HEALTH AND PHYSICAL CONSIDERATIONS

Generally, the professional in the beauty field must be in good physical health because working in this profession requires direct physical contact with the clients. In most aspects of the beauty culture, there is a great deal of standing, walking, pushing, bending, and stretching sometimes for long periods of time. A person must consider their own physical limitations in terms of making a career choice that involves extensive training. We promote the acceptance of students with physical limitations or disabilities if such students believe they can fulfill the training demands. If a student, while enrolled, sustains an injury deemed by the college to impair their ability to fulfill all educational requirements, both practical and theoretical, the student may be required to take a Leave of Absence until given a full medical release by their physician.

VALIDITY OF A HIGH SCHOOL DIPLOMA (Revised 9-20-23)

Regulation 34 CFR 668.16 (p) requires Title IV schools to establish policies and procedures to confirm the authenticity of high school diplomas in the event that the school or the Secretary of the U.S Department of Education has reason to question the validity of a student's high school diploma. The school may require further documentation in the form of a certified copy of final high school transcripts for the high school in question or information from an outside company that is qualified to translate documents into English and confirm the academic equivalence to a U.S. high school diploma. Shasta School of Cosmetology will then confirm that the student is eligible for Post Secondary instruction. Student self-certification is not considered sufficient proof of validity. In addition to checking online for further information about the school issuing the diploma and its accreditation, the school may also contact the Department of Education in the state in which the diploma was issued to determine if the school listed on the diploma is on the state list of recognized schools.

The school maintains a list of known diploma mills for the admissions staff to check when receiving a diploma from an unknown and questionable source. It is understood that this list may not be all inclusive as there are hundreds of diploma mills—some known and some not currently known. It is also understood that the list of schools in the FAFSA drop down box online does not guarantee that a high school is legitimate. The school makes every reasonable effort to verify the validity of questionable high school diplomas.

NOTE: Foreign high school diplomas must be translated into English, evaluated, and verified by a qualified outside agency that it is the equivalent of a United States High School Diploma. (Notary is not acceptable.) Please see the school Administration office for acceptable verification companies.

NOTE: GED Testing information is available through the SMART Business Resource Center, 760 Cypress Ave Suite #210 Redding, CA 96001 (530) 246-7911

NOTE: This institution does not admit students from other countries, does not provide VISA services, and does not vouch for student status or any associated charges.

ORIENTATION (Revised Jan 1, 2022)

Attending orientation is mandatory. Orientation is two to four hours and is held prior to the first day of class. The student will be notified of the date and time of orientation prior to class start date. Orientation sets the tone for a pleasant educational experience. During orientation, incoming students are provided with a student handbook and are made aware of their responsibilities by understanding the policies and procedures of the college, sanitation aspects, rules and regulations, student expectations, timecards, using the time clock and parking on campus, and the expectations of the teaching staff. FERPA (SAFEGUARDING CUSTOMER INFORMATION)

Family Educational Rights and Privacy Act of 1974 (FERPA)

The FERPA is a federal law designed to protect the privacy of a student's educational records. The law applies to all schools that receive funds under an applicable program from the U.S. Department of Education. The FERPA gives certain rights to parents regarding their children's educational records. These rights transfer to the student or former student who has reached the age of 18 or is attending any school beyond the high school level. Students and former students to whom the rights have transferred are called eligible students. Parents or eligible students have the right to inspect and review all the student's educational records maintained by the school. Parents or eligible students must send a written request to the school and identify the records requested. The school will notify the parents or eligible students about the date and time the records will be available. This will be done within 45 days of the receipt of the request. Records will be maintained by the school for five years. Schools are not required to provide copies of materials in education records unless, for reasons such as great distance, it is impossible for parents or eligible students to inspect the records personally. The school will charge a fee for copies.

Parents and eligible students have the right to request that a school correct records believed to be inaccurate or misleading. If the school refuses to change the records, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still refuses the correction, the parent or eligible student has the right to place a statement in the records commenting on the contested information in the records. Generally, the school must have written permission from the parent or eligible student before releasing any information from a student's record. An appointment must be made with the admissions office to review the files in their presence. The law allows schools to disclose records without consent to the following parties:

- School employees who have a need to know.
- Other schools to which a student is transferring.
- Parents when a student over 18 is still dependent.
- Certain government officials in order to carry out lawful functions.
- Appropriate parties in connection with financial aid to a student.
- Accrediting organizations.
- Individuals who have obtained court orders or subpoenas.
- Persons who need to know in cases of health and safety emergencies.
- State and local authorities to whom disclosure is required by state laws adopted before November 19, 1974.

Schools may also disclose without consent, directory type information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, the school must tell the students of the information that is designated as directory information and provide a reasonable amount of time to allow the parents of eligible students the school will disclose that information about them. If you have any questions about the FERPA, or if you have problems in securing your rights under this Act, you may call (202) 410-2057 or write to: Family Policy Compliance Office, Department of Education, 400 Maryland Avenue, S.W., Room 3017, Washington D.C. 20202-4605.

Allowed Missed Time

Students are allowed 10 percent of their total program (Cosmetology, Barbering, Barber Crossover, Manicuring and Esthetician) for absences to complete the program (Example: A 1000 clock hour course = 100 hours of allowed missed time). If a student exhausts their allowed 10% for absences, a fee of \$20.00 per hour will be charged thereafter to complete their program. Payments for hours attended past actual graduation date, as stated on the enrollment agreement, are to be made one week in advance until completion. The school reserves the right to change tuition and fees; and make subject changes, when necessary, in kits that are

required. A notice of 10 days will be given by the school. Any changes in fees will not affect currently attending students.

