**NOTICE:** As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement.

The school catalog is updated annually. In cases where changes in educational programs, educational services, procedures, or policies required to be included in the catalog by statute or regulation occur, we will provide an addendum appended to the end of the catalog and published on our website at [www.americanhealtheducation.com](http://www.americanhealtheducation.com).

The school catalog is available to prospective students or general public on the school's website at [www.americanhealtheducation.com](http://www.americanhealtheducation.com).

## **MISSION STATEMENT**

American Health Education is dedicated to providing the highest level of quality education to the pre-hospital and hospital medical professional. Our commitment begins by preparing our students with the knowledge, skills and competencies necessary to excel in their profession and continues post-graduate through our efforts to provide continuing education.

## **GENERAL INFORMATION**

### ***Location***

- California Department of Health Services Licensing and Certification: 800-236-9747

## **QUALITY REVIEW BOARD**

The Quality Review Board will be comprised of the Program Director, the EMT Coordinator, and Director. The main purpose of the Board is to make sure the School is providing the best education possible to the students by conducting periodic review of the student satisfaction evaluations and implementing quality improvement measures when necessary. The Board is responsible to ensure compliance of all regulatory and licensing agency requirements. In addition, Board is also tasked with being the neutral third party if a problem between the school and the student arise.

## **ACADEMIC CALENDAR**

AHE academic calendar runs January-December. We offer weekend and weekday EMT-Basic courses through the year, each course having its own start/end date. Continuing education courses are offered continually throughout the year. Please refer to each course description for the scheduled date. No classes will be held on the following holidays: New Year's January 1, Memorial Day May 25, Independence Day July 4 and 5, Labor Day September 7, Thanksgiving Holiday November 26 and 27, Christmas Day December 24 & 25.

## EMT BASIC TRAINING:

Weekend course:

- **January 2021**  
Classroom & Field Phase January 16- March 21, 2021 (Sat/Sun)
- **April 2021**  
Classroom & Field Phase April 3- June 13, 2021 (Sat/Sun)
- **June 2021**  
Classroom & Field Phase June 26- September 12, 2021 (Sat/Sun)  
No class 7/3-7/4, 9/4-9/5
- **September 2021**  
Classroom & Field Phase September- November 21, 2021 (Sat/Sun)

Accelerated 5-week course:

- **January 2021**  
Classroom & Field Phase January 4-February 4, 2021 (Mon-Thurs)
- **February 2021**  
Classroom & Field Phase February 8-March 11, 2021 (Mon-Thurs)
- **March 2021**  
Classroom & Field Phase March 22-April 22, 2021 (Mon-Thurs)
- **April 2021**  
Classroom & Field Phase April 26-May 27, 2021 (Mon-Thurs)
- **June 2021**  
Classroom & Field Phase June 7-July 9, 2021 (Mon-Thurs)
- **July 2021**  
Classroom & Field Phase July 12 - August 12, 2021 (Mon-Thurs)
- **August 2021**  
Classroom & Field Phase August 16- September 16, 2021 (Mon-Thurs)  
No Class 9/6
- **September 2021**  
Classroom & Field Phase September 27- October 28, 2021 (Mon-Thurs)
- **November 2021**  
Classroom & Field Phase November 8-December 16, 2021 (Mon-Thurs)  
No class 11/22-25

Weeknight 10-week course:

- ~~**April 2021 CANCELLED**~~  
~~Classroom & Field Phase April 6- June 20, 2021 (Tues/Thurs 6-10 pm, Sat 9-5:30 pm)~~

The field phase will be completed concurrently with the didactic phase. Dates and times are subject to change.

## FACULTY

American Health Education EMT Instructors are required to have a minimum of five (5) years field experience in EMT-Basic and/or EMT-Paramedic, have attended a 40-hour instructional methodology class or equivalent, and maintain a current EMT-B or EMT-P license. All Continuing Education American Heart Association (AHA) Instructors are AHA certified. State Fire Training Instructors are certified by the Office of State Fire Marshal. They maintain a current valid license/certification have at least five (5) years teaching experience, are knowledgeable, current, and skillful in the subject matter.

- CAO/EMT Program Director: Chris Seymour, EMT-P
- Medical Director: Gerald Nazareno, M.D.
- School Director, Admissions/Records: Yvette Surendran
- EMT-B Enrollment Specialist: Eloina Densow
- Registration Specialist/Scheduler: Nicole Phillips

**Chris Seymour, EMT-P** has a Master of Arts degree in Leadership Studies from Saint Mary's College. He has over 10 years of professional executive level healthcare leadership working for bay area EMS training organizations and he has served as Vice President managing the operations for over 200 employees of a 24/7 multi-county local ambulance service. Chris holds a current EMT-P license since 2001 and numerous EMS related professional certifications. He is authorized to teach EMT and American Heart Association Basic Life Support. Chris serves as the Program Director, CEO, COO and CAO for American Health Education and Director of ALS Services for North Star Emergency Services.

**Gerald Nazareno, MD** has been a medical doctor for 30 years, specializing in Emergency Medicine. He currently works at Valley Care Hospital in the Emergency Department, and he has been teaching Emergency medicine for the past 19 years. He serves as the Medical Director for NORCAL Ambulance and American Health Education. He is certified to teach EMT-B, EMT-P, and American Heart Association ACLS, PALS, and CPR.

**Hannah Barakzoy, EMT-B** has served as an AHE EMT-B skills instructor since July 2017. She is currently pursuing a nursing degree. Hannah is certified to teach EMT-B and is the lead EMT skills instructor.

**Terrance Hogue, EMT-P** has been a paramedic since 1987 and worked for San Francisco Fire Department and serves as adjunct faculty instructor at Las Positas Community College. Terry is certified to teach EMT-B and serves as a primary instructor for AHE.

**Greg Hubbell, EMT-P** has been in EMS and Fire since 2015. He has previously worked as a Firefighter I for CalFire and is currently a Critical Care Transport Paramedic for Children's Hospital Oakland. Greg is certified to teach EMT-B and American Heart Association BLS.

**Lupe Marin, EMT-B** American Heart Association certified instructor and Training Center Faculty for BLS. Lupe is certified to teach EMT-B and EMT Refresher Course.

**Jennie Huo** - American Heart Association certified instructor for BLS, ACLS and PALS teaching for AHE since 2018.

**Barry Rose, EMT-P**, American Heart Association certified instructor and teaches BLS, ACLS and PALS provider and instructor courses. Barry is also a California State Fire Marshal Instructor teaches Company Officer 2A, 2B, 2D, Instructor I and II and Basic EKG.

## **FACILITIES AND EQUIPMENT**

American Health Education is located in the Sierra Trinity Business Park, 6761 Sierra Court, Suite G, Dublin, CA. The facility is approximately 4500 square feet with the office environment being clean and spacious. There are two (2) administrative offices and three (3) classrooms, a library with computer lab/learning resource area, copy machine, equipment rooms, records storeroom, two (2) cubicles for support staff. The common area includes two (2) restrooms, refrigerator, microwave, kitchenette, coffee maker, and hot/cold water cooler.

The classrooms can accommodate 16-40 students and include state-of-the-art audiovisual equipment, DVD player, laptop computer, wireless internet access and dry-erase white boards. The classroom skills labs are outfitted with cardiac monitors, IV equipment and pumps, backboards, traction equipment, medical supplies, hospital gurney, ambulance gurney, manikins, AED's, two (2) ambulances and other equipment relative to nursing and emergency medical services profession.

We are conveniently located with easy access from 580 and 680 freeways and public transportation. We have plenty of parking spaces available for student parking and there is no parking fee.

## **PROGRAM DELIVERY/ENGLISH PROFICIENCY**

All course content is delivered through the use of PowerPoint Slide directed lecture and is presented in English. The student must have the ability to read and write English at the level of a graduate of an American high school as demonstrated by the possession of a high school diploma, GED or passage of the California high school proficiency exam.

## **COURSE DESCRIPTIONS**

### **Emergency Medical Technician (EMT Basic) Description**

The EMT Basic training offered by American Health Education fulfills all of the training requirements set forth by the State Of California in Title 22 of the California Code of regulations. The course curriculum includes all items outlined in Title 22, and is designed to guide students to successful completion of National Registry EMT-Basic Exam, which is required by the State of California for EMT certification, and this will allow students to work as an Emergency Medical Technician (SOC code 29-2042). Additionally, this course conforms to the National Standard EMT-Basic Curriculum formulated by the U.S. Department of Transportation. The course is divided into two sections: didactic instruction and skills training (160 hours) and supervised clinical experience (field ride-along 24 hours). Upon successful completion of all phases of training, a completion certificate will be awarded that will allow the student to apply for National Registry Certification and subsequent state certification as an EMT.

