Students who fail to login to online zoom classes for roll call by 5 minutes after the hour will not be allowed to join the meeting until the next available hour. (late defined as 5 minutes) (Citrus Heights Beauty College time clocks are synchronized with a SMART time server using fingerprint to clock In & Out on campus) It is the student's responsibility to clock In & Out. If the student forgets to clock In, the student will NOT receive credit for the hours not clocked In. Students who are in school for 6 hours or more are required to take a 30-minute lunch break and are required to clock Out & back In from the lunch break. If a student misses 3 days (or hour's equivalent to 3 days) of Freshman class, students will be dropped from the program and re-enrollment for the next class will be discussed on an individual basis with the Administration. This institution does not have an excused/unexcused policy. Our policy is, for every 160 hours of enrollment a student will receive 7 hours of available missed time. If an absence results in 14 calendar days with no communication with the institution the student will be terminated. Instructors are not allowed to dismiss a student; such dismissals are to be sanctioned only by the administrators of the school. Excessive tardiness or absences can result in enrollment termination

## MAKEUP HOURS

Students that call in/email regarding an absence prior to clock in time are eligible for on campus make up hours. Students who fail to give notice regarding their absence are ineligible.

- A request to make up hours that are missed on a student's regular schedule can be submitted to the Admissions office. ### SATISFACTORY ACADEMIC PROGRESS POLICY

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled in all NACCAS approved programs and schedules at Citrus Heights Beauty College. It is printed in the school catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the Federal regulations established by the United States Department of Education.

Evaluation Periods (based on COMPLETED HOURS):

<b>COSMETOLOGY</b>	450 Actual Hours	900 Actual Hours	1250 Actual Hours
<b>ESTHETICIAN</b>	300 Actual Hours	600 Actual Hours	
<b>MANICURIST</b>	200 Actual Hours	400 Actual Hours	

Practical Evaluation Periods will be scheduled at the same hours, based upon a cumulative GPA of written & practical exams

**ATTENDANCE PROGRESS EVALUATIONS:**

Students are required to attend a minimum 75% of the hours possible based on the applicable attendance scheduled in order to be considered maintaining satisfactory academic progress. Evaluations are conducted at the end of each evaluation period to determine if the student had met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of scheduled hours. At the end of each evaluation period, the school will determine if the student has maintained at least 75% cumulative attendance since the beginning of the program which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

**MAXIMUM TIME FRAME:**

The maximum time frame (which does not exceed 133% of the program length) allowed for students to complete their program at Satisfactory Academic Progress is stated below:

COURSE	COURSE HOURS	MAXIMUM WEEKS	MAXIMUM SCHEDULED HOURS
Cosmetology	1600 (full time 28 hours per week)	76 weeks	2128
Esthetician	600 (full time 28 hours per week)	29 weeks	798
Manicurist	400 (full time 24 hours per week)	23 weeks	532

Veteran Benefits will be paid for 100% of approved program length only.

**Academic Progress Evaluations**

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated.

At least 2 comprehensive practical evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must makeup failed or missed tests. At each evaluation point, the students' cumulative grade average is calculated and will include grades reached in the following manner:

92 – 100%	EXCELLENT	PASSING
84 - 91%	VERY GOOD	PASSING
75 - 83%	SATISFACTORY	PASSING
74% AND BELOW	UNSATISFACTORY	NOT PASSING

**RETAKES/RESCHEDULED/REVIEW TESTS/INCOMPLETE GRADES**

Any missed course work or unfinished course work will be given a (0) for incomplete grade and must be made up. Tests must be retaken until at least 75% test score has been achieved. Missed tests and retakes must be scheduled with instructors (retakes can be done in the time set up with MindTap until the time is up) Tests must be taken and completed with at least a passing grade of 75% to graduate. An incomplete grade, course work repetition and non-credit work will be in the student's cumulative grade.

**DETERMINATION OF PROGRESS STATUS**

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students deemed not maintaining Satisfactory Progress may have Title IV funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation. Citrus Heights Beauty College is required to notify students of any evaluation that impacts the students' eligibility for financial aid. Students over the max time frame for course completion will not be eligible for Title IV funding.

**WARNING**

Students who fail to meet the minimum requirements for attendance or academic progress will be placed on warning until the next evaluation point and are making Satisfactory Academic Progress and will still be eligible for Title IV funding during the warning period. The student will be advised in writing on the actions required to attain Satisfactory Academic Progress. If at the end of the evaluation period, the student still has not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

## PROBATION

Students who fail to meet minimum requirements for attendance and academic progress after the warning period will be placed on probation and considered to be making Satisfactory Academic Progress during the probationary period. If the student prevails upon appeal (see Appeal Procedure below). In order to be placed on probation students must have the ability to meet the Satisfactory Academic Progress Policy standards or an established academic plan by the end of the evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain Satisfactory Academic Progress by the next evaluation point. If at the end of the probation period the student has still not met both the attendance and academic requirements for Satisfactory Academic Progress or by the academic plan he/she will be determined as NOT making Satisfactory Academic Progress and is applicable students will be deemed NOT eligible to receive Title IV funds and Veteran Benefits and enrollment may be terminated.

