## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

**STUDENT'S RIGHT TO CANCEL**

**STUDENT'S RIGHT TO CANCEL:** ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus an admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For withdrawal, any textbooks, equipment, or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: \_\_\_\_\_.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

**STUDENT'S RIGHT TO CANCEL**

**STUDENT'S RIGHT TO CANCEL:** ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on 08/21/2020. As of 08/31/2025, two full years of data for this program will be available.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on 08/21/2020. As of 08/31/2025, two full years of data for this program will be available.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

**STUDENT'S RIGHT TO CANCEL**

**STUDENT'S RIGHT TO CANCEL: CANCELLATION, WITHDRAWAL, AND REFUND POLICY:** The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. If a student cancels during the cancellation period the student receives a full refund less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250). Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. If the student chooses to leave the program after the cancellation period, this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. If after the cancellation period (seven days after enrollment or the first class session, whichever is later) a student decides to leave, the refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund. After 60 percent of the course has been completed there is no refund. For withdrawal, any textbooks, equipment, or supplies must be returned in unused condition to receive a refund. The school will refund any money paid, less application fee and other non-refundable fees within 45 days after the notice is received. The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: \_\_\_\_\_.

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. <sup>1</sup>	The percentage of enrolled students in 20XX/XY receiving federal student loans to pay for this program.	The percentage of graduates in 20XX/XY who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 20XX/XY graduates who took out federal student loans at this institution.
2021				
2022				

<sup>1</sup>The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

**STUDENT'S RIGHT TO CANCEL**

**STUDENT'S RIGHT TO CANCEL: CANCELLATION, WITHDRAWAL, AND REFUND POLICY:** The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation up through the end of the first day the student receives a full refund minus non-refundable amounts. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the first day of class, if the student chooses to leave the program this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. If the withdrawal occurs during a period of attendance, then the refund policy for students who have completed 60 percent or less of the period of attendance is a pro rata refund. After 60 percent of the course has been completed there is no refund. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. The school will refund any money paid, less application/registration fee and other non-refundable fees within 45 days after the notice is received. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: \_\_\_\_\_.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

**STUDENT'S RIGHT TO CANCEL**

**STUDENT'S RIGHT TO CANCEL:** ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. ## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- 
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
  - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
  - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
  - “Salary” is as reported by graduate or graduate’s employer.
  - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

**STUDENT'S RIGHT TO CANCEL**

**STUDENT'S RIGHT TO CANCEL:** ALTERNATIVE CE CANCELLATION, WITHDRAWAL, AND REFUND POLICY: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made up to 72 hours prior to the start date. Refund requests will be honored when made prior to 72 hours of the course start time minus any non-refundable charge. The school will refund any money paid, less non-refundable fees within 15 days after the notice is received. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the class has started, if the student chooses to leave the course this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. For courses longer than 12 hours or taught over more than one class day, students withdrawing on or before hour 12 or before the second class day, shall be granted either a 50% refund (minus a \$20 admin fee) of tuition charges, or for students wishing to reschedule the course at a later date, a credit for all charges paid. GMEC will honor the credit for a period not to exceed 12 months. Students who withdraw from courses shorter than 12 instructional hours or courses taught within a single class day, are not eligible for a refund of charges paid. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on 08/21/2020. As of 08/31/2025, two full years of data for this program will be available.

## Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

**STUDENT'S RIGHT TO CANCEL**

**STUDENT'S RIGHT TO CANCEL: CANCELLATION, WITHDRAWAL, AND REFUND POLICY:** The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation up through the end of the first day the student receives a full refund minus non-refundable amounts. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the first day of class, if the student chooses to leave the program this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. If the withdrawal occurs during a period of attendance, then the refund policy for students who have completed 60 percent or less of the period of attendance is a pro rata refund. After 60 percent of the course has been completed there is no refund. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. The school will refund any money paid, less application/registration fee and other non-refundable fees within 45 days after the notice is received. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. **Federal Student Loan Debt**

Calendar Year(s)	Most recent three year cohort default rate, as reported by the United State Department of Education. <sup>1</sup>	The percentage of enrolled students in 20XX/XY receiving federal student loans to pay for this program.	The percentage of graduates in 20XX/XY who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 20XX/XY graduates who took out federal student loans at this institution.
2021				
2022				

<sup>1</sup>The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

-----This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on 01/28/2019. As of 01/28/2023, two full years of data for this program will be available.

### Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

**STUDENT'S RIGHT TO CANCEL**

**STUDENT'S RIGHT TO CANCEL: CANCELLATION, WITHDRAWAL, AND REFUND POLICY:** The student has the right to cancel the enrollment agreement and obtain a refund of charges paid if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation up through the end of the first day the student receives a full refund minus non-refundable amounts. Cancellation occurs when the student notifies the administration in writing with a request to cancel from the school by email to admin@genesismec.com. After the first day of class, if the student chooses to leave the program this is a withdrawal. Withdrawal occurs when the student notifies the administration in writing with a request to withdraw from the school by email to admin@genesismec.com. If the withdrawal occurs during a period of attendance, then the refund policy for students who have completed 60 percent or less of the period of attendance is a pro rata refund. After 60 percent of the course has been completed there is no refund. For both cancellation and withdrawal, any textbooks, equipment or supplies must be returned in unused condition to receive a refund. The school will refund any money paid, less application/registration fee and other non-refundable fees within 45 days after the notice is received. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. The date by which the student must exercise his or her right to cancel or withdraw, and the refund policy is: \_\_\_\_\_.