## **Course Content – EMT Basic**

The American Health Education EMT Basic training program is designed on a modular basis and includes lecture, recitation, laboratory skills training, and externship.

### **Didactic Breakdown with Module Clock Hours**

<b>Module</b>	<b>Title</b>	<b>Hours</b>
Module 1	Preparatory	16
Module 2	Airway	16
Module 3	Patient Assessment	24
Module 4	Medical Emergencies	24
Module 5	Trauma	24
Module 6	Special Patient Populations	16
Module 7	Operations	8
Module 8	Advanced Airway Management	8
Module 9	MCI- Mass Casualty Incident	8
Module 10	Written Final/ Skills Testing	8
Module 11	National Registry Skills Review and Test	16
Assigned Skills Days*		10
Total Hours	Didactic instruction and skills training	160
Field Training- externship		24
<b>Total Hours</b>		<b>184</b>

The skills laboratory days are integrated into the didactic portion of the EMT Training program. These days combine cognitive information learned during lecture and apply that information into psychomotor skills.

**Module 1** – Preparatory is 16 hours and is an introduction to Emergency Medical Technician. The main topics covered are:

- The EMS System
- Components of the EMS System
- Personal Protection
- Scene Safety
- Body Systems
- Lifting/Moving Patients
- Patient consent/refusal
- Medical/Legal/Ethics
- Scope of Practice
- Anatomical Terms

**Module 2** – Airway is 16 hours and is an introduction to Airway Management. The main topics covered are:

- Respiration
- Techniques of Artificial Ventilation
- Airway Adjuncts
- Suctioning
- Oxygen Therapy

**Module 3** – Patient Assessment is 24 hours and is an introduction to assessing a patient related to the EMT. The main topics covered are:

- Scene Size-up
- Initial Assessment
- Vital Signs
- SAMPLE History
- Pre-hospital Care Report
- Focused History/Physical Exam
- Verbal Reports
- Detailed Physical Exam
- Ongoing Assessment
- Special Documentation Issues
- Communication Systems/Radio

**Module 4** – Medical Emergencies is 24 hours and is an introduction to medical emergencies and how to interpret them. The main topics covered are:

- General Pharmacology
- Medications EMT can administer
- Respiratory Emergencies
- Cardiac Emergencies
- Cardiac Anatomy/Physiology
- Cardiac Arrest/ compromise
- Acute Abdominal Emergencies
- Diabetic Emergencies
- Altered Mental Status Emergencies
- Allergic Reactions
- Poisoning/Overdose Emergencies
- Environmental Emergencies
- Behavioral Emergencies
- OB/GYN Emergencies
- Childbirth

**Module 5** – Trauma is 24 hours and is an introduction to Trauma emergencies how to interpret them. The main topics covered are:

- Bleeding and Shock
- Soft Tissue Injury
- Burns
- Musculoskeletal Injury
- Splinting
- Head & Spine Injuries
- Spine Injury Immobilization
- Multiple Trauma Patient

**Module 6** – Special patient populations is 16 hours and is an introduction to patients with special needs. The main topics covered are:

- Infants & Children
- Child Abuse and Neglect
- Pediatric trauma
- Special Needs Patients
- Geriatric Patients
- Developmental Characteristics of Infants and Children

**Module 7** – Operations is 8 hours and covers ambulance operations, terrorism, HazMat, and special rescue situations. The main topics covered are:

- Ambulance Operations
- Air Rescue
- Vehicle Rescue
- Hazardous Materials
- MCI
- EMS response to Terrorism

**Module 8** – Advanced airway management is 8 hours and covers advanced airway management techniques. The main topics covered are:

- Anatomy and Physiology
- Management of the Airway

**Module 9** – MCI –Mass Causality Incident is 8 hours.

**Module 10** – Final Written and Skills tests the necessary skills and knowledge for certification an EMT.

**Module 11** – National Registry review and test is 16 hours and is a comprehensive review preparing the student for their final examinations and the National Registry skills test.

### **National Registry Examination (NREMT)**

To obtain EMT certification in the State of California, all students are required to pass the National Registry of EMT's Exam. The National Registry Exam consists of two parts – cognitive and psychomotor. To be eligible to take the National Registry Exam the student must successfully complete the following phases of the program:

- Didactic Phase – 160 hours
- Field Externship Phase – 24 hours minimum, with at least 10 patient contacts

Upon successful completion of all phases of the program, the student will be given a course completion certificate that will be used as proof of meeting the requirements to take the National Registry Exam. Once successfully completing the NREMT written/cognitive examination, students will qualify to apply for State certification.

See Addendum at the end of Catalog page 38

### **EMT Certification Requirements**

~~The Emergency Medical Services Authority (EMSA) of California specifies requirements for EMT-Basic certification. Once you pass NREMT and receive your NREMT certification (valid for two years) you are eligible to apply to the local/county LEMSA. Please check with your local county/state Emergency Medical Services Authority (<http://www.emsa.ca.gov/>) for other specific requirements and fees that may be required to practice as an Emergency Medical Technician in your area.~~

### **Job Classification/Position/Salary**

- United States Department of Labor's Standard Occupational Classification (SOC) code: 29-2042 Emergency Medical Technicians and Paramedics
- Employment Position: Emergency Medical Technician
- Salary References/Disclosures:
  - CA State- EDD- <http://www.labormarketinfo.edd.ca.gov/OccGuides>
  - US Bureau of Labor Statistics- <https://www.bls.gov/bls/blswage.htm>

### **Continuing Education EMS Course Description**

#### **EKG Rhythm Identification – (12 CE)**

This 12-hour course is designed to provide a comprehensive study of basic cardiac arrhythmia identification. We will begin at the very basic level of cardiac anatomy. Learn to read an EKG strip, determine what the normal components of the EKG waveform are, examine the basic cardiac dysrhythmias, and increase your knowledge of the causes and treatments of cardiac arrhythmias. This course is ideal for RNs, LVNs, Paramedics and EMTs looking to increase their cardiac clinical competency. The BRN does not recognize CE's for RNs for this class, therefore RNs will receive a completion certificate. Check website for schedule [www.americanhealtheducation.com](http://www.americanhealtheducation.com).

#### **EMT Basic Refresher Course (24 CE)**

To re-certify EMT's must complete 24 hours of continuing education and pass a skills competency verification examination. Our 24-hour approved course has been updated to comply with the **new mandatory** training requirements for EMT certificate renewal including didactic and skills training for Hemostatic dressing, Naloxone, Epinephrine, and Glucometers and TCC. Does not include National Registry testing (NREMT). This three-day course is offered monthly. Check website for schedule [www.americanhealtheducation.com](http://www.americanhealtheducation.com).

#### **EMT County Skills Verification – (4 CE)**

Take our updated course that meets the requirements for EMT certification renewal. Includes didactic and skills training for Hemostatic dressing, Naloxone, Epinephrine, and Glucometers and TCC. EMT's receive up to 4 CE certificate and EMSA skills competency verification to complete re-certification through their EMS Agency. Does not include National Registry testing. **EMT License required**. This 4-hour course is offered twice monthly. Check website for schedule [www.americanhealtheducation.com](http://www.americanhealtheducation.com).

## American Heart Association (AHA) Certification Courses

### **Basic Life Support (BLS) Certification (4 CE)**

This is a BLS initial course designed for healthcare providers to learn how to save a life. The course provides information for assessing, planning, implementing, and evaluation during cardio-pulmonary emergencies. In this course, you will learn how to: Recognize the signals of heart attack and take appropriate actions, perform one and two rescuer CPR, gain early access to Emergency Medical Services (EMS), recognize and respond to sudden unexpected death, assist a choking adult, child or infant victim and perform adult, child and infant CPR. Students must pass written and skills competency testing to obtain certification. An American Heart Association (AHA) BLS eCard will be emailed from [eCards@heart.org](mailto:eCards@heart.org) upon successful completion of this course. In order to maintain certification a healthcare provider must recertify every two years. The BRN does not recognize CE's for RN's for this course. Courses offered monthly. Check website for schedule [www.americanhealtheducation.com](http://www.americanhealtheducation.com).

