## **ARBITRATION AND CLASS ACTION WAIVER DISCLOSURE**

Arbitration and Class Action Waiver Disclosure: Paul Mitchell The School Temecula (the "School") requires each student to agree to a pre-dispute arbitration agreement and a class action waiver as a condition of enrollment ("Arbitration Agreement"). The Arbitration Agreement does not, in any way, limit, relinquish, or waive a student's ability to pursue filing a borrower defense claim, pursuant to 34 C.F.R. § 685.206(e) at any time. The Arbitration Agreement does not require that the student participate in arbitration or any internal dispute resolution process offered by the School prior to filing a borrower defense to repayment application with the U.S. Department of Education pursuant to 34 C.F.R. § 685.206(e). Any arbitration, required by the Arbitration Agreement, tolls (pauses) the limitations period for filing a borrower defense to repayment application pursuant to 34 C.F.R. § 685.206(e)(6)(ii) for the length of time that the arbitration proceeding is under way. Any questions about the Arbitration Agreement or a dispute relating to a student's Title IV Federal student loans or to the provision of educational services for which the loans were provided should be directed to Donna Waite, in person or by calling (951) 694-4323, or by mail at 27536 Ynez Road, Suite E1, Temecula, CA 92591, immediately so appropriate action can be taken.

The definition of a class action means a lawsuit or an arbitration proceeding in which one or more parties seeks class treatment. Class action waiver means any agreement or part of an agreement, regardless of its form or structure, between a school, or a party acting on behalf of a school, and a student that relates to the making of a Direct Loan or the provision of educational services for which the student received title IV funding and prevents an individual from filing or participating in a class action that pertains to those services.

The definition of a pre-dispute arbitration agreement means any agreement or part of an agreement, regardless of its form or structure, between a school, or a party acting on behalf of a school, and a student requiring arbitration of any future dispute between the parties relating to the making of a Direct Loan or provision of educational services for which the student received title IV funding.

Paul Mitchell The School Temecula's Financial Aid Leader will meet with each student during the signing of the enrollment agreement and will be available during the student's completion of Entrance Counseling for Title IV Student Loans to help answer any questions a student may have.

## APPLICANTS WITH NON-IMMIGRANT VISAS AND INTERNATIONAL STUDENTS

Applicants with non-immigrant visas should be aware of the following:

- Federal financial aid is not available to an applicant with a non-immigrant visa.
- An individual must be authorized to work in the United States to take the state licensure exam.

If an applicant needs assistance in understanding how their visa status impacts their ability to receive federal financial aid or take the state licensure exam after completing their program, they should contact an admissions advisor.

Members of the U.S. Armed Forces will not be assessed the \$100.00 re-entry fee.

## NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at Paul Mitchell The School Temecula is at the complete discretion of the institution to which you may seek to transfer. Acceptance of the certificate you earn in cosmetology, barbering, and/or esthetics is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Paul Mitchell The School Temecula to determine if your certificate will transfer.

Paul Mitchell The School Temecula is a clock hour school, which means that in order to receive credit for each hour earned you must be in attendance engaged in an educational activity. If you decide to transfer to another cosmetology school, the likelihood is that some or most of your hours will be transferrable based on the transfer school's published policy. However, if you transfer to a credit hour school, such as a community college, or traditional college or university, for a degree granting program, the likelihood is that most, if not all hours earned will not be transferrable because of the subject matter taught and the type of degree granting program you are enrolling in. Paul Mitchell The School Temecula does not give clock hour credit for service in the armed forces, paid or unpaid employment, or other demonstrated competency or learning because of the nature of the program offered and state regulatory requirements.

## **NOTICE OF TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED FROM ANOTHER INSTITUTION**

The transferability of credits or certificate you earn at another institution, is at the sole discretion of Paul Mitchell The School Temecula. You may be required to repeat some or all of your coursework, if Paul Mitchell The School Temecula does not accept some or all of your credits. This determination will be based on an evaluation of the student's comprehension of the course material. The school does not allow a student to appeal the number of hours accepted when transferring from another location. After the student completes the evaluation, the student will meet with the Education Leader to determine the number of hours accepted and where the student will be placed in the program. At this time, it will also be determined if previous completed coursework needs to be repeated. For this reason, you should speak to Paul Mitchell The School Temecula's admissions leader to determine if your credits or certificate will transfer. Transfer students are responsible to pay the hourly fee based on the number of hours needed to complete the program of study, which is noted under the Transfer Student section of this catalog. Transfer students are responsible to pay the \$100.00 application fee as part of the Admissions Procedure. The transfers student's technical kit will be evaluated, and if necessary, the student will be responsible to purchase the technical and digital kit, as well as the textbooks and any sales tax involved.

## **STATE LICENSING DISCLAIMER**

The state may refuse to grant a license if a student has been convicted of a crime; committed any act involving dishonesty, fraud, or deceit; or committed any act that, if committed by a licentiate of the business or profession in question, would be grounds for the Board of Barbering and Cosmetology to deny licensure. The Board of Barbering and Cosmetology denies licensure on the grounds that the applicant knowingly made a false statement of fact required to be revealed in the application for such license. Students who are not U.S. citizens or who do not have documented authority to work in the United States will not be eligible to apply to take the state licensure examination. Paul Mitchell The School Temecula is not responsible for students denied licensure.

## **DISTANCE EDUCATION**

Paul Mitchell The School Temecula offers distance education to its Future Professionals for only a portion of the educational program. Students who enroll in a program with distance education as a component of the program understand and acknowledge that the portion of distance learning offered is in compliance with the school's state regulatory body and accrediting agency. ## DISCLOSURE FOR PROGRAMS LEADING TO LICENSURE

The following programs offered at Paul Mitchell The School Temecula lead to licensure in the state of California: Cosmetology, Barbering, and Esthetics. We have compiled a list of all states that require licensure for the program you are interested in enrolling. We have identified whether the institution's program curriculum meets, does not meet, or a determination has not been made yet, for other state's individual state educational requirements for professional licensure. This information can be located on the school's paulmitchell.edu website, as well as you will receive a copy in the school's admissions packet, prior to touring the school.

Please note that the school you are planning on attending has only had their curriculum evaluated by the state that you are attending school in, which meets the state's requirements for licensure and practice. In determining whether your program of study is acceptable in another state, each state board reviews the number of clock hours you attended in your home state, the subject areas and practical experiences you completed, as a part of the process of determining what, if any, additional requirements you may have to meet in order to be licensed in their state. We encourage all graduates who are considering becoming licensed in another state to first take the licensure exam in their home state, which will make it easier to transfer into another state. If you are not licensed by your home state, the state you are considering getting licensed in may require you to take additional training to meet their state minimum hour requirements and/or take their state licensure exam. State boards do not evaluate the curriculum of schools located in other states, but do, in most cases, recognize training from other states in order to transfer their license.

If, at any time, the program you are enrolled in, ceases to meet the educational requirements for licensure in the state where the student is located, the school will provide written notice directly to the student in writing within 14 calendar days of making that determination.

## STUDENT TUITION RECOVERY FUND (STRF)

"The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

"It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd., Suite 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

- 1 The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
- 2 You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
- 3 You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.

- ④ The institution has been ordered to pay a refund by the Bureau but has failed to do so.
- ⑤ The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
- ⑥ You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
- ⑦ You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

## CONSTITUTION DAY

Constitution Day was established by Congress in an effort to increase knowledge about the United States Constitution. The amendment, proposed by Senator Robert C. Byrd, was passed in December 2004, and requires all educational institutions to commemorate Constitution Day by offering education and programs each year on September 17 (or in the preceding or following week if the date falls on a Saturday, Sunday, or holiday).

Constitution Day commemorates September 17, 1787, the signing of the United States Constitution. The Constitution established America's national government and fundamental laws and guaranteed certain basic rights for its citizens.

Constitution Day also serves as a reminder to participate in the political process by exercising our right to vote.

The school celebrates Constitution Day with an event and promotes awareness of the U.S. Constitution and voter registration information to all present.

This year's Constitution Day will be celebrated Monday, September 19, 2022.

To view an interactive version of the U.S. Constitution, go to the National Constitution Center at <https://constitutioncenter.org/>.

As future beauty industry professionals, it is essential that students learn and model the behavioral standards of the industry. Paul Mitchell the School Temecula expects students to maintain acceptable standards of behavior on campus and satisfactory educational progress in their coursework. To support students' personal and professional development, Paul Mitchell The School Temecula has identified five overarching principles for student conduct:

## DISTANCE EDUCATION AND HYBRID PROGRAM DISCLOSURES REQUIREMENTS

Paul Mitchell The School Temecula provides each Future Professional the opportunity to enroll in a hybrid program of study that provides for both on-campus education, as well as distance learning. Future Professionals also have the opportunity to select a program of study that encompasses only on-campus education. Both delivery methods offer the same educational quality, it is up to the individual learner to determine which delivery method best works for their particular educational needs.

Upon completion of all curriculum requirements, Future Professionals who are enrolled in a hybrid program must demonstrate competency by taking and passing written comprehensive Academic exams and Practical assessments, which are administered on-site. All school transcripts will specifically outline those course hours completed via distance education. Please note, that in accordance with the school's accrediting agency, practical experiences on a live model or service guest can only occur on-campus.

As a part of distance education, the school will ensure the content is delivered in a manner that meets the school's mission statement and educational objectives by assessing each Future Professional's competence. Participation will be documented in a log of all student activity. The Future Professional's qualitative academic performance for the distance education (modules) will be evaluated through testing and educational assignments. Future Professional surveys (Core, Adaptive, Creative and upon graduation), Learning Leader evaluations during distance learning, and a comparison of outcome rates for those who were enrolled in the hybrid program versus on-campus learning only, will be compared to validate the quality of the distance learning.

Paul Mitchell The School Temecula has the reasonable expectation that all students will dutifully and earnestly apply themselves to learning the health regulations of California and on a daily basis will practice and demonstrate their knowledge of these rules and accept their professional vanguards and enforcers of public health regulations.

Employees are expected to demonstrate and apply these standards and regulations at all times.

Students and employees are required to adhere to the safety precautions caused by COVID-19. Students and employees must abide by the safety and sanitation procedures as outlined by the Centers for Disease Control and Prevention (CDC).

### Clean your hands often

- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.

- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Cover your mouth and nose with a cloth face cover when around others
- You could spread COVID-19 to others even if you do not feel sick.
- Everyone should wear a cloth face cover when they have to go out in public.
- The cloth face cover is meant to protect other people in case you are infected.
- Do NOT use a facemask meant for a healthcare worker.
- Continue to keep about 6 feet between yourself and others. The cloth face cover is not a substitute for social distancing.

### Clean and disinfect

- Clean AND disinfect surfaces daily. This includes clinic station, hydraulic chair, tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
- If surfaces are dirty, clean them. Use detergent or soap and water prior to disinfection.
- Then, use a household disinfectant. Most common EPA-registered household disinfectant external icon will work.

If the student has a fever, they will not be allowed to enter the school until the symptoms have passed.

These symptoms may appear 2-14 days after exposure to the virus:

- Fever
- Cough
- Shortness of breath or difficulty breathing
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat

## WITHDRAWING FROM SCHOOL

**Official Withdrawal Process:** If a student wishes to officially withdraw from School, the student must notify the Financial Services Advisor of the school in writing at the following email address: [donnas@temecula.paulmitchell.edu](mailto:donnas@temecula.paulmitchell.edu). A student on an approved leave of absence must also notify the school as soon as possible if they will not be returning from the leave of absence. The notification may be made in writing or orally. The date the school is notified is the date of determination which is based on the postmark date on the written notification (including the date of an email) or the date the notification was delivered in person. Note, a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

Official cancellation occurs when an applicant is not accepted by the school, or when a student or legal guardian cancels the Enrollment Agreement under the deadlines and requirements in the "Student's Right to Cancel" section. The school also may initiate an official withdrawal for reasons which include but are not limited to the expulsion of the student or the termination of the student for failure to meet the applicable requirements of the school's satisfactory academic progress policy or the failure to pay tuition and other charges by the applicable deadlines.

**Unofficial Withdrawal Process:** For unofficial withdrawals, a student's withdrawal date at the school is the student's last day of physical attendance in a class in the student's program at the school.

An unofficial withdrawal may occur for a variety of reasons including but not limited to failure to meet program attendance requirements, failure to attend a class in the student's program at the school for 14 consecutive calendar days, failure to meet the applicable requirements in the school's satisfactory academic progress policies, or failure to pay tuition and other charges by the applicable deadlines.

Unofficial withdrawals are determined by monitoring clock hour attendance every 10 days and a determination is made to withdraw a student who has been absent from School for 14 or more consecutive calendar days; the Withdrawal Date that will be used in this calculation is the student's last date of physical attendance.

In both cases the Withdrawal Date (which is sometimes referred to as the last day of attendance) will be used in the Institutional Refund calculation and, if applicable, in the Federal Return of Title IV calculation.

## FEDERAL RETURN OF TITLE IV FUNDS POLICY

The school participates in the Title IV federal financial aid programs (Title IV). The Return of Title IV (R2T4) policy and formula are used by the school to determine the amount of Title IV funds that must be returned if the student withdraws from the school. The R2T4 formula is applicable when the student withdraws at any point during a payment period.

The requirements for returning Title IV funds under the R2T4 formula is different from a school's institutional refund policy. The R2T4 formula determines the amount of unearned Title IV funds that must be returned when a student withdraws. In contrast, the refund policy determines how much tuition a student owes after a student withdraws.

So, it is possible that the R2T4 policy might result in a return of Title IV funds that previously paid for tuition and other charges at the school. In turn, the institutional refund policy might result in a student owing funds to the school to cover unpaid institutional charges even though the student withdrew from the school without completing the program. The R2T4 policy is discussed below. The institutional refund policy is discussed in the previous section of the Enrollment Agreement.

**R2T4 Calculation:** The R2T4 formula applies if the student received or could have received federal Title IV financial assistance during the payment period in which the student withdrew based on applicable eligibility criteria (e.g., Pell Grants, Direct Subsidized Loans, Direct Unsubsidized Loans, or Direct PLUS Loans).

The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the student's withdrawal date. For clock-hour programs, a student earns the percentage of scheduled clock hours up to the date of withdrawal divided by the number of scheduled clock hours in the payment period.

For example, if a student completes 30 percent of the scheduled clock hours, the student will earn 30 percent of the assistance the student originally received or was eligible to receive. Once a student completes 60 percent or more of the scheduled clock hours in the payment period, the student is considered to have earned 100% of the assistance for the payment period.

The amount to be returned as unearned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

If a student does not start or begin attendance at the school or start or begin attendance in a payment period at the School, the R2T4 formula does not apply but the school must return any Title IV funds disbursed on the student's account ledger for the applicable payment period.

**Title IV Funds Returned by the School:** If a student receives (or the school or parent receive on the student's behalf) excess Title IV funds that must be returned, the school must return all or a portion of the excess funds equal to the lesser of:

- ① The institutional charges multiplied by the unearned percentage of the student's Title IV funds:  
or
- ② The entire amount of excess Title IV funds.

The school must return its share in the following order:

- ① Unsubsidized Direct Loan
- ② Subsidized Direct Loan
- ③ Direct PLUS Loan (Parent)
- ④ Federal Pell Grant
- ⑤ Federal SEOG

Returns must be made no later than 45 days after the date of determination of the student's withdrawal.

**Title IV Funds Returned by the Student:** If the School is not required to return all of the excess Title IV funds, the student may be required to return the remaining amount. This is determined by subtracting the amount returned by the school from the total amount of unearned Title IV funds to be returned.

For any Direct loan funds, a student must return, the student (or the parent in the case of PLUS Loans) will repay the Direct Loan funds in accordance with the terms and conditions of the Master Promissory Note (MPN). That is, a student will not be required to repay any Direct Loan funds immediately, but instead, the student will make scheduled payments to the Department of Education over a period of time.

Any amount of unearned Pell Grant funds that a student must return is called an overpayment. The maximum amount of Pell Grant overpayment that a student must repay is any amount of the overpayment that is greater than one-half of the Pell Grant funds the student received or was scheduled to receive. A student does not have to repay a Pell Grant overpayment if the original amount of the overpayment is \$50 or less. The student must make arrangements with the School or the Department of Education to return the unearned Pell Grant funds or lose eligibility for the Title IV funds.

Within 30 days of the date of the school's determination that the student withdrew, the school will send a notice to the student advising the student that he/she owes a Title IV overpayment as a result of the student's withdrawal. If the student is not able to pay the overpayment within 45 days of the date of the notice, the student may enter into a repayment arrangement with the Department of Education. If the student does not pay the overpayment or make a repayment arrangement, the student will be ineligible for any further Title IV funds.

**Credit Balances:** If a credit balance still exists on the student's account after the Return of Title IV calculation is completed, the credit balance will be used to pay any grant overpayment that exists based on the current withdrawal or any remaining institutional charges. Any remaining credit balance will be paid to the student within 14 days from the date that the Return of Title IV calculation was performed.

**Post Withdrawal Disbursements:** If a student did not receive all of the Title IV funds earned, a student may be due a post-withdrawal disbursement. If the post withdrawal disbursement includes Direct Loan funds, the school must obtain the student's or parent's (in the case of PLUS Loans) permission before it can disburse the Direct Loan funds. A student or parent may choose to decline some or all of the Direct Loan funds, so the student or parent do not incur additional debt. The school may automatically use all or a portion of a post-withdrawal disbursement of grant funds for institutional charges. The school needs to obtain permission from the student to apply Title IV funds for other educationally related expenses. Post-withdrawal disbursements will be made from Pell Grant funds first if the student is eligible. If there are current educational costs still due the school at the time of withdrawal, a Pell Grant post-withdrawal disbursement will be created to the student's account. Any remaining Pell funds will be released to the student without the student having to take any action. Any Direct Loan funds due in a post-withdrawal disbursement must be offered to the student or parent and the school must receive the student's authorization before crediting their account. Regulations for postwithdrawal disbursements state that grants must be disbursed within 45 days and loans must be offered to the student within 30 days, allowing the student at least 14 days to respond to accept or decline the funds.

For students who are required to return Title IV aid in addition to the portion of aid the school is required to return, there is a 50% protection allowance on unearned Title IV student grants only. Loans would need to be repaid in full.

## INSTITUTIONAL REFUND/DROP POLICY “STUDENT’S RIGHT TO CANCEL”

This is a state mandated policy following the Bureau for Private Postsecondary Education Code of Regulation 71750. This policy applies to all students and programs.

- ① You have the right to cancel your enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh (7) calendar day after enrollment, whichever is later. YOU MUST CANCEL IN WRITING. Students do not have the right to cancel by telephoning the school or by not coming to class.
- ② Any monies due the student shall be refunded within 30 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:
  - a. A student is not accepted by the school. This student shall be entitled to a refund of all monies paid to the school except a non-refundable application fee.
  - b. A student (or in the case of a student under legal age, his/her parent or guardian) cancels his/her enrollment agreement and demands his/her money back in writing, until the first day of class session or the seventh (7) calendar day of signing the enrollment agreement, whichever is later. In this case all monies collected by the school shall be refunded except a non-refundable application fee. This policy applies regardless of whether or not the student has actually started training.
  - c. A student who cancels his/her enrollment agreement after the seventh (7) calendar day of signing the enrollment agreement but prior to entering classes is entitled to a refund of all monies paid to the school less a non-refundable application fee of \$25.00.
  - d. A student notifies the institution of his/her official withdrawal in writing.
  - e. A student is expelled by the institution.
  - f. For official cancellations as defined in paragraphs b, c, d, or e, the cancellation date will be determined by the postmark on written notification at the following address: *Paul Mitchell The School Temecula, 27536 Ynez Road, Suite E1, Temecula, CA 92591*, or by the date said information is delivered to the school administrator/owner in person. Written cancellations need not take any particular form.
  - g. Monies paid for student kits are nonrefundable once the student has taken possession of the kit.
  - h. A student on a leave of absence date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the school that the student will not be returning.
- ③ Any monies due a student who unofficially withdraws from the institution shall be refunded within 30 days of a determination by the institution that the student has withdrawn without notifying the institution. Unofficial withdrawals are monitored every 30 days and a determination is made to withdraw a student who has been absent from school for 14 or more consecutive calendar days; the withdrawal date that will be used in this calculation is the student’s actual last date of attendance.
- ④ When situations of mitigating circumstances are in evidence, such as serious illness, a disabling accident, or death in the immediate family, the school may make a settlement that is reasonable and fair to both parties.
- ⑤ All extra costs, such as books, equipment, graduation fees, application fee, rentals, and other such charges, are not considered in the tuition adjustment computation if the charges are itemized separately in the enrollment agreement.
- ⑥ If a course and/or program is cancelled subsequent to a student’s enrollment, and before instruction in the course and/or program has begun, the school shall either provide a full refund of all monies paid or provide completion of the course.
- ⑦ If a course and/or program is cancelled and ceases to offer instruction after the student has enrolled and instruction has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.
- ⑧ A student’s account may be sent to collections for nonpayment.

- ⑨ If an institution closes or discontinues a program prior to the completion of the contracted services, the institution shall provide a pro-rata refund only if the Bureau determines the school made provisions for students enrolled at the time of default to complete a comparable educational program at another institution at no additional charge to the student beyond the amount of the total charges in the original enrollment agreement. If the institution does not make that provision, the institution shall provide students a full refund of all institutional charges.
- ⑩ A student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Students are responsible for the amount owed. If a student obtains a student loan, he/she is responsible for repaying the loan amount, plus interest, less the amount of any refund. The institution shall also provide a pro rata refund of non-federal student financial aid program monies paid for institutional charges to students who have completed 60 percent or less of the period of attendance.

If you are eligible for a loan guaranteed by the federal or state government and you default on the loan, both of the following may occur:

- ① The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- ② You may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

You have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, which is until the first day of class session, or the seventh (7) calendar day after enrollment, whichever is later, the school will remit a refund less an application fee, if applicable, within 45 days following your withdrawal. You are obligated to pay only for educational services rendered. IF THE AMOUNT YOU HAVE PAID IS MORE THAN THE AMOUNT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT YOU OWE IS MORE THAN THE AMOUNT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.

REMEMBER, YOU MUST CANCEL IN WRITING. You do not have the right to cancel by telephoning the school or failing to attend classes. If you have any complaints, questions, or problems that you cannot resolve with the school, write or call the Bureau for Private Postsecondary Education 1747 N. ## **SPECIAL PROVISIONS FOR BOOKS AND SUPPLIES**

In order to academically succeed in a program, a Federal Pell Grant student must have the ability to purchase books and supplies at the beginning of the academic period. By the seventh day of a payment period, the school will provide a way for a student who is eligible for a Federal Pell Grant to obtain or purchase the books and supplies required for the payment period if:

- ① Ten days before the beginning of the payment period, the school could have disbursed FSA funds to the student; and
- ② Disbursement of those funds would have created an FSA credit balance.

The school will consider all the FSA funds a student is eligible to receive at the time it makes the determination, but the school need not consider aid from non-FSA sources.

The amount the school must provide is the lesser of the presumed credit balance or the amount determined by the school that the student needs to obtain the books and supplies. In determining the required amount, the school may use the actual costs of books and supplies or the allowance for those materials used in estimating the student's cost of attendance for the period. A student may decline to participate in this process to obtain or purchase books and supplies, if they so choose.

## **PREFERRED LENDER LIST AND PRIVATE EDUCATION LOAN DISCLOSURES**

Our school does not have a list of preferred lenders and we do not offer private education loans. Students are encouraged to explore federal student aid options before considering private education loans.

## **ELIGIBILITY OF FINANCIAL AID AFTER A DRUG CONVICTION**

A student no longer faces penalties or suspension of Title IV aid due to a drug conviction that occurred while the student was enrolled and receiving Title IV aid; and while information of such conviction must still be provided, the loss of federal student aid for drug convictions no longer applies.

## **CREDIT BALANCE POLICY**

If Title IV disbursements result in a credit balance on the student's account, the Financial Aid office will notify the student. The student has the option to have the school hold the credit balance and can complete an authorization for the school to hold the funds by obtaining an authorization form from the Financial Aid Department. If the student does not want the school to hold their funds, all credit balance disbursements and refunds due to funding source will be processed within 14 days of the credit balance appearing on the student account. Regardless of the chosen option the school will clear all credit balances on a student account by the end of the award year.

## **MAKEUP WORK**

Students must complete all required assignments and tests. To accommodate students, makeup test days and worksheet periods are scheduled. Students must complete makeup work at the scheduled time. Monthly makeup test dates are posted on the theory and school calendars.

## **INSTITUTIONAL ATTENDANCE POLICY**

During the contracted enrollment period, the student must maintain a 90% attendance average each month. Falling under the Institutional Attendance Policy may lead to documentation on the Future Professional Advisory, suspension and/or termination. Maintaining a 90% attendance average or above will also avoid the student being assessed any over-contract charges.

## **SATISFACTORY ACADEMIC PROGRESS POLICY**

Students enrolled in programs approved by NACCAS must meet formal standards that measure their satisfactory academic progress toward graduation. The Satisfactory Academic Progress policy is provided to all students prior to enrollment. The policy is consistently applied to all enrolled students. *Satisfactory Academic Progress Evaluations are maintained in the student file.*

## QUANTITATIVE AND QUALITATIVE FACTORS

Factors for measuring the student's progress toward satisfactory completion of the program include maintaining:

- ① A minimum cumulative theory grade level of 75% or higher.
- ② A minimum cumulative academic level of 75% or higher on practical worksheet completion.\*
- ③ To determine whether a student meets the academic requirements for Satisfactory Academic Progress, theory and practical grades are averaged together to give a cumulative academic grade of 75% or higher.
- ④ A minimum cumulative attendance of 90% of their scheduled hours\*\*

\*To meet the state practical requirements for graduation, students must eventually complete 100% of monthly practical worksheets. See *LEARNING PARTICIPATION GUIDELINES*.

\*\*To determine your rate of attendance, divide the cumulative number of hours completed by the scheduled hours to date.

A student who has not achieved the minimum cumulative GPA of 75% and/or who has not successfully completed at least a cumulative rate of attendance of 90% is not eligible for Title IV assistance, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in status of Financial Aid Probation.

The state of California requires 1500 clock hours for the barbering course. Students are expected to complete the course in no more than 111% of the program length. If a student is never absent, he/she should complete the course within 50 weeks for a full-time student.

The state of California requires 1000 clock hours for the barbering course. Students are expected to complete the course in no more than 111% of the program length. If a student is never absent, he/she should complete the course within 33 weeks for a full-time student.

The state of California requires 600 clock hours for the esthetics course. Students are expected to complete the course in no more than 111% of the program length. If a student is never absent, he/she should complete the course within 20 weeks for a full-time student and 20 weeks for a part-time night student.

### MAXIMUM TIME FRAME

Students must complete the educational program within the maximum time frame, which is based on attending at least 90% of the scheduled hours.