ALL TUITION AND FEES ARE PAYABLE IN ADVANCE (Revised 9-1-2021)

Shasta School of Cosmetology accepts payments in the form of credit/debit card, cash, check, money order, cashier's check. There will be a 3% fee incurred for credit/debit card transactions.

Tuition is defined as payment for scheduled clock-hour instruction. Charges are assessed and posted in the student's tuition account in accordance with the costs incurred in each payment period. The hourly tuition charges for transfer or re-enrolled students who have prior hours are charged the current hourly rate per course. Any prior balance due by a re-enrolling student must be paid prior to re-enrollment.

TUITION FEE FOR ADDITIONAL TRAINING

To encourage good punctuality and attendance, students who exceed more than one hundred and ten (110%) percent to complete the course will be charged \$20.00 per hour. Payments for overtime will be made one week in advance after the expected scheduled date of graduation. This fee (\$20.00/hr.) will be charged for all hours that have elapsed beyond the contract date until the student has completed the prescribed course. Once the student has consumed the additional hours allowed within the contract time frame, the student then must immediately make financial arrangements with the administration office to satisfy the debt incurred by excess absences. Arrangements must be made to have these additional missed hours paid for prior to the student clocking back into school. For Example: A student is contracted to complete training on April 10th. If, as of April 10th, the student still has 48 clock hours remaining to complete the course. The student would then have additional training charges (48 hours x \$20.00 cost per course hours) payable weekly in advance beginning as per contract completion date.

Note: Students must abide by all school rules and regulations concerning absences. Tardiness is counted as an absence.

FINANCIAL OBLIGATIONS (Revised 9-1-2021)

Payments are delinquent after the 5th or 20th of each month as per contract. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF, and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program." (b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog:

1. "It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589. To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.

2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120-day period before the program was discontinued.

3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.

4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.

5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.

6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.

7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans. To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

CANCELLATION, WITHDRAWAL, AND REFUND RIGHTS (Revised Jan 1, 2022)

The following policy will apply to all terminations for any reason, by either party, including student decision, course, or program cancellation:

1. You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first, class session, or the seventh (7) day after enrollment, whichever is later. Cancellation occurs when you give written notice of cancellation at school address shown on the front page of the enrollment agreement. You can do this by mail, email, in person, or FAX attention to the school director listed on the front of this agreement. The notice of cancellation, if mailed, is effective by postmarked date. This notice need not take any particular form; it needs only to state you wish to cancel the agreement. You will be given two Notice of Cancellation forms on the first day of class. If you cancel this agreement within the seven-day time period, any money that you paid will be refunded within 45 days after your notice is received. If School has distributed books to you, you shall return them upon cancellation. If you fail to return the books in good condition, you will be charged the kit list cost of books,
2. You have the right to withdraw from school at any time. A withdrawal may be effectuated by the student’s written notice, or the student’s conduct, including, but not necessarily limited to, a student’s lack of attendance. Any student who finds it necessary to withdraw must notify the Admissions Office promptly, in person or in writing, of their intent to discontinue classes, stating their reasons in full. If you withdraw from the course of instruction after the cancellation period as in Par. 1, the school will remit a refund less the registration fee (\$150.00) within 45 days following your withdrawal. You are obligated to pay only for scheduled educational services and for received and accepted equipment. Equipment purchased through the school is not refundable due to State sanitation and disinfection regulations. The refund shall be the amount you paid for instruction multiplied by a fraction—the numerator of which is the scheduled number of hours of instruction which you have not received but for which you have paid, the denominator of which is the total number of scheduled hours of instruction for which you have paid. If the amount you have paid is more than

the amount that you owe, then a refund will be made within 45 days of withdrawal. If the amount that you owe is more than the amount that you paid, then you will have to arrange to pay it.

3. Any monies due a student who unofficially withdraws from the institution shall be refunded within 45 days of a determination by the institution that the student has withdrawn without notifying the institution. To determine unofficial withdrawals, the school monitors student attendance--at minimum--once a week (every 7 days). A student who fails to attend classes for 14 consecutive calendar days without notifying the school and has not requested a Leave of Absence will be determined as to have unofficially withdrawn and withdrawal and refund processes will begin.
4. Federal policy prescribes that a percent of scheduled hours be calculated by totalling the number of hours the student was scheduled to attend between the first and last day of actual attendance divided by the length in hours of the payment period course times 100. If this percentage is less than 60%, the school may only keep that percent of Title IV funds that were disbursed or could have been disbursed. If the percentage is 60% or greater, the school may keep 100% of the funds that were disbursed or could have been disbursed. The amount that can be retained is the same whether it is applied to tuition, fees, kit and books or any other institutional charge.
5. The school policy uses the same percentage calculation as above but applies the percentage to the total amount of tuition charges only and allows all other charges to be retained by the school without regard to the calculated percentage. A student's pro rata refund will be based on scheduled hours.

