The new library area provides shelving for all library materials, Computers for online research and video screening, and a research area for print sources. In most aspects of the beauty culture, there is a great deal of standing, walking, pushing, bending, and stretching sometimes for long periods of time. A person must consider their own physical limitations in terms of making a career choice that involves extensive training. We promote the acceptance of students with physical limitations or disabilities if such students believe they can fulfill the training demands. If a student, while enrolled, sustains an injury deemed by the college to impair their ability to fulfill all educational requirements, both practical and theoretical, the student may be required to take a leave of absence until given a full medical release by their physician.

ORIENTATION

Attending orientation is mandatory. Orientation is before the first day of School. *During the COVID-19 Pandemic, we are using the “Temporary distance education” zoom orientation format, however, we will return to the “brick and mortar” on campus orientation for ALL enrollments.* The student will be notified of the date and time of orientation prior to class start date. All new students, transfers, and re-enrollment students are required to attend. The informational class will set the tone for a pleasant educational experience. It will make you aware of your responsibilities by understanding the procedures and policies, sanitation aspects, rules and regulations, distance education process, student expectations, timecards, using the time clock, parking, and the expectations of the staff. This class will acquaint you with the instructional program, course goals, personnel, and student services. You will receive a list of items necessary for your class.

TEXTBOOKS, EQUIPMENT & SUPPLIES

Student chrome book (if available), books, and kits will be issued within (7) seven days of the beginning of freshman class. The kit contains the equipment necessary for the course. Students are expected to maintain the kit by replacing lost, stolen or broken articles. **The school is not responsible for a student’s equipment;** either lost, stolen or left for an extended period of time on campus. Students must learn to be responsible for the

FRESHMAN/CORE CLASS INSTRUCTION

The freshman curriculum for each of the course requires a specific number of hours of classroom lectures, demonstrations, and student practice. The freshman class introduces the basics you will need to know to pass licensing examinations. From this initial introduction, you will learn all fundamentals that are the basic for your future and career. The hours spent in the freshman class are as follows: **Cosmetology 320-hours; Barbering 300-hours; Barber Crossover 50-hours; and Manicure 80-hours.** **MIXED Institute of Cosmetology & Barber** considers the freshman classes to be the foundation for your future.

RECORD KEEPING/CLOCK HOUR POLICY

The Board of Barbering and Cosmetology will only recognize time-clock hours of attendance, as a result of this requirement, this school can only give clock hour credit to students who record their attendance by using the time clock located in the Millennium Salon Operation Software to clock in and out at the start and end of their class day and for the 30-minute lunch period. A computer with virtual time clock will be available and all students will have their fingerprints recorded so that they can use the fingerprint scanner to clock in and out. If a student is attending more than 6 total hours in a given day and that student does not clock in or out at lunch, 30 minutes for lunch will be deducted. Student practice and theory hours are recorded daily on their weekly assigned time sheets and are posted to the school software management system on a weekly basis. At the completion of the day, your operations will be totaled and added to the column for that particular day. At the completion of the week, all operations for each requirement will be totaled along with the prior totals from previous weeks and recorded by the student in the column titled “accumulated totals.” The accumulated totals for operations and the total accumulated hours for the week will be used to prepare the students card for the following week. The total hours attended each day will be totaled and written in the space entitled “total hours for the week”. This number will be added to their prior hours to calculate the new total number of hours for that student. The following week's card will be prepared on the final day of the previous week. Students are encouraged to take a picture of their weekly

cards for their own records, and to assist in preparing the new weeks card, but they will also have access to the previous card to prepare their new week's card. The new card will be populated with the previous total of operations and prior attendance hours. Time sheets are reviewed and signed by instructor daily then turned in at the end of the day. Attendance hours from the fingerprint scanner/time clock are downloaded to the Freedom student management system weekly. Time audits will be performed by attendance personnel if discrepancies arise, or when requested by a student. Audits will compare the student's weekly cards with the data recorded in the Millennium time clock computer and Freedom student system to reconcile the most accurate totals possible.

Roll call is taken daily in the classroom area at the start of scheduled shift. Cumulative attendance hours are checked by Register Office on a weekly basis and recorded to the student academic file. Progress reports are released to student after each Satisfactory Academic Progress period on each program or at minimum two times during their program. After clocking in you are required to maintain applied effort. Adhere to personal grooming standards and refrain from leaving the building without permission. Reading and/ or watching streaming material not directly related to your training or assigned activity is not tolerated. If any of these scenarios occur, you will be asked to stop such activity or to punch out for the remainder of the day. Continued failure to stay on task may result in your disciplinary action.

However, a staff member must be present during the process to provide clarification and/or answers to related questions raised during the review of the student's file. Access to files must be requested in writing, in letter form or on a form furnished by the institution. Access will be allowed within a reasonable period after verification of the right to inspect and arrangements have been made for proper supervision and interpretation of the records by an employee of the institution. Educational records are defined as files, materials, and documents that contain information directly related to the student's period of enrollment and that are maintained by the institution. MIXED Institute of Cosmetology & Barber will keep these records for six- years from the last day of attendance. All institutional records related to accreditation (NACCAS Standards and Policies) must be maintained in accordance with state and federal law, but not less than six years. Newly accredited institutions that do not have a six-year accreditation history must maintain records from the Candidate Consultation visit forward. Students can make an appointment to view any content in their files, and may be given a curtesy copy of reports or documents in their file. However, students may be charged for additional copies of reports and/or the contents in files i.e., enrollment agreements, progress reports, timecards, etc. at the rate of \$0.25 per page.

GRADING SYSTEM

Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage converted to a letter grade. Evaluation forms are issued to the students at Actual clocked hours in accordance with enrolled program. In accordance with the maximum period allowed evaluations at 125% and 150% of the course, will apply on those cases when the student does not complete the program by the expected 100% point. The evaluation form reflects the overall attendance and academic progress of the student. Students must maintain a "C" (70%) average to maintain satisfactory academic status. The grading system detailed below is the system utilized in the school.

Theory Grading

90%-100%	A Excellent
80%-89%	B Above average
70%-79%	C Average
69%-or Below	D Unsatisfactory

Practical grading

10	Points 100%	A+	Exceptional
9	Points 90%	A	Excellent
8	Points 80%	B	Good
7	Points 70%	C	Average
Under 7	Points 60%		Unsatisfactory

PROGRESS POLICY

Considering the varied capabilities of individual students, some may progress from one phase of training to another at a more rapid pace. However, all students must satisfactorily complete all subject matter prior to graduation unless credit has been allowed for previous training or experience in a particular subject area. Successful graduates will be awarded an appropriate diploma upon completion of their training program.

GRADUATION REQUIREMENTS AND DIPLOMA

When a student has completed the required clock hours, theory hours and practical operations for his/her course of study with a GPA (Grade Point Average) of “C” (70%) or better and paid all tuition/fees (according to your signed Enrollment Agreement), he/she receives a Diploma certifying his/her graduation of the appropriate course of study. The school assists the students in completing the necessary documents to file for the appropriate California State Board Barbering and Cosmetology Examination.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school within all categories (full-time, part-time, Title IV recipients, non Title IV recipients, all programs offered at this campus Cosmetology, Barber, Barber Crossover and Manicure). It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education. **The institution academic year for all Programs of study are 900 clock hours.**

STANDARDS: This institution expects all of its regular students to maintain

Satisfactory Academic Progress (SAP)

The student must:

1. Maintain a cumulative academic average of “C” (**70%**) or better at the end of each of the evaluation period.
2. Maintain a cumulative average attendance level of at least **67%** of the scheduled hours at the end of each of the evaluation periods.
3. Complete the course within a maximum time frame of one and one-half (1½) times the length of the course as stated in the enrollment agreement. For example, if the student has contracted to complete the course within 44 weeks (including grace time for absences), he or she must complete within 66 weeks.
4. Must Review and sign the SAP evaluation form at the end of the evaluation period.

Students meeting the minimum requirements for attendance and academic progress at any evaluation point will be considered to be making satisfactory progress until the next evaluation.

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology	450, 900, 1250	clocked (actual clocked) hours
Manicure	175, 350	clocked (actual clocked) hours
Barbering	450, 900, 1200	clocked (actual clocked) hours
Barber	75,150	clocked (actual clocked) hours
Crossover		

*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

90 - 100	EXCELLENT
80 - 89	VERY GOOD
70 - 79	SATISFACTORY
69 and BELOW	UNSATISFACTORY

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

COURSE	MAXIMUM TIME ALLOWED SCHEDULED		
	HOURS	WEEKS	
Cosmetology (Full time, 37.5 hrs/wk)	1600 Hours	64 Weeks	2400
Cosmetology (Part time, 20 hrs/wk)	1600 Hours	120 Weeks	2400
Manicure (Full time, 37.5 hrs/wk)	400 Hours	16 Weeks	600
Manicure (Part time, 20 hrs/wk)	400 Hours	30 Weeks	600
Barbering (Full time, 37.5hrs/wk)	1500 Hours	60 Weeks	2250
Barbering (Part time. 20hrs/wk)-	1500 Hours	112.5 Weeks	2250
Barber Crossover (Full time 37.5hrs/wk)	200 Hours	8 Weeks	300
Barber Crossover (Part time 20 hrs/wk)	200 Hours	15 Weeks	300

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled contracted hours. Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be not making satisfactory academic progress, but eligible to receive Title IV assistance while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be not making satisfactory academic progress, but eligible to receive Title IV assistance while during the probationary period, if the student appeals the decision, and prevails upon appeal. The institution will determine that SAP standards can be met by the end of the subsequent evaluation period prior to placing a student on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If you are absent for a period of 14 consecutive calendar days and not on an approved LOA, you will be deemed a withdrawal (withdrawal is last day of attendance), even if that was not your intent. In addition to attendance standards relating to Satisfactory Academic Progress, students are also required to adhere to certain other general institutional policies relating to attendance, tardiness and school rules and regulations. These policies are outlined in the school catalog. Leave of absences will extend contract period and maximum time frame by the same number of days taken in the leave of absence. Legitimate reasons for taking a LOA include: pregnancy; hospitalization of the student, immediate family member, or someone to whom the student is designated as primary caregiver; military duty; temporary disability; or a serious medical emergency.

