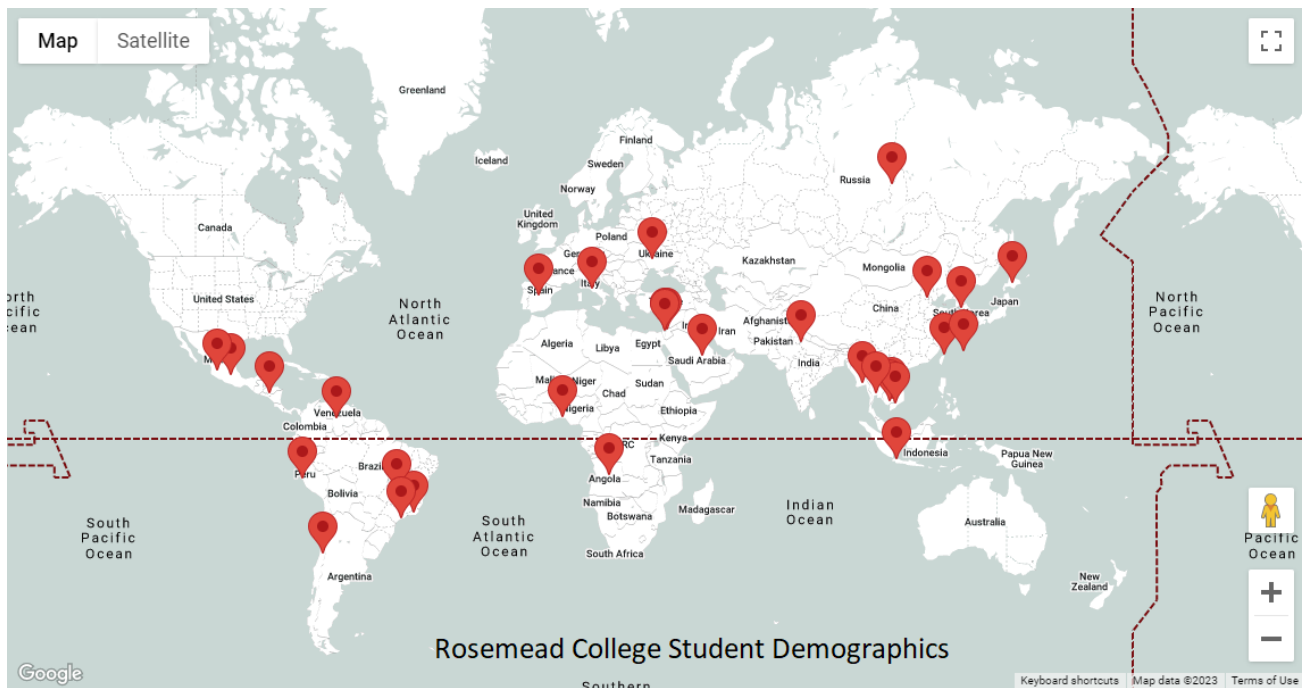

*Rosemead College's* mission is to provide students with English as a Second Language instruction and the cultural knowledge needed for successful participation in American academic, business, and social settings. We aim to improve the English language and study skills of international students in preparation for study at American colleges or universities, which in part includes preparation for the Test of English as a Foreign Language (TOEFL) for acceptance into American colleges and universities. We also aim to increase the proficiency of international students who wish to pursue career-related goals in the United States and abroad, which in part includes preparation for the Test of English for International Communication (TOEIC).

## About Us

Rosemead College serves international and local students in Rosemead, CA and Torrance, CA. Both campuses are located near the heart of Los Angeles and offer many opportunities for educational and social exchange. Because we strive to give our students a well-rounded study abroad experience, each of our campuses organizes monthly excursions in and around Los Angeles. \*See COVID-19 Special Emergency Operating Plans

To meet the needs of the high number of enrollees from East Asia, members of our admissions staff are bilingual and, in addition to English, speak Chinese, Japanese, Korean, and Khmer.

RC is an official ETS authorized TOEFL® iBT and TOEIC® test center.

## **School Description and Location of Institution**

Rosemead College (RC) was established in 1992 in Southern California. It offers English as a Second Language classes to individuals who are speakers of other languages.

Located on the second floor of a two-story building at 8705 E. Valley Blvd. in Rosemead California, the main campus consists of seven classrooms, each equipped with standard teaching and audiovisual equipment in order to support classroom instruction. On the second floor, there is a computer lab equipped with 22 computers that doubles as the classroom for the TOEFL® Preparation Program and as a test center for the TOEFL® iBT test. Along with classrooms and the school's Admissions Office, the second floor houses a teachers' lounge that also doubles as a resource library. There is parking at both the front and at the rear of the premises for staff, student, and faculty use.

The branch campus of Rosemead College is located at 3848 Carson Street, #100, Torrance, CA 90503. (310) 316-3698. It is located on the first floor of an Executive Office Suite and has three classrooms. There is a solarium and kitchen located on the third floor for staff and students to use. There is a bike and scooter rack available at the back of the building for student use. The building is Handicap Accessible with ample parking for staff, instructors, and students.

## **Beginning and End Dates of this Catalog**

January 1, 2023 through December 31, 2023

## **Financial Stability – Bankruptcy History**

This institution has never had a history of a pending petition in bankruptcy, is not

operating as a debtor in possession, has not filed a petition for bankruptcy within the preceding five years, nor has it had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code.

## **BPPE Approval**

Rosemead College is a private institution and is approved to operate by the Bureau for Private Postsecondary Education as an accredited institution. BPPE “Approved” means the school operates in compliance with state standards as set forth in Chapter 8, Part 59, Division 10, Title 3 of the California Education Code.

## **Questions**

Any questions a student may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at

## **Review Documents**

As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement. For limited English speakers: if English is not the student's primary language, and the student is unable to understand the terms and conditions of the enrollment agreement, the student shall have the right to obtain a clear explanation of the terms and conditions and all cancellation

and refund policies in his or her primary language. Upon request and if possible, Rosemead College will provide a translated copy in the student's native language or refer a student to a local translation company prior to student's signing of an enrollment agreement.

### **Non-Discrimination Policy**

Rosemead College is a nonsectarian organization and does not discriminate with regard to race, religion, color, ethnic origin, age, sex, disability, or marital status in any of its academic programs, employment practices, advertising practices, or admissions policies.