## APPEAL PROCEDURE

If a student is determined to not be making Satisfactory Academic Progress, the student may appeal the determination within (10) calendar days of the determination. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstances. The student must submit a written appeal to the school including what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within (30) calendar days. The appeal and decision documents will be retained in the students file. If the student prevails upon appeal, the Satisfactory Academic Progress determination will be reversed and Federal Financial Aid will be reinstated, if applicable.

## RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish Satisfactory Academic Progress and Title IV Aid, as applicable, by minimum attendance and academic requirements by the end of the warning period or probation period.

## TRANSFER HOURS

With regard to Satisfactory Academic Progress student accepted transfer hours will be counted both attempted and earned hours for the purpose of determining the allowable maximum time frame has been exhausted. SAP periods are based on ACTUAL contracted hours at the institution.

## PROGRESS REPORTS

Students will receive a progress report at the time of each evaluation indicating their overall progress. The progress report will indicate their progress in theory, practice and attendance on a cumulative basis. All students are required to sign and date the original progress report which will be maintained in their life. State Fund Financial Aid programs have satisfactory academic progress policies that must be maintained in addition to the above. If the students are receiving funds from those sources, the individual agency funding the student will inform the student of their requirements.

## LEAVE OF ABSENCE INTERRUPTIONS, COURSE INCOMPLETES & WITHDRAWS & REPETITIONS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the Leave of Absence. Hours elapsed during a Leave of Absence will extend the students contract period and maximum time frame by the same number of days taken in the Leave of Absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of their program and wish to re-enroll will return in the same Satisfactory Academic Progress statuses at the time of withdrawal. Course incompletes, repetitions and non-remedial courses are not applicable to this institution's form of instruction.

## GRADING POLICY – ALL PROGRAMS

1. Written Exams and/or completed projects

**CANCELLATION/WITHDRAW AND REFUND POLICY – CONTINUED**

If a course is cancelled after instruction has begun the institution shall provide completion of the course.

An institution that participates in the federal student financial aid programs complies with this article by complying with applicable regulations of the federal student financial aid programs under Title IV of the Federal Higher Education Act of 1965. A pro rata refund pursuant to the California Private Postsecondary Education Act of 2009, section 94919(c) or section 94927 of the code, and shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows:

The amount owed equals the hourly charge for the program (total institutional charge, divided by the number of hours in the program), multiplied by the number of hours a student attended, or was scheduled to attend, prior to withdrawal. All amounts paid by the student in excess of what is owed as calculated shall be refunded. The refund does not include the non-refundable items that are not included in the tuition price: an application fee of \$100.00, Student Tuition Recovery Fund (\$0.00 per \$1,000.00 of institutional charges), and books and kit costs received.

The refund policy allows for pro rata up to 60 percent of the program (period of attendance) and once the student completes over 60% of attendance, the student owes full tuition. Payment schedules for tuition debt may be arranged between the Student and Citrus Heights Beauty College.

Below is an example of a pro rata refund for the Cosmetology Program: The amount listed is the amount a school may retain based on the percentage of actual hours the student has completed in the program.

100% Tuition Amount	10%	25%	50%	60%	61%-100 %
\$14,800.00	\$1,480.00	\$5,910.00	\$7,400.00	\$8,880.00	\$14,800.00

You are obligated to pay only for educational services rendered and for unreturned equipment.

### RETURN TO TITLE IV POLICY (R2T4)

For first-time students receiving Title IV Funding I, a RETURN OF FEDERAL FUNDS calculation will be made first and then the institutional policy for a refund will be calculated. The calculation is based on Federal Financial Aid earned and the number of hours completed in the payment period (up to 60% of the payment period requires a refund to Federal Financial Aid Programs; After 60%, no refund is due); i.e. for Cosmetology 0-450, 451-900, 901-1250, and 1251-1600 hours; and for Esthetician 0-300, and 301-600 hours, students are responsible for any outstanding balance owed to Citrus Heights Beauty College.

- Refunds for each payment are exact pro-rata based upon scheduled hours as required by Federal Regulations. Once a student has reached over 60% of the scheduled hours in each payment period (see above), scheduled hours will be used to determine the percentage of Federal Aid that must be returned.
- Return of Title IV Policy is completed first. Once a student has passed the 60% of the payment period in Scheduled hours then they have earned 100% of their FA for that payment period AND the school will use their institutional Refund Policy.
- The effective date of termination will be the date Citrus Heights Beauty College receives written notice of the Student's intention to terminate from the institute or the date the student violates published school policy that provides termination.

All refunds due to the student will be made within 30 days after the effective date of termination or cancellation.

Federal Return to Title IV Funds will be made in the following order:

- a. Direct Unsubsidized Loans
- b. Direct Subsidized Loans
- c. PLUS Loans
- d. Federal Pell Grant

Federal Pell Grants are available for qualifying students to assist them with their educational costs. The Federal Pell Grant is a need-based aid program in which an eligible recipient does not have to repay the funds received.

