OUR MISSION STATEMENT

The mission of this institution is to provide a high-quality educational experience to each enrolled student. Our goal is to have each of our students acquire specialized knowledge and skills pertaining to performing the duties of a Dental Assistant or receive continuing education. Santa Clarita School of Dental Assisting is a private institution that is licensed to operate by the Bureau for Private Postsecondary Education school code #73116896. The Santa Clarita School of Dental Assisting offers high quality education experience in the following programs:

1. Dental Assisting

This course aims to train students for an entry level position in the dental office whereby the graduate will be able to assist the doctor, sterilize instruments, and gain a working knowledge of the modern-day dental office.

2. Infection Control

This course aims to train students who are working in a dental office to safely navigate a dental office while having a new understanding of the health hazards and how to mitigate any risks associated with patient care.

3. Pit and Fissure Sealants

This course aims to train students who are working in a dental office to prevent tooth decay by bonding plastic resins to the top surfaces of teeth.

4. Coronal Polishing

This course aims to train students who are working in a dental office to prevent plaque buildup by using a rubber cup to clean the teeth above the gum line.

5. California State Radiation Certification

This course aims to train students who are working in a dental office to take radiographs on patients.

This institution is a private institution, that is approved to operate by the bureau, and that approval to operate means compliance with state standards as set forth in the CEC and 5, CCR. An institution may not imply that the Bureau endorses programs, or that Bureau approval means the institution exceeds minimum state standards.

TOTAL CHARGES FOR CURRENT PERIOD OF ATTENDANCE: \$12,500.00

ESTIMATED TOTAL CHARGES FOR THE ENTIRE EDUCATIONAL PROGRAM: \$12,500.00

Pit and Fissure Sealants, Continuing Education

Pre-requisites: Each student must possess a high school diploma or GED for admission. Each student must possess the necessary requirements for application for RDA licensure or currently possess an RDA license. Each student must have already completed a Board-approved course in coronal polishing. Also, all students, involved in the direct provision of patient care must be currently certified in basic life support procedures, including cardiopulmonary resuscitation, and show proof of hepatitis B vaccination.

This program is taught in person, with lectures and in person hands on learning. Sealants are resin coatings/bonding's applied by the licensed RDA. Sealants are placed on the grooves of mainly molar teeth. These coatings are intended to prevent the growth of bacteria that promote decay in grooves of molar teeth. Sealants are integral in preventing tooth decay. Students will develop minimum competence in the application of pit and fissure sealants. There is one written/lab exam. Each student must have a cumulative score of 75% or higher to pass. Each student must show proficiency in placement of four sealants (one sealant per quadrant) on four patients who are over the age of eighteen. **[16 Clock Hours]**

This program is taught in person, with lectures and in person hands on learning. Coronal polishing (rubber cup polishing) is used to remove stains and plaque from the outer enamel surfaces of the dentition. A registered dental assistant, under direct supervision of a licensed dentist, may perform coronal polishing in a dental office. Students will learn how to safely and effectively polish the coronal enamel of teeth. This will allow a registered dental assistant to be more effective and invaluable in their employment. A licensed dentist or a registered dental hygienist shall determine that the teeth to be polished are free of calculus or other extraneous material prior to coronal polishing. Students must take a written and clinical exam achieving a score of 75% to pass. Each student must show proficiency in removing supragingival calculus using a rubber coronal polishing cup on three patients who are over the age of eighteen. **[12 Clock Hours]**

Federal and State Financial Aid Programs

This private institution does not participate in federal and state financial aid programs. If a student obtains a loan to pay for our educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds. Students are encouraged contacting the institution in which they received their funding from and refer to their policies. This institution's policies and procedures do not award credit for prior experiential learning, including assessment policies and procedures, provisions for appeal, and all charges that a student may be required to pay.

Kind of Training/Outcomes

We provide focused and intensive training to assist our students in acquiring employment. At this time, we have four programs which train students in dental assisting field.

Targeted Student Population

The student body to be served will include adult members of the general public. No particular segment or sub-set of the general population is targeted.

Student Records

Our School maintains records of the name, address, e-mail address, and telephone number of each student who is enrolled in our institution.

Our school maintains, for each student granted a certificate from our institution, permanent records of all of the following:

- (1) The certificate granted and the date on which that certificate was granted.
- (2) The courses and units on which the certificate was based.
- (3) The grades earned by the student in each of those courses.