COURSE	LENGTH	MAXIMUM TIME FRAME
5- Day Cosmetology 1000 hr. - Full Time	29 Weeks	32 Weeks
3-Day Cosmetology 1000 hr. - Full Time	33 Weeks	38 Weeks
Cosmetology 1000 hr. Nights - Full Time	40 Weeks	45 Weeks
3-Day Barbering 1500 hr. - Full Time	50 Weeks	56 Weeks
3-Day Barbering 1000 hr. - Full Time	33 Weeks	38 Weeks
Esthetics Day - Full Time	20 Weeks	23 Weeks
Esthetics Night - Part Time	20 Weeks	27 Weeks

The maximum time frame allowed for transfer students who need less than full course requirements or part-time students will be determined based on 80% of the scheduled contracted hours. If any student enrolled fails to complete the program within the maximum time frame they will lose their eligibility for Title IV programs and will be terminated from the program. Students who exceed the maximum time frame will be permitted to re-enroll in the program on a cash-pay basis. Whether a student pays out of pocket or receives Title IV Financial aid all hours attempted and completed are considered part of the Satisfactory Academic Progress calculation.

### INTERRUPTIONS, COURSE INCOMPLETES, AND WITHDRAWALS

If the student does not qualify to take a leave of absence and they need to take off more time than allotted in the contract or more than 14 consecutive calendar days, he/she must drop and re-apply when ready to return. Students who withdraw prior to completing the course of study and who wish to reenter will reenter at the same progress status as applicable at the time of withdrawal.

## LEAVE OF ABSENCE

A Leave of Absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during an ongoing program when a student is not in academic attendance.

### **LOA will be granted for:**

- ① In accordance with Title IX for pregnancy or child birth.
- ② If a student is called into active duty for the military.
- ③ On a case-by-case basis, the school will also consider a LOA for a student who has experienced a personal medical emergency.
- ④ During the Coronavirus COVID-19 pandemic, management may grant a leave of absence for extenuating circumstances related to COVID-19.

These are the only times leave of absences are granted.

### **In order to be placed on LOA, the student must:**

- ① Complete and sign the school's Leave of Absence Request Form
- ② Must state the reason for the (LOA)
- ③ Be approved by the School's Future Professional Advisor and Financial Aid Leader.
- ④ Leaves must be a minimum of 14 days and must not exceed a total of 180 days in a 12-month period. Leaves of absence related to COVID-19 may be less than 14 days.

A student on a LOA date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the school that the student will not be returning. A leave of absence will extend the student's contract period and maximum time frame by the same number of calendar days taken in the leave of absence.

There will be no additional charges for a LOA. If the student fails to return or contact the School Financial Aid Leader on the documented return date, the student will be considered to have withdrawn from school as of that date the student began the LOA. The withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

For federal aid recipients, the student's payment period is suspended during the LOA and no federal financial aid will be disbursed to student while on a LOA. Upon the student's return, the student will resume the same payment period and coursework and will not be eligible for additional federal student aid until the payment period has been completed. If the student is a federal student loan recipient, they will be informed of the effects that the failure to return from a leave may have on the student's loan repayment terms, including the exhaustion of the student's grace period. An enrollment agreement addendum will be completed upon return from the LOA to extend the contract end date by the applicable number of days.

In special circumstances, the school may grant a LOA to a student in the case of an emergency, where the student is unable to complete the request, such as a car accident or other medical issue (i.e., coma) that would prevent the student from requesting the LOA prior to the incident occurring. In these cases, the school will collect the request from the students as soon as possible and document the reason for the granting of the leave after the incident has occurred. The beginning date of the LOA will be based on the first date it has been determined that the student cannot come to class due to the accident or medical situation.

In order to grant a Leave of Absence there must be the expectation that the student will be returning to school.

A student who is granted a LOA that meets these criteria is not considered to have withdrawn and no R2T4 refund calculation is required at that time.

If a student does not return from a LOA, the grace period for the Direct Loans may have elapsed in part or in whole. If the student uses 180 days of a LOA, the student will have used 100% of his/her grace period and be in immediate repayment of his/her Direct Loan.

Changes to the contract period on the enrollment agreement due to an approved LOA must be initialed by all parties or an addendum must be signed and dated by all parties to reflect the new contract end date.

## NONCREDIT, REMEDIAL COURSE, AND REPETITIONS

Course incompletes, repetitions, and noncredit remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

## MAJORS, DEGREES, SECOND DEGREE, OR SUMMER TERMS

Majors, degrees, second degrees, or summer terms does not apply to Paul Mitchell The School Temecula.

## EVALUATION PROCEDURES AND REQUIRED LEVEL OF ACHIEVEMENT

Formal Satisfactory Progress Evaluations in both attendance and academics will occur when students reach:

Program Name	1st SAP Evaluation	2nd SAP Evaluation	3rd SAP evaluation
Cosmetology 1000 hr. (35 hour schedule)	450 actual hours and 13 weeks	900 actual hours and 26 weeks	N/A
Cosmetology 1000 hr. (30 hour schedule)	450 actual hours and 15 weeks	900 actual hours and 30 weeks	N/A
Cosmetology 1000 hr. (25 hour schedule)	450 actual hours and 18 weeks	900 actual hours and 36 weeks	N/A
Barbering 1500 hr. (30 hour schedule)	450 actual hours and 15 weeks	900 actual hours and 30 weeks	1200 actual hours and 42 weeks
Barbering 1000 hr. (30 hour schedule)	450 actual hours and 15 weeks	900 actual hours and 30 weeks	1200 actual hours and 42 weeks
Esthetics (30 hour schedule)	300 actual hours and 10 weeks	N/A	N/A
Esthetics (25 hour schedule)	300 actual hours and 12 weeks	N/A	N/A

The first evaluation will occur no later than the midpoint of the academic year. The SAP evaluations are completed within 7 school business days of the student reaching the evaluation points.

The following grading system is used to evaluate a student's academic ability:

- 1 Examinations are given in all subjects.
- 2 Satisfactory Academic Progress Evaluations are reviewed and signed by the student and maintained in the student's financial file. The Satisfactory Academic Progress Evaluation will reflect if the student's evaluation will impact the students eligibility for Financial Aid. The student may request to review their financial aid file from the Financial Aid Leader or Director.

The following grading scale is used for theory progress:

**A = 90 – 100%**    **B = 80 – 89%**    **C = 70 – 79%**    **Failing = Below 70%**

Practical and clinical work is graded by a signature on the student's practical clinic worksheet or guest ticket. A signature from an instructor represents a passing grade which means all elements of the practical grading criteria were met. No signature indicates a failing score which means one or more of the practical grading criteria elements were not met and the student has not met minimum satisfactory standards on the practical application. Students are required to continue and/or repeat the practical application until they receive a signature from an instructor.

*\*The school uses a 900-hour academic year for Title IV purposes.*

## **TRANSFER HOURS**

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on scheduled contracted hours at the institution. For transfer students attending less than a full academic year, an evaluation will be done at the midpoint of the actual hours.

## **DETERMINATION OF PROGRESS STATUS**

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory progress until the next scheduled evaluation.

## **WARNING**

Students failing to meet minimum requirements for attendance and/or academic progress will be placed on Financial Aid Warning and considered to be making satisfactory academic progress during the warning period which is until the next evaluation period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. During the Financial Aid Warning period, students are eligible, if applicable, to receive financial aid funds. If at the end of the warning period, the student has still not met both academic and/or attendance requirements, he/she may be placed on probation and, if applicable, the student may be deemed ineligible to receive Title IV funds.

## **PROBATION**

Students who fail to meet the minimum requirements for attendance and academic progress after the Warning period, the student will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal.

Additionally, only students who have the ability to meet satisfactory academic progress policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period or the institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe established for the individual student. Students who are progressing according to their specific academic plan will be considered making satisfactory academic progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or set forth by the academic plan, the student will be determined as NOT making satisfactory academic progress, and if applicable, the student will not be deemed eligible to receive Title IV funds.

## **RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS for those who qualify**

Students may re-establish satisfactory academic progress and Title IV funding, as applicable, by meeting the minimum attendance and academic requirements by the end of the warning or probationary period.

## APPEAL PROCEDURE

A student may appeal the Financial Aid ineligible decision if he/she has a reason for not making satisfactory progress and if he/she can document that the circumstances that caused the unsatisfactory academic progress determination have in some way changed and that satisfactory academic progress standard can be met by the end of the next evaluation period. A student has ten (10) school days from the date of notification that they are not meeting the second consecutive satisfactory progress determination to appeal the unsatisfactory academic progress determination. The student must submit a written appeal to the school's financial aid office on the designated schools Appeal Form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve satisfactory academic progress by the next evaluation point.

The reasons for which a student may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstances.

The Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student's file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

If the appeal is granted the student will be placed on Financial Aid Probation for one evaluation period. If the student has not met academic and/or attendance requirements for two (2) consecutive evaluation periods, for example 450 to 900 actual hours evaluations; and does not prevail on appeal, the student will be determined as not making satisfactory progress and may be terminated.

This policy applies to all students regardless of whether or not they are eligible for Title IV funding programs. In order to comply with USDE requirements the terminology financial aid warning or financial aid probation will be used for both Title IV and non-Title IV students.

## STUDENT RIGHT OF ACCESS AND RECORD RETENTION POLICY

The Family Educational Rights and Privacy Act (FERPA) sets a limit on the disclosure of personally identifiable information from school records and defines the rights of students to review and request changes to the records. FERPA generally gives postsecondary students the rights to:

- 1 Review their education records,
- 2 Seek to amend inaccurate information in their records, and
- 3 Provide consent for the disclosure of their records.

Students (or parents or guardians, if the student is a dependent minor) are guaranteed access to their school records, with a staff member present, within 30 days from the date of the request. Copies of all records can be requested at \$0.20 per page.

### General Release of Information

Except under the special conditions described in this policy, a student must provide written consent before a school may disclose personally identifiable information from the student's education records. The written consent must:

- 1 State the purpose of the disclosure,
- 2 Specify the records that may be disclosed,
- 3 Identify the party or class of parties to whom the disclosure may be made, and
- 4 Be signed and dated.

### FERPA Disclosures to Parents

While the rights under FERPA have transferred from a student's parents to the student when the student attends a postsecondary institution, FERPA does permit a school to disclose a student's education records to his or her parents if the student is a dependent student under IRS rules.

Note that the IRS definition of a dependent is quite different from that of a dependent student for Financial Student Aid (FSA) purposes. For IRS purposes, students are dependent if they are listed as dependents on their parent's income tax returns. (If the student is a dependent as defined by the IRS, disclosure may be made to either parent, regardless of which parent claims the student as a dependent.)

A school may disclose information from a student's education records to parents in the case of a health or safety emergency that involves the student.

A school may let parents of students under age 21 know when the student has violated any law or policy concerning the use or possession of alcohol or a controlled substance.

A school official may share with parents information that is based on that official's personal knowledge or observation and that is not based on information contained in an education record.

### Release of Information to Regulatory Agencies

Disclosures may be made to authorized representatives of the U.S. Department of Education for audit, evaluation, and enforcement purposes. "Authorized representatives" include employees of the Department, such as employees of the Office of Federal Student Aid, the Office of Postsecondary Education, the Office for Civil Rights, and the National Center for Education Statistics, as well as firms under contract to the Department to perform certain administrative functions or studies.

In addition, disclosure may be made if it is in connection with financial aid that the student has received or applied for. Such a disclosure may only be made if the student information is needed to determine the amount of the aid, the conditions for the aid, or the student's eligibility for the aid, or to enforce the terms or conditions of the aid.

Paul Mitchell The School Temecula provides and permits access to student and other school records as required for any accreditation process initiated by the school or by the National Accrediting Commission of Career Arts and Sciences (NACCAS), or in response to a directive of said Commission.

### **Disclosures in Response to Subpoenas or Court Orders**

FERPA permits schools to disclose education records, without the student's consent, to comply with a lawfully issued subpoena or court order.

In most cases, the school must make a reasonable effort to notify the student who is the subject of the subpoena or court order before complying, so the student may seek protective action. However, the school does not have to notify the student if the court or issuing agency has prohibited such disclosure.

A school may also disclose information from education records, without the consent or knowledge of the student, to representatives of the U.S. Department of Justice in response to an *ex parte* order issued in connection with the investigation of crimes of terrorism.

### **Disclosures for Other Reasons**

There are two different FERPA provisions concerning the release of records relating to a crime of violence. One concerns the release to the victim of any outcome involving an alleged crime of violence (34 CFR 34 CFR 99.31 [a][13]). A separate provision permits a school to disclose to anyone the final results of any disciplinary hearing against an alleged perpetrator of a crime of violence where that student was found in violation of the school's rules or policies with respect to such crime or offense (34 CFR 99.31 [a][14]).

### **Directory Information**

Paul Mitchell The School Temecula does not publish "directory information" on any student.

### **Record Maintenance**

All requests for releases of information are maintained in the student's file as long as the educational records themselves are kept. Student records are maintained for a minimum of six (6) years for withdrawal students; transcripts of graduates are kept indefinitely. *The student may contact the schools Financial Aid Leader or the Director for copies of their educational or financial records.*

### **Amendment to Student Records**

Students have the right to seek an amendment to their school records. To seek an amendment, students must meet with the school director and bring any supporting documentation to show that the record is incorrect.

A parent or eligible student may file a written complaint with the Family Policy Compliance Office regarding an alleged violation under the Family Educational Rights and Privacy Act. The Office's address is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW., Washington, DC 20202.

## PERFORMANCE STATISTICS/JOB OUTLOOK

Paul Mitchell The School Temecula is accredited by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and recognized by the U.S. Department of Education. Each agency requires schools to provide important information regarding outcome rates in the areas of completion, placement, and licensure; however, each agency requires that we provide outcome rates differently. NACCAS requires schools to list the outcome rates for the main campus and all additional campuses as a whole. In this case, there are no additional campuses. NACCAS requires schools to list the outcome rates also by program. If you have any questions regarding our outcome rates, please see our Admissions Team for assistance.

Paul Mitchell The School combined performance statistics for the calendar year 2020:

Graduation	Placement	Licensure
74.84%	71.05%	87.27%

Cosmetology Program:

Graduation	Placement	Licensure
73.86%	70.16%	86.58%

Barbering Program:

Graduation	Placement	Licensure
80.43%	75.68%	88.24%

Esthetics Program:

Graduation	Placement	Licensure
N/A	N/A	N/A

*The institution's accrediting agency has allowed flexibilities to the institution in the publication of its student outcome rates if the COVID-19 Pandemic has significantly impacted the ability of students to successfully graduate, sit for licensure and/or obtain employment. Any rates reported below that have been modified in accordance with these flexibilities have been adjusted in one of the following manners as indicated.*

*Some students who previously enrolled at this institution and were unable to successfully graduate, sit for licensure and/or obtain employment attested that they were unable or unwilling to do so specifically due to the COVID-19 Pandemic. Students who made such attestations have been excluded from the calculation of this rate.*

NACCAS' 2020 Annual Report is derived from a single cohort of students – those scheduled to graduate in 2020. NACCAS' graduation, placement and licensure definitions are described below:

**Graduation:** Based on all students scheduled to graduate from the program in 2020. The scheduled graduation date is a student's most recent contract end date (i.e., the contract end date after all leaves of absence, schedule changes and re-enrollments have been accounted for). A student may count as a graduate if they have completed all applicable graduation requirements at the institution.

**Licensure:** Based on graduates from the graduation cohort who sat for all parts of their required licensure exam prior to November 30, 2021. A student in the licensure cohort may count as a "pass" if they pass all required portions of the examination prior to November 30, 2021.

**Placement:** Based on graduates from the graduation cohort who are eligible for placement. A student may count as placed if they are employed in a field for which their training prepared them prior to November 30, 2021. Students may be excluded from the calculation if they fall into one of the categories listed. In 2020, the school excluded the following number of students\* based on each of the following categories:

- ❶ The graduate is deceased 0
- ❷ The graduate is permanently disabled 0
- ❸ The graduate is deployed for military service/duty 0
- ❹ The graduate studied under a student visa and is ineligible for employment in the U.S. 0
- ❺ The graduate continued his/her education at an institution under the same ownership (e.g., a graduate of your cosmetology program subsequently enrolled in the instructor program of an institution under the same ownership) 0

**Total Excluded 0**

\*If fewer than ten students were excluded for any one category, the disclosure will only include the total of all excluded students if that total is at least ten. If the calculation excluded fewer than a total of ten students the institution will state that it excluded students on the basis of each condition, and note that the number of total exclusions were fewer than 10 and therefore cannot be disclosed.

**BUREAU FOR PRIVATE POSTSECONDARY EDUCATION RATES**

Paul Mitchell The School Temecula’s Cosmetology Bureau for Private Postsecondary Education (BPPE) 2020:

Completion (100%)	Placement	Licensure
22.30%	48.20%	76.05%

Completion (150%)
72.49%

Paul Mitchell The School Temecula’s Barbering Bureau for Private Postsecondary Education (BPPE) 2020:

Completion	Placement	Licensure
26.09%	48.64%	80%

Completion (150%)
80.43%

Completion rates are based on the number of students who began the program who are scheduled to complete the program within 100% of the published program length within the reporting calendar year, and excludes all the students who cancelled during the cancellation period.

**STUDENTS RIGHT-TO-KNOW - COMBINED DEPARTMENT OF EDUCATION RATES (IPEDS)**

2017 Graduation
71%

Paul Mitchell The School Temecula must prepare the completion and graduation rate of its certificate- or degree-seeking, first-time, full-time undergraduate students each year. The rates will track the outcomes for students for whom 150% of the normal time for completion or graduation has elapsed. Normal time is the amount of time necessary for a student to complete all requirements for a degree or certificate according to the institution’s catalog. These rates are generated from the school student record management system.

## STUDENT PROFESSIONAL DEVELOPMENT GUIDELINES

All students must commit to and follow the Student Professional Development Guidelines during their enrollment at Paul Mitchell The School Temecula. These guidelines were established to assist in creating a safe, focused, and enjoyable learning experience.

### Attendance and Documentation of Time

- 1 The school records attendance in clock hours and gives appropriate attendance credit for all hours attended. The school will deduct a half-hour if a student fails to punch in/out for lunch. Attendance is calculated using a computerized timeclock. This device may consist of an app that can be used on your phone, a biometric scanner in the school, or similar device. In order to ensure proper clock hours are credited, full-time students are required to clock in/out 4 times a day: when they arrive to school, when they leave for lunch, when they return from lunch, and when they leave at the end of the day. Part time students are required to clock in/out 2 times a day: when they arrive to school and when they leave at the end of the day. If a student fails to clock in or out for their schedule on the student time clock, the student will not receive hours. If the student wishes to dispute any hours they feel earned, the student must provide documentation to verify attendance on the missing time form. The documentation would include the student sign in sheet, the specialty class attendance role, and/or the guest service summary.
- 2 The school is open from 8:00 AM to 3:30 PM for 5-day students, 8:00AM to 6:30PM for 3-day students and 5:00 PM to 10:00 PM for night students.
- 3 All courses require continuous attendance.
- 4 The prescribed attendance schedule must be maintained each week. Alternate schedules are available to those students who qualify.
- 5 5-Day and 3-Day Option 2 may not miss a Saturday; 3-Day and night cosmetology may not miss a Friday. Barbering program may not miss a Wednesday. If your attendance percentage is below the institutional requirement of 90% upon your return, missing an entire or partial mandatory day can result in an advisory. To avoid an advisory you must provide supporting paperwork. Supporting paperwork, such as a doctor's note, will need to be approved by the Future Professional Advisor.
- 6 Students must be on time, as tardiness inhibits the learning process. Students who are late for theory, a specialty class or a guest artist class may attend the class, but must be accompanied into the classroom by a learning leader. Students are never excused from mandatory theory class to work in the clinic classroom.
- 7 During the enrollment contract period, the student is allowed to miss 160 hours (cosmetology 1600 hr.), 100 hours (cosmetology 1000 hr.), 150 hours (barbering), and 60 hours (esthetics) before having to pay extra instructional charges. If the student's training goes beyond the contracted ending date for course completion, the student will be charged an additional \$13.00 for each hour completed after the contract ending date. The student may use the 100 (cosmetology and barbering 1000 hr.), 150 (barbering), and 60 (esthetics) allowed absent hours for vacation, appointments, illness, etc.  
**\*\*Refer to the school enrollment agreement for the Enrollment Contract Period definition.**  
*Please note that if a student misses more than 14 consecutive calendar days, the student may be terminated from the program.*
- 8 Students attend Core the first 6 weeks (210 clock hours) of enrollment. During this time the student must maintain a monthly attendance of 90%. If at the conclusion of the month, the student's progress report is not 90% attendance, the student may be dropped from the program with the option to re-apply.
- 9 Students who are late or cannot attend school must email [attendance@temecula.paulmitchell.edu](mailto:attendance@temecula.paulmitchell.edu). Day students must call in by 8:00 AM; night students must call in by 5:00 PM.

- 10 Students must request time off from school attendance.
- 11 5-day schedule students are required to be in attendance seven (7) hours per day, 35 hours per week; for the 3-day cosmetology and barbering a schedule students are required to be in attendance ten (10) hours per day, 30 hours per week; for a night students they are required to be in attendance five (5) hours per day (Monday - Wednesday) and seven and a half (7.5) hours per day, 30 hours per week. Holidays such as Thanksgiving, Christmas, and New Year's Day will be set according to the calendar each year.
- 12 Lunches and breaks are scheduled for all students. Day students will take 30 minutes for lunch between 12:00 noon and 1:30 PM, if possible, according to their booking. Students should communicate with their instructor if they have not had lunch by 1:30 PM.

**Observe the appropriate breaks for your school schedule. Breaks are as follows:**

Student Schedule	Breaks	Lunch
10 hr/day	15 min. in the morning, 15 min in the afternoon, & 15 min. at night	30 min.
7.5 hr/day	15 min. in the morning & 15 min in the afternoon	30 min.
5 hr/day	30 min at mid-point of schedule	n/a

- 13 Documentation of time: Students may not leave the school premises during regular hours without an instructor's permission.
  - a. Students who leave school premises for more than 10 minutes or those who leave early must document their time by clocking out on the time clock, signing the sign-out sheet, and having an instructor book them out.
  - b. Students who leave school premises for less than 10 minutes must sign the sign-out sheet.
  - c. Day students must clock out on the time clock for lunch for 30 minutes every day. Students will not receive credit for the hour if they fail to clock in/out for lunch.
- 14 Students may not clock in or out for another student; doing so will be grounds for immediate termination.
- 15 Students must keep a record of all services each day on the skills tracker, which must be completed daily.
- 16 Receiving additional hours outside a student's scheduled hours. The time would need to be pre-approved by a Learning Leader. These extra hours are recorded on a "Makeup Time Request Form". The student would need to be working on approved coursework which could be: completing theory requirements, staying beyond their scheduled time to complete a service guest, attending an extra class or instruction that occurred beyond their scheduled hours.

## POLICY AND PROCEDURES FOR FUTURE PROFESSIONALS WITH DISABILITIES

### ① Policy Statement

Paul Mitchell The School Temecula (“The School”) is committed to complying with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act – Federal laws that prohibit discrimination on the basis of disability. The School does not discriminate against future professionals with disabilities in regard to application, acceptance, grading, advancement, training, discipline, graduation, or any other aspect related to a future professional’s participation in a program of The School. This policy applies to all future professionals and applicants for admission to The School. The School will provide reasonable accommodations to future professionals with disabilities.

### ② Definitions

**Accommodation** means a modification or adjustment to the education environment that will enable a qualified applicant or future professional with a disability to participate in The School’s education program. Accommodation also includes adjustments to assure that a future professional with a disability has rights and privileges in education equal to those of future professionals without disabilities.

**ADA/504 Compliance Coordinator** means the official of The School responsible for determining and coordinating reasonable accommodation, modification, and/or auxiliary aids and services for prospective, admitted, or enrolled future professionals.

**Auxiliary Aids and Services** means accommodations that enable effective communication in the educational setting. Auxiliary aids and services may include interpreters, notetakers, ergonomic aids, or enlarged text and real-time closed captioning.

**Future Professional** means any individual who has accepted an offer of admission, or who is registered or enrolled in coursework, and who maintains an ongoing educational relationship with The School.

**Individual with a Disability** means a person with a physical or mental impairment that substantially limits a major life activity; has a record of such impairment; or is regarded as having such an impairment. The determination of whether a future professional has a physical or mental impairment that substantially limits a major life activity will be made on a case-by-case basis.

**Qualified Future Professional with a Disability** means a future professional with a disability who meets the academic and technical standards required for admission and participation in educational program(s) and activities and who has been approved by The School for reasonable accommodations.

### ③ Procedures and Responsibilities

The School will provide reasonable academic adjustments, auxiliary aids and services, and accommodations to applicants for admission and qualified future professionals with disabilities to ensure applicants and future professionals are not denied the benefits of, or excluded from participation in, The School’s educational program. The School will make necessary modifications to academic requirements to ensure that academic requirements do not discriminate against qualified future professionals with disabilities. The School will also ensure that future professionals with disabilities have physical access to The School and use of service animals.

The School employee responsible for implementing these procedures is:

Ryan Low  
ADA/504 Compliance Coordinator  
27536 Ynez Road, Suite E1, Temecula, CA 92591  
(951) 694-4323  
ryan@temecula.paulmitchell.edu

When a future professional informs a staff member that the future professional has a disability, or needs accommodations or assistance due to a disability, the staff member will refer the future professional to The School's ADA/504 Compliance Coordinator. Learning Leaders should not honor requests for accommodations that have not been approved by the ADA/504 Compliance Coordinator ("the Coordinator").

### ***Future Professional Eligibility for Accommodation***

Applicants for admission and qualified future professionals with disabilities who wish to request reasonable accommodations (including campus tours, orientation, academic adjustments, auxiliary aids and services, or modifications) must contact the Coordinator and complete the Disability Verification Form. Future professionals must provide documentation of their disability from an appropriate professional, which depends on the nature of the disability. For example, a future professional with a psychological disability should provide documentation from a psychologist, psychiatrist, or social worker. The documentation submitted must reflect a date within the past twelve months; if the documentation is older than twelve months, the future professional must provide current documentation to continue their request for accommodations.

The Coordinator has the discretion to determine the type of documentation necessary to establish the present level of the future professional's disability and its impact on the future professional's needs in the education setting. Any costs related to the initial documentation will be the responsibility of the future professional.

All documentation related to an accommodation request, including medical documentation, is treated as confidential, and maintained by the Coordinator in accordance with the Records Retention Policy. Access to these files will be limited to those individuals who need to be informed regarding necessary accommodations or other services.

### ***Interactive Process to Request Accommodations***

Future professionals who plan to request accommodations should contact the Coordinator promptly to ensure adequate time for the Coordinator to review the future professional's documentation before the future professional begins the class or program for which the accommodation is requested. The Coordinator will keep a record of the dates and contacts with the future professional, including a record of the accommodation(s) requested by the future professional. Future professionals who have questions about the type of documentation they need to provide should contact the Coordinator to discuss acceptable documentation.

The Coordinator will schedule a meeting with the future professional to discuss their request for accommodation(s). The future professional and the Coordinator will discuss how the future professional's disability impacts them, how the future professional expects the disability to impact them in The School's program, the type of accommodation(s) the future professional has previously received (if any), and the accommodation(s) being requested. The Coordinator and the future professional will discuss which accommodations are needed during all phases of their educational program (Core, Adaptive, and Creative), and for classroom instruction, skills-based instruction, and skills practice.