### **Admissions Policy**

All applicants transferring to RC from another institution in the US are required to complete a personal interview with an admissions representative in order to determine whether the program meets the needs of the applicant. A high school diploma or its equivalent is required for admission to any of our programs and all international applicants must be able to demonstrate their ability to meet financial obligations.

### **Placement Test Administration**

In order to assess their English abilities, each applicant is given a Full-Course Top Notch/Summit Placement Test at the time of enrollment. The placement test corresponds to the textbooks used in the program and consists of grammar, listening, reading comprehension, and speaking sections. The student is given instructions for the test by an Admissions Coordinator or an Admissions Officer. Upon completion of the grammar, reading, and listening portions of the test, the student is given the speaking portion of the test administered by the Branch Education Coordinator at the Branch campus or the Associate Director at the

main campus. The test is then scored and the appropriate level determined by the scorer.

### **Branch Campus Policy on Course/Classroom Availability**

Due to the limited space at our branch campus in Torrance, Beginning IEP (Level 1) through High-advanced IEP (Level 5) will be prioritized for AM offerings. These courses may be opened upon enrollment of students placed into that specific level. In the case of classroom availability, the following course offerings may be offered in the AM: Pre-beginning IEP-level (ABC), TOEIC, TOEFL, Business English, and Conversation & American Culture. Otherwise, these courses will be limited to afternoon or evening.

### **English Proficiency**

No minimum English proficiency is required for admission into our ESL programs. However, students must successfully complete the Advanced (Level 4) ESL class or score a minimum of High Advanced (Level 5) ESL on their placement test in order to be eligible to take either Business English or Conversation & American Culture courses. No minimum English proficiency is required for either the TOEFL or the TOEIC preparation courses. However, we recommend that students complete at least a minimum of Advanced (Level 4) ESL before enrolling in either preparation course.

### **Award of Credit for Prior Experiential Learning**

This institution does not award credit for prior experiential learning. This institution does not award credit for satisfactory completion of CLEP or other comparable examinations. This institution has not entered into an articulation or transfer agreement with any other college or

university and does not accept transfer credits from any institution.

### **Language of Instruction**

Instruction will be given in no language other than English.

### **Notice Concerning Transferability of Credits and Credentials Earned at Our Institution**

The transferability of credits you earn at Rosemead College is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn in Rosemead College's certificate program is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may

seek to transfer after attending Rosemead College to determine if your certificate will transfer.

### **Admissions Procedure**

Applicants may submit an application for admission in person or online. If necessary, assistance is provided to applicants with limited English proficiency. The student will submit an application along with all necessary documents (copy of passport and visa, high school diploma, bank statement) and pay the application fee. Once required paperwork is submitted and reviewed by admissions staff, the applicant is issued an acceptance letter. At this time, all applicants are given a copy of the school catalog and a copy of the Rosemead College Refund Policy. In order to complete enrollment, students must sign a written enrollment agreement and pay tuition fees.

Admissions representatives give all newly enrolled students an orientation. During this orientation, students are informed of academic and attendance policies, the conduct expected of students, and services provided by the school. After this short orientation, students take a placement test to determine their class level and are enrolled in the appropriate class.

### **Student Records - Transcripts**

Release of confidential information to any person or persons other than the named is strictly prohibited by school policy. Private student information is not available to anyone EXCEPT:

1. with a written request or release from the student
2. with a court order
3. in order to comply with accreditation or government requirements

All individual student files are kept for five years. Transcripts are kept permanently. Students may inspect and review their

educational records. To do so, a student should submit a written request identifying the specific information to be reviewed. Each student's file will contain student's records, including a transcript of grades earned. An official transcript is available upon advance payment of the transcript fee of \$25.00.

Parents of minors and guardians of “tax dependent” students also have the right to inspect and challenge the information contained within those records. An appointment should be scheduled with the admissions if such a file inspection is desired.

### **Attendance Policy**

Students are expected to maintain good attendance and adhere to their completion dates. Students should strive to attend classes consistently in order to master the required skills in the time allowed. Failure to attend a minimum of 80% of classes per course may result in dismissal from the program. See “Probation and Dismissal Policies” for more information.

### **Probation and Dismissal Policies**

Students who enroll at Rosemead College are responsible for attending classes regularly. Students are expected to maintain good attendance and adhere to their program completion dates. Students should strive to attend classes consistently in order to master the required skills in the time allowed. Failure to attend a minimum of 80% of classes per course may result in dismissal from the program.

If a student has accumulated 4 absences, or any combination of absences, early departures, and tardies that equal 4 absences, in any given month during the quarter, the student will be placed on probation.

The following will apply to partial absences:

1. Three tardies to any segment of class will equal one absence.
2. Three early departures from a class will be counted as one absence.
3. Tardiness to class and early departure on the same day will be counted as one absence.

When a teacher informs a DSO of the need to place a student on attendance probation, the following procedure will follow:

#### **During the 1st & the 2nd week of probation:**

1. Student Counselor/DSO will meet with the student and identify the problem.
2. Student Counselor/DSO will talk to the student about the importance of attendance and maintaining their student status.
3. Student Counselor/DSO will explain the entire probation procedure to the student.
4. Student will sign a Promise Note stating that he/she will adhere to the stipulations of the Promise Note.

***The student counselor and teacher will monitor the attendance progress of the student during this period. If the student shows improvement, the student will be taken off of probation, and the teacher will submit a student progress report to the student counselor.***

#### **During the 3rd & the 4th week of probation:**

If a student does improve their attendance, the procedure outlined for the 1st and 2nd week will be repeated.

#### **During the 5th Week:**

If, after two consecutive probation periods of counseling and monitoring student's attendance, the attendance still falls under the minimum of 80%, the student will receive a Final Notice in writing stating that their I-20 will be terminated due to poor attendance. The student's I-20 will then be terminated in the SEVIS system as required by law.

A student who fails to attend 15 consecutive days of classes and makes no contact with the Admissions office during that time will be considered to have withdrawn. The student's SEVIS record will be terminated on the next business day.

Excused absences are documented absences in the event of an emergency, illness, or academic appointment. Documentation (i.e. a doctor's note, university or college orientation letter, court order or receipt of vehicle problems) must be given to a DSO. Excused absences will count as absences in the calculation of attendance rates and will not increase the maximum number of allowable absences.