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Course withdrawals have no effect on

the quantitative (pace) or qualitative (grade-based) components of SAP. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. See Leave of Absence Policy for additional details.

COURSE INCOMPLETE, REPETITIONS NON-CREDIT REMEDIAL

MIXED Institute does not allow course incompletes, repetitions and non-credit remedial courses therefore having no effect upon the student's satisfactory academic progress. If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special circumstances such as lack of child care, lack of reliable transportation, having to care for a sick immediate family member. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed, and federal financial aid will be reinstated, if applicable.

REINSTATEMENT:

A student that prevails upon the appeal process will be determined as making satisfactory progress.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards. Incomplete grades are not allowed and have no effect on the quantitative or qualitative components of the SAP policy.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hour for the purpose of determining when the allowable maximum time-frame has been exhausted. Sap evaluation periods are based on actual contracted hours at the institution.

RE-ENTERING

Students, who have temporarily withdrawn from school or have taken a leave of absence, may be accepted for re-entering into the program of study, and will be placed under the same satisfactory progress status prevailing at the time of the prior withdrawal or leave of absence.

MAKE-UP POLICY

All lesson assignments missed during any period of absence must be made up. Make-up work will not be permitted during class hours. A record of make-up work is maintained for each student who is required to perform this type of work. To avoid excessive overtime charges and to ensure an on-time graduation, student can make up hours during course times the student is not normally scheduled for attendance or Tuesdays during our assigned make up hours.

PHYSICAL REQUIREMENTS OF THE INDUSTRY

Generally, professionals in the beauty field must be in good physical health because they will be working in direct contact with the public. In most aspects of the beauty culture, there is a great deal of standing, walking, pushing, bending and stretching, sometimes for long periods of time. A person must consider their physical limitations in terms of making a career choice that involves extensive training. We promote the acceptance of students with physical limitations or disabilities if these students believe they can fulfill training demands.

If a student, while enrolled, sustains an injury deemed by the school to impair his/her ability to fulfill all educational requirements (practical and theoretical) he/she may be required to take a Leave of Absence until given a full medical release by their physician.

If the student chooses to purchase the supplies needed from the school, the cost will be added to their enrollment agreement charges. If the student is eligible for financial aid, he/she may use some of this money to pay off the account since it is a direct cost of education. The student may apply for the credit by going to the Financial Aid Office.

FINANCIAL INFORMATION & FINANCIAL ASSISTANCE

FINANCIAL AID INFORMATION

Schools recognize that in many instances individuals and their families are not able to meet the entire cost of education. Therefore, the Financial Aid Office will assist students with the process of applying for Federal Student Aid. The Financial Aid Administrator (FAA) is the designated official at the school for consumer information, and students or parents with questions should not hesitate to contact the FAA by simply calling the school's main number, located on the school's website, and asking to be connected to the Financial Aid Office.

MIXED Institute of Cosmetology's Eligibility for Title IV Funds: To be eligible to receive Title IV funds, federal and state regulations require that institutions admit, as regularly enrolled students, persons who have a high school diploma or its recognized equivalent and who are beyond the age of compulsory attendance within that state.

Eligibility for Federal Student Aid is based on financial need and several other factors. Generally, to be eligible for Federal Student Aid, a student must:

- Demonstrate financial need (except for certain loans).
- Have a high school diploma or a General Education Development (GED) certificate or state-specific equivalency credential or complete a high school education in a home school setting that is treated as such under state law.
- Be enrolled or accepted for enrollment as a regular student working toward a degree or certificate in an eligible program.
- Be a U.S. citizen or eligible noncitizen.
- Have a valid Social Security Number.
- Register with the Selective Service if required. A student can use the paper or electronic FAFSASM to register, register at www.sss.gov, or call 1-847-688-6888, or call Toll Free 1- 888-655-1825. (TTY users can call 1-847-688-2567.)
- Maintain satisfactory academic progress once in school.
- Certify that he or she is not in default on a Federal student loan and does not owe money on a Federal student grant.
- Certify that he or she will use Federal Student Aid only for educational purposes.
- The student will need to complete a Free Application for Federal Student Aid (FAFSA) form in order to apply for Federal Student Aid. These forms can be found on the Department of Education's website, www.fafsa.ed.gov. Ask the financial aid advisor for your school's code. The student's actual eligibility amounts will be determined from the information reported on the FAFSA.

GRANTS

FEDERAL PELL GRANT

The Pell grant is gift assistance that does not have to be repaid. Pell grants are awarded to students who have a financial need as determined by the U.S. Department of Education standards. Annually, the U.S. Department of Education determines student eligibility for this grant. For the 2018-19 award year, the minimum grant for a full-time student is \$652 and the maximum grant is \$6,095.

A student is eligible to receive a Pell grant for up to 12 semesters or the equivalent. If a student has exceeded the 12-semester maximum, he or she will lose eligibility for additional Pell grants. Equivalency is calculated by adding together the percentage of Pell eligibility that he or she received each year to determine whether the total amount exceeds 600%.

For example, if Bill's maximum Pell grant award amount for the 2017-18 school year was \$6,095, but he only received \$3,048 because he was only enrolled for one semester, he would have used 50% of his maximum award for that year. If during the following school year (2018-2019), he was to enroll three-quarter time for the entire year, he will use 75% of his maximum award for that year. Together, he will have received 125% out of the total 600% lifetime limit.

150% LIFETIME PELL GRANT ELIGIBILITY

To be eligible for additional Pell Grant funds, the student must be otherwise be eligible to receive Pell Grant funds for the payment period and must be enrolled at least half-time. The payment periods for which the student receives the additional Pell Grant funds in excess of 100% of the student's Pell Grant scheduled award. For example: A student who is eligible for additional Pell Grant funds, the institution must pay the student all of the student's eligible Pell Grant funds, up to 150% of the student's Pell Grant's scheduled award for the aid year.

FEDERAL SUPPLEMENTAL EDUCATION OPPORTUNITY GRANT (FSEOG)

MIXED Institute of Cosmetology Technical School has been initially approved to beginning participation in the FSEOG Campus based grant program effective July 1, 2019. Please contact the Financial Aid Office with any inquires.

WORK STUDY

FEDERAL WORK STUDY

We are currently not participating in the federal worst study program.

LOANS

Federal student loans are required by law to provide a range of flexible repayment options, including, but not limited to, income-based repayment, income-contingent repayment plans, and loan forgiveness benefits, which other student loans are not required to provide. Federal Direct Stafford loans are available to students regardless of income. Before taking out loans, students should visit the Department of Education's Federal Student Aid website at <http://studentaid.ed.gov/types/loans> to learn more.

SUBSIDIZED FEDERAL DIRECT STAFFORD LOAN

The Subsidized Federal Direct Stafford Loan program provides low interest loans through the U.S. Department of Education's Direct Loan Program. The maximum annual loan amount for undergraduate students is \$3,500 for the first academic year, less origination and other fees (if applicable). Beginning July 1, 2012, only undergraduate students are eligible for subsidized loan funding. The Federal government pays the interest while the student is in school, in-grace, and during deferment periods. Effective for loans disbursed on or after July 1, 2012, interest begins accruing on these loans when the student graduates or drops below half-time enrollment status. The minimum repayment amount is \$50 per month, but it may be greater depending on the amount borrowed. However, subsidized Federal Direct Stafford loans provide many flexible repayment plans as outlined in the loan counseling materials. Payments are based on the repayment plan selected by the student. For undergraduate subsidized loans first disbursed on or after 7/1/2017, the interest rate is fixed at 5.05%. Borrowers with other outstanding loans may be able to consolidate eligible loans and make only one monthly payment. Please refer to the loan entrance counseling materials found at <https://studentloans.gov/> for additional information.

