STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919 (d), provides that the student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement until midnight of the seventh (7) day from the scheduled start date of the first module not including holidays (but does include weekends and in-service days).

In accordance with California Education Code Section 94919(b), Students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation; or if the school cancels this agreement as described below.

In addition to the California Education Code cancellation requirements above, new students whose Last Day of Attendance (LDA) falls on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled breaks (winter, spring, and summer breaks only) and any holidays published in the academic calendar in the catalog, will also be considered a Cancellation. Cancellations that occur under the conditions above are assigned the following cancel status codes in the Electronic Student Database:

1. "Cancel" status is assigned to cancellations that occur until midnight of the seventh (7) day from the scheduled start date of the first module.
2. "Early Withdrawal" (EW) status is assigned to cancellations for new students with an LDA after the seventh (7) day but before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module. The determination date for "EW" will fall on the 14th absent consecutive calendar day from the student's LDA, not including school-scheduled breaks (winter, spring, and summer breaks only) and any school-scheduled holidays, when the "EW" status will be automatically assigned by Electronic Student Database.

Note: Cancellations and Early Withdrawals will result in all charges being reversed. Additionally, all tuition paid by the student will be refunded.

CANCELLATION INITIATED BY THE INSTITUTION:

There are conditions in which a cancellation determination will be made by the institution for new and re-entry students on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled holidays and school-scheduled breaks (winter, spring, and summer breaks only). 1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent.
3. Incomplete arrangements to fulfill financial obligations.

Note: Cancellations and Early Withdrawals (EW) will result in all charges being reversed. The tuition paid will be returned to all students who cancel their enrollment within three (3) business days from the date the enrollment agreement was signed at the following locations: Bakersfield, Fresno, Gardena, Riverside and Sacramento.

In the event an enrolled applicant is rejected, the school cancels the program, a student cancels his/her enrollment during the cancelation period or is a no show/never starts the program, all tuition paid by the student will be refunded.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919 (d), provides that the student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement until midnight of the seventh (7) day from the scheduled start date of the first module not including holidays (but does include weekends and in-service days).

In accordance with California Education Code Section 94919(b), Students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation; or if the school cancels this agreement as described below.

In addition to the California Education Code cancellation requirements above, new students whose Last Day of Attendance (LDA) falls on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled breaks (winter, spring, and summer breaks only) and any holidays published in the academic calendar in the catalog, will also be considered a Cancellation. Cancellations that occur under the conditions above are assigned the following cancel status codes in the Electronic Student Database:

1. "Cancel" status is assigned to cancellations that occur until midnight of the seventh (7) day from the scheduled start date of the first module.
2. "Early Withdrawal" (EW) status is assigned to cancellations for new students with an LDA after the seventh (7) day but before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module. The determination date for "EW" will fall on the 14th absent consecutive calendar day from the student's LDA, not including school-scheduled breaks (winter, spring, and summer breaks only) and any school-scheduled holidays, when the "EW" status will be automatically assigned by Electronic Student Database.

Note: Cancellations and Early Withdrawals will result in all charges being reversed. Additionally, all tuition paid by the student will be refunded.

CANCELLATION INITIATED BY THE INSTITUTION:

There are conditions in which a cancellation determination will be made by the institution for new and re-entry students on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled holidays and school-scheduled breaks (winter, spring, and summer breaks only). The following conditions may result in a cancellation initiated by the institution:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent.
3. Incomplete arrangements to fulfill financial obligations.

Note: Cancellations and Early Withdrawals (EW) will result in all charges being reversed. The tuition paid will be returned to all students who cancel their enrollment within three (3) business days from the date the enrollment agreement was signed at the following locations: Bakersfield, Fresno, Gardena, Riverside and Sacramento.

In the event an enrolled applicant is rejected, the school cancels the program, a student cancels his/her enrollment during the cancelation period or is a no show/never starts the program, all tuition paid by the student will be refunded.

If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919 (d), provides that the student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement until midnight of the seventh (7) day from the scheduled start date of the first module not including holidays (but does include weekends and in-service days).

In accordance with California Education Code Section 94919(b), Students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation; or if the school cancels this agreement as described below.