### **Vacation**

A student enrolled in the program under an F-1 or M-1 visa may be granted a vacation in accordance with the regulations of the Department of Homeland Security and the following guidelines:

- (a) Rosemead College's vacation policy, which allows students to accumulate vacation over an extended period of study. A student is eligible to take a leave once they have successfully completed three consecutive terms. Length and frequency of vacations must not impede student progress and must be reasonable within the context of the institution's curriculum.

In order to be granted a vacation in accordance with Rosemead College's policy, the student must be in good standing at the end of the term in which the student requests a vacation. Rosemead College defines good standing as having attended a minimum of 80% of classes and earned a passing grade in the class. If granted, a vacation may span a maximum of 12 weeks.

If there is an emergency situation which requires a leave of absence prior to the student completing three terms, proper documentation must be submitted.

To request a vacation, a student must fill out and sign the Vacation Request Form and submit it to the Admissions Office. The student must return to school by the anticipated return date stated on the form. The school will contact the student on vacation one week prior to the expected return date to remind them of their return date. If the student does not return on the appointed date, the admissions office will contact the student and send a Warning Notice. If the student has not reported to the school office within 15 days of the expected return date, the DSO will issue a final notice, and will update the student's status in the SEVIS system.

Upon returning from an extended absence (more than four weeks), school may require students to retake the placement test before resuming the program.

### **Leave of Absence**

A student enrolled in the program under an F-1 or M-1 visa may be granted leaves of absence in accordance with the regulations of the Department of Homeland Security and the following guidelines:

- (a) Documented emergency situations such as a serious illness or a death in the immediate family. Any one leave is not to

extend beyond 50% of the length of period for which the student applied.

A leave of absence is limited to 180 calendar days in any 12-month period or one-half the published program length, whichever is shorter. Multiple leaves of absence may be permitted provided the total number of days does not exceed this limit.

To request a leave of absence, a student must fill out and sign the Leave of Absence Request Form and submit it along with documentation of emergency to the Admissions Office. The student must provide the school with documentation of the return date or contact the school with an expected return date not to exceed 50% of the length of the period for which the student applied.

If the student does not return on the appointed date, the admissions office will contact the student and send a Warning Notice. If the student has not reported to the school office within 15 days of the expected return date, the DSO will issue a final notice, and will update the student's status in the SEVIS system.

### **Departing Students**

All students who plan to end their studies at Rosemead College are required to inform school officials about their plans to transfer or return to their home country before their last day of attendance. Students planning to return to their home country should inform school officials of their travel plans in order to be properly notified of SEVP regulations for departing students. Students who plan to transfer must submit an acceptance letter from the school to which they are transferring.

Students who do not contact the school about their departure plan will have their SEVIS I-20 held for a period of one week

from the day of their next scheduled starting date. The “next scheduled starting date” is defined as the first day of the new term for students that enrolled at the beginning of the term. For students who enrolled mid-term during open enrollment, the “next scheduled starting date” is defined as the day after the tuition fee expires. After the holding period, the student's I-20 will be terminated in SEVIS.

If the student cannot be reached after three attempts to contact them by email and phone, the student's I-20 will be terminated in SEVIS by the DSO.

### **Student Code of Conduct**

Students attending Rosemead College are expected to dress and act professionally while on school premises, during class, and at school events. Rosemead College strives to establish an academic environment in which learning is nurtured, individual responsibility is rewarded, and academic dishonesty, cheating, and plagiarism are not tolerated. Dishonesty, such as cheating or knowingly falsifying information to the college will result in disciplinary action. Disciplinary actions will be on a case-by-case basis.

At the discretion of the school administration, a student may be dismissed from school for:

- An incident revealing alcohol or drug possession or use
- Possession of a weapon on school premises
- Behavior creating a safety or health hazard for other persons at school
- Disobedient or disrespectful behavior toward teachers, other students, or an administrator
- Academic dishonesty

### **Library Resources**

No library is needed to meet the instructional needs of the students in any of our accredited programs and library

materials would not be compatible with the objectives of the programs. The curriculum

does not require that students perform research tasks.

### Grading and Determination of Student Achievement

Upon successful completion of the program, a Certificate of Completion of the program is issued to a student, upon his/her request.

The grading system is as follows:

A+	97% to 100%	
A	93% to 96%	C 73% to 76%
A-	90% to 92%	C- 70% to 72%
B+	87% to 89%	D+ 67% to 69%
B	83% to 86%	D 63% to 66%
B -	80% to 82%	D- 60% to 62%
C+	77% to 79%	F 0% to 59%

Overall Grades are weighted using the following:

	Midterm	Final
Participation/Homework:	20%	10%
Quizzes/ Tests:	20%	10%
Study Skills:	10%	10%
Midterm Exam:	50%	30%
Final Exam:	-	40%

Evaluations for satisfactory progress are made in the middle and at the end of each course. Teachers record each student's performance on an exam consisting of writing, speaking, reading, listening, grammar and vocabulary sections. At the end of the term, along with a final exam, teachers administer a standardized test via paper or online, as an objective outside measure of student performance.

1. An Admissions Officer prepares exam reports (on which teachers report student grades) and distributes them to teachers.
2. Teachers administer a five-part test: listening, grammar & vocabulary, reading, writing, and speaking.
3. Teachers turn in a blank exam, an answer key, exam reports, and ALL graded tests to an Admissions Officer. Officer places tests into student files.

### Student Progress and Academic Probation Policy

Instructors perform student assessments at regular intervals, yielding a letter grade at the midpoint and at the end of each course/level. Students who fail the midterm exam will be sent a Midterm Warning Letter to let them know they are in danger of being placed on academic probation. The student's final grade will be monitored at the end of each term as the grades are available in the

school office. Students must receive an overall letter grade of C- (70%) or higher at the end of each course and attend at least 80% of scheduled course hours to advance to the next level. Students who receive a C- (70% - 72%) may, upon request from the student and a recommendation from the teacher, repeat the course for which they received a C-.

In the event a student chooses to repeat a course for which they received a C-, the student will be placed on academic probation, notified with a letter, and issued an Academic Improvement Plan. These documents will be signed by the appropriate parties and a copy will be placed in the student's file. Students will not be allowed to repeat Conversation & American Culture, Business English, or IEP courses for which they have earned a grade of C or higher (73% - 100%).

