MISSION STATEMENT

California Beauty College's mission is to inspire students by providing a quality education that prepares each graduate for employment while serving their communities.

VISION STATEMENT

Our vision is to provide an unprecedented education through innovative learning that prepares our students for lifelong success and elevates the industry standard.

EDUCATIONAL OBJECTIVES

Our objective is to provide each enrolled student with a high quality education, in an environment conducive to attaining all the basic skills to pass the state licensing exam and to become employable in the cosmetology field. Upon completing the course of study the graduate student should be able to function effectively and gain entry level employment in one of the many specialty areas such as: Hair Stylist, Hair Colorist, Manicurist, Make-Up Artist, Esthetician, or as a Beauty Salon Operator. Normal progression should move him or her to positions such as Beauty Salon Manager, Beauty Salon Owner, Cosmetology Teacher, Supervisor, Director, or School Owner.

Students will be introduced and provided structured instruction in a modern learning environment. Under these conditions, students acquire hands-on experience and the knowledge and techniques needed to successfully complete their program of study. Students are encouraged to utilize the resource library, which can supplement their learning experience. Our school simulates salon conditions to help our students "learn-by-doing", with modern equipment and a variety of supplies that help enhance the student's product knowledge. Our objective is to help the student become "salon-ready" for an entry level position in a salon.

California Beauty College's faculty provides theory and practical lessons in the classroom and in the clinic. This core staff is supplemented on a regular basis through the use of guest artists, lecturers, and trainers with proven expertise from virtually all cosmetology, manicuring, massage, and skin care professions.

LANGUAGE PROFICIENCY REQUIREMENT

CALIFORNIA BEAUTY COLLEGE does not provide English language services. All courses are conducted in either English or Vietnamese. It is required that all applicants demonstrate English or Vietnamese language proficiency during their interview with admission personnel. Candidates will be judged on their ability to speak each language proficiently. Though it should be obvious whether a student has sufficient

comprehension of the language, in certain circumstances where there may be sufficient doubt, the school will reserve the right to require an applicant to take the following tests:

English: Test of English as a foreign language (TOEFL) exam. In such instances the applicant will be required to present documentation of a score no less than that recommended by the test publisher to represent a good command of the English language. A minimum score of no less than 550 will be accepted.

Vietnamese: Assessment from American Council on the Teaching of Foreign Languages (ACTFL). Prospective students will have to get certified with the ACTFL Oral Proficiency Interview (OPI) which measures their ability to speak in Vietnamese with a Certified ACTFL Tester. An OPI is requested on the Interagency Language Roundtable (ILR) scale ILR. OPI will rate between ILR 0 (No Proficiency) and ILR 5 (Functionally Native). Applicants will need to score at least a ILR of 2 in both speaking and reading to be accepted.

HYBRID ONLINE COURSE INSTRUCTION

CALIFORNIA BEAUTY COLLEGE provides hybrid online learning for both English and Vietnamese courses in Cosmetology, Barbering, Esthetician, Manicuring 400, Manicuring 600.

Under the hybrid online course instruction, delivery of instruction in which some traditional face-to-face contact hours are replaced with converged learning. There is an attendance expectation and students can choose to attend class face-to-face or using real-time synchronous video conferencing technology. All exam and quizzes are completed face-to-face with mandatory, on-campus attendance.

Students are required to complete a questionnaire to determine whether each student has the skills to succeed in a distance education environment.

Zoom is recorded and attendance is taken on Zoom the moment the students log on. Student attendance is measured the same way as if they were in person:

Students will be given up to a 15-minute grace period once classes start. After 15 minutes, students are deducted 30 minutes for every 15 minutes the student is late. A thirty (30) minute lunch break shall be taken when a student attends more than 6 hours a day. If attending 6 hours or less and desire to take a lunch break (30 minutes), then the half hour must be deducted from the daily total. If attending 8 hours or more, 2 (30 minutes) breaks are required. At the completion of the day, the daily hours and operations earned are recorded by the teacher.

A secondary approved school administrator (school director, ect) will confirm all attendance through recorded lectures. Cameras will need to be turned on and students are to be active (meaning they will need to be actively listening) while in class or will forfeit their hours.

