Presbyterian Theological Seminary in America SUBSCRIBES TO THE FOLLOWING STATEMENT OF FAITH:

1. The Holy Scriptures of the Old and New Testament are the Word of God, the only inerrant, perfect rule of faith and deed. (Scripture Reference: Ex.3:14, John 4:24, Rev. 19:6)

2. There is only one God, and one shall worship only God alone; God is the spirit, is self-existent omnipresent, and distinguished from all other Gods and the created; God is infinite, eternal and unchangeable in God's being, wisdom, power, holiness, justice, goodness, and love. (Scripture Reference: Gen. 1:1, Exd.3:14, 31:13, Lev. 19:2, Deut. 6:4, John 4:24, I Cor. 8:4)

3. There are three Person in the Godhead; the Father, the Son, and the Holy Spirit; God is the triune God, one in trinity, equal in power and glory. (Scripture Reference: Deut. 6:4, John 1:1-3, 14, Cor. 8:4, Gal. 3:20, I Timothy 2:5)

4. God created all things visible and invisible by the power of God's Word, and preserves and governs them, but God in God's nature causes no sin. God plans and acts according to God's own will and governs all things to fulfill God's purpose which is good, wise, and holy. (Scripture Reference: Gen.1:1, Ex. 4:15, Ps. 104:24, 30, Isa. 43:15, 45:7, 64:8, Mark 10:6, Col. 1:16)

5. God created people, after God's own image in knowledge, righteousness, and holiness with dominion over every living thing. All people of the world are of sole source; that is of same native and brother. (Scripture Reference: Gen. 1:26-27, I Cor. 11:7, Eph. 4:24, Col. 3:10, James 3:9)

6. Our first parents, being left with the freedom to choose between good and evil, through temptation, transgressed the commandment of God. All humankind, descending from Adam by ordinary generation sinned in him and fell with him in his transgressed. The humanity, having the potential to commit a crime, besides the original sin and the corrupted human nature, has intentionally committedsin; so as we are justly liable to God's just displeasure and punishment in this world and that

which is to come. (Scripture Reference: Gen. 6:5, I Kings 8:46, Ps. 51:5, Prov. 20:9, 21:2, Ecc. 7:20, Rom. 14:23)

7. God sent God's eternal, only begotten Son, Jesus Christ to the world to save humanity from sin, the corruption, and the punishment thereof, to give eternal life in God's infinite love; in Jesus Christ God become flesh and through Him can humanity be saved. The eternal Son became true human and possessed two distinctive personhoods in His nature, eternally as true God, and true power of the Holy Spirit, in the womb of the virgin Mary, of her substance, born of her, yet without sin. He obeyed perfectly to God, offered His body, became a true and perfect sacrifice, and satisfied divine justice. To reconciliation between God and humanity, Jesus Christ was crucified on the cross, died, and buried. One the third day, He rose again from the dead. He is sitting on the right hand of God making intercession for His people. From thence He shall come for the resurrection of the dead, and to judge the world. (Scripture Reference: John 3:17, 34, 17:3, 23, 20:21, I John 4:9, 10, 14)

8. The Holy Spirit, being out of God the Father and God the Son, works salvation in people, convicts them of their sin and misery, enlightens their hearts to know Christ, renews their will, exhorts them, empowers to accept Jesus Christ who freely offers humanity the Gospel in grace, and works in us to bear the fruit of God's righteousness. (Scripture Reference: Gen. 2:7, John 16:9-11, Rom. 8:11, I Cor. 12:1-3, Phil. 2:5-11)

9. Before God created the world, God elected in God's love God's own people to make them holy and blameless, predestined and adopted God's children through Jesus Christ according to God's pleasure and will, to the praise of the glory of God's grace bestowed freely in the one God loves. However, the perfect salvation offered freely is to be ordered to all humankind that they may repent of their sins, believe in the Lord Jesus Christ as their Savior, rest upon him and follow him, obey the revealed will of God, be humble and conduct themselves in holiness, to the extent that whoever believes in Christ and is obedient to him shall be saved. The benefits that are accompanied with justification, adoption as God's children, sanctification and glorification are for the believers who are assured with God's salvation and joy in this world. The means of the grace to the call of office by the Holy Spirit are the bible, sacraments, and prayer. (Scripture Reference: 3:7, John 1:16, Rom. 5:2, Eph. 2:8-9, II Timothy 1:9, Tit.2:11)

10. The sacraments instituted by Christ are baptism and holy communion; baptism of washing with water to be administered in the name of God the Father, the Son, and the Holy Spirit, is the sign and seal of joining us in union with Christ, and the promise for our regeneration and renewal by the Holy Spirit and God's possession of us.

Baptism shall be served in remembrance of Christ's death, and in the witness of the seal for the benefit derived from Christ's death with which the believers are in union. Holy communion shall be observed by God's people until the day of the Lord's coming, and is a sign of a promise of a more faithful service onto the Load and a sign of communion with the Lord and his people, who believe in him, and rest upon his atonement from which God's benefit flow to us. The benefits of the sacraments are not found in the sacraments themselves or any virtue of one by whom the sacraments are being administered, but only in the blessing by Christ and the working of the Holy Spirit in those who by faith receive the sacraments. (Scripture Reference: Matt. 3:11, John 16:7, Acts 10:44-46, 11:15-16, Gal. 1:4)

11. All believer shall dutifully join in church membership with instruction, have fellowship with one another among the believers, observe the sacraments and other ordinances, obey all the laws of the Lords, pray always, observe the Lord's Day holy, assemble with believers to worship he Lord and listen attentively to the preaching of the Word of God, render offerings as God provides us abundantly, share with one another the mind of Christ, also share the same mind with all other people, endeavor to promote the expansion of the Kingdom of Christ upon the whole world and wait expectantly for the appearance of the Lord in his glory. (Scripture Reference: Acts 2:44-45, 4:32, Rom. 12:13, Phil. 1:3-5, 4:18, II Cor. 1:11)

12. The dead shall receive the reward according to the good and evil done in this world before the

judgment seat of Christ when they will be resurrected in the last day. Those who believe in Christ, and are obedient to him shall be truly forgiven and accepted by him in Glory. (Scripture Reference: Matt.: 16:27, 24:29-31, 36, 44, Mark 8:38, John 5:24)

13. Marriage has been ordained by God and is the exclusive covenantal union between a man and a woman in which such union is a lifetime commitment. A civil government's sanction of a union will be recognized as a legitimate marriage by the Church only to the extent that it is consistent with the definition of "marriage" found in these Articles. (Scripture Reference: Gen.1:27, 2: 22-24, 1 Thes. 4, Matt. 19:4-6)

14. Legitimate sexual relations are exercised solely within marriage. Hence, sexual activities outside of marriage (referred to in the New Testament as "porneia"--  $\pi \circ \rho v \epsilon \iota \alpha$ ) including but not limited to, adultery, premarital sex, homosexuality, and pedophilia are inconsistent with the teachings of the Bible and the Church. Further, lascivious conduct, transgender behavior, and the creation and/or distribution and/or viewing of pornography, are incompatible with the biblical witness. (Scripture Reference: Romans 1:26-27, 12: 1-2, I Cor. 6:9-10, I Timothy 1:9-10)

## A Brief History of the Seminary

In 1974, the YoungNak Presbyterian Church began the Theological Seminary in Southern California. Because of the growing demand for ministerial leadership to serve the gradually expanding Korean communities throughout the United States, the General Assembly asked that this school broaden its vision as the official school of the Western Presbytery. This broader vision was for a three-year seminary to prepare Koreans and Korean-Americans for pioneering their own churches in the States and throughout the world. Among the concerned scholars and ministers who helped develop this vision were Dr. Sung Rak Kim and Rev. Keyong Kim, who both later served as presidents of the institution. Thus, this broader school opened as the Presbyterian School of Theology in Southern California. The first class, with six students, opened on the evening of September 19, 1977. The school has since changed its name four times. In 1987, the name became Presbyterian Theological Seminary in Southern California. It became KPCA Presbyterian Theological Seminary in 1989. In 2003, the school was named KPCA College and Theological Seminary. Lastly, in 2009 the changed its name to Presbyterian Theological Seminary in America.

Upon this humble beginning, God blessed the school with further organizational and financial support from the General Assembly of the Korean Presbyterian Church Abroad. To facilitate better management, a Board of Directors was formed. Some twenty plus Korean churches have regularly donated management funds to the school. We are proud of how PTSA graduates have been serving to fulfill the Great Commission as pastors, missionaries, evangelists, and teachers in the continents of Asia and the Americas.

The Presbyterian Theological Seminary in America was incorporated in 1981 as a for-profit institution. The school was re-incorporated as a non-profit institution and granted non-profit status from the IRS in 1984. The school was again re-incorporated in 1989 as a for-profit corporation. In 1997, the Bureau for Private Postsecondary and Vocational Education (BPPVE) granted the school authorization to grant degrees in California. Presbyterian Theological Seminary in America was licensed from the BPPVE) of the State of California under the California Education Code(s) 94900 and 94915. (School No. 1919861). The degrees authorized included Bachelor of Theology and Master of Divinity. In 2000, we were re-incorporated as a non-profit institution. The BPPVE was renamed as the (BPPE) and reauthorized all degrees, plus the ELSP on January 21, 2011.

Presbyterian Theological Seminary in America was approved to issue I-20 Forms in 1999 and re-approved to issue SEVIS I-20 Forms in 2003 and 2013.Our school achieved "applicant status" with the ABHE in 2002. In 2006, Presbyterian Theological Seminary in America was granted "candidate status" with the Commission on Accreditation of the ABHE, and on February 24, 2011 PTSA achieved full accreditation from the ABHE.

Under the leadership of Dr. Hee Min Park, the retired pastor of Young Nak Presbyterian Church, there were 350 graduates. Dr. Hee Min Park was the president of Presbyterian Theological Seminary in America from 1990 to 2001.

Dr. Jung Woon Suh, who was the president of the Presbyterian College and Theological Seminary, became Presbyterian Theological Seminary in America's full time president in 2002, leading Presbyterian Theological Seminary in America through a challenging transition time to a new Santa Fe Springs facility and under his leadership increasing the number of our graduates to be over 440 graduates. Dr. Jung Woon Suh continued Presbyterian Theological Seminary in America's scholarly pursuit to be fully accredited by the ABHE.

In January of 2008, we welcomed the new president, Dr. In Soo Kim. Dr. In Soo Kim came with an extensive knowledge and research on the subject of Korean Church/Church History. Under his leadership, KPCA College & Theological Seminary changed its name to Presbyterian Theological Seminary in America (PTSA), and moved into its new Santa Fe Springs facility in April, 2009.

In January, 2012, Dr. Sang Meyng Lee was inaugurated as the current president of PTSA.

## **Relation with General Assembly (KPCA)**

Presbyterian Theological Seminary in America is one of four schools officially recognized by the General Assembly of the Korean Presbyterian Church Abroad (KPCA). Although the Education Commission of the KPCA provides limited guidance to these four schools, the General Assembly asks local presbyteries to support and guide their local schools. Thus, we are also the official theological school of the following presbyteries: Los Angeles Presbytery, Mid-West Presbytery, Southwest Presbytery, and Western Presbytery.

Each of the four Presbyteries selects five members. They are recommended by each presbytery's theological education department and are elected at a presbytery meeting. Also, the last two former chairman of the alumni association are automatically placed on the board. Three to seven more members are recommended to the board by the board's executive committee. In addition to the other qualifications, these additional board members are chosen because of their ability to help with the financial support of the school (i.e. by their own financial assets or their ability to assist in fundraising). The current members of the board must vote to approve each new member.

## **Relation with Other Schools**

PTSA has reciprocal borrowing agreements with Biola University, Bethesda University, and World Mission University libraries. Partnerships with these schools allow PTSA members to access a breath of learning resources.

PTSA also has a mutual cooperation's agreement with the National Assembly Library (NAT), the Republic of Korea, which makes available to the PTSA community a joint system for the purpose of sharing their respective information-knowledge resources, exchange of materials, providing electronic files, and exchange of humans. Users can have the log-in information of the NAT's electronic databases upon request.

## Alumni

During the 45 year history, 954 students graduated Presbyterian Theological Seminary in America. Most of them are serving as pastors, missionaries, evangelists, and lay leaders in the world. The organization of the Alumni continues to support Presbyterian Theological Seminary in America and its students.

# Student Life

## **Student Government**

PTSA has a unique student representative group, LINK. LINK is a group of about 10 students who represent and make decisions on behalf of each degree program. The Dean of Student Development meets a few times during the semester to speak with the LINK members and work on projects.

There are faculty governance committees at PTSA that initiate and oversee decision-making at PTSA that the student representative group is involved with. These committees involve big topics such as academics, core, sustainability, equality, safety, and much more. The student representative group appoints student representatives to sit on many of these committees, where they are able to directly impact the decision-making processes of the PTSA.

The activities of the student government include:

Promotion of spiritual, social, and academic development of the student body Arrange social events for students Contribution to the development of the school Communicating to the administration on behalf of students

To accomplish their duties, the student government is provided with a budget that is generated by a student registration fee as well as additional money provided by the school. This money is kept in a special account that requires signatures of the student dean and one student government treasurer. At the beginning of the semester, the student government is to propose a budget. Once this budget is approved by the student dean, the student government may request funds. For each request, the student dean will see whether there is adequate money in that budget category. If so, the money will be released to the student government. In return, the student government is to report a receipt for the expense. Typical student government expenses include:

Social events for the student body Special scholarships Inviting a special chapel speaker Gifts for new students Gifts for graduating students Honoring and thanking alumni at an annual alumni meeting

The Dean of Student Affairs supervises the student government. The student government is to operate according to the Student Government Bylaws.

## **Church Attendance and Affiliation**

Presbyterian Theological Seminary encourages every student to be affiliated with an evangelical church and to participate in the ministry of that local church body through faithful attendance at their weekly service.