UNSUBSIDIZED FEDERAL DIRECT STAFFORD LOAN

The Unsubsidized Federal Direct Stafford Loan program provides additional loan funding to students who do not qualify for a full Subsidized Stafford Loan or who need additional loan funding. The Federal government does not pay the interest on unsubsidized loans while the student is in school, in-grace, and during deferment periods. Student loan borrowers are responsible for all interest that accrues on the loan while in school, in-grace, and during deferment periods. The student may elect to make interest payments while in school to avoid the capitalization of interest and to lower the overall repayment debt. Typically loan repayment will begin six months after the student leaves school or attends less than half time. Undergraduate independent students can borrow up to \$9,500 (Subsidized and Unsubsidized combined) for the first academic year, of which no more than \$3,500 can be subsidized. Undergraduate dependent students can borrow up to \$5,500 (Subsidized and Unsubsidized combined) for the first academic year, of which no more than \$3,500 can be subsidized. Graduate students may borrow up to \$20,500 per academic year, depending on eligibility. For undergraduate unsubsidized loans first disbursed on or after 7/1/2017, the interest rate is fixed at 5.05%. For graduate unsubsidized loans first disbursed on or after 7/1/2017, the interest rate is fixed at 6.60%.

Please see the Financial Aid Administrator at the school to receive further information regarding the maximum Unsubsidized Federal Direct Stafford annual loan amounts for second or subsequent academic years.

PARENT PLUS FEDERAL LOAN

The Federal PLUS loan is a credit-based loan, available to parents who wish to apply for additional assistance for their dependent child's education. The amount of the PLUS loan cannot exceed the student's cost of attendance less other student aid awarded. PLUS loans through the Direct Loan Program first disbursed on or after 7/1/2017 will have a fixed interest rate of 7.60%. The first payment will be due within 60 days after the final loan disbursement. Payments will include both principal and accumulated interest.

PARENT PLUS MASTER PROMISSORY NOTE (PLUS MPN)

For parent PLUS loans made under the multi-year feature of the MPN, the regulations that govern the loan programs require the financial aid office at the school to document an active confirmation of parent PLUS loan funds via an estimated award letter. The confirmation process is to provide a means for the parent borrower to accept or decline a PLUS loan made for a student's subsequent academic year. This assists in providing the parent borrower with greater control and understanding of PLUS loan debt.

GRADUATE PLUS FEDERAL LOAN

Not available because we do not offer graduate-level degree programs.

STATE AND LOCAL AID, SCHOOL AID AND OTHER PRIVATE AID PROGRAMS

The school catalog, available on the schools' website, lists other aid programs which may be available such as State and Local Aid, School Aid, and other Private Aid programs to enrolled students. Students should review the school catalog and see the Financial Aid Office for additional information on current aid programs.

PRIVATE LOANS

Private loans may have fixed or variable interest rates. Private student loan lenders can offer variable interest rates that can increase or decrease over time, depending on market conditions. The interest rate on a private loan may depend on the borrower's credit rating. Private student loans have a range of interest rates and associated fees. Students should determine the interest rate of, and any fees associated with, a private student loan prior to accepting the loan as part of a financial aid award package. Questions regarding private student loans should be directed to the lender or to the school's Financial Aid Office.

APPLYING FOR FEDERAL STUDENT FINANCIAL AID

Each student interested in receiving financial assistance must submit the Free Application for Federal Student Aid (FAFSA) or provide a copy of the Student Aid Report (SAR) if the FAFSA was previously completed for the current award year. The Financial Aid Office will use the results of the FAFSA to determine the student's financial aid eligibility.

A student's application may be selected for a process known as verification. The verification process requires the school to validate certain information submitted on the FAFSA. The student will be required to submit supporting documentation. Financial assistance will not be awarded until the verification process has been completed. Students should refer to www.studentaid.ed.gov website, which is sponsored by the U.S. Department of Education, for more detailed information.

METHODS OF DISTRIBUTING AID AMONG STUDENTS

Students should visit the Financial Aid Office to determine which of the three methods described below is used at the school.

FEDERAL AID

Federal Aid is distributed to students who complete the Free Application for Federal Student Aid (FAFSA) and meet the eligibility criteria as further described within the application instructions. Students should visit

www.FAFSA.ed.gov or the financial aid office for an application.

STATE AID

State Aid is distributed to students who meet the eligibility criteria as described in the specific state aid program requirements. Students should visit the Financial Aid Office for additional information on available state aid programs.

INSTITUTIONAL AID (SCHOLARSHIPS)

The school may offer various types of scholarships to students enrolled in specific programs of study or who have met specific academic standards. The number of scholarship recipients varies from year to year depending on the funding available and the number of eligible applicants. For additional information on available institutional scholarships students should contact the Financial Aid Office at the school. Students are also encouraged to seek additional scholarship programs not administered or awarded by the school.

STATEMENT REGARDING CREDIT BALANCES

A Statement of Student Authorization of Title IV Credit Balances is provided to students by the Financial Aid Office after enrollment. Students and parents (of a dependent student applying for PLUS loans) review the statement, select the appropriate authorization categories, and provide the signed form to the Financial Aid Office. For continuing students who previously signed this statement, the initial authorization will continue to be valid for subsequent award years or enrollment periods. The authorization categories available for student/parent selection are as follows:

- Based on student's authorization, the school will retain any existing credit balance on the account to be applied to allowable future charges to assist students in managing those funds or to be disbursed at their request.
- In the event that funds are not requested prior to leaving the school, the student or parent can authorize the school to return the credit balance to the lender as prepayment of the student loan.
- The school will retain interest earned on the credit balance while the funds remain on the account.
- A student or parent may modify their authorization at any time by visiting the financial aid office and completing a new form.

TERMS AND CONDITIONS OF FEDERAL WORK STUDY EMPLOYMENT AS PART OF THE FINANCIAL AID PACKAGE

The Federal Work Study (FWS) program provides jobs to undergraduate and graduate students to assist them in meeting their educational expenses. To qualify for FWS program funds, the student must meet the eligibility requirements for Federal Student Aid. The amount of FWS for which a student is eligible depends upon:

- Degree of demonstrated financial need.
- Availability of FWS funds at the school.
- Availability of jobs and scheduling which do not conflict with the student's class schedule.

Federal Work Study jobs may be located on or off campus. The school may set the work schedule. The Financial Aid Administrator will take into consideration need, class schedule, health, and academic progress prior to arranging a job and assigning work hours. The school must inform the student of the terms and conditions of employment that are part of the financial aid package.

Undergraduate students will be paid on an hourly basis. They will be paid at least the current Federal minimum wage and at least once a month.

If FWS is part of the aid package, the student will receive notification via the job description and other notification which lists the amount of the award scheduled for the student.

TERMS AND CONDITIONS UNDER WHICH STUDENTS RECEIVE FEDERAL LOANS

The Federal loan programs provide funds to undergraduate and graduate students to assist them in meeting their educational expenses. To qualify for Federal Loan program funds, the student must meet the eligibility requirements for Federal Student Aid as well as the loan program specific terms and conditions specified below:

FEDERAL DIRECT LOAN

If eligibility is lost due to being enrolled less than half-time, a student can regain eligibility if enrolled at least half-time during a subsequent period of enrollment.
- A student who is borrowing a loan for the first time is required to participate in loan entrance counseling prior to the first disbursement of the loan. The first disbursement of a loan cannot be made earlier than 30 days after the start of the term or period of enrollment.

PERKINS LOAN (IF APPLICABLE)

Students should refer to the school catalog for determining whether Perkins loan funds are available at the institution.

- Undergraduate and graduate level students who demonstrate exceptional need (as defined by the school) have priority to available Perkins Loan funds.
- A student borrower who is in default on a Federal student loan is not eligible for Perkins loan funds unless eligibility is regained.
- Unlike the Direct Loan program, a student does not have to be enrolled at least half time to be eligible to receive a Perkins loan.

FINANCIAL AID LOAN MANAGEMENT

Each first-time student borrower is required to complete loan entrance counseling conducted individually, in a group, or online. The interview will include an explanation of the use of a Master Promissory Note (MPN), the importance of the repayment obligation, a description of the consequences of default, sample repayment schedules, information in reference to borrower's rights and responsibilities, as well as other terms and conditions.

Upcoming graduates, students who officially withdraw, or students who cease to attend at least half-time will be required to complete the exit counseling session. Students who leave school without attending an exit counseling session will receive an exit counseling package mailed by the campus. Exit counseling addresses topics such as the requirement to repay the loan, repayment plans, updating contact and demographic information, the consequences of default. Please see The Financial Aid Loan Exit Counseling section below for additional information.

LOAN REPAYMENT OBLIGATION AND REPAYMENT OPTIONS

Students who receive Federal student loans sign a Master Promissory Note (MPN) which states the student is obligated to repay the student loan funds regardless of the student's graduation, withdrawal from school, or inability to obtain employment.

The Federal Direct Stafford Loan program offers students many different repayment options. Students are responsible for selecting the appropriate payment plan to suit their needs. The school's Financial Aid Office is available to review the different repayment options. If at any time a student becomes delinquent on a loan, it is the student's responsibility to contact the school or lender to determine what options are available to the student.

NSLDS Student Access provides a centralized, integrated view of Federal Student Aid loans and grants so that recipients of funds from these programs can access and inquire about the Federal Student Aid loans and/or grant data. Once a student's data is reported to NSLDS, this site and all of the student's information contained within is accessible to Financial Aid Administrators, and guaranty agencies. FINANCIAL AID DEPARTMENT

Financial Aid personnel can answer questions and provide information about financial aid programs, the application process and related deadlines. Students can obtain loan and or grant applications from this department. Appointments are recommended.

