Becoming a Student

Entrance Requirements and Procedures

TONI&GUY Hairdressing Academy considers applications from students who are at least 17 years of age and who have completed a high-school level education, supported by a high school diploma, HISET, GED, or transcripts or other sworn or duly authenticated documents stating the school attended and the high-school education level, and graduation date. Applicants will not be denied admission on the basis of race, sex, color, ethnic origin, religion, age, religious preference, national origin, marital status, or disability.

All prospective students must complete an interview and tour of the facility with our Recruiter. This process allows you to understand our expectations of our students and helps you better understand our program. After the tour, you will take an entrance exam. The entrance exam is a pass/fail scored test. Once you pass the exam, you may be invited to enroll in TONI&GUY Hairdressing Academy.

The school is accepting applicants for admissions as regular students once the following criteria have been met:

To complete the registration process, you must present a proof of a high-school level education as described above, a United States federal or state issued photo identification, and a United States birth certificate, Individual Taxpayer Identification Number (ITIN), or social security card. We are not able to accept a social security card that indicates it is not valid for work in the United States. Our policy is to confirm that every diploma or transcript is valid by checking the NCES listing at www.nces.ed.gov for the validity of the high school.

If the high school diploma is from a foreign school (any institution outside of the U.S.), then you will need to obtain the services of an officially recognized agency to perform a foreign credential evaluation service. This evaluation of your high school diploma or transcript for the credential awarded and the U.S. equivalency is required for admission approval. The evaluation must clearly identify the equivalency of your education to be that of a U.S. high school diploma or greater for admission to the Academy. Acceptance of the foreign

credential is at the sole determination of the Academy. You should understand that you are responsible for the evaluation fee and the translation fee, even if your diploma is determined by the Academy to not be sufficient or to not meet U.S. equivalency. TONI&GUY Hairdressing Academy does not offer any Visa services or sponsor students and will not vouch for a student's legal status in the United States.

Your enrollment date will be determined after we receive all required documents and registration fees.

Admission Test: TONI&GUY Hairdressing Academy uses the Wonderlic Basic Skills Test that is scored pass/fail to determine the student's ability to be trained in the courses offered. The admissions personnel will provide applicants with additional information as to how to arrange for the test. Students must take and pass the test before being admitted into school by signing the enrollment agreement and before the first day of class.

TONI&GUY Hairdressing Academy courses are taught in English; and does not offer ESL instruction. Prospective students must be proficient in the English language and must pass the Wonderlic Basic Skills test before being accepted into the program. Prospective students are required to visit the physical facilities of the school to discuss personal, educational and occupational plans with school personnel before enrolling, attending class or signing enrollment agreements. In addition, as a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement.

Attendance Policy

Tardiness

You are expected to clock in each day by 8:00 a.m. You are tardy at 8:31 a.m. Theory begins each morning at 8:30. Your attendance at Theory is a state requirement. Attending class on time as scheduled helps you demonstrate your commitment to the program and keeps you in good standing at TONI&GUY Hairdressing Academy.

Attendance

You must maintain a 90% attendance rate during the program at all times to ensure completion of program within the scheduled length. If you do not maintain a 90% attendance rate and require further instruction to satisfy graduation requirements you will accrue over contract fees. TONI&GUY Hairdressing Academy does not have an excused absence policy. This strict attendance policy will help you prepare for the demanding schedule you will face as a hairdressing professional. The Administration will take corrective action against any student who does not maintain 90% or higher attendance. Students who receive corrective action for

attendance must make immediate corrections and maintain the expected level of attendance and punctuality.

Make-Up Work

Absences are not excused for any reason. TONI&GUY Hairdressing Academy will however allow for students to take a make-up test one time only if the following requirements are met:

- If the retaken test falls within the same payment period as the missed or failed test. Once the payment period is closed the test will no longer be eligible for make-up. (Payment periods are 450, 900, and 1250 actual hours.)
- All make-up tests must be scheduled with an instructor within two weeks of its original date. It is the responsibility of the student to schedule the make-up test. Students who miss the scheduled make-up test will no longer have the opportunity for a make-up test.
- Make-up tests will only be administered once, with the highest grade awarded being 80%.

