You will be written up for cheating and have a meeting scheduled with the President to decide how to proceed.

Please set your cell phone to silent and place it in your school bag, purse, or backpack IN YOUR CUBBY during class. Students are not allowed to carry a cell phone while in their clinical sessions. If there is an emergency in which you need your cell phone you must speak with the Teacher **BEFORE CLASS STARTS** to get permission.

Student Probation Policy:

*Academic probation is determined if you reached four full days of excused or unexcused absences. In the case of an approved *Leave of Absence* (see aforementioned Leave of Absence Policy) students will still be on Academic Probation, however not bound to the criteria detailed below.

*Upon missing a fourth (4th or 26 hours) class, the student will be notified that they are on academic probation. Academic probation means the student has reached one class past the maximum number of absences. Upon missing a fifth (5th or 32.5 hours) class, the student will receive an academic suspension warning. The academic suspension warning means that missing another class will result in the student being suspended from continuing in the program until such a time their absences are made up. Upon missing a sixth (6th or 39 hours) class, the student is automatically withdrawn from the current program for an inability to maintain the minimum academic and attendance standards. Due to the effects of Covid on attendance, arrangements may be made at the president's discretion. These arrangements will be made directly with the CAO and President and the student.

*If dismissal of the student from Chico Massage School is the outcome and the student has reached less than 60% of scheduled class time they are entitled to a 60% or less refund. The reimbursement policy in this case is the same as stated in the Withdrawal Policy depending on how many hours have been completed by the student.

*The institution terminates the student's enrollment in dismissal, for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the school.

ATTENDANCE POLICIES

Attendance Policy:

Students must attend class regularly and punctually. Williamson to decipher cost and days/times for makeup. The calculation will be determined based on what the student(s) is costing the school to open. Chico Massage School will do everything they can to keep the cost down, etc.: multiple student arrangements at one time.)

Missed Classes:

Life events may make it necessary for you to miss some class sessions. *You can miss three class sessions without explanations or repercussions so long as you arrange with your teacher to make up all class assignments, examinations, and practical evaluations within ONE WEEK of the missed class. After three (3) class sessions are missed, you will need to make arrangements with the President to continue with enrollment. Please schedule an office meeting with the President: Candi E. Williamson ASAP if you anticipate attendance issues throughout the semester so that we can make a plan.

*CAMTC requires specific hours to be completed and supervised. These hours must be made up. Hours that are required to be made up are but not limited to: Anatomy, Physiology, Pathology, Kinesthiology, All Hands on Bodywork and lecture. The student is financially responsible for the make up hours at the rate of \$15-\$45/hour.

Tardiness Policy:

If you arrive late please sit in the back of the classroom and make every effort not to disrupt the learning of others with unnecessary noise. There is no need to offer explanations. Late arrivals are tracked in the attendance book. Every three late arrivals are counted as 1 absence.

Early Departures:

If you must depart early, please sit in the room closest to the door and make every effort not to disrupt the learning of others with unnecessary noise. There is no need for explanations. Early departures are tracked in the attendance book. Every three late arrivals are counted as 1 absence.

Make-Up Policy:

There are 625 hours in our program, it is necessary to make-up for missed days. Necessary uses will be approved by the President and/or General Manager. The student must contact the Instructor, President or General Manager by email, or text to approve and plan for the use of these scheduled days. The phone number is 530-521-9397, and the email is info@chicomassageschool.com. The student must receive a confirmation of receipt, either by text message, or email response.

Late Homework:

Late homework or missed course work because of absence is due within ONE WEEK of the due date or missed class. You may turn in three total homework assignments or missed course work assignments late (within ONE WEEK). All subsequent late assignments or course work is awarded HALF (½) points earned.

Withdrawal Period:

The student has the right to withdraw from a course of instruction at any time.

- The written notification of withdrawal must be delivered in person or sent by US mail to: President, Chico Massage School, 811 East 5th Avenue, Chico, CA 95926. This notification must have the date and signature of the student as well as the date and signature of the staff upon receiving. The student will not be considered withdrawn without proper notification.

Leave of Absence Policy:

In the case of an emergency, health problems, pregnancy, surgery, or family tragedy that takes the student away from more than three class periods you will need to schedule time with the President as to how to make up time. You will need to have a doctor's note or sufficient proof, as decided by the President to determine how to proceed. No excuse, no proof, or not showing up to class more than three days will result in dismissal of the program, unless an approved emergency explains no show. Because this program is only 5-months, we are limited in availability to make up time. These hours can be made up within the 2 make-up days provided at the end of the semester. If a leave of absence is longer, as understandable in many scenarios, the student must meet with the President, Candi E. Williamson to determine how to proceed. Options may include, but are not limited to: same semester scheduled make up time as scheduled per specific situation or the possibility of transferring hour/day/tuition to proceeding semester(s).