POLICIES AND PROCEDURES – VERIFICATION

Once students complete and submit the Free Application for Federal Student Aid (FAFSA) to the Central Processing System (CPS), there is a possibility that the application will be selected for a process called “Verification”. This is an audit/review process in which the student’s school of choice will be required to conduct the review in order to determine the student’s aid eligibility. Generally, CPS will select the application for verification based on conflicting data, a change from the prior year or due to a random selection process. If the application is selected, an asterisk will appear on the Student Aid Report (SAR), next to the Expected Family Contribution (EFC).

However, the school’s Financial Aid Office also is authorized to “Institutionally” select applications for this review process in cases of conflicting information.

Although the school has the option of processing one Pell payment without verifying the application, this school does not take that option due to the risk of financial liability. MIXED Institute of Cosmetology & Barber verifies those applicants who are selected by the federal processor for Verification and those who have

conflicting information and comments. Students who are selected for verification by CPS or Institutionally Selected by the Financial Aid Office must submit the signed and completed verification forms and documents, along with the supporting documentation such as IRS Tax Return Transcripts, W-2 forms, etc.

Students are to be notified, in a timely manner, of all required documents to submit to the school. The verification process cannot begin and/or be completed until all required documents are submitted. The list below includes the verification items used when reviewing a student's verification process:

VERIFICATION ITEMS:

- Adjusted Gross Income (AGI) U.S. Income Tax Paid Education Credits Untaxed IRA distributions
- Untaxed Pensions
- IRA Deductions and Payments
- Tax-Exempt Interest Income Earned from Work Household Size
- Number in College Supplemental Nutrition Assistance Program (*SNAP, formerly food stamps*)
- Child Support Paid
- High School Completion Status
- Identity/Statement of Educational Purpose Verification Tracking Groups: V1, V3, V4, V5 & V6

V1: STANDARD VERIFICATION GROUP – TRACKING FLAG V1:

Students in this group must verify the following if they are tax filers: AGI, U.S. Income Tax Paid, Untaxed portions of IRA distributions, Untaxed portions of pensions, IRA deductions and payments, tax- exempt interest income, education credits, household size, number in college, SNAP, child support paid.

Students who are non-tax filers must verify the following: Income earned from work, household size, number in college, SNAP benefits, child support paid.

V4: CUSTOM VERIFICATION GROUP – TRACKING FLAG V4:

Students must verify high school completion status and identify/statement of educational purpose in addition to receipt of SNAP benefits and payment of child support.

Identify Verification – Students are asked to appear in person to present their valid Government issued photo ID (ex. Driver's License, State ID or Passport).

In the event the student is unable to appear in person, then he/she must appear before a notary with all required IDs and documents to have his/her identity or educational purpose confirmed.

V5: AGGREGATE VERIFICATION GROUP – TRACKING FLAG V5:

Students must verify high school completion status and identity/statement of educational purpose in addition to the items in the Standard Verification Group.

TIME PERIOD TO SUBMIT VERIFICATION DOCUMENTS:

Students are notified, in a timely manner, of all required documents to submit to the school. The verification process cannot begin and/or be completed until all required documents are submitted. Generally, from the time we send the student the initial notice; students are given (1) week for providing requested verification

documents, however, exceptions may be made on a case to case basis. If an extension is necessary, students may submit, in writing, for an extension to the deadline for submission of required documents.

CONSEQUENCES FOR FAILING TO SUBMIT DOCUMENTS IN TIME:

Documents not submitted timely could result in:

1. The student being responsible for paying his/her fees out of pocket.
2. The student cannot be processed for a Financial Aid award.
3. The student not being considered for a Financial Aid Deferment.
4. The program- year ending with the student having an outstanding balance with the school. This could result in late fees and the student's account being turned over to a collection agency.

MAKING CORRECTIONS TO THE FAFSA DATA

Once the student receives their SAR, they should review it for accuracy. If changes are needed, the student (and/or parents) should submit changes/corrections to the FAFSA online by using their PIN.

Once all verification documents are received by the Office of Student Financial Aid, the file will be reviewed for accuracy and completeness. Often times, corrections are required if the information indicated on the submitted documents does not match the FAFSA data. The Office of Student Financial Aid will submit corrections on the student's behalf. The corrections will be sent to the CPS via the Department of Education System. Generally, the corrected data is processed and received back in our office within 72 hours after corrected data is submitted.

An email is sent to the student informing him/her once the corrections have been returned. If no additional corrections are needed (pending the student have not also submitted corrections), and the student meets all necessary eligibility requirements, then an award will be processed.

IF THE STUDENTS EFC CHANGE AND STUDENT AID AMOUNTS CHANGE:

- In the event your EFC changes on an initial SAR, prior to the student being awarded, the award will be based on the last valid SAR transaction.
- If the EFC changes after the student have been awarded - the award must be cancelled.
- The file will be re-evaluated, and additional documentation may be requested from the student. Once that process is completed and pending the student meets all eligibility criteria, the student will be re-awarded based on the last valid SAR transaction and EFC.
- If the EFC changes occurred which caused a change to the Financial Aid award, the student will receive a revised Award Notification.

OFFICE OF INSPECTOR GENERAL (OIG)

Students and parents who willfully submit fraudulent information will be investigated to the furthest extent possible. All cases of fraud and abuse will be reported to the proper authorities (Central Processing Servicer (CPS), Judicial Services, IRS (if applicable), including the Office of Inspector General <https://oig.hhs.gov/>

4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

WITHDRAWAL AND SETTLEMENT POLICY

NOTICE OF STUDENTS RIGHTS AND OBLIGATIONS:

Student's right to cancel: An initial deposit is required prior to contracting. All funds paid will be returned if the student is rejected for enrollment. You have the right to cancel the agreement for a course of instruction, including any equipment such as books, materials and supplies or any other goods related to the instruction included in this agreement, until the end of the first class session, or the seventh day after enrollment, whichever is later. All monies paid designated for tuition will be refunded less the processing fee if the contract is cancelled within this timeframe.

The date by which you must cancel this contract and receive a refund of all monies paid designated for tuition less the processing fee will be stated on your enrollment agreement.

NOTE: *If a student withdraws, federal regulations may require that federal funds used to cover institutional expenses be returned to their respective program sources. Balances of unpaid charges are the responsibility of the student. If the student defaults on a loan guaranteed by the federal or state government, both the following may occur: The federal or state government or loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. The student may not be eligible for any other government financial assistance at another institution until the loan is repaid.*

Cancellation Procedure: Shall occur when you give written notice of cancellation at the institution's address. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is

effective when it is deposited in the mail properly addressed with prepaid postage (postmarked). The written notice of cancellation need not take any particular form, however expressed; it is effective if it shows that you no longer wish to be bound by the enrollment agreement. You can use any written notice that you may wish. You do not cancel the contract by just not attending classes.

Equipment Policy: If the school has given you any equipment which was stated as returnable when it was issued, you must return it to the school within 30 days following the date of your notice of cancellation or last date of attendance if no notice is given. If you fail to return this equipment, in as issued condition within the 30-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Beauty supplies, smocks and equipment are not returnable items due to sanitary reasons. Once you have received beauty equipment, its cost is charged to your account. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee, tuition and equipment received.

Refund Policy: *The School's cancelation, withdrawal and refund policy complies with the California Private Postsecondary Education Act of 2009 Article 13 Section 94919 and the NACCAS Withdrawal and Settlement Policy.* After the cancellation period, the institution provides a pro rata refund of nonfederal student financial aid program moneys paid for tuition charges to students who have completed 60 percent or less of the period of attendance. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid programs. Once more than 60 percent of the scheduled attendance has incurred, there will be no refund to the student. The \$100.00 registration fee is a non-refundable item. Equipment will be refunded in accordance with the Equipment Policy. Once received by the student it will belong to the student and will represent a liability to the student. The Schools Refund Policy applies to all terminations for any reason, by either party, including student decision, program cancellation, or school closure. If the school closes before you graduate, you may be entitled to a refund. Contact the address and phone number below for information.

If you have any complaints, questions, or problems which you cannot work out with the school, write or call the Bureau for Private Postsecondary Education at the address or phone number listed below. Read the Notice of Cancellation form for an explanation of your Cancellation rights and responsibilities. Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive STE 400, Sacramento, CA 95833, PO Box 980818, West Sacramento, CA 95798-0818, Phone: 1(888) 370-7589 Fax: (916) 263-1897 www.bppe.ca.gov. The School maintains evidence that institutional refunds are received by the recipient in a timely manner, such as a cancelled check, signed receipt of delivery, or documentation that funds were disposed of in accordance with applicable federal or state regulations.

Withdrawal from course: you have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, which is until the end of the first class session, or the seventh day after enrollment, whichever is later, the school will remit a refund within 45 days following your official cancellation or withdrawal. You are obligated to pay only for educational services rendered and equipment issued. The refund shall be the amount you paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. If you obtain equipment as specified in the agreement as a separate charge and return it in accordance with the Equipment Policy, the school shall refund the charge to you. If you fail to return the equipment in good condition within the 30-day period, the school may offset against the refund the documented cost to the school of that equipment. You shall be liable for the amount, if any, by which the documented cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount the school has charged in the contract. For a list of these charges, see addendum agreement. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will

be made within 45 days of the official or unofficial withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange to pay it. The official withdrawal date is the last day the student attended and will reflect on the student's notification or school's determination on the Return to Title IV calculations.