Program Schedule Change Policy

A student must request from the director to change the program schedule in which they are currently enrolled. A \$100.00 schedule change fee and a meeting with the Financial Aid Director are required. All requests will be considered on case by case bases and are to be approved by the Academy Director prior to the schedule change.

1. Requests the grade at the time of withdrawal; and
2. Withdraws for an appropriate reason unrelated to the student's academic status.
3. Pays any balance due to the school in full.

A student who receives a grade of Incomplete may be eligible to re-enroll in the program during the forty-eight (48) month period following the date of withdrawal provided that the original balance to the school has been paid in full. All re-enrollments are subject to availability and must be approved by the Academy Director.

Monthly Progress Report

All students enrolled in the cosmetology program will receive a progress report on the first Friday of each calendar month to review their current status in attendance and grade point average. If absent on the day the progress reports are to be received, it is the responsibility of the student to request their monthly progress report from the Academy Director. Those students that are achieving an attendance rate of 90% or higher as well as an 80% GPA or higher will be eligible for the Honors Program.

Satisfactory Academic Progress Policy (SAP)

TONI&GUY Hairdressing Academy generally requires a higher standard of attendance and GPA than our accreditor, the state or the Department of Education.

As a student of TONI&GUY Hairdressing Academy, you must meet consistent and reasonable standards of satisfactory academic progress, including a grade point standard and an attendance standard. This policy applies to all students enrolled in our diploma program and is evaluated in actual hours.

You will be shown a progress report from us at evaluation periods. Students may request a copy of the progress report at any time. Your grade point average includes grades on written work, tests, and the Mock State Board written and practical exams. The results of the Satisfactory Academic Progress evaluation will be filed in the student's academic file.

It is printed in the catalogue to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

Evaluation Periods

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology (900 hour academic year)

1st Evaluation Period: 450 clocked (actual) hours (15 weeks)

2nd Evaluation Period: 900 clocked (actual) hours (30 weeks)

3rd Evaluation Period: 1250 clocked (actual) hours (40 weeks)

4th Evaluation Period: 1600 clocked (actual) hours (54 weeks)

*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

Standard for Attendance

Students are required to attend a minimum of 80% of the hours possible based on the applicable attendance schedule in order to be considered maintaining Satisfactory Attendance Progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. If the student falls below the 80% at the time of evaluation the student will be placed on a SAP warning. At the end of the SAP warning if the student has failed to reach an 80% attendance rate the student may be terminated from the program. However if the student has made advancement with the Academy's standard of 80% but did not reach the Academy's standard of 80% and the Academy Director can reasonably determine that the

80% standard can be achieved, the student may then be placed on a probation status after an appeal by the student has been approved allowing the student to continue in the program until the next evaluation period.

Maximum Time Frame

The maximum time (which does not exceed 125% of the course length) allowed for students to complete each course at Satisfactory Academic Progress. A student who completes the program with an 80% attendance rate would have completed within 125% of the program length. Students who have not completed the course within the maximum time-frame may request to continue at the institution on a cash pay bases. All requests will be consider on a case by case bases and are to be approved by the Academy Director.

Course	Maximum Time Allowed
Cosmetology (Full time, 30 hrs/wk) - 1600 Hours	67 Weeks
Cosmetology (Full time, 24 hrs/wk) - 1600 Hours	84 Week

Transfer hours from another institution that are accepted up to 1150 hours toward your program are counted as actual hours for the purpose of determining when the allowable maximum timeframe has been exhausted.

Standard for Grade Point Average

Students must maintain a minimum of an 80% grade point average to graduate from the program and in order to be considered maintaining Satisfactory Academic Progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. If the student falls below the 80% at the time of evaluation the student will be placed on a SAP warning. At the end of the SAP warning if the student has failed to reach an 80% grade point average the student may be terminated from the program. However if the student has made advancement with the Academy’s standard of 80% but did not reach the Academy’s standard of 80% and the Academy Director can reasonably determine that the 80% grade point average can be achieved, the student may then be placed on a probation status after an appeal by the student has been approved allowing the student to continue in the program until the next evaluation period.

Numerical grades are considered according to the following scale:

94 - 100	EXCELLENT
87 - 93	VERY GOOD
86 - 80	SATISFACTORY
79 and BELOW	UNSATISFACTORY

Determination Of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making Satisfactory Academic Progress until the next scheduled evaluation. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding or VA benefits interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Financial Aid

Students who do not achieve the minimum standard for Satisfactory Academic Progress are no longer eligible for Title IV, HEA program funds, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in the status of probation.

Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making Satisfactory Academic Progress while during the warning period. The student will be advised in writing on the actions required to attain Satisfactory Academic Progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, the student will be terminated from the program or placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds or VA benefits.

Probation

Students who fail to meet minimum requirements for attendance or academic progress after the warning period may be placed on probation and considered to be making Satisfactory Academic Progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. The student will be advised in writing of the actions required to attain Satisfactory Academic Progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for Satisfactory Academic Progress, the student will be determined as NOT making Satisfactory Academic Progress and the student will be terminated from the program.

Re-Establishment of Satisfactory Academic Progress

Students may re-establish Satisfactory Academic Progress and Title IV aid or VA benefits, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

Interruptions, Course Incompletes, Withdrawals, and Terminations

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same Satisfactory Academic Progress status as at the time of withdrawal. Students who are terminated due to not making Satisfactory Academic Progress and wish to re-enroll will return in the same Satisfactory Academic Progress status as at the time of withdrawal. However students who have exhausted the Satisfactory Academic Progress Warning and Probation statuses with the Academy and have exceed the maximum time frame will be terminated from the program. Students may then re-enroll on a case by case bases as a cash pay student if approved by the academy director.

Appeal Procedure

If a student is determined to not be making Satisfactory Academic Progress, the student may appeal the determination. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet Satisfactory Academic Progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the Satisfactory Academic Progress determination will be reversed and federal financial aid or VA benefits will be reinstated, if applicable.

Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as actual hours for the purpose of determining when the allowable maximum time frame has been exhausted.

Leave of Absence Policy

You may request a Leave of Absence (LOA) for a minimum of five (5) calendar days and a maximum of sixty (60) calendar days. The LOA together with any additional leaves of absence must not exceed a total of 60 calendar days in any 12-month period. An LOA will only be approved for medical circumstances or the death of a family member.

You must comply with the Leave of Absence Policy when requesting an LOA from the Academy Director. Approval of an LOA is not guaranteed.

Requesting a Leave of Absence

All LOA requests **must be** submitted in writing on the required LOA Form ***in advance*** to the Academy Director with the reason for requested leave as well as an exact date of return to the program. LOA request forms are to be signed by student at the time of the request. If an unforeseen circumstance prevents you from requesting the LOA in advance, the Academy may still approve the LOA and document the reason for its decision, however you must provide the Academy with the signed LOA request as soon as is reasonably possible. The start date of an LOA for an unforeseen circumstance – if approved– will be the 1st day the student was unable to attend due to the unforeseen circumstance.

All LOA requests must be accompanied by supporting documentation which meets Academy approval at our sole discretion. For LOA requests due to a medical circumstance we require documentation from a doctor at the time of the LOA request, as well as written confirmation from a doctor that you are able to return and resume your program at the Academy prior to your return from an LOA. For LOA requests due to the illness of a family member supporting documentation pertaining to the situation will be required. For LOA requests due to the death of a family member, we require an obituary or funeral service program. For LOA requests due to severe circumstances such as safety issues, natural disasters, etc. supporting documentation pertaining to the incident will be required. Vacations, personal days, financial hardships, etc. will not be approved for an LOA.

Approved Leaves of Absence

If the LOA request is approved, the student will return to school in the same progress status with regard to grade point average and attendance rate as prior to the LOA and will not be assessed any additional institutional charges as a result of the LOA. An approved LOA will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence. Any scheduled hours during the approved LOA timeframe will not be included in the student's cumulative attendance percentage calculation. An approved LOA will be documented on the signed LOA Request Form which will be signed by the student and the school, and which will become an addendum to the enrollment agreement. A student who is granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.

You must return by the specified return date on the LOA Request Form.

Extensions to Leaves of Absence

An extension (adding time/ days) to an approved LOA may be requested for approval; however extended LOAs may not exceed the total calendar days allowed in this Leave of Absence Policy. Documentation supporting the reason for the extension must be provided, and approval of the extension is not guaranteed. If

an extension is denied you must return by the specified return date on the LOA Request Form or be considered withdrawn from the program.