All students in the M.Div. and B.A. programs must complete two (2) units credit in fieldwork/student ministry during their three years of study (M.Div.), or four years of study (B.A). Students in MAICS must complete one (1) unit credit in fieldwork during their two years of study. Transfer students must begin fieldwork/student ministry the first semester they attend and continue thereafter. The records of fieldwork/student ministry of church service are essential courses for graduation.

## Chapel

To reinforce Presbyterian Theological Seminary in America's commitment to the spiritual life of its students, the Presbyterian Theological Seminary in America students and faculties gather

every Tuesday via on-line and on-campus for chapel services in the afternoon from 1:30 p.m. -2:00 p.m. This is an opportunity for the faculty, staff, and students to share in worship and prayer and to be strengthened by God's Word. Various pastors come and share a message from God's Word. Students rotate their responsibility in leading the chapel time.

## **Social Activities**

A balanced life includes recreation and opportunities to build friendships. Therefore, a variety of activities are planned by the student government:

Sports Days (once per year) Intercollegiate Sports Day (meeting with other Korean schools in Southern California) Intercollegiate Thesis Competition (with other Korean schools in Southern California) Intercollegiate Preaching Festival (with other Korean schools in Southern California) Spiritual Revival worship (twice a year) Welcome Parties Honoring New Students (beginning of each semester) Graduation Party

Students take turns providing lunches on Mondays through Fridays. All are invited to attend. Additional social activities are provided through student clubs.

Due to the COVID -19 these student activities are not currently provided. Depending on the level of Covid-19, PTSA will resume these activities.

# **Meeting Student Needs**

## Housing

PTSA doesn't have dormitory facilities. And PTSA has no responsibility to find or assist a student in finding housing.

For information's sake, the approximate range of the renting house located near the institution's facilities is:

\$600 - \$900 (Home Stay)

\$1,500 - \$2,200 (1 Bed Room apt.)

\$2,300 - \$2,900 (2 Bed Room apt.)

\$3,000 and over (3 Bed Room apt.)

## Parking

Because we are blessed with a growing student body and we share our facility with other businesses (tenants), our parking lot is sometimes busy. To ensure enough parking for everyone, please park centered in the parking space provided. Please do not double park, park in the handicap designated areas, in the restaurant area, or in the Industrial Business Center next door to us. Please park in all designated areas. If you park on the side of the street that is a designated fire lane, you will be ticketed and towed. Overnight parking is not allowed.

## **Student Employment**

On-campus opportunities: Various on-campus jobs are available (e.g. maintenance, cleaning, office work, library assistance). To apply for employment, please contact the Dean of Student Affairs.

Off-campus employment: The international student is <u>prohibited</u> from working unless he or she receives authorization from the Dean of Student Affairs and SEVIS Officer.

Local churches and mission organizations occasionally contact us for part-time workers. To inquire about church appointments, please contact the Dean of Student Affairs. It is also very important to get permission from the Dean of Student Affairs. The Dean of Student Affairs will give you permission to work and indicate this approved employment on your I-20. Approved off-campus employment is designated as CPT (Curricular Practical Training), OPT (Optional Practical Training) or OCE (Off-campus Employment). Students are allowed to work up to 20 hours a week when school is in session, and more than 20 hours a week when school is not in session.

We recommend that students do not take on such large workloads and class loads that their spiritual and personal wellbeing is compromised.

## **Student Clubs**

Students are encouraged to form or join official student governments. Such clubs have the right to meet in unused classrooms or other campus space (after receiving approval from the student dean to meet in a particular location and at a particular time) and to promote their clubs by posting flyers on bulletin boards (after receiving approval from the school office).

To apply for official recognition of a student organization, a minimum of three charter members (i.e. students who plan to join) must find a faculty advisor, and submit an Application for Recognition of a Student Government to the Dean of Student Affairs.

## **Health Insurance**

Presbyterian Theological Seminary in America does not provide medical insurance. We therefore ask all students to acquire medical insurance. If you need help contacting an insurance agent, please ask the main office or SEVIS Officer for assistance.

## **Medical Provisions**

If you have a minor accident, a first aid kit is kept in the main office to help you. If you have a more serious medical need that demands immediate attention, the main office will arrange for your transportation to a doctor or hospital. If you have a medical need that does not require immediate attention, please discuss the issue with the Dean of Student Affairs or the main office.

If you need to find a nearby urgent care facility (i.e. a facility that should be quicker and cheaper than a hospital, but not be suitable for major emergencies), you may go to;

Santa Fe Springs Urgent Care: 11460 Telegraph Rd. Santa Fe Springs, CA. 90670 1-562-864-1000 Star Care Medical 15330 Valley View Ave. La Mirada, CA. 90638 1-562-921-0383

More serious medical emergencies need to be treated in a hospital emergency room. A nearby hospital (with emergency room) is Tel-Med Whittier Hospital:

9080 Colima Rd. Whittier, CA. 90605 1-562-945-3561

Keep in mind that any American hospital or emergency room has access to translators (e.g. on staff or via a telephone translating service). Also keep in mind that even if you have no insurance and no money, emergency rooms cannot turn away a seriously ill individual. They must treat you until you are out of danger. However, emergency rooms are more expensive than other medical facilities.

# **Student Conduct**

## **Standards of Conduct**

Failure to maintain standards of conduct appropriate to the mission of our school may result in suspension, expulsion, or denial of graduation (even if all academic requirements have been met). Note that a degree from PTSA is perceived as a recommendation to a church for a ministry position. Therefore, a student's conduct is as important as his or her academic achievements in earning such a recommendation.

To graduate, students must participate in a local church, must not use illegal drugs, must not be involved in sexual immorality, or must not in other ways bring shame on the name of Jesus Christ. A student struggling with character issues is encouraged to meet with the Dean of Student Affairs. A student who struggles with character issues (e.g. addiction) may still graduate if he or she shows satisfactory progress in dealing with the problems.

## **Sexual Harassment**

It is the policy of Presbyterian Theological Seminary in America to maintain the seminary environment as a Christian community that provides a place for spiritual growth, work, and study, free of all forms of sexual intimidation and exploitation. All students, staff, and faculty should be aware that Presbyterian Theological Seminary in America is prepared to take action to prevent such intimidation and exploitation and that individuals who engage in such behavior are subject to discipline.

Sexual harassment can vary with circumstances, but, generally, it is defined as unwelcome or offensive sexual advances, requests for sexual favors, unwanted or uninvited verbal suggestions or comments of a sexual nature, or objectionable physical contact. None of these reflect a Christian attitude or commitment, and all adversely affect the working or learning environment. Coercive behavior, including suggestions that academic or employment reprisals or rewards will follow the refusal or granting of sexual favors, or conduct that unreasonably interferes with an individual's work or study performance or creates an intimidating, hostile, or

offensive work/study environment, constitutes a violation of the seminary's spiritual and/or educational standards, objectives and goals; such misconduct will not be tolerated.

Under the direction of the appropriate administrator, the seminary will fully and effectively investigate any such report and will take whatever corrective action is deemed necessary, including disciplining or discharging any individual who is found to have violated this prohibition against harassment. The reporting student, staff, or faculty will be informed of the action taken. Seminary officials will also take action to protect the reporting student, staff, or faculty, to prevent further harassment or retaliation and, as appropriate, to redress any harm done.

It is the policy of Presbyterian Theological Seminary in America not to tolerate sexual harassment, and appropriate disciplinary action will be taken whenever such harassment is demonstrated. Individuals engaging in such conduct contrary to seminary policy may be personally liable in any claim brought against them.

A student, staff or employee who feels that he or she has been sexually harassed may meet with a person officially designated to receive reports of discrimination, and they will work for resolution in such situations (Please see the PTSA SEXUAL HARASSMENT POLICY) within the Student Handbook for information. In addition, it is advisable that the student, staff or employee contact the City of Santa Fe Springs Police Department to report the form of sexual harassment:

Police Services Center 11576 Telegraph Rd. Santa Fe Springs, CA 90670-9928 (562) 409-1850 \* FAX 409-1854 \* TDD 409-1855 Open Monday – Friday 8 a.m. to 8 p.m. Closed Saturday and Sunday

## Weapons

Firearms, knives, explosives, or other dangerous objects, including but not limited to any facsimile firearm, knife, or explosive, are prohibited on all campus grounds, except as authorized by law.

## Alcohol

Alcoholic beverages are forbidden on campus, except for use in connection with a course of instruction when the instructor has been authorized to use it by the Office/President.

## **Alcohol and Drug Prohibitions**

The unlawful manufacture, distribution, dispensing, possession, or use of alcohol or any controlled substance is prohibited on campus property, during field trips, activities or workshops, and in any facility

## **Student Discipline**

Students are required to maintain standards of behavior that are consistent with the calling to ministry, the teachings of the Bible, and the stated intentions (e.g. mission statement, goals, policies) of PTSA. Students who do not maintain such standards will be required to undergo disciplinary procedures to restore and assist the student, which are outlined in the next section.

#### Disciplinary Procedures

The primary goals of discipline at PTSA is restorative (i.e., not punitive) and the physical, emotional, spiritual maturation and protection of the individual and the PTSA community.

The first step in student discipline is a meeting with the Dean of Students to make sure the student understands the offence (admonition) and to evaluate the student's attitude. At that meeting, the student dean will provide the student with a written statement concerning the behavior that violates the standards of behavior that are consistent with the calling to ministry, the teachings of the Bible, and the stated intentions (e.g. mission statement, goals, policies of PTSA).

The second step is the Dean's conversation with the student to understand the issues concerning the emotional, spiritual maturation and protection of the student and the PTSA community.

The Dean of Student affairs will address a plan to assist the student to recover and restore themselves emotionally, physically, and spiritually. If the student does not follow through with the steps or plan of restoration, and there is no evidence of a change of behavior, the process will go forward through the following steps: probation, suspension and expulsion. The choice of an administrative withdrawal prior to expulsion will be determined by the Dean.

At the point that the later three steps begin, a student may appeal his case to a committee of disinterested faculty and students (see Student Rights and Due Process above). A final appeal can be made to the administrative council, which consists of the president and all the deans of PTSA.

1. Probation defined:

The student dean may impose a probation in which the student is expected to show a development in responsible actions toward PTSA and members of the community for a specified period. This may include limitations in or restriction from certain activities or privileges.

2. Suspension defined:

In certain circumstances, the student dean may immediately impose a suspension. A suspension may be imposed:

To ensure the safety and well-being of members of the PTSA community or preservation of PTSA property;

To ensure the student's own physical or emotional safety and well-being; or

If the student poses a credible threat of disruption of or interference with the normal operations of PTSA.

During the suspension, the student will be denied access to the PTSA campus (including classes) and/or all other PTSA activities or privileges for which the student might otherwise be eligible. The student dean will designate a specific length of time which is appropriate for the suspension. The suspension shall extend only until such time as an adjudication can be completed and other sanctions (if any) imposed.

Suspension: The student is involuntarily separated from the seminary for a specified length of time. Absences from classes and chapels are not excused and academic work that is missed may not be made up.

Administrative Withdrawal: The student is required to withdraw from the seminary without the privilege of returning until a time specified by the administrative faculty council.

Expulsion: The student is permanently separated from the seminary with a notation of the reasons for the termination in his/her file. No refunds are made and the student will suffer the academic consequences of his/her actions.

When students are suspended or expelled for disciplinary reasons, there will be no refund of tuition for the semester and financial support may be canceled.

## **Student Grievance Policy**

Students may submit any grievances that they might have with respect to academic affairs or interpersonal relationships in writing to the Dean of Academic Affairs. Upon receipt of the grievance, the Dean of Academic Affairs will meet with the student. An effort will be made to resolve the grievance. If the grievance is not resolved satisfactorily, the student may appeal the decision to the Academic Affairs Committee. The Dean forwards the grievance to the Academic Affairs Committee for resolution. The decisions of the Academic Affairs Committee are final and are non-appealable.

The following principles and procedures governing dismissal will be used if the reasons for dismissal are due to moral inconsistencies, significant neglect of duties, behavior, attitudes that are not in harmony with PTSA's written policies, statements, standards, and ethical practices. Dismissal of a student before graduation will be preceded by:

- a) Discussions between the student and appropriate administrative officers (e.g., Dean of Academic Affairs or Dean of Student Affairs) looking toward a mutual agreement
- b) Informal inquiry by appointed faculty committee, which may, failing to effect an adjustment, determine whether in its opinion dismissal proceedings should be undertaken, without its opinion being binding upon the administration
- c) A statement of charges framed with reasonable particularity by the Dean of Academic Affairs and submitted to a committee of faculty and administrators (i.e., an ad hoc Grievance Committee consisting of dean of student, academic dean, one student selected by the Dean of Academic Affairs, and one student selected by the student who has a grievance). Pending a final decision by the committee, no overt action relative to the student's activity is to be taken.

If a student has a grievance or a challenge to disciplinary or dismissal actions that she/he wishes to pursue through special procedures, he should inform the academic dean. The Dean of Academic Affairs will form the ad hoc Grievance Committee consisting of the Dean of Student Affairs, one student selected by the Dean of Academic Affairs, one student selected by the Dean of Academic Affairs him or herself. The student with a grievance, and the Dean of Academic Affairs him or herself. The student with a grievance will write a report detailing his grievance and suggesting any desired changes. The committee will have a meeting to discuss the grievance, reasons the school administration has been pursuing its present course and determine any more investigation that is needed. A second meeting will be scheduled which will allow the committee to ask questions of the professor and the administration. Proposals for recourse, change or for dismissing the

grievance without recourse or change will then be written and voted on by secret ballot. The Dean of Student Affairs will inform the committee of the vote tally. The vote of the committee will decide the matter unless the Dean of Student Affairs asks the board to review the case (including minutes and vote tally). In case of a tie vote, the Dean of Student Affairs will make the decision. Careful minutes to both meetings should be kept including the results of the vote tally. If any student feels he or she has been injured by a colleague, he should discuss the matter with the Dean of Academic Affairs. If the aggrieved student wishes to pursue the matter further, it will be the function of an appointed committee composed of the Dean of student, Dean of Academic Affairs and one student to examine matters carefully and render a recommendation to the Dean of Student Affairs.