HYPOTHETICAL REFUND EXAMPLE: The following table outlines the refund due based on percentage of training completed, assuming you paid the following:

Total Contract	Less Fees for Registration	Less Supplies	= Tuition Fee
\$8100	(\$100)	(\$2000)	\$6000
	Completed	Refund Due	
	10%	\$5400	
	25%	\$4500	
	50%	\$3000	

6. For the purpose of determining the amount you owe, you shall be deemed to have withdrawn from the course when any of the following occurs: (a) You notify School of your withdrawal or the actual date of withdrawal; (b) school terminates your enrollment; (c) You fail to attend classes for 14 consecutive calendar days without notifying the school; (d) You fail to return from a leave of absence. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.
7. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. If any portion of your tuition was paid from loan proceeds, the refund will be sent to the lender or agency that guaranteed the loan. Any remaining refund amount will first be used to repay any student financial aid programs from which you received benefits, to the extent of benefits received. Any remaining amount will be paid to you.
8. Students cannot be dismissed by an instructor. Such dismissals are to be sanctioned only by the administrators of the school or by state or federal counselors.
9. If the course is canceled subsequent to a student's enrollment, the School shall at its option provide a refund of all monies paid or provide completion of the course.
10. Students who do not complete the program within the maximum time allowed (not to exceed 143% of the course length) will be automatically withdrawn from the program.

**The preceding cancellation, withdrawal and refund rights policy is present on the enrollment agreement and signed by the student upon enrollment.*

RETURN OF TITLE IV FUNDS (Revised & Effective May 1, 2020)

There are two elements to the matter of determining refunds and return of Title IV funds that need to be clearly understood. The Department of Education has regulations that outline the amount of Title IV funds, both loans and grants, that may be retained on behalf of a student who does not complete their contracted program. The school is permitted to have a refund policy that is different from this federal calculation. It is possible that a student can comply with the Federal Return of Title IV funds policy yet still owe additional funds to the school based on the number of hours the student was scheduled to attend between the first and last day of actual attendance. Additionally, being absent or tardy can create a difference between actual attendance and scheduled attendance that can cause a student to owe more tuition than they have actually earned.

The Federal policy prescribes that a percent of scheduled hours be calculated by totalling the number of hours the student was scheduled to attend between the first and last day of actual attendance divided by the length in hours of the payment period course times 100. If this percentage is less than 60%, the school may only keep that percent of Title IV funds that were disbursed or could have been disbursed. If the percentage is 60% or greater, the school may keep 100% of the funds that were disbursed or could have been disbursed. The amount that can be retained is the same whether it is applied to tuition, fees, kit and books or any other institutional charge.

Determination of official and unofficial withdrawal from school is as follows:

Official withdrawal from school:

A student may cancel enrollment or voluntarily terminate his/her enrollment by advising the school administrator/owner in writing and/or in person. This is considered an official withdrawal from school.

Unofficial withdrawal from school:

When a student is absent from school for 14 continuous calendar days, the student will be withdrawn from school unless they are on an approved leave of absence. Efforts will be made by the school to determine why the student is not attending. If a student fails to return to school within 30 days from their last date of attendance or from a leave of absence, Title IV financial aid funds not earned by the student will be returned to the Government by the 45th day from determination of the last day of attendance.

In either event, calculations as to percentages of attendance completed or attempted will use the last day of recorded attendance as the end date.

Order of how funds are returned:

In the instance of a student's withdrawal from a program and a return of Title IV funds is due, funds are returned in the following order: (1) Unsubsidized Direct Loans, (2) Subsidized Direct Loans, and (3) Pell Grant.

REFUND POLICY (Revised & effective May 1, 2020)

The school policy uses the same percentage calculation as above but applies the percentage to the total amount of tuition charges only and allows all other charges to be retained by the school without regard to the calculated percentage. A student's pro rata refund will be based on scheduled hours.

HYPOTHETICAL REFUND EXAMPLE: The following table outlines the refund due based on percentage of training completed, assuming you paid the following:

Total Contract	Less Fees for Registration	Less Supplies	= Tuition Fee
\$8100	(\$100)	(\$2000)	\$6000
	Completed	Refund Due	
	10%	\$5400	
	25%	\$4500	
	50%	\$3000	

Third Party Payers

In accordance with California State law for students receiving tuition assistance, any tuition refunds will be made first to any lender up to the amount of such disbursement; any additional refunds will next be made to other funding source accounts or any other sponsoring source up to the amount of such disbursement; any additional refunds due will be made to the student or sponsor. Any overpayment of monies distributed for non-tuition educational expenses will be based on the credits completed over the total time in that payment period. The student will be responsible for the repayment of any such overpayment. The refund for non-tuition education expenses, if any, will be made to the appropriate agency account or individual.

Refund Time Limits

In accordance with the California State law, all refunds will be made within 45 days from the date of cancellation or determination of withdrawal. If a student does not return from an approved leave of absence period as stated in the school catalog, refunds will be made within 45 days from the end of the leave of absence period. However, such leave of absence may never exceed the maximum time allowed (Please see section entitled "Leave of Absence"). If you have any questions regarding these calculations, please see Administration.

Discontinuation of Program

A full refund of tuition and fees will be made in the event the school discontinues a program and this prevents the student from completing.

Registration Fee Refund Policy

This fee is nonrefundable except within the cancellation period. If the applicant cancels his/her enrollment agreement by midnight of the seventh day after the first class the applicant attends, the school will refund any money that you paid within 45 days after your notice is received.

Please Note – If a student obtains a loan, the student will have to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student receives federal aid funds, the student is entitled to a refund of the money not paid from federal financial aid funds.

FINANCIAL AID

(Revised Jan 1, 2022)

Shasta School of Cosmetology is approved for and participates in the Title IV federal aid programs, which is intended to defray the costs of attendance for those students eligible for financial aid. Additionally, Shasta School of Cosmetology contracts with FATSTAF third party processing to process Title IV aid for our students. For more information on tuition assistance and the application process, please contact our financial aid office.