The total number of terms a course can be taken will not exceed three. Under special circumstances, students returning from a 3-month leave of absence may be required to have their class level reassessed. Should these students, upon reassessment, place into the course for which they had earned a passing grade before the leave of absence, they will be allowed to repeat the course as long as the total number of times the course is taken does not exceed three. In the event a student returning from a leave of absence tests into a course for which they've already received a passing grade, the student will be placed on academic probation, notified with a letter, and issued an Academic Improvement Plan. These documents will be signed by the appropriate parties and a copy will be placed in the student's file. Under no circumstances will students be allowed to enroll in a level lower than the one for which they had received a passing grade prior to taking a leave of absence.

Students taking TOEFL and TOEIC prep courses are subject to the same limitations regarding the maximum number of times a course may be repeated and, per our policy, will only be allowed to take the course a maximum of three times.

As stated in the institution's published policy, a student will be placed on academic probation if he/she is not making

satisfactory academic progress.

Accordingly, if a student's grade at the end of a particular course falls below C-, the student will be placed on academic probation. Students will be notified of their standing with an "Unsatisfactory Academic Progress" letter, which will detail the student's performance and the academic expectations of the institution. The document will be signed by both the student and either the Branch Education Coordinator at the branch campus or the Associate Director at the main campus. Additionally, the student will be required to repeat the level. Academic progress is ensured with an "Academic Improvement Plan," which is prepared by the Instructor and discussed with the student. The document will be signed by the student, instructor, Student Counselor and either the Branch Education Coordinator at the branch campus or the Associate Director at the main campus and a copy placed in the student file. The student's grades and performance in the following term will be monitored by their instructor. The student must improve their performance by bringing their grade up to or exceeding the minimum standard of the institution within the two terms after being placed on academic probation.

Should the student fail to achieve the minimum grade to advance to the next level within those two terms, the student will be terminated or asked to transfer from the institution in terminated status. The Admissions Coordinator will offer assistance in locating a suitable institution for transfer. There are specific procedures under which a student may appeal the determination that he/she is not meeting the satisfactory progress standards. The student must submit the appeal to the school administration office in writing and include substantiating documentation within five business days of the notice of their academic probation status. Within five business days

of receiving the appeal, either the Branch Education Coordinator at the branch campus or the Associate Director at the main campus will make a decision based on the student's past performance, the student's written appeal and all relevant submitted documentation. The student will be notified in writing immediately following the decision. The maximum cumulative total length of the academic program is to be no more than 36 months. \*

### **Documenting Student Satisfaction**

The administrative staff will provide each student with a standardized Teacher Evaluation Form at mid-term and at the end of the term. A Student Exit Form, along with the Evaluation of School Administration is filled out by students who have completed their course at RC. Those students who are placed with homestay

### **Educational Objectives**

## **Description of Programs Offered**

### **ESL**

#### **Pre-Beginning IEP - Level ABC**

##### **Course Description**

This course is designed for the adult learner. It integrates the English needed for daily life in the USA: work, family, health, school, and other necessary topics. Students develop survival communication in English, obtain fundamental knowledge of English (alphabet, numbers, and basic sentences), and gain comprehensible pronunciation skills.

##### **Course Learning Outcomes**

The objective of this class is not only for students to master the alphabet, numbers, basic tenses, basic parts of sentences, contractions and basic reading comprehension, but also to begin developing a communicative competence through the study and practice of vocabulary and communicative functions, dictionary use and specific rudimentary grammatical structures, such as verbs "be" and "have," simple present tense, frequency adverbs, information questions with "where", "when", "what time," irregular singular verbs, present progressive, count and noncount nouns, singular and plural nouns, pronouns, simple past tense, articles, descriptive adjectives, prepositions of time and place, future wishes. To this end, listening drills and oral practice are used to help students develop receptive skills, as well as to reinforce basic structures of expression.

Communicative functions include introducing oneself, discussing occupations, time, clothing, home, weather, food, appearance, relationships, directions, and transportation, giving and receiving basic information on addresses, directions, phone numbers, creating basic schedules, telling the time, planning a schedule, giving basic advice.

By the end of this course, students will have developed survival communication in English, obtained fundamental knowledge of English, gained comprehensible pronunciation skills, and increased their motivation and interest in learning English. After this class, students will demonstrate their ability by successfully completing the Level ABC final exam and by enrolling in RC Beginning IEP Level 1 class.

##### **Performance Objectives**

After the successful completion of each unit, students will be able to:

- Properly introduce themselves to others, properly greet others, use different types of greetings, and talk about what they do; properly use the verb "be," subject and object pronouns, articles and singular and plural nouns;
- Properly introduce others, identify people and their occupations, correctly spell and pronounce different names, and politely begin a conversation; properly use the verb "have";
- State their first and last names, ask for someone's full name, ask for someone's contact information, and ask and answer questions about occupations, phone numbers, addresses, and country of origin; use simple present tense and its frequency adverbs.

- Give and get directions, understand and name different means of transportation, identify family members correctly, and read a map; use prepositions of time and place; correctly use the present progressive.
- Briefly describe family members, describe people using adjectives, ask questions about someone they don't know very well, and identify someone to others; talk about the present; use "it" to talk about time, properly use "would like" vs. "like."
- Invite someone to an event, ask and state the time, read a calendar, understand the meaning of early, on time, and late and apply those terms, and identify different articles of clothing.
- Know how and when to use the verbs "want," "have," "need," "like," learn the colors, descriptive adjectives used to describe clothing, give descriptions about clothes, and give brief summary about home and work locations.
- Describe their home using specific vocabulary including different kinds of furniture and appliances and describe daily activities including personal favorites.
- Know different types of household chores, talk about how often they do things using correct terms (very often, sometimes, etc), and know different types of weather.
- Describe different types of weather, know different time expressions, make phone calls and discuss plans, and socialize and make plans with another person; properly use count and non-count nouns.
- Name and describe different kinds of food and drink, read a menu and order food, write and ask for a recipe, and know when and how to use "how many" and "how much".
- Use the past time expressions, describe events using past tense, express feeling regarding a past event (happy, sad, etc.), and describe people and how they look.
- Use correct adjectives to describe appearance, know different face/body parts, describe accidents and injuries, suggest remedies, know what to say at the hospital/doctor's office, and ask for help if they are sick.
- Describe special abilities/skills/talents, use adverbs correctly, properly make a request, accept/decline invitations, and use "can," "can't," and "too" correctly.
- Describe significant life events, give a personal biography, announce good and bad news, express wishes for the future using "be going to" and "would like + infinitive".
- Use study skills needed to be successful in subsequent ESL and college level courses.