Students are required to turn in the week's student lessons, projects, and homework by the end of the week on Friday, when they are required mandatory attendance in class. Students that do not turn in assignments by that Friday will get a 0 for that assignment. Late submissions will be allowed by the teacher with adequate approval.

Teachers have 1 week to provide feedback and corrections. Faculty are required to answer students during school hours as soon as they can, no more than 24 hours. Faculty are also available in person for questions on assignments on Fridays during school hours.

Attendance for lectures are **MANDATORY**. Students are still required to attend class and attendance will be recorded.

If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

ACADEMIC POLICIES

PROGRESS POLICY

Considering the varied capabilities of individual students, some may progress from one phase of training to another at a more rapid pace. However, all students must satisfactorily complete all subject matters prior to graduation unless credit has been allowed for previous training or experience in a particular subject area. Successful graduates will be awarded an appropriate diploma upon completion of their training program.

SATISFACTORY ACADEMIC PROGRESS POLICY/STANDARDS FOR ACADEMIC ACHIEVEMENT

This institution expects all its students to maintain Satisfactory Academic Progress as established by this institution. This policy applies to students enrolled in any course at the institution, regardless of attendance status (part-time or full time). The student must:

1. Maintain a cumulative academic average of "C" (70%) or better as a qualitative factor to determine academic performance using grades, and/or work projects completed, and/or comparable factors measurable against a norm.
2. Maintain a cumulative average attendance level of at least two-thirds (2/3) (67%) of the scheduled hours indicated on their enrollment contract as a quantitative factor. For example, a student scheduled to complete 30 hours per week would have to maintain an average weekly attendance of at least 20 hours per week ($2/3 \times 30 = 20$).
3. Complete the course within 150% of course length as defined in the enrollment agreement.

4. Evaluation periods are done at least by midpoint of the academic year or program for all students, whichever comes earlier.
5. Students who meet minimum requirements are considered making satisfactory academic progress until their next scheduled evaluation.
6. Only students who maintain satisfactory academic progress are eligible to receive Title IV assistance.
7. A student's successful course completion percentage is based on the number of successfully completed credit hours divided by the cumulative number of credit hours attempted by the student.

EVALUATION PERIODS

Students enrolled in the Barbering, Esthetician, Manicuring, and Cosmetology programs are evaluated two (2) times, at the point at which 50% of the program is completed and the point at which 90% of the program is completed.

Example: For the 600 hour Esthetician course, the student will be evaluated at the point where 300 hours and 540 hours of instruction have been completed.

Students enrolled in the Cosmetology program are evaluated four (4) times during their course of instruction. These evaluations occur at the points at which 25%, 50%, 75%, and 90% of the program is completed. **Example:** For the 1600 clock hour Cosmetology program, a student will be evaluated at the point in which the student reaches 400, 800, 1200, and 1440 clock hours.

Student evaluations are maintained in the student's file and are accessible to the student upon request.

ACADEMIC PROBATION

Students who are not considered to be meeting minimum standards for Satisfactory Academic Progress will first be put on warning status. The student remains eligible to receive aid during the warning period.

Failure to meet satisfactory academic progress by the next evaluation period will result in the student being placed on Academic Probation. The student must provide a written appeal and demonstrate that they will be able to reach Satisfactory Academic Progress by the end of the probationary period. Students remain eligible to receive aid during the probation period but will be considered to be on academic/attendance probation. Probationary students who fail to meet Satisfactory Academic Progress by the conclusion of the probationary period will be deemed not to be making satisfactory academic/and or attendance progress, will lose any remaining eligibility for student financial aid, and may be terminated at the discretion of the institution. Students who lose financial aid must become cash paying.

In the event such students are allowed to continue with instruction, aid eligibility will be reinstated only after the student has reestablished Satisfactory Academic Progress in accordance with the attendance and grading standards.

In the event a student is terminated due to not making satisfactory academic progress, all policies regarding the institution's refund policy will apply. Warning and probationary students who meet Satisfactory Academic Progress by the conclusion of the warning/probationary period will be removed

from academic warning/probation and will retain eligibility for the Title IV aid. Students will be notified of any evaluation that impacts the student's eligibility for financial aid.