### **Basic Life Support (BLS) Recertification (3 CE)**

This course is for *current* BLS Healthcare providers. You must bring your current card BLS card to class. Students must pass written and skills competency testing to obtain recertification An American Heart Association BLS eCard will be emailed to you from [eCards@heart.org](mailto:eCards@heart.org) upon successful completion of this course. In order to maintain certification a healthcare provider must recertify every two years. The BRN does not recognize CE's for RN's for this course. Courses offered monthly. Check website for schedule [www.americanhealtheducation.com](http://www.americanhealtheducation.com).

### **BLS Instructor Course (8 CE)**

American Heart Association (AHA) has defined these 5 core competencies required of all instructor candidates: 1. *Skills*, Instructors need to demonstrate mastery in all skills for the courses they teach. This includes both the cognitive skills as well as the psychomotor skills. 2. *Course delivery*, Instructors need to teach AHA materials correctly as outlined in the appropriate Instructor Manual and Lesson Plans. 3. *Testing*, instructors must be able to test students effectively. 4. *Professionalism*: Instructors need to maintain a high standard of ethics and professionalism when teaching AHA courses. 5. *Program Administration*, Instructors need to be able to manage time, space materials, and paperwork in compliance with AHA guidelines.

How to become an AHA Instructor:

1. Be accepted by an AHA Training Center prior to enrolling in an Instructor Course and have a completed Instructor Candidate Application to file with that Training Center. Contact [julie@americanhealtheducation.com](mailto:julie@americanhealtheducation.com) for information.
2. Have current AHA provider status in the discipline for that Instructor Course and be proficient in all the skills of that discipline.
3. Take the online Instructor Essentials Course on the [onlineaha.org](http://onlineaha.org) website. Print certificate.
4. Successfully complete the discipline-specific classroom Instructor Course- Steps 1-3 must be completed prior to enrolling in any Instructor Course.
5. Successfully complete being monitored teaching the first course within six months of completing the discipline-specific classroom Instructor Course (Training Center Coordinators can require additional monitoring if needed). Check website for schedule [www.americanhealtheducation.com](http://www.americanhealtheducation.com).

### **Advanced Cardiac Life Support (ACLS) Certification (12 CE)**

This course is for American Heart Association ACLS initial certification, or expired cardholders, pre-hospital emergency and hospital employees such as Paramedics, RN's, MD, Respiratory Therapists or other healthcare providers requiring American Heart Association (AHA) ACLS certification. This course emphasizes assessment and management of adult

cardiac patients, including respiratory, AED, stroke, ACS, cardiac arrest, and includes BLS proficiency and ACLS written and skills testing. An American Heart Association (AHA) ACLS eCard will be emailed from [eCards@heart.org](mailto:eCards@heart.org) upon successful completion of this course. In order to maintain certification a healthcare provider must recertify every two years.

Mandatory precourse preparation includes:

1. Complete the precourse checklist that came with your ACLS Provider Manual. Bring the checklist with you to the course.
2. Review the course agenda.
3. Review and understand the information in your ACLS Provider Manual. Pay particular attention to the 10 core cases in Part 4.
4. Review and understand the information in the BLS for Healthcare Providers manual. The resuscitation scenarios require that your BLS skills and knowledge are current. You will be tested on adult 1-rescuer CPR and AED skills at the beginning of the ACLS Provider Course. You will not be taught how to do CPR or how to use an AED. You must know this in advance.
5. Review, understand, and complete the ECG and Pharmacology pre-course assessment tests online-follow the instructions in your book. You will not be taught how to read or interpret ECGs in the course, nor will you be taught details about ACLS pharmacology.
6. Print your scores for the pre-course assessment tests and bring them with you to class. You will not be able to attend the course without the pre-course assessment tests.

What This Course Does Not Cover: The ACLS Provider Course does not teach algorithms, ECG, or pharmacology information. If you do not learn and understand the ECG and pharmacology information in the pre-course assessment tests, it is unlikely that you can successfully complete the ACLS Provider Course. Courses offered monthly. Check website for schedule [www.americanhealtheducation.com](http://www.americanhealtheducation.com).

### **Advanced Cardiac Life Support (ACLS) Recertification (6 CE)**

This course is an American Heart Association ACLS Recertification for pre-hospital emergency and hospital employees such as Paramedics, RN's, MD, Respiratory Therapists or other healthcare providers requiring American Heart Association (AHA) ACLS certification.

Recertification is only available to students who are currently AHA ACLS certified at the time of class. This course emphasizes assessment and management of adult cardiac patients, including respiratory, AED, stroke, ACS, cardiac arrest, and includes BLS proficiency and ACLS written and skills testing. Print your scores for the pre-course assessment tests online, follow the instructions in your book, and bring them with you to class. An American Heart Association (AHA) ACLS eCard will be emailed from [eCards@heart.org](mailto:eCards@heart.org) upon successful completion of this course. In order to maintain certification, a healthcare provider must recertify every two years. Courses offered monthly. Check website for schedule [www.americanhealtheducation.com](http://www.americanhealtheducation.com).

### **ACLS Instructor Course (12 CE)**

ACLS candidates must be licensed or credentialed in a healthcare occupation where the skills are within the provider's scope of practice. American Heart Association (AHA) has defined these 5 core competencies required of all instructor candidates: 1. *Skills*, Instructors need to demonstrate mastery in all skills for the courses they teach. This includes both the cognitive skills as well as the psychomotor skills. 2. *Course delivery*, Instructors need to teach AHA materials correctly as outlined in the appropriate Instructor Manual and Lesson Plans. 3. *Testing*, instructors must be able to test students effectively. 4. *Professionalism*: Instructors need to maintain a high standard of ethics and professionalism when teaching AHA courses. 5. *Program Administration*, Instructors need to be able to manage time, space materials, and paperwork in compliance with AHA guidelines. Check website for schedule [www.americanhealtheducation.com](http://www.americanhealtheducation.com).

### **Pediatric Advanced Life Support (PALS) Certification (12 CE)**

This course is for American Heart Association PALS initial certification, or expired cardholders, pre-hospital emergency and hospital employees such as Paramedics, RN's, MD, Respiratory Therapists or other healthcare providers requiring American Heart Association (AHA) PALS certification. This course emphasizes management of seriously ill or injured pediatric patients. The two-day comprehensive course reviews BLS, respiratory failure, shock, cardiac arrhythmias, and vascular access. An American Heart Association (AHA) PALS eCard will be emailed from [eCards@heart.org](mailto:eCards@heart.org) upon successful completion of this course. In order to maintain certification, a healthcare provider must recertify every two years.

#### **Mandatory pre-course preparation includes:**

1. Pre-course checklist: Complete the pre-course checklist that came with your PALS Course Guide. Bring the checklist with you to the course.
2. CPR competency: Be prepared to pass the child 1-rescuer CPR/AED and infant 1- and 2-rescuer CPR skills test. You will not be taught how to do CPR or how to use an AED during the course. You must know this in advance.
3. Complete the self-assessment test online-bring the printout of your score with you to the PALS course. This test consists of 3 sections: ECG rhythm identification, pharmacology, and practical application. Use this assessment to identify areas where you need to increase your knowledge.
4. Practice cases: Work through the practice cases to familiarize yourself with the "assess-categorize decide-act" model taught in the course. As you read through each case, try to answer the questions. Check your answers.
5. PALS algorithms and flowcharts: Be familiar with the PALS algorithms and flowcharts so that you can apply them to clinical scenarios. Note that the PALS course does not present the details of each algorithm.
6. Supplement your knowledge: Review and understand the information in the PALS Provider Manual, the PALS Course Guide. Pay particular attention to the systematic approach to pediatric assessment, the "assess-categorize-decide-act" model, and the management of respiratory and circulatory abnormalities.
7. Course agenda: Review the course agenda and note course activities where you might need to supplement your knowledge before attending the course.
8. Print your scores for the pre-course assessment tests and bring them with you to class.

Courses offered monthly. Check website for schedule [www.americanhealtheducation.com](http://www.americanhealtheducation.com).

### **Pediatric Advanced Life Support (PALS) Recertification (6 CE)**

This course is an American Heart Association PALS Recertification for pre-hospital emergency and hospital employees such as Paramedics, RN's, MD, Respiratory Therapists or other healthcare providers requiring American Heart Association (AHA) PALS certification.