To qualify, the documentation must show the nature of the future professional's disability and how it limits a major life activity. The accommodation(s) requested by the future professional should be related to these limitations. There are no pre-set accommodations for specific disabilities. Instead, the Coordinator and the future professional will discuss and determine what the future professional's limitations are, and how they can be accommodated.

### ***Examples of Accommodations***

- A future professional with an orthopedic disability may need a cushioned floor mat, scheduled time to sit, or a particular type of chair.
- A future professional with a learning disability may need extended time to take tests in a location that has reduced distractions, like an office instead of a classroom.

- A future professional with a learning or psychological disability may need a note taker, a copy of the Learning Leader's notes or presentation, or use of a recording device during instruction.
- A future professional with a hearing impairment may need Learning Leaders to use voice amplification systems or may need The School to provide a sign language interpreter.

### ***Determination and Notification Regarding Eligibility***

The Coordinator will determine the accommodation(s) to be provided to the future professional. The Coordinator will consider past accommodations that have been effective for the future professional and will give primary consideration to the type of accommodation requested by the future professional. Alternate accommodations may be provided if they are equally effective for the future professional.

The Coordinator will determine appropriate accommodations typically no later than ten (10) business days after the future professional submits their request for accommodations and relevant documentation. If the future professional does not submit appropriate documentation at the time the future professional requests an accommodation, the Coordinator will determine appropriate accommodations no later than ten (10) business days after the future professional provides appropriate documentation.

The Coordinator will provide the future professional with written notice regarding the determination and any approved accommodation(s) and/or auxiliary aids/services. The Coordinator will communicate the future professional's accommodation(s) to the appropriate Learning Leader(s) and staff. Notification to Learning Leaders and staff will specify which accommodation(s) they are responsible for providing, to whom they will be provided, how to provide the accommodation(s), and when to provide the accommodation(s).

The Coordinator will maintain written records of the interactive process and notifications of eligibility. The Coordinator will verify and ensure that all approved accommodation(s) are implemented. If the future professional informs the Coordinator that an accommodation is not being fully implemented, the Coordinator will immediately intervene to ensure the accommodation is provided to the future professional.

Future professionals with approved accommodations will have a follow-up meeting with the Coordinator if the future professional's program is expected to change. The purpose of the meeting is to determine whether the future professional's accommodation(s) should be altered when the future professional's program phase changes, or the type of instruction changes.

### ***Limitations***

- The School is not required to make adjustments or provide aids or services that would result in an undue burden on The School. In this case, the Coordinator will promptly search for an equally effective alternate accommodation for the future professional that would not unduly burden the program. The Coordinator will offer the alternate accommodation to the future professional.
- The School is not required to alter or modify a course or academic program to the extent that it changes the fundamental nature of the course or program. When the Coordinator determines that a requested accommodation might fundamentally alter or modify a course or academic program, the Coordinator will promptly search for an equally effective alternate accommodation for the future professional and offer the alternate accommodation to the future professional.
- Decisions regarding accommodation or auxiliary aids and services may require consultation with The School's Learning Leaders and/or staff to consider the fundamental nature of a course or academic program or whether the accommodation would impose an undue burden on The School.
- Accommodations are not retroactive.

#### **4 Training and Policy Dissemination**

The Coordinator will deliver training sessions for all School staff members at least once each calendar year. In these training sessions, the Coordinator will explain the basic requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act (as amended) as they apply to The School. The Coordinator will provide information regarding:

- The School's responsibility to provide accommodations to future professionals with disabilities and to not penalize future professionals for using approved accommodations.
- How to appropriately interact with future professionals with disabilities.
- How to implement approved accommodations.
- How to support qualified future professionals with disabilities in The School's programs.

The Coordinator will maintain record of each training session. The Coordinator may also provide training for future professionals who wish to learn about The School's process for requesting accommodations or The School's grievance procedures.

The Coordinator will publish this policy and procedures on its website and in each handbook or catalog provided to applicants for admission, future professionals, and employees.

#### **5 Grievance Procedure**

The School is committed to working with future professionals with disabilities to resolve disagreements regarding the need for and/or implementation of accommodations. A future professional requesting an accommodation and/or use of auxiliary aids and/or services may file a complaint in accordance with the procedures detailed below.

**1 Informal Resolution:** The Coordinator will assist future professionals with disabilities who have concerns about implementation of their accommodations or their treatment by School staff members or other future professionals. At the request of a future professional, the Coordinator will informally mediate or attempt to resolve issues related to the future professional's disability. If this informal process does not resolve the future professional's concerns, the future professional may request a formal resolution or a file a formal complaint.

**2 Formal Resolution:** A future professional may request a formal resolution with the Director of The School.

- To dispute the Coordinator's decision to deny a request for accommodation.
- To dispute the Coordinator's decision to provide an alternate accommodation rather than the specific accommodation requested.
- To dispute the Coordinator's determination that the future professional has not presented sufficient documentation to support the requested accommodation.
- To resolve concerns that the Coordinator failed to effectively address concerns that a School staff member failed to provide an approved accommodation.

The Director will review all materials submitted by the Coordinator and will interview, as necessary under the circumstances, the future professional, the Coordinator, involved School staff, and other individuals who are relevant to the issue. The Director will render a decision in writing to the future professional.

**3 Formal Complaint:** if a future professional is not satisfied with the decision reached through formal or informal resolution, a formal complaint may be filed with the Title IX Coordinator. A future professional is not required to exhaust informal and formal resolution methods before filing a formal complaint. For more information see the Protected Class Non-Discrimination Policy and Procedures.

## 6 Ineligibility

The ADA applies to qualified future professionals with a disability as defined in section 2. Future professionals who do not meet the qualification criteria are not entitled to reasonable accommodation(s). The Coordinator will not issue any communications or directives to Learning Leaders or School staff for future professionals who have not completed the interactive process and been approved for accommodations.

Future professionals who are not eligible for accommodations but still have an issue affecting their academic performance (including temporary illness) may seek assistance from the Future Professional Advisor who will respond to requests in accordance with established School policies.

Learning Leaders are not to provide accommodations to future professionals without the prior approval of the Coordinator.

This policy and procedures are effective June 22, 2022.

## STUDENT CONSUMER INFORMATION

Provisions of the Higher Education Amendment of 1976 require that, effective July 1, 1977, each postsecondary institution that receives federal financial aid funds must make certain student consumer information available to any enrolled or prospective students who request such information.

This section compiled by the Paul Mitchell Schools corporate financial aid office staff attempts to meet the requirements.

The school is approved for and participates in Federal Pell Grants, Subsidized Direct loans, Unsubsidized Direct loans, and Parent PLUS loans. Such programs help to defray the costs of attending school for those students eligible for financial aid consideration.

Financial aid is any mechanism that reduces out-of-pocket costs that the students and/or parents must pay to obtain a specific postsecondary education. In other words, financial aid is money made available to help students meet the cost of the program. Financial aid includes grants as well as need and non-need loans.

Need-based financial aid is available to families who demonstrate a financial need for additional resources. The formula below is used to determine a student's financial need:

***Cost of Attendance – Expected Family Contribution (EFC) = Financial Need***

Non-need is the difference between the cost of education and financial need.

Based on these calculations, federal financial aid may not cover the full cost of attendance.

All financial aid is awarded to students who qualify based on the following:

- 1 Criteria making a student ELIGIBLE includes citizen or permanent non-citizen alien recipient codes 1- 151, 1-551, and 1-94.
- 2 Criteria making a student INELIGIBLE includes codes F-1, F-2, J-1, J-2; students who are in federal loan default; students who receive grant overpayments; or male students who meet Selective Service registration criteria, but are not registered.

## STUDENT BIOMETRIC INFORMATION PRIVACY POLICY

Paul Mitchell The School Temecula records attendance in clock hours. To ensure proper clock hours are credited, students are required to clock in and out utilizing a biometric scanner in accordance with the Course Key policy. Biometric scanners are computer-based systems that scan a student's finger or facial identifier for purposes of identification. The computer system extracts unique data points and creates a unique mathematical representation used to verify a person's identity. Paul Mitchell The School Temecula or its vendors may collect, retain, and use biometric data for the purpose of identifying students when recording clock hours.

### Biometric Data Defined

In general, biometric data is "biometric identifiers" and "biometric information" as defined below.

"Biometric identifier" means a retina or iris scan, fingerprint, voiceprint, or scan of hand or face geometry. Biometric information does not include information derived from items or procedures excluded under the definition of biometric identifiers.

### Purpose for Collection of Biometric Data

The School does not collect or store biometric data. At this time, the School's third-party time clock vendor may collect and store an individual's biometric identifier (for example, fingerprint or facial identifiers), solely for identification in connection with the use of the biometric time clock. The School's third-party time clock vendor will retain biometric data of an only for so long as the person is an enrolled student. The biometric data shall be permanently removed from the records of the School's vendors and licensors in accordance with the retention schedule set forth herein.

### Disclosure and Authorization

Each student will be required to sign the Release and Consent to Use of Biometric Data as a condition of his/her enrollment with the School.

The School and its time clock vendors will not sell, lease, trade, or otherwise profit from students' biometric data; provided, however, that the School's time clock vendor will be paid for products or services used by the School that utilize such biometric data.

The School will not disclose or disseminate any biometric data to anyone other than its time clock vendors without first obtaining student's written consent to such disclosure or dissemination unless disclosure or redisclosure is required by state or federal law or municipal ordinance or required pursuant to a valid warrant or subpoena issued by a court of competent jurisdiction.

### Retention Schedule

The School shall retain a student's biometric data only until, and shall require that its time clock vendors permanently destroy such data when, the first of the following occurs:

- ① Within thirty (30) days after the initial purpose for collecting or obtaining such biometric data has been satisfied, such as the withdrawal or graduation of a student;  
or
- ② Within 3 years of the student's last interaction with the School.

### Data Storage

The School and its time clock vendors shall use a reasonable standard of care to store, transmit and protect from disclosure any paper or electronic biometric data collected. Such storage, transmission, and protection from disclosure shall be performed in a manner that is the same as or more protective than the way the School or its time clock vendors transmit and protect from disclosure other confidential and sensitive information, including personal information that can be used to uniquely identify an individual or an individual's account or property, such as driver's license numbers and social security numbers.

## **SOCIAL NETWORKING POLICY**

Social media includes all forms of publicly accessible communications which include, but are not limited to, written and verbal communications (including podcast and video uploads) and all forms of electronic communication including discussion groups, forums, newsgroups, e-mail distribution, blog postings, and or social networking sites (such as Facebook, Instagram, SnapChat, Twitter, You Tube, Friendster, Tik Tok, etc.) . Students are personally responsible for the content they publish on social networking sites. Students are expected to treat each other with fairness and respect, consistent with the Paul Mitchell Schools culture.

Paul Mitchell Schools does not permit ethnic slurs, personal insults, obscenity, intimidation, cyber bullying, harrassment or engaging in conduct that would be unbecoming of a Paul Mitchell Future Professional and misrepresent Paul Mitchell culture. Paul Mitchell The School reserves the right to request the removal of any posts at its discretion and take necessary disciplinary action as appropriate.

## ANTI-BULLYING POLICY

1. Purpose: Paul Mitchell The School Temecula (“School”) is committed to maintaining a working and learning environment that provides for a safe and inclusive environment that is free from bullying, harassment, and intimidation.
2. Scope: This policy applies to anyone who engages in bullying, harassment, and intimidation on School property, at School activities, or through electronic communication (via cell phones, computers, or other electronic devices) using School resources, including School-provided internet or online learning platforms. As described below in Item 8, conduct that is prohibited by federal law is addressed by the School’s Anti-Discrimination, Harassment, and Retaliation Policy.
3. Definitions:
  - a. Bullying, Harassment, and Intimidation: Any severe or pervasive physical, written, or verbal act or conduct (including electronic communications) by one individual or a group of individuals that has or can reasonably be predicted to have the effect of one or more of the following:
    - i. Causing a reasonable person to feel scared or fear harm to themselves or their property;
    - ii. Causing a reasonable person to experience a detrimental effect on their physical or mental health;
    - iii. Causing a reasonable person to experience interference with their academic performance; or
    - iv. Causing a reasonable person to experience interference with their ability to participate in or benefit from the services, activities, or privileges provided by the School.
  - b. Retaliation: An adverse action taken by threatening, intimidating, coercing, harassing, or discriminating against any individual for the purpose of interfering with any right or privilege secured by law or policy or because the individual has made a report, complaint, testified, assisted, participated, or refused to participate in a manner in an investigation, proceeding, or hearing under this policy.
4. Prohibited Conduct:
  - a. Students and staff may not engage in behavior that constitutes bullying, harassment, and intimidation as defined in this policy. Such behavior includes, but is not limited, to direct physical contact like hitting or shoving, damaging or destroying a person’s work product or personal property, verbal or written attacks like name calling or teasing, social isolation or manipulation, and cyberbullying.
  - b. Students and staff may not engage in retaliation against an individual for reporting behavior that may violate this policy or participating in an investigation pursuant to this policy.
5. Investigation: Allegations of any policy violation will be investigated and handled appropriately based upon the findings. The Director or a designee will review the reported behavior and speak to the necessary individuals and collect the necessary information to determine if it is more likely than not (greater than a 50% chance) that the prohibited behavior occurred. In certain circumstances, it will be possible to address the behavior informally. An informal response may include coaching, mediation, or other informal resolution options. Administration will take prompt, equitable, and remedial action (including but not limited to requiring sensitivity training, probation, suspension, expulsion, or termination) on all reports and complaints that come to the attention of School personnel, either formally or informally. The School may also provide supportive measures to the reporting party to address the effects of the bullying, harassment, and intimidation.

6. Sanctioning: If an individual or group of individuals has been determined based on a preponderance of the evidence standard to have engaged in behavior that violates this policy, the responsible individual(s) may be subject to disciplinary action up to and including termination. It is important to note that termination may not result from every report or finding of behavior that violates this policy. An individual may also have their access to School property restricted. The School will also determine if it is appropriate to provide supportive measures to the reporting party. In certain circumstances the School may not have the ability to sanction the responsible party (i.e., third-parties, former students and staff), but could still provide supportive measures to the reporting party. If warranted, the School will report any criminal activity to the appropriate law enforcement agency.

7. Reporting: The School expects students and/or staff to immediately report incidents of bullying, harassment, and intimidation to the Director. Staff who witness or become aware of such acts should take immediate steps to intervene when it is safe to do so. Each report of bullying will be promptly investigated. Employees who fail to take prompt action to report allegations or violation(s) of this policy may be subject to disciplinary action up to and including termination.

8. Related Policies: Any conduct that is based on a protected class status (race, color, national origin, sex, disability, etc.) is covered by the Protected Class Non-Discrimination Policy and Procedures. However, to the extent that the conduct does not rise to the level of conduct covered by the Protected Class Non-Discrimination Policy and Procedures, this policy will apply.

9. Privacy: The School will respect the privacy of the reporting party and the individual(s) against whom the complaint is filed to the extent possible, consistent with the School's legal obligations, state laws and policies, and the necessity to investigate the allegations and take disciplinary and/or restorative action to resolve the problem. The School will also respect, to the extent possible, requests for confidentiality made by the reporting party.

## COPYRIGHT INFRINGEMENT POLICY

This policy applies to those who use Paul Mitchell The School Temecula's network or equipment to share files, including, the school's faculty, staff, students, guests, external individuals, and organizations accessing network services via the school's networking or computer facilities.

This copyright policy also includes the use of streaming services within the school network such as Netflix, Hulu, YouTube, Spotify, Pandora, or any other similar services.

Copyright is legal protection of intellectual property, in whatever medium, that is provided for by the laws of the United States to the owners of copyright. Types of works that are covered by copyright law include, but are not limited, to literary, dramatic, musical, artistic, pictorial, graphic, film, and multi-media works. This protection extends to software, digital works, and unpublished works and it covers all forms of a work, including its digital transmission and subsequent use.

This is in accord with the Digital Millennium Copyright Act (DMCA), which provides educational institutions with some protections if individual members of the community violate the law. For the school to maintain this protection, it must expeditiously take down or otherwise block access to infringing material whenever it is brought to the attention of the organization. If the school receives an allegation of copyright infringement based on your use of the school's networking or computers, the matter will be referred to the school director for further investigation.

The following are some examples of copyright infringement that may be found in a school setting:

- ▶ Downloading, using, or sharing files of music, videos, and games without proper documented permission of the copyright owner.
- ▶ Using corporate logos without permission.
- ▶ Placing an electronic copy of a standardized test on a department's website without permission of the copyright owner.
- ▶ Enhancing a departmental website with music that is downloaded or artwork that is scanned from a book, all without attribution or proper documented permission of the copyright owners.
- ▶ Scanning, taking a picture of, or digitally posting any photograph/image and using it without the proper documented permission or attribution.
- ▶ Placing a number of full-text articles on a course webpage that is not password protected and allowing the web page to be accessible to anyone who can access the Internet.
- ▶ Downloading licensed software from non-authorized sites without the permission of the copyright or license holder.
- ▶ Making a movie file or a large segment of a movie available on a website without proper documented permission of the copyright owner.
- ▶ Torrenting or other peer to peer communication on the network.
- ▶ Streaming personal music from non-commercial platforms such as Spotify, Pandora, YouTube Music or Apple Music.
- ▶ Streaming personal TV/Movies from streaming platforms such as Netflix, Hulu, YouTube TV, Disney Plus or similar platform is a violation of Copyright Law, as the agreement made is not between the Streaming Service and the School, but the Streaming Service and the individual.
- ▶ Sharing, taking a picture of, digitally posting, downloading, or distributing the proprietary curriculum, educational systems, and supporting digital or printed assets and tools (apps and printed materials such as books or guides) created and owned by Paul Mitchell Advanced Education.

The Digital Millennium Copyright Act requires that all infringement claims must be made in writing and sent to [copyright@paulmitchell.edu](mailto:copyright@paulmitchell.edu). For Paul Mitchell The School Temecula to act on your notice, you must be authorized to enforce the copyrights that you allege have been infringed. When informing the School of an alleged copyright infringement, you must include the following information:

- ▶ A physical or electronic signature of the copyright owner or the person authorized to act on its behalf.
- ▶ A description of the copyrighted work claimed to have been infringed.
- ▶ A description of the infringing material and information reasonably sufficient to permit us to locate the material.
- ▶ Your contact information, including your address, telephone number, and email.
- ▶ A statement by you that you have a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law; and
- ▶ A statement that the information in the notification is accurate, and, under the pains and penalties of perjury, that you are authorized to act on behalf of the copyright owner.

Please note, the School may not be able to act on your complaint promptly or at all if you do not provide this information.

Upon notification or due to detection, the School will take all necessary actions, including, but not limited to, temporary disconnection from internet access, to stop illegal sharing of copyrighted material on its network or computing devices by identified users.

Corrective actions can range from a written reprimand to termination from the School in the case of a student, or termination from employment in the case of an employee, depending on the nature and severity of the charges.

The consequences of copyright infringement also extend outside of the school. Summary of Civil and Criminal Penalties for Violation of Federal Copyright Laws Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file sharing context, downloading, or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties.

In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

For more information, please see the website of the U.S. Copyright Office at [www.copyright.gov](http://www.copyright.gov).

## ALCOHOL AND DRUG-FREE EDUCATIONAL FACILITY POLICY

The School is concerned about the use of alcohol and drugs in the educational facility. This concern is based upon the effect that those substances have on a person's judgment, performance, safety, and health.

The School prohibits the possession, use, or being under the influence of alcohol or an illegal substance on School premises or at a School activity. Paul Mitchell The School Temecula is a smoke-free campus, this includes vaping, marijuana, or any other form of tobacco.

This prohibition includes drugs which (a) are not legally obtainable or (b) are legally obtainable but have not been legally obtained. The prohibition also includes prescribed drugs not legally obtained and prescribed drugs not being used for the prescribed purposes.

In order to enforce this policy, the School reserves the right to search all School premises, including classrooms, administrative offices, corridors, storage rooms, and parking lots. The School also reserves the right to search all employee and student property on School premises or at School activities, including but not limited to backpacks, purses, handbags, lockers, and vehicles parked on School property. The School also reserves the right to implement other measures necessary to deter abuse of this policy. Failure or refusal to cooperate may be grounds for disciplinary action, including expulsion from the School or termination for employees.

The School also will not object to law enforcement seeking to search School premises or employees and students, and employee and student property on School property or at School activities.

## GRIEVANCE PROCEDURE

This Grievance Procedure will be used to process a written grievance or complaint concerning any other grievance, not covered by the above Protected Class Non-Discrimination Policy and Procedures and Anti-Bullying Policies that a Future Professional feels have been left unresolved against a Future Professional, employee, or third-party. The grievance or complaint will be referred to the School Director and/or School Owner. The following grievance procedures shall be used to address a grievance filed by Future Professionals for complaints filed on their behalf against employees, other Future Professionals, or third parties. A copy of the Grievance form may be obtained from the School's Director.

In order to facilitate the investigation, the complaint must include details of the incident or incidents, dates and times, names of the individuals involved, and names of any witnesses. A complaint should be filed within two (2) business days from the date of the alleged incident to allow the school to take timely and appropriate action. The complaint once received will be maintained in the Director's office, which has limited staff access. The school Director has the responsibility of investigating the complaint allegations; however, if it is in the best interest of the parties involved the school may choose to designate another individual to follow this process.

The time necessary to conduct an investigation will vary based on complexity of the allegation(s) but will generally be completed within fourteen (14) days of receipt of the complaint. If a Grieving Party requests confidentiality, the school will take all reasonable steps to investigate and respond to the Grievance consistent with the request. If a complainant insists that his or her name or other identifiable information not be disclosed to the party alleged to have engaged in the behavior, the school will inform the Grieving Party that its ability to respond may be limited.

The Director will begin the process outlined in this policy below.

### Handling of Allegations

The school will investigate all complaints received. The school's grievance procedures are designed to ensure that the complaint process is free from conflicts of interest.

1. The individual completes the Future Professional Grievance Form and returns it to the School Director.
2. The Director or designee will determine if the Grievance has merit and is appropriately filed under this policy. If another policy is implicated, the Director or designee may transfer the Grievance to the appropriate resolution process. The Director or designee may also transfer matters filed under other procedures to this Grievance Procedure if appropriate.
3. Upon determination that the Grievance has merit and is appropriately filed, the Director or designee will conduct an initial inquiry into the facts surrounding the Grievance. After that initial inquiry, the Grievance may be dismissed for lack of merit, resolved through an Amicable Conclusion, or through an Investigation as outlined below. The Director or designee will consult with the person(s) filing the Grievance and consider their wishes in choosing the mechanism(s) for handling the Grievance. The decision for addressing a Grievance (informal or investigation) is at the discretion of the Director and is not appealable.
4. Amicable Conclusion: the Director or designee will work to identify a resolution acceptable to the School, any other involved party, and Grieving Party. If the Grieving Party accepts the resolution, the Director will work to implement the solution. If the Grieving Party does not accept the resolution identified, they may request an Investigation. If the information found in the initial inquiry does not support further investigation, and the reported issue can be addressed through action by the School, the Director may decline to take an investigation. If a matter is resolved via Amicable Resolution, it will not be investigated or reopened, unless there is substantial new behavior or information.

5. Investigation: the Director or designee will take the necessary steps to gather relevant information. They will then identify the outcome of the Grievance Investigation briefly in writing, and identify the actions (if any) determined necessary to address the reported behavior for the file. The Grieving Party, Witnesses, and/or any accused parties will be notified of the general outcome of the investigation, but may not be able to have details about the actions taken due to Future Professional (student) privacy laws, employment laws, and/or other relevant laws or policies.

6. Future Professionals will not be subject to retaliation for filing a complaint. If a Future Professional feels that they have been retaliated against for reporting a matter covered by this Grievance Procedure, they may submit a written grievance under this policy.

7. There is not an appeal of any decision made under this policy, unless a Future Professional is terminated based upon the investigation. In that instance, any appeal allowed under the Code of Conduct would apply.

Students should follow the above process; however, the student may, at any time, file a complaint with the school's accrediting agency, the state licensing agency or the U.S. Department of Education.

The notice must be included in the school's catalog, handbook, other published materials, and/or otherwise prominently displayed in the school. NACCAS shall not consider a student complaint until all procedures and remedies within the institution have been exhausted. A student complainant must show that the institution's complaint procedure has been followed and state why the matter is considered still unresolved when he/she submits a complaint to NACCAS."

"The NACCAS complaint process is intended as a tool for NACCAS to monitor whether accredited schools are complying with NACCAS' accreditation standards. It is not designed or intended as a means for providing individual relief to the person filing the complaint. As detailed in NACCAS' Handbook, NACCAS' Board of Commissioners will not intervene on behalf of individuals in cases of disciplinary action or dismissal, or act as a court of appeals in such matters as admission, graduation, fees, or similar points of issue. If you are seeking relief for personal grievances against the institution identified in your complaint, you are advised to exercise your rights under the institution's internal grievance policy. If you are not satisfied with the results of that process, you may wish to consult with the state regulatory board or agency that licenses the institution concerning your rights under state law and regulations."

4. Upon conclusion of the investigation into any allegations, NACCAS will send the individual a letter notifying them of their decision.

### Nondiscrimination Statement

Paul Mitchell The School Temecula (“School”) is committed to providing a workplace and educational environment, as well as other benefits, programs, and activities, that are free from discrimination and harassment based on a protected characteristic, and retaliation for engaging in a protected activity. The School values and upholds the equal dignity of all members of its community and strives to balance the rights of the parties in the Grievance Process during what can be a difficult time for all involved.

The School, in its admission, instruction, and graduation policies and practices, does not allow or tolerate harassment or discrimination based on race, religion, creed, color, ethnic origin, national origin, ancestry, sex (including pregnancy, childbirth, or related medical conditions), military or veteran status, physical or mental disability, medical condition, marital status, age, sexual orientation, gender, gender identity or expression, genetic information, or any other basis protected by the federal, state, or local law.

To ensure compliance with federal, state, and local civil rights laws and regulations, and to affirm its commitment to promoting the goals of fairness and equity in all aspects of the education program or activity, the School has developed policies and procedures that are designed to provide a prompt, fair, and impartial process for those involved in an allegation of discrimination or harassment on the basis of a protected characteristic, and for allegations of retaliation.

### Applicable Scope

The core purpose of this policy is the prohibition of all forms of discrimination. The School’s policy prohibits discrimination based on sex (including pregnancy, childbirth, and related conditions), race, religion, creed, color, national origin, ancestry, military or veteran status, physical or mental disability, medical condition, marital status, age, genetic information, sexual orientation, gender identity, gender expression, or any other characteristic protected by federal, state, or local law. Sometimes, discrimination involves exclusion from or different treatment in activities, such as admission or employment. At other times, discrimination takes the form of harassment, or, in the case of sex-based discrimination, it can encompass sexual harassment, sexual assault, stalking, sexual exploitation, dating violence, or domestic violence. When an alleged policy violation is reported, the allegations are subject to resolution using the School’s grievance procedures as determined by the Title IX Coordinator, and as detailed below.