## **Student Complaints**

A student or any member of the public including prospective students may file a complaint about the school with the Bureau for Private Postsecondary Education by calling (888) 370-7589 (toll-free telephone number) or by completing a complaint form, which can be obtained on the bureau's Internet Web site <u>www.bppe.ca.gov</u> If a student has grievances which he or she cannot work out with the school, he or she may call or write to:

Bureau for Private Postsecondary Education Mailing Address: P.O. Box 980818 West Sacramento, CA 95798-0818

Physical Address: Bureau for Private Postsecondary Education 2535 Capitol Oaks Drive, Suite 400 Sacramento California, 95833

## **Emergency and Campus Crime**

Any student in an emergency should call 911. If a student needs assistance, ask the Office of the Dean of Student Affairs. On campus, crime is very scarce. However, students are encouraged to walk in groups and watch one another.

## **Student's Rights and Due Process**

A student who believes that disciplinary procedures are unwarranted or unfair has the right to due process. The sequence of steps starts with a meeting with the Dean of Student Affairs to make sure the student understands the offence and to evaluate the student's attitude. At that

meeting, the Dean of Student Affairs will provide the student a written statement concerning the suspect behavior. If the student does not evidence a change of behavior, the process will go forward through probation, suspension and expulsion. At the point that the later three steps begin, a student may notify the Dean of Administration that he or she wants to appeal his or her case to a committee of disinterested faculty and students (i.e. members of the student government unless they are somehow involved). A final appeal can be made to the administrative faculty council. Concerning discipline and due process, the student has the following rights:

- The student has a right to know the charges against him and to receive them in writing.
- The student has a right to have a hearing consisting of a committee of disinterested faculty (two) and students (preferably two members of the student government) and the Dean of Student Affairs. This committee will make a recommendation to the administrative council, which will make the final decision. The final decision will be signed by the president and a copy will be given to the student.
- The student also has a right to confront his or her accusers (e.g. explain his or her side of the story, cross-examine witnesses, bring his or her own witnesses)
- A student may be represented or assisted (e.g. a character witness's testimony) by anyone he or she chooses
- The student has a right to the minutes of the proceedings and a written copy of the decision.
- The student may appeal this decision by requesting another hearing before the administrative council. The final decision will be signed by the president and a copy will be given to the student.

## **Payment Policy**

Tuition is expected to be paid in full either at the time of registration or before the end of the first week of classes. Those students who are unable to pay the tuition may ask to be considered for the deferred payment plan.

A student is not considered registered and cannot continue to attend classes until he either has paid all educational costs or has been approved for the deferred payment plan.

If students don't pay whole or partial tuition by the end of the first week after school starts, they can't take a class.

## **Deferred Payment Plan**

A student may elect an optional up to three (3) payments plan. Please note that a special handling fee of \$10.00 per each time will be required for this plan.

One-third of the tuition plus a special handling fee is due on the last day of registration.

A second one-third payment is due during the fourth week.

The final payment is due during the eighth week.

When students want to use a deferred payment plan, they should pay by cash, check or wire transfer with any wire transfer fees.

#### Late charge fees:

\$50.00 will be charged to the student who fails to make a payment after every scheduled payment due. Another \$50.00 per each month will be charged to the student who fails to make a payment after the final due.

For example, if a student made the first payment at the spring registration but failed to make the second payment at the fourth week and the third payment during the spring semester, the student paying for the fall registration will be responsible for \$50.00 late fee for each missing payment during the spring semester, then \$50.00 for each month they failed to make the final payment after the spring semester ended. Therefore, they could owe: \$100.00 (March and April), \$50.00 for each month (May, June, and July), and therefore owe: \$250.00.

## **Cancellation, Drop, and Withdrawal Policy:**

#### **Student's Right to Cancel**

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later. Thereafter, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled hours in the current payment period in your program through the last day of attendance.

To cancel the enrollment agreement or withdraw from the institution, a written notice of cancellation, drop, or withdrawal must be submitted to the Office of the Registrar: Main Office, 15605 Carmenita Rd., Santa Fe Springs, CA. 90670

## **Student Tuition Recovery Fund (STRF)**

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in educational programs who are California residents or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary Education.

You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid the STRF assessment, and suffered an economic loss because of any of the following:

1. The school closed before the course of instruction was completed.

- 2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
- 3. The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
- 4. There was a material failure to comply with the Act or this Division within 30 days before the school closed or, if the material failure began earlier than 30 days prior to closure, the period determined by the Bureau.
- 5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.

You must pay the state-imposed assessment for the student-Tuition Recovery Fund (STRF) if all of the following applies to you:

- 1. You are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition either by cash, guaranteed student loans, or personal loans, and
- 2. Your total charges are not paid by any third-party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if either of the following applies:

- 1. You are not a California resident, or are not enrolled in a residency program, or
- 2. Your total charges are paid for by a third-party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

## **Refund of Tuition**

The student has a right to a refund of tuition. *Fees are not refundable*. Any refunds will be made as soon as possible but no later than 45 days from the determination of withdrawal date. Students receiving Federal Financial Aid are subject to the return calculation first.

The date when the registrar receives the official Add/Drop form determines the date of withdrawal. Failure to attend class is not withdrawal. Refund schedule for dropping courses; Fall/Spring Semester

- 100% refund until attendance at the first-class session, or the seventh day after enrollment, whichever is later. The course is completely taken off the student's transcript, with no record of ever registering for the course.
- Thereafter, pro-rated refund if completed 60 percent or less of the scheduled hours. A student needs to acquire the signature of the Academic Dean in order to withdraw from a course. When a student withdraws from a course, the student will receive a "W" on their transcript.

Summer Session or intensive class

- 100% refund before afternoon class on the first day. The course is completely taken off the student's transcript, with no record of ever registering for the course.
- Thereafter, pro-rated refund if completed 60 percent or less of the scheduled hours. A student needs to acquire the signature of the Academic Dean to withdraw from a course. When a student withdraws from a course, the student will receive a "W" on their transcript.

(Example) if a student withdraws a course after 18 hours out of 45 hours (3 credits x 15 weeks) and its tuition is \$720, the refund will be:  $720-720 \times 18/45$  credit hours=\$432.

When a student withdraws from PTSA, he shall be deemed to have withdrawn when following occurs:

- The student notifies the Registrar of his intent to withdraw.
- PTSA terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations; absences more than maximum set forth by the institution; and/or failure to meet financial obligations.
- The student has failed to attend all classes for three consecutive weeks and fail to inform the school that he is not withdrawing.
- The student fails to return from a leave of absence.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund more than the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student. If the student has received Federal Student Financial Aid funds, the student is entitled to a refund of monies not paid from Federal Student Financial Aid program funds.

## Scholarship

Every semester, Presbyterian Theological Seminary in America awards scholarships to worthy, qualified students. The total scholarship amount cannot exceed the student's total amount of

tuition. The recipients will receive the credit for the amount of the scholarship toward their tuition (Detailed information on scholarship aid is available at the main office, or from the Dean of Student Affairs).

## **Scholarship Committee**

The Scholarship Committee has the task of screening the awarding for scholarships. The Dean of Student Development is the Chairperson for the scholarship committee. The Dean of Student Development is responsible for the overall coordination and direction of the scholarship program. It is organized by these officials as follows: the President, the Dean of Academic Affairs, the Dean of Student Development, the Dean of Planning and External Cooperation, the Dean of online education, and the Financial Aid Officer.

All scholarships are awarded based on the individual's acceptance as a full-time student at the PTSA. In the case that several selected students happen to have the same GPA, the scholarship will be based on the total score and the attendance rate for the chapel of the previous semester. Most scholarships are awarded for once per semester only. The student must reapply each academic semester and indicate a desire to maintain the scholarship. However, in the cases in which the selected recipient happens to be graduating, then he or she will not be eligible to receive it, because scholarships are not paid in cash but in tuition fees. The PTSA offers scholarships for spouses/family members, pastors/missionaries, pastor's/missionaries' sons or daughters, and family members of the faculty and the staff (please see tuition and fees). PTSA also offers several limited scholarships to students based on need. Students who have been selected to receive multiple scholarships could only be awarded a scholarship complies with the decision of the Scholarship Committee. Many types of scholarships are available for students: (please see the Scholarship Chart for the details at our website: www.Ptsa.edu)

**Academic Achievement Scholarship**: Students in each program with the highest-grade point average (GPA) from the previous semester will each receive a scholarship for their next semester. (One student will be selected from each program with a minimum of 15 full-time enrolled students and two students will be selected from each program with a minimum of 20 full-time enrolled students). If a student's GPA is not higher than 3.0 or the requirement of Chapel attendance is not met, then the student is not eligible.

*Financial Need Scholarship*: Students who have financial needs are invited to obtain an application from the school office. They are to complete the application and submit it to the Student Dean. The Scholarship Committee will consider the applications for the following academic semester.

**Designated Scholarship**: A church or organization may choose a student to support, or they may provide a scholarship for a particular type of student which will be announced when available. Students should see the student dean to apply for a designated scholarship.

## Scholarship for Bachelor Students from A & E Christian Foundation

Scholarship Committee for Bachelor students has the task of screening the awarding for scholarships. It is organized by these officials as follows: the Dean of Undergraduate Studies, the Academic Chief of Undergraduate Programs, the Dean of Student Development, and the 4-5 selected professors who have taught the bachelor students (those professors are organized every

semester). All scholarships are awarded based on the individual's acceptance as a student at the PTSA who takes at least 3 classes). In the case that several selected students happen to have the same GPA, the scholarship will be based on the cumulative GPA. The student must reapply each academic semester and indicate a desire to maintain the scholarship. However, in the cases in which the selected recipient happens to be graduating, then he or she will not be eligible to receive it. The Bachelor Programs offer scholarships for students who are in need, those who work/serve for the Bachelor Programs, and those who are designated by external sponsors.

**Academic Achievement Scholarship**: Students in the Bachelor Programs with the highest-grade point average (GPA) from the previous semester will each receive a scholarship for their next semester. One who has the highest GPA will receive \$ 2,500, two students with the second-highest GPA will receive \$ 1,500, and three students with the third-highest GPA will receive \$ 1,000. Each student needs to apply for a scholarship application for receiving the scholarship. If he or she receives their tuition through FSA will be paid in cash, check or Paypal for book purchase, housing fee, study support and so forth.

*Financial Need Scholarship*: Students who have financial needs are invited to obtain an application from the office of the Bachelor Programs. They are to complete the application and submit it to the Dean of the Bachelor Programs. Also, students need to submit a pastor's recommendation letter. For receiving this type of scholarship, students take three classes (9 units) in the previous semester and meet the following GPA: if his or her GPA meets over 3.0, they will receive \$ 1,500; If their GPA meet over 2.5, they will receive \$ 1,000; If their GPA meet over 2.0, they will receive \$ 500.

*Service Scholarship*: A student who works/serves for the Bachelor Programs as an academic affairs secretary, a public relations administration secretary, or an administrative secretary will receive \$ 200 per month for 6 months with the scholarship application. The minimum GPA in the previous semester should be over 2.0.

**Designated Scholarship**: A church or organization may choose a student to support, or they may provide a scholarship for a particular type of student which will be announced when available. Students should see the Dean of Bachelor Studies to apply for a designated scholarship.

## **Financial Aid (TITLE IV)**

Federal Student Aid (FSA) is available for eligible students. We are committed to helping students apply and receive FSA based on their eligibility.

PTSA offers the Federal Pell Grant, Federal Supplemental Education Opportunities Grant (FSEOG), Federal Work Study (FWS), and Federal student loan program.

**Federal Pell Grant** is a form of need-based federal financial aid that typically does not have to be repaid, which makes it highly desirable. It is awarded by the U.S. Department of Education to help eligible low-income students pay for college costs, including tuition, fees, room and board, and other educational expenses.

**Federal Supplemental Education Opportunities Grant (FSEOG)** program provides need-based grants to help low-income undergraduate students. The students with "exceptional need" (those with the lowest Expected Family Contributions, or EFCs) have priority.

**Federal Work Study (FWS)** provides part-time jobs for students with financial need, allowing them to earn money to help pay education expenses.

**Federal student loan program** is the William D. Ford Federal Direct Loan (Direct Loan) Program. Under this program, the U.S. Department of Education is your lender.

Students may borrow up to the amount of the student's cost of attendance less other expected financial assistance (not to exceed annual loan limits).

Funds received from either of the loan programs are subjected to repayment from the student. Before a loan document is submitted to the USDE, students must be fully aware of the financial responsibilities under these loan programs, the rights that the student has under the individual loan program conditions, and the consequences of failing to meet the repayment obligations.

- Direct Subsidized Loans (Interest earned while in school and during grace period is covered by the USDE) are loans made to eligible undergraduate students who demonstrate financial need to help cover the costs of higher education at a college or career school.
- Direct Unsubsidized Loans (Interest earned while in school and during grace period may be delayed until the repayment period and will be added to the loan balance) are loans made to eligible undergraduate, graduate, and professional students, but eligibility is not based on financial need.
- Direct PLUS Loans are loans made to graduate or professional students and parents of dependent undergraduate students to help pay for education expenses not covered by other financial aid. Eligibility is not based on financial need, but a credit check is required. Borrowers who have an adverse credit history must meet additional requirements to qualify.

STUDENTS ARE ENCOURAGED TO KEEP THEIR LOAN DEBT AS LOW AS POSSIBLE. THESE LOANS ARE AGGRESSIVELY COLLECTED BY THE USDE AND ITS CONTRACTORS. INTEREST LIABILITY ON LATE PAYMENTS IS VERY EXPENSIVE. LACK OF PAYMENT IS A VERY DAMAGING TO UNITS HISTORY AND FUTURE BORROWING POWER.