Recertification is only available to students who are currently AHA PALS certified at the time of class. This course emphasizes management of seriously ill or injured pediatric patients. Print your scores for the pre-course assessment test online, follow the instructions in your book, and bring them with you to class. An American Heart Association (AHA) ACLS eCard will be emailed from [eCards@heart.org](mailto:eCards@heart.org) upon successful completion of this course. In order to maintain certification, a healthcare provider must recertify every two years

Courses offered monthly. Check website for schedule [www.americanhealtheducation.com](http://www.americanhealtheducation.com).

### **PALS Instructor Course (12 CE)**

PALS candidates must be licensed or credentialed in a healthcare occupation where the skills are within the provider's scope of practice. American Heart Association (AHA) has defined these 5 core competencies required of all instructor candidates: 1. *Skills*, Instructors need to demonstrate mastery in all skills for the courses they teach. This includes both the cognitive skills as well as the psychomotor skills. 2. *Course delivery*, Instructors need to teach AHA materials correctly as outlined in the appropriate Instructor Manual and Lesson Plans. 3. *Testing*, instructors must be able to test students effectively. 4. *Professionalism*: Instructors need to maintain a high standard of ethics and professionalism when teaching AHA courses. 5. *Program Administration*, Instructors need to be able to manage time, space materials, and paperwork in compliance with AHA guidelines. Check website for schedule [www.americanhealtheducation.com](http://www.americanhealtheducation.com).

### **Office of State Fire Marshal-California State Fire Training**

American Health Education offers California Office of the State Fire Marshal (OSFM)- State Fire Training (SFT) Courses. All courses are filed and approved by SFT and listed on the SFT website. Please check the OSFM website -<http://osfm.fire.ca.gov/training/training> for current SFT certifications, full course description and prerequisites. Student manuals are available and downloadable for most courses. Please bring the required student materials to class. Upon completion of the course, all course materials are returned to SFT for processing. SFT certification process and requirements can be found at <http://osfm.fire.ca.gov/training/equivalencies>. AHE will provide students with "Proof of Attendance". Check website for course dates-[www.americanhealtheducation.com](http://www.americanhealtheducation.com).

### **Company Officer 2A-Human Resource Management (40 hr)**

This course provides information on the use of human resources to accomplish assignments, evaluating member performance, supervising personnel, and integrating health and safety plans, policies, and procedures into daily activities as well as the emergency scene. Designed For: Aspiring company officers. Prerequisites: Meet the educational requirements for Fire Fighter II. Required Student Materials: Fire and Emergency Services Company Officer, fifth edition, International Fire Service Training Association, 2014, 9780879395643, The third edition and fourth edition are also acceptable. Pocket Guide to the Firefighters Procedural Bill of Rights Act. At the completion of the class, AHE will provide students with "Proof of Attendance".

### **Company Officer 2B-General Administrative Functions (20 hr)**

This 20-hour course provides information on general administrative functions and the implementation of department policies and procedures and addresses conveying the fire department's role, image, and mission to the public. Designed For: Aspiring company officers. Prerequisites: Meet the educational requirements for Fire Fighter II. Required Student Materials: Fire and Emergency Services Company Officer, fifth edition, International Fire Service Training Association, 2014, 9780879395643, The third edition and fourth edition are also acceptable. At the completion of the class, AHE will provide students with "Proof of Attendance".

### **Company Officer 2D-All Risk Command Operations (40 hr)**

This course provides information on conducting incident size-up, developing and implementing an initial plan of action involving single and multiunit operations for various types of emergency incidents to mitigate the situation following agency safety procedures, conducting pre-incident planning, and develop and conduct a post-incident analysis. Designed For: Aspiring company officers. Prerequisites: Meet the educational requirements for Fire Fighter II, ICS-

200.B: Incident Command System For Single Resources and Initial Action Incidents Hazardous Material Incident Commander (as offered by the California Specialized Training Institute). Student Materials required: Fire and Emergency Services Company Officer, fifth edition, International Fire Service Training Association, 2014, 9780879395643 The third edition and fourth edition are also acceptable. At the completion of the class, AHE will provide students with "Proof of Attendance".

**Inspector 1A- Duties and Administration (24 hr)**

This course provides students with a basic knowledge of the roles and responsibilities of a Fire Inspector I include legal responsibilities and authority, codes and standards, the inspection process, confidentiality and privacy requirements, and ethical conduct, and administrative tasks including preparing inspection reports, recognizing the need for a permit or plan review, investigating common complaints, and participating in legal proceedings. Designed For: Entry level Inspector. Prerequisites: None. Student Materials: California Fire Code (with Title 19 excerpts) (International Code Council, 2013 edition, ISBN: 978-1-60983-460-9), Fire Inspection and Code Enforcement (IFSTA, 7th edition, ISBN: 9780879393489) Or Fire Inspector: Principles and Practice (International Association of Fire Chiefs, 1st ed., ISBN: 9780763749392). At the completion of the class, AHE will provide students with "Proof of Attendance".

**Inspector 1B- Fire and Life Safety (24 hr)**

This course provides students with a basic knowledge of fire and life safety aspects related to the roles and responsibilities of a Fire Inspector I include building construction, occupancy classifications, occupancy load, means of egress, hazardous conditions, fire growth potential, fire flow, and emergency planning and preparedness measures. Designed For: Entry level Inspector. Prerequisites: Fire Inspector 1A: Duties and Administration. Student Materials: California Fire Code (with Title 19 excerpts) (International Code Council, 2013 edition, ISBN: 978-1-60983-460-9), Fire Inspection and Code Enforcement (IFSTA, 7th edition, ISBN: 9780879393489) Or Fire Inspector: Principles and Practice (International Association of Fire Chiefs, 1st ed., ISBN: 9780763749392). At the completion of the class, AHE will provide students with "Proof of Attendance".

**Inspector 1C- Field Inspection (24 hr)**

This course provides students with a basic knowledge of field inspection roles and responsibilities of a Fire Inspector I include basic plan review, emergency access for an existing system, hazardous materials, and the operational readiness of fixed fire suppression systems, existing fire detection and alarm systems, and portable fire extinguishers. Designed For: Entry level Inspector. Prerequisites: Fire Inspector 1B: Fire and Life Safety. Student Materials: California Fire Code (with Title 19 excerpts) (International Code Council, 2013 edition, ISBN: 978-1-60983-460-9), Fire Inspection and Code Enforcement (IFSTA, 7th edition, ISBN: 9780879393489) Or Fire Inspector: Principles and Practice (International Association of Fire Chiefs, 1st ed., ISBN: 9780763749392). At the completion of the class, AHE will provide students with "Proof of Attendance".

**Inspector 1D- Field Inspection CA (16 hr)**

This course provides students with a basic knowledge of a Fire Fighter I's field inspection roles and responsibilities specific to California including tents, canopies, and temporary membrane structures; fireworks and explosives; and wild and urban interface environments. Designed For: Entry level Inspector. Prerequisites: Fire Inspector 1C: Field Inspection. Student Materials: California Building Code (International Code Council, 2013 edition, ISBN: 9781609834579) 2013 Various, California Code of Regulations (CCR) Title 14 and Title 19 CURRENT O.A.L. , California Fire Code (with Title 19 excerpts) (International Code Council, 2013 edition, ISBN: 9781609834609) CURRENT Various, California Public Resources Code

4290 and 4291 and Government Codes 51175 through 51189 -- CA Leg., NFPA 1123: Code for Fireworks Display (National Fire Protection Association, 2010 edition, ISBN: 1110000037363 NFPA 1123 Various, NFPA 1126: Standard for the Use of Pyrotechnics Before a Proximate Audience (National Fire Protection Association, 2011 edition, ISBN: 9780685649626) NFPA 1126 Various, Laws and Regulations for Transportation, Use, and Storage of Fireworks in California 2011. At the completion of the class, AHE will provide students with "Proof of Attendance".

### **Instructor I- (40 hr)**

This course provides the skills and knowledge needed for the entry level professional instructor to perform his or her duties safely, effectively, and competently. The curriculum is based on the 2012 edition of NFPA 1041 Standard for Fire Service Instructor Professional Qualifications. At the end of this course, candidates for Instructor I certification will be able to teach and deliver instruction from a prepared lesson plan utilizing instructional aids and evaluation instruments. The Instructor I will also be able to adapt a lesson plan and complete the reporting requirements to the local jurisdiction. Designed For: Personnel preparing for a college level fire instructor, Company Officer, or SFT Certified Training Instructor position. Prerequisites: None, but the following courses are recommended: Introduction to the Incident Command System (IS-100.B), FEMA or National Incident Management System (IS-700.A), FEMA. Required Student Materials: Fire and Emergency Services Instructor (ISBN 9780879394417) 8th IFSTA, Fire Service Instructor: Principles and Practice (ISBN: 9781449670832). At the completion of the class, AHE will provide students with "Proof of Attendance".