When the Respondent is a member of the School community, a Formal Complaint may be filed and a Grievance Process may be available regardless of the status of the Complainant, who may or may not be a member of the School community. However, the School’s specific response may be limited by certain regulations. This community includes, but is not limited to, Future Professionals, employees, customers or service guests, vendors, or anyone else who does business with the School. The procedures below may be applied to incidents, to patterns, and/or to the institutional culture/climate, all of which may be addressed and investigated in accordance with this Policy.

The School recognizes that reports and/or Formal Complaints under this Policy may include multiple forms of discrimination and harassment as well as violations of other School policies; may involve various combinations of Future Professionals, employees, and other members of the School community; and may require the simultaneous attention of multiple School departments. Accordingly, School employees will share information, combine efforts, and otherwise collaborate, to the maximum extent permitted by law and consistent with other applicable School policies, to provide uniform, consistent, efficient, and effective responses to alleged discrimination and harassment or retaliation.

## **2. Dissemination**

The School provides this policy and procedures on its website and in each handbook or catalog provided to applicants for admission and employment, Future Professionals, and employees. The School also provides this policy and procedures to each volunteer who regularly interacts with Future Professionals and each individual or entity under contract with the School to perform any service involving regular interaction with Future Professionals at the School.

All Future Professionals and employees are required to complete mandatory sexual harassment and prevention training when they first enroll or become employed with the School and annually (each January) thereafter.

## **3. Title IX Coordinator**

Donna Shimamura serves as the Title IX Coordinator and oversees implementation of the School's policy on equal opportunity, harassment, and nondiscrimination.

The Title IX Coordinator has the primary responsibility for coordinating the School's efforts related to the intake, investigation, resolution, and implementation of supportive measures to stop, remedy, and prevent discrimination, harassment, and retaliation prohibited under this Policy.

All parties will be provided with a comprehensive electronic brochure detailing options and resources, which the Title IX Coordinator may also review with the parties in person.

## **4. Independence and Conflict of Interest**

The Title IX Coordinator acts with independence and authority free from bias and conflicts of interest. The Title IX Coordinator oversees all resolutions under this Policy and these procedures. Investigators, Decision-makers (including Appeal Decision-Makers), and Advisors are vetted and trained to ensure they are not biased for or against any party in a specific complaint, or for or against Complainants and/or Respondents, generally.

To raise any concern involving bias, conflict of interest, misconduct, or discrimination by the Title IX Coordinator, contact the School's Managing Director Donna Waite. Concerns of bias, misconduct, discrimination, or a potential conflict of interest by any other individual involved facilitating the Grievance Process should be raised with the Title IX Coordinator.

## **6. Notice/Complaints of Discrimination, Harassment, and/or Retaliation**

Notice or complaints of discrimination, harassment, and/or retaliation may be made using any of the following options:

- 1) File a report or Formal Complaint with, or give verbal notice to, the Title IX Coordinator or an Official with Authority. Such a report or Formal Complaint may be made at any time (including during non-business hours) by using the telephone number or email address, or by mail, to the office listed for the Title IX Coordinator or any other official listed.
- 2) Report online, using the reporting form posted at [paulmitchell.edu/temecula/title-ix/policy](http://paulmitchell.edu/temecula/title-ix/policy). Anonymous reports are accepted but can give rise to a need to investigate to determine whether the parties can be identified. If not, no further formal action is taken, though measures intended to protect the community may be enacted. The School tries to provide supportive measures to all Complainants, which may be impossible with an anonymous report that does not identify the Complainant.

Because reporting carries no obligation to initiate a formal response, and because the School respects Complainant requests to dismiss complaints unless there is a compelling threat to health and/or safety, the Complainant is largely in control and should not fear a loss of confidentiality by making a report that allows the School to discuss and/or provide supportive measures.

As used in this Policy, the term “Formal Complaint” means a document or electronic submission (such as by electronic mail or through an online portal provided by the School for this purpose) that contains the Complainant’s physical or digital signature, or otherwise indicates that the Complainant is the person filing the complaint, and requests that the School investigate the allegations. If notice is submitted in a form that does not meet this standard, the Title IX Coordinator will contact the Complainant to ensure that it is filed correctly.

## **7. Prevention and Outreach Programs**

The School has implemented comprehensive prevention and outreach programs to address issues of sexual harassment, sexual violence, domestic violence, dating violence, and stalking. These programs include, but are not limited to, information about the School’s policies and procedures, rights and responsibilities, the practical implications of an affirmative consent standard, empowerment programming, awareness-raising campaigns, primary prevention, bystander intervention, and risk reduction programs. Prevention and outreach programs are included as part of incoming Future Professional and new employee orientation. In addition, all employees must complete ongoing prevention and intervention training and education.

## **8. Supportive Measure**<sup>1-2</sup>

The School will offer and implement appropriate and reasonable supportive measures to the parties upon notice of alleged harassment, discrimination, and/or retaliation. Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate and as reasonably available. They are offered, without fee or charge to the parties, to restore or preserve access to the School’s education program or activity, including measures designed to protect the safety of all parties and/or the School’s educational environment and/or to deter harassment, discrimination, and/or retaliation.

The Title IX Coordinator promptly makes supportive measures available to the parties upon receiving notice or a complaint. At the time that supportive measures are offered, the School will inform the Complainant, in writing, that they may file a Formal Complaint with the School either at that time or in the future, if they have not done so already. The Title IX Coordinator works with the Complainant to ensure that their wishes are considered with respect to any planned and implemented supportive measures.

The School will maintain the confidentiality of the supportive measures, provided that confidentiality does not impair the School’s ability to provide those supportive measures. The School will act to ensure as minimal an occupational or academic impact on the parties as possible. The School will implement measures in a way that does not unreasonably burden the other party.

These actions may include, but are not limited to:

- Referral to community-based service providers
- Visa and immigration assistance
- Future Professional financial aid counseling
- Education to the School community or community subgroup(s)
- Altering work arrangements for employees
- Safety planning
- Implementing contact limitations (no contact orders) between the parties
- Academic support, extensions of deadlines, or other course/program-related adjustments
- Trespass orders
- Timely warnings

---

<sup>1</sup>CA Educ. Code Sect. 66281.8 (SB 493) requires Schools to consider and respond to requests for accommodations relating to prior incidents of sexual harassment that could contribute to a hostile educational environment or otherwise interfere with a Future Professional’s access to education where both individuals are, at the time of the request, subject to the School’s policies.

<sup>2</sup>CA Educ. Code, Sect. 66281.8 requires Schools to outline the possible interim measures that may be in place during the pendency of an investigation, the supportive measures that may be provided in the absence of an investigation, and the disciplinary outcomes, remedial measures, and systemic remedies that may follow a final finding of responsibility.

- Withdrawals or leaves of absence
- Increased security and monitoring of certain areas of the campus
- Any other actions deemed appropriate by the Title IX Coordinator

When requested by a Complainant or otherwise determined to be appropriate, the School will issue an interim no-contact directive prohibiting the Respondent from contacting the Complainant during the pendency of the investigation. The School will not issue an interim mutual no-contact directive automatically, but instead will consider the specific circumstances of each situation to determine whether a mutual no-contact directive is necessary or justifiable to protect the noncomplaining party's safety or well-being, or to respond to interference with an investigation. A no-contact directive issued after a decision of responsibility has been made as a remedy will be unilateral and only apply against the party found responsible.

Upon the issuance of a mutual no-contact directive, the School will provide the parties with a written justification for the directive and an explanation of the terms of the directive. Upon the issuance of any no-contact directive, the School will provide the parties with an explanation of the terms of the directive.

Violations of no contact orders or other restrictions may be referred to appropriate Future Professional or employee conduct processes for enforcement or added as collateral misconduct allegations to an ongoing complaint under this Policy.

## **9. Emergency Removal**

The School can act to remove a Future Professional Respondent from its education program or activities—partially or entirely—on an emergency basis when an individualized safety and risk analysis has determined that an immediate threat to the physical health or safety of any Future Professional or other individual justifies removal. This risk analysis is performed by the Title IX Coordinator in conjunction with relevant School officials.

When an emergency removal is imposed, the Future Professional will be given notice of the action and the option to request to meet with the Title IX Coordinator prior to such action/removal being imposed, or as soon as reasonably possible thereafter, to show cause why the action/removal should not be implemented or should be modified.

This meeting is not a hearing on the merits of the allegation(s), but rather it is an administrative process intended to determine solely whether the emergency removal is appropriate. When this meeting is not requested, objections to the emergency removal will be deemed waived. A Complainant and their Advisor may be permitted to participate in this meeting if the Title IX Coordinator determines it equitable to do so. There is no appeal process for emergency removal decisions.

A Respondent may be accompanied by an Advisor of their choice when meeting with the Title IX Coordinator for the show cause meeting. The Respondent will be given access to a written summary of the basis for the emergency removal prior to the meeting to allow for adequate preparation.

The Title IX Coordinator has sole discretion under this Policy to implement or modify an emergency removal and to determine the conditions and duration. Violation of an emergency removal under this policy will be grounds for discipline within the Future Professional or employee conduct processes, which may include termination.

The School will implement the least restrictive emergency actions possible in light of the circumstances and safety concerns. As determined by the Title IX Coordinator, these actions could include, but are not limited to: temporarily reassigning an employee, restricting a Future Professional's or employee's access to or use of facilities or equipment, allowing a Future Professional to withdraw without financial penalty, authorizing an employee administrative leave, and suspending a Future Professional's participation in extracurricular activities.

At the discretion of the Title IX Coordinator, alternative coursework options may be pursued to ensure as minimal an academic impact on the parties as possible.

When the Respondent is an employee accused of misconduct in the course of their employment, they may be removed from campus or placed on administrative leave based on the discretion of the Title IX Coordinator.

## **10. Promptness**

Once the School has received notice or a Formal Complaint, all allegations are promptly acted upon. Complaints typically take 60–90 business days to resolve. There are always exceptions and extenuating circumstances that can cause a resolution to take longer, but the School will avoid all undue delays within its control.

Any time the general timeframes for resolution outlined in School procedures will be delayed, the School will provide written notice to the parties of the delay, the cause for the delay, and an estimate of the anticipated additional time that will be needed as a result of the delay.

## **11. Privacy**

Every effort is made by the School to preserve the privacy of reports<sup>3</sup>. The School will not share the identity of any individual who has made a report or Formal Complaint of harassment, discrimination, or retaliation; any Complainant; any individual who has been reported to be the perpetrator of harassment, discrimination, or retaliation; any Respondent; or any witness, except as permitted by the Family Educational Rights and Privacy Act (FERPA)<sup>4</sup> or its implementing regulations<sup>5</sup>, or as required by law; or to carry out the purposes of 34 CFR Part 106, including any investigation, hearing, or grievance proceeding arising under these policies and procedures.

The School reserves the right to determine which School officials have a legitimate educational interest in being informed about incidents that fall under this Policy, pursuant to the Family Educational Rights and Privacy Act (FERPA).

Only a small group of School employees who need to know will typically be told about the complaint. Information will be shared as necessary with Investigators, Decision-makers, witnesses, and the parties. The circle of people with this knowledge will be kept as tight as possible to preserve the parties' rights and privacy.

The School may contact parents/guardians of future professionals to inform them of situations in which there is a significant and articulable health and/or safety risk but will usually consult with the Future Professional first before doing so.

## **12. Jurisdiction<sup>6</sup>**

This Policy applies to the School's education program and activities<sup>7</sup> regarding conduct that takes place on property owned or controlled by the School, and at School-sponsored events. The Respondent must be a member of the School's community in order for this Policy to apply.

This Policy can also be applicable to the effects of off-campus misconduct that effectively deprives a person of access to the School's education program or activities. The School may also extend jurisdiction to off-campus and/or to online conduct when the Title IX Coordinator determines that the conduct affects a substantial School interest.

---

<sup>3</sup>For the purpose of this Policy, privacy means that information related to a complaint will be shared with a limited number of School employees who "need to know" in order to assist in the assessment, investigation, and resolution of the complaint. All employees who are involved in the School's response to notice under this Policy receive specific training and guidance about sharing and safeguarding private information in accordance with state and federal law. The privacy of Future Professional education records will be protected in accordance with the Family Educational Rights and Privacy Act (FERPA), as outlined in the School's Student Right of Access/FERPA policy. The privacy of employee records will be protected in accordance with Human Resources policies.

<sup>4</sup>20 U.S.C. 1232g

<sup>5</sup>34 C.F.R. § 99

<sup>6</sup>CA Educ. Code, Section 66281.1 requires Schools take reasonable steps to respond to each incident of sexual harassment. The School will take reasonable steps to respond to each incident of sexual harassment involving individuals subject to the School's policies that occur in connection with any educational activity or other program of the School, as well as incidents that occurred outside of those educational programs or activities, whether they occurred on or off campus, if, based on the allegations, there is any reason to believe that the incident could contribute to a hostile educational environment or otherwise interfere with a Future Professional's access to education.

<sup>7</sup>This includes the School's employees' work environment.

Regardless of where the conduct occurred, the School will address notice/complaints to determine whether the conduct occurred in the context of its employment or education program or activity and/or has continuing effects on campus (including virtual learning and employment environments) or in an off campus sponsored program or activity. A substantial School interest includes:

- 1) Any action that constitutes a criminal offense as defined by law. This includes, but is not limited to, single or repeat violations of any local, state, or federal law.
- 2) Any situation in which it is determined that the Respondent poses an immediate threat to the physical health or safety of any Future Professional, employee, or other individual.
- 3) Any situation that significantly impinges upon the rights, property, or achievements of others, significantly breaches the peace, and/or causes social disorder.
- 4) Any situation that substantially interferes with the educational interests or mission of the School.

If the Respondent is unknown or is not a member of the School community, the Title IX Coordinator will assist the Complainant in identifying appropriate School and local resources and support options. If criminal conduct is alleged, the School can assist in contacting local law enforcement if the individual would like to file a police report.

Further, even when the Respondent is not a member of the School's community, supportive measures, remedies, and resources may be provided to the Complainant by contacting the Title IX Coordinator.

In addition, the School may take other actions as appropriate to protect the Complainant against third parties, such as barring individuals from School property and/or events.

All vendors serving the School through third-party contracts are subject to the policies and procedures of their employers.

When the Respondent is enrolled in or employed by another institution, the Title IX Coordinator can assist the Complainant in liaising with the appropriate individual at that institution, as it may be possible to pursue action under that institution's policies.

Similarly, the Title IX Coordinator may be able to assist and support a Future Professional or employee Complainant who experiences discrimination in an externship or other environment external to the School where sexual harassment or nondiscrimination policies and procedures of the facilitating or host organization may give the Complainant recourse.

### **13. Time Limits on Reporting**

There is no time limitation on providing notice/complaints to the Title IX Coordinator. However, if the Respondent is no longer subject to the School's jurisdiction and/or significant time has passed, the ability to investigate, respond, and/or provide remedies may be more limited or impossible.

Acting on notice/complaints significantly impacted by the passage of time (including, but not limited to, the rescission or revision of policy) is at the discretion of the Title IX Coordinator, who may document allegations for future reference, offer supportive measures and/or remedies, and/or engage in informal or formal action, as appropriate.

## **14. Online Harassment and Misconduct**

The School's policies are written and interpreted broadly to include online manifestations of any of the behaviors prohibited below, when those behaviors occur in or have an effect on the School's education program and activities or when they involve the use of School networks, technology, or equipment.

Although the School may not control websites, social media, and other venues through which harassing communications are made, when such communications are reported to the School, it will engage in a variety of means to address and mitigate the effects.

Members of the community are encouraged to be good digital citizens and to refrain from online misconduct, such as feeding anonymous gossip sites; sharing inappropriate content via social media; participating in unwelcome sexual or sex-based messaging; distributing, or threatening to distribute, nude or semi-nude photos or recordings; performing breaches of privacy; or otherwise using the ease of transmission and/or anonymity of the Internet or other technology to harm another member of the School's community.

Off-campus harassing speech by employees, whether online or in person, may be regulated by the School only when such speech is made in an employee's official or work-related capacity.

## **15. Policy on Nondiscrimination**

The School adheres to all federal, state, and local civil rights laws and regulations prohibiting discrimination in private higher education institutions.

### **A. Protected Characteristics**

The School does not discriminate against any employee, applicant for employment, Future Professional, or applicant for admission on the basis of:

- Sex (including pregnancy, childbirth, and related conditions)
- Race
- Religion
- Creed
- Color
- National Origin
- Ancestry
- Military or Veteran Status
- Physical or Mental Disability
- Medical Condition
- Marital Status
- Age
- Genetic Information
- Sexual Orientation
- Gender Identity
- Gender Expression
- Any other protected characteristic under applicable local, state, or federal law, including protections for those opposing discrimination or participating in any Grievance Process within the School, with the Equal Employment Opportunity Commission, and/or other human/civil rights agencies

This Policy covers nondiscrimination in both employment and access to educational opportunities. Therefore, any member of the School's community whose acts deny, deprive, or limit the educational or employment access, benefits, and/or opportunities of any member of the School's community, guest, or visitor on the basis of that person's actual or perceived protected characteristics listed above, is in violation of the School's Nondiscrimination Policy.

When brought to the attention of the School, any such discrimination will be promptly and fairly addressed and remedied by the School according to the appropriate Grievance Process.

## **B. Inclusion Related to Gender Identity/Expression**

The School strives to ensure that all individuals are safe, included, and respected in their working and learning environments, regardless of their gender identity or expression, including intersex, transgender, agender, and gender diverse Future Professionals and employees.

Discrimination on the basis of gender identity or expression is not tolerated by the School. If a member of the School community feels they have been subjected to discrimination under this Policy, they should follow the appropriate reporting/Formal Complaint process described above.

In upholding the principles of equity and inclusion, the School supports the full integration and healthy development of those who are transgender, transitioning, or gender diverse, and seeks to eliminate any stigma related to gender identity and expression.

The School is committed to fostering a climate where all identities are valued and create a more vibrant and diverse community. The purpose of this Policy is to have the School administratively address issues some Future Professionals and employees, including those identifying as intersex, transgender, agender, and gender diverse, may confront as they navigate systems originally designed around the assumption that gender is binary. As our society's understanding of gender evolves, so do the School's processes and policies.

Concepts like misgendering and deadnaming may not be familiar to all but understanding them is essential to the School's goal of being as welcoming and inclusive a community as possible.

Misgendering is the intentional or unintentional use of pronouns or identifiers that are different from those used by an individual. Unintentional misgendering is usually resolved with a simple apology if someone clarifies their pronouns for you. Intentional misgendering is inconsistent with the type of community we hold ourselves out to be. We all get to determine our own gender identity and expression, but we do not get to choose or negate someone else's.

Deadnaming, along with misgendering, can be very traumatic to a person who is transgender, transitioning, or gender diverse. Deadnaming means using someone's birth-assigned (cisgender) name, rather than the name they have chosen.

To a person who is transgender, transitioning, or gender diverse, their cisgender identity may be something that is in their past, dead, buried, and behind them. To then revive their deadname could trigger issues, traumas, and experiences of the past that the individual has moved past, or is moving past, and can interfere with their health and well-being.

Again, unintentional deadnaming can be addressed by a simple apology and an effort to use the person's chosen name. Intentional deadnaming could be a form of bullying, outing, or otherwise harassing an individual, and thus should be avoided.

This Policy should be interpreted consistent with the goals of maximizing the inclusion of intersex, transgender, transitioning, agender, and gender diverse Future Professionals and employees, including:

- Maintaining the privacy of all individuals consistent with law
- Ensuring all Future Professionals equal access to educational programming, activities, and facilities, including restrooms
- Ensuring all employees equal access to employment opportunities
- Providing professional development for employees and education for Future Professionals on topics related to gender inclusion
- Encouraging all future employees and employees to respect the pronoun usage and identities of all members of the School's community

The School has set forth its specific processes for implementing this Policy through the accompanying Title IX-related procedures.

## **16. Disability Discrimination and Accommodation Policy**

The School is committed to full compliance with the Americans with Disabilities Act of 1990 (ADA), as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibit discrimination against qualified persons with disabilities, as well as other federal, state, and local laws and regulations pertaining to individuals with disabilities.

Under the ADA and its amendments, a person has a disability if they have a physical or mental impairment that substantially limits a major life activity.

The ADA also protects individuals who have a record of a substantially limiting impairment or who are regarded as disabled by the School, regardless of whether they currently have a disability. A substantial impairment is one that significantly limits or restricts a major life activity such as hearing, seeing, speaking, breathing, performing manual tasks, walking, or caring for oneself.

Ryan Bedoya has been designated as School's ADA/504 Coordinator responsible for overseeing efforts to comply with these disability laws, including responding to grievances and conducting investigations of any allegation of noncompliance or discrimination based on disability.

Grievances related to disability status and/or accommodations will be addressed using the School's Policies and Procedures for Students with Disabilities. For details relating to disability accommodations in the School's Grievance Process, see page 79 below.

### **Future Professionals with Disabilities**

The School is committed to providing qualified Future Professionals with disabilities with reasonable accommodations and support needed to ensure equal access to the School's academic programs, facilities, and activities.

Future Professionals with disabilities who wish to request a reasonable accommodation (including academic adjustments, auxiliary aids, or modifications) must contact the School's ADA/504 Coordinator. Future Professionals are required to provide documentation of their disability from a professional who has diagnosed and/or treated their disability. The documentation submitted must be current and reflect a date within the past twelve months; if the document is older than twelve months, the Future Professional must provide current documentation from an appropriate professional.

Accommodations are made on an individualized basis. The School's ADA/504 Coordinator will review the documentation provided by the Future Professional and, in consultation with the Future Professional, will determine within ten (10) days which accommodation(s) are appropriate for the Future Professional's needs and academic program(s) in accordance with applicable School policies. Once accommodations are approved, the School's ADA/504 Coordinator will notify relevant School officials of the accommodations. If the Future Professional's program changes or is expected to change, the School's ADA/504 Coordinator will schedule an appointment with the Future Professional to determine whether the Future Professional's accommodations should be altered.

## **17. Discriminatory Harassment Policy**

Future Professionals and employees are entitled to an educational and employment environment that is free of discriminatory harassment. This Policy is not meant to inhibit or prohibit educational content or discussions inside or outside of the classroom that include germane, but controversial, or sensitive subject matters protected by academic freedom.

The sections below describe the specific forms of legally prohibited harassment that are also prohibited under the School's Policy. When speech or conduct is protected by academic freedom, it will not be considered a violation of School Policy, though supportive measures will be offered to those impacted. All offense definitions encompass actual and/or attempted offenses.

## **A. Discriminatory Harassment**

**Discriminatory harassment**—defined as unwelcome conduct by any member or group of the community on the basis of actual or perceived characteristic protected by policy or law—is a form of prohibited discrimination under School Policy.

The School does not tolerate discriminatory harassment of any employee, Future Professional, customer or service guest, third-party, vendor, or anyone else who does business with the School. The School will act to remedy all forms of harassment when reported, whether or not the harassment rises to the level of creating a "hostile environment." A hostile environment is one that unreasonably interferes with, limits, or effectively denies an individual's educational or employment access, benefits, or opportunities.<sup>8</sup> This discriminatory effect results from harassing verbal, written, graphic, and/or physical conduct that is severe or pervasive and objectively offensive.

When discriminatory harassment rises to the level of creating a hostile environment, the School may also impose sanctions on the Respondent through application of the appropriate Grievance Process.

The School reserves the right to address offensive conduct and/or harassment that (1) does not rise to the level of creating a hostile environment, or (2) that is of a generic nature and not based on a protected characteristic. Addressing such conduct will not result in the imposition of discipline under School policy, but may be addressed through respectful conversation, remedial actions, education, effective Alternative Resolution, and/or other Informal Resolution mechanisms.

For assistance with Alternative Resolution and other Informal Resolution techniques and approaches, employees and Future Professionals should contact the Director or Managing Owner.

## **B. Sexual Harassment**

The Department of Education's Office for Civil Rights (OCR), the Equal Employment Opportunity Commission (EEOC), and the State of California regard sexual harassment, a specific form of discriminatory harassment, as an unlawful discriminatory practice.

The School has adopted the following definitions of sexual harassment in order to address the unique environment of an academic community. One definition is required by federal law and the other by state law. Both apply, and while they overlap, they are not identical.

### **California Sexual Harassment Definition<sup>9</sup>:**

- a. unwelcome sexual advances, or
- b. requests for sexual favors, or
- c. other verbal, visual, or physical conduct of a sexual nature,
- d. made by someone from in the work or educational setting,
- e. under any of the following conditions:
  - submission to the conduct is explicitly or implicitly made a term or condition of an individual's employment, academic status, or progress, or
  - submission to, or rejection of, the conduct by the individual is used as the basis of employment or academic decisions affecting the individual, or
  - the conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment, or

<sup>8</sup>This definition of hostile environment is based on Federal Register / Vol. 59, No. 47 / Thursday, March 10, 1994: Department of Education Office for Civil Rights, Racial Incidents and Harassment Against Students at Educational Institutions Investigative Guidance.

<sup>9</sup>This definition of sexual harassment will be used in addition to and when formal complaints of Title IX Sexual Harassment are mandatorily dismissed. See section on Dismissal outlined below.

- submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.

**Sexual Violence, defined as:**

- a. physical sexual acts,<sup>10</sup>
- b. perpetrated against a person without the person’s affirmative consent.

Acts of sexual harassment may be committed by any person upon any other person, regardless of the sex, sexual orientation, and/or gender identity of those involved.

**Title IX Sexual Harassment**, as an umbrella category, includes these specific definitions of sexual harassment, sexual assault, domestic violence, dating violence, and stalking, and is defined as:

Conduct on the basis of sex <sup>11</sup>, or that is sexual in nature, that satisfies one or more of the following:

1) **Quid Pro Quo:**

- a. an employee of the School,
- b. conditions<sup>12</sup> the provision of an aid, benefit, or service of the School,
- c. on an individual’s participation in unwelcome sexual conduct.

2) **Sexual Harassment:**

- a. unwelcome conduct,
- b. determined by a reasonable person,
- c. to be so severe, and
- d. pervasive, and,
- e. objectively offensive,
- f. that it effectively denies a Complainant equal access to the School’s education program or activity <sup>13</sup>.

---

<sup>10</sup>A “physical sexual act” includes both of the following:

**a. Rape:**

- penetration,
- no matter how slight,
- of the vagina or anus,
- with any part or object,
- or oral copulation of a sex organ
- by another person
- without the consent of the victim.

**b. Sexual Battery:**

- the intentional touching of another person’s intimate parts without consent, or
- intentionally causing a person to touch the intimate parts of another without consent, or
- using a person’s own intimate part to intentionally touch another person’s body part without consent.

<sup>11</sup>Including gender identity, gender expression, sexual orientation, and sex stereotypes.

<sup>12</sup>Implicitly or explicitly.

<sup>13</sup>Unwelcomeness is subjective and determined by the Complainant (except when the Complainant is younger than the age of consent, which is 18 in California). Severity, pervasiveness, and objective offensiveness are evaluated based on the totality of the circumstances from the perspective of a reasonable person in the same or similar circumstances (“in the shoes of the Complainant”), including the context in which the alleged incident occurred and any similar, previous patterns that may be evidenced. This definition is broad enough to potentially encompass forms of sex-based disparate treatment, even if not harassing in nature.