## **Eligibility Requirements**

You must:

- demonstrate financial need.
- be a U.S. citizen or an eligible noncitizen.
- have a valid Social Security number (with the exception of students from the Republic of the Marshall Islands, Federated States of Micronesia, or the Republic of Palau);
- be registered with <u>Selective Service</u>, if you're a male (you must register between the ages of 18 and 25);
- be enrolled or accepted for enrollment as a regular student in an eligible degree or certificate program;

- maintain satisfactory academic progress and attendance
- sign the certification statement on the *Free Application for Federal Student Aid (FAFSA)* stating that
- you are not in default on a federal student loan and do not owe money on a federal student grant and
- you will use federal student aid only for educational purposes; and
- show you're qualified to obtain a college or career school education by
- having a high school diploma or a recognized equivalent such as a General Educational Development (GED) certificate;
- completing a high school education in a homeschool setting approved under state law (or—if state law does not require a homeschooled student to obtain a completion credential—completing a high school education in a homeschool setting that qualifies as an exemption from compulsory attendance requirements under state law); or

To apply for Title IV aid, a student must submit a Free Application for Federal Student Financial Aid (FAFSA). This is required for all students who wish to receive FSA. Through an established formula a student's need is calculated based on an analysis of household and financial information from the FAFSA and determining the Expected Family Contribution (EFC).

#### Federal Deadline

FAFSA applications must be received by June 30 in the year on which the application is intended for. The earlier you file, the more grant money you are likely to receive.

## Applying for Financial Aid

Financial aid is funding that will help you and your family meet college expenses such as tuition, fees, books, supplies, etc. The basic sources of aid are grants, scholarships, and employment.

You and your parents (if you are dependent) are still considered the primary source of funding for these costs. Financial aid is intended to fill the gaps where you and your parents might fall short in paying for your education.

Follow these three steps to apply for financial aid:

- 1. Submit the FAFSA.
- All students who wish to be considered for federal and state financial aid must complete a FAFSA (Free Application for Federal Student Aid). The FAFSA or Renewal FAFSA should be completed at https://studentaid.ed.gov/sa/fafsa as soon as possible after October 1 for the upcoming academic year.

- Students whose FAFSAs are received by the priority filing date are given first consideration for some federal financial aid programs that have limited funds.
- PTSA's school code for the FAFSA is 041228.
- Retain the printout of your confirmation page after submitting your FAFSA online. This is your proof that you applied. Save to your computer a copy of the FAFSA submitted online or retain a copy of the paper FAFSA or Renewal FAFSA for your file.
- 2. Check your email.
- Within approximately two weeks after submitting your FAFSA online you should receive a SAR (Student Aid Report) indicating that your FAFSA has been processed and sent to the institutions you designated. Check the SAR for accuracy, and make sure that PTSA is listed as the school you plan to attend.
- 3. Submit all requested documents.
- Upon receipt of your electronic FAFSA data from the federal processing center, we will mail you a letter requesting documents needed to complete your file. SUBMIT all requested documentation promptly. You may be asked to submit copies of tax transcripts or other documentation to complete your financial aid application. Respond promptly to these requests (and any follow-up requests) to assure timely processing of your application. Please check your e-mail often to see if there is any other correspondence from the Financial Aid Office. The Financial Aid Office uses the PRIMARY email address registered with Admissions.
- To stay compliant with federal regulations, the financial aid office must determine if your high school credential is valid. You must also submit all previously attended college transcripts to be a fully admitted student, whether or not you plan on transferring any of the credits to your new degree/diploma at PTSA.
- Once documentation is received by the financial aid office, it takes approximately 2-3 weeks to process. Please plan accordingly.

The Financial Aid office is available to assist students with the application.

**Award Notifications**: Financial aid award packages are e-mailed to those students whose files are complete by the priority date.

**Award conditions and responsibilities**: Be sure to read the emails for conditions attached to your award. Every student must keep minimum requirements for attendance and grades (above GPA 2.0).

**Financial aid disbursement**: Financial aid is awarded by the Financial Aid Office but is disbursed by the PTSA Business Office. If you have financial aid that amounts to more than your tuition/fees, the balance will be given to you by a check. Financial Aid awards made for the academic year are usually disbursed in two installments; one each semester, assuming you are registered for the number of hours on which your financial aid award was based.

If you have any questions, please stop by the campus office or call at 562-926-1023(Ext. 302) or e-mail us at <u>Fsa@ptsa.edu</u>.

## **Reapplying for Financial Aid**

You must apply for federal student aid for every school year that you attend.

A PELL Grant award is received for one award year (July 1 to June 30 of the following year), and is not automatically renewed for the next award year. Students must re-apply for the PELL Grant and submit a copy of the new SAR or ISIR to the financial aid office for each award year.

To reapply, you should submit a Free Application for Federal Student Aid (FAFSA). If you submitted a FAFSA previous year and you are eligible to complete a Renewal FAFSA, you may choose to have most of the questions pre-filled with the information you provided. Simply updating the information for the new school year on a Renewal FAFSA may be faster. However, the Renewal FAFSA is available solely for your convenience. If you prefer to start fresh with a new FAFSA, you are free to do so.

To reapply, click Login on the home page to log in to FAFSA on the Web, and then click FAFSA Renewal

- Please note the amount of Federal Pell Grant funds **you may receive over your** *lifetime is limited by federal law to be the equivalent of six years of Pell Grant funding.* Since the maximum amount of Pell Grant funding that a student can receive each year is equal to 100%, the six-year equivalent is 600%.
- Percent used: To determine how much of the maximum six years (600%) of Pell Grant you have used each year, the U.S. Department of Education (ED) compares the actual amount you received for the award year with your scheduled award amount for that award year. Of course, if you receive the full amount of your scheduled award, you will have used 100%. It's possible that you might not receive your entire scheduled award for an award year. There are several reasons for this, the most common of which are that you are not enrolled for the full year or that you are not enrolled full-time, or both.
- If you did not receive the full amount of your scheduled award, we calculate the percentage of the scheduled award that you did receive. For example, if your scheduled award for an award year is \$5,000, but because you were enrolled for only one semester you received only \$2,500, you would have received 50% of the scheduled award for that award year. Or if you received only \$3,750 for the award year because you were enrolled three-quarter-time and not full-time, you would have received 75% for that year.

• They are at least 24 years of age

• They have children whom they financially support more than 50%

• They are a member of the Military or Veteran

## Verification

Verification is the confirmation through documentation that the information provided on a student's Free Application for Federal Student Aid (FAFSA) is correct. The federal government requires colleges and universities to verify or confirm the data reported by students and their parent(s) on the FAFSA. Federal regulations 34 C.F.R Part 668, subpart E, dated March 14, 1986 April 29, 1994, November 29, 1994 – executing legislation 20 U.S.C. 1094 governing the Title IV programs require schools to be sure of certain applicant-reported data. The verification process ensures that eligible students receive all the financial aid to which they are entitled and prevents ineligible students from receiving financial aid to which they are not entitled. The school requires that these policies are made available to all applicants for financial aid, as well as prospective students upon request. This procedure is part of the Admissions process. To follow the regulation and achieve consistency governing this process, the following verification policies apply to all applicants for Title IV programs. Under the regulations, the school may not

disburse PELL grants until completion of verification.

Presbyterian Theological Seminary in America shall verify 100% of those students selected by the CPS system for verification.

#### Verification Exclusions

A selected application may be exempt from some or all of the verification requirements due to certain unusual circumstances. Except in the case of the student's death, however, none of these verification exclusions excuses the school from the requirement to resolve conflicting information.

-Incarceration. A selected application does not have to be verified if the student is in jail or prison at the time of verification.

-Recent immigrant. A selected application does not have to be verified if the student is an immigrant who arrived in the United States in a certain year.

-Spouse unavailable. A school isn't required to verify spouse information (or to obtain the appropriate signature for verification purposes) if any of the following conditions apply:

• The spouse is deceased or mentally or physically incapacitated.

•The spouse is residing in a country other than the United States and cannot be contacted by normal means.

• The spouse can't be located because his or her address is unknown, and the student cannot obtain it.

#### Applicant verified by another school

If the student completed verification for the current award year at another school before transferring, all the following documents must be provided by letter from that school in order to document a student's eligibility for verification exclusion. The letter must include:

- a statement that the student's application data have been verified,
- the transaction number of the verified application, and

• if relevant, the reasons why the school was not required to recalculate the student's EFC (for example, the application errors may have been within the allowable tolerance).

**Required Verification Documents**: Examine the data items listed in 34 C.F.R 668.56. Different data items apply to different applicants depending upon student dependency status and the Title IV programs used. Data items include:

- household size
- number enrolled in college
- adjusted gross income (AGI)
- U.S. income tax paid, and
- certain untaxed income and benefits

#### **Documentation Required**

Tax filer students, spouses and/or parents (as applicable) should submit their IRS Tax Return Transcript and Copy of tax return. Non-tax filer students, spouses, and/or parents (as applicable) should submit their W-2, form 4868, Signed statement, or agency documentation for SNAP (food stamps) benefits. Applicants shall complete the appropriate sections of the Verification Worksheet.

There are two different worksheets: One for dependent students and one for independent

students. Use the worksheets to update information and for verification of data. Applicants shall follow the instructions in the Verification Worksheet. The school's financial aid office may require/provide other appropriate forms.

#### **Time Period for Providing Documentation**

It is a federal regulation that our institution receives the required verification documents no later than 90 days after their last date of enrollment for the award year. Financial aid cannot be awarded after a term for which you are enrolled has ended.

If the student cannot provide all required documentation, the school cannot complete the verification process. The school must then advise applicants that they are not eligible for financial aid funds.

### **Applicant Responsibilities**

To be eligible to receive Title IV funds, we require applicants to provide requested information during the time-period(s) specified in these policies.

If a student's FAFSA is selected for verification after already receiving an award and the student fails to complete the verification, financial aid will be retracted, and the student will be billed.

The Financial Aid Office will compare all required documents to your information from the FAFSA. If necessary, corrections will be made. If corrections to a student's FAFSA result in a change in the amount of financial aid that was initially awarded, our office will generate a revised financial aid award.

Applicants must certify that the following items are correct as listed on the original application; or, if not correct, must update the information as of the date verification:

- Number of family members in the household
- Number of family members in the household enrolled as full-time or part-time students at postsecondary institutions
- Change in dependency status
- Federal PELL Grant applicants whose dependency status changes during the Award Year must file a correction application.
- This process does not apply if the change occurs due to marriage.
- Campus-based applicants whose dependency status changes during the Award Year must have their FC re-calculated. This process does not apply if the change occurs due to marriage.
- The applicant must repay any extra award amount or any award discovered during verification for which he/she was not eligible.

#### **Referral Procedure**

The school shall forward to the Secretary of Education for referral on fraud cases.

#### **Disbursement Information**

All Grant funds will be posted to your account for use against tuition and book charges. All awards are based on your continued progress in your program of study. Aid will be suspended

for lack of satisfactory academic progress.

After you are notified by email that you have an estimated award offer, you must access your Campus Ivy account and accept or decline each financial aid award item with your e-signature.

If you do not accept any aid, funds will not disburse unless aid is accepted. If aid is not accepted within 30 days of the offer, your award may be canceled.

WARNING: YOU MUST ATTEND ALL OF YOUR CLASSES TO BE ELIGIBLE FOR FUNDS FROM FEDERAL GRANTS! YOU MUST DROP YOUR CLASSES PRIOR TO THE FIRST DAY OF CLASS IF YOU CHOOSE NOT TO ATTEND OR YOU WILL BE RESPONSIBLE FOR PAYING TUITION.

Tuition is \$260.00 per credit hour for 2022-2023. To estimate the balance left for books, supplies, transportation, please subtract your expected tuition cost from your total award per semester.

Pell grants are broken down into 4 categories based on your enrollment per semester. \*Some students enrolled in less than 12 credit hours may be ineligible for the Pell Grant.

Less than half time (1-5 hours) 25%

Half time (6-8 hours) 50%

Three quarter time (9-11 hours) 75%

Full time (12+ hours) 100%

## SATISFACTORY ACADEMIC PROGRESS POLICY FOR FINANCIAL AID STUDENTS

One of the requirements of eligibility for Federal Student Financial Aid is a student must maintain Satisfactory Academic Progress (SAP) and be in good academic standing. At the end of each semester, PTSA will measure the student's performance according to the Satisfactory Academic Progress Policy. All attempted coursework is included in calculations involving Satisfactory Academic Progress for financial aid eligibility. Those who fail to make satisfactory progress will be given one semester of financial aid warning for Federal Student Financial Aid.

**1. Financial aid warning -** PTSA will notify students in writing for failing to make satisfactory academic progress and place the students on financial aid warning at the end of each semester. Warning status lasts only one semester, during which the student may continue to receive Federal Student Financial Aid. Students who fail to make satisfactory progress after the warning period lose their aid eligibility unless they successfully appeal and are placed on probation.

**2. Financial Aid Appeal -** When a student loses Federal Student Financial Aid eligibility because he failed to make satisfactory progress, he may appeal that result on

the basis of; his injury or illness, the death of a relative or other special circumstance. His appeal must explain why he failed to make satisfactory progress and what has changed in his situation that will allow him to make satisfactory progress at the next evaluation.

SAP appeals must be submitted by the first Friday of classes of each semester.

Per Federal financial aid regulations, appeals are not automatically accepted and may be denied based on failure to maintain Satisfactory Academic Progress standards set forth at the PTSA.

SAP appeals will be reviewed by the Academic Committee and will be notified by e-mail if appeal is accepted or denied.

Up to three appeals may be accepted.

If the student is meeting the requirements of the academic plan, the student is eligible to receive Title IV aid as long as the student continues to meet those requirements and is reviewed according to the requirements specified in the plan.

## 3. Financial aid probation -

If based on the appeal PTSA determines that the student should be able to meet the SAP standards by the end of subsequent semester, students will be placed on financial aid satisfactory progress probation.

Students are eligible for financial aid while on probation and this probation status lasts only one semester.

If SAP probationary requirements are not met within the probation term, the student will again become ineligible for financial aid and may need to file another SAP appeal.