Hypothetical refund example according to the California State pro rata policy: Assume that a student, upon enrollment in a 1,600-hour course, pays \$6,800.00 for tuition, \$75.00 for registration, and

\$525.00, (documented cost to the school) for equipment as specified in the enrollment agreement and withdraws after 600 hours of scheduled attendance (this includes class days not attended by the student) without returning (in accordance with the Equipment Policy) the equipment they obtained. The pro rata refund to the student would be \$4,250.00 based on the calculation stated below. If the student returns the equipment (if it was returnable) in as issued condition within 30 days following his/her withdrawal, the school would refund the charge for the equipment returned.

Total paid	\$7,400.
Less processing fee (not refundable)	75.
Less cost of unreturnable equipment	525.
Equals amount paid for instruction	\$6,800.

Tuition cost	\$6,800.00
Hours in the course	1,600
Hourly charge	4.25

Paid for instruction	\$6,800.
Hours attended	600
Tuition owed 600 x \$4.25	\$2,550.
Refund due	\$4,250.

Additional VA Refund requirements: This school has and maintains a policy for the refund of the unused portion of tuition, fees and other charges in the event the veteran or eligible person fails to enter the course or withdraws or is discontinued therefrom at any time prior to completion. The amount charged to the veteran or eligible person for tuition, fees and other charges does not exceed the approximate pro-rata portion of the total charges for tuition, fees and other charges, that the length of the completed portion of the course should bear to its total length.

Note: The maximum non-refundable registration fee allowed by VA is \$10.00 for non-accredited courses.

****The cancellation, withdrawal and refund rights are also present in the enrollment agreement and signed by the student upon enrollment.***

RETURN OF TITLE IV FUNDS POLICY

The Federal Return of Title IV funds formula (R2T4) dictates the amount of Federal.

Title IV aid that must be returned to the federal government by the school and/or the student. The federal formula is applicable to an eligible student receiving federal aid when that student withdraws at any point during the payment period.

If a student did not start or begin attendance at the school, the R2T4 formula does not apply.

For official withdrawals a student's withdrawal date is the last day that the student attended classes.

Official Withdrawal Process: If a student wishes to withdraw from school, they must notify the Director of the school. The notification may be in writing or orally. The date the notification is received is the date of determination. The Director must begin the withdrawal process.

For unofficial withdrawals a student's withdrawal date at a school that is required to take attendance is their last day of physical attendance. Their date of determination is 14 days after they cease attendance.

The federal formula requires a Return of Title IV calculation if the student received or could have received (based on eligibility criteria) federal financial assistance in the form of Pell Grants, Direct Loans or Direct PLUS Loans, FSEOG, TEACH, and Iraq Afghanistan Service Grants (IASG) during the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. After the 60% point of the payment period (or period of enrollment depending on what your school uses) the student is considered to have earned 100% of the aid for the period. The percentage that has not been earned is calculated by subtracting the percentage of Title IV aid earned from 100%.

The percentage of the payment period completed is calculated by the hours scheduled in the payment period as of the withdrawal date divided by the scheduled hours in the payment period.

The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

If a credit balance still exists on the student's account after the R2T4 and institutional refund calculations are done, that credit balance must be used to pay any grant overpayment that exists based on the current withdrawal within 14 days from the date that the R2T4 (calculation was performed). The overpayment must be eliminated prior to offering a credit balance to a student.

The following Title IV return distribution is used for all FSA students.

1. Unsubsidized Direct Loan
2. Subsidized Direct Loan
3. Direct PLUS Loan (Parent)
4. Federal Pell Grant
5. Iraq Afghanistan Service Grant

Returns must be made as soon as possible to the federal programs but no later than 45 days after the date of determination. The law requires that a student is responsible for all unearned Title IV program assistance that the school is not required to return. This is determined by subtracting the amount returned by the school from the total amount of unearned Title IV funds to be returned.

STEP 2: Percentage of Title IV Aid Earned

Withdrawal date: 10 / 04 / 2019

H. Determine the percentage of the period completed:
Divide the clock hours scheduled to have been completed as of the withdrawal date in the period by the total clock hours in the period.

289	÷	450	=	64.22%
Hours scheduled to complete		Total hours in period		

If this percentage is greater than 60%, enter 100% in Box H and proceed to Step 3.
 If this percentage is less than or equal to 60%, enter that percentage in Box H, and proceed to Step 3.

H. 100 . %

STEP 3: Amount of Title IV Aid Earned by the Student

Multiply the percentage of Title IV aid earned (Box H) by the Total Title IV aid disbursed and that could have been disbursed for the period (Box G).

100 %	x	5801	=	I. \$ 5801 .
Box H		Box G		

STEP 4: Title IV Aid to be Disbursed or Returned

- ▶ If the amount in Box I is greater than the amount in Box E, go to Item J (Post-withdrawal disbursement).
- ▶ If the amount in Box I is less than the amount in Box E, go to Title IV aid to be returned (Item K).
- ▶ If the amounts in Box I and Box E are equal, **STOP**. No further action is necessary.

J. Post-withdrawal disbursement

From the Amount of Title IV aid earned by the student (Box I) subtract the Total Title IV aid disbursed for the period (Box E). This is the amount of the post-withdrawal disbursement.

	-		=	J. \$	
Box I		Box E			

If there's an entry for "J," **Stop here**, and enter the amount in Box 1 on Page 3 (Post-withdrawal disbursement tracking sheet).

K. Title IV aid to be returned

From the Total Title IV aid disbursed for the period (Box E) subtract the Amount of Title IV aid earned by the student (Box I). This is the amount of Title IV aid that must be returned.

	-		=	K. \$	
Box E		Box I			

You should use this format when the withdrawal date is on or after 7/1/2017.

When the total amount of the Title IV grant and/or loan assistance earned as of the withdrawal date is more than the amount that was disbursed to the student, the difference between the two amounts will be treated as a post-withdrawal disbursement.

Post-Withdrawal Disbursement of Grant Funds: A post-withdrawal disbursement of grant funds will be applied towards outstanding charges on the student's account and may pay up to the amount of the allowable charges (i.e., tuition and fees). Any remainder of grant aid will be paid to the student. The student will be notified within 30 days of the date of determination of withdrawal of the post-withdrawal disbursement. Student has 14 days from the date of notification to respond to college.

Post-Withdrawal Disbursement of Loan Funds: A post-withdrawal disbursement of loan funds may be paid if the student is eligible to receive the funds. The student (or parent if a PLUS loan) will be notified within 30 days of the date of determination of withdrawal of the opportunity to accept all or a part of the post-withdrawal disbursement. Upon receipt of a timely response from the student and/or parent (14 days from date of notification), MIXED will disburse the loan funds within 180 days of the date of determination of the student's withdrawal date. Loan funds will be applied towards the outstanding charges on the student's account ledger and may pay up to the amount of the allowable charges (i.e., tuition and fees). Any remainder will be paid directly to the student (or parent).

Note: There are some Title IV funds that a student was scheduled to receive that cannot be disbursed to the student once the student withdraws because of other eligibility requirements. For example, if a student is a first-time, first-year undergraduate student and has not completed the first 30 days of the program before withdrawing, the student will not receive any Direct Loan funds that would have been received if the student remained enrolled past the 30th day.

The College maintains the right to decide whether or not to make a post-withdrawal disbursement in the event that the student responds after 14 days of the date that the notification was sent. If the College decides not to make this post-withdrawal disbursement, it will inform the student in writing.

Treatment of Title IV credit balances when a student withdraws

In the event that a credit balance exists on the student's account after the R2T4 and institutional refund calculation are complete the school will use the credit balance 1st to pay any grant overpayment that may exist based on the current withdrawal within 14 days from the date that the R2T4 calculation was performed. If a credit balance still exists after paying the grant overpayment or if there is no grant overpayment the school will pay the student (or parent for a Direct PLUS loan) within 14 days of the date that the school performs the R2T4 calculations.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance.

The student would be determined to have withdrawn from school on the earliest of:

The date you notify the school administration of your intent to withdraw. Only administration is authorized to accept a notification of intent to withdraw.

Termination by Institution

Termination Policy-Termination of a student is defined as no longer receiving credit, either by voluntary withdraw, dismissal by the school as disciplinary action or failure to meet school regulations and financial requirements.

The following conduct will subject a student to termination:

1. Altering or forging timecards.
2. Causing extreme or willful disruption of school.
3. Use of ethnic, racial or sexual slurs, or abusive language toward any client, staff member or fellow student.

Students are required to report immediately and submit to medical testing. If a student refuses or doesn't immediately report to the testing facility, the student will be terminated. Student will not be allowed to return to school until the test results have been reviewed by the Administration and a decision is made.
10. Caused or attempted to cause damage to school or private property.

The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.

For CA Schools: If you are absent for a period of 14 consecutive calendar days and not on an approved LOA, you will be deemed a withdrawal, even if that was not your intent.

The date you failed to return as scheduled from an approved LOA. The withdrawal date shall be the last date of attendance. The determination date of withdrawal will be the scheduled date of return from LOA.