3) **Sexual Assault, defined as:**

- a. Any sexual act<sup>14</sup> directed against a Complainant<sup>15</sup>,
  - without their consent,
  - instances in which the Complainant is incapable of giving consent<sup>16</sup>.
- b. **Incest:**
  - Non-forcible sexual intercourse,
  - between persons who are related to each other,
  - within the degrees wherein marriage is prohibited by California law.
- c. **Statutory Rape:**
  - Non-forcible sexual intercourse,
  - with a person who is under the statutory age of consent (18 years of age in California).

4) **Dating Violence, defined as:**

- a. violence,
- b. on the basis of sex,
- c. committed by a person,
- d. who is in or has been in a social relationship of a romantic or intimate nature with the Complainant.
- i. The existence of such a relationship shall be determined based on the Complainant's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition:
  - a) Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
  - b) Dating violence does not include acts covered under the definition of domestic violence.

---

<sup>14</sup>A "sexual act" is specifically defined by federal regulations to include one or more of the following:

Rape:

- Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person,
- without their consent,
- including instances where they are incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

Sodomy:

- Oral or anal sexual intercourse with a Complainant,
- forcibly, and/or
- against their will (non-consensually), or
- not forcibly or against their will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

Sexual Assault with an Object:

- The use of an object or instrument to penetrate,
- however slightly,
- the genital or anal opening of the body of the Complainant,
- forcibly, and/or
- against their will (non-consensually), or
- not forcibly or against their will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

Fondling:

- The touching of the private body parts of the Complainant (buttocks, groin, breasts),
- for the purpose of sexual gratification,
- forcibly, and/or
- against their will (non-consensually), or
- not forcibly or against their will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

<sup>15</sup>This would include having another person touch you sexually, forcibly, and/or without consent.

<sup>16</sup>This definition set is not taken from NIBRS verbatim. ATIXA has substituted Complainant for "victim," has removed references to his/her throughout, has defined "private body parts," has removed the confusing and unnecessary term "unlawfully," and has inserted language clarifying that the School interprets "against the person's will" to mean "non-consensually." These are liberties ATIXA thinks are important to take with respect to the federal definitions, but users should consult legal counsel before adopting them.

**5) Domestic Violence<sup>17</sup>**, defined as:

- a. violence,
- b. on the basis of sex,
- c. committed by a current or former spouse or intimate partner of the Complainant,
- d. by a person with whom the Complainant shares a child in common, or
- e. by a person who is cohabitating with, or has cohabitated with, the Complainant as a spouse or intimate partner, or
- f. by a person similarly situated to a spouse of the Complainant under the domestic or family violence laws of California, or
- g. by any other person against an adult or youth Complainant who is protected from that person's acts under the domestic or family violence laws of California.

**6) Stalking**, defined as:

- a. engaging in a course of conduct,
- b. on the basis of sex,
- c. directed at the Complainant, that
  - i. would cause a reasonable person to fear for the person's safety, or
  - ii. the safety of others; or
  - iii. suffer substantial emotional distress.

For the purposes of this definition:

- Course of conduct means two or more acts, including, but not limited to, acts in which the Respondent directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.
- Reasonable person means a reasonable person under similar circumstances and with similar identities to the Complainant.
- Substantial emotional distress means significant mental suffering or anguish that may but does not necessarily require medical or other professional treatment or counseling.

The School reserves the right to impose any level of sanction, ranging from a reprimand up to and including suspension or expulsion/termination, for any offense under this Policy. The most serious offenses are likely to result in suspension/expulsion/ termination.

**C. Unethical Relationships Policy**

There are inherent risks in any romantic or sexual relationship between individuals in unequal positions (such as supervisor and employee). In reality, these relationships may be less consensual than perceived by the individual whose position confers power or authority. Similarly, the relationship also may be viewed in different ways by each of the parties, particularly in retrospect. Circumstances may change, and conduct that was once welcome may, at some point in the relationship, become unwelcome.

Even when both parties have initially consented to romantic or sexual involvement, the possibility of a later allegation of a relevant Policy violation still exists. The School does not wish to interfere with private choices regarding personal relationships when these relationships do not interfere with the goals and policies of the School. However, for the personal protection of members of this community, relationships in which power differentials are inherent (e.g., supervisor/employee) are generally discouraged. Employee relationships with Future Professionals are prohibited.

---

<sup>17</sup>To categorize an incident as Domestic Violence, the relationship between the Respondent and the Complainant must be more than just two people living together as roommates. The people cohabitating must be current or former spouses or have an intimate relationship.

Consensual romantic or sexual relationships in which one party maintains a direct supervisory or otherwise evaluative role over the other party are inherently problematic. Therefore, persons with direct supervisory or otherwise evaluative responsibilities who are involved in such relationships must bring these relationships to the timely attention of the Title IX Coordinator. The existence of this type of relationship will likely result in removing the supervisory or evaluative responsibilities from the employee or shifting a party from being supervised or evaluated by someone with whom they have established a consensual relationship. When an affected relationship existed prior to adoption of this Policy, the duty to notify the appropriate supervisor still pertains.

Failure to timely self-report such relationships to the Title IX Coordinator as required can result in disciplinary action for an employee. Engaging in a consensual relationship with a Future Professional can result in disciplinary action for an employee. The Title IX Coordinator will determine whether to refer violations of this provision to human resources for resolution, or to pursue resolution under this Policy, based on the circumstances of the allegation.

#### **D. Force, Coercion, Consent, and Incapacitation<sup>18</sup>**

As used in the offenses above, the following definitions and understandings apply:

**Force:** Force is the use of physical violence and/or physical imposition to gain sexual access. Force also includes threats, intimidation (implied threats), and coercion that is intended to overcome resistance or produce consent (e.g., “Have sex with me or I’ll hit you,” which elicits the response, “Okay, don’t hit me. I’ll do what you want.”).

Sexual activity that is forced is, by definition, non-consensual, but non-consensual sexual activity is not necessarily forced. Silence or the absence of resistance alone is not consent. Consent is not demonstrated by the absence of resistance. While resistance is not required or necessary, it is a clear demonstration of non-consent.

**Coercion:** Coercion is unreasonable pressure for sexual activity. Coercive conduct differs from seductive conduct based on factors such as the type and/or extent of the pressure used to obtain consent. When someone makes clear that they do not want to engage in certain sexual activity, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

##### **Affirmative Consent is:**

- knowing (conscious), and
- voluntary, and
- clear permission
- by word or action
- to engage in sexual activity.

Individuals may perceive and experience the same interaction in different ways. Therefore, it is the responsibility of each party to determine that the other has consented before engaging in the activity.

If consent is not clearly provided prior to engaging in the activity, consent may be ratified by word or action at some point during the interaction or thereafter, but clear communication from the outset is strongly encouraged.

For consent to be valid, there must be a clear expression in words or actions that the other individual consented to that specific sexual conduct. Reasonable reciprocation can be implied consent. For example, if someone kisses you, you can kiss them back (if you want to) without the need to explicitly obtain *their* consent to being kissed back.

---

<sup>18</sup>The state definition of consent is “positive cooperation in act or attitude pursuant to the exercise of free will. The person must act freely and voluntarily and have knowledge of the nature of the act and the transaction involved.” A current or previous dating or marital relationship shall not be sufficient to constitute consent where consent is an issue. This definition of consent is applicable to criminal prosecutions for sex offenses in California but may differ from the definition used on campus to address policy violations.

Consent can also be withdrawn once given, as long as the withdrawal is reasonably and clearly communicated. If consent is withdrawn, that sexual activity should cease within a reasonably immediate time.

Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). A current or previous intimate relationship is not sufficient to constitute consent. If an individual expresses conditions on their willingness to consent (e.g., use of a condom) or limitations on the scope of their consent, those conditions and limitations must be respected.

Proof of consent or non-consent is not a burden placed on either party involved in a complaint. Instead, the burden remains on the School to determine whether its policy has been violated. The existence of consent is based on the totality of the circumstances evaluated from the perspective of a reasonable person in the same or similar circumstances, including the context in which the alleged misconduct occurred and any similar and previous patterns that may be evidenced.

Consent in relationships must also be considered in context. When parties consent to BDSM<sup>19</sup> or other forms of kink, non-consent may be shown by the use of a safe word. Resistance, force, violence, or even saying “no” may be part of the kink and thus consensual, thus the School’s evaluation of communication in kink situations should be guided by reasonableness, rather than strict adherence to policy that assumes non-kink relationships as a default.

**Incapacitation:** A person cannot consent if they are unable to understand what is happening or are disoriented, helpless, asleep, or unconscious for any reason, including due to alcohol or other drug consumption.

In the evaluation of complaints, it shall not be a valid defense that the Respondent believed that the Complainant affirmatively consented to the sexual activity if the Respondent knew or reasonably should have known that the Complainant was unable to consent to the sexual activity under any of the following circumstances:

- 1) The Complainant was asleep or unconscious.
- 2) The Complainant was incapacitated due to the influence of drugs, alcohol, or medication, so that the Complainant could not understand the fact, nature, or extent of the sexual activity.
- 3) The Complainant was unable to communicate due to a mental or physical condition.

Thus, it is a defense to a sexual assault policy violation that the Respondent neither knew nor should have known the Complainant to be physically or mentally incapacitated. “Should have known” is an objective, reasonable person standard that assumes that a reasonable person is both sober and exercising sound judgment. In the evaluation of complaints, it shall not be a valid defense to alleged lack of affirmative consent that the Respondent believed that the Complainant consented to the sexual activity under either of the following circumstances:

- 1) The Respondent’s belief in affirmative consent arose from the intoxication or recklessness of the Respondent.
- 2) The Respondent did not take reasonable steps, in the circumstances known to the Respondent at the time, to ascertain whether the Complainant affirmatively consented.

Incapacitation occurs when someone cannot make rational, reasonable decisions because they lack the capacity to give knowing/informed consent (e.g., to understand the “who, what, when, where, why, and how” of their sexual interaction).

Incapacitation is determined through consideration of all relevant indicators of an individual’s state and is not synonymous with intoxication, impairment, blackout, and/or being drunk.

This Policy also covers a person whose incapacity results from a temporary or permanent physical or mental health condition, involuntary physical restraint, and/or the consumption of incapacitating substances.

---

<sup>19</sup>Bondage, discipline/dominance, submission/sadism, and masochism.

## E. Other Civil Rights Offenses<sup>20</sup>

In addition to the forms of sexual harassment described above, which are covered by Title IX, the School additionally prohibits the following offenses as forms of discrimination that may be within or outside of Title IX when the act is based upon the Complainant's actual or perceived protected characteristic.

### 1) **Sexual Exploitation**, defined as:

- a. person taking sexual advantage of another person,
- b. for the benefit of anyone other than that person,
- c. without that person's consent,
- d. including, but not limited to, any of the following acts:
  - the prostituting of another person,
  - the trafficking of another person, defined as the inducement of a person to perform a commercial sex act, or labor or services, through force, fraud, or coercion,
  - the recording of images, including video or photograph, or audio of another person's sexual activity or intimate parts, without that person's consent,
  - the distribution of images, including video or photograph, or audio of another person's sexual activity or intimate parts, if the individual distributing the images or audio knows or should have known that the person depicted in the images or audio did not consent to the disclosure, or
  - The viewing of another person's sexual activity or intimate parts, in a place where the other person would have a reasonable expectation of privacy, without that person's consent, for the purpose of arousing or gratifying sexual desire.
  - Invasion of sexual privacy (e.g., doxxing)
  - Knowingly making an unwelcome disclosure of (or threatening to disclose) an individual's sexual orientation, gender identity, or gender expression
  - Engaging in sexual activity with another person while knowingly infected with human immunodeficiency virus (HIV) or a sexually transmitted disease (STD) or infection (STI), without informing the other person of the virus, disease, or infection
  - Causing or attempting to cause the incapacitation of another person (through alcohol, drugs, or any other means) for the purpose of compromising that person's ability to give consent to sexual activity, or for the purpose of making that person vulnerable to non-consensual sexual activity
  - Misappropriation of another person's identity on apps, websites, or other venues designed for dating or sexual connections (e.g., spoofing)
  - Forcing a person to take an action against that person's will by threatening to show, post, or share information, video, audio, or an image that depicts the person's nudity or sexual activity
  - Knowingly soliciting a minor for sexual activity
  - Knowingly creating, possessing, or disseminating child pornography

### 2) **Harm/Endangerment**, defined as:

- a. threatening or causing physical harm;
- b. extreme verbal, emotional, or psychological abuse; or
- c. other conduct which threatens or endangers the health or safety of any person or damages their property.

### 3) **Discrimination**, defined as:

- a. actions that deprive, limit, or deny
- b. other members of the community
- c. of educational or employment access, benefits, or opportunities,
- d. including disparate treatment.

---

<sup>20</sup>The definitions in this section may apply when formal complaints of Title IX Sexual Harassment are mandatorily dismissed but may also apply in addition to the Title IX offenses listed above. See section on Dismissal outlined below.

- 4) Intimidation**, defined as:
- a. implied threats or
  - b. acts that cause the Complainant reasonable fear of harm.

- 5) Bullying<sup>21</sup>**, defined as:
- a. repeated and/or severe aggressive behavior
  - b. that is likely to intimidate or intentionally hurt, control, or physically or mentally diminish the Complainant.

Violation of any other School policies may constitute a Civil Rights Offense when a violation is motivated by actual or perceived protected characteristic(s), and the result is a discriminatory limitation or denial of employment or educational access, benefits, or opportunities.

Sanctions for the above-listed Civil Rights Offenses range from coaching through termination.

## **18. Retaliation**

Protected activity under this Policy includes reporting alleged misconduct that may implicate this Policy, participating in the resolution process, supporting a Complainant or Respondent, assisting in providing information relevant to an investigation, and/or acting in good faith to oppose conduct that constitutes a violation of this Policy.

Acts of alleged retaliation should be reported immediately to the Title IX Coordinator and will be promptly investigated. The School will take all appropriate and available steps to protect individuals who fear that they may be subjected to retaliation.

The School and any member of the School's community are prohibited from taking or attempting to take materially adverse action by intimidating, threatening, coercing, harassing, or discriminating against any individual for the purpose of interfering with any right or privilege secured by law or policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Policy and procedure.

Pursuing a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this Policy and procedure does not constitute retaliation, provided that the determination of responsibility, by itself, is not sufficient to conclude that any party has made a materially false statement in bad faith.

## **19. Mandated Reporting**

The School has determined that the following employees are Responsible Employees who have a duty to address and correct harassment, discrimination, and/or retaliation, or who have the duty to report sexual harassment to an appropriate School official who has that authority. Responsible Employees have received the same training as the Grievance Process Pool (as outlined in Pool Member Training) and have been trained on how to report prohibited conduct under this Policy.

- Director
- Financial Services Leader
- Admissions Leader
- Future Professional Advisor
- Education Leaders
- Learning Leaders

---

<sup>21</sup>The School's Anti-Bullying Policy prohibits bullying not covered by this policy.

If a Complainant expects formal action in response to their allegations, reporting to any Responsible Employee can connect them with resources to report alleged crimes and/or policy violations, and these employees will immediately pass reports to the Title IX Coordinator (and/or police, if desired by the Complainant or required by law), who will act when an incident is reported to them.

The following sections describe the School's reporting options for a Complainant or third party (including parents/guardians when appropriate):

### **A. Confidential Resources**

If a Complainant would like the details of an incident to be kept confidential, the Complainant may speak with:

- Community-based Service Providers:
  - Licensed professional counselors and other medical providers
  - Local rape crisis counselors
  - Domestic violence resources
  - Local or state assistance agencies
  - Clergy/Chaplains
  - Attorneys

The above-listed individuals will maintain confidentiality when acting under the scope of their licensure, professional ethics, professional credentials, or official designation, except in extreme cases of immediacy of threat or danger or abuse of a minor/elder/individual with a disability, or when required to disclose by law or court order.

### **B. Mandated Reporters and Formal Notice/Complaints**

Specific School employees are Mandated Reporters and must promptly share with the Title IX Coordinator all known details of a report made to them in the course of their employment. These employees include those listed above.

Mandated Reporters must also promptly share all details of behaviors under this Policy that they observe or have knowledge of, even if not reported to them by a Complainant or third party.

Complainants may want to carefully consider whether they share personally identifiable details with non-confidential Mandated Reporters, as those details must be shared with the Title IX Coordinator.

Generally, disclosures in climate surveys, admissions essays, or at events such as "Take Back the Night" marches or speak-outs do not provide notice that must be reported to the Title IX Coordinator by employees, unless the Complainant clearly indicates that they desire a report to be made or to seek a specific response from the School.

Supportive measures may be offered as the result of such disclosures without formal School action.

Failure of a Mandated Reporter, as described above in this section, to report an incident of harassment, discrimination, or retaliation of which they become aware is a violation of School Policy and can be subject to disciplinary action for failure to comply/failure to report.

Though this may seem obvious, when a Mandated Reporter is engaged in harassment or other violations of this Policy, they still have a duty to report their own misconduct, though the School is technically not on notice simply because a harasser is also a Mandated Reporter unless the harasser does in fact report themselves.

Finally, it is important to clarify that a Mandated Reporter who is a target themselves of harassment or other misconduct under this Policy is not required to report their own experience, though they are, of course, encouraged to do so.

## **20. Notice to Law Enforcement**

There may be circumstances where the School is obliged to report an incident of violent crime, hate crime, or sexual assault immediately, or as soon as practicably possible, to local law enforcement.

### Requests for Confidentiality with Respect to Reporting to Law Enforcement

Complainants have the right to decide if they want to make a report to the police and/or speak with the police. The School will honor requests for confidentiality. Local law enforcement agencies are prohibited from disclosing information about most sexual assaults if the Complainant requests anonymity. When information is shared with law enforcement, such reports will include (when the Complainant has consented to being identified):

- The name and characteristics of the alleged victim.
- The name and characteristics of the alleged perpetrator, if known.
- Description of the incident, including location, date, and time .
- Any report number assigned to the police incident report documenting the investigation being conducted by the jurisdictional agency.

## **Mandatory Reporting Requirements for Health Practitioners in California<sup>22</sup>**

Any licensed health care provider in the State of California providing services in a health facility, clinic or physician's office is required to make a report if they provide *medical treatment for a physical condition* to a patient whom they know or reasonably suspect is the victim of assaultive or abusive conduct or a firearm injury. The health practitioner is required to make a report by telephone as soon as practically possible and send a written report to a local law enforcement agency within two working days. The report must be made to the enforcement agency that has jurisdiction over the location in which the injury was sustained.

## **21. When a Complainant Does Not Wish to Proceed**

If a Complainant does not wish for their name to be shared, does not wish for an investigation to take place, and/or does not want a Formal Complaint to be pursued, they may make such a request to the Title IX Coordinator, who will evaluate that request in light of the duty to ensure the safety of the School and to comply with state or federal law.

The Title IX Coordinator has ultimate discretion over whether the School proceeds when the Complainant does not wish to do so, and the Title IX Coordinator may sign a Formal Complaint to initiate a Grievance Process, usually upon completion of an appropriate violence risk assessment and weighing the following factors:

- a. Multiple or prior reports of sexual misconduct against the Respondent.
- b. The Respondent reportedly used a weapon, physical restraints, or engaged in battery.
- c. The Respondent is a faculty or staff member with oversight of Future Professionals.
- d. There is a power imbalance between the Complainant and Respondent.
- e. The Complainant believes that the Complainant will be less safe if the Complainant's name is disclosed, or an investigation conducted.
- f. The School is able to conduct a thorough investigation and obtain relevant evidence in the absence of the Complainant's cooperation.

---

<sup>22</sup>Specific questions regarding interpretation of the law should be referred to your legal counsel and/or local district attorney. Please see Cal. Penal Code §§ 11160-11163.2.

In instances where the Complainant's request for confidentiality or no investigation is granted, the School will provide supportive measures to the Complainant and take reasonable steps to respond to the complaint, consistent with the request, to limit the effects of the alleged sexual harassment and prevent its recurrence without initiating formal action against the alleged Respondent or revealing the identity of the Complainant. These steps may include but are not limited to:

- Increased monitoring, supervision, or security at locations or activities where the alleged misconduct occurred
- Providing additional training and education materials for Future Professionals and employees
- Conducting climate surveys regarding sexual violence

The School will also take immediate steps to provide for the safety of the Complainant while keeping the Complainant's identity confidential, as appropriate. These steps may include changing living arrangements or course schedules, assignments, or tests. The Complainant will be notified that the steps the School will take to respond to the complaint will be limited by the request for confidentiality.

When the Title IX Coordinator executes the written complaint, they do not become the Complainant. The Complainant is the individual who is alleged to be the victim of conduct that could constitute a violation of this Policy.

When the School proceeds, the Complainant (and/or their Advisor) may have as much or as little involvement in the process as they wish. The Complainant retains all rights of a Complainant under this Policy irrespective of their level of participation. Typically, when the Complainant chooses not to participate, the Advisor may be appointed as proxy for the Complainant throughout the process, acting to ensure and protect the rights of the Complainant, though this does not extend to the provision of evidence or testimony. The School will inform the Complainant prior to initiating the Formal Resolution Process and take immediate steps to provide for the safety of the Complainant, where appropriate. In the event the Complainant requests that the School inform the Respondent that the Complainant asked the School not to investigate or seek discipline, the School will honor this request.

Note that the School's ability to remedy and respond to notice may be limited if the Complainant does not want the School to proceed with an investigation and/or Grievance Process. The goal is to provide the Complainant with as much control over the process as possible, while balancing the School's obligation to protect its community.

In cases in which the Complainant requests confidentiality/no formal action and the circumstances allow the School to honor that request, the School may offer Informal Resolution options, supportive measures, and remedies to the Complainant and the community, but will not otherwise pursue formal action.

If the Complainant elects to take no action, they can change that decision if they decide to pursue a Formal Complaint at a later date. Upon making a Formal Complaint, a Complainant has the right, and can expect, to have allegations taken seriously by the School and to have the incidents investigated and properly resolved through these procedures. Please consider that delays may cause limitations on access to evidence, or present issues with respect to the status of the parties.

## **22. Federal Timely Warning Obligations**

The School must issue timely warnings for reported incidents that pose a serious or continuing threat of bodily harm or danger to members of the School's community.

The School will ensure that a Complainant's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the potential danger.

### **23. Federal Statistical Reporting Obligations**

Certain School officials—those deemed Campus Security Authorities—have a duty to report the following for federal statistical reporting purposes (Clery Act):

- 1) All “primary crimes,” which include criminal homicide, rape, fondling, incest, statutory rape, robbery, aggravated assault, burglary, motor vehicle theft, and arson
- 2) Hate crimes, which include any bias-motivated primary crime as well as any bias-motivated larceny or theft, simple assault, intimidation, or destruction/damage/vandalism of property
- 3) VAWA-based crimes<sup>23</sup>, which include sexual assault, domestic violence, dating violence, and stalking
- 4) Arrests and referrals for disciplinary action for weapons-related law violations, liquor-related law violations, and drug law violations

All personally identifiable information is kept private, but statistical information must be shared with the Director regarding the type of incident and its general location (on or off campus or in the surrounding area, but no addresses are given) for publication in the Annual Security Report and daily campus crime log. Campus Security Authorities include: the Director, Financial Services Leader, the Admissions Leader, the Future Professional Advisor, and the local police.

### **24. False Allegations and Evidence**

Deliberately false and/or malicious accusations under this Policy are a serious offense and will be subject to appropriate disciplinary action. This does not include allegations that are made in good faith but are ultimately shown to be erroneous or do not result in a policy violation determination.

Additionally, witnesses and parties knowingly providing false evidence; tampering with, or destroying, evidence; or deliberately misleading an official conducting an investigation, hearing, or Informal Resolution can be subject to discipline under appropriate School policies.

### **25. Amnesty**

The School encourages the reporting of misconduct and crimes by Complainants and witnesses. Sometimes, Complainants or witnesses are hesitant to report to School officials or participate in Grievance Processes because they fear that they themselves may be in violation of certain policies, such as underage drinking or use of illicit drugs at the time of the incident. Respondents may hesitate to be forthcoming during the process for the same reasons.

It is in the best interests of the School community that Complainants choose to report misconduct to School officials, that witnesses come forward to share what they know, and that all parties be forthcoming during the process.

To encourage reporting and participation in the process, the School maintains a policy of offering parties and witnesses amnesty from minor policy violations—such as underage consumption of alcohol or the use of illicit drugs—related to the incident.

Amnesty does not apply to more serious allegations such as physical abuse of another or illicit drug distribution. The decision not to offer amnesty to a Respondent is based on neither sex nor gender, but on the fact that collateral misconduct is typically addressed for all Future Professionals within a progressive discipline system, and the rationale for amnesty—the incentive to report serious misconduct—is rarely applicable to Respondent with respect to a Complainant.

---

<sup>23</sup>VAWA is the Violence Against Women Act, enacted in 1994 and codified in part at 42 U.S.C. sections 13701 through 14040.

## **A. Future Professionals**

Sometimes, Future Professionals are hesitant to assist others for fear that they may get in trouble themselves (for example, an underage Future Professional who has been drinking or using marijuana might hesitate to help take an individual who has experienced sexual assault to the School).

The School maintains a policy of amnesty for Future Professionals who offer help to others in need. Although policy violations cannot be overlooked, the School may provide purely educational options with no official disciplinary finding, rather than punitive sanctions, to those who offer their assistance to others in need.

## **B. Employees**

Sometimes, employees are hesitant to report harassment, discrimination, or retaliation they have experienced for fear that they may get in trouble themselves. For example, an employee who has violated the unethical relationship policy and is then assaulted in the course of that relationship might hesitate to report the incident to School officials.

The School may, at its discretion, offer employee Complainants amnesty from such policy violations (typically more minor policy violations) related to the incident. Amnesty may also be granted to Respondents and witnesses on a case-by-case basis.

## **26. Preservation of Evidence**

The preservation of evidence in incidents of sexual assault and stalking is critical to potential criminal prosecution and to obtaining restraining/protective orders and is particularly time sensitive. The School will inform the Complainant of the importance of preserving evidence by taking actions such as the following:

### **Sexual Assault**

- Seek forensic medical assistance at the Temecula Valley Hospital, ideally within 120 hours of the incident (sooner is better).
- Avoid urinating, showering, bathing, washing hands or face, or douching, if possible, but evidence may still be collected even if you do.
- If oral sexual contact took place, refrain from smoking, eating, drinking, or brushing teeth.
- If clothes are changed, place soiled clothes in a paper bag (plastic destroys evidence) or secure evidence container.
- Seeking medical treatment can be essential even if it is not for the purposes of collecting forensic evidence.

### **Stalking**

- Evidence in the form of text and voice messages will be lost in most cases if the Complainant changes their phone number.
  - Make a secondary recording of any voice messages and/or save the audio files to a cloud server.
  - Take screenshots and/or a video recording of any text messages or other electronic messages (e.g., Instagram, Snapchat, Facebook).
- Save copies of email or social media correspondence, including notifications related to account access alerts.
- Take timestamped photographs of any physical evidence including notes, gifts, etc., in place when possible.
- Save copies of any messages, to include those showing any request for no further contact.
- Obtain copies of call logs showing the specific phone number being used rather than a saved contact name if possible.