If based on the appeal PTSA determines that the student will require more than one semester to meet progress standards, PTSA may place him on probation and develop an academic plan for him. PTSA will review the student's progress at the end of each semester as is required of a student on probation status, to determine if the student is meeting the requirements of the academic plan. If the student is meeting the requirements of the academic plan, the student is eligible to receive Title IV aid as long as the student continues to meet those requirements and is reviewed according to the requirements specified in the plan.

## 4. Regaining Eligibility

Students who are not meeting SAP requirements for GPA or pace may regain eligibility on their own without submitting an appeal by attending and achieving overall SAP requirements without the assistance of federal financial aid. Students who are not meeting SAP requirements are checked each semester and are made eligible for federal aid if they are now meeting overall SAP requirements.

The same process applies to students who have submitted a SAP appeal that has been denied, they can attend without the use of federal financial aid. Students who have been denied a SAP appeal can re-appeal after one semester without federal aid. These students

are monitored each semester and are made eligible for federal aid if they are now meeting overall SAP requirements.

## Federal Title IV Refunds Policy

When a student who receives Federal Student Aid funds withdraws from the PTSA prior to completing 60% of a payment period (Fall and Spring Semesters), the student - after the return calculation - may be required to return a portion of the received Aid within 45 days of their withdrawal. For students who are required to return Title IV aid in addition to the portion of aid the school is required to return, there is a 50% protection allowance on unearned Title IV student grants only. Loans would need to be repaid in full.

A return is only required of those students who withdraw from the school or who cease to be enrolled. A student who reduced his/her course load is considered a reduction and not a withdrawal. A return calculation is not required for such students.

The required calculation determines a student's earned and unearned Title IV aid based on the percentage of the enrollment period completed by the student. The percentage of the period that the student remained enrolled is derived by dividing the number of days the student attended by the number of days in the enrollment period.

If the withdrawal date is after the 60% point in the payment period or period of enrollment, a student is considered to have earned 100% of the Title IV funds he or she was scheduled to receive during the period. For such a student there are no unearned funds. PTSA will still complete a return calculation to determine whether the student is eligible for a post-withdrawal disbursement.

PTSA must determine the student's withdrawal date. The withdrawal date is defined as:

1. The date the student began the withdrawal process or officially notified PTSA of his/her intent to withdraw; or

2. The last date of attendance at an academically related activity by a student who does not notify PTSA.

Based on the date of the withdrawal, the Financial Aid Office will determine the actual date of the student's withdrawal and, using the Return of Title IV form provided by the Department of Education, they will calculate the amount, if any, the student must return. The student will then be notified by mail of the amount the Federal Student Financial Aid stated that they must return. In some cases, both the school and the student may be required to return unused or unearned portions of Federal Aid to the Federal Title IV program.

#### **Overpayments and Over-awards**

There are times when a student's award package exceeds the student's need. There may also be circumstances that change a student's award package after the aid has been awarded that result in an overpayment. For example, a student may receive a scholarship or grant from an outside source or organization, or the student may want to extend his or her work-study employment. In case of overpayments or over-awards, the PTSA financial aid office will adjust other Federal Student Financial Aid in the package.

Pell Grants are never adjusted to consider other forms of aid. Therefore, the adjustments will be made to the Stafford Loans and/or Campus-Based programs.

Students who owe funds due to overpayment or over-award will be required to make payment of those funds within 30 days of receiving a written notice from the Financial Aid office.

Students can send in the overpayment or over-award to the PTSA and the payment will be forwarded to the U.S. Department of Education. If a student is unable to pay their overpayment in full, they can set up a repayment plan with the U.S. Department of Education. Before doing this, they must contact the PTSA Financial Aid Office. They will need to make sure the school has referred their situation to the U.S. Department of Education before any repayment plan can be set up.

If the student whose overpayment case has been accepted by the Department of Education wishes to establish a repayment schedule, the student should contact Borrower Services by calling 1-800-621-3115 or write to:

U.S. Department of Education Borrower Services – Default Resolution P.O. Box 5609 Greenville, Texas 75403

For examples of the Return of Title IV Funds calculations or questions regarding the overpayment policy, please contact the Financial Aid Office.

#### Satisfactory Academic Progress (SAP)

The Satisfactory Academic Progress Policy ("SAP") is composed of Qualitative Standard and Quantitative Standard.

## **Qualitative Standard**

Students have to maintain a good academic standing. PTSA requires undergraduate students and ELSP students to maintain a 2.0 GPA in all courses attempted at PTSA and a 2.0

cumulative GPA. Graduate students are required to maintain a 2.5 GPA in all courses attempted at PTSA and a 2.5 cumulative GPA. Repeated courses which the student previously passed are not counted toward satisfactory academic progress requirements.

### **Quantitative Standard**

There are two components in quantitative standard;

(a) Acceptable Passing Rate and (b) Unit and Time Limit to complete an education program.

(a) Acceptable Passing Rate: Excluding transfer units, an overall ratio of units earned at PTSA to units attempted is calculated. Withdrawn and incomplete units are attempted with zero units earned. Students must complete 67% of units attempted.

(b) Unit and Time Limit: To complete the program, no more than 150% of the number of units required can be attempted. For determination of satisfactory academic progress, all attempted units at PTSA are counted. For transfer students, only transferred units that apply to the degree program are counted.

### SAP for Undergraduate Students

A full-time status of undergraduate students is obtained by completing a minimum of 12 credits per semester or 24 credits per academic year. A full-time undergraduate student is also required to complete the requirements of 128 credits while maintaining a 2.0 GPA in all courses attempted at PTSA and a 2.0 cumulative GPA.

A student on Academic Probation who does not successfully remove himself/herself from Academic Probation at the end of three consecutive semesters of Academic Probation will be recommended for dismissal from the institution.

The maximum period granted for the completion is 6 years, 12 semesters (150% of the published length of four years)

## **Veteran Benefits**

PTSA is proud to offer financial support to students who are U.S. military veterans. Additionally, the Seminary is a participant of the Department of Defense's Tuition Assistance (TA) program for Active military service members, as outlined in the Veterans Benefits and Transition Act of 2018 (Section 103).

GI bill® is a registered trademark of the U.S. department of veteran's affairs (VA). more information about education benefits offered by VA is available at the official U.S. government web site at <u>http://www.benefits.va.gov/gibill</u>.

To apply for Veteran's Administration (VA) benefits under the GI Bill®, student should contact

the Veteran's Administration (VA) directly at 1-888-442-455. Student can also apply for benefits by visiting https://www.benefits.va.gov/BENEFITS/Applying.asp

The Veteran's Administration determines eligibility and benefit amount.

If eligibility is granted, students will receive a Certificate of Eligibility (COE). After student have applied for admission, they will need to provide COE to the School Certifying Official (SCO) at the PTSA.

Once students have been accepted to the school and registered for classes the SCO will certify enrollment with the VA. Certification automatically takes place 30 days prior to the start of classes. If a student does not wish to use your benefits, he/she notify the SCO in writing prior to the certification. The VA will not pay any benefits until enrollment is certified by the PTSA.

It is recommended that in addition to applying for VA Benefits that students complete the FAFSA (Free Application for Federal Student Aid) by visiting www.studentaid.gov. FAFSA could cover any expenses not covered by the VA.

## **Progress Policy**

Academic Progress will be measured at the end of each semester for all students receiving

Veterans benefits. If, at the end of any given semester, the student's cumulative GPA falls below

2.0 for B.Th. and 2.5 for M.Div., the students will be placed on probation for a maximum of two semesters. If, by the end of the probation period, the student's cumulative GPA is not raised to above 2.0 for B.Th. and 2.5 for M.Div., the Veterans Administration will be notified, and benefits will be interrupted. Academic Progress records are maintained by the school and will be furnished to the student upon request.

If the SCO/director determines that the conditions which caused the interruption have been rectified, the student will be eligible to receive benefits from that point forward.

#### **Steps to get started:**

- \* Apply to Presbyterian Theological Seminary in America
- \* Determine your chapter.
- \* Apply online for your GI Bill Benefits.
- \* Apply online for financial aid by submitting the FAFSA application. (B.Th. student only)
- \* Counseling with an Academic Dean
- \* Register for Classes

\* Meet the SCO and notify, and turn in request for certification: you must do this every semester to be paid

\* Bring in LETTER OF ELIGIBILITY (as soon as you receive it): This is the letter the VA will send you by mail once you have been approved for your GI Bill. If you change schools, you will receive a new one once the VA approves any changes.

## **Student Responsibility**

### **Applications for Benefits:**

VA students can submit applications online at <u>http://www.ebenefits.va.gov/ebenefits/vonapp</u>. Or they can call 1-888-442-4551 and ask that an application be mailed to them. All VA students must file an application when they first start school.

\* New student: A student who haven't received VA benefits before must file an original application (Veterans VA Form 22-1990: dependents VA Form 22-5490): ToE students VA-Form 22-1990e)

\* Continuing student: A student who has received VA benefits before must file a Request for Change of Program or Place of Training (Veterans and ToE students VA Form 22-1995: dependents VA Form 22-5495). Students applying for Chapter 33 in lieu of (or relinquishing) another benefit should complete a VA Form 22-1990.

\* Change of Address and Direct Deposit

Address and direct deposit information must be kept current.

#### **Monthly Verification Procedure**

Currently, CH 30 and CH 1606-1607 recipients must verify attendance monthly by Web Automated Verification of Enrollment (WAVE) or by interactive Voice Response (IVR). The preferred verification method is WAVE, which includes features not in IVR. Click on the link to the WAVE Program and follow the instructions provided. The earliest students can verify their enrollment is the last calendar day of each month. WAVE allows students to verify their enrollment on the internet.

WAVE is on the Education Service website at https://www.gibill.va.gov/wave/index.do. Students may :

- \* that enrollment has not changed
- \* Report a change in enrollment
- \* Change mailing address
- \* Initiate or change direct deposit information
- \* View the enrollment period and monthly benefit amount
- \* View the remaining entitlement
- \* Sign up for a monthly email reminder

#### **Continuation of VA Benefits**

The sooner you submit your request for certification to the school, the less likely you are to have a break in your monthly payments. However, Presbyterian Theological Seminary in America cannot guarantee when you will be paid. Multiple schedule changes will cause a delay in processing your certification.

### **The Certification Process**

#### NON-REQUIRED COURSES

The Veterans Administration will pay only for courses listed on your Student Educational Program Plan. These approved courses must meet the minimum requirements for transfer or graduation established by PTSA.

#### REPEAT COURSES

The VA will not pay for repeated courses which were successfully completed. Letter grades of "A", "B" or "C" are approved for payment of required courses. Students who repeat a course for the purpose of obtaining Academic Repeats will not be paid.

#### VETERANS WITH DISABILITIES

PTSA is committed to the provision of support services and/or educational accommodations to qualified students with disabilities.

### **Contact Information**

If you have any questions or comments, please send an email to: fsa@ptsa.edu OR drop into Room 302. Make your appointment to see the certifying official before your registration time if you want your benefits to be distributed in a timely manner.

Office hours: Office hours are subject to change. Monday – Friday, 9:00am - 5:00pm

### FERPA

FERPA is the Family Educational Rights and Privacy Act of 1974, a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. One purpose of FERPA is to protect the privacy of information concerning individual students by placing restrictions on the disclosure of information contained in an individual student's educational record. FERPA provides students certain rights with respect to their educational records. This means that access to your information is limited to yourself and authorized individuals.

The Office of Financial Aid is responsible for reviewing and updating information regarding FERPA. The Director of Financial Aid, Sunny Kim, updated this information in April 2020. Students can obtain the information at the campus office.

In compliance with FERPA, PTSA releases no personally identifiable information (PII) of students without the express written consent of the student. Exceptions to this practice are information defined as "Directory Information," including: student's name; dates of attendance; enrollment status and curriculum; academic honors; and degrees, diplomas or certificates awarded. Student addresses and phone numbers are released per request to the U.S. Military. Students who wish to block this "Directory Information" may do so by written request to the PTSA Office during the first two weeks of initial enrollment. PTSA discloses educational records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests.

FERPA permits the disclosure of PII from students' education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. §99.32 of FERPA regulations requires the institution to record all disclosure except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student. Eligible students have a right to inspect and review the record of disclosures. The institution may disclose PII from the education records without obtaining prior written consent of the student.

### Notification of Rights under FERPA for Postsecondary Institutions

FERPA affords eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.)

These rights include:

1. The right to inspect and review the student's education records within 45 days of requesting access. A student should submit a written request identifying the record they wish to inspect to the registrar, dean, head of the academic department, or other appropriate official. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, the official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request an amendment of the student's education records for information that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

3. The right to provide written consent before the school discloses PII from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student's prior written consent under the FERPA exception to school officials with legitimate educational interests. A school official is a person employed by PTSA in an administrative, supervisory, academic, research, or support staff position; a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by PTSA to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202 -4605 Phone: 202-260-3887 Website: www.ed.gov/offices/OM/fpco

PTSA may disclose personally identifiable information without student consent to the following parties:

- School officials with legitimate educational interests
- U.S. Comptroller General, U.S. Attorney General, U.S. Department of Education
- State and local officials
- Authorized organizations conducting educational research
- Accrediting agencies
- Alleged victim of a crime
- Parent of a Dependent Student as defined by the IRS
- Parent of a student under 21 regarding the violation of a law regarding alcohol or drug abuse

### How Does FERPA Impact Financial Aid?

FERPA prohibits the Office of Financial Aid from sharing information about a student's application to anyone other than the student. the school's official or supervisor will inspect each floor to see that it is empty and then set the alarms and lock down the campus. Other individuals present on institutional property at any time without the express permission of the appropriate institutional official(s) shall be viewed as trespassing and may as such be subject to a fine and/or arrest. In addition, students and employees present on institutional property during periods of non-operation without the expression of the appropriate institutional official(s) shall also be viewed as trespassing and may also be subject to a fine and/or arrest.

The unlawful entry into a structure must show evidence that the entry was made in order to commit a felony or theft. If the intent was not to commit a felony or theft, or if the intent cannot be determined, the proper classification is Larceny.

