Definitions

Number of Students Who Began the Program means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

Students Available for Graduation is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

Number of On-time Graduates is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

On-time Completion Rate is the number of on-time graduates divided by the number of students available for graduation.

150% Graduates is the number of students who completed the program within 150% of the program length (includes on-time graduates).

150% Completion Rate is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

Graduates Available for Employment means the number of graduates minus the number of graduates unavailable for employment.

Graduates unavailable for employment means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education at an accredited or bureau-approved postsecondary institution.

Graduates Employed in the Field means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

Placement Rate Employed in the Field is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Number of Graduates Taking Exam is the number of graduates who took the first available exam in the reported calendar year.

First Available Exam Date is the date for the first available exam after a student completed a program.

Passage Rate is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

Number Who Passed First Available Exam is the number of graduates who took and passed the first available licensing exam after completing the program.

Salary is as reported by graduate or graduate's employer.

No Salary Information Reported is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A notice of cancellation shall be in writing, and a withdrawal may be effectuated by the student's written

notice to the school administrative office, 998 Geneva Ave. San Francisco, CA 94112 or by the student's

conduct, including, but not necessarily limited to, a student's lack of attendance. The student has the right

to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The institution shall refund 100 percent of the amount paid for institutional charges, less a reasonable registration fee of one hundred twenty five dollars (\$125).

The institution shall issue a refund for unearned institutional charges if the student cancels an enrollment

agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund. The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

The student shall have the right to cancel the agreement and receive a full refund before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent.

The institution shall make the refund as per the calculation consistent with the California Code of Regulations.

If the institution delivered the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys

not paid from federal student financial aid program funds.
