Cost of Educational Program

Total charges for the program for students completing on time in **2020: \$10,085.50** Total charges may be higher for students that do not complete on time.

Total charges for the program for students completing on time in **2021: \$10,090.50.** Total charges may be higher for students that do not complete on time.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Federal Student Loan Debt

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 20XX/XY receiving federal student loans to pay for this program.	The percentage of graduates in 20XX/XY who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 20XX/XY graduates who took out federal student loans at this institution.
2020	0	0	0	0
2021	0	0	0	0

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who canceled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year

Electrology Program – 600-Clock hours

Institution Code: 81739512

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

“STUDENT’S RIGHT TO CANCEL”

You have the right to cancel your Agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro-rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance.

Cancellation of this agreement can occur up to _____ (Official use only)
Date

1. Cancellation may occur when the student provides written notice of cancellation to Randa Thurman, CPE, Director or Robert F. Von Essen, CPE, Asst. Director at the following address:
Monterey Bay Institute of Electrology, 444 Pearl Street | Suite B-1 | Monterey, CA 93940.
Delivery of the notice can be done by mail or by hand delivery.
2. If sent by mail, the written notice of cancellation is valid when deposited in the mail and adequately addressed with proper postage.
3. The written notice of cancellation need not take any form and, however expressed; it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
4. If the Enrollment Agreement is canceled, the school will refund the student any money he/she paid, less a registration or administration fee not to exceed \$250.00, and less any deduction for equipment not returned in good condition within 45 days of withdrawal. The student's textbooks, tools, and supplies issued and accepted are non-refundable if used or removed from its original packaging.

It is important that you keep copies of the enrollment agreement, financial papers, receipts, or any other information that documents the monies paid to the Institute.