### **Timely Warning**:

If a situation arises, either on or off campus, that in the judgment of the campus officials constitutes an ongoing or continuing threat, a campus wide "Timely Warning" will be issued. The warning may be issued using any or all of the following: flyers posted at entrances to all buildings, emergency messaging system and campus wide email. Timely Warnings consist of a description of the incident, location that it occurred and description of the suspect/s. Once all the relative information is received these notices will typically be posted within 24 hours. Anyone with information regarding the Timely Warning should contact the campus office and/or local police, 911.

PTSA may, in appropriate circumstances, include personally identifiable information in a timely warning. Although personally identifiable information is generally protected from disclosure under FERPA, such information may be released in an emergency. Students and faculty/staff are encouraged to report to the school office any suspicious activity. Please note that any emergency that requires immediate attention should not wait to report to the school's officer but rather should contact the appropriate agency by calling (911). The institution does not maintain any special relationship with State and local police and does not have an agreement with those police agencies (such as written memoranda of understanding) to investigate alleged crimes.

### **Emergency Response and Evacuation Procedures**

All members of the PTSA are notified on an annual basis that they are required to notify the Office of any incident on campus that involves a significant emergency or dangerous situation that may involve an immediate or ongoing threat to the health and safety of students and employees on campus. The PTSA office has the responsibility of responding to, and summoning the necessary resources, to mitigate, investigate, and document any situation that may cause a significant emergency or dangerous situation.

In addition, the President of PTSA has a responsibility to respond to such incidents to determine if the situation does in fact, pose a threat to the school. If so, federal law requires that the institution immediately notify the campus community or the appropriate segments of the community that may be affected by the situation. In the event of an emergency, Campus Officials would notify the proper authorities through 911 giving as much information known at the time while requesting their assistance.

In the event of a serious incident that poses an immediate threat to members of the school, the PTSA has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of an immediate threat to the campus community. These methods of communication include network emails, emergency text messages that can be sent to a phone by KakaoTalk system. The PTSA will post updates during a critical incident on the website at www.ptsa.edu.

Students learn the locations of the emergency exits in the buildings and are provided guidance about the direction when exiting building evacuation during the orientation.

### **Daily Crime and Fire Log**

This log records by the date the crime was reported, any crime or fire that occurred on campus or within the property of the PTSA. All incidents shall be recorded in the Incident Log at the institutional official's station. The report must be entered in the log within two (2) business days after it is reported to the school's official, unless that disclosure is prohibited by law or would endanger the confidentiality of the victim.

Incident Log is available during business hours at the office upon request of PTSA students, employees, and members of the public. The Daily Crime and Fire log reflects the nature, date, time and general location of each crime or fire that was reported and the disposition, if known, and the name of the person who took the report. The log records the most recent 60-day period and is available at the Office. The office may withhold information from the crime and fire log if the release of such information would jeopardize the safety of an individual or investigation. However, the crime or incident must be disclosed once the adverse effects are no longer likely. The Office of PTSA prepares the Campus Crime and Fire Log.

### Weapons

Firearms, knives, explosives, or other dangerous objects, including but not limited to any facsimile firearm, knife, or explosive, are prohibited on all campus grounds, except as authorized by law. Students found in possession of prohibited weapons may face any disciplinary action up to and including expulsion from PTSA. Information concerning drug and alcohol abuse education programs is provided at the orientation and is distributed annually to students and staff. (Institutions are advised to make available to students and staff members information on an agency that provides counseling and help on drug and alcohol abuse education).

The individual counseling with Pastor Myung C. Lee (Dean of Planning & External Cooperation) is available upon the student's request.

The following statements on illegal drugs and alcohol are designed to address the PTSA's concern about substance use and abuse, and to ensure PTSA's compliance with the Drug Free Schools and Communities Act.

Substance abuse is harmful to student's health. The effects of using illegal drugs include, but are not limited to: anxiety, depression, insomnia, hallucinations, hyperactivity, loss of appetite, convulsions, coma, and possible death. Alcohol consumption can also result in changes in behavior, including impaired judgment and coordination, aggressiveness, depression, and memory loss. Repeated use of alcohol can lead to dependence and damage to vital organs. The PTSA will make available its counseling resources to help students involved with substance abuse.

#### Southern California Drug and Alcohol Programs, Inc. (SCADP)

13205 South St, Cerritos, CA 90703 (562) 402-2466

Criminal penalties for the illicit use of controlled substances vary with the type of drug. Penalties may range from fines or suspended sentences and parole to a minimum of ten years imprisonment for first offenders. Penalties for the manufacture and distribution of drugs, or possession of a large quantity of drugs, are more severe. PTSA cannot and will not protect students from arrest or prosecution if they illegally use, possess, or sell alcohol or drugs.

#### **Sexual Harassment**

It is the policy of Presbyterian Theological Seminary in America to maintain the seminary environment as a Christian community that provides a place for spiritual growth, work, and study, free of all forms of sexual intimidation and exploitation. All students, staff, and faculty should be aware that Presbyterian Theological Seminary in America is prepared to take action to prevent such intimidation and exploitation and those individuals who engage in such behavior are subject to discipline.

Sexual harassment can vary with circumstances, but, generally, it is defined as unwelcome or offensive sexual advances, requests for sexual favors, unwanted or uninvited verbal suggestions or comments of a sexual nature, or objectionable physical contact. None of these reflect a Christian attitude or commitment, and all adversely affect the working or learning environment. Coercive behavior, including suggestions that academic or employment reprisals or rewards will follow the refusal or granting of sexual favors, or conduct that unreasonably interferes with an individual's work or study performance or creates an intimidating, hostile, or offensive work/study environment, constitutes a violation of the seminary's spiritual and/or educational standards, objectives, and goals; such misconduct will not be tolerated. Under the direction of the appropriate administrator, the seminary will fully and effectively investigate any such report and will take whatever corrective action is deemed necessary, including disciplining, or discharging any individual who is found to have violated this prohibition against harassment. The reporting student, staff, or faculty will be informed of the action taken. Seminary officials will also take action to protect the reporting student, staff, or faculty, to prevent further harassment or retaliation and, as appropriate, to redress any harm done.

It is the policy of Presbyterian Theological Seminary in America not to tolerate sexual harassment, and appropriate disciplinary action will be taken whenever such harassment is

demonstrated. Individuals engaging in such conduct contrary to seminary policy may be personally liable in any claim brought against them.

A student, staff or employee who feels that he or she has been sexually harassed may meet with a person officially designated to receive reports of discrimination, and they will work for resolution in such situations. In addition, it is advisable that the student, staff, or employee contact the City of Santa Fe Springs Police Department to report the form of sexual harassment:

Police Services Center 11576 Telegraph Rd. Santa Fe Springs, CA 90670-9928 (562) 409-1850 \* FAX 409-1854 \* TDD 409-1855

#### Domestic Violence, Dating Violence, Sexual Assault and Stalking

PTSA prohibits the offenses of domestic violence, dating violence, sexual assault and stalking (as defined by the Clery Act) and reaffirms its commitment to maintaining a campus environment that emphasizes the dignity and worth of all members of the university community. Toward that end, PTSA issues this statement of policy to inform the campus community of our programs to address domestic violence, dating violence, sexual assault and stalking as well as the procedures for institutional disciplinary action in cases of alleged dating violence, domestic violence, sexual assault, or stalking, which will be followed regardless of whether the incident occurs on or off campus when it is reported to a school official.

# Federal Clery Act Definitions of Domestic Violence, Dating Violence, Sexual Assault and Stalking

The Clery Act defines the crimes of domestic violence, dating violence, sexual assault and stalking as follows:

#### **Domestic Violence**

A Felony or misdemeanor crime of violence committed-

- By a current or former spouse or intimate partner of the victim
- By a person with whom the victim shares a child in common
- By a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner

- By any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

For the purposes of complying with the requirements of this section and §668.41, any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

### **Dating Violence**

Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.

i. The existence of such a relationship shall be based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

ii. For the purposes of this definition— A) Dating Violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. B) Dating violence does not include acts covered under the definition of domestic violence.

iii. For the purposes of complying with the requirements of this section and §668.41, any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

### **Sexual Assault**

An offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI's Uniform Crime Reporting (UCR) program. Per the National Incident-Based Reporting System User Manual from the FBI UCR Program, a sex offense is "any sexual act directed against another person, without the consent of the victim, including instances where the victim if incapable of giving consent."

- Rape is defined as the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.
- Fondling is defined as the touching of the private parts of another person for the purposes of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.
- Incest is defined as sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- Statutory Rape is defined as sexual intercourse with a person who is under the statutory age of consent.

### Stalking

The state of California defines stalking as follows: Any person who willfully, maliciously, and repeatedly follows or willfully and maliciously harasses another person and who makes a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her immediate family is guilty of the crime of stalking.

i. Engaging in a course of conduct directed at a specific person that would cause a reasonable person to—

ii. For the purposes of this definition— A) Course of conduct means two or more acts, including, but not limited to, acts which the stalker directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes, surveils, threatens, or communicates to or about, a person, or interferes with a person's property. B) Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim. C) Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

iii. For the purposes of complying with the requirements of this section and section 668.41, any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

### Consent

The State of California has adopted an affirmative consent standard in the determination of whether consent was given by both parties to sexual activity. "Affirmative consent" means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent.

In addition, in the evaluation of complaints in any disciplinary process:

1. It shall not be a valid excuse to alleged lack of affirmative consent that the accused believed that the complainant consented to the sexual activity under either of the following circumstances:

I. The accused's belief in affirmative consent arose from the intoxication or recklessness of the accused.

II. The accused did not take reasonable steps, in the circumstances known to the accused at the time, to ascertain whether the complainant affirmatively consented.

2. It shall not be a valid excuse that the accused believed that the complainant affirmatively consented to the sexual activity if the accused knew or reasonably should have known that the complainant was unable to consent to the sexual activity under any of the following circumstances:

I. The complainant was asleep or unconscious.

II. The complainant was incapacitated due to the influence of drugs, alcohol, or medication, so that the complainant could not understand the fact, nature, or extent of the sexual activity. III. The complainant was unable to communicate due to a mental or physical condition.

### **Hate Crimes**

For purposes of this report, hate crimes include any of the crimes listed in the table on the first page, any other crime involving bodily injury, and any crime of larceny-theft, simple assault, intimidation, and destruction/damage/vandalism of property, reported to the Campus office, a local law enforcement agency, that manifests evidence that the victim was selected because of the perpetrator's bias. Categories of bias are race, religion, gender, gender identity, sexual orientation, ethnicity, national origin, and disability. There were no reported Hate Crimes at the Campus.

### **Voter Registration**

Students and employees may register to vote by downloading the online voter registration form at https://www.eac.gov/voters/national-mail-voter-registration-form and then mailing it to the pre-printed address on the form. You may also register to vote whenever you apply for or renew

It is normally observed on September 17, the day in 1787 that delegates to the Constitutional Convention signed the document in Philadelphia.

# **Academic Information**

### Orientation

New students, (including transfer students), must attend an 2-hour orientation on a designated day before each semester. During orientation, students will be informed about Presbyterian

Theological Seminary in America's school life, faculty, curriculum, degree program and library information. An orientation workbook is provided. ELSP placement testing is usually scheduled for new students on this day following the orientation.

# **Registration Procedure**

Registration for continuing students opens four weeks before a new semester. Within the preceding two months, current students receive the schedule of classes and registration information by website. They are to compare the new class schedules with their Student Progress Worksheets. After deciding the courses in which to enroll, and during the one-week registration period, a student is to meet with the Dean of Academic Affairs or respective program director or SEVIS officer for academic counseling and their required signature.

Students registering after the registration period will be charged a \$30.00 late registration fee. If the student registers in the first week of class a \$50.00 late registration fee will be charged (\$100 for the second week of class).

After one week, students may not add new classes but can withdraw and get a pro-rated refund of the class. International new students who are delayed in their arrival or any student who may be delayed in enrolling/registration will not be allowed after the end of the third week of the semester to register and may be subject to termination of their F-1 status.

Registration for new or transferring students occurs on the new student orientation day (see above). New students are under the same registration requirements as all students.

IMPORTANT: A student must receive a signature from the Dean of Academic Affairs regarding course schedule and the Registrar regarding financial issues on their registration form to be officially registered.

# **Class Eligibility**

Before enrolling in any course, the student is responsible to ensure that all prerequisite courses or requirements have been fulfilled. Please consult the student progress worksheet and the course curriculum.

## **Adding/Dropping of Courses**

A student may add or drop courses by filing a properly completed "Change of Course Form" in the Registrar's office. A \$10 fee will be applied for each transaction.

### Academic Advising

The Dean of Academic Affairs and program directors are available for academic advising and should be consulted prior to each semester for academic advising, and for the required signature for registration.

# **Unit of Credit**

The unit of credit is a semester-hour. A semester-hour consists of one 50-minute class session per week. Fifteen-semester-hours are a normal academic load per semester.

# **Grading System**

The following criteria are used in assigning letter grades:

- "A" designates outstanding work; superior achievements of course objectives.
- "B" designates good work; commendable achievement of course objectives.
- "C" designates acceptable work; satisfactory achievement of course objectives.
- "D" designates minimal work; marginal of course objectives.
- "F" designates failure; unacceptable work.

When test or similar tasks are administered on the scoring scale from 0 to 100, the letter grades correspond in the following manner to the scores given:

A:	95-100 4.0	grade points per semester hour.
A- <u>.</u>	90-94 3.7	grade points
B+:	86-89 3.3	grade points
B <sub>:</sub>	84-85 3.0	grade points
B-:	80-83 2.7	grade points
C+:	76-79 2.3	grade points
C:	74-75 2.0	grade points
C-:	70-73 1.7	grade points
D+:	66-69 1.3	grade points
D	64-65 1.0	grade points
D- <sub>:</sub>	60-63 0.7	grade points
F:	59 or less 0.	o grade point per semester hour

P:	Pas	sing

- NP: Non Passing
- W: Withdrawal
- AU: Audit
- I: Incomplete (Ph.D.C.S and D.ICS Only)

Acceptable passing rate: P, NP, AU, W count as units attempted with Zero unit earned.