During the initial meeting between the Complainant and the Title IX Coordinator, the importance of taking these actions will be discussed, if timely.

## **RESOLUTION PROCESS FOR ALLEGED VIOLATIONS OF THE EQUAL OPPORTUNITY, HARASSMENT, AND NONDISCRIMINATION POLICY**

### **1. Overview**

The School will act on any formal notice/complaint of violation of the Equal Opportunity, Harassment, and Nondiscrimination Policy (“the Policy”) that is received by the Title IX Coordinator<sup>24</sup> or any other Official with Authority or Responsible Employee by applying these procedures, known as the Formal Resolution Process

The procedures below apply to all allegations of harassment or discrimination on the basis of an actual or perceived protected characteristic involving Future Professionals or employees. A set of technical dismissal requirements within the Title IX regulations may apply as described below, but when a technical dismissal under the Title IX allegations is required, any remaining allegations may proceed using these same resolution procedures, clarifying which Policy provisions above are applicable. Although the effect of the Title IX regulations can be confusing, these resolution procedures apply to all Policy offenses.

The procedures below may be used to address alleged collateral misconduct by the Respondent arising from the investigation of or occurring in conjunction with reported misconduct (e.g., vandalism, physical abuse of another), when alleged violations of the Policy are being addressed at the same time. In such cases, the Title IX Coordinator may consult with the School officials who typically oversee such conduct (e.g., human resources, Future Professional advisor, Education Leaders, etc.) to provide input as needed. All other allegations of misconduct unrelated to incidents covered by the Policy will be addressed through procedures described in the School catalog, and staff handbooks.

### **2. Notice/Complaint<sup>25</sup>**

Upon receipt of a complaint or notice of an alleged policy violation by the Title IX Coordinator, the Title IX Coordinator initiates a prompt initial assessment to determine the next steps the School needs to take. The Title IX Coordinator will contact the Complainant to offer supportive measures and determine whether the Complainant wishes to file a Formal Complaint. This contact with Complainant will include the following information:

- A report received by the School that the Complainant may have been subjected to sexual harassment.
- A statement that retaliation for filing a complaint or participating in a complaint process, or both, is prohibited.
- Notice that the Complainant has the right, but not the obligation, to report the matter to law enforcement.
- The School’s investigation procedures.
- A list of potential supportive measures, such as no-contact directives and academic schedule changes.
- The importance of preserving evidence.
- A request for Complainant to meet with the Title IX Coordinator to discuss options for responding to the report.
- Information on how the School responds to reports of sexual harassment and a description of potential disciplinary consequences.

---

<sup>24</sup>Anywhere this procedure indicates “Title IX Coordinator,” the School may substitute a trained designee.

<sup>25</sup>CA Educ. Code, Sec. 66281.8 provides regardless of whether or not a complaint has been filed under the School’s grievance procedures, if the School knows, or reasonably should know, about possible sexual harassment involving individuals subject to this policy will promptly investigate to determine whether the alleged conduct has more likely than not occurred, or otherwise respond if the School determines that an investigation is not required. If the School determines that the alleged conduct more likely than not occurred, it shall immediately take reasonable steps to end the harassment, address the hostile environment, if one has been created, prevent its recurrence, and address its effects. A postsecondary institution shall be presumed to know of sexual harassment if a responsible employee knew, or, in the exercise of reasonable care, should have known, about the sexual harassment. The institution may rebut this presumption of knowledge if it shows all of the following:

(I) The institution provides training and requires all nonconfidential responsible employees to report sexual harassment.  
(II) Each nonconfidential responsible employee with actual or constructive knowledge of the conduct in question was provided training and direction to report sexual harassment.  
(III) Each nonconfidential responsible employee with actual or constructive knowledge of the conduct in question failed to report it.  
(IV) The institution shall consider and respond to requests for accommodations relating to prior incidents of sexual harassment that could contribute to a hostile educational environment or otherwise interfere with a Future Professional’s access to education where both individuals are, at the time of the request, subject to the institution’s policies.

The Title IX Coordinator will then initiate at least one of three responses:

- 1) Offering supportive measures because the Complainant does not want to file a Formal Complaint
- 2) An Informal Resolution (upon submission of a Formal Complaint)
- 3) A Formal Grievance Process including an investigation and a hearing (upon submission of a Formal Complaint)

The School uses a Formal Grievance Process as described below to determine whether the Policy has been violated. If so, the School will promptly implement effective remedies designed to ensure that it is not deliberately indifferent to harassment or discrimination, their potential recurrence, and/or their effects.

If the Title IX Coordinator receives notice from a third party who is not the actual Complainant, the Coordinator will take appropriate steps to address and remedy any potential hostile environment, to the extent possible based on the information received.

### **3. Initial Assessment**

Following receipt of notice or a Formal Complaint of an alleged violation of this Policy, the Title IX Coordinator<sup>26</sup> engages in an initial assessment, typically within five (5) business days. The steps in an initial assessment can include:

- The Title IX Coordinator seeks to determine whether the person impacted wishes to make a Formal Complaint, and will assist the person to do so, if desired.
  - If the person does not wish to do so, the Title IX Coordinator determines whether to initiate a complaint themselves because a violence risk assessment indicates a compelling threat to health and/or safety.
- If a Formal Complaint is received, the Title IX Coordinator assesses its sufficiency and works with the Complainant to make sure it is correctly completed.
- The Title IX Coordinator reaches out to the Complainant to offer supportive measures.
- The Title IX Coordinator works with the Complainant to ensure they are aware of the right to have an Advisor.
- The Title IX Coordinator works with the Complainant to determine whether the Complainant prefers a supportive and remedial response<sup>27</sup>, an Informal Resolution option, or a formal investigation and Grievance Process.
  - If a supportive and remedial response is preferred, the Title IX Coordinator works with the Complainant to identify their needs, determine appropriate supports, and implement accordingly. No Formal Grievance Process is initiated, though the Complainant can elect to initiate one later, if desired.
  - If an Informal Resolution option is preferred, the Title IX Coordinator assesses whether the complaint is suitable for Informal Resolution<sup>28-29</sup>, which informal mechanism may serve the situation best or is available, and may seek to determine whether the Respondent is also willing to engage in Informal Resolution.
  - If a Formal Grievance Process is preferred by the Complainant, the Title IX Coordinator determines whether the alleged misconduct falls within the scope of the 2020 Title IX regulations:
    - If it does, the Title IX Coordinator will initiate the formal investigation and Grievance Process, directing the investigation to address, based on the nature of the complaint:
      - an incident, and/or
      - a pattern of alleged misconduct, and/or
      - a culture/climate issue

---

<sup>26</sup>If circumstances require, the Director, Managing Owner, or Title IX Coordinator will designate another person to oversee the Grievance Process should an allegation be made about the Coordinator or the Coordinator be otherwise unavailable, unable to fulfill their duties, or have a conflict of interest.

<sup>27</sup>Per CA Educ. Code, Section 66281.8, a School will not require a Complainant enter a voluntary resolution agreement or any other form of resolution as a prerequisite to receiving remedial measures from the School which safeguard the Complainant's access to education.

<sup>28</sup>Per the 2020 Title IX regulations, recipients are prohibited from Informal Resolution of a complaint by a Future Professional against an employee.

<sup>29</sup>Per CA Educ. Code, Section 66281.8, a School may not mandate mediation to resolve allegations of sexual harassment, and will not allow mediation, even on a voluntary basis, to resolve allegations of sexual violence. Other forms of informal resolution that are not mediation are permitted.

- If alleged misconduct does not fall within the scope of the Title IX regulations, the Title IX Coordinator determines that the regulations do not apply (and will “dismiss” that aspect of the complaint, if any), assesses which policies may apply and will refer the matter accordingly. Please note that dismissing a complaint under the 2020 Title IX regulations is solely a procedural requirement under Title IX, which does not limit the School’s authority to address a complaint with an appropriate process and remedies.

## A. Violence Risk Assessment

In some cases, the Title IX Coordinator may determine that a Violence Risk Assessment (VRA) should be conducted in conjunction with relevant School employees as part of the initial assessment. A VRA can aid in ten critical and/or required determinations, including:

- 1) Emergency removal of a Respondent on the basis of immediate threat to an individual or the community’s physical health/safety
- 2) Whether the Title IX Coordinator should pursue/sign a Formal Complaint absent a willing/able Complainant
- 3) Whether the scope of the investigation should include an incident, and/or pattern of misconduct, and/or climate of hostility/harassment
- 4) To help identify potential predatory conduct
- 5) To help assess/identify grooming behaviors
- 6) Whether it is reasonable to try to resolve a complaint through Informal Resolution, and if so, what approach may be most successful
- 7) Whether to permit a voluntary withdrawal by the Respondent
- 8) Whether to communicate with a transfer school about a Respondent
- 9) Assessment of appropriate sanctions/remedies (to be applied post-hearing)
- 10) Whether a Clery Act Timely Warning/trespass order/persona non grata is needed

Threat assessment is the process of evaluating the actionability of violence by an individual against another person or group following the issuance of a direct or conditional threat. A VRA is a broader term used to assess any potential violence or danger, regardless of the presence of a vague, conditional, or direct threat.

A VRA is not an evaluation for an involuntary behavioral health hospitalization (e.g., 5150 in California), nor is it a psychological or mental health assessment. A VRA assesses the risk of actionable violence, often with a focus on targeted/predatory escalations, and is supported by research from the fields of law enforcement, criminology, human resources, and psychology.

## B. Dismissal (Mandatory and Discretionary)<sup>30</sup>

The School must dismiss a Formal Complaint or any allegations therein if, at any time during the investigation or hearing, it is determined that:

- 1) The conduct alleged in the Formal Complaint would not constitute Title IX sexual harassment as defined above, even if proved
- 2) The conduct did not occur in an educational program or activity controlled by the School, and/or the School does not have control of the Respondent
- 3) The conduct did not occur against a person in the United States
- 4) At the time of filing a Formal Complaint, a Complainant is not participating in or attempting to participate in the School’s education program or activity<sup>31</sup>

The School may dismiss a Formal Complaint or any allegations therein if, at any time during the investigation or hearing:

<sup>30</sup>This dismissal requirement is mandated by the 2020 Title IX Regulations, 34 CFR §106.45.

<sup>31</sup>Such a Complainant is still entitled to supportive measures, but the formal Grievance Process is not applicable unless the Title IX Coordinator signs the complaint in the event the Complainant cannot/will not do so.

- 1) A Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the Formal Complaint or any allegations therein
- 2) The Respondent is no longer enrolled in or employed by the School
- 3) Specific circumstances prevent the School from gathering evidence sufficient to reach a determination as to the Formal Complaint or allegations therein

A Complainant who decides to withdraw a complaint may later request to reinstate it or refile it.

Upon any dismissal, the School will promptly send written notice of the dismissal and the rationale for doing so simultaneously to the parties.

This dismissal decision is appealable by any party under the procedures for appeal (See Section 37).

#### **4. Counterclaims**

The School is obligated to ensure that the Resolution Process is not abused for retaliatory purposes, thus counterclaims made with retaliatory intent will not be permitted. The School permits the filing of counterclaims but uses an initial assessment, described above, to assess whether the allegations in the counterclaim are made in good faith.

Counterclaims determined to have been reported in good faith will be processed using the Resolution Process below. Investigation of such claims may take place after resolution of the underlying initial complaint, in which case a delay may occur.

Counterclaims may also be resolved through the same investigation as the underlying complaint, at the discretion of the Title IX Coordinator. When counterclaims are not made in good faith, they will be considered retaliatory and may constitute a violation of this policy.

#### **5. Right to an Advisor**

The parties may each have an Advisor of their choice present with them for all meetings, interviews, and hearings within the Resolution Process, if they so choose. The parties may select whoever they wish to serve as their Advisor as long as the Advisor is eligible and available<sup>32</sup>.

Choosing an Advisor who is also a witness in the process creates potential for bias and conflict of interest. A party who chooses an Advisor who is also a witness can anticipate that issues of potential bias will be explored by the hearing Decision-Maker.

##### **A. Who Can Serve as an Advisor**

The Advisor may be a friend, mentor, family member, attorney, or any other individual a party chooses to advise, support, and/or consult with them throughout the Resolution Process. The parties may choose Advisors from inside or outside of the School community.

The Title IX Coordinator will also offer to assign a trained Advisor to any party if the party so chooses. If the parties choose a School assigned Advisor, the Advisor will have been trained by the School and be familiar with the School's Resolution Procedure.

If the parties choose an Advisor not assigned by the School, the Advisor may not have been trained by the School and may not be familiar with School policies and procedures.

Parties also have the right to choose not to have an Advisor in the initial stages of the Resolution Process, prior to a hearing.

---

<sup>32</sup>"Available" means the party cannot insist on an Advisor who simply does not have inclination, time, or availability. Also, the Advisor cannot have conflicting roles, such as being a Title IX Coordinator who has an active role in the matter, or a supervisor who must monitor and implement sanctions.

## **B. Advisor's Role in Meetings and Interviews**

The parties may be accompanied by their Advisor in all meetings and interviews at which the party is entitled to be present, including intake and interviews. Advisors should help the parties prepare for each meeting and are expected to advise ethically, with integrity, and in good faith.

The School cannot guarantee equal Advisory rights, meaning that if one party selects an Advisor who is an attorney, but the other party does not or cannot afford an attorney, the School is not obligated to provide an attorney.

Where applicable under state law or School policy, Advisors or attorneys are permitted to fully represent their advisees or clients in resolution proceedings, including all meetings, interviews, and hearings. Although the School prefers to hear from parties directly, in these cases, parties are entitled to have evidence provided by their chosen representatives.

## **C. Advisors in Hearings/School-Appointed Advisor**

Under the Title IX regulations, a form of indirect questioning is required during the hearing but must be conducted by the parties' Advisors. The parties are not permitted to directly question each other or any witnesses. If a party does not have an Advisor for a hearing, the School will appoint a trained Advisor for the limited purpose of conducting any questioning of the parties and witnesses.

## **D. Pre-interview Meetings**

Advisors and their advisees may request to meet with the Investigator conducting interviews/meetings in advance of these interviews or meetings. This pre-meeting allows Advisors to clarify and understand their role and the School's policies and procedures.

## **E. Advisor Violations of School Policy**

All Advisors are subject to the same School policies and procedures, whether they are attorneys or not, and whether they are selected by a party or assigned by the School. Advisors are expected to advise their advisees without disrupting proceedings. Advisors should not address School officials or Investigators in a meeting or interview unless invited to do so (e.g., asking procedural questions). The Advisor may not make a presentation or represent their advisee<sup>33</sup> during any meeting or proceeding and may not speak on behalf of the advisee to the Investigator or other Decision-Maker except during a hearing proceeding during questioning.

The parties are expected to ask and respond to questions on their own behalf throughout the investigation phase of the Resolution Process. Although the Advisor generally may not speak on behalf of their advisee, the Advisor may consult with their advisee, either privately as needed, or by conferring or passing notes during any Grievance Process meeting or interview. For longer or more involved discussions, the parties and their Advisors should ask for breaks to allow for private consultation.

Any Advisor who oversteps their role as defined by this Policy, or who refuses to comply with the School's established rules of decorum for the hearing, will be warned. If the Advisor continues to disrupt or otherwise fails to respect the limits of the Advisor role, the meeting/interview/hearing may be ended, or other appropriate measures implemented, including the School requiring the party to use a different Advisor or providing a different School-appointed Advisor. Subsequently, the Title IX Coordinator will determine how to address the Advisor's noncompliance and future role.

---

<sup>33</sup>Subject to the state law provisions or School policy above.

## **F. Sharing Information with the Advisor**

The School expects that the parties may wish to have the School share documentation and evidence related to the allegations with their Advisors. The School provides a consent form that authorizes the School to share such information directly with a party's Advisor. The parties must either complete and submit this form to the Title IX Coordinator or provide similar documentation demonstrating consent to a release of information to the Advisor before the School is able to share records with an Advisor.

Advisors appointed by the School will not be asked to disclose details of their interactions with their advisees to School officials or Decision-Makers.

## **G. Privacy of Records Shared with Advisor**

Advisors are expected to maintain the privacy of the records shared with them. These records may not be shared with third parties, disclosed publicly, or used for purposes not explicitly authorized by the School. The School may restrict the role of any Advisor who does not respect the sensitive nature of the process or who fails to abide by the School's privacy expectations.

## **H. Expectations of an Advisor**

The School generally expects an Advisor to adjust their schedule to allow them to attend School meetings/interviews/hearings when planned, but the School may change scheduled meetings/interviews/hearings to accommodate an Advisor's inability to attend, if doing so does not cause an unreasonable delay.

The School may also make reasonable provisions to allow an Advisor who cannot be present in person to attend a meeting/interview/hearing by telephone, video conferencing, or other similar technologies as may be convenient and available.

## **I. Expectations of the Parties with Respect to Advisors**

A party may elect to change Advisors during the process and is not obligated to use the same Advisor throughout. The parties are expected to inform the Investigator of the identity of their Advisor at least four (4) business days before the date of their first meeting with Investigators (or as soon as possible if a more expeditious meeting is necessary or desired).

The parties are expected to provide timely notice to the Title IX Coordinator if they change Advisors at any time. It is assumed that if a party changes Advisors, consent to share information with the previous Advisor is terminated, and a release for the new Advisor should be secured. Parties are expected to inform the Title IX Coordinator of the identity of their hearing Advisor at least four (4) business days before the hearing.

## **J. Assistance in Securing an Advisor<sup>34</sup>**

For representation, Respondents may wish to contact organizations such as:

- Families Advocating for Campus Equality (<http://www.facecampusequality.org>)
- Stop Abusive and Violent Environments (<http://www.saveservices.org>)

Complainants may wish to contact organizations such as:

- The Victim Rights Law Center (<http://www.victimrights.org>)
- The National Center for Victims of Crime (<http://www.victimsofcrime.org>), which maintains the Crime Victim's Bar Association
- The Time's Up Legal Defense Fund (<https://nwlc.org/times-up-legal-defense-fund/>)

## **6. Resolution Processes**

Resolution proceedings are private. All persons present at any time during the Resolution Process are expected to maintain the privacy of the proceedings in accordance with School Policy.

---

<sup>34</sup>This is being provided for informational purposes and does not constitute the School's endorsement of any of the external individuals/organizations listed.

Although there is an expectation of privacy around what Investigators share with parties during interviews, the parties have discretion to share their own knowledge and evidence with others if they so choose, except for information the parties agree not to disclose as part of an Informal Resolution. The School encourages parties to discuss any sharing of information with their Advisors before doing so.

The Formal Grievance Process is the School's primary resolution approach unless Informal Resolution is elected by all parties and the School.

### **A. Informal Resolution**

Three options for Informal Resolution are detailed in this section.

- 1) **Supportive Resolution.** When the Title IX Coordinator can resolve the matter informally by providing supportive measures (only) to remedy the situation
- 2) **Alternative Resolution.** When the parties agree to resolve the matter through an Alternative Resolution mechanism including mediation, restorative practices, facilitated dialogue, etc., as described below, often before a formal investigation takes place (See Section B)
- 3) **Accepted Responsibility.** When the Respondent accepts responsibility for violating policy, and desires to accept the recommended sanction(s) and end the Resolution Process (See Section C)

To initiate Informal Resolution, a Complainant must submit a Formal Complaint, as defined above. A Respondent who wishes to initiate Informal Resolution should contact the Title IX Coordinator. The parties may agree, as a condition of engaging in Informal Resolution, that statements made, or evidence shared, during the Informal Resolution process will not be considered in the Formal Grievance Process unless all parties consent.

It is not necessary to pursue Informal Resolution first in order to pursue a Formal Grievance Process, and any party participating in Informal Resolution can stop the process at any time and begin or resume the Formal Grievance Process. The parties may not enter into an agreement that requires the School to impose specific sanctions, though the parties can agree to certain restrictions or other courses of action. For example, the parties cannot require a Future Professional be terminated, but the parties can agree that the Respondent will temporarily or permanently withdraw. The only Informal Resolution Process that can result in sanctions levied by the School is "Accepted Responsibility." The Title IX Coordinator has discretion to determine whether an investigation will be paused or limited during Informal Resolution, or if it will continue during the Informal Resolution process.

Prior to implementing Informal Resolution, the School will provide the parties with written notice of the reported misconduct and any sanctions (only in the case of Accepted Responsibility) or measures that may result from participating in such a process, including information regarding any records that will be maintained or shared by the School.

The School will obtain voluntary, written confirmation that all parties wish to resolve the matter through Informal Resolution before proceeding and will not pressure the parties to participate in Informal Resolution.

### **B. Alternative Resolution Approaches**

Alternative Resolution is an informal approach, including mediation, restorative practices, facilitated dialogue, etc., by which the parties reach a mutually agreed upon resolution of a complaint. All parties must consent to the use of an Alternative Resolution approach.

The Title IX Coordinator may consider the following factors to assess whether Alternative Resolution is appropriate, or which form of Alternative Resolution may be most successful for the parties:

- The parties' amenability to Alternative Resolution
- Likelihood of potential resolution, considering any power dynamics between the parties
- The nature and severity of the alleged misconduct
- The parties' motivation to participate
- Civility of the parties
- Results of a violence risk assessment/ongoing risk analysis
- Disciplinary history of the Respondent
- Whether an emergency removal is needed
- Skill of the Alternative Resolution facilitator with this type of complaint
- Complaint complexity
- Emotional investment/capability of the parties
- Rationality of the parties
- Goals of the parties
- Adequate resources to invest in Alternative Resolution (time, staff, etc.)

The ultimate determination of whether Alternative Resolution is available or successful is made by the Title IX Coordinator. The Title IX Coordinator is authorized to facilitate a resolution that is acceptable to all parties, and/or to accept a resolution that is proposed by the parties, usually through their Advisors, including terms of confidentiality, release, and non-disparagement.

The Title IX Coordinator maintains records of any resolution that is reached, and failure to abide by the resolution agreement may result in appropriate responsive/disciplinary actions (e.g., referral for formal resolution, referral to the conduct process for failure to comply). Results of complaints resolved by Alternative Resolution are not appealable.

### **C. Respondent Accepts Responsibility for Alleged Violations**

The Respondent may accept responsibility for all or part of the alleged policy violations at any point during the Resolution Process. If the Respondent indicates an intent to accept responsibility for all of the alleged misconduct, the formal process will be paused, and the Title IX Coordinator will determine whether Informal Resolution can be used according to the criteria above.

If Informal Resolution is applicable, the Title IX Coordinator will determine whether all parties and the School are able to agree on responsibility, restrictions and/or remedies. If so, the Title IX Coordinator implements the accepted finding that the Respondent is in violation of School policy and implements agreed-upon restrictions and remedies and determines the appropriate sanction(s) in coordination with other appropriate administrator(s), as necessary.

This result is not subject to appeal once all parties indicate their written assent to all agreed upon resolution terms. When the parties cannot agree on all terms of resolution, the Formal Grievance Process will resume at the same point where it was paused<sup>35</sup>.

When a resolution is accomplished, the appropriate sanction(s) or responsive actions are promptly implemented to effectively stop the harassment or discrimination, prevent its recurrence, and remedy the effects of the discriminatory conduct, both on the Complainant and the community.

## **7. Formal Grievance Process Pool**

The Formal Grievance Process relies on a pool of individuals<sup>36</sup> ("the Pool") to carry out the process.

### **A. Pool Member Roles**

Members of the Pool are trained annually and can serve in the following roles at the discretion of the Title IX Coordinator:

<sup>35</sup>The parties may not want discussions that take place within Informal Resolution to be admissible in a later Formal Grievance Process, but essential facts must and do transfer from the informal process to the formal. Disclosing something in an informal setting to shield it from formal admissibility is a cynical strategy, so School Officials should take care in determining the terms of any assurances of the confidentiality of the Informal Resolution.

<sup>36</sup>External, trained, third-party, neutral professionals may also be used to serve in Pool roles.

- To provide appropriate intake of and initial guidance pertaining to complaints
- To act as an Advisor to the parties
- To serve in a facilitation role in Informal Resolution or Alternative Resolution if appropriately trained in appropriate resolution approaches (e.g., mediation, restorative practices, facilitated dialogue)
- To perform or assist with initial assessment
- To investigate complaints
- To serve as a hearing facilitator (process administrator, no decision-making role)
- To serve as a Decision-Maker regarding the complaint
- To serve as an Appeal Decision-Maker

## **B. Pool Member Training**

Pool members receive comprehensive, trauma-informed<sup>37</sup> annual training. This training includes, but is not limited to:

- The scope of the School's Equal Opportunity, Harassment, and Nondiscrimination Policy and Procedures
- How to conduct investigations and hearings that protect the safety of Complainants and Respondents, and promote accountability
- Implicit bias and racial inequities, both broadly and in school disciplinary processes
- Disparate treatment
- Reporting, confidentiality, and privacy requirements
- Applicable laws, regulations, and federal regulatory guidance
- How to implement appropriate and situation-specific remedies
- How to investigate in a thorough, reliable, timely, and impartial manner
- How to conduct a sexual harassment investigation
- Trauma-informed investigatory and hearing practices that help ensure an impartial and equitable process
- How to uphold fairness, equity, and due process
- How to weigh evidence
- How to conduct questioning
- How to assess credibility
- Impartiality and objectivity
- How to render findings and generate clear, concise, evidence-based rationales
- The definitions of all offenses
- How to apply definitions used by the School with respect to consent (or the absence or negation of consent) consistently, impartially, and in accordance with policy
- How to conduct an investigation and Grievance Process including hearings, appeals, and Informal Resolution Processes
- How to serve impartially by avoiding prejudgment of the facts at issue, conflicts of interest, and bias against Respondents and/or for Complainants, and on the basis of sex, race, religion, and other protected characteristics
- Any technology to be used at a live hearing
- Issues of relevance of questions and evidence
- Issues of relevance to create an investigation report that fairly summarizes relevant evidence
- How to determine appropriate sanctions in reference to all forms of harassment, discrimination, and/or retaliation allegations
- Recordkeeping
- Statistics on the prevalence of sexual harassment and sexual violence in the educational setting, and the differing rates at which Future Professionals experience sexual harassment and sexual assault in the educational setting based on their race, sexual orientation, disability, gender, and gender identity (See Appendix H).

The materials used to train all members of the Pool are publicly posted on our website.

---

<sup>37</sup>CA SB 967 requires the School to provide a comprehensive trauma-informed training program for School officials involved in deciding sexual assault, domestic violence, dating violence, and stalking cases.

## **8. Formal Grievance Process: Notice of Investigation and Allegations**

The Title IX Coordinator will provide written Notice of the Investigation and Allegations (the “NOIA”) to the Respondent upon commencement of the Formal Grievance Process. This facilitates the Respondent’s ability to prepare for the interview and to identify and choose an Advisor to accompany them. The NOIA is also copied to the Complainant, who will be given advance notice of when the NOIA will be delivered to the Respondent.