Our school maintains, for a period of not less than five years, at our principal address of business in this state, complete and accurate records of all of the following information:

- (a) The educational programs offered at our school and the curriculum for each.

SANTA CLARITA SCHOOL OF DENTAL ASSISTING CATALOG

- (b) The names and addresses of the members of our school's faculty and records of the educational qualifications of each member of the faculty.
- (c) Any other records required to be maintained by this chapter, including, but not limited to, records maintained pursuant to Article 16 (commencing with Section 94928).

Students may inspect and review their educational records. To do so, submit a written request identifying the specific information you would like to review. If, upon review, any inaccuracies or misleading documents are found, a request for corrections may be submitted. In the event there is a difference of opinion regarding the existence of errors, a request for a meeting can be submitted to resolve the matter. It is our intent to carefully follow the rules applicable under the Family Education Rights and Privacy Act. It is our intent to protect the privacy of your financial, academic and other school records. We will not release such information to any individual without having first received your written request to do so, or unless otherwise required by law.

We maintain the student files on site in a fireproof cabinet. We maintain academic records and financial records in separate files.

Student Conduct

Students are expected to behave professionally and respectfully at all times. Enrolling students will receive a list of the current rules of conduct at the time of enrollment. Students are subject to immediate dismissal for any activity or action that endangers another or for unethical conduct or violation of the rules of conduct.

Refund of Tuition

STUDENT'S RIGHT TO CANCEL AND/OR WITHDRAW FROM THIS PROGRAM

Our institution does not participate in the federal student financial aid programs.

If a student cancels, they have a right to a refund of charges paid. The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

If a student withdraws, they may cancel this agreement and obtain a refund. The procedure that a student is required to follow to cancel the enrollment agreement or withdraw from the institution and obtain a refund is as follows: one must give written notice to the address above by mail, by hand delivery to the address above, or email at admin@startyourcareertoday.com. The written notice of cancellation, if sent by mail, is effective when it is deposited in the mail, properly addressed with postage pre-paid. The student should keep a record of the date, time, and place of mailing any notice of cancellation. If a student cancels, they have a right to a refund of charges paid.

Here is a description of our refund policy: A student has the right to withdraw from this program of instruction and receive a refund of tuition through attendance of the first-class session, or the seventh day after enrollment, whichever is later. We shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from our school. A pro rata refund shall be no less than the total amount owed by the student for a portion of the educational program provided subtracted from the amount paid by the student. Our institution shall make refunds that are no less than the refunds required under the ACT and BPPE division.

Also, if the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

This institution will provide a pro rate refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance.

This Institution shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed Two Hundred Fifty dollars (\$250.00), if notice of cancellation is made through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

A student has the right to withdraw from this program of instruction at any time, and receive a refund of tuition and amounts paid for equipment. If the student withdraws from the program of instruction after the expiration date of the time for canceling this agreement, the student is obligated to pay only for educational services rendered and any equipment not returned, plus a non-refundable registration fee of \$75.00. For example, if a student enrolls in a 100-hour program and withdraws after receiving 35 hours of instruction, and if the student paid a \$75.00 registration fee and \$2,000 tuition, the school would deduct the \$75.00 registration fee from the amount

received, divide the remaining \$2,000 by the number of hours in the program ($2000 / 100 = 20$) and multiply that hourly amount times the number of hours received by the student ($35 \times 20 = \$700$.) The amount paid, in excess of that amount would be the amount of the refund. ($\$2,000 - \$700 = \$1,300$ Refund Amount. In addition, the refund would include any amount paid for equipment which is subsequently returned in good condition.

Student Grievance Procedures

This institution is dedicated to fair dealing and professional conduct. Should any student have a complaint, the student is asked to discuss the matter directly with an instructor or administrator. The instructor or administrator will engage in an informal process endeavoring to settle the dispute in good faith. The informal process will involve three steps:

1. an effort to define the problem
2. an effort to identify acceptable options for resolution
3. an attempt to resolve the conflict through the application of one or more of those options for resolution.

The student may thereafter choose to file a written complaint directly with the institution's School Director who will work to resolve the matter. The individual will investigate all formal (written) complaints, endeavor to resolve all such complaints, and record an entry into the institution's official log. The formal process will require the student's submission of a written description of the specific allegations and the desired remedy, accompanied by any available documentary items. The school Director will notify the student of the decision reached.