It is important to note that PTSA has the following grading policy:

## **Attendance Policy**

PTSA emphasizes the need for all students to attend classes on a regular and consistent basis. All students are expected to maintain in all courses a satisfactory attendance requirement which is 75% of all class meetings. Absences more than 25% of class meetings will result in a failing grade for the course. This means each student is allowed a maximum of three absences per course per semester and fourth absence will result in a grade of "F."

Regarding punctuality, being tardy for more than fifteen minutes three times will be equivalent to one absence. Attendance Warning Letter will be sent out to students from the Academic Dean's Office after two absences. As for the details of the attendance policy, students are expected to read and follow the attendance policy stated in the syllabus for each course by the instructor and the school catalog.

# Leave of Absence Policy

Should your circumstances be such that a leave of absence is needed, please submit a written request for a leave of absence to the Office of the Registrar. In case of illness, the student needs to include the physician's statement. The request for a leave of absence may be granted for up to 1 year. The period of the leave of absence will not count toward the maximum period granted for the completion of a degree. The student must submit a written notice of intention to resume studies before returning to PTSA. A request for a leave of absence longer than one year may be granted only under an exigent circumstance.

International Students: Written requests for leave of absence are considered at the discretion of the school administration and a decision will be based upon SEVIS laws for the request of leave of absence: Two options will be exercised by school administration:

Drop below full-time authorization (exception to the full course of study requirement)
 Termination

Please note that a reduced course load for an F-1 student on an I-20 for ELSP must consist of at least "half the clock hours required for a full course of study." Therefore, the period that a student engaged in language studies can be placed on reduced course load for:

Academic difficulties Illness/medical condition Initial difficulty with English language Initial difficulty with reading requirements Unfamiliarity with American teaching methods Improper course level

Reduced course load for completion of the course of study is limited to one term at the end of the course of study and only if additional courses are required to satisfy the requirements for completion.

For Federal Student Financial Aid purposes, the leave of absence, together with any additional leaves of absence, must not exceed a total of 180 days in any 12-month period beginning on the first day of the student's initial leave of absence and must be approved by the Dean of Academic Affairs and by the Financial Aid Officer. Students who received Federal Student Financial Aid loans and who fail to return to PTSA from an approved leave of absence will be considered as withdrawn and will be reported to the lending institutions by PTSA. Consequently, loan deferment and repayment schedule may be affected. The student's withdrawal date and the beginning of the student's grace period for loan repayment is the last day of academic attendance as determined by PTSA from attendance records. PTSA may be required to refund unearned funds to the Federal Student Financial Aid Programs when a student withdraws from PTSA. Non-compliance with Federal regulations regarding leave of absence can affect a student's eligibility for future Federal Student Financial Aid and loan payment deferment.

## **Transferred Credits Policy**

A maximum of 75 percent of the units or credit that may be applied toward the award of a bachelor's degree may be derived from a combination of any or both of the following:

(A) Units earned at institutions approved by the Bureau, public or private institutions of higher

learning accredited by an accrediting association recognized by the U. S. Department of Education, or any institution of higher learning, including foreign institutions, if the institution offering the undergraduate program documents that the institution of higher learning at which the units were earned offers degree programs equivalent to degree programs approved by the Bureau or accredited by an accrediting association recognized by the U.S. Department of Education;

(B) Challenge examinations and standardized tests such as the College Level Placement Tests (CLEP) for specific academic disciplines.

No more than 20% of graduate semester units or the equivalent in other units awarded by another institution may be transferred for credit toward a master's degree. An institution may accept transfer credits only from the institutions of higher learning accredited by an accrediting association recognized by the U. S. Department of Education, including foreign institutions, may be transferred for credit toward a master's degree.

For the M.Div. students who obtained PTSA's B.A.Th. degree with more than 85 units (over GPA of 3.3) taken in PTSA can get 9 units of electives as transferred credits.

### **Grading Grievance Procedure**

- 1. If a dispute involving a final grade occurs, the student and the faculty member should try to resolve their differences through a private conference. If the faculty agrees to revise the grade, he or she needs to inform the Dean of Academic Affairs and the Registrar of the decision with supporting documents.
- 2. If the efforts to resolve the dispute fail, the student may initiate a grievance by submitting a written appeal to the Dean of Academic Affairs. The Dean of Academic Affairs shall within seven (7) working days of receiving the appeal and making the necessary investigation, shall render a decision and communicate the following to the student:

A summary of the investigative report;

A written notice setting forth the decision regarding the student's grade.

### **Student Records**

The school's student recordkeeping policy will require that all student records must remain onsite for five (5) years, and transcripts kept permanently. The academic and financial records shall be maintained in separate files.

Student record file cabinet is fireproof, lockable, and to be maintained in a secure administrative office at the school. In addition, as an extra measure for security and safekeeping of records, all academic and financial records will be electronically scanned and/or photocopied and stored at an offsite location. This will ensure that, should one copy be destroyed, a back-up copy exists.

Only the authorized staff will have access to the student records, and the privacy of these records is considered to be of paramount importance.

In addition to permanently retaining student transcripts, the institution shall maintain for a period of 5 years the pertinent student records from the date of completion or withdrawal.

The student records to be kept include:

A copy of the signed and dated enrollment agreement

A copy of the students' grades.

A record of the courses attempted, whether completed.

A copy of all documents signed by the student.

A copy of all complaints received from the student.

A record of any refund made, the date made, and the check number, as applicable; the refund record will show how the calculation for the refund was made.

# **Field Work**

Presbyterian Theological Seminary in America students are required to participate in a supervised student ministry as field work for 2 credits during 3 years for M.Div. students, 2 credits during 4 years for the Bachelor of Theology students, 1 credit during 2 years of MAICS students.

Bachelor students could start field work after 1 year of the admission. For Transferred students: F-1 students enrolled in 1 year of bachelor level in U.S. school and all other students transferred credit of 25% could start the field work after the admission.

Student Ministry and Fieldwork is also designed for giving the student curricular practical training (CPT) in their field of study. Thus, students can register as required for 0.25 units, or 0.50 units a semester and begin doing CPT part-time. Students are encouraged to take part in CPT as an important area of their educational development and learning. In addition, this allows the student to work legally within the USCIS laws and SEVIS guidelines and apply for a social security number. Under the leadership of the Dean of Student Affairs, students will plan their ministry assignments and receive feedback on how to develop and grow. For more information, please see the Student Ministry Handbook, or the Dean of Student Affairs. International students must contact or see the SEVIS Officer for further information. Personal Tax report related obligations belong to students.

# Full-time Study and Time Limitation

The program of study leading to the completion of the ELSP is designated to be completed in 2 years (4 semesters), the B.A. in 4 years(8 semesters), the M.Div. in 3 years (6 semesters), the M.A. in 2 years (4 semesters) of full-time study respectively. Especially for the F-1 international students, the maximum period granted for the student to complete their ELSP is 3 years (9 semesters), for the B.A. student 6 years (12 semesters), for the M.Div. student 4.5 years (9 semesters), for the M.A.C.P. MAMTF student 4 1/2 years (9 semesters) for Ph.D.C.S. student 5 years (10 semesters) and for D.ICS years 4 years (8 semesters) approximately.

The administration strongly urges the international students at matriculation to maintain their full-time "active" status, according to SEVIS laws and regulations. Although the permission from Dean of Academic Affairs and the SEVIS Officer may and must be granted (following SEVIS laws and guidelines) to international students who are under such circumstances as ill-health, academic problems, students should not expect to pursue any substantial portion of the curriculum by part-time study.

**Bible Test** 

Presbyterian Theological Seminary in America administers a comprehensive Bible test to M.Div. students who are ready to graduate. By passing the test, the student has completed the obligation to demonstrate a working knowledge of biblical content for graduation. It is highly recommended that the students take the examination in the early part of their studies to complete this requirement.

This exam is given 3 times a year. (Feb., Apr. & Sep. subject to change) Students can take the Bible test as often as they want to. <u>If the student does not pass until the last semester the student intends to graduate, the student will be allowed only one more semester to complete this requirement.</u> If the student fails again, the student is considered not making academic progress and not fulfilling the program requirement. The student will be given a certificate instead of a diploma. Candidates must pass the test with a score of seventy (70) percent or above to complete degree programs.

# **Petitioning for Graduation**

Students who wish to graduate at the end of the coming academic year must submit an "Application for Degree" to the main office when they register for the last semester to complete their degree.

## **Academic Freedom Policies**

PTSA recognizes that within the field of education, academic freedom is a highly held right. In that regard, PTSA will do everything possible to ensure that faculty members are given the freedom to represent views, theories, research results, and opinions in the normal process of teaching their assigned courses. However, PTSA also recognizes that academic freedom must be weighed in response to the responsibilities of Christian faith and practice. The principles of developing Christian community, the responsibility of leadership by faculty members as role models to the students, and the ethics of Christian faith also provide the boundaries within which faculty members are given to exercise their academic freedom.

Faculty members, who hold differing and potentially contentious theological views, may be asked to step down from their faculty positions. When this happens, PTSA will still hold the resigning faculty member in highest regard, realizing that the human perspective on theological truth is never complete and clear. PTSA has adopted the statement of Academic Freedom as developed by the Association of Theological Schools, a recognized accrediting association by the U.S. Department of Education, as its standard concerning faculty academic freedom.

The statement reads as follows:

- 1. The Christian faith directs all thought and life toward God who is the source of truth, the judge of all human thoughts, and the ultimate end of all theological inquiry.
- 2. The freedom of the Christian always involves a commensurate responsibility toward God and neighbor. It is never the freedom merely to be left alone or ignore basic obligations.
- 3. Christian freedom exists within the confession of Christian faith. A theological school may acknowledge specific confessional adherence as laid down in its own charter and constitution. A concept of freedom appropriate to a theological school will respect this confessional loyalty, both in the institution and with their individual members. At the same time, no confessional standard obviates the requirement for responsible liberty of conscience in the Christian community and the practice of the highest ideal of academic freedom.

4. While freedom must ultimately be realized through the spirit and loyalties of humanity, it must take form and be protected through concrete standards of institutional practice. Every statement of such standards moves somewhat in the sphere of law and regulation. We recognized that the effectiveness of stated principles depends finally upon the dedication within the Christian theological school to a genuine concern for liberty of mind and spirit in theological teaching.

# **Satisfactory Academic Progress Policy**

The Satisfactory Academic Progress Policy ("SAP") is composed of Qualitative Standard and Quantitative Standard.

# **Qualitative Standard**

Students must maintain a good academic standing. PTSA requires undergraduate students and ELSP students to maintain a 2.0 GPA in all courses attempted at PTSA and a 2.0 cumulative GPA. Master students are required to maintain a 2.5 GPA in all courses attempted at PTSA and a 2.5 cumulative GPA. Doctorate students are required to maintain a 3.0 GPA in all courses attempted at PTSA and a 3.0 cumulative GPA. Repeated courses which the student previously passed are not counted toward satisfactory academic progress requirements.

# **Quantitative Standard**

There are two components in quantitative standard; (a) Acceptable Passing Rate and (b) Unit and Time Limit to complete an education program.

- (a) Acceptable Passing Rate: Excluding transfer units, an overall ratio of units earned at PTSA to units attempted is calculated. Withdrawn and incomplete units are attempted with zero units earned. Students must complete 67% of units attempted.
- (b) Unit and Time Limit: To complete the program, no more than 150% of the number of units required can be attempted. For determination of satisfactory academic progress, all attempted units at PTSA are counted. For transfer students, only transferred units that apply to the degree program are counted.
  - PTSA does not apply "Incomplete" in Grading for undergraduate and graduate courses.
  - Students can change their Majors if the application is approved by the Director and an Academic dean after the student submits the application.
  - Repeated courses are only allowed if a student fails the class or does not reach the minimum required to pass the portfolio classes, but it affects the qualitative and quantitative components of SAP.
  - The "W" grade will remain in the transcript but will not affect the student's GPA.

# SAP for Federal Student Financial Aid Students

One of the requirements of eligibility for Federal Student Financial Aid is a student must maintain Satisfactory Academic Progress (SAP) and be in good academic standing. At the end of each semester, PTSA will measure the student's performance according to Satisfactory Academic Progress Policy.

All attempted coursework is included in calculations involving Satisfactory Academic Progress for financial aid eligibility.

Those who fail to make satisfactory progress will be given one semester of financial aid warning for Federal Student Financial Aid.

**1. Financial aid warning -** PTSA will notify students in writing for failing to make satisfactory academic progress and place the students on financial aid warning at the end of each semester. Warning status lasts only one semester, during which the student may continue to receive Federal Student Financial Aid. Students who fail to make satisfactory progress after the warning period lose their aid eligibility unless they successfully appeal and are placed on probation.

**2. Financial Aid Appeal -** When a student loses Federal Student Financial Aid eligibility because he failed to make satisfactory progress, he may appeal that result on the basis of; his injury or illness, the death of a relative or other special circumstance. His appeal must explain why he failed to make satisfactory progress and what has changed in his situation that will allow him to make satisfactory progress at the next evaluation.

SAP appeals must be submitted by the first Friday of classes of each semester.

Per Federal financial aid regulations, appeals are not automatically accepted and may be denied based on failure to maintain Satisfactory Academic Progress standards set forth at the PTSA.

SAP appeals will be reviewed by Academic Committee and will be notified by e-mail if appeal is accepted or denied.

Up to three appeals may be accepted.

If the student is meeting the requirements of the academic plan, the student is eligible to receive Title IV aid as long as the student continues to meet those requirements and is reviewed according to the requirements specified in the plan.

### 3. Financial aid probation –

If based on the appeal PTSA determines that the student should be able to meet the SAP standards by the end of subsequent semester, students will be placed on financial aid satisfactory progress probation.

Students are eligible for financial aid while on probation and this probation status lasts only one semester.

