- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

### **STUDENT'S RIGHT TO CANCEL**

The student has the right to withdraw from the program of instruction or cancel the enrollment agreement at any time and obtain a refund according to the following refund policy. To withdraw or cancel enrollment, the Student must send, via email or letter, or deliver in person, a written Notice of Cancellation or Letter of Withdrawal postmarked **NO LATER THAN** the end of the day of: (a) the first class session or (b) the seventh day after enrollment, whichever is later. Compliance with this policy will result in a full refund.

The amount of the Registration Fee and the Equipment Fee, as provided in the Registration Form, will not be refunded when the Notice of Cancellation or Letter of Withdrawal is sent or delivered after the day of the first class session or the seventh day of enrollment, whichever is later. The refund will be given within 30 days after the submission of the Notice of Cancellation or Letter of Withdrawal. However, if the Student owes the School equipment, the Student must return the equipment in good condition to the School within 30 days before receiving the refund. If the Student fails to return it within 30 days, the fair market value of the equipment will be deducted from the amount of the refund.

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### STUDENT'S RIGHT TO CANCEL

The student has the right to withdraw from the program of instruction or cancel the enrollment agreement at any time and obtain a refund according to the following refund policy. To withdraw or cancel enrollment, the Student must send, via email or letter, or deliver in person, a written Notice of Cancellation or Letter of Withdrawal postmarked **NO LATER THAN** the end of the day of: (a) the first class session or (b) the seventh day after enrollment, whichever is later. Compliance with this policy will result in a full refund.

The amount of the Registration Fee and the Equipment Fee, as provided in the Registration Form, will not be refunded when the Notice of Cancellation or Letter of Withdrawal is sent or delivered after the day of the first class session or the seventh day of enrollment, whichever is later. The refund will be given within 30 days after the submission of the Notice of Cancellation or Letter of Withdrawal. However, if the Student owes the School equipment, the Student must return the equipment in good condition to the School within 30 days before receiving the refund. If the Student fails to return it within 30 days, the fair market value of the equipment will be deducted from the amount of the refund.

### STUDENT'S RIGHT TO CANCEL

The student has the right to withdraw from the program of instruction or cancel the enrollment agreement at any time and obtain a refund according to the following refund policy. To withdraw or cancel enrollment, the Student must send, via email or letter, or deliver in person, a written Notice of Cancellation or Letter of Withdrawal postmarked **NO LATER THAN** the end of the day of: (a) the first class session or (b) the seventh day after enrollment, whichever is later. Compliance with this policy will result in a full refund.

The amount of the Registration Fee and the Equipment Fee, as provided in the Registration Form, will not be refunded when the Notice of Cancellation or Letter of Withdrawal is sent or delivered after the day of the first class session or the seventh day of enrollment, whichever is later. The refund will be given within 30 days after the submission of the Notice of Cancellation or Letter of Withdrawal. However, if the Student owes the School equipment, the Student must return the equipment in good condition to the School within 30 days before receiving the refund. If the Student fails to return it within 30 days, the fair market value of the equipment will be deducted from the amount of the refund.