Collection Policy: Delinquent accounts could be assigned to collection agencies. Collection costs will be added to any outstanding balance. LEAVE OF ABSENCE

MIXED Institute of Cosmetology & Barber require any student requesting an LOA to follow the institution's policy:

Occasionally, students may experience extended personal, medical, Vacation, COVID-19, or other problems, which make it difficult to attend classes. The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program. Students over their contract end date may not be approved to take an LOA (per the discretion of MIXED Institute). Before the LOA is granted the School, Director must determine that there is a reasonable expectation that the student will return from the leave. The student must notify administration in advance in writing that he/she will be requesting a Leave of Absence unless unforeseen circumstances prevent you from doing so. The date of this notification will be the official request date. The request must include the starting and ending date of the leave of absence; the reason for the request; and include the student's signature. MIXED Institute may also grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if the institution documents the reason for its decision and collects the request from the student at a later date. In this circumstance the beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the accident. The LOA together with any additional leaves of absence must not exceed a total of 180 days within any 12-month period. Do not request a Leave of Absence unless you absolutely need to be off school for a period of more than 20 days but less than 180 days. MIXED Institute may not assess the student any additional institutional charges as a result of the LOA. Before the start of the leave of absence, students returning from an authorized LOA will retain all credit for clock hours and work projects completed and will return to the academic progress status they held. A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at this time. The institution will extend the student's contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties. Students who fail to return from a LOA will be considered dismissed as of the last class day of attendance. As of the same date, the loan repayment process will be initiated.

EXTENDED ABSENCE (NON-LOA)

A student not on an approved Leave of Absence must make contact with the school within 14 calendar days of last date of attendance. If you are absent for a period of 14 consecutive calendar days and not on an approved LOA, you will be deemed a withdrawal, even if that was not your intent.

WITHDRAWALS: INTERRUPTIONS, COURSE IN-COMPLETES

Course incomplete, repetitions and non- credit remedial courses have no effect upon the student's satisfactory academic progress. If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

STUDENT CLOCK HOUR POLICY

After clocking in, you are required to maintain applied effort. Applied effort means; you are to be engaged in assigned practice activities, self-study activities (authorized by your instructor), or in a class. In all cases, your activities while on the time clock must be related to training for your course of study.

ATTENDANCE STATUS

Full time: Any student scheduled to attend 25 hours or more per week are considered to be full-time students.

Part-time enrollment is defined as at least 16 but less than 25 hours per week. Less than 16 hours per week is less than half time. Half time enrollment requires a minimum of 12 hours per week.

SCHEDULE CHANGE

A student can request a schedule change; **switch from a full time to part time schedule or vice versa**. Every student signed an enrollment agreement before starting school. *Effective 4/1/2018* MIXED Institute will NOT allow students to take **mandatory days** (Saturday, Fridays, and Tuesday) off their agreed school schedule. Other Schedule changes may be made due to the following conditions:

- A. Conflict with schedule due to work, childcare/related problems.
- B. Health reasons (includes pregnancy)
- C. Moving out of area
- D. To meet State Board date (administration will determine effective date of schedule change)
 - A student may initiate the schedule change process by completing a Contract Schedule Change Form
 - There may be up to a 2-week waiting period when submitting a schedule change request.
 - One schedule change allowed per enrollment with an administrative **fee of only \$100.00 (Per Directors discretion)**
 - If additional schedule change is needed, students are to be charged an administrative **fee of \$100.00** per schedule change.

All schedule change requests require documentation and are subject to management approval and capacity restraints.

FAILURE TO COMPLETE COURSE AT SPECIFIED TIME

Should a student fail to complete the minimum number of hours and/or operations within the specified contract timeframe, all training may be stopped until the additional monies for training have been received.

RECORD KEEPING/CLOCK HOUR POLICY

The Board of Barbering and Cosmetology will only recognize time-clock hours of attendance, as a result of this requirement, this school can only give clock hour credit to students who record their attendance by using one of our distance training platforms or the timeclock located in the Millennium Salon Operation Software to clock in and out at the start and end of their class day and for the 30 minute lunch period. A computer with virtual timeclock will be available and all students will have their fingerprints recorded so that they can use the fingerprint scanner to clock in and out. **If a student is attending more than 6 total hours in a given day and that student does not clock in or out at lunch, 30 minutes for lunch will be deducted.** Student practice and theory hours are recorded daily on their weekly assigned time sheets and are posted to the school software management system on a weekly basis. At the completion of the day, your operations will be totaled and added to the column for that particular day. At the completion of the week, all operations for each requirement will be totaled along with the prior totals from previous weeks, and recorded by the student in the column titled "accumulated totals." The accumulated totals for operations and the total accumulated hours for the week will be used to prepare the students card for the following week. The total hours attended each day will be totaled and written in the space entitled "total hours for the week". This number will be added to their prior hours to calculate the new total number of hours for that student. The following week's card will be prepared on the final day of the previous week. Students are encouraged to take a picture of their weekly cards for their own records, and to assist in preparing the new weeks card, but they will also have access to the previous card to prepare their new week's card. The new card will be populated with the; previous total of operations and prior attendance hours. Time sheets are reviewed and signed by instructor daily then turned in at the end of the day. Attendance hours from the fingerprint scanner/time clock are downloaded to the Freedom student

management system weekly. Time audits will be performed by attendance personnel if discrepancies arise, or when requested by a student. Audits will compare the student's weekly cards with the data recorded in the Millennium time clock computer and Freedom student system to reconcile the most accurate totals possible.

Roll call is taken daily in the classroom area at the start of scheduled shift. Cumulative attendance hours are checked by Register Office on a weekly basis and recorded to the student academic file. Progress reports are released to student after each Satisfactory Academic Progress period on each program or at minimum two times during their program. After clocking in you are required to maintain applied effort. Adhere to personal grooming standards; refrain from leaving the building without permission. Reading and/ or watching streaming material not directly related to your training or assigned activity is not tolerated. If any of these scenarios occur, you will be asked to stop such activity or to punch out for the remainder of the day. Continued failure of this nature to stay on task could

TIMECARD CREDIT

The following is a guideline for the instructor to issue credits. Each Theory must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category. The portion of the timecard reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated. The portion of the timecard concerning operations is to be applied efforts of the students as they manually perform practical subject. Some practical operations may take longer to perform according to the student. Note: The following time frame is considered by The Board of Barbering & Cosmetology for each operation.

COSMETOLOGY SERVICES

Time Allotted Credits Awarded

Shampoo/set = 1 1/2 hours, Scalp Treatment = 1/2 to 1 hour Permanent Wave = 2 to 2 1/2 hours, Facial = 1 1/2 to 2 hours, Manicure = 1/2 hour Hair cut = 1/2 to 1 hour.

Using this scale, the Board would understandably not consider a student capable of performing more than three permanent waves per day.

BARBER SERVICES

Time Allotted Credits Awarded

Basic Shave= 1 hr. 15 min 1 Shave

Luxury Shave=1 hr. 30 min 1 Shave, 1 Rest Facial

Neck Shave= 15 min 1 Shave Rest Facial= 20 min 1 Rest Facial

Credits given will also apply to mannequin work, but it is based on the completeness of the style. All service times include a 15-minute consultation

SCHOOL RULES AND REGULATIONS

I. ATTENDANCE RULES & GUIDELINES

MIXED Institute of Cosmetology has no excused or unexcused absences. There are probably no factors more important to a student's progress than regular and punctual school attendance. At MIXED Institute of

Cosmetology & Barber we prepare our students for the work world. In order to do so we hold high standards for student attendance.

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule at all times. If a clock hour student does not maintain the 67% attendance, corrective action may be taken. Correction will be expected immediately and must be maintained. In order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements.

The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed. (See SAP Policy pg. 18)

III. TIMECARD RULES & REGULATIONS

At the MIXED Institute of Cosmetology & Barber, your clocked-in education hours are of high importance to your educational learning. The Timecard Rules & Regulations are designed in order to ensure that you receive credit for your time with us. All of the below items must be completed and legible on your timecard in order to receive full credit for the school week. Your timecard and procedure card cannot leave the facility. Your time and procedures will no longer be valid if your timecard leaves the facility.

Students must use their full legal name (first and given last name) must be included on your timecards; you may not use a nick-name. If attached separated documents, those must also have first and last name on the top of page.

The Student is required to get an instructor signature for each school day the student was present. If the signatures are not present, student will not get credit for those clocked hours. Each procedure you are listing on the back of the timecard must be signed off by your instructor immediately after it has been completed or you will not receive credit for that procedure. If student clocked in on a separate sheet, that must also have signatures.

Students are required to take a lunch if they're present at the school for more than six (6) hours per day. If a student fails to clock in-or-out for lunch, one (1) hour will be deducted from the days' total. If a student goes over the lunch duration, the time will be deducted from the days' total. If a student has a client and does not take a lunch, they must clearly write that on the front of their Timecard and have instructor initial to prevent a deduction.

Students are required to transfer over their hours and procedures at the end of their school day. If a student fails to transfer their hours or procedures, they **WILL NOT** receive credit for the week.

Definition of Clock Hours- A clock hour is defined as 50-60 minutes class, lecture, faculty- supervised laboratory, shop training or recitation in a 60-minute period.

