PHILOSOPHY OF MOLER BARBER & COSMETOLOGY COLLEGES **(SATELLITES, BRANCH, AND DIVISIONS OF MOLER BARBER COLLEGE)**

MOLER BARBER & COSMETOLOGY COLLEGES' (SATELLITES, BRANCH, AND DIVISIONS OF MOLER BARBER COLLEGE) OBJECTIVE is to make a contribution to society by training students to become qualified, licensed hair professionals. We accomplish this by requiring students to comply with regulations regarding dress code, promptness, citizenship, and responsibility. This is *in addition to* their actual performance in haircare service training. We feel that preparing students for professionalism in their field requires dress code, attendance, and a good attitude towards the public (patrons). We hope that our students will in turn become contributors to their communities as well as self-supporting citizens.

MISSION OF MOLER BARBER & COSMETOLOGY COLLEGES (SATELLITES, BRANCH, AND DIVISIONS OF MOLER BARBER COLLEGE)

Moler Barber & Cosmetology Colleges' (satellites, branch, and divisions of Moler Barber College) mission is to graduate self-sustaining students into their new careers in the hair industry and prepare them for personal services industry job opportunities. No two students learn the same way and therefore it is necessary to give personal and individualized instruction. Our aim is to aid the student in learning responsibility, promptness, service, and discipline to help them gain the self-confidence they will need to begin new, successful personal services industry careers.

EDUCATIONAL OBJECTIVES

The primary objective of Moler Barber & Cosmetology Colleges (satellites, branch, and divisions of Moler Barber College) is to bring the student to entry level employment with a background in all services offered in a full-service barber/cosmetologist shop and/or salon. The training is based upon requirements to pass the California State Board of Barbering/cosmetologist and Cosmetology's examination. Moler Barber & Cosmetology Colleges (satellites, branch, and divisions of Moler Barber College) believes it is also important that the curriculum be presented in a professional manner and with diligent study, the student will be prepared for employment in the hair industry as a CA state licensed barber/cosmetologist. Our instructors are professionals who are licensed by the CA State Board of Barbering and Cosmetology and have extensive backgrounds as practitioners and business owners.

A. HISTORY OF & COSMETOLOGY COLLEGES (SATELLITES, BRANCH, AND DIVISIONS OF MOLER BARBER COLLEGE), A DIVISION OF MOLER BARBER COLLEGE

Moler Barber Colleges have been in operation for over a century.

The college was established by A. B. Moler, who opened the first barber/cosmetologist college in the nation in Chicago,

Illinois, in 1893. With the success of his barber/cosmetologist college in Chicago, Moler turned his attention out west. The

National Barber School had been established just before the turn of the century at 218 "J" Street, in Sacramento, California. Mr. Moler purchased the National Barber College in 1910, renaming it Moler Barber College. He then established his system of training barber/cosmetologists here in California. Moler Barber College of Oakland has been continuously operating since 1910.

Mr. Moler eventually sold the college to the family of Henry H. Haight. Haight was Governor of California from 1867 to 1871. The Haight family operated the schools until 1932, at which time James A. Murray, Sr. purchased them. Murray already owned and operated the Moler Barber College in Oakland, and eventually opened Moler Barber Colleges in San Francisco, Fresno and Stockton, as well. The schools were sold to various owners.

In July 2011, Moler Barber College in Oakland was sold to Frank and Christina Quattro, Owners of Quattro Barber Colleges Corp. Then in January 2014, Moler Barber College of San Pablo, CA became a satellite location of the main school in Oakland. Moler Barber College of Hayward opened in November 2016 also as a satellite of main school in Oakland. In 2018, with much enthusiasm, Moler opened two Cosmetology schools: a satellite in Hayward and a Branch in Santa Clara, California. In 2020, we added Esthetics to our programs to further support the expanded community need for personal hair, nail, skincare, makeup and facial services.

Frank and Christina Quattro and the entire Moler Team are proud to be part of legacy of training the best California Barber, Cosmetologists and Estheticians in the State.

