This program may result in freelance or self-employment.

- The work available to graduates of this program is usually for freelance or self-employment.
- This type of work may not be consistent.
- The period of employment can range from one day to weeks to several months.
- Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.
- You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.
- Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises this work style.

Definitions

- "Number of students who began program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who canceled during the cancellation period.
- "Students Available for Graduation" is the number of students who began minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-Time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time completion rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement rate Employed in Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.
-

"Student's Right to Cancel"

The student has a right to cancel the agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. To cancel the contract for school, mail or deliver a signed and dated copy of the Cancellation Notice, or any other written notice, or send a telegram to: The California Institute of Locksmithing, 5900 Sepulveda, #301, Van Nuys, CA 91411, attention Corey Friedman. Institution shall advise each student that a notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct including, but not necessarily limited to, a student's lack of attendance. If the student cancels, any payment the student has made and any negotiable instrument signed by the student shall be returned to the student within 10 days following the school's receipt of the student's Cancellation Notice. If the school issued any equipment to the student, the student must return the equipment within 10 days of the date the student signed a Cancellation Notice. If the student does not return the equipment within this 10-day period, the school may keep an account out of what the student paid that equals the cost of equipment. Each student has the right to withdraw from a course of instruction at any time. Students who withdraw after the end of the cancellation period, have the right to receive a refund for the part of the course not taken, less the cost of unreturned equipment and less a registration fee not exceeding seventy-five dollars. The student shall have their refund calculated on a "pro-rata" basis depending on how many scheduled hours remain in