APPEAL PROCEDURES

Students who wish to appeal the decision that they are not making satisfactory academic progress must submit a written request to the institution's administrator. The letter should be received within (5) days of the determination and must describe any circumstances related to the student's academic standing which the student believes deserves special consideration, such as a death of a relative or an injury or illness. The letter should also document why the student failed to make satisfactory academic progress and what has changed in the student's situation that will allow the achievement of satisfactory academic progress at the next evaluation.

The administrator shall evaluate the appeal within a reasonable time frame (5-10 days) and notify the student in writing of the administrator's decision. Should the student's appeal be denied, he or she may appear before a school committee to present his or her case. The committee shall provide a written notice to the student of its decision within a reasonable time frame (5-10 days). The decision of the committee shall be final. Students that prevail upon the appeal process, re-entering the program after an interruption of training, or having re-established satisfactory academic progress, and determined as making satisfactory academic progress will be re-entered in the program and financial aid funds will be retroactive for eligible students who have displayed satisfactory academic progress within the evaluation probationary period time frame. All records of the student's appeal will remain documented in the student's file.

LEAVE OF ABSENCE

Occasionally, students may experience extended personal, medical or other problems which make it difficult to attend class. The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program for up to two (2) ninety day (90) periods, not to exceed 180 days. Each LOA must be a minimum of 14 days. The LOA must be requested in writing by the student and must be approved by school official. The LOA request form must be filled out and the date of leave and return must be stated on the form prior to the school official approving the LOA. Do not request a Leave of Absence unless you absolutely need one. Under no circumstances can the school grant more than two (2) LOA within a 12 month period unless approved by the School Director. Students on LOA's will not be assessed any additional charges of tuition. Students returning from an authorized LOA will retain all credit for clock hours and work projects completed and will be returned to the academic progress status they held prior to the start of the leave of absence. In addition, students returning from a LOA will have his/her maximum time frame to complete the program extended by the same number of days as the leave of absence. If a student on an approved leave of absence notifies the school that he or she will not be returning, the date of withdrawal shall be the last day of attendance. All refunds due will be issued to the student or appropriate agencies and paid within 45 days.

PROGRAM INCOMPLETENESS

Program incompleteness, repetitions and non-credit remedial courses are not applicable to this institution's form of instruction. These courses have no effect upon the school's satisfactory academic progress standards.

ATTENDANCE

Students are required to attend school according to their student schedule as indicated by their enrollment agreement. Attendance is verified by clock in time and roll call. A student who is not present at roll call will not receive clock hour credit. Full time enrollment is defined as any student scheduled to attend 24 hours or more per week. Part-time enrollment is defined as 20 or more but less than 24 hours per week. Less than 12 hours per week is considered less than half time enrollment.

TRANSFERS

Transferred hours will count as both attempted and completed hours.

GRADING SYSTEM

Students are evaluated on a regular basis on theory and practical work. Academic performance is measured written examinations administered periodically by the instructor. Grading for exams is based on the scale listed below. Practical performance is measured by a student's completion of practical operations. Practical operations have a maximum point value of 4 points. Students are graded according to the grading criteria for accuracy in each sub-category. This score is then recorded as they complete each operation on the back of the student's time card. The cumulative score of both academic exams and practical operations make up a students' overall GPA. Students must maintain a "C" (70%) average to maintain satisfactory academic status.

ACADEMIC GRADING		POINT GRADES FOR PRACTICAL WORK	
100%-90%	A.....Superior Performance	(GPA 4)	4 POINTS = A
89%-80%	B.....Above Average	(GPA 3)	3 POINTS = B
79%-70%	C.....Average	(GPA 2)	2 POINTS = C
69%-60%	D.....Unsatisfactory	(GPA 1)	1 POINTS = D
59% -00%	F.....Fail	(GPA 0)	0 POINTS = F

STUDENT CLOCK HOUR POLICY

The Board of Barbering and Cosmetology will only recognize time-clock punched hours of attendance. As a result of this requirement, this school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of their day and lunch period. Students will be given up to a 15-minute grace period once classes start. After 15 minutes, students are deducted 30 minutes for every 15 minutes the student is late. A thirty (30) minute lunch break shall be taken when a student attends more than 6 hours a day. If you are attending 6 hours or less and desire to take a lunch break (30 minutes), then the half hour must be deducted from the daily total. If attending 8 hours or more, 2 (30 minutes) breaks are required. At the completion of the day, the daily hours and operations earned are recorded. Timecards must be signed by the student and the instructor daily.