## **Beginning IEP - Level 1**

### **Course Description**

This course is designed for students to learn and use elementary English for everyday situations and purposes related to work, school and the marketplace. Students will learn beginning written and spoken grammar and vocabulary. Students will also learn how to pronounce the phonetic alphabet, focusing on American English Pronunciation.

### **Course Learning Outcomes**

The objective of this course is for students to begin to enter into more abstract language functions; they talk about predicaments, and will learn to speculate about future and past events. To this end, role playing, group and pair work, as well as listening comprehension drills are carried out. Students are also introduced to basic reading and writing in English. The course additionally includes reinforcement of the phonetic alphabet, emphasizing American English pronunciation skills, concentration on vocabulary development and continuing dictionary use.

Communicative functions include describing positive and negative features, making comparisons, giving instructions and definitions, comparing time periods, describing abilities and skills. There is also a review and expansion of the simple present, past and future tenses, nouns and pronouns, non-count nouns, prepositions of time and place and an introduction to modals, irregular verbs, imperatives, indirect questions, comparisons using adjectives, and time clauses.

By the end of this course, students will have a basic foundation of English grammar, vocabulary, pronunciation and intonation. After this class, students will demonstrate their ability by successfully completing the Beginning IEP Level 1 final exam and by enrolling in RC Intermediate IEP Level 2.

### **Performance Objectives**

After the successful completion of each unit, students will be able to:

- Get to know someone, offer to introduce someone, talk about people, and interview a classmate; properly use the verb "be," scan for facts, write a description of a classmate.

- Use study skills needed to be successful in subsequent ESL and college level courses

## **High-Intermediate IEP - Level 3**

### **Course Description**

This course covers intermediate grammar skills, pronunciation, idioms, and writing at the high-intermediate level. Practice in reading, writing involving paragraph structures, tenses, modals, comparatives, superlatives, and clauses is applied. It also focuses on interpersonal communication skills and pronunciation to increase students' reading and speaking fluency, and comprehension.

### **Course Learning Outcomes**

The objective of this course is to expose students to more complex uses of previously studied grammatical structures, such as clauses, comparisons, modals, conditionals and gerunds and infinitives. Students are introduced to passive and active voice as well as quoted and reported speech. The emphasis is on how to use these complex structures correctly in the context of both written and oral expression. Students further develop productive skills through group/pair work, journals, presentations, reading and more complex writing exercises, such as introduction to a five-paragraph essay.

The communicative functions include discussing health matters, quality of services, preparing for emergency situations, giving opinions and discussing interests. To this end, extensive pair and group work, listening comprehension exercises, reading, and writing is carried out. Students will be introduced to additional authentic materials to stimulate thought and promote a more sophisticated level of verbal expression.

By the end of this course, students will be able to function at a High-Intermediate level of English by successfully completing the Level 3 final exam and by enrolling in RC Advanced IEP Level 4.

### **Performance Objectives**

- Use study skills needed to be successful in subsequent ESL and college level courses.

## **Advanced IEP - Level 4**

### **Course Description**

This course is designed to develop students' advanced speaking and listening skills integrated with reading, writing, grammar, pronunciation, vocabulary and idioms for achieving academic and workplace goals. Group discussions, presentations, evaluations of lectures, and advanced parts of speech are introduced. This course will prepare students for the American college experience.

### **Course Learning Outcomes**

The objective of this course is to have students be able to produce a variety of cohesive ideas expressed through a range of complex written and oral structures. The students will further develop productive skills through group/pair work, presentations, reading, and being exposed to different genres of essays. Focus is also on perfect and perfect progressive tenses, parallel structure, run-on sentences, expansion of gerunds and infinitives, as well as an overview of verb tenses, and expansion of modals, passive voice and irregular verbs.

Communicative functions in this course enable the advanced students to distinguish between real and hypothetical situations, informal vs. formal language, recognize sincere vs. sarcastic intonation, describe relationships and behavior, make promises, and express hopes. Additionally, students are enabled to infer meanings from context, express and support arguments or opinions, build vocabulary, read for ideas, and explore materials intended for native speakers.

By the end of this course, students will be able to function at an advanced level of English by successfully completing the Advanced IEP Level 4 final exam and by enrolling in RC High Advanced IEP Level 5.

- Use study skills needed to be successful in subsequent ESL and college level courses.

## **High Advanced IEP - Level 5**

### **Course Description**

This level focuses on more frequent reading, writing, and speaking practice, in addition to the advanced grammar involved in these outlined skills. This real-life focus prepares students for TOEFL® or TOEIC® examinations and college courses.

### **Course Learning Outcomes**

The objective of this course is for students to focus on application of all grammatical structures and English usage acquired up to this level, rather than on prescriptive study of grammar. This is achieved through utilization and analysis of structures found in culturally authentic materials, such as magazine and newspaper articles, short literary works and videos. Students will also be exposed to phrasal verbs.

This course integrates college level reading, writing, discussion, critical thinking and note-taking skills. Students properly integrate advanced vocabulary and idioms into college level compositions. Students engage in American discourse styles, such as debates and discussions, wherein the teacher elaborates on a challenging topic from the text to evoke the student's oral communication skills.

After this class, students will demonstrate their abilities by successfully completing the High-advanced IEP Level 5 final exam and by enrolling in RC's TOEFL® or TOEIC® classes, or by transferring to an institution of higher learning.

### **Performance Objectives**

After the successful completion of each unit, students will be able to:

- Ask about someone's background, discuss career and study plans, compare their dreams and goals in life, describe job qualifications; use the simple past, past continuous, past perfect, and past perfect continuous to talk about simultaneous and sequential past actions, use present perfect and present perfect continuous to talk about completed and uncompleted past actions closely related to the present; write a formal cover letter.

### Certificate of Completion

Certificate of Completion can be issued to students upon request. Students who complete a program at RC, and who finish with a minimum Grade of C, can request a Certificate of Completion for the course.