In addition to the California Education Code cancellation requirements above, new students whose Last Day of Attendance (LDA) falls on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled breaks (winter, spring, and summer breaks only) and any holidays published in the academic calendar in the catalog, will also be considered a Cancellation. Cancellations that occur under the conditions above are assigned the following cancel status codes in the Electronic Student Database:

1. "Cancel" status is assigned to cancellations that occur until midnight of the seventh (7) day from the scheduled start date of the first module.
2. "Early Withdrawal" (EW) status is assigned to cancellations for new students with an LDA after the seventh (7) day but before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module. The determination date for "EW" will fall on the 14th absent consecutive calendar day from the student's LDA, not including school-scheduled breaks (winter, spring, and summer breaks only) and any school-scheduled holidays, when the "EW" status will be automatically assigned by Electronic Student Database.

Note: Cancellations and Early Withdrawals will result in all charges being reversed. Additionally, all tuition paid by the student will be refunded.

CANCELLATION INITIATED BY THE INSTITUTION:

There are conditions in which a cancellation determination will be made by the institution for new and re-entry students on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled holidays and school-scheduled breaks (winter, spring, and summer breaks only). The following conditions may result in a cancellation initiated by the institution:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent.
3. Incomplete arrangements to fulfill financial obligations.

Note: Cancellations and Early Withdrawals (EW) will result in all charges being reversed. The tuition paid will be returned to all students who cancel their enrollment within three (3) business days from the date the enrollment agreement was signed at the following locations: Bakersfield, Fresno, Gardena, Riverside and Sacramento.

In the event an enrolled applicant is rejected, the school cancels the program, a student cancels his/her enrollment during the cancelation period or is a no show/never starts the program, all tuition paid by the student will be refunded.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919 (d), provides that the student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement until midnight of the seventh (7) day from the scheduled start date of the first module not including holidays (but does include weekends and in-service days).

In accordance with California Education Code Section 94919(b), Students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation; or if the school cancels this agreement as described below.

In addition to the California Education Code cancellation requirements above, new students whose Last Day of Attendance (LDA) falls on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled breaks (winter, spring, and summer breaks only) and any holidays published in the academic calendar in the catalog, will also be considered a Cancellation. Cancellations that occur under the conditions above are assigned the following cancel status codes in the Electronic Student Database:

1. "Cancel" status is assigned to cancellations that occur until midnight of the seventh (7) day from the scheduled start date of the first module.
2. "Early Withdrawal" (EW) status is assigned to cancellations for new students with an LDA after the seventh (7) day but before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module. The determination date for "EW" will fall on the 14th absent consecutive calendar day from the student's LDA, not including school-scheduled breaks (winter, spring, and summer breaks only) and any school-scheduled holidays, when the "EW" status will be automatically assigned by Electronic Student Database.

Note: Cancellations and Early Withdrawals will result in all charges being reversed. Additionally, all tuition paid by the student will be refunded.

CANCELLATION INITIATED BY THE INSTITUTION:

There are conditions in which a cancellation determination will be made by the institution for new and re-entry students on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled holidays and school-scheduled breaks (winter, spring, and summer breaks only). The following conditions may result in a cancellation initiated by the institution:

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919 (d), provides that the student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement until midnight of the seventh (7) day from the scheduled start date of the first module not including holidays (but does include weekends and in-service days).

In accordance with California Education Code Section 94919(b), Students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation; or if the school cancels this agreement as described below.

In addition to the California Education Code cancellation requirements above, new students whose Last Day of Attendance (LDA) falls on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled breaks (winter, spring, and summer breaks only) and any holidays published in the academic calendar in the catalog, will also be considered a Cancellation. Cancellations that occur under the conditions above are assigned the following cancel status codes in the Electronic Student Database:

1. "Cancel" status is assigned to cancellations that occur until midnight of the seventh (7) day from the scheduled start date of the first module.
2. "Early Withdrawal" (EW) status is assigned to cancellations for new students with an LDA after the seventh (7) day but before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module. The determination date for "EW" will fall on the 14th absent consecutive calendar day from the student's LDA, not including school-scheduled breaks (winter, spring, and summer breaks only) and any school-scheduled holidays, when the "EW" status will be automatically assigned by Electronic Student Database.