NOTE: Instructors may not sign a student in or out, unless approved by the Director.

Timecards reflect the students' daily record of hours and operations. It is important that all hours and operations are recorded properly and accurately. The office staff must be able to read timecards so that the hours and operations are transferred correctly. All weekly timecards must be turned into the office at the end of each week in order to receive credit. Timecards must be stored in their entirety for 5 years by the school.

TIME CARD CREDIT

The following is a guideline for the instructor to issue credits.

1. Each Theory must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category.
2. The portion of the time card reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated.
3. The portion of the time card concerning operations is to be applied efforts of the students as they manually perform practical subject.

Some practical operations may take longer to perform according to the student.

TRANSFER OF CREDITS

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at California Beauty College is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the credits or certificate you earn in Cosmetology, Esthetician, Manicuring, Massage Therapy, or Holistic Health Practitioner is also at the complete discretion of the institution to which you may seek to transfer. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending California Beauty College to determine if your credits or certificate will transfer.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (**first day of classes**), or the seventh day after enrollment (**seven days from the date when enrollment agreement was signed**), whichever is later. The notice of cancellation shall be in writing and submitted directly to the Financial Aid Office, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

1. After the end of the cancellation period, you also have the right to stop school at any time, and receive a refund for the part of the course not taken. Your refund rights are described in the contract. If you have lost your contract, ask the school for a description of the refund policy.
2. If the school closes before you graduate, you may be entitled to a refund. Contact the Bureau for Private Postsecondary Education at the address and phone number below for information.
3. A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by (888) 370-7589 or by completing a complaint form, which can be obtained on the bureau's internet Web site at www.bppe.ca.gov

ADDITIONAL TRANSCRIPTS

Students requesting additional copies of academic transcripts upon graduation will be charged \$25.00 for each copy. Former students requesting additional copies of academic transcripts will be charged \$100. If records cannot be recovered, there will be a \$25 convenience fee. All students are given 1 set of all academic transcripts upon graduation. Please secure these records in a safe place for future reference.

COLLECTION OF TUITION

During our interview of prospective students, we compute a needs analysis based on the amount of income or resources compared to the cost of education, room, and board, and traveling expenses. If the student qualifies, we help the individual prepare the appropriate Financial Aid application. For those students who are not receiving financial aid, the admissions representative will develop a personalized payment program for each individual, not to exceed advance payment of one term or four months at a time. The balance of tuition in all programs is due by the time 50% of the course is to be completed.

SCHOLARSHIPS

This institution does not award scholarships currently.

THE COLLEGE RESERVES THE RIGHT TO CHANGE TUITION AND FEES AND MAKE SUBJECT CHANGES WITHOUT PRIOR NOTICE WHEN NECESSARY. ANY CHANGES WILL NOT AFFECT ATTENDING STUDENTS.

REFUND POLICY

The following refund policy applies to all terminations for any reason, by either party, including student decision, course or program cancellation or school closure.