## **Professions – Requirements for Eligibility for Licensure**

None of the educational services offered lead to occupations that require licensure.

### **Placement Assistance**

RC provides placement assistance to students who are planning to apply to continuing education programs offered by vocational schools, community colleges, and universities, upon completion of our program. Students seeking placement assistance may also request copies of their transcripts and/ or attendance records to be sent to their chosen schools. RC cannot guarantee placement in continuing education programs offered by vocational schools, community colleges, or universities, upon completion of its program.

### **Student Services, Visa**

RC assists overseas applicants in securing an I-20 student visa. Once an overseas student has been accepted to our institution, an I-20 form is issued and sent to the student along with the acceptance letter and school catalog. The student is then advised to search the American embassy website in their home country for detailed requirements to apply for a student F-1 visa. The Student Counselor helps the student throughout the visa application process, by providing sample documentation required for obtaining an F-1 visa, such as a bank statement, a translation of application forms, and a motivation letter. The school does not charge any fees for this service.

### **Student Services (Other)**

#### **Student Housing**

This institution does not operate dormitories or other housing facilities. This institution does not provide assistance to students in finding housing, but does assist by providing homestay services. RC maintains a list of local families who have expressed an interest in participating in a homestay program. The families apply, receive a

personal orientation, and are visited by an RC homestay representative so as to assure that the residence will be suitable for the participating student. This housing accommodation for international students is affordable and convenient and provides an opportunity for students to experience the American way of life, practice English and form cross-cultural friendships.

Each student is provided with a private furnished room. Upon student's request, home stay accommodation can include meals and Internet access. Prices for home stay range from \$600-\$1200 monthly. If you are interested, ask your admissions representative for a homestay application and the school will work to find a match for you in the local area from the list of participants maintained by RC. When you arrive from overseas, a school representative will pick you up at the airport or coordinate with your family to have you brought directly to your homestay family. The school charges a \$250 service fee for making these arrangements. You will make monthly payments directly to your host family.\*

**Health Insurance:** RC offers the International Student Health Insurance Plan –Study USA - HealthCare with the cost ranging from \$38 - \$300 per month.

For detailed information about policy, coverage and rates, you may contact the RC Admissions office or you may refer to the following web address:  
[www.travelinsure.com](http://www.travelinsure.com).

**Private Tutoring:** Any student interested in obtaining the services of a private tutor is encouraged to contact the Admissions Office.

### **Cost of Programs and Payment Policy**

The school reserves the right to change tuition, fees, and to make curricular changes when necessary. In addition, Rosemead College also reserves the right to make substitutions in regard to both materials and teachers. Any changes in tuition or in fees will not affect students who have already paid in full for a given session or sections. However, upon completion of the prepaid sessions or sections, such students will be required to pay according to the new tuition and fees schedule should they wish to enroll in further classes.

*Students assume the responsibility for payment of the tuition cost in full.* Failure to meet these financial commitments may result in temporary suspension leading to dismissal from the school.

### **Student Service & Media Fee**

*Students may waive the Student Service & Media Fee if students choose to.* A Student Service & Media Fee Waiver Request Form is available upon request. Students may request said form from any admissions staff. Form must be submitted within ten days of the student's tuition start date.

### **Policies and Procedures Regarding Financial Aid (Title IV)**

Our school does not provide either State or Federal financial aid.

### **The Office of Student Assistance and Relief**

Pursuant to CEC section 94909(a)(3)(D), institution catalogs must include the following notice:

“The Office of Student Assistance and Relief is available to support prospective students, current students, or past students of private postsecondary educational institutions in making informed decisions, understanding their rights, and navigating available services and relief options. The office may be reached by calling (888) 370-7589, option #5, or by visiting [osar.bppe.ca.gov](http://osar.bppe.ca.gov).”

### **Loan Repayment**

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

### **Cancellation and Withdrawal Refund Policies**

If you cancel or withdraw your enrollment and request a refund, please do so in writing. Deliver your notice to RC at the address of the location in which you intended to enroll (Rosemead campus or Torrance campus). The notice should be addressed to the School Director. A withdrawal for the current term or from the school may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. The institution shall refund 100 percent of the amount paid for institutional charges, less any non-refundable charges or application fee not to exceed two hundred fifty dollars (\$250). *\*per California Private Postsecondary Education Act of 2009 Article 13 94920 (a)(b)*

If you have been accepted by RC and cancel prior to the start of scheduled classes or if you never attend class, you have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. If you are rejected for enrollment by RC, or if your visa application has been rejected, we will refund all monies paid, less non-refundable charges. If RC cancels a program subsequent to your enrollment, we will refund all monies paid by the student.

***If no notice is received the student will be administratively withdrawn after 15 consecutive days of no contact.***

## **REFUND POLICY**

The amount owed to the student equals the institutional charge for the instruction divided by the total number of clock hours in the period of attendance multiplied by the number of clock hours the student has not attended prior to withdrawal. No refunds are due once the student has received more than 60% of the clock hours of instruction in any given period of attendance. *\*per California Private Postsecondary Education Act of 2009 Article 13 94920 (d)*

For purposes of determining a refund, a student shall be considered to have withdrawn from an educational program when he or she withdraws or is deemed withdrawn in accordance with the withdrawal policy stated in this institution's catalog. When determining a refund two separate refund calculation sheets will be made, one by the School Finance Manager and one by the Admissions Coordinator or Branch Admissions Coordinator. The two sheets will be compared by both the School Finance Manager and the Admissions Coordinator or Branch Admissions Coordinator. If there are any discrepancies, the two individuals will resolve the issue before the refund is issued. As per policy, a refund calculation will be done for every student leaving the institution regardless of whether or not the Admissions staff believes the student is due a refund.

If an institution has collected money from a student for transmittal on the student's behalf to a third party for a bond, library usage, or fees for a license, application, or examination and the institution has not paid the money to the third party at the time of the student's withdrawal or cancellation, the institution shall refund the money to the student within 45 days of the student's withdrawal or cancellation. *\*per California Private Postsecondary Education Act of 2009 Article 13 94920 (e)*

If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. This institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

## **Accreditation and Affiliations**

Rosemead College is accredited by the Accrediting Council for Continuing Education and Training (ACCET). The school is a member of the American Association for Intensive English Programs (AAIEP) and is affiliated with Educational Testing Service (ETS) as an approved site to administer the TOEFL® iBT (Test of English as a Foreign Language) and TOEIC® (Test of English for International Communication) test.