TIMECARD POLICY

Students are required to keep an official Mixed Institute timecard that is to be updated daily with clock in and out times, clock in and out times for lunch, and a record of that days completed operations. Operations must be signed off by designated MIXED Institute Staff on the day in which they were performed in order for operations to be valid and for the student to get credit.

Students are responsible for totaling operations at the end of each day and totaling out their weekly and accumulated hours at the end of each week. Timecards are to be turned in at the end of

each day and will be collected for the week by 5pm on Saturday afternoons. Lost or missing timecards are the responsibility of the students. Students are strongly encouraged to take regular pictures of their cards as a

backup in case they misplace or lose their card. Cards are not to be taken home EVER. If a card is taken home before the operations have been signed off, the operations and hours may not be credited towards graduation.

Once cards are collected, they will be used to verify the student's fingerprint time clock punches, and to track the accumulation of required operations towards graduation. Students may request an audit of their operations and hours at any time, at which point a review of their computer record and timecard record will be performed. The results of the audit will be presented to the student when completed as an attachment to their daily timecard.

If a student does not have a timecard for a given period, MIXED Institute reserves the right to grant that student their contracted hours for that day, provided attendance for that day can be proven by roll sheet or other method.

The total for hours and operations stored in the schools Freedom software is the permanent and official record of each student's time and work completed at MIXED Institute. The timecard is merely a means of verifying the computer record. If there is a discrepancy in the computer record timecards may be used to augment or correct the computer record as needed. Students must accurately total their daily, weekly, and accumulated timecards to ensure the most accurate record possible. In the event that a student claims to have a discrepancy with their student record, but does not have an accurately maintained timecard, the school reserves the right to consider only the computer record in determining that students' progress towards graduation.

Timecards will be collected on Saturdays and entered into the system the following Tuesday morning. Any incomplete timecards will be given back to students on Tuesday morning as incomplete. Students will have until 12 noon on their first day back during the week to make the necessary corrections to their timecard and resubmit to their instructor. Any timecards not submitted by noon will be voided, and students will not receive credit. Late timecards, Cards taken home, or cards brought back to school the next week are voided as are all information on them. Students can expect for the hours totals and operations totals to be updated in the computer once all card information has been processed. Students may request to view old timecards for the sake of reviewing information only. No information may be added to timecards after they have been collected. All sanctioned additional training events will need to be tracked on the timecard and accompanied by written proof and an instructor approval to count towards graduation. Additional training hours/operations that are not approved, or properly documented will not be considered.

Each student has a responsibility to make sure that all required operations and hours are completed prior to graduation. Graduation may not occur if a student has fewer than the required number of operations and hours for their prospective Program.

Upon confirmation of any act of sexual harassment, action will be taken immediately to remedy the situation. MIXED Institute of Cosmetology & Barber will take all reasonable steps necessary to prevent harassment from occurring.

SCHOOL POLICY ON DISCRIMINATORY HARASSMENT

1. Discriminatory harassment is physical, verbal or nonverbal conduct directed at a person because of his or her race, color, national origin, sex (gender), religion, disability, age, veteran status, genetic information or any other protected status and that is so severe, persistent or pervasive that the conduct:
 2. Affects a person’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile or offensive educational environment;
 3. Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance or an employee’s work performance; or
 4. Otherwise adversely affects a person’s educational or employment opportunities.
5. Examples of prohibited harassment include, but are not limited to, offensive or derogatory comments, jokes or slurs because of the individual’s protected status or because of the individual’s need for an accommodation based on disability or religion; actions that are designed to humiliate or embarrass; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property when motivated by the individual’s protected status.

COMPLAINT PROCESS

Students may use this procedure to file a complaint against another a student, a College employee, College contractors or third parties who are visiting the College or participating in a College activity.

A student may, at any time, personally approach the individual whose conduct is offensive, unwelcome or intimidating and request that such conduct stop. However, if this action is not feasible or unsuccessful, or if a student feels uncomfortable taking this approach, the student may seek an informal or formal resolution at any time. No student is ever required to make a report to the person who is engaging in discrimination or harassment.

A student may seek resolution or general information about this complaint procedure by contacting any member of staff or Discrimination Prevention Team. (Robert Brown and/or Carnette Burnett)

WHERE TO FILE THE COMPLAINT

Complaints alleging misconduct by a student, employee or campus visitor shall be filed with any owner or the school director who addresses student concerns. To ensure that all student complaints are properly processed, any staff/owner who receives a complaint under this procedure shall promptly notify a member of the Discrimination Prevention Team in writing.

FORMAL COMPLAINT PROCESS

Although students may file a complaint at any time, the College encourages students to report their concerns as soon as possible after the alleged incident(s) so that prompt action can be taken to investigate and resolve the complaint. A delay in reporting may result in a loss of evidence or witness availability. Students are encouraged to file complaints ASAP.

Content of complaint: Students are encouraged to submit written complaints that describe all incident(s) or action(s) considered by the reporting party to be harassing, discriminatory, or violent. Reporting parties should provide the following information:

- Contact information, including address, telephone and email;
- Name of person(s) directly responsible for alleged violation(s);
- Date(s) and place(s) of alleged violations;
- Nature of alleged violation(s);
- Detailed description of the specific conduct that is the basis of alleged violation(s);
- Copies of documents, emails, text messages, photos or other physical evidence pertaining to the alleged violation(s);
- Names of any witnesses to alleged violation(s);
- Action requested to resolve the situation;
- Reporting party's signature and date of filing; and
- Any other relevant information.
- The student's failure to provide a written complaint or to provide the information requested above may adversely impact the ability of the College to conduct a complete and thorough investigation and may limit the College's ability to take appropriate corrective action.

PROCESSING THE COMPLAINT

The Discrimination Prevention Team will evaluate the complaint to determine whether it is covered by this procedure. A formal investigation will be initiated if a complaint is within the scope of this policy and articulates sufficient specific facts, which if determined to be true, would support a finding that the College's policy was violated. The College may decline to process a complaint under a variety of circumstances, including (i) the complaint is vague and does not describe conduct covered by this procedure; (ii) the student declines to cooperate in the College's investigation; or (iii) the complaint has been withdrawn or the requested remedy has already been implemented or was offered and rejected. If the College declines to process a complaint pursuant to this procedure, the College shall send the student a written notification explaining the reasons.

If the College proceeds with a complaint investigation, the Discrimination Prevention Team shall determine whether interim action is needed pending completion of an investigation (e.g., a no-contact order, temporary reassignment or suspension). MIXED Institute will be impartial while investigating the complaint.

The investigator typically will be the Discrimination Prevention Team or one of the MIXED Institute owners. In some instances, an outside entity and MIXED Institute DPT will conduct the investigation together.

MIXED Institute of Cosmetology & Barber shall notify the reporting party and the respondent of the name and contact information of the investigator(s). The respondent shall receive written notice of the allegations and shall be informed of his or her right to submit a written response to the allegations within 10 school days, unless unusual circumstances warrant additional time. The written notice shall inform the respondent that retaliation against the reporting party is prohibited and may result in disciplinary action.

INVESTIGATING THE COMPLAINT

Barring unusual circumstances (e.g., multiple reporting parties, a complaint filed the day before a holiday), the investigation ordinarily will be completed within 30 calendar days. The investigator shall interview the reporting party, the respondent and other individuals determined by the investigator to possess relevant information. The reporting party and the respondent each will be permitted to provide documentation or other tangible evidence to the investigator.

The investigator shall prepare a written report that summarizes the findings and states whether a preponderance of the evidence establishes a violation of the College's policies. The investigator will consider the totality of circumstances, including the context and duration of the conduct and its severity. Facts will be considered on the basis of what is reasonable to persons of ordinary sensitivity. The findings shall be submitted to both the reporting party(s) and the respondent at the end of the investigation.

The Discrimination Prevention Team (*furthermore known in the document as DPT*) will permit the respondent and the reporting party to review the findings. Student information, if confidential by law, will be removed. The respondent and the reporting party will each have 10 working days to provide comments and suggested corrections to the DPT. After receiving the comments from the parties (or if no comments are submitted), the DPT will confer with MIXED Ownership group to discuss the findings and to review the investigation record. The Ownership group shall determine whether additional investigation is needed; whether to dismiss the complaint due to insufficient evidence; or whether to proceed with a disciplinary consequence or other corrective action. The action shall be reasonably calculated to prevent a re-occurrence of the misconduct and/or improve the learning environment.

The Discrimination Prevention Team's final determination shall be sent to the respondent, the reporting party, and Mixed, Inc. Board of Directors. The final determination may be redacted to protect student information that is confidential by law under the Family Educational Rights & Privacy Act. All deadlines in this procedure may be extended by mutual agreement or for good cause.

RETALIATION PROHIBITED

Every student has the right to file a complaint or to participate in an investigation without being subjected to retaliation. Retaliation is an adverse action taken by an employee or student against an individual who makes a good faith report of discrimination, harassment or sexual misconduct or who participates in an investigation pertaining to a complaint of discrimination, harassment or sexual misconduct. For an action or decision to be considered adverse, it must be materially adverse and be of the type that would dissuade a reasonable person from exercising his or her rights to file a complaint or to participate in an investigation. Unlawful retaliation does not include petty slights or annoyances. Any employee or student who engages in retaliation may be subject to disciplinary action.

