**Initial only after you have had sufficient time to read and understand the information**

This program may result in freelance or self-employment.

- The work available to graduates of this program is usually for freelance or self-employment. Occasionally graduates are employed by veterinary clinics.
- This type of work may not be consistent.
- The period of employment can range from one day to weeks to several months.
- Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.
- You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.
- Student initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises that work style.

### License Examination Passage Rates

(includes data for the two calendar years prior to reporting)

This program does not lead to licensure.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program is currently awaiting approval by the Bureau

The date the course is projected to begin: 3/3/2020

Two full years of information for this program is estimated to be available by 3/3/2022

### **Definitions**

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL:**

Due to the unique way in which Academy of Animal Sport Science, LLC., programs are structured and in the interest of the Institution's ability to provide students with 28 days' notice of cancellation of onsite modules, the BPPE has approved an alternative refund calculation for onsite modules.

Any student who notifies Academy of Animal Sport Science, LLC., to cancel their attendance at an onsite course or module must do so in writing and has the right to cancel the enrollment agreement and obtain a refund of charges paid towards the tuition prior to 30 days of the course or module commencement less the \$250 non-refundable registration fee (deposit towards the program module).

Cancellation shall occur when you give written notice of cancellation to Academy of Animal Sport Science, LLC., attention Debranne Pattillo or Dr. Nicole Rombach, 341 Robin Drive, Corte Madera, CA 94925. If you cancel this Agreement, the school will refund any money that you paid, less any non-refundable charges and deduction for equipment not timely returned in good condition, within forty-five days after your Notice of Cancellation is received.