## **School Rules**

No person may use, possess, sell or distribute alcohol or illegal controlled substances, nor may anyone use or possess paraphernalia, on school grounds or at school-sponsored events, except those that are prescribed by a physician. This prohibition applies to all students as well as employees. The term “alcohol and other substances” shall be construed throughout this policy to refer to the use of all substances, including, but not limited to: alcohol, marijuana, cocaine, LSD, PCP, amphetamines, heroin, and any of those substances commonly referred to as “designer drugs.” The inappropriate use of prescription and over-the-counter drugs is also prohibited. Additionally, the following persons shall be prohibited from entering school grounds or school-sponsored events: any person exhibiting behavior, conduct or personal physical characteristics indicative of having used or consumed alcohol and/or other substances. No smoking is permitted in the school building or on the stairway. Students must comply with the instructions given to them by instructors or administrators. Cell phones should be turned off before students enter the classroom and must not be used during the class hour unless students have been instructed to use them by their instructors. Eating is not allowed in the classroom during instruction.

## **STRF Disclosure**

### **§76215 Student Tuition Recovery Fund Disclosures.**

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education at

**1747 N. Market Blvd Ste 225 Sacramento, CA 95834**

**P.O. Box 980818, West Sacramento, CA 95798-0818    [www.bppe.ca.gov](http://www.bppe.ca.gov), Tel: (888) 370-7589, Fax: (916) 263-1897**

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120-day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

### **Student's Rights, Complaint Procedures and Grievances**

Individuals have a number of rights as students at RC. They include the right to cancel, the right to receive a refund, the right to fair and equitable dealings, the right to disclosures as set forth in law and accreditation practices. Our students also have the right to privacy of student records, the right to be treated fairly, not to be subjected to discrimination and, most importantly, the right to submit grievances and seek resolution from appropriate authorities. Most problems or complaints that students may have with the school or its administrators can be resolved through a personal meeting with the student's instructor or a counselor. If, however, this action does not resolve the matter to the satisfaction of the student, he/she may submit a written complaint to the main campus:

Rosemead College  
8705 E. Valley Boulevard  
Rosemead, CA 91770

The written complaint must be addressed to the School Director and contain a statement of the nature of the problem, the date the problem occurred, the names of the individuals involved, copies of documents, if any, which contain information regarding the problem, evidence demonstrating that the institution's complaint procedure was properly followed, and the student's signature. The student can expect to receive a written response within ten business days.

### **BPPE Complaint Procedures**

A student, or any member of the public, may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling **(888) 370-7589** or by completing a complaint form, which can be obtained on the Bureau's Internet web site **[www.bppe.ca.gov](http://www.bppe.ca.gov)**.

### **Notice to Students: ACCET Complaint Procedures**

This institution is recognized by the Accrediting Council for Continuing Education & Training (ACCET) as meeting and maintaining certain standards of quality. It is the mutual goal of ACCET and the institution to ensure that educational training programs of quality are provided. When problems arise, students should make every attempt through the formal complaint procedure within the institution to find a fair and reasonable solution. However, in the event that a student has exercised the channels available within the institution to resolve the problem(s) by way of the institution's formal student complaint procedure, and the problem(s) have not been resolved, the student has the right and is encouraged to take the following steps:

1. Complaints should be in writing and mailed, faxed, or emailed to the ACCET office. Complaints received by phone will be documented, and the complainant will be requested to submit the complaint in writing.
2. The letter of complaint must contain the following:
  - A detailed description of the problem(s);
  - The approximate date(s) that the problem(s) occurred;
  - The full name(s) and title(s) or position(s) of the individual(s) involved in the problem(s), including both institutional staff and/or other students who were involved;
  - Evidence demonstrating that the institution's complaint procedure was followed prior to contacting ACCET;
  - The name and mailing address of the complainant; if the complainant specifically requests that anonymity be maintained, ACCET will not reveal his or her name to the institution involved.
3. In addition to the letter of complaint, copies of any relevant supporting documentation should be forwarded to ACCET (e.g., the student's enrollment agreement, the syllabus or course outline, correspondence between the student and the institution).
4. Send to:

**ACCET, CHAIR, COMPLAINT REVIEW COMMITTEE**

**1722 N Street, NW, Washington, DC 20036**

**Telephone: (202) 955-1113 Fax: (202) 955-1118 or (202) 955-5306**

**Note: Receipt of a Complainant will be acknowledged within 15 days.**

## **Copyright Policy \***

Copyrighted works covered by the Copyright Act of 1978 may be photocopied without permission from, or payment to the copyright owner if it is a “**fair use**”.

Fair Use allows for the reproduction of copyrighted works for purposes such as “criticism, comment, news reporting, teaching (including multiple copies for classroom use), scholarship, or research.”

The factors required to consider in determining “fair use” include:

- The purpose and character of the use
- The nature of the copyrighted work
- The amount and the substantiality of the portion used in relation to the copyrighted work as a whole
- The effect of the use upon the potential market for, or value of the copyrighted work
- Students should not be charged any more than the actual cost of photocopying
- **Guideline:** If you require multiple copies for classroom use, you should not make more than one copy per pupil, and the copying should meet the tests of brevity and spontaneity and each copy should include a notice of copyright. Simply type or handwrite the information identifying the holder of the copyright prior to photocopying the material for classroom distribution.
- **Brevity:** Prose: an article, story or essay of less than 2,500 words, or an excerpt from prose of not more than 1,000 words or 10% of the work.
- **Spontaneity:** the copying of the material is at the instance and inspiration of the individual teacher and the use of the work is so close in time that it would be unreasonable to expect a timely reply to a request for a permission.

Again, these comments only constitute a guideline. Prohibited activities would include copying of material intended to be consumable, copying that would result in the substitution of the material for books or periodicals, copying should not be directed by higher authority, copying shall not be repeated with respect to the same item by the same teacher from term to term. In this case, the test of spontaneity would fail. The instructor would be expected to obtain permission from the holder of the copyright. This can be done easily and quickly, in many cases, via the internet.

