If the student is doing monthly payments (pay as you go) then drops the program then the student must still continue payments in full if materials have been received.**

The student has the right to cancel the enrollment agreement and receive a full refund minus the registration fee, without any penalty or obligation, **until the class materials are received.** The institution is obligated to make the refund to the student within 45 days after the institution receives the student's written notice of cancellation.

The student has a right to stop school after the cancellation period and receive a refund for the unused portion of the amount paid for the instruction less a registration fee not exceeding seventy-five dollars (\$75) if 60% or less of the course has been completed. The refund shall be the amount paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction which the student has not received but for which he/she has paid, and the denominator of which is the total number of hours of instruction for which the student has paid.