Because of our service to the Barber/cosmetologist industry over the many years, we do receive numerous calls from the field for graduates. The college maintains a Job Listing Book listing current employment opportunities as well as a listing of Barber/cosmetologist shops for sale. M. FINANCIAL AID

This college is approved to accept qualified applicants under various financial aid programs. Financial aid is available to those who qualify. Inquire at the college business office for details.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

N. REFUND POLICY BUYERS RIGHT TO CANCEL AND REFUND RIGHTS

1) You have the right to cancel this agreement for educational services as well as any equipment or other goods and services within 3 days of signing the enrollment agreement. Cancellation occurs when you give written notice of cancellation at the school address shown on the enrollment agreement. You can do this by mail, in person or by fax. The notice of cancellation, if mailed is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form, and however expressed, is effective if it states that the student no longer wishes to be bound by the Agreement. If you cancel this agreement within 3 days of signing the enrollment agreement, School will refund any monies that you paid within 2 weeks days after your notice is received.

2) If the school has given you any equipment, you shall return it to the school within 30 days following the date of your notice of cancellation. If you fail to return the equipment unused and in good condition within a 30-day period, the school may retain that portion of payment paid by you and deduct the cost from any refund due to you. Barber/cosmetologist equipment, once used, is not returnable.

3) You have the right to withdraw from Moler Barber & Cosmetology Colleges (satellites, branch, and divisions of Moler Barber College) at any time. If you withdraw from the program of instruction after the cancellation period described in Part 1, the school will remit a refund minus the registration fee of \$150.00 and the STRF fee (if applicable). The student may withdraw by the student's written notice to Moler or by the student's conduct, including, but not limited to student's poor attendance. If the student withdraws prior to completion of the Program of study in which she/he is enrolled, the school determines whether the student is eligible for a refund of monies paid based on a pro-rata calculation formula (see example below) up until the student has been enrolled for sixty percent (60%) of the scheduled hours of the Program. Should the number of scheduled hours during the student's enrollment in the Program exceed sixty percent (60%) of the total hours in the Program, the institution shall have earned and will retain 100 percent of the institutional charges assessed to the student, as explained on the Enrollment

Agreement. If the student withdraws from his/her Program of study after the deadline for the student's right to cancel the Agreement has passed and the student is entitled to a refund per the pro rata calculation mentioned above, the school will issue such refund to the student, less a registration fee not to exceed \$150.00, within 30 days following the student's withdrawal. If the amount that you owe is more than the amount that you paid then you will have to make arrangements to pay for the educational services that you have received.

CLOCK HOUR PROGRAM

4. HYPOTHETICAL REFUND EXAMPLE: FOR 1500 HR PROGRAM

Assume, upon enrollment in a 1500 hour program, you pay \$12,842 for tuition, \$150.00 for Registration, and \$1,117.25 (fair market value) for books and tools, \$7.00 for STRF and withdraw after completing a scheduled 375 hours (25%) without returning the books and supplies you obtained. Your refund will be calculated as follows:

\$12,842.00 the amount paid for tuition
\$ 150.00 for registration fee
\$ 1,117.25 amount paid for books (not returned)
\$ 7.00 amount paid for STRF
\$ 14,024.00 Total Paid

\$ 12,842 x 25% = \$3,210.50 Cost of instruction received
\$ 3,210.50 Cost of instruction
\$ 9,631.50 Refund due to student

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid program funds.

5. For the purpose of determining the amount you owe, you shall be deemed to have withdrawn from the program when any of the following occurs: (a) You notify School of your withdrawal or the actual date

of withdrawal; (b) School terminates your enrollment; (c) You fail to attend classes for a two week period; (d) You fail to return from a leave of absence. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.

6. If any portion of your tuition was paid from loan proceeds, the refund will be sent to the lender or agency that guaranteed the loan. Any remaining refund amount will first be used to repay any student financial aid programs from which you received benefits, to the extent of benefits received. Any remaining amount will be paid to you.