## COVID-19 Special Emergency Operating Plan

On March 19, 2020 California Governor Gavin Newsom issued a safer-at-home order for all non-essential businesses in the state. As a response to that order, Rosemead College has made the following procedural changes effective at the start of our Spring 2020 term, which begins on April 6, 2020. Classes will be offered via synchronous video conferencing using Zoom. This means that all instruction will be held online during regular class hours.

### Attendance

During this time, students are required to continue attending classes for a minimum of 18 hours a week and must maintain at least an 80% attendance rate. Attendance will be tracked daily by instructors as well as two members of the management team who are equipped with administrator privileges on Zoom. The Associate Director is responsible for verifying attendance of students at the main campus. The Branch Education Coordinator will be responsible for verifying attendance of the students at the branch campus. Regular attendance policies will be in effect for the duration of online instruction.

### DSO Services

The Administration Office at both the main and branch campuses will be open daily from 9 – 5 for the duration of the pandemic. Both campuses are staffed with at least one Admissions Representative and one DSO. Students are invited to call or come in if they have questions or concerns about online instruction or their student status. DSOs at both campuses continue to monitor guidance from SEVP and relevant state authorities. Procedural changes will be updated to comply with guidance and regulations as they become available. Update: March 20, 2020

On July 6, 2020 SEVP published Broadcast Message 2007-01-COVID-19 and Fall 2020, which provided for some continued flexibility for schools who adopt an in-person or hybrid model for Fall 2020. The exemptions would not have continued for students studying at schools operating entirely online in Fall 2020 or to F-1 students in English language training programs. This guidance was rescinded and SEVP returned to their original March guidance. Update: July 24, 2020

### Fall 2020

Despite the continued exemptions for F-1 students, Rosemead College has decided to adopt a hybrid model for Fall 2020. Classes will operate partially online and partially in-person.

Rosemead College is taking the following precautions to prevent the spread of the virus:

1. Students, instructors, and staff will protect themselves and others with the proper use of face masks, social distancing when possible, and washing hands frequently.
2. Classes will be held with an alternating schedule. No more than two classes will be on campus on any one day.
3. RC will implement daily scheduled cleaning and disinfection of all used areas.

Update: September 28, 2020

### Winter 2021

Due to high numbers of COVID-19, both campuses have returned to 100% online instruction. During this time, students are required to continue attending classes for a minimum of 18 hours a week and must maintain at least an 80% attendance rate. Attendance will be tracked daily by instructors as well as two members of the management team who are equipped with administrator privileges on Zoom. The Associate Director is responsible for verifying attendance

of students at the main campus. The Branch Education Coordinator will be responsible for verifying attendance of the students at the branch campus. Regular attendance policies will be in effect for the duration of online instruction.

#### DSO Services

The Administration Office at both the main and branch campuses will be open daily from 9 – 5. Both campuses are staffed with at least one Admissions Representative and one DSO. Students are invited to call or come in if they have questions or concerns about online instruction or their student status. DSOs at both campuses continue to monitor guidance from SEVP and relevant state authorities. Procedural changes will be updated to comply with guidance and regulations as they become available.

#### Spring 2021

Due to high numbers of COVID-19, both campuses have remained online instruction. During this time, students are required to continue attending classes for a minimum of 18 hours a week and must maintain at least an 80% attendance rate. Attendance will be tracked daily by instructors as well as two members of the Admissions team who are equipped with administrator privileges on Zoom. The Admissions Coordinator (AC) is responsible for verifying attendance of students at the main campus. The Branch Admissions Coordinator (BAC) will be responsible for verifying attendance of the students at the branch campus. Regular attendance policies will be in effect for the duration of online instruction.

#### DSO Services

The Administration Office at both the main and branch campuses will be open daily from 9 – 5. Both campuses are staffed with at least one Admissions Representative and one P/DSO. Students are invited to call or come in if they have questions or concerns about online instruction or their student status. P/DSOs at both campuses continue to monitor guidance from SEVP and relevant state authorities. Procedural changes will be updated to comply with guidance and regulations as they become available.

Updated March 1, 2021

#### Spring 2022

Despite the continued exemptions for F-1 students, Rosemead College has decided to partially return to in-person for Spring 2022. Some morning and Afternoon classes will operate in-person. Evening classes will remain hybrid. Rosemead College is taking the following precautions to prevent the spread of the virus:

1. Students, instructors, and staff will protect themselves and others with the proper use of face masks, social distancing when needed and washing hands frequently.
2. Night classes will be held with an alternating schedule. No more than one evening class will be on campus on any one day.
3. RC will implement daily scheduled cleaning and disinfection of all used areas.

Updated March 25, 2022

### **Termination of COVID-19 Temporary Flexibilities**

President Biden announced the termination of the Coronavirus Disease (COVID-19) Public Health Emergency, effective on May 11, 2023, following the termination of the COVID-19 National Emergency on April 10, 2023.

While the Student and Exchange Visitor Program's (SEVP) COVID-19 guidance is terminated as of May 11, 2023, Active F and M nonimmigrant students will be able to complete the 2022-23 academic year under the COVID-19 flexibilities through the 2023 summer semester. However, Active F and M nonimmigrant students will not be permitted to count online classes toward a full course of study in excess of the regulatory limits stated in 8 CFR 214.2(f)(6)(i)(G) and 8 CFR 214.2(m)(9)(v) for the 2023-24 academic year.

Initial or re-entering students must enroll in programs complying with the regulatory limits for distance learning as stated in 8 CFR 214.2(f)(6)(i)(G). Designated school officials should not issue Forms I-20, "Certificate of Eligibility for Nonimmigrant Student Status," for students in new or Initial status who are outside of the United States and plan to take classes at an educational institution certified by SEVP for a program of study that contains online components in excess of the regulatory limits.

#### **Procedural Change Plans for SEVP-certified Schools**

While all previously submitted procedural change plans are voided as of May 11, 2023, Active F and M nonimmigrant students will be able to complete the 2022-23 academic year under the COVID-19 flexibilities through the 2023 summer session. With the beginning of the fall 2023 session, schools must comply with all regulatory limits in 8 CFR 214.2(f), 8 CFR 214.2(m), 8 CFR 214.3 and 8 CFR 214.4

#### **Fall 2023**

Due to the termination of the Coronavirus Disease (COVID-19) PublicHealth Emergency all classes beginning Fall 2023 will be 100% in-person and face-to-face.