FINANCIAL AID MECHANISM

Financial aid is a mechanism that reduces out-of-pocket costs that students and/or parents must pay to obtain a specific postsecondary education. In other words, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants, which do not have to be repaid, and student loans, which do have to be repaid. Financial aid is awarded to students who have “need”. Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at their school.

FINANCIAL AID PHILOSOPHY

Shasta School of Cosmetology believes that the talents, hopes, and ambitions of all people are among our nation’s most valued possession. As such, this school continues to promote scholarship and grant opportunities for qualified, deserving students who must find funds to attend college. The fundamental purpose of this school’s financial aid programs is, therefore, to make it possible for students who would normally be deprived of a college education because of inadequate funds to attend college. The following principles have been adopted for our financial aid program:

This college will work with schools, community groups, and other educational institutions in support of the national goal of equality of educational opportunities.

1. Expected family contribution (EFC) affects the student’s cost of education. This school expects parents to contribute financially according to their means considering their incomes, assets, number of dependents, and other relevant information. Students are also expected to contribute from their own earnings and assets, including borrowing against future earnings.
2. Financial aid will be offered after determining whether the family’s resources are insufficient enough to meet the student’s educational expenses. The amount of aid offered will not exceed the amount needed to meet the difference between the student’s total educational expenses and the family’s resources.
3. In awarding funds to eligible students, the amount and the type of self-help will be related to the circumstances of the individual and the largest amount of grant/loan assistance will be offered to students with the least ability to pay.

STUDENT ELIGIBILITY REQUIREMENTS

To be eligible for financial aid, a student must:

- a. Be admitted as a regular student
- b. Be enrolled or accepted for enrollment in an eligible program on at least a half time basis.
- c. Be a citizen or an eligible non-citizen
- d. Not owe a refund on a Pell Grant or SEOG at any school
- e. Not be in default on a student loan at any school
- f. Have financial need

- g. Be making satisfactory progress (as defined by the school's policy) during study
- h. Be registered for selective service (if a male born after January 1, 1960)
- i. Have a legitimate high school diploma, GED, completion of an approved home-schooling secondary program. Foreign high school diplomas must be translated into English, evaluated, and verified that it is the equivalent of a United States High School Diploma. (Notary is not acceptable.) Please see school admin office for acceptable verification companies.
- j. Agree to use any federal student aid received solely for educational purposes.

APPLYING FOR FINANCIAL AID (Revised Jan 1, 2023)

Financial aid is available to those who qualify. Students can apply for and receive (if eligible) tuition aid and financial assistance while attending our college if eligible. To determine if you are eligible for financial aid, you must complete the application process, meet academic progress standards, and be enrolled more than part time. Shasta School of Cosmetology participates with state, federal and private agencies that provide financial assistance for qualifying students. Full-time financial aid advisors are available to assist you in obtaining the financial assistance required to meet your educational needs

WHEN TO APPLY: You must complete the Free Application for Federal Student Aid (FAFSA), Renewal FAFSA or FAFSA on the Web (FOTW) worksheet. The FAFSA helps determine the amount of assistance for which you are eligible. This analysis considers factors such as income, assets, number of family members in your household, and the number of your family members enrolled in college. You should apply for financial aid as soon as you decide to enroll at Shasta School of Cosmetology. Student financial aid information (FAFSA data, verification items, disbursement information, etc.) is maintained in individual student files. This institution recommends that students keep a financial aid file at home to help ensure a smooth financial aid process and timely receipt of financial aid funds.

Compliance Statement

The Federal Privacy Act of 1974 requires that students be notified that the disclosure of their social security number is mandatory. The social security number is used to verify a student's identity, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state, or private programs.

Determining Need

The information you report when you apply for aid is used in a formula, established by Congress, which calculates your expected family contribution (EFC). Shasta School of Cosmetology utilizes the Free Application for Federal Student Aid (FAFSA) for students applying for aid. The results will be reported on the electronic student aid report (SAR) with the calculation of the expected family contribution.

WHAT HAPPENS NEXT? Once you have submitted the FAFSA or FOTW, you will be sent a Student Aid Report (SAR or e-SAR). The SAR or e-SAR should be checked for accuracy. Contact the school immediately in case you think corrections are needed. Once the SAR or e-SAR has been determined to be complete, a financial aid award letter will be sent to you which will state the student need (the cost of your education), family contribution, and the amount of the grant awarded. The Department of Education requires verification of a percentage of all students. If selected, you must complete the verification process before disbursements will take place. Funds are then distributed by financial aid personnel.

Award Concept, Selection of Recipients and Packaging Criteria

Schools frequently do not receive enough campus-based funds to satisfy all the student financial needs. Therefore, the school emphasized the self-help concept of student financial assistance. The self-help concept is on a first come, first served basis when awarding eligible applicants. The SELF-HELP CONCEPT lists types of financial assistance in the following order (1) Family Contributions, (2) Other resources, (3) Pell Grant, (4) Self Help (lenders).

Shasta School of Cosmetology participates in the following Title IV programs:

- Federal Pell Grant Program - this grant is an important source of aid for students who demonstrate financial need. It is dependent upon determination of eligibility, enrollment status, cost of attendance and a payment schedule issued by the U.S. Department of Education. A grant does not have to be repaid.
- Student loans – are an important source of aid for students who demonstrate financial need. It is dependent upon determination of eligibility, enrollment status, cost of attendance and a payment schedule issued by the U.S. Department of Education. Loans have to be repaid.