- A. An applicant not accepted for training by the school shall be entitled to a refund of all money paid.
- B. If a student (or in case of a student under legal age, his parent or guardian) cancels his/her contract and requests his/her money back in writing by producing a signed dated copy of the Cancellation Notice, within seven days (by midnight) of signing the enrollment agreement, all monies collected by the school shall be refunded. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the school administrator/owner in person. This policy applies regardless of whether or not the student has actually started training.
- C. If the student cancels his/her enrollment after the seventh assessed day after signing the enrollment agreement without the student starting classes, he/she shall be entitled to a refund of all monies paid to the school less a registration fee of \$75. The cost of the kit and supplies are not refundable due to sanitary reasons.
- D. Withdrawals of more than seven days after the start of class may be entitled to a partial refund. Students have a right to withdraw from school at any time and receive a refund for the part of the course not taken. The amount of that refund shall be "pro-rated" according to the incomplete portion of the course, less the cost of the registration fee of \$75.
- E. Students who terminate prior to course completion will be charged a \$75 registration fee and refund given based on number of scheduled hours of the course not completed less non-refundable kit and STRF fees. Students who have completed more than 60% of the course hours are not eligible for a refund. If the school is permanently closed and no longer offering instruction after a student has enrolled, the student may:
 - 1. Transfer credits to another school offering similar courses. Transferrable credits are based solely upon the school's policy and should first be verified with the school. The student will be eligible for a refund based on the school's refund policy **OR**
 - 2. Teach-out: Students that are within 90 days of completing their course of study may be able to finish their course before the school closes. These students would not be eligible for a refund.

G. If a course is cancelled subsequent to enrollment, the school shall at its option:

1. Provide a full refund of all monies paid; or
2. Provide completion of the course.

H. Monies due to the applicant or student are refunded within **45** days of official cancellation or withdrawal. The amount the school would be allowed to retain would be calculated based on the number of hours the student was scheduled to complete (according to student schedule), in the following manner:

$$\text{Course Hourly Rate} \times \text{Number of hours not attended} = \text{Total amount of refund}$$

The course hourly rate is calculated based on the cost of tuition divided by the number of hours of the course. The number of hours a student was scheduled to complete is subtracted from the total number of course hours. **The costs of registration, STRF, and student kits are non-refundable.**

Refund Example: Assume that a student, upon enrollment in a 1600 hour course, pays \$6,000 for tuition, \$75 for registration (non-refundable), STRF fee, and \$300 for equipment (non-refundable), as specified in the enrollment agreement. The student withdraws after completing 550 hours, but was scheduled to have complete 600 hours; the pro-rata refund to the student would be based on the calculation stated below:

Course Hourly Rate	Tuition Paid on Hours Received "Earned Tuition"	Hours Paid for but not received	Refund calculation of tuition	Summary of Refund Calculation
Tuition / Course Hours	# Course Hours Scheduled x Hourly Cost of Tuition	# Total Course Hours - # Course Hours Scheduled to Attend	# Hours Paid for but not received x Course Hourly Rate	Total Tuition Paid – Earned Tuition, Kit, Registration Fee
\$6000 / 1600	600 x \$3.75	1600 - 600	1000 x \$3.75	\$6400 - \$2250 - \$300
\$3.75 per hour	\$2250	1000 Hours	\$3750	-\$75
				\$3725

“Enrollment time” is defined as the hours of attendance, the portion of the course completed on the student’s last day of physical attendance in the school. Any monies due the applicant or student shall be refunded promptly (45 days) after formal cancellation by the student as defined in item B or formal termination by the school, which shall occur no more than 14 days from the last day of physical attendance, or in the case of a leave of absence, the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that they will not be returning.

WITHDRAWAL POLICY

Regardless of the average level of attendance, students who have more than two consecutive weeks of absences, (14 calendar days) will be dismissed. This standard shall apply to all students except those on an approved Leave-of-Absence (see LOA policy). Students who expect to be absent 14 or more days up to 90 days are encouraged to request a Leave-of-Absence.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance.

The student would be determined to have withdrawn from school on the earliest of:

1. The date you notify the Financial Aid Office of your intent to withdraw. Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw.
2. The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.

3. The date you fail to attend classes for a 14-day period and fail to inform the school that you are not withdrawing.
4. The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of determination of withdrawal will be the

scheduled date of return from LOA or date the student notifies the institution that s/he will not be returning.

Withdrawals of more than seven business days after the start of class may be entitled to a partial refund based on institutional refund policy. Students have a right to withdraw from school at any time and receive a refund for the part of the course not taken.

RETURN OF TITLE IV

Special note to students receiving Pell grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid. Refunds are to be made no later than 45 days from the date of determination of withdrawal.

Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a

student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd. Suite 225, Sacramento, CA 95834, Phone (916) 574-8900 or (888) 370-7589.

4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.