7. If the program is cancelled subsequent to a student's enrollment, the School shall at its option provide a refund of all monies paid or provide for completion of the program. If there is a closure at the School the student may be entitled to a refund according to the refund policy.

8. If a student who has not had the opportunity to visit the school prior to enrollment opts to withdraw within three business days that student will be entitled to a full refund of tuition and fees paid.

APPLICATION OF REFUND PROCEEDS: Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received any benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student. Any overpayment of monies disbursed for indirect educational expenses will be based on the percentage of time elapsed over the total time in the award period. The Buyer/Student will be responsible for the repayment of any such overpayment. Repayments made by the Buyer/Student will be made to the appropriate Financial Aid fund account in proportion to the amount of the benefits received by the Buyer/Student.

NOTICE OF REFUND TO BUYER/STUDENT: The Seller/ School shall notify the Buyer/Student in writing of the date on which the refund was made, the amount of the refund, the method of calculating the refund, and the name and address of the entity to which the refund was sent within ten days of such refund. Posting this notice in the US Postal Service shall be deemed constructive notice for this purpose.

The Seller/School reserves the right of **POSTPONEMENT OR CHANGE OF DATE AND/OR TIME IN WHICH ANY CLASS IS OFFERED** if the minimum percentage of enrolled students also agrees. Students who do not desire the change may be offered a full refund.

Buyer/Student understands if Buyer/Student can demonstrate the ability to do so, and completes the program in less time than program duration described on the reverse side of this document, the tuition that Buyer/ Student has agreed to pay shall be fully earned by the Seller/School upon date of completion and Buyer/Student is not entitled to any refund by reason of earlier completion. The Buyer/Student's rights under agreement may not be assigned to any other person and the Buyer/ Student must complete the program within the time described on the reverse side of this agreement or within the maximum time frame described in the catalog, with prior approval of the School/Seller.

It is clearly understood that the Seller/School may assign or sell its rights to payment under this agreement. Such assignment however will not relieve the Seller/School from fulfillment of its duties and refund policy hereunder. The Buyer/Student and/or the Guarantor authorize to release additional information needed to process this transaction. It is anticipated that this will be assigned to said purchase. In lieu thereof, it may be assigned to another party. The Seller will notify the Buyer and/or Guarantor of the name of the assignee or third party and the location of the same.

AREAS OF CONFLICT WITH OTHER DOCUMENTS: In specific terms or areas where this document Conflicts with policies, procedures and/or terms as specified in other documents provided by the school, this document takes precedence. Time is of the essence in this agreement and if in the attempt of the Student/Buyer to work out any areas of dispute with the Seller/ School, the Buyer/Student determines that outside assistance is

needed in the resolution of this dispute, the Seller/School offers, as a measure of good faith, to be bound by the settlement rendered by the Arbitrator(s) of the arbitration in accordance with the Commercial Rules of the American Arbitration Association, if the Buyer/Student also elects to be so bound.

An applicant must fill out an application form provided by the college. This is returned to the college with the registration fee which is not refundable.

Q. ENROLLMENT

At the time of enrollment an applicant must have:

- High School Diploma or Passing GED equivalency test results

TRANSFER POLICY

Applicants with previous hours from another CA barber/cosmetologist school who wish to enroll at Moler Barber & Cosmetology Colleges (satellites, branch, and divisions of Moler Barber College) must submit a written request during the admission process along with a Proof of Training from the previous CA school. The transfer and accepted clock hours from another CA institution will be counted toward the required hours of the same program at Moler Barber & Cosmetology Colleges (satellites, branch, and divisions of Moler Barber College). If transfer hours are accepted, they will be applied to the end of the program and the student will be contracted for the total program hours at Moler Barber & Cosmetology Colleges (satellites, branch, and divisions of Moler Barber College) minus the transfer hours. Students who are financial aid recipients will be disbursed using their normal payment periods as long as there are enough hours. Please note: At a minimum, 25 % of the clock hours for the program must be completed at School.