Financial Aid Definitions

The following terminology corresponds with common terms used within financial aid definitions:

Academic Year – Twenty-six weeks of instructional time with a minimum of 900 clock hours of instruction for a full-time student. The midpoint of the academic year shall be a minimum of 13 weeks and at least 450 clock hours. In effect, all students enrolled in courses with an academic year schedule to be completed in less than 26 weeks, regardless of the number of clock hours offered, would have aid eligibility reduced in proportion to the number of weeks and hours during study in relation to the academic year.

Clock Hour - 50 to 60 minutes of supervised instruction during a 60-minute period.

Dependent Student - An individual that does not meet the independent student criteria. This student is required to submit with their application, student, spouse (if applicable), and parents' income and assets data.

Need – Financial need is the amount left over after subtracting the expected family contribution from your cost of attendance.

Parent(s) – For the purposes of the financial aid programs, "parent" is mother and/or father or adoptive/stepparents or legal guardian, not foster parents.

Recoveries - Recoveries resulting from funds paid to students for personal expenses which exceed the amount needed (based on the months attended times the monthly budget allowance) will be due from the student to the Title IV Programs.

Transfer Student - A student who attended a post-secondary institution prior to enrollment at Shasta School of Cosmetology. A transfer student is required to provide transcripts from each of the prior institutions attended and proof of training records.

VERIFICATION POLICIES (Revised 1-1-2023)

It is the policy of Shasta School of Cosmetology to provide in a timely manner to students a clear explanation of their role regarding their financial aid and verification, including what documents they must submit, the deadlines they must meet, and the consequence of failing to meet them. Federal regulations 34 CFR 668, Subpart E, governing the Title IV programs require schools to be sure of certain applicant reported data. These regulations require schools to develop written policies and procedures for verification. The school is required to make these policies available to all applicants for financial aid, as well as prospective students, upon request. To comply with regulations and achieve consistency governing this process, Shasta School of Cosmetology has adopted verification policies and procedures in coordination with FATSTAF, our third party processor who processes Title IV aid for our eligible students.

Students selected by the U.S. Department of Education for the process of verification are required to submit to the school financial aid office additional student and or parents' financial and household information (the documentation required as indicated in the U.S. Department of Education's Application and Verification Guide). The verification procedures will be conducted as follows:

TIME PERIOD IN WHICH STUDENTS MUST SUBMIT VERIFICATION DOCUMENTATION

If a student or incoming student is selected for verification, FATSTAF will notify the school of which verification documents are needed from the selected student.

The school's designated official will then notify the student of the necessary documents required to complete the verification process. Students are required to submit all requested documentation to the school financial aid office within 10 days from the date the student is notified.

CONSEQUENCES FOR FAILING TO SUBMIT FINANCIAL AID DOCUMENTS ON TIME

If the student does not provide all of the required documentation within the 10-day time frame, at the school's discretion, the student may be notified that they will be required to make other payment arrangements until the documentation is received and the student's eligibility for federal aid has been established.

Shasta School of Cosmetology reserves the right to make exceptions to the 10-day policy stated above on a case by case basis due to extenuating circumstances.

METHOD WE WILL USE TO NOTIFY STUDENTS IF THEIR EFC AND TITLE IV AID AMOUNTS CHANGE

If a student's EFC and Title IV aid amounts change, the student will be notified by the school's financial aid office within five (5) school days either in person, by phone, or email.

PROCEDURES WE OR STUDENT(S) WILL FOLLOW TO CORRECT FAFSA DATA.

Once verification documents have been received by the selected student, the school official will then review and upload those documents to the students profile database as part of their financial aid file.

FATSTAF will also review the student's documents and make corrections as necessary. When there are no discrepancies to hold up the process, the student's aid package will be further processed.

FATSTAF will notify the school financial aid office of any adjustments made to the student's financial aid awards resulting from corrections made due to the verification process. An award notice for the student can then be printed at the school and presented to the student for signature.

CREDIT BALANCES (Effective January 1, 2023)

As needed, this institution will hold credit balances with the students' written permission.

PROCEDURE WE WILL FOLLOW TO REFER A STUDENT TO THE OFFICE OF INSPECTOR GENERAL

The Office of Inspector General is a clearinghouse for receiving and handling allegations regarding fraud, waste, abuse, mismanagement, or misconduct affecting Department of State programs and operations. If you suspect that a student, employee, or other individual has misreported information or altered documentation to fraudulently obtain federal funds, you should report your suspicions and provide any evidence to the Office of Inspector General. All information needed to make such a report is available on the website of the Office of Inspector General at www.oid.state.gov.

ATTENDANCE POLICIES

ATTENDANCE AND TARDY POLICY (Revised Jan 1, 2022)

Each student is expected to attend all classes as scheduled. Absences from class can seriously affect the student's progress. Any student who is aware of an impending absence from school should advise the director verbally and in writing. If a student is receiving Title IV funds to attend this school, aid could be affected by absences. If for any reason the school is closed unexpectedly for extenuating circumstances, students will be notified by phone, or email. If the staff is unable to reach students by phone or email, a notice will be posted on the front door of the school. Hours allowed for absences are 10% contracted hours (for example--Cosmetology = 100 hours, Barbering = 100 hours, Barber Crossover = 20 hours, Manicuring = 40 hours, Esthetician = 60 hours). Scheduled graduation date is figured according to total course hours + allowed absences for the course.

ABSENCES DURING FRESHMAN PERIOD

Students are limited to how much time they can miss during the freshman portion of their course. Cosmetology and Barbering can miss no more than 18 hours, Esthetician and Manicuring can miss no more than 16 hours and Barber Crossover can miss no more than 8 hours.

High school students missing more than 18 hours during freshman class will be withdrawn from the program. Exceptions approved by the Director only.