Failure to Return from an Approved Leave of Absence

A student that takes an unapproved leave or fails to return from the LOA by the specified return date will be withdrawn from the program. The withdrawal process will begin on the date of determination, which is the earlier of the day the student fails to return from the LOA or the date the student notifies the Academy they will not be returning. The effective date of the withdrawal will be the last date of recorded attendance, with the following consequences:

- b. If you received any federal student grants and / or loans, the extent of any unearned grant or loan funds that either you and/or the Academy must return to the federal student aid programs and lenders will be determined using the withdrawal effective date.
- c. If you received any federal student loans, your six month “grace” period will be deemed to begin the first day of the approved LOA period, and all the time in the “leave” period will count against the six month grace period.

Purpose of the Student Grievance Policy

The purpose of the student grievance policy is to provide a way for resolving student grievances of an academic nature or behavioral nature not included in the SPECIAL NOTE below.

General Guidance

The general grievance procedure as described below is for Academic Grievances. Academic Grievances include those based on items such as classroom procedures, complaints of unfair treatment by an instructor, complaints of unfair grades given by an instructor, absence and tardiness practices, course requirements that

differ substantially from those set forth in the syllabus, and the right to participate in certain activities. Behavioral Grievances include items that are to do with student conduct in TONI&GUY Hairdressing Academy.

Any grievance involving a complaint of discrimination or sexual harassment should be directed to the Academy Director, TONI&GUY'S Compliance Specialist at (214) 273-2679 or the Director of Operations at (214) 273-2216. The student may select his or her preferred contact based on the nature of his or her complaint, and those involved.

Grievance Procedure

The following procedure is to be used to resolve an Academic or Behavioral Grievance. Generally speaking, once this process has begun, students should follow the procedure and not omit steps in the procedure. However, in extenuating circumstances, students may bring their grievance directly to the attention of the Academy Director or Director of Operations who will work with the student on the grievance to get it resolved. At any point in the procedure below, TONI&GUY may require a written statement of complaint in order to proceed.

1. **The Offending Person** – the student should first make contact with the offending person to resolve their differences within five school days.
2. **The Instructor** – if the complaint is not resolved in the informal conference with the offending person, the student may then discuss the matter with their instructor. The instructor may schedule a conference with the student and the other involved parties, or the instructor may bring the issue to the attention of the Education Director.
3. **The Education Director or Academy Director** – if the grievance is not resolved by the instructor, the student may request a meeting with the Education Director or Academy Director.
4. **The Director of Operations** – if the grievance is not resolved by the steps above, the student may request a meeting with the Director of Operations by calling (214) 273-2216.

Upon graduation, the student's name is recorded in a placement register for the follow-up process. Results from the State Board of Cosmetology license examination are recorded as passed or failed. Students that failed the exam are encouraged to return to TONI&GUY Hairdressing Academy for assistance and guidance for subsequent attempts to pass the exam. Placement assistance is provided by reviewing the listings of salons seeking employees, their job requirements, salary, and other pertinent information. Students are referred to interviews and the results of these interviews are recorded in the placement register. The school may show prospective students this register upon request.

The items in the kit may change from time to time, at the discretion of TONI&GUY Hairdressing Academy and without notice to students. TONI&GUY Hairdressing Academy has done its best to outline itemized costs in your contract; however, we do not claim that the costs listed will be the only expenses that you incur as a student at TONI&GUY Hairdressing Academy.

Cancellation and Settlement Policy

We will provide a full refund of money you have paid toward tuition, fees, and other charges if you:

1. STUDENT'S RIGHT TO CANCEL

- You may cancel your contract for school, without any penalty or obligation on or before the latter of (i) the fifth business day following your first class session and (ii) the seventh day after you sign the enrollment agreement. All monies collected by the institution shall be refunded as described in your Notice of Cancellation form that will be given to you on the first day of class. Read the Notice of Cancellation form for an explanation of your cancellation rights and responsibilities. If you have lost your Notice of Cancellation form, ask the school for a sample copy.
- After the end of the cancellation period, you also have a right to stop school at any time and you have the right to receive a refund for the part of the course not taken. Your refund rights are described in the in the Tuition Refund Policy.
- Cancellation: shall occur when you give written notice of cancellation at the institution's address. You can do this by mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when it is deposited in the mail properly addressed with prepaid postage. The written notice of cancellation need not take any particular form, however expressed; it is effective if it shows that you no longer wish to be bound by the enrollment agreement. On the first day of class, you will be given two notices of cancellation forms for your use if you decide to cancel, however, you can use any written notice that you may wish.