REVIEW AND APPEALS

If the investigation does not result in the assignment of disciplinary consequences against the respondent, the reporting party may submit a written appeal to the Mixed, Inc. Board of Directors. The DPT shall provide written notice to the respondent of the appeal. The Mixed, Inc. Board of Directors shall review the record and issue a written response within 20 school days. A copy of the response shall be provided to both parties.

If the respondent is a student and is proposed for discipline (expulsion, or suspension), he or she may request an appeal to challenge the charge and the sanction with the DPT. If the student desires to challenge the sanction but not the charge, then the student may request an appeal with the DPT. The Mixed Inc. Board of Directors shall review the records and issue a written response within 20 school days. A copy of the response shall be given to all parties. If the respondent is an employee and is assigned a disciplinary consequence, he or she may

seek review with the DPT. The Mixed, Inc. Board of Directors shall review the record and issue a written response within 10 school days.

EMERGENCY RESPONSE ACTIONS

FIRE, GAS LEAK, BOMB THREAT, CHEMICAL OR HAZARDOUS WASTE SPILL, EXPLOSION

At the sound of the fire alarm or in-class announcement:

- Everyone **will** evacuate the building according to the school evacuation plan.
- Follow instructions from supervisors, fire department, or the police
- Help those needing assistance to move from the area
- Do not re-enter the building until authorized to do so by emergency personnel

EARTHQUAKE

If indoors:

- DROP to the ground; take COVER by getting under a sturdy table or other piece of furniture and HOLD ON until the shaking stops. If there isn't a table or desk near you, cover your face and head with your arms and crouch in an inside corner of the building.
- Stay away from glass, windows, outside doors and walls, and anything that could fall, such as lighting fixtures or furniture.
- Use a doorway for shelter only if it is in close proximity to you and if you know it is a strongly supported, load bearing doorway.
- Stay inside until the shaking stops and it is safe to go outside. (Research has shown that most injuries occur when people inside buildings attempt to move to a different location inside the building or try to leave.)
- Be aware that the electricity may go out or the sprinkler systems or fire alarms may turn on.
- If outdoors:
- Stay there.
- Move away from buildings, streetlights, and utility wires.
- Once in the open, stay there until the shaking stops. The greatest danger exists directly outside buildings, at exits and alongside exterior walls. (Many fatalities from earthquakes *occur when people run outside of buildings only to be killed by falling debris from collapsing walls. Ground movement during an earthquake is seldom the direct cause of death or injury. Most earthquake-related casualties result from collapsing walls, flying glass, and falling objects.*)

ARMED INTRUDER/TERRORIST INCIDENT

- Call Public Safety –911.
- In case of an immediate life-threatening event, each individual should take whatever actions are necessary to protect his or her own life.
- If it is possible to flee the area safely and avoid danger, do so.
- If flight is impossible, lock (or barricade) all doors and secure yourself in a safe area.
- Remain in place until an “all clear” is given by an authorized person or law enforcement official

CAMPUS DISTURBANCE/RIOTING

- Administration will determine the level of emergency and call 911.
- Urge students to calm down, encourage students to leave area.
- Diffuse disruptive situations by using distraction techniques (whistle, yell, bull-horn, etc.).
- Identify and isolate the major participants.

- Move students involved in disturbance to an isolated area.
- Document situation

CAMPUS SAFETY AND SECURITY POLICY

Campus Security Act Disclosure Form - The Campus Security Act (Public Law 102-26) requires postsecondary institutions to disclose the number of instances in which certain specific types of crimes have occurred in any building or on any property owned or controlled by this institution which is used for activities related to the educational purpose of the institution and/or any building or property owned or controlled by student organizations recognized by this institution.

1. All students and employees are required to report any crime or emergency to any institutional official (Instructor, admin, or owner) promptly. If a student or employee wishes to report a crime on a voluntary or confidential basis, an institutional official will be prepared to record and report the crime, but not the name of the informant. In order to remain anonymous, the student or employee may submit his information in writing without a signature to the institutional official. If confidentiality is not an issue, the student or employee will contact the institutional official who will then contact the nearest supervisor to report criminal actions or emergencies to the appropriate agency by calling 911.
2. Only students, employees and other parties having business with this institution should be on institutional property. Surveillance cameras are placed throughout the facility and are active during all hours of the day and night. When the school closes for the night, an official will lock all doors and set the security alarm. Other individuals, students, or employees present on institutional property at any time without the expressed permission of appropriate institutional official(s) shall be viewed as trespassing and may also be subject to a fine and/or arrest.
3. Though this institution does not offer regularly scheduled crime awareness or prevention programs, students are encouraged to exercise proper care in seeing to their personal safety and the safety of others. The institution is not responsible for any lost or stolen items. The following is a description of policies, rules and programs designed to inform students and employees about the prevention of crimes on campus:
 - A. Do not leave personal property unattended in any classrooms or on the clinic floor.
 - B. Report any suspicious persons to an institutional official.
 - C. Always try to walk in groups outside and around the school premises.
 - D. When waiting for a ride, wait indoors or within sight of other people.
 - E. Employees, staff, and faculty will close and lock all doors, and turn off lights when leaving the school.
 - F. The "Crime Awareness and Campus Security Act" is available upon request to students, employees and prospective students.
 - G. The school has no formal program, other than orientation, that disseminates this information. All information is available upon request.
 - H. Information regarding any crimes committed on the campus or parking lot will be available and posted in a conspicuous place within two (2) business days after the reporting of the crime and be available for sixty (60) business days during normal business hours, unless the disclosure is prohibited by law, would jeopardize the confidentiality of the victim or an ongoing criminal investigation, would jeopardize the safety of an individual, would cause a suspect to flee or evade detection, or would result in the destruction of evidence. Once the reason for the lack of disclosure is no longer in force, the institution must disclose the information. If there is a request for information that is older than sixty (60) days, that information must be available within two (2) business days of the request.
4. Campus law enforcement/security policies are as follows:

- A. The institution's officials have no powers of arrest other than the Citizens Arrest Law, and are required to call our security (**California Patrol Operations 916-995-6489**) or dial **911** in the event of a crime. The Citizens Arrest Law will be invoked only as a last resort, and after all other possibilities have been explored.
 - B. The institution encourages both its students and employees to immediately report suspected criminal activity or other emergencies to the nearest available institutional official and/or in the event of emergency to directly contact local law enforcement or other emergency response agencies by dialing 911.
 - C. The institution currently has no procedures for encouraging or facilitating pastoral or professional counseling, other than that the student or employee is encouraged to seek such aid and may utilize sources on the posted Counseling Hotlines.
5. The institution does not permit the sale, possession or consumption of alcoholic beverages on school property and adheres to and enforces to all state underage-drinking laws. This institution also does not permit the possession, use or sale of illegal drugs by its employees and students and adheres to and enforces all state and Federal drug laws. The violation of these policies by students or employees may result in expulsion, termination and/or arrest. Information concerning drug and alcohol abuse education programs is included in this catalog.
 6. Sexual offenses/assaults on campus will be reported immediately to the school's official. The person who was victimized will be encouraged to seek counseling at a rape crisis center and to maintain all physical evidence until such a time as that person can be properly transported to a hospital or rape crisis center for proper treatment. This institution has zero tolerance for such assault.
 7. All incidents shall be recorded in the institution's "Incident Report" at the institutional official's office. The log includes the date, time, location, incident reported, and disposition of incident and the name of the person who took the report. The report must be entered in the log within two (2) business days of being reported to the school's official, unless that disclosure is prohibited by law or would endanger the confidentiality of the victim.

HEALTH & SAFETY

Many harsh chemicals, hot tools and sharp instruments are used in the beauty & barbering industry. Some of these chemicals may cause skin irritations and or allergies. Improper Use of tools can cause severe wrist injuries, such as cramping of the hands or carpal tunnel syndrome. Proper shoe support and good posture is essential in Cosmetology. Without proper support and good posture severe lower back pain may occur. All of the same injuries can occur to Estheticians, Manicurists and Barbers.

PHYSICAL REQUIREMENTS OF THE INDUSTRY

Physical ability plays an important role in all fields of Cosmetology, Barbering, and Manicuring in how many hours an individual may work. Beauty industry professionals must have endurance to remain standing for long periods of time, with the ability to work with their hands raised.

Cosmetologists & barbers spend about 80% of their time standing, 5% sitting, 5% stooping and 10% bending. The majority of that time their hands are usually raised at shoulder height or just below their shoulders. Estheticians spend 70% of their time sitting, 15% standing, 5% stooping, and 10% bending. The majority of the time their hands are working below the shoulder. For manicurists, their day consists of 70% sitting, 2% standing, 2% stooping, and 26% bending. Their hands are usually kept below shoulder height. Student Cosmetologists & Barbers spend 30% sitting, 30% standing, 30% bending.

Students should be able to meet the physical demands of the education.

EMPLOYMENT OPPORTUNITIES

The salon industry employs over 1,700,000 people nationally, about half of whom are full time cosmetologists. While these professionals tend to move around in the industry, there were more vacated positions in 2006 than well-prepared entrants to fill the positions. A sizable number of employees (27% percent) leave each year, with plans to open their own salon, work from their home, or rent a booth and become independent contractors. This suggests that the industry provides options to start one's own business.