Absences and Tardiness

Absences: Regular attendance will be required at all times.

Tardiness: Students more than 7 minutes late are not allowed to check into theory class. Checking in at all times disrupts classes.

Class Cuts: No credit is given when daily timecards are not signed. Students must be checked in on the biometric time clock and checked out before leaving the building.

Overtime

If a student does not complete the course by the scheduled graduation date listed on their contract, the school will charge an additional \$20.00 per hour according to their contract schedule until completion. Payment for hours to be attended past the scheduled graduation date will be made prior to completion of course. Absences do not relieve the student of overtime charges. Students must maintain a 70% overall grade and attendance rate to maintain satisfactory progress. After the scheduled graduation date, a student's schedule may be modified by the director due to available space available.

No Call-No Show Policy

To train students to work in a salon or place of employment, any student missing any day must call prior to clinic start time to advise a STAFF MEMBER that they will either (1) be late or (2) not be at school that day. Additionally, any student leaving early must notify a STAFF MEMBER prior to leaving. Any student not following the above procedure will receive a demerit.

CLASS AND PRACTICE HOURS (APPLIED EFFORT)

Shasta School of Cosmetology will only recognize time clock-recorded hours of attendance. Students must clock in and out at the start and end of their class day, and in and out for their lunch period. After clocking in, you are required to maintain applied effort. Applied effort means that you are to be engaged in assigned practice activities, self-study activities authorized by your teacher, or participating in a class. In all cases, your activities while on the time clock must be related to training for your course of study. Personal grooming, listening to electronic devices, sleeping, leaving the building, reading magazines, etc. will not be tolerated.

LEAVE OF ABSENCE POLICY (Revised Sept 26, 2023)

The following policy applies to all students: Director may adjust policy due to extenuating circumstances. Students may take a leave of absence for whatever reason deemed necessary. A student can request a leave of absence in writing by filling out a "Leave of Absence Request" form available in the student portal. Form can be located in the student portal under the Reference tab, forms section. This form must be submitted and include the reason for the student's request, signed by the student and approved PRIOR to taking Leave of Absence unless unforeseen circumstances prevent the student from doing so. For example, if a student were injured in a car accident and needed a few weeks to recover before returning to the institution, the student would not have been able to request the LOA in advance.

An institution may grant a LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if the institution documents the reason for its decision, collects the written request from the student at a later date, and establishes the start date of the approved LOA as the first date the student was unable to attend. In this example, the beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the accident. NOTE: A leave of absence cannot be taken the day before a holiday.

Leave of absence will be granted for a minimum of 1 week not to exceed 6 weeks for Cosmetology and Barbering. For Esthetician, Manicuring and Barber Crossover, leave of absence will be a minimum of 1 week

not to exceed 4 weeks. If you take a Leave of Absence during the freshman period of your course, you will be required to retake the freshmen portion of your course. The LOA together with any additional leaves of absence must not exceed a total of 180 calendar days in any 12-month period. There must be a reasonable expectation that the student will return from the LOA. If a student takes an unapproved LOA or does not return by the expiration date of an approved LOA, they will be withdrawn. As an institution required to take attendance, the withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

This institution does not assess additional institutional charges (overtime fees or otherwise) as a result of a student's leave of absence. Additionally, a student granted a LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.

This institution will extend the student's contract period by the same number of calendar days taken in the LOA. Changes to the contract period on the enrollment agreement will be initiated by all parties or an addendum to the enrollment agreement will be signed and dated by all parties.

Return from Leave of Absence: Students returning from a Leave of Absence or other official interruption of training must return to school in the same satisfactory progress status they had prior to their departure.

SATISFACTORY ACADEMIC PROGRESS

Revised Sept 26, 2023

The Satisfactory Academic Progress Policy is consistently applied to all students (*including V.A. students*) enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

Manicuring 150 (7 wks), 300 (13 wks) actual clock hours

*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Satisfactory = Students with minimum of 70% or 2.0 GPA academically and 70% attendance. All evaluations will be generated within 5 days of completing their actual hours. Any evaluation that may impact the student's eligibility for financial aid is notated, if applicable, on the evaluation. A copy of the evaluation is offered to the student and a copy kept in the file.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 70% of the scheduled hours in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 70% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 143% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

COURSE		COURSE HOURS	MAXIMUM WEEKS	MAX TIME ALLOWED SCHEDULED HOURS
Cosmetology	(Full time, 30 hr/wk)	1600	76 wks	2288
Cosmetology	(Full time, 24 hrs/wk)	1000	60 wks	1430

MAXIMUM TIME FRAME FOR VA STUDENTS

VA benefits are paid for the approved program lengths only (not maximum time frames).

ACADEMIC PROGRESS EVALUATIONS

The academic (qualitative) element used to determine academic progress: Theory written tests grades are determined by assigned academic learning. The practical portion of evaluations is derived from a minimum number of practical work from stamp sheets and testing sheets. Academic learning is evaluated after each evaluation period as described below.