Example: 1500 hour program, 900 hour academic year, 194 transfer hours

Payment periods: 1 - 450, 451-900, 901-1103, 1104-1306

If an applicant is transferring from another state or from another country, they must first contact California's Board of Barbering/cosmetologist and Cosmetology (BBC) and make application for approval of their hours from their previous school. The documents required for this process can be found at the State of California BBC website: www.barber/cosmetologistcosmo.ca.gov. The BBC may then issue a letter indicating the credit it has approved for the hours taken at the previous school along with any other requirements.

Failure to provide the required documentation of previous training in either circumstance prior to enrollment will mean that those hours will not apply/will not be transferred to your program at Moler Barber & Cosmetology Colleges (satellites, branch, and divisions of Moler Barber College).

Regarding the transferability of clock hours earned at Moler Barber & Cosmetology Colleges (satellites, branch, and divisions of Moler Barber College)

The transferability of clock hours you earn at Moler Barber & Cosmetology Colleges (satellites, branch, and divisions of Moler Barber College) is at the complete discretion of an institution to which you may seek to transfer.

Acceptance of the certificate you earn in Barbering/Cosmetology is also at the complete discretion of the institution to which you may seek to transfer.

If the certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your program work at that institution.

For this reason, you should make certain that your attendance at this institution will meet your educational goals.

This may include contacting an institution to which you may seek to transfer after attending Moler Barber & Cosmetology Colleges (satellites, branch, and divisions of Moler Barber College) to determine if your certificate or clock hours will transfer.

S. ATTENDANCE POLICY

MOLER BARBER & COSMETOLOGY COLLEGES' (SATELLITES, BRANCH, AND DIVISIONS OF MOLER BARBER COLLEGE) prime objective is to train students for future employment. Students are expected to attend school as they will be expected to report to work. All absences and tardiness are recorded.

Students must attend a minimum of 66.67% of their scheduled hours in order to maintain Satisfactory Academic Progress (SAP).

Illness or other medical reason substantiated by a doctor's statement is accepted and recorded, as an "excused absence."

Military reserve duty substantiated by a superior officer's statement is accepted and recorded as an "excused absence".

- **Leave of Absences**

Leaves of absence are granted on a case by case basis. Students must request a leave of absence in advance & in writing to the School Admissions person, Instructors or Directors. The school Directors reserve the right to accept or deny the requested leave of absence. Leaves of absence may be granted for no less than 2 week and no more than 30 days at a time. However, we reserve the right to grant longer leaves of absence at the school Directors discretion on a month by month basis, with the rule that no individual student's leave of absence exceeds a cumulative maximum of 180 days within a 12-month period. Reserve military duty or medical reasons are examples of valid reasons to obtain a leave of absence.

Students leaving the premises for any reason during school hours, other than for lunch period, shall get permission from an instructor. Doctor appointments, dentist appointments and other personal errands should be scheduled for non-school days.

Students will clock in and out using the fingerprint Guest Vision time system. It is the student's responsibility to remember to clock in and clock out.

Theory class attendance is recorded and must be complied with for successful completion. The California State Barber/cosmetologist Law requires a minimum of eighty (80) hours attendance.

No student shall be allowed to attend, or to remain in school, while intoxicated or under the influence of any drug. Students while under prescription medication must notify the school for approval to attend school. Violation of this rule is cause for disciplinary action by the California State Board of Barber/cosmetologist Examiners.

No student shall be allowed to attend school while they have an infectious, contagious or communicable disease.

PROGRAM INTERRUPTIONS*

A student may be suspended from classes for up to 30 days resulting in a program interruption. Students can be suspended for unsatisfactory attendance, unsatisfactory progress or for violation of school regulations, including failure to meet financial obligations. This can result in cancellation of the enrollment agreement. Any program interruption may be appealed to the California State Board of Barber/cosmetologists Examiners.