### **Instructor II- (40 hr)**

This course provides the skills and knowledge needed for the intermediate level professional instructor to perform his or her duties safely, effectively, and competently. The curriculum is based on the 2012 edition of NFPA 1041 Standard for Fire Service Instructor Professional Qualifications and the 2012 edition of NFPA 1403 Standard on Live Fire Training Evolutions. At the end of this course, candidates for Instructor II certification will be able to develop lesson plans and evaluation instruments, teach and deliver instruction, and evaluate and coach other instructors. The Instructor II will also be able to analyze resources and formulate a program budget. Designed For: Personnel preparing for a college level fire instructor, Company Officer, or SFT Certified Training Instructor position. Prerequisites: Instructor I: Instructional Methodology Introduction to the Incident Command System (IS-100.B), FEMA OR National Incident Management System (IS-700.A), FEMA. Required Student Materials: Fire and Emergency Services Instructor (ISBN 9780879394417) 8th IFSTA, Fire Service Instructor: Principles and Practice (ISBN: 9781449670832) 2nd edition. At the completion of the class, AHE will provide students with "Proof of Attendance".

## **EDUCATIONAL OBJECTIVES**

The EMT program is based upon the California EMS Authority and the National Registry of Emergency Medical Technicians and adhere to the Department of Transportation's National Standard Training Curricula:

- To develop the EMT student to understand what it means to be an EMT. This includes the career field of Emergency Medical Systems and the Roles and Responsibilities of the EMT in the EMS field.
- To provide the EMT student the knowledge, skills, and ability to provide top level care and function safely and effectively in the pre-hospital environment.
- The EMT student will be able to demonstrate competency and proficiency in both basic EMT skills with each patient he/she will encounter.

- To prepare the EMT student to successfully complete the National Registry Licensure Examination.

#### Continuing Education

- To provide courses related to direct/indirect patient care that enhance knowledge and technical skills required for practice at a level above that required for licensure.

#### State Fire Training

- To provide training and education in the fire protection methods and responsibilities through instruction of the California Office of State Fire Marshal courses.

### **ADMISSION REQUIREMENTS**

EMT-Basic: To qualify for this program, each applicant must have:

- High school diploma, GED Certificate or equivalent
- American Heart Association Basic Life Support Certification (CPR)
- Current Immunization Records for:
  - ✓ TB- Tuberculosis within 1 year
  - ✓ Tetanus within 1 year
  - ✓ MMR- Measles, Mumps, Rubella (childhood record OK)
  - ✓ Varicella Immunity
  - ✓ Hepatitis B- At least shot #1 in series
- Current California ID/Driver's license
- Current Healthcare Insurance card

Continuing Education: To qualify for Continuing Education program, each applicant must have:

- Proof of current healthcare provider license or certificate.

### **EDUCATIONAL PREREQUISITES**

EMT Basic : This program requires that all students possess a current high school diploma or GED certificate or equivalent and current American Heart Association BLS certification.

- Physical considerations: EMT students must possess sufficient ability to: Lift at least 50 lbs unassisted, stand, carry, and balance on uneven terrain. Stoop, kneel, climb, crouch and crawl as needed to reach patients and safely remove and transport. Carry and utilize emergency medical equipment appropriately. Communicate verbally to patients, physicians, nurses, and co-workers. Hear, understand, and react quickly to verbal instructions and patient needs. In addition, students must be able to travel to field training sites as assigned and work varying shifts and hours as assigned.

Continuing Education: Student must possess a current healthcare provider license. For verification of specific course approval, please contact your accrediting agency to confirm continuing education requirements.

### **EMT APPLICATION PROCESS**

All interested applicants must submit a completed application along with a \$250 non-refundable registration fee to secure their slot in the program. Prospective students may tour the facility and discuss program information. The enrollment agreement will be executed during orientation or on the first day of class. All required registration fees and documents must be provided as listed in the enrollment agreement. AHE does not provide VISA services for foreign students, therefore, you must be eligible to study in the United States to enroll.

See Addendum at the end of Catalog page 38

## **ENROLLMENT AGREEMENT**

~~Students must sign an enrollment agreement before beginning a course at AHE. The agreement includes information pertaining to tuition and fees, attendance, course details- dates, location, time, STRF fees, cancellation, course certificates, transferability, and other related matters.~~

## **STANDARDS OF SATISFACTORY ACADEMIC PROGRESS**

### **ACADEMIC STANDARDS- EMT**

In order to maintain enrollment in the classroom or didactic phase of training, a student must maintain the following:

1. A cumulative average of minimum of **eighty percent (80%)** on all examinations, quizzes and assignments administered throughout the entire classroom program.
2. Complete and pass all skills assignments or skills testing.
3. Complete final with a passing (minimum 80%) score
4. Complete skills finals stations with a passing score.
5. Students may repeat a skills station only once and only under the approval of the Program Director.

### **GRADING SCALE**

AHE uses a standard grading scale for all tests and quizzes. All cumulative grades must be kept above the National Standard Minimum Acceptable Grade of 80%. All grades will be based on the following grading scale:

- **Didactic Grading Scale**
  - 100-90 = A
  - 89-80 = B
  - 79-0 = F
- **Clinical Grading Scale (EMT)**
  - The clinical time for EMT is observational time only and consists of a minimum of 24 hours and ten patient contacts. No letter grade is given.

### **Maximum Allowable Time Frame**

The maximum allowable time frame for completion of an EMT program is 150% of the total time of the program. If a student feels that he or she is going to exceed the maximum allowable time of the program, it is the **RESPONSIBILITY OF THE STUDENT** to notify the school immediately to discuss the issue(s) pertaining to the timeframe and to establish a plan for completion of the program. The student will be required to make an appointment with AHE administration and enter into a Performance Improvement Plan (PIP) agreement. The PIP will be a signed agreement between AHE and the student and will list the expectations in order to obtain a course completion certificate. If the student does not meet the expectations set forth in their Performance Improvement Plan, he/she will be dismissed from the program.

**Continuing Education Course-** Students must complete each course in its' entirety and credit for completing part of a course may not be granted. Thus, if a person attending the course leaves before the course is over, the certificate of completion cannot be issued. Upon completion of the course, the student will receive a certificate of completion with the number of continuing education contact hours.

**State Fire Training (OSFM)-** Students must complete each course in its' entirety and credit for completing part of a course may not be granted. Upon completion of the course, AHE will send the course materials to SFT to issue applicable certificates. SFT certification process and requirements can be found at <http://osfm.fire.ca.gov/traing/equivalencies>. AHE will provide students with "Proof of Attendance" upon request.

### **TARDINESS, ATTENDANCE AND MAKE UP WORK**

Students shall be required to attend a minimum number of training hours in order to be eligible for successful completion of an EMT training program. Unexcused or excessive absences, tardiness, or early departures from an EMT training program shall be grounds for immediate program dismissal.

1. All training programs shall have a minimum number required hour, which all students must attend in order to successfully complete a course of instruction.
2. Minimum required training hours shall be identified by the instructor and communicated to the student prior to or during the enrollment process.
3. Unexcused for the purposes of this policy shall be defined as where AHE has not received written or verbal information; or where the student has not made contact to advise of the circumstances and received acknowledgement and/or approval regarding the absences, tardiness or early departures.
4. Excessive absences where the student has missed more than ten percent (10%) of the total scheduled class time shall be grounds for immediate program dismissal from the training program.
5. This policy shall include any unexcused absence, tardiness, or early departure for which the student was previously scheduled to attend as part of their classroom, clinical or field training.
6. It is the responsibility of the student to make arrangements with the Program Director to make up all work and training missed while absent or tardy.

### **PROGRAM WARNING, PROBATION, SUSPENSION & DISMISSAL**

AHE may issue an academic, attendance or behavioral warning, probation, or suspension to students as a process for remediation or conditions for continued enrollment in a training program.

1. Students who do not meet the academic, attendance, or behavioral standards of AHE may be subjected to the following process prior to program dismissal;
  - **First infraction**: student may be issued a written or verbal warning advising of their potential failure to meet standards.
  - **Second infraction**: student may be placed on written or verbal probation, which shall have conditions that must be met by the student in order to continue enrollment in training program.
  - **Third infraction**: student will be involuntarily dismissed from training program.