If the performance does not meet satisfactory requirements, the student is placed in warning status. Students must *maintain a written grade average of 70% and pass the FINAL written exams with 90% or better prior to graduation. Numerical grades are considered according to the following scale:*

A: EXCELLENT	= 90% - 100%	=	GPA 4.0-5
B: GOOD	= 80% - 89%	=	GPA 3.0-3.9
C: SATISFACTORY	= 70% - 79%	=	GPA 2.0-2.9
F: UNSATISFACTORY	= 69% AND BELOW	=	GPA 1.9 AND BELOW

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students may request a hard copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding AND/OR Veteran benefits interrupted, unless the student is on warning.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she will be deemed ineligible to receive Title IV funds and/or Veteran benefits.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence (*Leave of Absence* policy in attendance section), the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of calendar days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

WITHDRAWALS

Any student who withdraws from their contracted course or fails to complete their training will have a notice placed in their student file as to their progress at the point of withdrawal. A student making satisfactory progress at the point of withdrawal may apply for re-enrollment in the school and will be considered making satisfactory progress at the point of re-entry. A student failing to meet minimum satisfactory requirements at the point of withdrawal will be placed on warning status until first established scheduled evaluation if accepted for re-enrollment.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

With regards to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purposes of determining when the allowable maximum time frame has been exhausted. (Please see policy *Requirements for Transfer Students.*)

GRIEVANCE POLICY/CHAIN OF COMMAND

What to do when you have a problem:

Problems of all kinds occur in any school or business. If a problem should arise with an individual, try to resolve the matter with that person. If the problem cannot be resolved, you may request an appointment with the administrative office. The purpose is to have both parties discuss the issue at hand in a calm manner with the student affairs representative, student, and others present with a resolution. Should the problem become unresolved, it needs to be referred to the school Director for an investigation and resolution. Student grievance forms are available in the administrative office, if applicable. Additionally, records of complaints and their resolution, as applicable, are retained on file in the administrative office. This chain of command permits the proper flow of information and allows the system to function more efficiently and effectively, which may produce more positive results, quicker action, reaction, and consistency. If you have exhausted the entire chain of command toward a resolution and the organization is unable to assist you in your matter, seek Bureau for Private Postsecondary Education at 1747 North Market, Ste 225, Sacramento, CA 95834. BPPE mailing address is PO Box 980818, W. Sacramento, CA 95798-0818, Phone 1(888) 370-7589. See grievance procedures for additional information.

This institution's student affairs, Title IX representatives are David J. Hambelton, Director and Terry Hambelton, Finance Director.

COUNSELING PROCEDURES/DISCIPLINARY PROCESS

When a student is to be counseled for disciplinary problems, Shasta School of Cosmetology implements the positive approach, known as a WIN/WIN AGREEMENT. This agreement entails the action in question, desired results, resources, guidelines, accountability, and consequences (results of action, positive or negative). In conjunction with the WIN/WIN AGREEMENT, the following three-step procedures are outlined:

A. INTERVENTION - When a student is not maintaining satisfactory progress, grades, or displays a behavior that is not conducive to the philosophy of the Shasta School of Cosmetology organization and/or the beauty industry, they will be counseled by administrative personnel. Upon conclusion of the intervention, appropriate steps will be outlined for the student's continuation of their education.

B. ETHICS - At Shasta School of Cosmetology, we place a high value on the integrity and good judgment of every individual associated with the school. Any deviation from high ethical standards can bring discredit not only to the school but to the industry. We expect every student to exercise discretion and professionalism at all times. Clients, staff members, and fellow students must be treated with respect and courtesy. Please keep the school's best interest in mind at all times. Conversation topics should be limited to professional subjects and not include subjects like religion, politics, sex, or personal problems. The school positively reserves the right to suspend or expel a student who gossips, uses vulgar language, or causes any type of discord. Respect must be shown at all times toward peers, customers, and staff.

C. COMPLIANCE - Students must comply with all instructions, directives, and orders given by school personnel relative to school activities. Also, students must comply with the School's Standards of Performance Policies and Procedures, and State of California's Rules and Regulations.

SERVING THE PUBLIC

All students will be serving the public and must be courteous and pleasant. Students must take all appointments assigned to them. Students are to be prepared with all necessary equipment needed to complete the service. A student is not to leave a client during a service while a chemical is processing, during a facial

peel, or while an electric apparatus is applied to the skin unless another student has been assigned by the teacher. Should a student leave a client with any of the above-mentioned work, they will face disciplinary actions as deemed appropriate.

COSMETOLOGY, BARBERING, BARBER CROSSOVER, MANICURING & ESTHETICIAN SERVICE PROTOCOL

1. When students are called to the reception desk for an appointment, they will pick up the work ticket, which will indicate the type of service his/her client has scheduled.
2. The student will greet the client in a professional manner and direct them to their assigned station. The work ticket must be prominently displayed on the workstation.
3. After completing the consultation process, it is necessary for the student to consult with the floor instructor before the service begins. Additional services may be added, and a client charged accordingly.
4. The work ticket must be presented before any product is dispensed.
5. Throughout the service, educate the client as to what additional services may be required or retail products that maintain the quality of service.
6. Upon completion of the service, the student will walk the client to the reception desk to complete their transaction, suggest any retail products, and book for their next appointment.

DISPENSING OF EQUIPMENT AND MATERIALS

The staff is responsible for dispensing supplies to ensure inventory control. It will be necessary for the student to present the client work ticket before any supplies will be released. If a student is checking out an implement or tool, they must provide their timecard. Upon return of the checked-out items, the student timecard will be released.

RECEPTION DESK

The school reception desk is not a gathering place for students. Standing at the desk is unsightly to clients entering the school and disrupts the duties of the school receptionist. Only the receptionist, instructors or assigned students are allowed behind the desk. All appointments are to be made by the receptionist, designated staff member, or assigned student(s). All personnel, including teachers, must follow this procedure to ensure consistency, customer service and professionalism.

Last Clinic Appointment Taken

The last appointment taken should reflect the normal total time needed to complete the full service. If you have any questions, ask the supervising instructor.