The NOIA will include:

- A meaningful summary of all allegations
- The identity of the involved parties (if known)
- The precise misconduct being alleged
- The date and location of the alleged incident(s) (if known)
- The specific policies implicated
- A description of the applicable procedures
- A statement of the potential sanctions/responsive actions that could result
- A statement that the School presumes the Respondent is not responsible for the reported misconduct unless and until the evidence supports a different determination
- A statement that determinations of responsibility are made at the conclusion of the process and that the parties will be given an opportunity during the review and comment period to inspect and review all directly related and/or relevant evidence obtained
- A statement about the School’s policy on retaliation
- Information about the confidentiality of the process
- Information on the need for each party to have an Advisor of their choosing and suggestions for ways to identify an Advisor
- A statement informing the parties that the School’s policy prohibits knowingly making false statements, including knowingly submitting false information during the Resolution Process
- Detail on how the party may request disability accommodations during the Resolution Process
- A link to the School’s VAWA Brochure
- The name of the Investigator, along with a process to identify to the Title IX Coordinator, in advance of the interview process, any conflict of interest that the Investigator may have
- An instruction to preserve any evidence that is directly related to the allegations

Amendments and updates to the NOIA may be made as the investigation progresses and more information becomes available regarding the addition or dismissal of various allegations.

Notice will be made in writing and may be delivered by one or more of the following methods: in person or emailed to the parties’ School-issued email or designated accounts. Once emailed and/or received in-person, notice will be presumptively delivered.

## **9. Resolution Timeline**

The School will make a good faith effort to complete the Grievance Process within a sixty to ninety (60–90) business-day time period, including appeal if any, which can be extended as necessary for appropriate cause by the Title IX Coordinator, who will provide notice and rationale for any extensions or delays to the parties as appropriate, as well as an estimate of how much additional time will be needed to complete the process.

The School will not unreasonably deny a Future Professional party’s request for an extension of a deadline related to a complaint during periods of examinations or school closures.

## **10. Appointment of Investigators**

Once the decision to commence a formal investigation is made, the Title IX Coordinator appoints individuals to conduct the investigation, usually within five (5) business days of determining that an investigation should proceed.

## **11. Ensuring Impartiality**

Any individual materially involved in the administration of the Grievance Process including the Title IX Coordinator, Investigator, and Decision-Maker may neither have nor demonstrate a conflict of interest or bias for a party generally, or for a specific Complainant or Respondent.

The Title IX Coordinator will vet the assigned Investigator for impartiality by ensuring there are no actual or apparent conflicts of interest or disqualifying biases. At any time during the Resolution Process, the parties may raise a concern regarding bias or conflict of interest, and the Title IX Coordinator will determine whether the concern is reasonable and supportable. If so, another Pool member will be assigned and the impact of the bias or conflict, if any, will be remedied. If the source of the conflict of interest or bias is the Title IX Coordinator, concerns should be raised with the Director.

The Formal Grievance Process involves an objective evaluation of all relevant evidence obtained, including evidence that supports that the Respondent engaged in a policy violation and evidence that supports that the Respondent did not engage in a policy violation. Credibility determinations may not be based solely on an individual's status or participation as a Complainant, Respondent, or witness.

The School operates with the presumption that the Respondent is not responsible for the reported misconduct unless and until the Respondent is determined to be responsible for a policy violation by the applicable standard of proof.

## **12. Investigation Timeline**

Investigations are completed expeditiously, normally within sixty (60) business days, though some investigations may take many weeks or even months, depending on the nature, extent, and complexity of the allegations, availability of witnesses, law enforcement involvement, etc.

The School will make a good faith effort to complete investigations as promptly as circumstances permit and will communicate regularly with the parties to update them on the progress and timing of the investigation.

## **13. Investigation Process Delays and Interactions with Law Enforcement**

The School may undertake a short delay in its investigation (several days to a few weeks) if circumstances require. Such circumstances include but are not limited to: a request from law enforcement to temporarily delay the investigation, the need for language assistance, the absence of parties and/or witnesses, and/or health conditions.

The School will communicate the anticipated duration of the delay and reason to the parties in writing and provide the parties with status updates if necessary. The School will promptly resume its investigation and Resolution Process as soon as feasible. During such a delay, the School will implement supportive measures as deemed appropriate.

The School's action(s) or processes are not typically altered or precluded on the grounds that civil or criminal charges involving the underlying incident(s) have been filed or that criminal charges have been dismissed or reduced.

## **14. Investigation Process Steps**

All investigations are thorough, reliable, impartial, prompt, and fair. Investigations involve interviews with all available relevant parties and witnesses; obtaining available, relevant evidence; and identifying sources of expert information, as necessary.

All parties have a full and fair opportunity, through the investigation process, to suggest witnesses and questions, to provide evidence and expert witnesses, and to fully review and respond to all evidence on the record. Recordings of interviews are not provided to the parties, but the parties will have the ability to review the transcript of the interview once the investigation report is compiled.

At the discretion of the Title IX Coordinator, investigations can be combined when complaints implicate a pattern, collusion, and/or other shared or similar actions.

At the discretion of the Title IX Coordinator, investigations can be combined when complaints implicate a pattern, collusion, and/or other shared or similar actions.

- Determine the identity and contact information of the Complainant
- Identify all policies implicated by the alleged misconduct and notify the Complainant and Respondent of all of the specific policies implicated
- Assist the Title IX Coordinator, if needed, with conducting a prompt initial assessment to determine whether the allegations indicate a potential policy violation
- Commence a thorough, reliable, and impartial investigation by identifying issues and developing a strategic investigation plan, including a witness list, evidence list, intended investigation timeframe, and order of interviews for the parties and witnesses
- Meet with the Complainant to finalize their interview/statement, if necessary
- Work with the Title IX Coordinator, as necessary, to prepare the initial Notice of Investigation and Allegations (NOIA); the NOIA may be amended with any additional or dismissed allegations
  - Notice should inform the parties of their right to have the assistance of an Advisor, who could be School-appointed or an Advisor of their choosing present for all meetings attended by the party
- Provide each interviewed party and witness an opportunity to review and verify the Investigator's summary notes (or transcript) of the relevant evidence/testimony from their respective interviews and meetings
- Make good faith efforts to notify each party of any meeting or interview involving another party, in advance when possible
- When participation of a party is expected, provide that party with written notice of the date, time, and location of the meeting, as well as the expected participants and purpose
- Interview all available, relevant witnesses and conduct follow-up interviews as necessary
- Allow each party the opportunity to suggest witnesses and questions they wish the Investigator to ask of another party and/or witnesses, and document in the report which questions were asked, with a rationale for any changes or omissions
- Complete the investigation promptly and without unreasonable deviation from the intended timeline
- Provide regular status updates to the parties throughout the investigation
- Prior to the conclusion of the investigation, provide the parties and their respective Advisors (if so desired by the parties) with a list of witnesses whose information will be used to render a finding
- Write a comprehensive investigation report fully summarizing the investigation, all witness interviews, and addressing all relevant evidence; appendices including relevant physical or documentary evidence will be included
- Gather, assess, and synthesize evidence, but make no conclusions, engage in no policy analysis, and render no recommendations as part of their report
- Prior to the conclusion of the investigation, provide the parties and their respective Advisors (if so desired by the parties) a secured electronic or hard copy of the draft investigation report as well as an opportunity to inspect and review all of the evidence obtained as part of the investigation that is directly related to the reported misconduct, including evidence upon which the School does not intend to rely in reaching a determination, for a ten (10) business-day review and comment period so that each party may meaningfully respond to the evidence; the parties may elect to waive the full ten (10) days
- Elect to respond in writing in the investigation report to the parties' submitted responses and/or to share the responses between the parties for additional responses

- Incorporate relevant elements of the parties' written responses into the final investigation report, include any additional relevant evidence, make any necessary revisions, and finalize the report; the Investigator should document all rationales for any changes made after the review and comment period
- Share the report with the Title IX Coordinator and/or legal counsel for their review and feedback
- Incorporate any relevant feedback and share the final report with all parties and their Advisors through secure electronic transmission or hard copy at least ten (10) business days prior to a hearing; the parties and Advisors are also provided with a file of any directly related evidence that was not included in the report

## **15. Witness Role and Participation in the Investigation**

Witnesses (as distinguished from the parties) who are employees of the School are strongly encouraged to cooperate with and participate in the School's investigation and Resolution Process. Future Professionals who are named as witnesses and witnesses from outside the School's community are encouraged to cooperate with School investigations and to share what they know about a complaint.

Although in-person interviews for parties and all potential witnesses are ideal, circumstances may require individuals to be interviewed remotely. Skype, Zoom, Microsoft Teams, FaceTime, Webex, or similar technologies may be used for interviews if the Investigator determine that timeliness, efficiency, or other reasons dictate a need for remote interviewing. The School will take appropriate steps to reasonably ensure the security/privacy of remote interviews.

Witnesses may also provide written statements in lieu of interviews or choose to respond to written questions, if deemed appropriate by the Investigator, though not preferred.

## **16. Interview Recording**

No unauthorized audio or video recording of any kind is permitted during investigation meetings. If the Investigator elects to audio and/or video record interviews, all involved parties should be made aware of and consent<sup>38</sup> to audio and/or video recording.

## **17. Evidentiary Considerations<sup>39-40</sup>**

Neither the investigation nor the hearing will consider: (1) incidents not relevant or not directly related to the possible violation(s), unless they evidence a pattern; (2) questions and evidence about the Complainant's sexual predisposition; or (3) questions and evidence about the Complainant's prior or subsequent sexual behavior, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior or subsequent sexual behavior with respect to the Respondent and are offered to prove consent.

Within the boundaries stated above, the investigation and the hearing can consider character evidence generally, if offered, but that evidence is unlikely to be relevant unless it is fact evidence or relates to a pattern of conduct.

<sup>38</sup>Consent of the interviewer and interviewee in California, a "dual-party recording" state.

<sup>39</sup>CA Educ. Code, Section 66281.8 provides that parties may not introduce evidence, including witness testimony, at the hearing that the party did not identify during the investigation and that was available at the time of the investigation. However, the hearing officer has discretion to accept for good cause, or exclude, such new evidence offered at the hearing.

<sup>40</sup>In the event of a dismissal under Title IX, but where the process still proceeds, the following is applicable: CA Educ. Code, Sec. 66281.8 provides that the investigator or hearing officer prohibit the following evidentiary considerations: (1) the past sexual history of a Complainant or Respondent except when the conditions in (3a and 3b) are present; (2) prior or subsequent sexual history between the Complainant and anyone other than the Respondent for any reason unless directly relevant to prove that the physical injuries alleged to have been inflicted by the Respondent were inflicted by another individual; or (3a) the existence of a dating relationship or prior or subsequent consensual sexual relations between the Complainant and Respondent unless the evidence is relevant to how the parties communicated consent in prior or subsequent consensual sexual relations, (3b) when evidence in (3a) is permitted, investigators and hearing officers who allow consideration of evidence about a dating relationship or prior or subsequent consensual sexual relations between the Complainant and the Respondent are required to consider that the fact the Complainant and Respondent engaged in other consensual sexual relations with one another is never sufficient by itself to establish the conduct at issue was consensual. Prior to allowing the consideration of any evidence provided under this section, the investigator or hearing officer will provide a written explanation to the parties as to why the evidence is consistent with this clause.

## **18. Referral for Hearing**

Provided that the complaint is not resolved through Informal Resolution, once the final investigation report is shared with the parties, the Title IX Coordinator will refer the matter for a hearing.

The hearing cannot be held less than ten (10) business days from the conclusion of the investigation—when the final investigation report is transmitted to the parties and the Decision-Maker—unless all parties and the Decision-Maker agree to an expedited timeline.

The Title IX Coordinator will select the Decision-Maker and provide a copy of the investigation report and the file of directly related evidence.

## **19. Hearing Decision-Maker Composition**

The School will designate a single Decision-Maker, at the discretion of the Title IX Coordinator. The single Decision-Maker will also Chair the hearing.

The Decision-Maker will not have had any previous involvement with the complaint. The Title IX Coordinator may elect to have an alternate sit in throughout the hearing process in the event that a substitute is needed for any reason.

Those who have served as Investigators will be witnesses in the hearing and therefore may not serve as a Decision-Maker. Those who are serving as Advisors for any party may not serve as a Decision-Maker in that matter.

The Title IX Coordinator may not serve as a Decision-Maker or Chair in the matter but may serve as an administrative facilitator of the hearing if their previous role(s) in the matter do not create a conflict of interest. Otherwise, a designee may fulfill the facilitator role. The hearing will convene at a time and venue determined by the Title IX Coordinator or designee.

## **20. Additional Evidentiary Considerations in the Hearing**

Previous disciplinary action of any kind involving the Respondent may not be used unless there is an allegation of a pattern of misconduct. Such information may also be considered in determining an appropriate sanction upon a determination of responsibility, assuming the School uses a progressive discipline system. This information is only considered at the sanction stage of the process and is not shared until then.

The parties may each submit a written impact statement prior to the hearing for the consideration of the Decision-Maker at the sanction stage of the process when a determination of responsibility is reached.

After post-hearing deliberation, the Decision-Maker renders a determination based on the preponderance of the evidence; whether it is more likely than not that the Respondent violated the Policy as alleged.

## **21. Hearing Notice**

No less than ten (10) business days prior to the hearing<sup>41</sup>, the Title IX Coordinator or the Chair will send notice of the hearing to the parties. Once emailed and/or received in-person, notice will be presumptively delivered.

The notice will contain:

- A description of the alleged violation(s), a list of all policies allegedly violated, a description of the applicable hearing procedures, and a statement of the potential sanctions/responsive actions that could result.
- The time, date, and location of the hearing.
- Description of any technology that will be used to facilitate the hearing.

---

<sup>41</sup>Unless an expedited hearing is agreed to by all parties.

- Information about the option for the live hearing to occur with the parties located in separate rooms using technology that enables the Decision-Maker and parties to see and hear a party or witness answering questions. Such a request must be raised with the Title IX Coordinator as soon as possible, preferably at least five (5) business days prior to the hearing.
- A list of all those who will attend the hearing, along with an invitation to object to any Decision-Maker based on demonstrated bias or conflict of interest. This must be raised with the Title IX Coordinator at least two (2) business days prior to the hearing.
- Information on how the hearing will be recorded and how the parties can access the recording after the hearing.
- A statement that if any party or witness does not appear at the scheduled hearing, the hearing may be held in their absence. For compelling reasons, the Chair may reschedule the hearing.
- Notification that the parties may have the assistance of an Advisor of their choosing at the hearing and will be required to have one present for any questions they may desire to ask. The party must notify the Title IX Coordinator if they wish to conduct cross-examination and do not have an Advisor, and the School will appoint one. Each party must have an Advisor present if they intend to cross-examine others. There are no exceptions.
- A statement that questions that are repetitive, irrelevant, or harassing are prohibited.
- A statement that parties may note an objection to questions posed <sup>42</sup>.
- A copy of all the materials provided to the Decision-Maker about the complaint unless they have already been provided <sup>43</sup>.
- An invitation to each party to submit to the Chair an impact statement pre-hearing that the Decision-Maker will review during any sanction determination.
- An invitation to contact the Title IX Coordinator to arrange any disability accommodations, language assistance, and/or interpretation services that may be needed at the hearing, at least seven (7) business days prior to the hearing.
- Whether parties can/cannot bring mobile phones/devices into the hearing.

## **22. Alternative Hearing Participation Options**

If a party or parties prefer not to attend or cannot attend the hearing in person, the party should request alternative arrangements from the Title IX Coordinator or the Chair as soon as possible, preferably at least five (5) business days prior to the hearing.

The Title IX Coordinator or the Chair can arrange to use technology to allow remote testimony without compromising the fairness of the hearing. Remote options may also be needed for witnesses who cannot appear in person. Any witness who cannot attend in person should let the Title IX Coordinator or the Chair know as soon as possible, preferably at least five (5) business days prior to the hearing so that appropriate arrangements can be made.

## **23. Pre-hearing Preparation**

After any necessary consultation with the parties, the Title IX Coordinator will provide the names of persons who have been asked to participate in the hearing, all pertinent documentary evidence, and the final investigation report to the parties at least ten (10) business days prior to the hearing.

Any witness scheduled to participate in the hearing must have been first interviewed by the Investigator, unless all parties and the Chair assent to the witness's participation in the hearing. The same holds for any relevant evidence that is first offered at the hearing. If the parties and Chair do not assent to the admission of evidence newly offered at the hearing, the Chair may delay the hearing and/or instruct that the investigation needs to be re-opened to consider that evidence <sup>44</sup>.

<sup>42</sup>CA Educ. Code, Sec. 66281.8 provides that the School may limit such objections to written form, and neither the hearing officer nor the School are obligated to respond, other than to include any objection in the record. The hearing officer has the authority and obligation to discard or rephrase any question that the hearing officer deems to be repetitive, irrelevant, or harassing. In making these determinations, the hearing officer is not bound by, but may take guidance from, the formal rules of evidence.

<sup>43</sup>The final investigation report may be shared using electronic means that preclude downloading, forwarding, or otherwise sharing.

<sup>44</sup>34 C.F.R. § 668.46(k)(3)(B)(3) requires "timely and equal access to the accuser, the accused, and appropriate officials to any information that will be used during informal and formal disciplinary meetings and hearings."

The parties will be given the name of the Decision-Maker at least five (5) business days in advance of the hearing. All objections to the Decision-Maker must be raised in writing, detailing the rationale for the objection, and must be submitted to the Title IX Coordinator as soon as possible and no later than five (5) business days prior to the hearing. The Decision-Maker will only be removed if the Title IX Coordinator concludes that their actual or perceived bias or conflict of interest precludes an impartial hearing of the complaint.

The Title IX Coordinator will give the Decision-Maker a list of the names of all parties, witnesses, and Advisors at least five (5) business days in advance of the hearing. If the Decision-Maker cannot make an objective determination, they must recuse themselves from the proceedings when notified of the identity of the parties, witnesses, and Advisors in advance of the hearing. If a Decision-Maker is unsure of whether a bias or conflict of interest exists, they must raise the concern to the Title IX Coordinator as soon as possible.

During the ten (10)-business-day period prior to the hearing, the parties have the opportunity for continued review and comment on the final investigation report and available evidence. That review and comment can be shared with the Chair at a pre-hearing meeting or at the hearing and will be exchanged between each party by the Chair.

#### **24. Pre-hearing Meetings**

The Chair may convene a pre-hearing meeting, or meetings, with the parties and/or their Advisors and invite them to submit the questions or topics they (the parties and/or their Advisors) wish to ask or discuss at the hearing, so that the Chair can rule on their relevance ahead of time to avoid any improper evidentiary introduction in the hearing or to provide recommendations for more appropriate phrasing.

However, this advance review opportunity does not preclude the Advisors from asking a question for the first time at the hearing or from asking for a reconsideration on a pre-hearing ruling by the Chair based on any new information or testimony offered at the hearing. The Chair must document and share with each party their rationale for any exclusion or inclusion at a pre-hearing meeting.

The Chair, only with full agreement of the parties, may decide in advance of the hearing that certain witnesses do not need to be present if their testimony can be adequately summarized by the Investigator in the investigation report or during the hearing.

At each pre-hearing meeting with a party and/or their Advisor, the Chair will consider arguments that evidence identified in the final investigation report as relevant is, in fact, not relevant. Similarly, evidence identified as directly related but not relevant by the Investigator may be argued to be relevant. The Chair may rule on these arguments pre-hearing and will exchange those rulings between the parties prior to the hearing to assist in preparation for the hearing. The Chair may consult with legal counsel and/or the Title IX Coordinator or ask either or both to attend pre-hearing meetings.

The pre-hearing meeting(s) will not be recorded. The pre-hearing meetings may be conducted as separate meetings with each party/Advisor, with all parties/Advisors present at the same time, remotely, or as a written-only exchange. The Chair will work with the parties to establish the format.

#### **25. Hearing Procedures**

At the hearing, the Decision-Maker has the authority to hear and make determinations on all allegations of discrimination, harassment, and/or retaliation and may also hear and make determinations on any additional alleged policy violations that occurred in concert with the discrimination, harassment, and/or retaliation, even though those collateral allegations may not specifically fall within the Equal Opportunity, Harassment, and Nondiscrimination Policy.

Participants at the hearing include the Chair, the Investigator who conducted the investigation, the parties, Advisors to the parties, any called witnesses, the Title IX Coordinator, the hearing facilitator, and anyone providing authorized accommodations, interpretation, and/or assistive services.

The Chair will answer all questions of procedure.

Anyone appearing at the hearing to provide information will respond to questions on their own behalf.

The Chair will allow witnesses who have relevant information to appear at a portion of the hearing to respond to specific questions from the Decision-Maker and the parties, and the witnesses will then be excused.

## **26. Joint Hearings**

In hearings involving more than one Respondent and/or involving more than one Complainant who has accused the same individual of substantially similar conduct, the default procedure will be to hear the allegations jointly.

However, the Title IX Coordinator may permit the investigation and/or hearings pertinent to each Respondent or complaint to be conducted separately if there is a compelling reason to do so. In joint hearings, separate determinations of responsibility will be made for each Respondent and/or for each complaint with respect to each alleged policy violation.

## **27. The Order of the Hearing—Introductions and Explanation of Procedure**

The Chair explains the procedures and introduces the participants. This may include a final opportunity for challenge or recusal of the Decision-Maker based on bias or conflict of interest. The Chair will rule on any such challenge unless the Chair is the individual who is the subject of the challenge, in which case the Title IX Coordinator will review the challenge and decide.

The Chair then conducts the hearing according to the hearing script. At the hearing, recording, witness logistics, party logistics, curation of documents, separation of the parties, and other administrative elements of the hearing process are managed by a non-voting hearing facilitator/case manager appointed by the Title IX Coordinator<sup>45</sup>.

The hearing facilitator may attend to: logistics of rooms for various parties/witnesses as they wait; flow of parties/witnesses in and out of the hearing space; ensuring recording and/or virtual conferencing technology is working as intended; copying and distributing materials to participants, as appropriate, etc.

## **28. Investigator Presentation of Final Investigation Report**

The Investigator will present a summary of the final investigation report, including items that are contested and those that are not, and will be subject to questioning by the Decision-Maker and the parties (through their Advisors).

Neither the parties nor the Decision-Maker should ask the Investigator their opinions on credibility, recommended findings, or determinations, and Advisors and parties will refrain from discussion of or questions for Investigators about these assessments. If such information is introduced, the Chair will direct that it be disregarded.

## **29. Testimony and Questioning**

Once the Investigator presents the report and responds to questions, the parties and witnesses may provide relevant information in turn, beginning with the Complainant, and then in the order determined by the Chair. The hearing will facilitate questioning of parties and witnesses by the Decision-Maker and then by the parties through their Advisors.

All questions are subject to a relevance determination by the Chair. The Advisor, who will remain seated during questioning, will pose the proposed question orally, electronically, or in writing (orally is the default, but other means of submission may be permitted by the Chair upon request if agreed to by all parties and the Chair), the proceeding will pause to allow the Chair to consider the question (and state it if it has not already been stated aloud), and the Chair will determine whether the question will be permitted, disallowed, or rephrased.

---

<sup>45</sup>If not conflicted out by previous involvement, the Title IX Coordinator may serve as the hearing facilitator/case manager.

The Chair may invite explanations or persuasive statements regarding relevance with the Advisors if the Chair so chooses. The Chair will then state their decision on the question for the record and advise the party/witness to whom the question was directed, accordingly. The Chair will explain any decision to exclude a question as not relevant, or to reframe it for relevance.

The Chair will limit or disallow questions on the basis that they are irrelevant, unduly repetitious (and thus irrelevant), or abusive. The Chair has final say on all questions and determinations of relevance. The Chair may consult with legal counsel on any questions of admissibility. The Chair may ask Advisors to frame why a question is or is not relevant from their perspective but will not entertain argument from the Advisors on relevance once the Chair has ruled on a question.

If the parties raise an issue of bias or conflict of interest of an Investigator or Decision-Maker at the hearing, the Chair may elect to address those issues, consult with legal counsel, refer them to the Title IX Coordinator, and/or preserve them for appeal. If bias is not an issue at the hearing, the Chair should not permit irrelevant questions that probe for bias.

### **30. Refusal to Submit to Questioning; Inferences**

Any party or witness may choose not to offer evidence and/or answer questions at the hearing, either because they do not attend the hearing, or because they attend but refuse to participate in some or all questioning. The Decision-Maker can only rely on whatever relevant evidence is available through the investigation and hearing in making the ultimate determination of responsibility. The Decision-Maker may not draw any inference solely from a party's or witness's absence from the hearing or refusal to submit to cross-examination or answer other questions.

An Advisor may not be called as a witness at a hearing to testify to what their advisee has told them during their role as an Advisor unless the party being advised consents to that information being shared. It is otherwise considered off-limits, and an Advisor who is a School employee is temporarily alleviated from Mandated Reporter responsibilities related to their interaction with their advisee during the Resolution Process.

### **31. Hearing Recordings**

Hearings are recorded by the School for purposes of review in the event of an appeal. The parties may not record the proceedings and no other unauthorized recordings are permitted.

The Decision-Maker, the parties, their Advisors, and appropriate administrators of the School will be permitted to review the recording or review a transcript of the recording, upon request to the Title IX Coordinator. No person will be given or be allowed to make a copy of the recording without permission of the Title IX Coordinator.

### **32. Deliberation, Decision-Making, and Standard of Proof**

The Decision-Maker will determine whether the Respondent is responsible for the policy violation(s) in question. The preponderance of the evidence standard of proof is used. The hearing facilitator may be consulted by the Chair, but is only to facilitate procedurally, not to address the substance of the allegations.

When there is a finding of responsibility on one or more of the allegations, the Decision-Maker may then consider the previously submitted party impact and/or mitigation statement(s) in determining appropriate sanction(s). The Chair will ensure that each of the parties has an opportunity to review any submitted impact and/or mitigation statement(s) once they are submitted.

The Decision-Maker will also review any pertinent conduct history provided by the appropriate School employee and will determine the appropriate sanction(s).

The Chair will then prepare a written statement detailing all findings and final determinations, the rationale(s) explaining the decision(s), the evidence used in support of the determination(s), the evidence not relied upon in the determination(s), any credibility assessments, and any sanction(s) and rationales explaining the sanction(s) and will deliver the statement to the Title IX Coordinator.

This statement is typically three to five (3-5) pages in length and must be submitted to the Title IX Coordinator within two (2) business days of the end of deliberations unless the Title IX Coordinator grants an extension. If an extension is granted, the Title IX Coordinator will notify the parties.

### **33. Notice of Outcome**

Using the deliberation statement, the Title IX Coordinator will work with the Chair to prepare a Notice of Outcome letter. The Title IX Coordinator will then share the letter, which includes the final determination, rationale, and any applicable sanction(s), with the parties and their Advisors within five (5) business days of receiving the deliberation statement.

The Notice of Outcome will be shared with the parties simultaneously. Notification will be made in writing and may be delivered by one or more of the following methods: in person or emailed to the parties' School-issued email or otherwise approved account. Once emailed and/or received in-person, notice will be presumptively delivered.