2. In order for the student to be removed from probation and placed on regular status, he/she must be able to demonstrate that the behavior, incident, and/or cause of the warning or probation has been corrected and all conditions set forth in their written or verbal probation have been met.

## **STUDENT CONDUCT**

Students enrolled in training programs offered or sponsored by AHE shall adhere to a code of conduct in all phases of training that shall include but not be limited to the following:

1. Report to all training sessions on time.
2. Attend all training sessions until completed or dismissed by instructor.
3. Respect the rights of all instructors and fellow students to have a learning environment that is conducive and free of distractions.
4. Actively participate in all training sessions.
5. Criticize ideas and concepts but not people.

## **DISMISSAL**

Conduct which shall be grounds for immediate dismissal or suspension (until an investigation or trial has been concluded) from AHE training programs include but is not limited to the following:

1. Disregard for AHE student policies and procedures.
2. Cheating or alleged cheating.
3. Falsification of documents or property.
4. Misrepresentation of property or work.
5. Excessive absenteeism.
6. Insubordination.
7. Defiance of authority.
8. Reckless disregard for safety.
9. Suspected or actual drug or alcohol use while participating in AHE activities; classroom sessions, skills sessions, clinical or field rotations.
10. Suspected drug or alcohol abuse.
11. Discrimination of age, gender, race, handicap, or sexual orientation.
12. Assault or battery.
13. Theft or robbery.
14. Sexual assault or harassment.

AHE reserves the right to immediately dismiss any student for conduct or behavioral issues that are illegal or present immediate danger to others. Action to suspend or dismiss a student by AHE may be based upon accusations or allegations and may be in the form of an immediate written or verbal suspension until appropriate jurisdictional authorities have concluded an investigation and deliberation of charges. Students may be held accountable for actions or accusations brought against them from incidents or the actions; or from authorities outside and not affiliated with AHE. Students may be given a warning or counseling session prior to dismissal only at the discretion of the Program Director. Students suspended from an AHE program shall **continue to be responsible for all financial and tuition obligations** until such time as a decision has been made regarding the continuance or dismissal of the student. Students who are dismissed from an AHE program for conduct may be eligible for tuition refund. (See *Program Cancellation, Withdraw and Refund*).

## LEAVE OF ABSENCE

Students may apply for a “leave of absence” (LOA) when unforeseen circumstances arise disrupting the student’s ability to continue during the training process. Students may be eligible for a LOA if they meet the following criteria:

1. The student can document and demonstrate a personal, mental, physical, medical or financial hardship, which disrupts the student’s ability to continue with their training. This includes US Military active and reserve for acts of war or civil defense and Jury Duty.
2. The student is in good academic and conduct standing with AHE.
3. The student is current with required tuition and fee payments.

LOA’s shall be granted exclusively at the discretion of the Program Director. LOA’s shall be for a maximum ninety-day time period. LOA will *not* be granted for continuing education courses or courses/programs that are 5 days or less in duration. The Program Director may consult and seek recommendations regarding LOA’s from the Quality Review Board. Students who are granted a LOA shall continue to be officially enrolled in an AHE training program and shall continue to meet the financial or tuition requirements for their original training program. The student shall be fully responsible for all conditions, timelines, and deadlines of the LOA. If the student fails to return from the LOA on the date indicated the student will be terminated and the Cancellation/Refund policy will apply.

## Procedure

1. The student must request a LOA in writing to the Program Director prior to missing any assigned or regularly scheduled didactic or field shifts. An emergency extension of this deadline may be granted only at the sole discretion of the Program Director.
2. The Program Director in consultation with the Quality Review Board shall make a decision to grant or not to grant the LOA within a maximum of ten (10) days from the receipt of the written request.
3. The student shall receive a “**Written Notification of Leave of Absence**” in writing which shall include the decision, conditions, and length of LOA.
4. If AHE does not receive a rejection of LOA from the student in writing within fourteen (14) days from the date listed on the **Written Notification of Leave of Absence**, the LOA period and conditions shall be considered effective.
5. The student shall be responsible for fulfilling all conditions of the LOA.
6. The student shall be responsible for contacting the school in writing to advise of readiness to re-enter the program within thirty (30) days of the LOA expiration.
7. Students who are granted a LOA based upon medical conditions must have a medical release showing “physically fit to return to duty” in writing and signed by the treating or primary medical doctor.
8. Upon receipt of notification by student to school of readiness to re-enter, a student assessment process will be implemented by AHE.
9. The returning student may be tested and assessed by AHE faculty to identify the best possible insertion point into the program.
10. A program of re-entry will be developed for the student by AHE which may require additional didactic and field time up to the maximum of their original training program requirements.
11. The student may be responsible to purchase a new textbook if during their LOA the program adopted a new edition of textbook.

12. All written correspondence to and from the student shall be by U.S. Mail and shall be certified with return receipt requested.
13. In all cases, students shall not be held accountable for failure to contact AHE, if the student can show by way of U.S. certified mail receipt or documented electronic transmissions that attempts have been made to communicate during the specified period at the following mail address:

American Health Education  
6761 Sierra Court, Suite G  
Dublin, CA 94568  
ATTN: Program Director

14. In the case that the student has not responded to conditions or timelines associated with the LOA, or when the school has not been able to contact the student, or when the student has not contacted the school (AHE) within thirty (30) days prior or thirty days (30) after the LOA expiration deadline, this shall be considered sufficient grounds for immediate student dismissal from the training program.
15. Failure to meet the written conditions of the LOA or to complete written re-entry program requirements as specified by AHE staff upon re-entry, shall be grounds for immediate program dismissal from the training program.
16. If a student fails to return from a LOA, the student's last recorded date of attendance is considered the withdraw date. If any, a refund will be dispersed to the student according to the CEC Section 94920. (See *Program Cancellation, Withdraw and Refund*).

## **PROGRAM REINSTATEMENT**

Students who have been previously enrolled in a program at AHE but have since been dismissed or terminated by the school or who have withdrawn voluntarily may be reinstated. The reinstatement must occur within thirty (30) days or the student must start at the beginning of a new program. Reinstatement will not be granted for continuing education courses or courses/programs that are 12 days or less in duration. In order for a student to be reinstated into a new program, the student must meet the following requirements:

1. Student must be in good standing with the school, which includes but is not limited to the following:
  - Student has paid all outstanding fees and tuition.
  - Student has submitted all required documentation and immunizations
  - Student is not accused of or under investigation for a criminal offense.
  - Student has not been convicted of a criminal offense, which would preclude eligibility for state licensure as an EMT.
  - Student has maintained good conduct.
  - Student has been cleared by a California licensed physician as physically capable of performing typical duties and activities of an EMT.
2. Student must complete a new application and pay the application fee (\$250.00).

## **APPEALS**

Students who have been dismissed from training programs or who have received notification of disciplinary or academic warning or action or probation may appeal this action to the program director of AHE and request a confidential hearing.

1. Appeals must be in writing and submitted either in person or by mail to the Program Director within thirty (30) days from the date of which action was taken.
2. All appeals will be evaluated by the Program Director in consultation with the Medical Director.
3. The appeal hearing shall be set up and commence within 15 business days of the day from which the student requested a hearing.
4. Students who fail to attend the appeal hearing shall have the appealed action sustained and continued in full force without future recourse.
5. The participants in the hearing shall consist of the Quality Review Board.
6. The student shall have an opportunity to address the hearing board and to present any and all forms of documentation and references.
7. The appeal hearing board shall listen to the student appeal and render a recommendation to rescind, modify or sustain the action.
8. The final decision to rescind, modify or sustain the action shall be at the sole discretion of the Quality Review Board.
9. The student shall be notified of the final decision regarding the appeal in writing within 5 business days after the date of the appeal hearing.

**STUDENTS RIGHT TO CANCEL  
CANCELLATION, WITHDRAWAL, AND REFUND  
EMT-Basic Program**

See Addendum at the end  
of Catalog page 38-39

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class, session, or the seventh day after enrollment, whichever is later. ~~If you choose to cancel this agreement, AHE will refund any money that you paid less specified non-refundable fees.~~ Cancellation shall occur when you give written notice of cancellation addressed to Program Director and sent by US certified mail, facsimile, or hand delivered. The written notice of cancellation is effective on the date received by AHE. The refund will be issued within 45 days of the notice of cancellation.