Note: Cancellations and Early Withdrawals will result in all charges being reversed. Additionally, all tuition paid by the student will be refunded.

CANCELLATION INITIATED BY THE INSTITUTION:

There are conditions in which a cancellation determination will be made by the institution for new and re-entry students on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled holidays and school-scheduled breaks (winter, spring, and summer breaks only). The following conditions may result in a cancellation initiated by the institution:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent.
3. Incomplete arrangements to fulfill financial obligations.

Note: Cancellations and Early Withdrawals (EW) will result in all charges being reversed. The tuition paid will be returned to all students who cancel their enrollment within three (3) business days from the date the enrollment agreement was signed at the following locations: Bakersfield, Fresno, Gardena, Riverside and Sacramento.

In the event an enrolled applicant is rejected, the school cancels the program, a student cancels his/her enrollment during the cancelation period or is a no show/never starts the program, all tuition paid by the student will be refunded.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919 (d), provides that the student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement until midnight of the seventh (7) day from the scheduled start date of the first module not including holidays (but does include weekends and in-service days).

In accordance with California Education Code Section 94919(b), Students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation; or if the school cancels this agreement as described below.

In addition to the California Education Code cancellation requirements above, new students whose Last Day of Attendance (LDA) falls on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled breaks (winter, spring, and summer breaks only) and any holidays published in the academic calendar in the catalog, will also be considered a Cancellation. Cancellations that occur under the conditions above are assigned the following cancel status codes in the Electronic Student Database:

1. "Cancel" status is assigned to cancellations that occur until midnight of the seventh (7) day from the scheduled start date of the first module.
2. "Early Withdrawal" (EW) status is assigned to cancellations for new students with an LDA after the seventh (7) day but before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module. The determination date for "EW" will fall on the 14th absent consecutive calendar day from the student's LDA, not including school-scheduled breaks (winter, spring, and summer breaks only) and any school-scheduled holidays, when the "EW" status will be automatically assigned by Electronic Student Database.

Note: Cancellations and Early Withdrawals will result in all charges being reversed. Additionally, all tuition paid by the student will be refunded.

CANCELLATION INITIATED BY THE INSTITUTION:

There are conditions in which a cancellation determination will be made by the institution for new and re-entry students on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled holidays and school-scheduled breaks (winter, spring, and summer breaks only). The following conditions may result in a cancellation initiated by the institution:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent.
3. Incomplete arrangements to fulfill financial obligations.

Note: Cancellations and Early Withdrawals (EW) will result in all charges being reversed. The tuition paid will be returned to all students who cancel their enrollment within three (3) business days from the date the enrollment agreement was signed at the following locations: Bakersfield, Fresno, Gardena, Riverside and Sacramento.

In the event an enrolled applicant is rejected, the school cancels the program, a student cancels his/her enrollment during the cancelation period or is a no show/never starts the program, all tuition paid by the student will be refunded.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919 (d), provides that the student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement until midnight of the seventh (7) day from the scheduled start date of the first module not including holidays (but does include weekends and in-service days).

In accordance with California Education Code Section 94919(b), Students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation; or if the school cancels this agreement as described below.

In addition to the California Education Code cancellation requirements above, new students whose Last Day of Attendance (LDA) falls on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled breaks (winter, spring, and summer breaks only) and any holidays published in the academic calendar in the catalog, will also be considered a Cancellation. Cancellations that occur under the conditions above are assigned the following cancel status codes in the Electronic Student Database:

1. "Cancel" status is assigned to cancellations that occur until midnight of the seventh (7) day from the scheduled start date of the first module.
2. "Early Withdrawal" (EW) status is assigned to cancellations for new students with an LDA after the seventh (7) day but before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module. The determination date for "EW" will fall on the 14th absent consecutive calendar day from the student's LDA, not including school-scheduled breaks (winter, spring, and summer breaks only) and any school-scheduled holidays, when the "EW" status will be automatically assigned by Electronic Student Database.

Note: Cancellations and Early Withdrawals will result in all charges being reversed. Additionally, all tuition paid by the student will be refunded.

