Admission Requirements

Academic Transfer of Credit Policy

All entering students must arrange to have original transcripts sent to UOR. These arrangements are to be made at the time of the student's application. Upon receipt of these transcripts of high school completion, the Director of Enrollment (with advice from the Academic Dean if needed) will review the documents and make the assessment of the transferability of each course appearing on the transcripts. The maximum credits allowed for transfer towards an ESL program are 5. The following items will be used in the review:

1. Minimal acceptable grade point average of 2.0.
2. Accreditation of the sending institution (credit will not be denied solely because of the accreditation status of the student's previous institution).
3. Types of course that will be considered include any courses offered outside of an institutional setting, such as those offered by the military, in the workplace, through apprenticeship and/or training programs, or other such programs recognized by the American Council on Education's Center for Adult Learning and Education Credentials programs.
4. Credit earned through examinations such as the ACT Proficiency Examination Program (PEP), the College Board's Advanced Placement (AP) program and College-Level Examination Program (CLEP), the Defense Activity for Non-Traditional Education Support (DANTES) Subject Standardized Testing (DSST), widely accepted industry certification, or institution-developed tests.
5. Credits less than 7 years old.
6. Credits comparable to the program content of the program in which the student will enroll.
7. Documentation should include all proof possible, e.g., transcript, catalog, syllabi, or course outlines.

Documentation Requirements

Individuals must file an application with the application fee made payable to this institution. All entering students must review program requirements. To be admitted to a program, the applicant must arrange to

have official transcripts sent to the Registrar's office. Applicants will be advised, in writing, of any deficiencies in transfer units that must be remedied. A proposed remedy will be sent to the student, in writing, to assist the student through the application and admission process. As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement. University of Riverside requires that the doctoral degree program be completed in no fewer than two years from the date of initial enrollment or no more than ten years from the date of initial enrollment.

Transcripts

Transcripts in English: Transcripts, one from each college attended. Transcripts must be sent directly from the institutions you have attended directly to the Admissions Office of University of Riverside. The transcripts become college property and will not be copied or released to other institutions. The processing of your application is contingent upon our receipt of required transcripts. Transcripts received from applicants who do not enroll within one year of their application date or who send transcripts but do not subsequently enroll will thereafter be destroyed unless the applicant maintains communication with this institution that indicates the applicant's continuing plan to enroll. In no event will transcripts be held for more than two years from the date of receipt of the documents. Said documents will be shredded prior to disposal.

Transcripts Not in English: Transcripts that are not in English must be accompanied by an official English translation. Many institutions will be able to accommodate your request to have your transcripts issued in English. If your school is unable to issue official transcripts in English, you have a two options:

(1) You can ask your institution to have the transcripts translated into English and notarized. Then have the institution send those documents directly to us in a sealed, preferably signed envelope. If the institution will only release the verification to you, please request that they seal it in an envelope so that you can forward that envelope directly to the University of Riverside; DO NOT open the envelope as that will void the verification. The documents must be received in their original sealed envelope to be considered official.

(2) You can submit your transcripts to a translation service. The translation service can then send those documents directly to us in a sealed, preferably signed envelope. If they send the translation to you, it must be forwarded to us in its original sealed state. Again, DO NOT open the envelope as that will void the translation; the documents must be sealed to be considered official. You should also request that an official copy (in your native language) be sent from your university to us so that we can compare the original to the translation.

Academic Policies and Procedures

As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement.

Academic Freedom

This institution is committed to assuring full academic freedom to faculty. Confident in the qualifications and expertise of its faculty members, the college encourages its faculty members to exercise their individual judgments regarding the content of the assigned courses, organization of topics and instructional methods, providing only that these judgments are made within the context of the course descriptions as currently published, and providing that the instructional methods are those officially sanctioned by the institution using methods for which the college has received oversight approval.

This institution's administration believes that the most important diversity that can accrue to the benefit of students is the diversity of thought that results from free discussion, the open expression of view-points and opinions on the subject matter at hand, and the diversity of thought that results from the free exercise of research and original thinking in the academic fields related to the institution's course offerings.

Therefore, this institution encourages instructors and students to engage in discussion and dialog. Students and faculty members alike are encouraged to freely express views, however controversial, as long as they believe it would advance understanding in their specialized discipline or disciplines.

Articulation Agreements

This institution has not entered into an articulation or transfer agreement with any other college or university.

Ability to Benefit Students

This institution does not admit ATB students.

Special notice of Financial Status

This institution has not had a pending petition in bankruptcy, is not operating as a debtor in possession and has not filed a bankruptcy petition within the last five years. It has not had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under chapter 11 of the United States Bankruptcy Code

Semester Credit Units

Semester units are used to measure course credit. A semester unit is defined as a minimum of 15 contact hours of instruction. Additional time must be invested by the student to assure appropriate preparation for

interaction with classmates and instructors and the research, reading and other work required to properly complete educational assignments.

Attendance Policy

This institution's policy on attendance is based on the premise that regular communication between the teacher and the student and also, among students themselves, has significant value in the learning process. Students must check in to their online classroom and have interaction in the discussion board with a minimum of 2 posts per week to count as having attended that week of class. If the student does not post at least a minimum of 2 responses each week, they will be considered absent.

Students are allowed to be absent for no more than one week per five/six week course. Failure to meet this requirement will result in a drop from the course.