### DIRECT LOANS: (Subsidized/Unsubsidized/PLUS)

The Subsidized Direct Loan is a need-based program. This means that a student must show financial need in order to qualify. Loan repayment will begin six months from the students last date of attendance. Minimum payments are \$50.00 a month.

The Unsubsidized Direct Loan is a non-need-based loan. The interest begins to accrue on the unsubsidized loan once a disbursement has been made. The student has the choice of paying the interest while in school or deferring the interest until six months from the students last date of attendance. Loan repayment will begin six months from the students last date of attendance. Minimum payments are \$50.00 a month.

Parent Loan Program (PLUS) is for a dependent student's parent. IN ADDITION, loan minimum payments are determined by the loan amount/. Payments for the PLUS loan may be postponed for six months after the dependent student completes the program of study.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

## IN-SCHOOL-PAYMENTS

## VOCATIONAL REHABILITATION

## DISCIPLINARY COUNSELING

When a student needs to be counseled for disciplinary problems the following procedures are entailed:

1. Students are brought into the school office to discuss the situation or problem. A consultation report is filled out by one of the following, instructor, administrator or the director and the student explaining the reason for the counseling and any comments made. At this time a written warning may be issued. If the student is under the age of 18 a parent or guardian will be contacted immediately.
2. If discussion and written warning are not respected, students may be clocked out and sent home for the day or for a three-day suspension.
3. If disciplinary problems persist after these steps, the school may terminate the student from the course.
4. Some offenses may require immediate action such as suspension or dismissal.

\*Any Physical or verbal confrontation or fights will result in suspension and/or immediate dismissal from school from both parties involved.

## GRIEVANCE POLICY

The grievance policy is contained in The School's catalog which is issued prior to students' enrollment. If you have a problem with an individual, try to resolve the matter with that person. If the problem cannot be resolved, our Office Administration can act as a buffer so both parties may discuss their problems calmly and with a third party to assist in resolving the matter. If needed, the problem may be taken up with the Director. This chain of command permits the proper flow of information and allows the system to function more effectively. This produces more positive results, rapid action/reaction and consistency.

Formal grievances may be filed (forms can be obtained from the Office) by following these steps:

1. All grievances must be in writing using any form you prefer and describe in detail any allegation that may be affecting your education.
2. The grievance must be submitted within (5) five business days to Office Administration/Director from the date that the incident occurred.
3. The Office Administration/Director will evaluate the grievance within 5-10 business days and submit a written response back to you.
4. Should the student disagree with the decision of the Office Administration/Director, an appeal must be filed within 5-10 business days. The institution will provide the student with a written response detailing the reason for the rejection.

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling toll free (888) 370-7589 or by completing a complaint form, which can be obtained on the bureau's internet website [www.bppe.ca.gov](http://www.bppe.ca.gov).

- Emergency response shall in all instances be guided by the following objectives and principles:
  - Protection of the life and safety of all members of our college community (students, patrons and staff)

The Clery Act requires that each institution choose a standard of evidence that they will use in their disciplinary proceedings arising from allegations of dating violence, domestic violence, sexual assault or stalking. This institution will use "clear and convincing evidence" as its standard of evidence for disciplinary proceedings. A medium level of burden of proof which is more rigorous standard to meet than the preponderance of the evidence standard, but a less rigorous standard to meet than providing evidence beyond a reasonable doubt. In order to meet the standard and prove something by clear and convincing evidence, a party must prove that it is substantially more likely than not that it is true. This standard is employed in both civil and criminal trials.

## Kit and Books No Return Policy

At the start of the program books and kit are issued to those students purchasing them from the school. Once the kit and books are received the student is responsible for the total amount due. If for any reason the student is terminated or withdraws from the program, they can return only their textbook or workbooks that are in brand new condition if it is within 20 days of their withdrawal date. There cannot be any visible damage such as torn pages, bent corners, scratches on the cover or written in anywhere.

The kit is a sanitary item and once it is opened it cannot be returned for any reason.

Per the terms listed above the student will be charged full price for their kit and any unreturnable books upon termination or withdrawal from this program. Therefore, the unreturnable items will also be excluded from the R2T4 step 5 prorated cost of attendance.

Effective  
07/01/2018

**Exceptions:** Excludable costs are costs a school may exclude from the total amount of institutional costs, such as the documented cost of unreturnable equipment and documented cost of returnable equipment if not returned in good condition within 20 days of withdrawal.

Returning equipment

If a school can substantiate that its return policies are reasonable, consistent, and fair to all students, and students are notified in writing of those policies when they enroll, the school may exclude documented costs for non returnable equipment and returnable equipment if not returned in good condition within 20 days of withdrawal. A policy that classifies all used books or equipment as nonreturnable is not reasonable or fair. An acceptable policy must specify the circumstances that would prevent the school from selling the books or equipment to other students.