Any student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888)370-7589 toll free or by completing a complaint form, which can be obtained on the bureau's internet Web site www.bppe.ca.gov.

Leaves of Absence

Should your circumstances be such that a leave of absence is needed, please submit an application for a leave of absence to the school Director. At his/her discretion, a leave may be granted for a reasonable time, as warranted by the circumstances. If a student repeatedly resorts to the use of a leave of absence, and if such applications show a pattern of delays, or should the issuance of a leave of absence be such that it would significantly interfere with the planned completion of the program of study, the school Director or his/her assignee may, in his/her sole discretion, dismiss a student from the program and issue the appropriate refunds as may be required.

Transcripts and Certificates

Each student's record will contain student's academic progress record and evidence of certificates issued by this institution. Should a student need a copy of an official transcript, the first copy will be provided at no charge. Subsequent copies of transcripts and Official Certificates are available upon payment of a fee of \$35.00. Transcripts and Certificates will only be released to the student upon receipt of a written and signed request. Neither transcripts nor Certificates will be issued until all tuition and other fees due the institution are paid current.

Attendance, Probation and Dismissal Policy

Students are expected to attend all classes as scheduled. Students must attend 75% of the scheduled class hours. Students tardy more than 15 minutes are considered absent for that class hour. If a student misses more than 25% of the scheduled class hours, the student may be administratively dropped and, in that event, will be issued a refund, per the refund policy. If students are excessively absent or tardy, we will put them on disciplinary probation for one week. We will notify the student verbally that they are on probation for one week. If the student's actions are not corrected during the probationary period, the student may be subject to dismissal from the class and the refund policy will take effect.

Pre-Contract Disclosures (Dental Assistant Training)

Individuals interested in working as a Dental Assistant are advised that Dental Assistants, whether registered or unregistered will be required to take specific continuing education courses starting in 2007. Further, students are advised that the Dental Assistant Training program offered by this institution prepares one for an entry level position as an unregistered Dental Assistant. However, an unregistered dental assistant may qualify to sit for the examination to become a registered dental assistant if the unregistered dental assistant has completed at least 15 months (1280 hours) of satisfactory paid work experience as a dental assistant with a dentist licensed in one of the states in the United States.

Duties an unlicensed dental assistant can perform:

SANTA CLARITA SCHOOL OF DENTAL ASSISTING CATALOG

- a. A dental assistant is an individual who, without a license, may perform basic supportive dental procedures, as authorized by this article and by regulations adopted by the board, under the supervision of a licensed dentist. "Basic supportive dental procedures" are those procedures that have technically elementary characteristics, are completely reversible, and are unlikely to precipitate potentially hazardous conditions for the patient being treated. These basic supportive dental procedures may be performed under general supervision.
- b. These basic supportive dental procedures do not include those procedures authorized in Section 1750.3 or Section 1753.1, or by the board pursuant to Section 1751 for registered assistants.
- c. The supervising licensed dentist shall be responsible for determining the competency of the dental assistant to perform the basic supportive dental procedures authorized pursuant to subdivision (a).
- d. The supervising licensed dentist shall be responsible for assuring that each dental assistant, registered orthodontic assistant, registered surgery assistant, registered restorative assistant, registered restorative assistant in extended functions, registered dental assistant, and registered dental assistant in extended functions, who is in his or her continuous employ for 120 days or more, has completed both of the following within a year of the date of employment:
 - i. Board-approved courses in infection control and California law.
 - ii. A course in basic life support offered by the American Red Cross, the American Heart Association, or any other course approved by the board as equivalent.
- e. Prior to operating radiographic equipment or applying for licensure as a registered dental assistant under Section 1752.5, an auxiliary described in subdivision (c) shall successfully complete a radiation safety course approved by the board.
- f. This section shall become operative on January 1, 2007.

Program Changes

The specific content of the program described in this catalog is subject to continuous revision or update. The program objectives remain constant, but the changes in technology may require small adjustments in course content from time to time so as to assure the program is timely.

Such changes to programs and/or component courses may be suggested by faculty members at any time. Such revisions and upgrades will be approved by the school director prior to adoption. In this way the most recent industry developments may be incorporated into the curriculum.

