SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

The Satisfactory Academic Progress Policy (SAP) is consistently applied to all students enrolled at the school. It is printed in this catalog to ensure that all students receive a copy prior to enrollment. This policy complies with the guidelines established by National Accrediting Commission of Career Arts and Sciences and the Federal regulations established by the United States Department of Education.

ATTENDANCE PROGRESS EVALUATION: Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is:

COURSE	MAXIMUM TIME ALLOTTED	
	WEEKS	SCHEDULED HOURS
Barber (F/T 30 hrs/wk.) – 1500 Hours	75 weeks	2250
Barber (P/T 15 hrs/wk.) – 1500 Hours	150 weeks	2250
Barbering/Cosmetology (F/T 30 hrs/wk.) – 1000 Hours	50 weeks	1500
Barbering/Cosmetology (P/T 15 hrs/wk.) – 1000 Hours	100 weeks	1500
Esthetician (F/T 30 hrs/wk.) – 600 Hours	30 weeks	900
Manicuring (F/T 20 hrs/wk.) – 400 Hours	30 weeks	600

If a student exceeds his/her Maximum Time Frame the student will be dropped from the program.

EVALUATION PERIODS:

Satisfactory Academic Progress will be assessed at the following benchmarks of actual attended hours:

Barber 1500 program: 450 hours
900 hours
1200 hours

Barbering/Cosmetology 1000 programs: 450 hours
900 hours

Esthetician: 300 hours

Manicuring: 200 hours

*Transfer students - Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint of the course.

ACADEMIC PROGRESS EVALUATIONS: The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments.

GRADING SYSTEM: Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. Evaluation forms are issued to the students at the end of each evaluation period. The evaluation form reflects the overall Attendance (measured in actual hours & weeks) and Academic progress of the student. Students must maintain a "C" (70%) average to maintain satisfactory academic status. The system detailed below is the system utilized in the school:

ACADEMIC GRADING	POINT GRADES FOR PRACTICAL WORK
100 - 90% Superior Performance	(GPA 4) 4 POINTS=A
89 - 80% Above Average	(GPA 3) 3 POINTS=B
79 - 70% Average	(GPA 2) 2 POINTS=C
69 - 60% Unsatisfactory	(GPA 1) 1 POINTS=D = NOT PASSING
59 - 00 % Fail	(GPA 0) 0 POINTS=F = NOT PASSING

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

Regarding Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for determining when the allowable maximum time frame has been exhausted.

PROGRESS POLICY

Considering the varied capabilities of individual students, some may progress from one phase of training to another at a more rapid pace. However, all students must satisfactorily complete all subject matter prior to graduation unless credit has been allowed for previous training or experience in a particular subject area. Successful graduates will be awarded an appropriate certificate upon completion of their training program.

STUDENT CLOCK HOUR POLICY

The Board of Barbering and Cosmetology will only recognize timeclock punched hours of attendance, as a result of this requirement this school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of their class day and lunch period. A thirty (30) minute lunch break shall be taken when a student attends a 6-hour class day or more. If you are attending less than a 6-hour class day and desire to take a lunch break (30 minutes), then the half hour must be deducted from your daily total and you must clock in/out on your time card for the lunch break.

At the completion of the day, your timecard is prepared from the current weekly timecard. The daily hours and operations earned are added to the totals in the prior column and final totals transferred to the cumulative column. These cumulative figures are then entered in the prior column on the weekly timecard. The timecard must be signed by the student and the instructor daily. **Instructors may not sign a student in or out and if a student does not clock in or out at lunch, 30 minutes for lunch will be deducted.** After clocking in you are required to maintain applied effort. Timecards reflect the student's daily record of hours and operations. It is important that all your hours and operations are recorded properly and accurately. The attendance personnel must be able to read your timecard so that the hours and operations are transferred correctly to the roster. The timecards are the property of the school and must remain in the school at all times. Timecards must be retained/stored in their entirety for 6 years by the school.

TIMECARD CREDIT: The following is a guideline for the instructor to issue credits:

1. Each Theory must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category.
2. The portion of the time card reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated.
3. The portion of the time card concerning operations are to be applied effort of the students as they manually perform practical subject.
4. Some practical operations may take longer to perform according to the student. Note the following time frame the Program gives for each operation: Scalp Treatment = 1/2 to 1 hour, Permanent Wave = 2 to 2 1/2 hours, Facial = 1 1/2 to 2 hours, Hair cut = 1/2 to 1 hour

Using the above, the Board would understandably not consider a student capable of performing more than three permanent waves per day.

Personal grooming, leaving the building, reading material not related to your training or activity not related to your training are not tolerated. If this occurs, you will be asked to stop such activity or to punch out for the remainder of the day. Continued activities of this nature could result in your termination.

LEAVE OF ABSENCE (LOA)

Students may experience extended personal, medical or other problems which make it difficult to attend class. This institution may allow a student under such circumstances to take a Leave of Absence (LOA), from the program. Students needing a LOA for medical, health, welfare or travel must do so in writing and submit it in advance of the leave.

Occasionally, unforeseen circumstances prevent the student from requesting a LOA in advance (i.e. an injury in a car accident which requires extended hospitalization). When certain exceptions apply, as with the example given, notification to the administration office by phone text, email or fax must be done as soon as

possible for documentation purposes. The beginning date of the approved LOA is determined by the institution to be the first date that the student was unable to attend the institution because of the event.

In such cases, upon return, documentation to verify the need for the LOA may be requested, and signatures will be required in order to extend the anticipated completion date equally to absences.

There must be a reasonable expectation that the student will return from the LOA in order for a LOA to be approved.

Students who are granted LOAs will not be assessed any additional charges while they are on LOAs. No refund calculations will be performed during the LOA. Additionally, the student's contract will be extended by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties.

A student may request more than one LOA during his/her contracted time frame, however, the cumulative total (number of days) of extended absence days must not exceed one hundred eighty (180) days in any 12-month period.

A student who fails to return from a LOA will be considered dismissed (dropped), as of the class of last attendance prior to the start of the LOA.