The Notice of Outcome will articulate the specific alleged policy violation(s), including the relevant policy section(s), and will contain a description of the procedural steps taken by the School from the receipt of the misconduct report to the determination, including any and all notifications to the parties, interviews with parties and witnesses, site visits, methods used to obtain evidence, and hearings held.

The Notice of Outcome will specify the finding for each alleged policy violation; the findings of fact that support the determination; conclusions regarding the application of the relevant policy to the facts at issue; a statement of, and rationale for, the result of each allegation to the extent the School is permitted to share such information under state or federal law; any sanction(s) issued which the School is permitted to share according to state or federal law; and whether remedies will be provided to the Complainant to ensure access to the School's educational or employment program or activity.

The Notice of Outcome will also include information on when the results are considered final by the School, will note any changes to the outcome and/or sanction(s) that occur prior to finalization, and the relevant procedures and bases for appeal.

### **34. Rights of the Parties (See Appendix B)**

### **35. Sanctions**

Factors considered when determining a sanction/responsive action may include, but are not limited to:

- The nature, severity of, and circumstances surrounding the violation(s)
- The Respondent's disciplinary history
- The need for sanctions/responsive actions to bring an end to the discrimination, harassment, and/or retaliation
- The need for sanctions/responsive actions to prevent the future recurrence of discrimination, harassment, and/or retaliation
- The need to remedy the effects of the discrimination, harassment, and/or retaliation on the Complainant and the community
- The impact on the parties
- Any other information deemed relevant by the Decision-Maker

The sanctions will be implemented as soon as is feasible, either upon the outcome of any appeal or the expiration of the window to appeal without an appeal being requested.

The sanctions described in this Policy are not exclusive of, and may be in addition to, other actions taken, or sanctions imposed, by external authorities.

If it is later determined that a party or witness intentionally provided false or misleading information, that action could be grounds for re-opening a Grievance Process at any time, and/or referring that information to another process for resolution.

The sanctions described in this Policy are not exclusive of, and may be in addition to, other actions taken, or sanctions imposed, by external authorities.

If it is later determined that a party or witness intentionally provided false or misleading information, that action could be grounds for re-opening a Grievance Process at any time, and/or referring that information to another process for resolution.

#### **A. Future Professional Sanctions**

The following are the common sanctions that may be imposed upon Future Professionals singly or in combination:

- *Coaching:* A formal statement that the conduct was unacceptable and a warning that further violation of any School policy, procedure, or directive will result in more severe sanctions/responsive actions.
- *Suspension:* Termination of Future Professional status for a definite period of time not to exceed two years and/or until specific criteria are met.
- *Termination:* Permanent termination of Future Professional status and revocation of rights to be on campus for any reason or to attend School-sponsored events.
- *Other Actions:* In addition to or in place of the above sanctions, the School may assign any other sanctions as deemed appropriate.

#### **B. Employee Sanctions/Responsive/Corrective Actions**

Responsive actions for an employee who has engaged in harassment, discrimination, and/or retaliation include:

- *Verbal or Written Warning*
- *Performance Improvement Plan/Management Process*
- *Enhanced Supervision, Observation, or Review*
- *Required Counseling*
- *Required Training or Education*
- *Probation*
- *Denial of Pay Increase/Pay Grade*
- *Loss of Oversight or Supervisory Responsibility*
- *Demotion*
- *Transfer*
- *Reassignment*
- *Assignment to New Supervisor*
- *Restriction of Stipends and/or Professional Development Resources*
- *Suspension/Administrative Leave with Pay*
- *Suspension/Administrative Leave without Pay*
- *Termination*
- *Other Actions:* In addition to or in place of the above sanctions/responsive actions, the School may assign any other responsive actions as deemed appropriate.

## **36. Withdrawal or Resignation Before Complaint Resolution**

### **A. Future Professionals**

Should a Respondent decide not to participate in the Grievance Process, the process proceeds absent their participation to a reasonable resolution. Should a Future Professional Respondent permanently withdraw from the School, the Grievance Process typically ends with a dismissal, as the School has lost primary disciplinary jurisdiction over the withdrawn Future Professional. However, the School may continue the Resolution Process when, at the discretion of the Title IX Coordinator, doing so may be necessary to address safety and/or remedy any ongoing effects of the alleged harassment, discrimination, and/or retaliation.

Regardless of whether the complaint is dismissed or pursued to completion of the Grievance Process, the School will continue to address and remedy any systemic issues or concerns that may have contributed to the alleged violation(s), and any ongoing effects of the alleged harassment, discrimination, and/or retaliation. The Future Professional who withdraws or leaves while the process is pending may not return to the School in any capacity. The appropriate School employees will be notified, accordingly. Such exclusion applies to all School locations.

If the Future Professional Respondent only withdraws or takes a leave for a specified period of time, the Resolution Process may continue remotely and, if found in violation, that Future Professional is not permitted to return to the School unless and until all sanctions, if any, have been satisfied.

### **B. Employees**

Should an employee Respondent resign with unresolved allegations pending, the Resolution Process typically ends with dismissal, as the School has lost primary disciplinary jurisdiction over the resigned employee. However, the School may continue the Resolution Process when, at the discretion of the Title IX Coordinator, doing so may be necessary to address safety and/or remedy any ongoing effects of the alleged harassment, discrimination, and/or retaliation.

Regardless of whether the matter is dismissed or pursued to completion of the Resolution Process, the School will continue to address and remedy any systemic issues or concerns that contributed to the alleged violation(s), and any ongoing effects of the alleged harassment, discrimination, and/or retaliation.

The employee who resigns with unresolved allegations pending is not eligible for academic admission or rehire with the School or any School location, and the records retained by the Title IX Coordinator will reflect that status.

All School responses to future inquiries regarding employment references for that individual will include that the former employee resigned during a pending disciplinary matter.

## **37. Appeals**

Any party may submit a written request for appeal ("Request for Appeal") to the Title IX Coordinator within five (5) business days of the delivery of the Notice of Outcome.

A single Appeal Decision-Maker will Chair the appeal. No Appeal Decision-Maker will have been previously involved in the Grievance Process for the complaint, including in any dismissal appeal that may have been heard earlier in the process.

The Request for Appeal will be forwarded to the Appeal Chair or designee for consideration to determine whether the request meets the grounds for appeal (a Review for Standing). This review is not a review of the merits of the appeal, but solely a determination as to whether the request meets the grounds and is timely filed.

## **A. Grounds for Appeal**

Appeals are limited to the following grounds:

- 1) A procedural irregularity affected the outcome of the matter
- 2) New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, which could affect the outcome of the matter
- 3) The Title IX Coordinator, Investigator, or Decision-Maker had a conflict of interest or bias for or against Complainants or Respondents generally or the specific Complainant or Respondent that affected the outcome of the matter

If any of the grounds in the Request for Appeal do not meet the grounds in this Policy, that request will be denied by the Appeal Chair, and the parties and their Advisors will be notified in writing of the denial and the rationale.

If any of the grounds in the Request for Appeal meet the grounds in this Policy, then the Appeal Chair will notify all parties and their Advisors, the Title IX Coordinator, and, when appropriate, the Investigator, and/or the original Decision-Maker.

All other parties and their Advisors, the Title IX Coordinator, and, when appropriate, the Investigator and/or the original Decision-Maker will be emailed and/or provided a hard copy of the Request for Appeal with the approved grounds and then be given five (5) business days to submit a response to the portion of the appeal that was approved and involves them. All responses, if any, will be forwarded by the Appeal Chair to all parties for review and comment.

The non-appealing party (if any) may also choose to appeal at this time. If so, that will be reviewed to determine whether it meets the grounds in this Policy by the Appeal Chair and either denied or approved. If approved, it will be forwarded to the party who initially requested an appeal, the Title IX Coordinator, and the Investigator and/or original Decision-Maker, as necessary, who will submit their responses, if any, within five (5) business days. Any such responses will be circulated for review and comment by all parties. If not approved, the parties will be notified accordingly, in writing.

Neither party may submit any new requests for appeal after this time period. The Appeal Chair will collect any additional information needed and all documentation regarding the approved grounds for appeal, and the subsequent responses will be shared with the Appeal Chair and the Chair will render a decision within no more than five (5) business days, barring exigent circumstances. All decisions apply the preponderance of the evidence.

A Notice of Appeal Outcome will be sent to all parties simultaneously. The Notice of Appeal Outcome will specify the finding on each ground for appeal, any specific instructions for remand or reconsideration, any sanction(s) that may result which the School is permitted to share according to state or federal law, and the rationale supporting the essential findings to the extent the School is permitted to share under state or federal law.

Notification will be made in writing and may be delivered by one or more of the following methods: in person or emailed to the parties' School-issued email or otherwise approved account. Once emailed and/or received in-person, notice will be presumptively delivered.

## **B. Sanctions Status during the Appeal**

Any sanctions imposed as a result of the hearing are stayed (i.e., not implemented) during the appeal process. Supportive measures may be reinstated, subject to the same supportive measure procedures above.

If any of the sanctions are to be implemented immediately post-hearing, but pre-appeal, then the emergency removal procedures (detailed above) for a show cause meeting on the justification for doing so must be permitted within 48 hours of implementation.

If the original sanctions include separation in any form, the School may place a hold on graduations, continued enrollment, etc., pending the outcome of an appeal. The Respondent may request a stay of these holds from the Title IX Coordinator within two (2) business days of the notice of the sanctions. The request will be evaluated by the Title IX Coordinator or designee, whose determination is final.

### **C. Appeal Considerations**

- Appeals are not intended to provide for a full re-hearing (de novo) of the allegation(s). In most cases, appeals are confined to a review of the written documentation or record of the original hearing and pertinent documentation regarding the specific grounds for appeal.
- Decisions on appeal are to be deferential to the original determination, making changes to the finding only when there is clear error and to the sanction(s)/responsive action(s) only if there is a compelling justification to do so.
- An appeal is not an opportunity for the Appeal Decision-Maker to substitute their judgment for that of the original Decision-Maker merely because they disagree with the finding and/or sanction(s).
- The Appeal Chair/Decision-Maker may consult with the Title IX Coordinator and/or legal counsel on questions of procedure or rationale, for clarification, if needed. Documentation of all such consultation will be maintained.
- Appeals granted should normally be remanded (or partially remanded) to the original Investigator and/or Decision-Maker for reconsideration.
- Once an appeal is decided, the outcome is final: further appeals are not permitted, even if a decision or sanction is changed on remand (except in the case of a new hearing).
- In rare cases where an error cannot be cured by the original Decision-Maker (as in cases of bias), the Appeal Chair/Decision-Maker may order a new investigation and/or a new hearing with new Pool members serving in the Investigator and Decision-Maker roles.
- The results of a remand to a Decision-Maker cannot be appealed. The results of a new hearing can be appealed (once) on any of the three available appeal grounds.
- In cases that result in reinstatement to the School or resumption of privileges, all reasonable attempts will be made to restore the Respondent to their prior status, recognizing that some opportunities lost may be irreparable in the short term.

### **38. Long-Term Remedies/Other Actions**

Following the conclusion of the Resolution Process, and in addition to any sanctions implemented, the Title IX Coordinator may implement additional long-term remedies or actions with respect to the parties and/or the School community that are intended to stop the harassment, discrimination, and/or retaliation, remedy the effects, and prevent reoccurrence.

These remedies/actions may include, but are not limited to:

- Referral to the Employee Assistance Program
- Referral to the Student Wellness Program
- Education to the individual and/or the community
- Permanent alteration of work arrangements for employees
- Climate surveys
- Policy modification and/or training
- Provision of transportation assistance
- Implementation of long-term contact limitations between the parties
- Implementation of adjustments to academic deadlines, course schedules, etc.

At the discretion of the Title IX Coordinator, certain long-term support or measures may also be provided to the parties even if no policy violation is found.

When no policy violation is found, the Title IX Coordinator will address any remedies the School owes the Respondent to ensure no effective denial of educational access.

The School will maintain the confidentiality of any long-term remedies/actions/measures, provided confidentiality does not impair the School's ability to provide these services.

### **39. Failure to Comply with Sanctions and/or Responsive Actions**

All Respondents are expected to comply with the assigned sanctions, responsive actions, and/or corrective actions within the timeframe specified by the final Decision-Maker (including the Appeal Chair/Decision-Maker).

Failure to abide by the sanction(s)/action(s) imposed by the date specified, whether by refusal, neglect, or any other reason, may result in additional sanction(s)/action(s), including suspension and/or termination from the School. Supervisors are expected to enforce completion of sanctions/responsive actions for their employees.

A suspension will only be lifted when compliance is achieved to the satisfaction of the Title IX Coordinator.

### **40. Recordkeeping**

The School will maintain for a period of at least seven (7) years following the conclusion of the Resolution Process, records of:

- 1) Each sexual harassment investigation including any determination regarding responsibility and any audio or audiovisual recording or transcript required under federal regulation
- 2) Any disciplinary sanctions imposed on the Respondent
- 3) Any remedies provided to the Complainant designed to restore or preserve equal access to the School's education program or activity
- 4) Any appeal and the result therefrom
- 5) Any Informal Resolution and the result therefrom
- 6) All materials used to train Title IX Coordinators, Investigators, Decision-Makers, and any person who facilitates an Informal Grievance Process. The School will make these training materials publicly available on the School's website
- 7) Any actions, including any supportive measures, taken in response to a report or Formal Complaint of sexual harassment, including:
  - a. The basis for all conclusions that the response was not deliberately indifferent
  - b. Any measures designed to restore or preserve equal access to the School's education program or activity
  - c. If no supportive measures were provided to the Complainant, document the reasons why such a response was not clearly unreasonable in light of the known circumstances

The School will also maintain any and all records in accordance with state and federal laws.

### **41. Disability Accommodations in the Grievance Process**

The School is committed to providing reasonable accommodations and support to qualified Future Professionals, employees, or others with disabilities to ensure equal access to the School's Grievance Process.

Anyone needing such accommodations or support should contact the ADA/504 Coordinator, who will review the request and, in consultation with the person requesting the accommodation and the Title IX Coordinator, determine which accommodations are appropriate and necessary for full participation in the process.

### **42. Revision of This Policy and Procedures**

This Policy and procedures supersede any previous policies addressing harassment, sexual misconduct, discrimination, and/or retaliation for incidents occurring on or after August 14, 2020, under Title IX and will be reviewed and updated annually by the Title IX Coordinator. The School reserves the right to make changes to this document as necessary, and once those changes are posted online, they are in effect.

During the Resolution Process, the Title IX Coordinator may make minor modifications to procedures that do not materially jeopardize the fairness owed to any party, such as to accommodate summer schedules. The Title IX Coordinator may also vary procedures materially with notice (on the School's website, with the appropriate effective date identified) upon determining that changes to law or regulation require Policy or procedural alterations not reflected in this Policy and procedures.

If government laws or regulations change—or court decisions alter—the requirements in a way that impacts this document, this document will be construed to comply with the most recent government laws or regulations or court holdings.

This document does not create legally enforceable protections beyond the protections of the background state and federal laws which frame such policies and codes, generally.

This Policy and procedures are effective September 2, 2022.

## **APPENDIX A: AN ATIXA FRAMEWORK FOR INFORMAL RESOLUTION (IR)**

ATIXA has framed a process for IR that includes three options:

- 1) A response based on supportive measures
- 2) A response based on a Respondent accepting responsibility
- 3) A response based on Alternative Resolution, which could include various approaches and/or facilitation of dialogue

Alternative Resolution approaches such as mediation, restorative practices, and transformative justice are likely to be used more and more often by postsecondary institutions. ATIXA does not endorse these approaches as better or worse than other formal or informal approaches.

ATIXA believes that if they are to be used in and are effective for sex offenses, they need to be carefully and thoughtfully designed and executed and be facilitated by well-trained personnel who take the necessary time to prepare and lay a foundation for success. Although no approach is a panacea, the framework below can help to lay that foundation, regardless of the approach(es) used.

Here are the principles to be considered in supporting various approaches to Informal Resolution:

- IR can be applied in any sex/gender-based interpersonal conflict but may not be appropriate or advisable in cases involving violent incidents (sexual violence, stalking, domestic and dating violence, severe sexual harassment, sexual exploitation, etc.).
- Situations involving dangerous patterns or significant ongoing threat to the community should not be resolved by IR.
- The determination of whether to permit an IR-based resolution is entirely at the discretion of the Title IX Coordinator (TIXC) and in line with the requirements for IR laid out in the Title IX regulations.
- Any party can end IR early-, mid-, or late-process for any reason or no reason.
- IR can be attempted before and in lieu of formal resolution as a diversionary resolution (although a Formal Complaint must be filed if you are within 34 CFR § 106.30, per OCR).
- Alternative approaches can inform formal resolution, as in a formal resolution model infused with restorative practices.
- IR-based processes could be deployed after formal resolution, as an adjunct healing/catharsis opportunity (that could potentially mitigate sanctions or be a form of sanction).
- Alternative Resolution approaches to IR must be facilitated by the School or a third party. There may be value in creating clearly agreed-upon ground rules, which the parties must sign in advance and agree to abide by, otherwise the Informal Resolution process may be deemed to have failed.
- Technology-facilitated IR can be made available, should the parties not be able or willing to meet in person.
- If IR fails, a formal resolution can take place thereafter. Evidence elicited within the “safe space” of the IR facilitation could be later admissible in the formal resolution unless all parties determine it should not be. This will be clearly spelled out as a term of the decision to engage in the IR process.
- With cases involving violence, the preferred alternative approach typically involves a minimal number of essential parties and is not a restorative circle approach with many constituents, in order to ensure confidentiality.
- Some approaches require a reasonable gesture toward accountability (this could be more than an acknowledgment of harm) and some acceptance, or at least recognition, by the Respondent that catharsis is of value and likely the primary goal of the Complainant. A full admission by the Respondent is not a prerequisite. This willingness needs to be vetted carefully in advance by the TIXC before determining that an incident is amenable/appropriate for resolution by IR.
- IR can result in an accord or agreement between the parties (Complainant, Respondent, the School), which is summarized in writing by and enforced by the School. This can be a primary goal of the process.

- IR can result in the voluntary imposition of safety measures, remedies, and/or agreed-upon resolutions by the parties that are enforceable by the School. These can be part of the agreement.
- As a secondary goal, IR can result in the voluntary acceptance of “sanctions,” meaning that a Respondent could agree to withdraw, self-suspend (by taking a leave of absence), or undertake other restrictions/transfers/online course options that would help to ensure the safety/educational access of the Complainant, in lieu of formal sanctions that would create a formal record for the Respondent. These are enforceable by the School as part of the agreement, as may be terms of mutual release, non-disparagement, and/or non-disclosure.
- Although a non-disclosure agreement (NDA) could result from IR, it would have to be mutually agreed-upon by the parties in an environment of non-coercion verified by the TIXC.

Institutions must develop clear rules for managing/facilitating the conference/meeting/dialogue of Alternative Resolution approaches to ensure they are civil, age-appropriate, culturally competent, reflective of power imbalances, and maximize the potential for the Grievance Process to result in catharsis, restoration, remedy, etc., for the Complainant(s).

  - The right to the use of the appropriate standard of evidence, preponderance of the evidence to make a Finding and Final Determination after an objective evaluation of all relevant evidence.

- The right to be present, including presence via remote technology, during all testimony given and evidence presented during any hearing.
- The right to have an impact and/or mitigation statement considered by the Decision-Maker following a determination of responsibility for any allegation, but prior to sanctioning.
- The right to be promptly informed of the finding(s) and sanction(s) (if any) of the Resolution Process and a detailed rationale of the decision (including an explanation of how credibility was assessed) in a written Notice of Outcome letter delivered simultaneously (without undue delay) to the parties.
- The right to be informed in writing of when a decision by the School is considered final and any changes to the Final Determination or sanction(s) that occur post Notification of Outcome.
- The right to be informed of the opportunity to appeal the finding(s) and sanction(s) of the Resolution Process, and the procedures for doing so in accordance with the standards for appeal established by the School.

## **APPENDIX C: ATIXA RECORD MAINTENANCE AND ACCESS MODEL POLICY**

### **Policy Scope:**

This policy covers records maintained in any medium that are created pursuant to the School's Equal Opportunity, Harassment, and Nondiscrimination Policy and/or the regular business of the School's Title IX Office. All such records are considered private or confidential by the Title IX Office, in accordance with FERPA and the directive from the Department of Education to maintain the confidentiality of records related to Title IX. These records may be shared internally with those who have a legitimate educational interest and will be shared with the parties to a complaint under applicable state and/or federal law, including the Title IX regulations, FERPA, and/or the Clery Act/VAWA § 304. The Title IX Coordinator controls the dissemination and sharing of any records under its control.

### **Types of Records Covered Under this Policy:**

Records pertaining to the Grievance Process. These records include, but are not limited to:

- Documentation of notice to the School including incident reports
- Anonymous reports later linked to a specific incident involving known parties
- Any documentation supporting the initial assessment
- Investigation-related evidence (e.g., physical and documentary evidence collected and interview transcripts)
- Dismissal-related documentation
- Documentation related to the Grievance Process
- The final investigation report
- Remedy-related documentation
- Supportive measures-related documentation
- Hearing recordings and records
- Appeal-related documentation
- Informal Resolution records
- Notices of Outcome
- Records documenting that the School's response was not deliberately indifferent
- Any other records typically maintained by the School as part of the case file

Specific examples of records pertaining to the Grievance Process may include, but are not limited to: anonymous reports later identified; intake documentation; incident reports; the written complaint; the names of the Complainant, the Respondent; any witnesses; any relevant statements or other evidence obtained; interview notes or transcripts; timelines, flowcharts and other forms used in the investigation process; witness lists, correspondence, telephone logs, evidence logs and other documents related to the processing of an investigation; correspondence relating to the substance of the investigation; supportive measures implemented on behalf of the Complainant or Respondent; actions taken to restrict/remove the Respondent; correspondence with the parties; medical, mental health, medical, and forensic record evidence obtained with consent during the course of the investigation; police reports; expert sources used in consideration of the evidence; documentation of outcome and rationale; correspondence and documentation of the appeals process; documentation of any sanctions/discipline resulting from the Grievance Process; and documentation of reported retaliatory behavior as well as all actions taken to address these reports.

**Drafts and Working Files:** Preliminary drafts and "working files" are not considered records that must be maintained by the School, and these are typically destroyed during the course of an investigation or at the conclusion of the Grievance Process. They are preliminary versions of records and other documents that do not state a final position on the subject matter reviewed or are not considered to be in final form by their creator and/or the Title IX Coordinator. An example of a "working file" would be the Investigator notes made during one interview with topics the Investigator wants to revisit in subsequent interviews. Sole possession records maintained as such in accordance with FERPA are also included in this category. All drafts of investigation reports shared with the parties are maintained.

**Attorney Work-Product:** Communications from the Title IX Office or its designees with the School's legal counsel may be work product protected by attorney-client privilege. These communications are not considered records to be maintained by the Title IX Office or accessible under this policy unless the Title IX Coordinator, in consultation with legal counsel as necessary, determines that these communications should be included as accessible records.

**Record Storage:**

Records may be created and maintained in different media formats; this policy applies to all records, irrespective of format. All records created pursuant to the Policy, as defined above, must be stored in digital and/or paper format. The complete file must be transferred to the Title IX Office within fourteen (14) business days of resolution of the complaint (including any appeal), if the file is not already maintained within the Title IX Office. Security protocols must be in place to preserve the integrity and privacy of any parts of any record that are maintained in the Title IX Office during the pendency of an investigation.

The Title IX Office will store all records created pursuant to the Policy, regardless of the identities of the parties. Parallel records should not be maintained by other School officials. Any extra (non-essential) copies of the records (both digital and paper) must be destroyed.

A copy of records showing compliance with Clery Act requirements by Title IX personnel will be maintained along with the case file in the Title IX Office.

The School will maintain an access log of each case file, showing when and by whom it was accessed, and for what purpose.

**Record Retention:**

All records created and maintained pursuant to the Policy must be retained indefinitely by the Title IX Office unless destruction or expungement is authorized by the Title IX Coordinator, who may act under their own discretion, or in accordance with a duly executed and binding settlement of claim, and/or by court or government order.

**Record Access:**

Access to records created pursuant to the Policy or housed in the Title IX Office is strictly limited to the Title IX Coordinator and any individual the Coordinator authorizes in writing, at their discretion. Those who are granted broad access to the records of the Title IX Office are expected to only access records pertinent to their scope or work or specific assignment. Anyone who accesses such records without proper authorization may be subject to an investigation and possible discipline/sanction. The discipline/sanction for unauthorized access of records covered by this policy will be at the discretion of the appropriate disciplinary authority, consistent with other relevant School policies and procedures.

Future Professional parties may request access to their case file. The School will provide access or a copy within 45 days of the request. Appropriate redactions of personally identifiable information may be made before inspection or any copy is shared.

During the investigation, materials may be shared with the parties using secure file transmission software. Any such file will be watermarked by the Title IX Office before being shared, with the watermark identifying the role of the School in the process (Complainant, Respondent, Hearing Decision-Maker; Complainant's Advisor, etc.).

## **Record Security:**

The Title IX Coordinator is expected to maintain appropriate security practices for all records, including password protection, lock and key, and other barriers to access as appropriate. Record security should include protection from flood, fire, and other potential emergencies. Clothing, forensic, and other physical evidence should be securely stored. All physical evidence will be maintained in a facility that is reasonably protected from flood and fire. A catalogue of all physical evidence will be retained with the case file.

## **APPENDIX D: STATISTICS ON THE PREVALENCE OF SEXUAL HARASSMENT AND SEXUAL ASSAULT IN THE EDUCATION SETTING**

The School provides training to the Grievance Process Pool on the following statistics <sup>46</sup>:

- a) Sex discrimination, including sexual harassment and violence, harms all students, undermines students' physical safety, impedes students' ability to learn, and can reinforce social inequality throughout a student's lifetime.
- b) Sexual harassment and violence in higher education is pervasive. According to research published by the American Association of University Women, during college, 62 percent of women and 61 percent of men experience sexual harassment. The Association of American Universities (AAU) survey of students shows that more than 1 in 5 women and nearly 1 in 18 men are sexually assaulted in college.
- c) Historically marginalized and underrepresented groups are more likely to experience sexual harassment than their peers. Research from GLSEN and the Centers for Disease Control and Prevention show that more than one-half of LGBTQ students 13 to 21 years of age, inclusive, are sexually harassed at school. An AAU survey indicates that nearly one in four transgender and gender-nonconforming students are sexually assaulted during college. According to a National Women's Law Center (NWLC) report, students with disabilities are 2.9 times more likely than their peers to be sexually assaulted.
- d) Sexual harassment occurs both on campus and in off-campus spaces associated with school. Nationwide, nearly 9 in 10 college students live off campus and 41 percent of college sexual assaults involve off-campus parties. Research by the Rape, Abuse & Incest National Network indicates that only 8 percent of all sexual assaults occur on school property.
- e) Survivors generally underreport instances of sexual harassment and assault. The NWLC reports that only 12 percent of college survivors report sexual assault to their schools or the police.
- f) Research published in the Journal of College Student Retention: Research, Theory & Practice demonstrates that 34 percent of sexual harassment and violence survivors drop out of college.