- If the school cancels a course and/or program subsequent to your enrollment, and before instruction has begun, you may be entitled to a full refund of all monies paid to the school
 - If the school closes before you graduate, you may be entitled to a pro-rata refund of tuition. Contact The **Bureau for Private Postsecondary Education** at the address and phone number printed below for information.
 - A student or any member of the public may file a complaint about this institution with the **Bureau for Private Postsecondary Education** by calling toll-free (888) 370-7589 or by completing a complaint form, which can be obtained on the Bureau's website at: www.bppe.ca.gov.
2. If we cancel a start date, you can move any monies paid into an alternate start date. The delay could last up to ninety (90) days. We may need to cancel a start date due to the size of the student body, repairs to the facility, or other operational issues. If a course is canceled subsequent to a student's enrollment, and before instruction in the course has begun, and the school is unable to provide an alternate start date within ninety (90) days, the school shall provide a full refund of all monies paid.
 3. If TONI&GUY Hairdressing Academy terminates you for failure to complete all required coursework in the program within 125% of the stated length of the program or because of failure to comply with the requirements, rules, and regulations outlined in the catalogue, your enrollment will be terminated. The extent of any refund due to you will be determined according to our Tuition Refund Policy.

Tuition Refund Policy

If you withdraw or are terminated from TONI&GUY Hairdressing Academy prior to completing your academic program, depending upon the point in the program at which your enrollment ended, you may be entitled to a refund of part of the payments you have made (not including Federal Financial Aid funds, which are addressed in our Return of Title IV policy) for tuition, fees, and other charges. A refund is based on your termination date.

If you withdraw from the course of training before your cancellation period expires or are not accepted for enrollment, TONI&GUY Hairdressing Academy will refund all monies collected. The Student Kit payment is refundable if the Kit has **not been opened** or damaged in any way and is returned to TONI&GUY Hairdressing Academy, **unopened**, and undamaged at the time of your withdrawal within five (5) business days.

If you withdraw from the course of training after the cancellation period expires, we will determine your refund amount by calculating the difference between the total payments you made to TONI&GUY Hairdressing Academy prior to your withdrawal and the total program charges which TONI&GUY Hairdressing Academy may retain based on actual hours attended up to your termination date. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, the institution will remit a pro rata refund of tuition fees, within thirty (30) days following your official or unofficial withdrawal.

Pro Rata Refund

The State of California requires a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance.

The pro rata refund will be determined using the following calculations:

1. Divide the total tuition cost for the program (example: \$20,900) by total number of hours in the course (example: 1,600 hrs) to calculate the cost per hour of instruction (\$13.06 per hour).
2. Multiply the number of hours that the student attended the program by the cost per hour of instruction (from step 1) to calculate the total amount owed.

3. Subtract the total amount paid for tuition up to time of withdrawal from the total amount owed (from step 2) to calculate the refund to the school or to the student.
 - If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within thirty (30) days of the official withdrawal.
 - If the amount that you owe is more than the amount that you have already paid then you owe a balance to the school and you must arrange to pay the balance within thirty (30) days. If you fail to pay the balance within 30 days your account will be considered overdue.

Hypothetical Refund Example: Assume that a student, upon enrollment in a 1,600-hour course, pays \$20,900.00 for tuition, and \$3,320.00 plus tax (documented cost to the institution) for equipment as specified in the enrollment agreement and withdraws after completing 600 hours without returning the equipment he/she obtained. The pro rata refund to the student would be \$13,064.00 based on the calculation stated below.

Total Paid	\$24, 535.40	Tuition Cost	\$20,900.00	Paid for instruction	\$20,900.00
Less cost of Unreturnable equipment (includes sales tax)	\$ 3,635.40	Hours in the course	1,600	Hours attended	600
Equals Tuition amount paid for instruction	\$20,900.00	Hourly charge	\$13.06	Tuition owed 600 x \$13.06	\$7,836.00
				Refund due	\$13,064.00

Any refund we owe you will be paid to you no later than the 30th day after the Termination Date. If you are owed a refund and TONI&GUY Hairdressing Academy fails to make the refund payment to you within the refund payment period, we will be obligated to pay you interest on the refund amount at a rate set by the California Board of Cosmetology, beginning the first date the refund period expires and ending the day preceding the date the refund is made, unless the state exempts TONI&GUY Hairdressing Academy from any obligation to pay interest based on our unsuccessful attempts to locate you.

