### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program HAS NOT YET STARTED. As of two years after the second graduating class, two full years of data for this program will be available.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program HAS NOT YET STARTED. As of two years after the second graduating class, two full years of data for this program will be available.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program began on 1/10/2022. As of 12/1/2023, two full years of data for this program will be available.

### **Definitions**

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program HAS NOT YET STARTED. As of two years after the second graduating class, two full years of data for this program will be available.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program HAS NOT YET STARTED. As of two years after the second graduating class, two full years of data for this program will be available.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program began on 8/24/2020. As of 12/1/2023, two full years of data for this program will be available.

### **Definitions**

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program began on 8/26/2019. As of 12/1/2024, two full years of data for this program will be available.

### **Definitions**

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program began on 8/24/2020. As of 12/1/2024, two full years of data for this program will be available.

### **Definitions**

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program began on 8/23/2021. As of 12/1/2023, two full years of data for this program will be available.

### **Definitions**

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program began on 8/23/2021. As of 12/1/2025, two full years of data for this program will be available.

### **Definitions**

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program began on 8/23/2021. As of 12/1/2025, two full years of data for this program will be available.

### **Definitions**

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program HAS NOT YET STARTED. As of two years after the second graduating class, two full years of data for this program will be available.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program HAS NOT YET STARTED. As of two years after the second graduating class, two full years of data for this program will be available.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program began on 8/23/2021. As of 12/1/2025, two full years of data for this program will be available.

### **Definitions**

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program began on 5/6/2019. As of 12/1/2023, two full years of data for this program will be available.

### **Definitions**

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program HAS NOT YET STARTED. As of two years after the second graduating class, two full years of data for this program will be available.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program HAS NOT YET STARTED. As of two years after the second graduating class, two full years of data for this program will be available.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program HAS NOT YET STARTED. As of two years after the second graduating class, two full years of data for this program will be available.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program HAS NOT YET STARTED. As of two years after the second graduating class, two full years of data for this program will be available.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program began on 8/24/2020. As of 12/1/2023, two full years of data for this program will be available.

### **Definitions**

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program HAS NOT YET STARTED. As of two years after the second graduating class, two full years of data for this program will be available.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program HAS NOT YET STARTED. As of two years after the second graduating class, two full years of data for this program will be available.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program HAS NOT YET STARTED. As of two years after the second graduating class, two full years of data for this program will be available.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program HAS NOT YET STARTED. As of two years after the second graduating class, two full years of data for this program will be available.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
12. “First Available Exam Date” is the date for the first available exam after a student completes a program.
13. “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
15. “Salary” is as reported by graduate or graduate’s employer.
16. “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### Definitions

The following are definitions for the Performance Fact Sheet:

1. “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
5. “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
8. “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month

period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completes a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. "Enrollment" means the date the enrollment agreement is countersigned by the institution.

Cancellation may occur when the student provides a written notice of cancellation. This can be done by mail, email, or hand delivery. The written notice of cancellation, if sent by mail, is effective on the date of postmark. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

Notice of cancellation should be provided to the University Registrar, Alliant International University, 10455 Pomerado Road M-16, San Diego CA 92131, [registrar@alliant.edu](mailto:registrar@alliant.edu).