***VETERAN STUDENTS**

An "interruption" in training for any reason will terminate your Educational Benefits checks. You may return to benefit standing only after the College has permitted re-enrollment. Upon successful re-enrollment, your checks may experience delay of up to two months while certification of benefits is processed.

T. SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

1. Satisfactory Academic Progress (SAP) applies to all students regardless of whether they are receiving Title IV financial aid.
2. Federal regulations require that all schools participating in any Federal Financial Aid program must adhere to a Financial Aid/Academic Satisfactory Academic Progress (SAP) policy. As a Financial Aid recipient, you must maintain SAP to remain eligible to receive Federal Financial Aid. The records of all Financial Aid recipients will be reviewed at the end of each payment period to determine compliance with the SAP policy. SAP is measured at 450, 900, 1200 and 1500 hours for the 1500 hour Barbering/cosmetologist program, for all students regardless of the source of their funding. SAP is measured at 250 hours for the Re-Enrollment program, 400 hours for Refresher and Cosmo Crossover Programs and 450 and 600 hours for the Barber/cosmetologist Instructor program, all of which are non-Title IV programs. SAP determination is based on the student's complete academic history, including periods in which the student did not receive Financial Aid.
3. To meet standards for Satisfactory Academic Progress the student must:
 - Maintain a Cumulative Grade Point Average (CGPA) of 70% or above;
 - Maintain a cumulative attendance rate of 66.67%;
 - Complete the program within the maximum time frame of not more than 150% of the normal length of time required to complete the program.

Official Leaves of Absence, withdrawals, and other official interruptions of training are not computed in the maximum time frame.

Program incompletes and noncredit remedial programs do not apply to SAP policy at the school and will have no effect on satisfactory academic progress.

Financial Aid/Academic Warning, Probation Status

If a student fails to meet SAP standards for either attendance or CGPA at any formal assessment point, the student will automatically be placed on Financial Aid/Academic Warning and will remain in that status until the next assessment point or until the deficiency is corrected, whichever occurs first. A student placed on Financial Aid/Academic Warning status may continue to receive financial assistance. The student will be counseled on the potential loss of eligibility of financial aid, if applicable, and will be advised on steps necessary to correct the academic deficiency and be reinstated to good academic standing.

If a student fails to meet minimum standards for SAP by the end of the warning period, the student will become ineligible for Federal Aid and will be placed on Probation Status. A student placed on Probation Status has the right to submit an appeal.

Appeal, Reinstatement and Reestablishing Eligibility

A student may appeal the determination of unsatisfactory progress and termination of aid eligibility by completing the SAP appeal form. The student's appeal must be in writing, must be based upon mitigating circumstances, must include documentation of those mitigating circumstances, and must include an explanation of the reason why he/she failed to make SAP, including a statement and documentation of what has changed in the student's situation that will allow the student to meet the standards for SAP by the beginning of the next payment period. If the student's appeal is approved, eligibility for financial aid will be reinstated for one payment period and the student will continue in Financial Aid/Academic Probation status until the beginning of the next payment period.

Students who do not appeal a determination of unsatisfactory progress and termination of aid, or whose appeal has been denied, may continue in school, on Probation status for one assessment period at their own expense. By the end of the Probation period, all students on Probation status will be required to have satisfied all standards for SAP including the following:

- Have achieved a cumulative GPA of 70% or better;
- Have achieved a cumulative attendance rate of 66.67% or better

Students who fail to meet the standards for SAP by the end of the Probation period will be terminated from school. Students who successfully meet the standards for SAP by the end of the Probation period will be reinstated to good academic standing and will regain their previous eligibility for financial aid.

Transfer Hours and their effect on SAP

With regard to the calculation of attendance rates or cumulative grade point average as they relate to assessment for compliance with standards for Satisfactory Academic Progress, a student's transfer hours will not be counted as scheduled or completed hours. SAP evaluation periods are based on actual contracted hours at the school. However, programwork taken at another institution that is accepted and officially transferred will count towards the 150% maximum timeframe calculations on both hours scheduled and hours completed.