CANCELLATION INITIATED BY THE INSTITUTION:

There are conditions in which a cancellation determination will be made by the institution for new and re-entry students on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled holidays and school-scheduled breaks (winter, spring, and summer breaks only). The following conditions may result in a cancellation initiated by the institution:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent.
3. Incomplete arrangements to fulfill financial obligations.

Note: Cancellations and Early Withdrawals (EW) will result in all charges being reversed. The tuition paid will be returned to all students who cancel their enrollment within three (3) business days from the date the enrollment agreement was signed at the following locations: Bakersfield, Fresno, Gardena, Riverside and Sacramento.

In the event an enrolled applicant is rejected, the school cancels the program, a student cancels his/her enrollment during the cancelation period or is a no show/never starts the program, all tuition paid by the student will be refunded.

If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919 (d), provides that the student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement until midnight of the seventh (7) day from the scheduled start date of the first module not including holidays (but does include weekends and in-service days).

In accordance with California Education Code Section 94919(b), Students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation; or if the school cancels this agreement as described below.

In addition to the California Education Code cancellation requirements above, new students whose Last Day of Attendance (LDA) falls on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled breaks (winter, spring, and summer breaks only) and any holidays published in the academic calendar in the catalog, will also be considered a Cancellation. Cancellations that occur under the conditions above are assigned the following cancel status codes in the Electronic Student Database:

1. "Cancel" status is assigned to cancellations that occur until midnight of the seventh (7) day from the scheduled start date of the first module.
2. "Early Withdrawal" (EW) status is assigned to cancellations for new students with an LDA after the seventh (7) day but before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module. The determination date for "EW" will fall on the 14th absent consecutive calendar day from the student's LDA, not including school-scheduled breaks (winter, spring, and summer breaks only) and any school-scheduled holidays, when the "EW" status will be automatically assigned by Electronic Student Database.

Note: Cancellations and Early Withdrawals will result in all charges being reversed. Additionally, all tuition paid by the student will be refunded.

CANCELLATION INITIATED BY THE INSTITUTION:

There are conditions in which a cancellation determination will be made by the institution for new and re-entry students on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled holidays and school-scheduled breaks (winter, spring, and summer breaks only). The following conditions may result in a cancellation initiated by the institution:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent.
3. Incomplete arrangements to fulfill financial obligations.

Note: Cancellations and Early Withdrawals (EW) will result in all charges being reversed. The tuition paid will be returned to all students who cancel their enrollment within three (3) business days from the date the enrollment agreement was signed at the following locations: Bakersfield, Fresno, Gardena, Riverside and Sacramento.

In the event an enrolled applicant is rejected, the school cancels the program, a student cancels his/her enrollment during the cancellation period or is a no show/never starts the program, all tuition paid by the student will be refunded.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919 (d), provides that the student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement until midnight of the seventh (7) day from the scheduled start date of the first module not including holidays (but does include weekends and in-service days).

In accordance with California Education Code Section 94919(b), Students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation; or if the school cancels this agreement as described below.

In addition to the California Education Code cancellation requirements above, new students whose Last Day of Attendance (LDA) falls on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled breaks (winter, spring, and summer breaks only) and any holidays published in the academic calendar in the catalog, will also be considered a Cancellation. Cancellations that occur under the conditions above are assigned the following cancel status codes in the Electronic Student Database:

1. "Cancel" status is assigned to cancellations that occur until midnight of the seventh (7) day from the scheduled start date of the first module.
2. "Early Withdrawal" (EW) status is assigned to cancellations for new students with an LDA after the seventh (7) day but before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module. The determination date for "EW" will fall on the 14th absent consecutive calendar day from the student's LDA, not including school-scheduled breaks (winter, spring, and summer breaks only) and any school-scheduled holidays, when the "EW" status will be automatically assigned by Electronic Student Database.

Note: Cancellations and Early Withdrawals will result in all charges being reversed. Additionally, all tuition paid by the student will be refunded.

CANCELLATION INITIATED BY THE INSTITUTION:

There are conditions in which a cancellation determination will be made by the institution for new and re-entry students on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled holidays and school-scheduled breaks (winter, spring, and summer breaks only). The following conditions may result in a cancellation initiated by the institution:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent.
3. Incomplete arrangements to fulfill financial obligations.