Catalog Policies

Rules governing student conduct, admissions policies, graduation requirements, and other aspects of this institution's operations are subject to change. Please check with the school director if you have questions regarding the content of this catalog. This institution reserves the right to adopt, amend, or repeal rules and policies that apply to students. Changes in the content of this catalog will be posted on bulletin boards and shown as a supplement to this catalog. This catalog does not constitute a contract or enrollment agreement, nor does it constitute a statement of the conditions of a contract between the student and this institution. The relationship of the individual student to this institution is governed by applicable state education codes, state regulations, and college policies.

Please refer to your enrollment agreement or enrollment contract for the specific terms under which you are to enroll. Changes to this catalog (which may from time to time be required by the Bureau for Private Postsecondary Education of the State of California) will be initially added by means of an addendum and will appear at the end of the catalog.

Nondiscrimination Policy

This institution is committed to providing equal opportunities to all applicants to programs and to all applicants for employment. Therefore, no discrimination shall occur in any program or activity of this institution, including activities related to the solicitation of students or employees on the basis of race, color, religion, religious beliefs, national origin, sex, sexual orientation, marital status, pregnancy, age, disability, veteran's status, or any other classification that precludes a person from consideration as an individual. Please

SANTA CLARITA SCHOOL OF DENTAL ASSISTING CATALOG

direct any inquiries regarding this policy, if any, to the school Director who is assigned the responsibility for assuring that this policy is followed. If a student enrolls from another country, visa services are not provided and our institution will not vouch for student status, and any associated charges.

Education code 94909 (a):

In pursuant to state regulations, we must disclose the following: our institution has never had a pending petition in bankruptcy, and has never operated as a debtor in possession, or filed a petition within the preceding five years, or has had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code.

Requirement for Future Eligibility for Licensure to Become an RDA

After completion of the dental assisting program, you will have a dental assistant certification (DA). Dental Assistants can immediately begin working for dentists. After completing at least 15 months (1280 hours) of satisfactory paid work experience as a dental assistant with a dentist, students will be able to qualify to take the RDA examination if they so choose. Both a DA and an RDA assist the doctor; however, an RDA can take on more responsibilities in a dental office.

To obtain a California RDA license, you must:

1. Successfully pass a State computerized written examination.
2. Successfully pass a State computerized law and ethics written examination.
3. Successfully complete Board-approved courses in Coronal Polishing and Radiation Safety.
4. Successfully complete and show proof of a Board-approved course in Dental Practice Act, an eight (8) hour Board-approved course in Infection Control and proof of basic life support (CPR) card.
5. Submit fingerprint clearances from both the Department of Justice and Federal Bureau of Identification. This process can take 60 days or more. If an applicant has a criminal history, arrest report and court records must be obtained and investigated before a decision is made to issue or deny the license.

STRF Disclosure & Statements

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

SANTA CLARITA SCHOOL OF DENTAL ASSISTING CATALOG

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd. Ste 225 Sacramento, CA 95834, P.O. Box 980818, West Sacramento, CA 95798-0818, (888) 370-7589 or by fax (916) 263-1897, (916) 574-8900 or by fax (916) 263-1897.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120-day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollecting may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or taxpayer identification number.

Description of Facilities, Equipment, Material and Library

This facility is a 5,000 sq. ft dental office with thirteen operatories, two full sterilization rooms, two dental laboratories, a reception room, a treatment coordinating room, and a conference room with a 52' inch flat screen teaching screen for interactive PowerPoint presentations. Our operatories are equipped with a fully functional X-ray unit, suctions, dental hand pieces, dental chairs, light curing units, ultrasonic attachments and proper barriers. This facility also has a state-of-the-art panoramic x-ray unit. This facility has digital as well as conventional x-ray technology. The courses we teach use nine radiology approved manikins for practicing dental procedures during the laboratory sections of these courses. The training in the lab rooms will be on plastic teeth called typodonts. The courses are taught on Monday and Wednesday nights. No actual patients will be used in the Dental Assistant Training course. If the students elect to do an externship with an outside dental office in their free time, they can then see patients under the direct supervision of the dentist. This facility does not have a library on site. This course uses the textbook/DVD/CD, included with the purchase of Modern Dental Assisting Thirteenth edition by Bird and Robinson. Students have access to these resources by reading the textbook provided and using their DVD/CD-ROMs at home or in our office. This institution does not offer distance education.

Certification Program

Our school offers Certification courses. We are approved to teach these courses by the Dental Board of California and the California Bureau for Private Postsecondary Education. We do not offer degree programs, which require accreditation by an accrediting agency recognized by the United States Department of Education. This institution is not accredited by an agency approved by the Department of Education.