In the event a balance due to TONI&GUY Hairdressing Academy becomes overdue, we may contact you to make arrangements to receive the balance in full, or we may send your account to a third party for collections. All efforts to receive a balance due will reflect good taste and sound, ethical business practices. Any third parties engaged to assist with collections will acknowledge the existence of, and comply with, the Cancellation and Settlement policy.

Your termination date shall be determined using the following guidelines:

1. The withdrawal date shall be the last date of recorded attendance. Unofficial withdraws are determined by the school through monitoring clock hour attendance on a weekly bases.
2. The student would be determined to have withdrawn from institution on the earliest of:
 - The date you notify the Academy Director of your intent to withdraw. Only the Academy Director would be authorized to accept a notification of your intent to withdraw. The date the institution terminates your enrollment due to academic failure or violation of its rules and policies stated in the catalogue. The date you fail to attend classes for 14 consecutive calendar days. If you are absent for 14 consecutive calendar days and are not on an approved leave of absence, you will be deemed a

withdrawal even though you have indicated that you were not withdrawing. Your determination date shall be the last date of recorded attendance. The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.

TONI&GUY Hairdressing Academy may issue a refund to the student in excess of that described above when mitigating circumstances are present.

Return to Title IV Funds

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Iraq Afghanistan Service Grants, Academic Competitiveness Grants, National SMART grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

When you withdraw during your payment period or period of enrollment (your school can define these for you and tell you which one applies) the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a Post-withdrawal disbursement. If your Post-withdrawal disbursement includes loan funds, your school must get your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your Post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school needs your permission to use the Post-withdrawal grant disbursement for all other school charges. If you do not give your permission (some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

There are some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any FFEL or Direct Loan funds that you would have received had you remained enrolled past the 30th day.

If you receive (or your school or parent receives on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of:

1. Your institutional charges multiplied by the unearned percentage of your funds, or
2. The entire amount of excess funds.

The school must return this amount even if it didn't keep this amount of your Title IV program funds.

If your school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) must repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid TONI&GUY Hairdressing Academy charges. Your school may also charge you for any Title IV program funds that the school was required to return. If you don't already know what your school's refund policy is, you can ask your school for a copy. Your school can also provide you with the requirements and procedures for officially withdrawing from school.

In any case where funds must be returned to the Title IV Programs, the payment of the returned funds will be made within 45 days from the official withdrawal date in the following order: FPELL, other sources and to the student. This order will be applied providing the student received funds from that program and in amounts not to exceed the amounts originally paid from each program.

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at www.studentaid.ed.gov.

Financial Aid Consumer Information

The school is approved for, and does participate in the following programs intended to defray the costs of attending for those students eligible for financial aid considerations:

- Federal PELL Grant: Does not require repayment (FPELL)
- Federal Direct Loan: Interest paid by federal government while student is enrolled at least half time in an eligible program of study and during any periods of deferment.
- Federal Stafford Unsubsidized Loan: Interest accrues from date(s) of disbursement.
- Private Education Loans
- **Loan Repayment Obligations:** In the event you obtain loans to pay for this educational program, you are responsible to repay the full amount of the loan, plus interest, less the amount of any refund. If you have received Federal Student Financial Aid Funds you are entitled to a refund of moneys not paid from Federal Student Financial Aid program funds. In the event you are eligible for a loan guaranteed by the federal or state government and you default on the loan, both of the following may occur: (i) the federal or state government or a loan guarantee agency may take action against you, including applying any income tax refund to which you are entitled to reduce the balance owed on the loan, and (ii) you may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Disbursement

PELL Grant disbursements are earned when the student completes the required hours and number of weeks of each payment period. (See Financial Aid Coordinator for more information.)

Student Tuition Recovery Fund Statement (STRF)

(California Residents Only)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in educational in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an education program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program with the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for

recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or taxpayer identification number.