AHE follows refund guidelines set by the Bureau for Private Postsecondary Education in accordance with 5 CCR 71750. You have the right to withdraw from a course of instruction at any time. If you withdraw from a course of instruction after the period allowed for cancellation of the agreement set forth above, AHE will issue a pro-rata refund for students who have completed 60 percent or less of the period of attendance. The pro-rata refund will be calculated as follows: total institutional charge divided by the number of days in the program, multiplied by the number of days student attended, or was scheduled to attend prior to withdrawal, less the amount paid by the student. All amounts paid in excess of what is owed as calculated above shall be refunded within 45 days of the student's withdrawal or cancellation.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

**Continuing Education Course Refund Policy  
American Heart Association Courses**

- Basic Life Support Certification
- Basic Life Support Recertification
- Advanced Cardiac Life Support Certification
- Advanced Cardiac Life Support Recertification

- Pediatric Advanced Life Support Certification
- Pediatric Advanced Life Support Recertification
- BLS Instructor Course
- ACLS Instructor Course
- PALS Instructor Course

A \$25.00 registration fee is non-refundable. If you cancel prior to the scheduled period of instruction AHE will refund any money that you paid less specified non-refundable fees. Students who attend first day of class will not receive a refund. Notice of cancellation must be in writing. Withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. To request a refund, please contact the following: [register@americanhealtheducation.com](mailto:register@americanhealtheducation.com). Emails will be responded to within 24 hours. Please include in your email: student name, date of enrollment and reason for requesting a refund. Refunds will be issued within 45 days of receipt of refund request. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

### **Office of State Fire Marshal (OSFM) California State Fire Training**

- Company Officer 2A
- Company Officer 2B
- Company Officer 2D
- Instructor I
- Instructor II
- Inspector 1A
- Inspector 1B
- Inspector 1C
- Inspector 1D

A \$50.00 registration fee is non-refundable. If you cancel prior to the scheduled period of instruction AHE will refund any money that you paid less specified non-refundable fees. Students who have completed 60% or less of the period of attendance shall be issued a pro rata refund. Notice of cancellation must be in writing. Withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. To request a refund, please contact the following: [register@americanhealtheducation.com](mailto:register@americanhealtheducation.com). Emails will be responded to within 24 hours. Please include in your email students name, date of enrollment and reason for requesting a refund. Refunds will be issued within 45 days of receipt of refund request. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

### **EMS Continuing Education Courses:**

#### **4 Hours Continuing Education Course-**

A \$25.00 registration fee is non-refundable. If you cancel prior to the scheduled period of instruction AHE will refund any money that you paid less specified non-refundable fees. Students who attend first day of class will not receive a refund. Notice of cancellation must be in writing. Withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. To request a refund,

please contact the following: [register@americanhealtheducation.com](mailto:register@americanhealtheducation.com). Emails will be responded to within 24 hours. Please include in your email students name, date of enrollment and reason for requesting a refund. Refunds will be issued within 45 days of receipt of refund request. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

#### **6 Hours Continuing Education Course-**

A \$25.00 registration fee is non-refundable. If you cancel prior to the scheduled period of instruction AHE will refund any money that you paid less specified non-refundable fees. Students who attend first day of class will not receive a refund. Notice of cancellation must be in writing. Withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. To request a refund, please contact the following: [register@americanhealtheducation.com](mailto:register@americanhealtheducation.com). Emails will be responded to within 24 hours. Please include in your email students name, date of enrollment and reason for requesting a refund. Refunds will be issued within 45 days of receipt of refund request. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

#### **12 Hours Continuing Education Course –**

A \$50.00 registration fee is non-refundable. If you cancel prior to the scheduled period of instruction AHE will refund any money that you paid less specified non-refundable fees. Students who have completed 60% or less of the period of attendance shall be issued a pro rata refund. Notice of cancellation must be in writing. Withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. To request a refund, please contact the following: [register@americanhealtheducation.com](mailto:register@americanhealtheducation.com). Emails will be responded to within 24 hours. Please include in your email students name, date of enrollment and reason for requesting a refund. Refunds will be issued within 45 days of receipt of refund request. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

#### **24 CE Hours Continuing Education Course-**

A \$50.00 registration fee is non-refundable. If you cancel prior to the scheduled period of instruction AHE will refund any money that you paid less specified non-refundable fees. Students who have completed 60% or less of the period of attendance shall be issued a pro rata refund. Notice of cancellation must be in writing. Withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. To request a refund, please contact the following: [register@americanhealtheducation.com](mailto:register@americanhealtheducation.com). Emails will be responded to within 24 hours. Please include in your email students name, date of enrollment and reason for requesting a refund. Refunds will be issued within 45 days of receipt of refund request. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

## **CANCELLATION INITIATED BY THE STUDENT**

### **Procedure:**

1. Students who are eligible for a tuition refund must first notify the school in writing of their intent to cancel the agreement or withdraw from the program.
2. Notification shall be made in writing and must be signed by the enrolled student.
3. All requests shall be sent via email to [Yvette@americanhealtheducation.com](mailto:Yvette@americanhealtheducation.com), or sent by US certified mail to:

American Health Education  
6761 Sierra Ct, Suite G  
Dublin, CA 94568  
Attn: Program Director

## **PROGRAM OR CLASS CANCELLATION INITIATED BY AHE**

It is the policy of AHE to give a full refund of all fees and tuition for any training class or program that is cancelled by AHE administration. Students who have paid any part of their tuition are eligible for a tuition refund and will receive a refund of all tuition automatically within ten (10) business days of notification of cancellation.

## **STUDENT SERVICES**

### **TUTORING**

Student is advised that AHE has academic tutoring for those students who feel they need it. The cost is \$50/hour with a two-hour minimum.

### **HOUSING**

- A. AHE does not have any dormitory facilities under its control.
- B. In the Dublin area, room rentals start at about \$850-1300 per month and studio apartment rentals are approximately \$1815- \$2320 per month.
- C. AHE has no responsibility to assist a student in securing student housing.

### **FINANCIAL AID**

Student is advised that AHE does not participate in any Federal or State financial aid program. If the student obtains a loan to pay for this educational program, the student has the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student receives federal student financial aid funds, the student is entitled to a refund of the money not paid from federal financial aid funds. AHE does not require disclosure of the funding source. If the student defaults on a federal or state loan the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including garnishing an income tax refund; and
2. The student may not be eligible for any other government financial assistance at another institution until the loan is repaid.

### **EMT PAYMENT PLAN AGREEMENT**

A tuition payment plan is available to all students enrolling in EMT. Students that opt for the tuition payment plan will sign a Payment Plan Agreement with AHE. A payment of \$500, includes

non-refundable registration fee, will be required to secure a slot in the program. The first tuition payment of \$1250 is due on the first day of class followed by two subsequent \$500 payments made by the due date, the second and third week of instruction. See below:

**EMT-BASIC COURSE PAYMENT PLAN:** \*Please Initial

- \* \_\_\_\_\_ Enrollment/Registration Payment (Minimum \$500)
- \* \_\_\_\_\_ Payment #1 (Minimum \$1250) paid by First day of class \_\_\_\_\_
- \* \_\_\_\_\_ Payment #2 (Minimum \$500) paid by DUE DATE \_\_\_\_\_
- \* \_\_\_\_\_ Payment #3 (Minimum \$500) paid by DUE DATE \_\_\_\_\_

The student will sign an agreement that will include student name, date of agreement, course dates, payment terms: payment amount, due date for each scheduled payment amount, student signature, terms and conditions of the agreement which state “Students who enter into the agreement understand and agree there is no grace period for these payments and failure to complete these payments as scheduled will result in immediate voluntary withdrawal from the program. Students who are dismissed from an AHE program for failure to make scheduled tuition payments may be eligible for tuition refund. (See Cancellation, Withdraw and Refund).

**LEARNING & PHYSICAL DISABILITIES**

All facilities at AHE are handicap accessible and AHE complies with the Americans with Disabilities Act (ADA) of 1990 and Section 504 of the Federal Rehabilitation Act of 1973. Applicants who are persons with disabilities may apply for admittance into the program. AHE will work with the applicant or student to determine whether reasonable accommodations can be effective and/or are available.

**LIBRARY & OTHER RESOURCES**

AHE provides a computer for students to access the online library [www.thefreelibrary.com](http://www.thefreelibrary.com). The Free Library has literature and periodicals from hundreds of leading publications and newly-published articles are added to the site daily. The Free Library is an invaluable research tool and the fastest, easiest way to locate useful information on virtually any topic. Students can explore the site through a keyword search. The computer allows students to use technology when learning and studying. The online resource provides an inter-active approach for the student that aids in retention of the subject matter. The computer is made available to students and faculty during normal business hours and by appointment after class hours. Students can make an appointment request to their instructor or AHE staff. The library also consists of books and periodicals for the use by students and faculty. All books, computers, and class equipment are made available to students and faculty during normal business hours. Books can be checked out to the student or faculty but the computers and classroom equipment will remain in the building.