Note: Cancellations and Early Withdrawals (EW) will result in all charges being reversed. The tuition paid will be returned to all students who cancel their enrollment within three (3) business days from the date the enrollment agreement was signed at the following locations: Bakersfield, Fresno, Gardena, Riverside and Sacramento.

In the event an enrolled applicant is rejected, the school cancels the program, a student cancels his/her enrollment during the cancelation period or is a no show/never starts the program, all tuition paid by the student will be refunded.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919 (d), provides that the student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement until midnight of the seventh (7) day from the scheduled start date of the first module not including holidays (but does include weekends and in-service days).

In accordance with California Education Code Section 94919(b), Students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation; or if the school cancels this agreement as described below.

In addition to the California Education Code cancellation requirements above, new students whose Last Day of Attendance (LDA) falls on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled breaks (winter, spring, and summer breaks only) and any holidays published in the academic calendar in the catalog, will also be considered a Cancellation. Cancellations that occur under the conditions above are assigned the following cancel status codes in the Electronic Student Database:

1. "Cancel" status is assigned to cancellations that occur until midnight of the seventh (7) day from the scheduled start date of the first module.
2. "Early Withdrawal" (EW) status is assigned to cancellations for new students with an LDA after the seventh (7) day but before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module. The determination date for "EW" will fall on the 14th absent consecutive calendar day from the student's LDA, not including school-scheduled breaks (winter, spring, and summer breaks only) and any school-scheduled holidays, when the "EW" status will be automatically assigned by Electronic Student Database.

Note: Cancellations and Early Withdrawals will result in all charges being reversed. Additionally, all tuition paid by the student will be refunded.

CANCELLATION INITIATED BY THE INSTITUTION:

There are conditions in which a cancellation determination will be made by the institution for new and re-entry students on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled holidays and school-scheduled breaks (winter, spring, and summer breaks only). The following conditions may result in a cancellation initiated by the institution:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent.
3. Incomplete arrangements to fulfill financial obligations.

Note: Cancellations and Early Withdrawals (EW) will result in all charges being reversed. The tuition paid will be returned to all students who cancel their enrollment within three (3) business days from the date the enrollment agreement was signed at the following locations: Bakersfield, Fresno, Gardena, Riverside and Sacramento.

In the event an enrolled applicant is rejected, the school cancels the program, a student cancels his/her enrollment during the cancelation period or is a no show/never starts the program, all tuition paid by the student will be refunded.

If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

STUDENT'S RIGHT TO CANCEL

California Education Code Section 94919 (d), provides that the student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. In accordance with California Education Code Section 94919(d), the institution's policy is that all new and re-entry students have the right to cancel the enrollment agreement until midnight of the seventh (7) day from the scheduled start date of the first module not including holidays (but does include weekends and in-service days).

In accordance with California Education Code Section 94919(b), Students shall notify the school in writing of the cancellation of their enrollment agreement ("Notice of Cancellation"). If the Notice of Cancellation is received by mail, it is effective when deposited in the mail properly addressed with postage prepaid. A student may cancel the enrollment agreement in the event the school cancels the program. All monies paid will be returned to the student within thirty (30) days after either the school receives the applicant's Notice of Cancellation; or if the school cancels this agreement as described below.

In addition to the California Education Code cancellation requirements above, new students whose Last Day of Attendance (LDA) falls on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled breaks (winter, spring, and summer breaks only) and any holidays published in the academic calendar in the catalog, will also be considered a Cancellation. Cancellations that occur under the conditions above are assigned the following cancel status codes in the Electronic Student Database:

2. "Early Withdrawal" (EW) status is assigned to cancellations for new students with an LDA after the seventh (7) day but before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module. The determination date for "EW" will fall on the 14th absent consecutive calendar day from the student's LDA, not including school-scheduled breaks (winter, spring, and summer breaks only) and any school-scheduled holidays, when the "EW" status will be automatically assigned by Electronic Student Database.

Note: Cancellations and Early Withdrawals will result in all charges being reversed. Additionally, all tuition paid by the student will be refunded.