ADVERTISING

Shasta School of Cosmetology is not responsible for any advertising created by students.

VISITORS

All visitors must remain in the school waiting area. No visitors are permitted in the classroom or on the clinic floor or break area (including outside break areas).

GUM CHEWING

Gum is a hair magnet. Chewing gum, while working on clients, does not look nor sound professional. It is also not sanitary. Therefore, gum chewing is not permitted on the premises.

TELEPHONE CALLS

School phones may not be used for personal calls. The receptionist will not take messages for personal phone calls unless it is an emergency. Calls will be screened to determine if it is a true emergency. An emergency is defined as a spouse, child, sibling, or parent who is extremely ill or has been in an accident requiring emergency medical treatment. Use of personal cell phones is allowed during student breaks and in break areas only—not in front of the college.

COMPUTER AND ELECTRONIC COMMUNICATIONS POLICY (Revised Jan 1, 2022)

During class hours, all personal electronic devices such as cell phones, iPods, GoPro's, Apple watches, etc. must be kept off, on vibrate or silent mode and in lockers. Listening to or watching videos on personal electronic devices are also not allowed unless approved by an instructor. No photographing, text messaging or recording is allowed. Should a student's personal electronic device be discovered in use (texting, messaging, recording, etc.) in the classroom without permission, the student will be given the choice to (a) put the device in the office for the day, or (b) go home for the day. Students will be dismissed from class when using a personal electronic device inside the building. When using a personal electronic device (cell phone, Apple watch, iPod, GoPro, etc.), students must be clocked out for lunch or on break and not in the classroom or student salon area. The only location a student may use a personal electronic device—even when out of class—is outside the back of the building, in the parking lot or in the break room—never in front of the college. Due to strict privacy laws, absolutely no camera phones can be turned on while inside the campus buildings. NOTE: A STUDENT

MAY TAKE A PICTURE OF THEIR WORK ONLY WITH PERMISSION FROM A SUPERVISING INSTRUCTOR; AND THE PICTURE MUST BE TAKEN UP AGAINST A WHITE WALL.

Regarding college licensed software that support's educational processes, students are not permitted to copy, remove, or install software. By using the computer equipment, software, and communications devices, all students knowingly and voluntarily consent to being monitored and acknowledge this institution's right to conduct such monitoring. The equipment is intended for educational purposes only, and any other use by the students may result in discipline up to and including permanent dismissal from the college.

COPYRIGHT INFRINGEMENT

Copyright infringement is against the law and is prohibited at this school. Willful unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject the students to civil and criminal liabilities. Students who engage in illegal downloading or unauthorized distribution of copyrighted materials using the institution's information technology system may be subject to expulsion and/or criminal liabilities. Additionally, willful copyright infringement can result in criminal penalties of up to five years and fines of up to \$250,000 per offense.

MEDICATION

All students must inform the Administration Office of all medication ingested during business hours including prescription medication. If a student is under 18 years old, they must have a note from their parents or guardian prior to taking medication.

UNDER THE INFLUENCE

Any student who possesses or who is determined to be under the influence of alcohol or drugs while at school will be subject to termination. If it is determined that you have been under the influence, you may be sent to get a drug test at your own expense within 24 hours.

WEAPONS

Any student who possesses or uses a weapon while at school will be subject to termination.

ANTI-FIGHTING POLICY (Effective March 2, 2022)

Any student fighting with, provoking, or otherwise getting in a physical altercation with another student, staff member, customer, or guest will be withdrawn from their program immediately. Fighting anywhere on school property will not be tolerated and will be met with immediate disciplinary action.

MODELS

At times, the student will be asked to provide a model to perform services. There are no fees for models. Shasta School of Cosmetology will give the student a five-day minimum notice. Failure to bring in a model will adversely affect your grade, performance, and specialized personal training. As a part of the student's learning experience, he or she will be responsible for receiving services administered by other students. If the student has a medical condition that prohibits them from receiving a service, they must submit supporting documentation from a certified physician.

EQUIPMENT AND BELONGINGS

Each student is responsible for their personal belongings and materials. For this reason, a locker or storage unit is provided during the freshman period. All bottles and containers must be labeled to identify its contents. Students may not borrow equipment from the school; further, they are responsible for the return of school

materials and equipment issued to them. Any equipment/supplies issued from the school and not returned will be charged on their Shasta School of Cosmetology account. Backpacks and wheel packs are allowed, but not on the clinic floor or the classroom floor; they must fit into your locker/side station. The reason they are not allowed on the clinic floor, or the classroom floor, is because of fire safety and trip hazards. Any bags and lockers are subject to on-the-spot inspection along with the student tool kit. Personal kit belongings must be removed from the school daily. There will be no written notice given by the college to remove the student's belongings from a locker or station. Should you have any concerns about possible loss of equipment and belongings, we recommend that you contact your insurance agent to determine whether your present policy would cover any such losses. If your present policy does not cover such losses, you may want to pay additional premiums to provide such coverage on your present policy.

FIELD TRIPS

The management of Shasta School of Cosmetology believes that outside education and exposure to our industry is a vital part of our student's development. In accordance with this belief, Shasta School of Cosmetology may award credit for trade shows.

ANY VIOLATION OF THE ABOVE RULES IS, OR MAY BE, CAUSE FOR SUSPENSION OR DISMISSAL FROM THE SCHOOL.

SHASTA SCHOOL OF COSMETOLOGY RESERVES THE RIGHT TO CHANGE, DELETE, OR ADD TO RULES BY POSTING SUCH CHANGES.