*International and Hybrid students must meet the above requirements as well as a **mandatory** face to face meeting with their instructor for the first and last week of each course. Students who fail to meet this requirement and who are under an I-20 can potentially lose their status immediately.*

Allowances for interruptions in communications with instructors due to illness or personal emergency will be handled on a case-by-case basis between the student and instructor. Students are encouraged to use email to keep instructors fully informed of such circumstances. Arrangements to make up work missed and return to an agreed schedule should be initiated by the student and established with the instructor. If you are unable to stay on schedule due to unusual circumstances, please attempt to seek an accommodation from your instructor, and, if required, seek an official leave of absence.

Leaves of Absence – Drop Policy

Should circumstances be such that a leave of absence is to be requested, a student must submit an application for a leave of absence to the office of the Academic Dean. At his/her discretion, a leave may be granted for a reasonable time, as warranted by the circumstances. If a student repeatedly resorts to the use of a leave of absence, and if such applications show a pattern of delays, or should the issuance of a leave of absence be such that it would significantly interfere with the planned completion of a program of study, the Academic Dean may, in his/her sole discretion, dismiss a student from the program and issue the appropriate refunds as may be required. A student may drop at any time for any reason by notifying the administrative office, in writing.

Transferability of Units and Degrees Earned at This School

Students wishing to transfer credits to another institution for further work should first consult with that institution before enrolling with this institution or any other college or university. Neither state approval nor accreditation will guarantee acceptability of credits for transfer.

Grades and Standards for Student Achievement

Grades are awarded on a traditional letter grade scale (A, A-, B+, B, ...F). The minimum passing grade is a D-. The minimum allowable grade point average to maintain satisfactory progress is a C or 2.0 GPA for bachelor and 3.0 GPA for masters and doctorate level degrees.

In calculating a student's grade point average, the following policy applies:

A	4.0 Grade Points	A-	3.67 Grade Points
B+	3.33 Grade points	B	3.0 Grade Points
B-	2.67 Grade Points	C+	2.33 Grade Points

C	2.0 Grade Points	C-	1.67 Grade points
D+	1.33 Grade Points	D	1.0 Grade Point
D-	0.67 Grade Points	F	0.00 Grade Points

If the student has not completed the coursework and earned a grade at the end of the course, the instructor may issue one of the following grades:

I Incomplete If the course has not been completed, the instructor may grant an I on a two-month extension of the term, at no additional tuition cost, when the student is making satisfactory progress and the instructor believes that an extension of time will permit satisfactory completion. At the end of this period, a final grade must be recorded.

W Withdraw The student may withdraw from any course before the end of the term. At the end of the term, the instructor may withdraw the student from the course and issue a W when the instructor believes the student's progress is insufficient to warrant an extension. A student who withdraws or is administratively withdrawn must retake the course and is responsible for a new tuition payment for that course of study.

Academic Probation

The Chief Academic Officer may place a student on academic probation if the student is not making satisfactory academic progress as per this institution's published policy. The student's grade point average will be monitored at the end of each enrollment period when the grades are posted. Should the GPA fall below that required for graduation, a student may be placed on academic probation. This will result in a formal advisory, which will be sent to the student, indicating the reason for the probation. Failure to maintain satisfactory academic progress may result in dismissal from the program.

Student Services

Academic Advisement

There are a limited number of issues that a student will encounter since the course requirements are clearly presented in the institution's catalog. The primary issue will be which electives to select. However a mentor will be assigned to every new student who can help in understanding the requirements.

Student Rights - Grievance Procedures

Students have a right to be treated fairly and ethically in all matters and transactions with this institution; therefore, this institution is dedicated to fair dealing and professional conduct. Should any student have a complaint, the student is asked to discuss the matter directly with an instructor or administrator. That instructor or administrator will engage in an informal process endeavoring to settle the dispute in good faith. That informal process will involve three steps: (1) an effort to define the problem, (2) an effort to identify acceptable options for resolution, and (3) an attempt to resolve the conflict through the application of one or more of those options for resolution. The student may thereafter choose to file a written complaint directly with the institution's Chief Academic Officer who will work to resolve the matter. The Chief Academic Officer is the individual designated to resolve student complaints. That individual will investigate all formal (written) complaints, endeavor to resolve all such complaints, and record an entry into the institution's official log. The formal process will involve (1) the student's submission of a written description of the specific allegations and the desired remedy accompanied by any available documentary items within 60 days after the beginning date of the term following that in which the dispute(s) occurred or are alleged to have occurred, (2) the student may terminate the formal process should, in the interim, the informal process produce a satisfactory resolution, (3) the Chief Academic

Officer will notify all parties involved of the receipt and nature of the grievance, (4) a timeline for resolution will be delivered to the principals by the Chief Academic Officer, (5) interested parties will communicate with the CAO in order to make recommendations to resolve the grievance, and (6) the party responsible for implementing the selected method of resolution will notify the principals of the decision reached. In the event that a student does not agree to the resolution proposed, the student retains the right to file a complaint with the Bureau for Private Postsecondary and Education 1747 N Market Blvd #225, Sacramento CA 95834. (888) 370-7589.

Should you find, upon your review, that there are records that are inaccurate or misleading, you may request that errors be corrected. In the event that a difference of opinion exists regarding the existence of errors, you may ask that a meeting be held to resolve the matter. It is our intent to carefully follow the rules applicable under the Family Education Rights and Privacy Act.