Initiation of Withdrawal:

A withdrawal is considered to have occurred on the earlier of, a) the date the student officially notifies the School of their intent to withdraw, or b) the point at which the student fails to meet the published attendance policies outlined in the school catalog. Any remaining balance of funds will then be returned to the student. The refund computation will be based on the last date of student attendance as long as it is prior to the 60% mark of attendance, in which only partial refund will be due (depending on exact percentage of class time enrolled). If the student is enrolled 61% or more NO REFUND IS DUE.

Withdrawal Due to Leave of Absence:

If students do not return following a leave of absence on the date indicated on the approved written request, refunds will be made within forty-five (45) days from the date the student was scheduled to have returned. For purposes of determining a refund, the last date of attendance is used when a student fails to return from an approved leave of absence.

Withdrawal Due to Prolonged Illness or Accident:

In cases of prolonged illness or accident, death in the family, or other circumstances that make it impractical to complete the program, the School will make a settlement that is reasonable and fair to both parties.

Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

(b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog:

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market, Suite 225, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

STUDENT’S RIGHT TO CANCEL

Student has right to cancel the enrollment agreement and obtain a FULL refund of charges paid through attendance of the first-class session, or the seventh day after enrollment, whichever is later. Cancellation notices shall be in writing. Withdrawal may be effectuated by the student’s written notice or by the student’s conduct, including but not necessarily limited to a student’s lack of attendance. You are not officially considered a CMS student until you have attended your first scheduled class of instruction. Applicants or students may cancel the Enrollment Agreement as follows:

1. **Admission Rejection.** An applicant rejected for admission is entitled to a refund of all monies paid, including registration fee.
2. **Right to Cancel.** The student has the right to cancel the Enrollment Agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The registration fee in this case is not refundable. “Enrollment” is defined as the date that the Enrollment Agreement is signed by the student.
3. **Written Notice Required.** Cancellation will occur when the student gives written notice of cancellation to the School General Manager or to the School President at the following address:

Chico Massage School @ 811 East 5th Avenue, Chico, Ca 95926.
4. **Written Notice Can Take Any Form.** The written notice of cancellation need not take a particular form, though expressed through writing, is effective if it states that the student no longer wishes to be bound by the Enrollment Agreement. The student has the right to withdraw from a course of instruction at any time. The written notification of withdrawal must be delivered in person or sent by US mail to: President, Chico Massage School, 811 East 5th Avenue, Chico, CA 95926. This notification must have the date and signature of the student as well as the date and signature of the staff upon receiving. The student will not be considered withdrawn without proper notification.
5. **Effective Date of Written Notice.** The cancellation is in writing, and is effective on the date of personal delivery or, if mailed, on the date postmarked. The school shall refund any consideration paid by the student within forty five (45) days after the school receives notice of cancellation. Any monies due the applicant or student will be refunded within 45 (45) days of the date of cancellation, withdrawal or dismissal including signed document stating withdrawal from Student. The money will be refunded in the form it was received, unless it was cash, as that will be refunded by check.

If the student cancels enrollment past the 7th day after enrollment or past the first day of class. See below:

- **Bureau for Private Postsecondary Education Refund Policy for Diploma Programs**

If the student withdraws from a course of instruction no later than midnight of the seventh day after the day on which the student enrolled or the first day of class, the school will remit a refund, as per the following refund formula. The amount of the refund shall be calculated on a pro-rata basis, less the registration fee, less the STRF fee, and less the cost of any equipment and/or books and supplies the

school provided the student which were not returned within forty-five (45) days following the date of the student's cancellation, withdrawal or dismissal. The pro-rata refund formula is as follows:

1. Determine the Program Tuition by subtracting all fees, equipment, books and supplies from the Total Program Cost.
 2. Divide the Program Tuition by the Total Hours in Program to arrive at the Program Tuition per Hour. (\$15 per hour)
 3. The answer to the calculation in step (2) is the hourly charge for instruction. (\$15 per hour)
 4. The Amount Owed by Student for the purposes of calculating a refund is derived by multiplying the Hours of Instruction Attended by Student by the Program Tuition per Hour and adding in any book or equipment charges to arrive at the Tuition Due to School.
 5. The Refund Amount Due to Student shall be any amount in excess of the Amount Paid by Student.
 - a.) Total Program Cost –Registration Fee –STRF Fee(non refundable) –Equipment & Books & Supplies = Program Tuition
 - b.) Program Tuition / Total Hours in Program = Program Tuition per Hour
 - c.) Program Tuition per Hour x Hours of Instruction Attended by Student = Tuition Due to School
 - d.) Tuition Due to School + Registration Fee + STRF + Unreturned Equipment & Books & Supplies = Amount Owed by Student
 - e.) Amount Paid by Student –Amount Owed by Student = Refund Amount Due to Student.
- Sample Calculation 1: Assume a six hundred and twenty five (625) hour program costing \$9,525.00 tuition, \$0.00 for registration, \$25.00 for STRF, \$50.00 for equipment, and \$75.00 for the ABMP Exam Coach. The student withdraws after 7 days of attendance and does not return \$25.00 for STRF \$50.00 of school equipment or the \$75 ABMP Exam Coach. If the student has already paid the school a total amount of \$5,000.00 toward the program of instruction, the refund calculation would be:
 - a. $\$9,525.00 - \$0.00 - \$25.00 - (-\$50.00 - \$75.00) = \$9,375.00$ Program Tuition
 - b. $\$9,375.00 / 625 = \15.00 Program Tuition per Hour
 - c. $\$15.00 \times 300 = \$4,500.00$ Tuition Due to School
 - d. $\$4,500.00 + \$0.00 + \$25.00 + \$50.00 + \$75.00 = \$4,645.00$ Amount Owed by Student
 - e. $\$5,000.00 - \$4,645.00 = \$355.00$ Refund Amount Due to Student

CANCELLATION OR TERMINATION AFTER COMPLETING 60% OR MORE OF THE PAYMENT PERIOD WILL RESULT IN NO REFUND.

Sample Calculation 2: Assume the same conditions and numbers as

“Sample Calculation 1” above, but where the student withdraws after four hundred (400) hours of attendance, and returns no equipment, books, or supplies. Because the student has already completed sixty four percent (64%) of the program ($400 / 625 = 64\%$), no refund is due.

***60% is 375 hours**

If a student obtains a loan to pay for an educational program, the student will have to repay the full amount of the loan, plus interest, less the amount of any refund, and that, if the student receives federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds.

CAMTC Certification: Chico Massage School is approved by the California Massage Therapy Council (CAMTC) Approval Code SCH0177

Attendance and/or graduation from a California Massage Therapy Council approved school does not guarantee certification by CAMTC. Applicants for certification shall meet all requirements as listed in California Business and Professions Code sections 4600 et. seq.

Requirements for CAMTC Certification:

The California Massage Therapy Council issues voluntary certifications to massage professionals that meet the requirements in the law. Certification is voluntary, and CAMTC certification is not required by state law in order for a massage professional to practice their profession in the state. Chico Massage School suggests obtaining the CAMTC certification for massage professionals. To find out if your city or county requires certification, please contact the city or county in which you wish to practice. Local permits may be needed for each city or county where you practice unless you are certified. If you are in an unincorporated area, please check with the county.

Massage professionals may find CAMTC certification useful as it allows certified individuals to practice their profession in all cities and counties in the state without the need to get a local permit to provide massage for compensation.

California Business and Professions Code section 4611 makes it an unfair business practice for anyone not certified by CAMTC to use the titles: Licensed, Certified, Certified Massage Therapist, Certified Massage Practitioner, CMT, or CMP.

In order to obtain CAMTC Certification, an applicant must submit a fully completed application and meet all of the following requirements:

- Be 18 years of age or older;
- Pay the \$200 fee; **Make sure to check the CAMTC website for any changes**
- Submit fingerprints to an authorized agency in California for a Live Scan using only the CAMTC form at [Request for Live Scan Service](#) (the authorized agencies charge you a fee for this service) and pass a criminal background check;
- Pass one of the following CAMTC approved exams (the exam companies charge a fee for taking their exam):
 - **Massage and Bodywork Licensing Exam (MBLEx) *This will be what Chico Massage School prepares students for***
 - Board Certification Exam in Therapeutic Massage and Bodywork (BCETMB);

- o National Certification Exam for Therapeutic Massage and Bodywork (NCETMB) or National Certification Exam for Therapeutic Massage (NCETM) taken on or before February 2015; or
- o New York State Massage Therapy Examination;
- Have successfully completed, at a CAMTC approved school, curricula in massage and related subjects totaling a minimum of 500 hours (or the credit unit equivalent), which incorporates appropriate school assessment of student knowledge and skills. Of the 500 hours, a minimum of 100 hours shall be in anatomy and physiology, contraindications, health and hygiene, and business and ethics; and
- Have not violated any of the provisions of the California Massage Therapy Act or any policy, procedure, or regulation of CAMTC.

Questions or Complaints to CAMTC. A student or any member of the public with questions that have not been satisfactorily answered by the school or who would like to file a complaint about this school may contact the California Massage Therapy Council at: One Capitol Mall, Suite 320, Sacramento, CA 95814, www.camtc.org, phone (916) 669-5336, or fax (916) 669-5337.