**NON-DISCRIMINATION**

Student has been advised that it is the policy of AHE to assure that no discrimination against any student or applicant shall occur due to race, religion, color, national origin, ancestry, physical or mental handicap, medical condition, marital status, age, sex or sexual orientation.

## **JOB PLACEMENT**

Student understands and agrees that AHE does **NOT** guarantee or represent any claim that completion of any training program will include job placement or assignment of gainful employment.

## **ENGLISH AS A SECOND LANGUAGE**

AHE *does not* provide English as a Second Language (ESL) instruction or programs. All course content is delivered through the use of PowerPoint Slide directed lecture and is presented in English. Students must be able to read, write and understand English, at a minimum high school level, prior to enrollment.

## **FOREIGN STUDENTS**

AHE does not provide VISA services for foreign students, therefore, you must be eligible to study in the United States to enroll. AHE does not provide visa services or vouch for student status.

## **ADVANCED CREDIT AND EXPERIENTIAL LEARNING CREDIT**

Student understands and agrees that AHE does **NOT** offer any advanced credit or credit for prior experiential learning.

## **TRANSFER OF CREDIT**

AHE does not accept credit from previous training or other institutions or accept ability-to benefit students. There are no challenge exams or achievement tests for courses or programs. AHE has entered into an articulation agreement for the EMT program with South Bay Regional Public Safety Training Consortium (The Academy). The Academy operates under a Joint Powers Agreement with nine community colleges and certifies training in law enforcement, fire services, emergency medical training, dispatch and more. Member colleges provide college credit for many courses offered by The Academy. AHE students are provided the option during the application process to register with The Academy to obtain three (3) college credits for successful completion of the EMT Program.

## **QUESTIONS OR COMPLAINTS**

Any past or present student, customer, or consumer of goods or services of AHE may file a written complaint and shall receive a response.

### **Procedure**

1. All complaints shall be in writing and are not required to take any particular or standard form or expression.
2. All complaints may be handed over in person or mailed to the following address:  
American Health Education  
6761 Sierra Court, Suite G  
Dublin, CA 94568  
Attn: Program Director
3. AHE shall review and respond to all written complaints within thirty (30) days after the complaint has been received or by the postage date listed on the mailing whichever is sooner.

Students may also write or contact Bureau for Private Postsecondary Education directly with any question or complaint about this institution at any time:

**Mailing Address:**

Bureau for Private Postsecondary Education  
PO Box 980818  
West Sacramento, CA 95798-0818

**Physical Address:**

Bureau for Private Postsecondary Education  
1747 North Market Blvd., Suite 225  
Sacramento, CA 95833  
Phone: (916) 574-8900  
Toll Free: (888) 370-7589  
Main Fax: (916) 263-1897  
Web site: [www.bppe.ca.gov](http://www.bppe.ca.gov)  
E-mail: [bppe@dca.ca.gov](mailto:bppe@dca.ca.gov)

Any questions a student may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 1747 North Market Blvd., Suite 225, Sacramento, CA 95834, [www.bppe.ca.gov](http://www.bppe.ca.gov), toll free telephone number (888) 370-7589 or by fax (916) 263-1897.

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling toll free telephone number (888) 370-7589 or by completing a complaint form, which can be obtained on the bureau's internet Web site [www.bppe.ca.gov](http://www.bppe.ca.gov).

**BANKRUPTCY**

American Health Education does **NOT** have a pending petition in bankruptcy, is **NOT** operating as a debtor in possession, has **NOT** filed a petition within the preceding five years, or has **NOT** had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101 et seq.)

**TUITION POLICIES, FEES & EXPENSES**

**TUITION CHARGES AND FEES**

All programs offered by AHE shall have tuition, charges or fees, which are determined prior to enrollment by the Program Director. All tuition, charges and fees shall be disclosed to prospective students prior to enrollment and listed on the enrollment contract.

**TUITION PAYMENT**

All tuition fees are due and payable in full prior to completing enrollment in any training program offered by AHE. Students can petition for a tuition payment plan.

**STUDENT TUITION RECOVERY FUND**

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the

student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, CA 95833, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120-day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

## **TRANSFERABILITY**

### **NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION**

The transferability of credits you earn at American Health Education is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn in the educational program is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending American Health Education to determine if your certificate will transfer. There is no fee associated with sending transcripts to another institution.

## **RECORDS POLICY**

AHE shall be the custodian of all student records. All records are stored in a locked filing cabinet in a storeroom accessible to AHE staff only. These records shall be considered strictly confidential and the exclusive property of AHE. The documents contained in the files will be all registration/contract documents, all academic documents, and all financial documents. A hard copy of each document will be kept in the file. There will be one file per student. AHE shall maintain, for a period of 5 years the pertinent student records described in Section 71920 from the student's date of completion or withdrawal:

- all registration/signed contract documents
- all financial documents
- all academic documents -**Transcripts are kept permanently**

### **Procedure**

1. AHE shall maintain all personnel, academic and financial records for students currently enrolled and formerly enrolled at AHE.
2. Students shall submit in writing a "request for transcripts and information" to have records forwarded. **Transcripts are kept permanently.**
3. Request for records must be made in writing by a currently enrolled or formerly enrolled student sent to the address below.
4. There is no fee for having records forwarded or processed.  
All records will be kept at the following address for a minimum of five (5) years:

American Health Education  
6761 Sierra Court, Suite G  
Dublin, California 94568

## **ADDENDUM - American Health Education Catalog January 1, 2021-December 31, 2021**

Updated 07/2021

### **Page 10**

#### **EMT Certification Requirements**

The Emergency Medical Services Authority (EMSA) of California (<http://www.emsa.ca.gov/>) specifies requirements for EMT-Basic certification. Once you pass NREMT and receive your NREMT certification (valid for two years) you are eligible to apply to the local/county Emergency Medical Services Authority (LEMSA). State EMT certification is valid for 2 years from the date of certification issued by the LEMSA. The eligibility requirements for EMT certification in California are as follows:

1. Graduate from a State approved EMT Training Program
  2. Pass the NREMT cognitive examination and psychomotor examination (valid for two years)
  3. Have a current Basic Life Support (BLS) certification
  4. Be eighteen (18) years of age or older
  5. Complete the criminal history background check requirement. The certifying entity shall receive the State and Federal criminal background check results before issuing an initial certification
  6. Complete an application and pay established fee.
- Please check with your local county/state Emergency Medical Services Authority for required application and fees or other information (<http://www.emsa.ca.gov/>).

#### **ENROLLMENT AGREEMENT**

Students must sign an enrollment agreement (EA) before beginning a course at AHE. The agreement includes information pertaining to tuition and fees, attendance, course details- dates, location, time, STRF fees, cancellation, course certificates, transferability, and other related matters. The enrollment agreement is legally binding when signed by the student and accepted by the institution.

### **Page 23**

#### **STUDENTS RIGHT TO CANCEL**

#### **CANCELLATION, WITHDRAWAL, AND REFUND**

##### **EMT-Basic Program**

**The student has the right to cancel and obtain a refund of charges paid through attendance at the first class, session, or the seventh day after enrollment, whichever is later.** If you choose to cancel this agreement, AHE will refund any money that you paid less the nonrefundable registration fee. Cancellation shall occur when you give written notice of cancellation addressed to Program Director and sent by US certified mail, facsimile, or hand delivered. The written notice of cancellation is effective on the date received by AHE. The refund will be issued within 45 days of the notice of cancellation.

AHE follows refund guidelines set by the Bureau for Private Postsecondary Education in accordance with 5 CCR 71750. You have the right to withdraw from a course of instruction at any time. If you withdraw from a course of instruction after the period allowed for cancellation of the agreement set forth above, AHE will issue a pro-rata refund for students who have completed 60 percent or less of the period of attendance. The pro-rata refund will be calculated as follows: total institutional charge divided by the number of days in the program, multiplied by the number of days student attended, or was scheduled to attend prior to withdrawal, less the

amount paid by the student. All amounts paid in excess of what is owed as calculated above shall be refunded within 45 days of the student's withdrawal or cancellation.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.
