Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have the right to withdraw from the course of instruction at any time. You have the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

REFUND PROCEDURES

The refund policy for students who have completed 60 percent or less of the period of attendance will be a pro rata refund.

The amount you owe shall be the total amount you paid for the hours of instruction per month multiplied by a fraction, the numerator of which is the number of hours of instruction which you have attended and the denominator of which is the total number of hours of instruction for which you have paid for . See the hypothetical refund example below.

If you elect to cancel the enrollment agreement, the cancellation notice could be emailed to, hand-delivered to or mailed to:

Mr. Woo-Ping Lai (School director), 1879 Lundy Ave., Suite 189,
San Jose, CA 95131.

Things to bring on your first day of training:

1. These completed forms (signed and initialed).
2. A check (or cash) of \$ 2,054 payable to "Silicon Drafting Institute".
3. A headphone (or ear bugs) with a wire and a plug (No Bluetooth) for the lecture audio.
4. Pencils, papers and a small box of "erasable" pencils (12 colors will be enough).
5. Bottle water to drink (or other beverages).
6. A sweater (or jacket). The classrooms are sometimes chilly.