If SAP probationary requirements are not met within the probation term, the student will again become ineligible for financial aid and may need to file another SAP appeal.

If based on the appeal PTSA determines that the student will require more than one semester to meet progress standards, PTSA may place him on probation and develop an academic plan for him. PTSA will review the student's progress at the end of each semester as is required of a student on probation status, to determine if the student is meeting the requirements of the academic plan. If the student is meeting the requirements of the academic plan, the student is eligible to receive Title IV aid as long as the student continues to meet those requirements and is reviewed according to the requirements specified in the plan.

### 4. Regaining Eligibility

Students who are not meeting SAP requirements for GPA or pace may regain eligibility on their own without submitting an appeal by attending and achieving overall SAP requirements without the assistance of federal financial aid. Students who are not meeting SAP requirements are checked each semester and are made eligible for federal aid if they are now meeting overall SAP requirements.

The same process applies to students who have submitted a SAP appeal that has been denied, they can attend without the use of federal financial aid. Students who have been denied a SAP appeal can re-appeal after one semester without federal aid. These students are monitored each semester and are made eligible for federal aid if they are now meeting overall SAP requirements.

# Academic Standing

At the end of each semester, a student's progress will be monitored. When there is evidence of lack of satisfactory academic progress toward meeting graduation requirements, the Academic Committee may place students on academic warning or probation or disqualify them from attendance at the university.

### **Academic Warning**

When students fail to earn a required minimum GPA for a semester, they are given an academic warning at the end of the semester. When students on academic warning do not achieve academic progress consecutively for the semester, they are placed on academic probation. Students on academic probation who do not meet the minimum requirements will be academically dismissed from the institution. Accordingly, when students fail to meet the GPA requirements consecutively for three semesters, they will be dismissed.

# Academic Probation / Dismissal

When a student fails to make satisfactory academic progress after the academic warning period, he may appeal that result on the basis of: his injury or illness, the death of a relative or other special circumstance. His appeal must explain why he failed to make satisfactory progress and what has changed in his situation that will allow him to make satisfactory progress at the next evaluation. If based on the appeal PTSA determines that the student should be able to meet the satisfactory academic progress standards by the end of subsequent semester, PTSA may place him on probation without an academic plan. This probation status lasts only one semester. If based on the appeal PTSA determines that the student will require more than one semester to meet progress standards, PTSA may place him on probation and develop an academic plan for him. According to the requirements specified in the plan, PTSA will review the student's progress at the end of each semester as is required of a student on probation status, to determine if the student is meeting the requirements of the academic plan.

A student failing to meet the minimum standards by the end of probation period may be dismissed from PTSA. As well, those students who do not complete the degree program requirements within the maximum period granted will be dismissed from PTSA upon the decision of the Academic Committee and will be terminated as a F-1 student from the SEVIS/I-20 system. See Full-time Study and Time Limitation for maximum periods granted.

### **Academic Integrity Commitment**

The maintenance of academic integrity and quality education is the responsibility of each student at PTSA. Cheating or plagiarism in connection with an academic program is an offense for which a student may be expelled, suspended, or given a less-severe disciplinary action. Academic dishonesty is a serious offense which diminishes the quality of scholarship and defrauds those who depend upon the integrity of the educational system. Academic dishonesty includes:

- 1. Cheating: Intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise.
  - a. Students completing any examination should assume that external assistance (e.g., Books, notes, calculators, conversations with others) is prohibited unless specifically authorized by the instructor.
  - b. Students may not allow others to conduct research or prepare any work for them without advance authorization from the instructor.
  - c. Substantial portions of the same academic work may not be submitted for credit in more than one course without authorization.
- 2. Fabrication: Intentional falsification or invention of any information or citation in an academic exercise.

- 3. Facilitation of academic dishonesty: Intentionally or knowingly helping or attempting to help another to commit an act of academic dishonesty.
- 4. Plagiarism: Intentionally or knowingly representing the works, ideas, or work of another as one's own in any academic exercise. If plagiarism is discovered for the first time, students will receive a grade of F for the work. However, upon second violation, students will be expelled from the seminary.

# **Programs**

# **English Language Studies Program (ELSP)**

### **Mission Statement and Purposes**

ELSP in Presbyterian Theological Seminary in America is a place that offers diverse educational and cultural classes and seeks to serve the community within a cooperative and nurturing environment. ESL Program exists to identify and accentuate the strength and personhood of each individual through its classes and activities. Through an interactive and diverse approach to teaching in listening, speaking, reading, and writing in all academic areas we respond to the educational goal of each student. This sense of connection develops English language proficiency.

### The objectives for ELSP

The objectives of the ELSP are to develop both basic interpersonal communication skills and cognitive academic language proficiency, to develop proficiency in the language domains of listening, speaking, reading, and writing, to develop competence in intercultural interactions, and to encourage participation in the advanced education curriculum and in extracurricular activities in our school.

### **ELSP Method of Instruction**

PTSA ELSP provides varied classes focused on development of general English language skills. These classes usually address English language skills development in the context of topics or functions of daily life, such as going to the doctor's office, shopping, or visiting a museum. Giving students the opportunity to interact with the teacher and with each other, planning instruction around tasks that promote field trips, outdoor activities, and teaching language forms in the context of meaningful learning activities are applications of second language research to the classroom environment.

PTSA ELSP employs several different approaches to language acquisition and ELSP techniques that match the diverse needs, motivations, and goals of the learners and provide opportunities for interaction, problem solving, and task-based learning where learners can use English. PTSA ELSP teachers use technology both as an instructional tool such as integrating multimedia packages and PowerPoint presentations into instruction and as instructional content itself for example learning word processing programs, using the Web to access information, and using English through email communications, watching document films, movies and dramas. ELSP teachers use technology to expand or individualize learning inside and outside the classroom in accordance with learners' language proficiency, preferences, and needs and to potentially reach learners for individualized activity stations and self-access learning labs.

### Admission Requirements (General)

# Doctor in intercultural Studies Curriculum

# A. Core Courses (3 out of 6 courses, 12 units)

1. PT 750 Missionary Ecclesiology.

The purpose of this course is to develop a missionary ecclesiology in the light of missiology. Missionary leaders need to revisit its ecclesiology on the historical self-understanding of the church (drawing from both the Apostle's Creed and the marks of the Church), as well as developments in globalism and ecumenicism. The church should restate its self-understanding in terms of being a missionary people. This course advocates a closer identification between the local congregation and the universal church to redefine ecclesiology. Local Congregations the world over will gain new life and vitality only as they understand the missiological purpose for which they alone exist, the unique culture, people and needs of their context, and the missionary action through which they alone will discover their own nature as God's people in the world.

#### 2. PC 732 Contextual Methodology:

Contextualization from Pauline Perspectives. The purpose of this contextual methodology is to study the Apostle Paul's mission theology and methodology. The value of this comprehensive survey lies in part in its grounding in careful expository studies of Paul's ministry as revealed in Acts and in the corpus of the Pauline epistles. This Pauline study illustrates the abiding relevance of Paul's first-century insights for missionary thought and practice in the twentieth century. It covers theology (the sources and nature of Paul's theology and his theological assumptions for mission), conversion (Paul's conversion in Acts; conversion as reality, experience, and process; and conversion and the real world), the convert's new life (what its spiritual basis is and how to live it) the church (its oneness, diversity, and contextuality; its leadership, worship, discipline, and finance), and the missionary (his or her credentials and ministry). It is dynamic, evangelical, pastoral, contextual and holistic.

#### 3. PC 750 Anthropological Methodology:

Ethno-theology. The purpose of this anthropological methodology course is to study dynamic Biblical theologizing in Cross-Cultural Perspective(ethno-theology). Employing Charles Kraft's anthropological methodology, the development of 'biblically grounded theological models' that will enable us to be more effective in communicating the Christian message in a multicultural world. This study process will create a kind of 'paradigm shift' or radically altered view of cross-cultural theologizing in the mind of the student. The course deals with the concept of 'dynamic equivalence' and applies it to the areas of translation, preaching, theologizing and church planting.

#### 4. PE 750 Theological Methodology:

Theologizing in Global Contexts. The purpose of this theological methodology course is to know God in Global Contexts. The theology of mission is both globally significant and locally articulated. Knowing God in context involves knowing the one God who created one world, in grace offered one covenant in many forms, sent one Son, and is in our midst through the One Holy Spirit who created one Church. Yet, in the midst of unity, there is a wonderful, miraculous, and unexplored diversity whereby the knowing of God in context seeks to develop the full richness of God's revelation in the midst of human cultures. The scope, fullness, and depth of God's mission is so large that no one Christian tradition seems to be able to encompass all of its aspects. At the same time, in the theology of mission we are well aware of the danger of error, heresy, and lack of clear thinking whereby non-biblical agendas too often creep into our theology of mission. The basic presupposition of this course is that the theology of mission should not be constructed as a justification for a predetermined course of action. Rather, mission practice should be influenced by our theology of mission. At the same time, theology of mission will not be appropriate missiological reflection unless it is carried out in context, in the midst of missiological praxis, and with the full participation of both theoreticians and practitioners of mission, in the context of the world church.

#### 5. PH 750 Historical Methodology:

Theologizing in World Christian Civilizations. The purpose of this historical methodology course is to provide a chronological overview of the historical and cultural aspects of the global development of the biblical faith and the Christian movement, with special attention to the biblical foundations for addressing the roots of human problems around the world. An overview is given of the past and present with focus on understanding factors that enabled the biblical faith to become a global phenomenon. The positive and negative impact of the Christian movement on culture and human development is examined as well as principles for effective cross-cultural communication of biblical faith.

#### 6. PE 760 Instructional Design.

The purpose of this course is to develop an instructional design for mission perspectives program for the church and missionary leaders. Through this course, missionary learners will learn the advanced concepts of missiology, focusing on Ralph Winter's Mission Perspectives program. Missionary leaders will be able to develop their own instructional design appropriate for each church, seminary, or missionary organization.

The Ph.D.C.S. in Contextual Studies program facilitates an orderly progression of studies toward its goals within a specified length of time. The students will be carefully evaluated after a year of study in the form of an advisor's evaluation to advise those who do not show sufficient signs of promise.

The advisor's evaluation will be based upon the grade that the student received during the first year of course work. The student must take 3 required courses out of 4 classes in the first year and the minimum grade for the required courses must be B+.

The candidacy examination will be offered for those who completed all the coursework and want to proceed to the dissertation phase of the program. The candidacy examination will include examination for major core courses and evaluation of dissertation writing ability.

#### Method of Instruction

Students will receive blended instruction as both on-site lectures as well as online virtual live classes and recorded lectures via traditional online methods.

Qualified faculty will provide the following: a course outline that includes sequence of instruction and specific learning outcomes. The sequence of instruction will include a list and brief description of each topic presented in the order of instruction along with a brief description of the lessons devoted to each topic. Faculty members are required to spend an appropriate amount of time evaluating the progress of student learning and course material presented by students.

# Doctor of Philosophy in Contextual Studies Curriculum

The curriculum of the Ph.D. in Contextual Studies consists of 7 required core classes and 3 tutorials, a comprehensive exam and a dissertation (48 units total). The courses are designed to meet the specific research interests of the student under the guidance of their faculty mentor and guidance committee.

# A. Core Courses (7 courses, 28 units)

1. PT 850 Missionary Ecclesiology.

The purpose of this course is to develop a missionary ecclesiology in the light of missiology. Missionary leaders need to revisit its ecclesiology on the historical self-understanding of the church (drawing from both the Apostle's Creed and the marks of the Church), as well as developments in globalism and ecumenicism. The church should restate its self-understanding in terms of being a missionary people. This course advocates a closer identification between the local congregation and the universal church to redefine ecclesiology. Local Congregations the world over will gain new life and vitality only as they understand the missiological purpose for which they alone exist, the unique culture, people and needs of their context, and the missionary action through which they alone will discover their own nature as God's people in the world.

#### 2. PC 832 Contextual Methodology:

Contextualization from Pauline Perspectives. The purpose of this contextual methodology is to study the Apostle Paul's mission theology and methodology. The value of this comprehensive survey lies in part in its grounding in careful expository studies of Paul's ministry as revealed in Acts and in the corpus of the Pauline epistles. This Pauline study illustrates the abiding relevance of Paul's first-century insights for missionary thought and practice in the twentieth century. It covers theology (the sources and nature of Paul's theology and his theological assumptions for mission), conversion (Paul's conversion in Acts; conversion as reality, experience, and process; and conversion and the real world), the convert's new life (what its spiritual basis is and how to live it) the church (its oneness, diversity, and contextuality; its leadership, worship, discipline, and finance), and the missionary (his or her credentials and ministry). It is dynamic, evangelical, pastoral, contextual and holistic.

# 3. PC 850 Anthropological Methodology:

Ethno-theology. The purpose of this anthropological methodology course is to study dynamic Biblical theologizing in Cross-Cultural Perspective(ethno-theology). Employing Charles Kraft's anthropological methodology, the development of 'biblically grounded theological models' that will enable us to be more effective in communicating the Christian message in a multicultural world. This study process will create a kind of 'paradigm shift' or radically altered view of cross-cultural theologizing in the mind of the student. The course deals with the concept of 'dynamic equivalence' and applies it to the areas of translation, preaching, theologizing and church planting.

4. PE 850 Theological Methodology:

Theologizing in Global Contexts. The purpose of this theological methodology course is to know God in Global Contexts. The theology of mission is both globally significant and locally articulated. Knowing God in context involves knowing the one God who created one world, in grace offered one covenant in many forms, sent one Son, and is in our midst through the One Holy Spirit who created one Church. Yet, in the midst of unity, there is a wonderful. miraculous, and unexplored diversity whereby the knowing of God in context seeks to develop the full richness of God's revelation in the midst of human cultures. The scope, fullness, and depth of God's mission is so large that no one Christian tradition seems to be able to encompass all of its aspects. At the same time, in the theology of mission we are well aware of the danger of error, heresy, and lack of clear thinking whereby non-biblical agendas too often creep into our theology of mission. The basic presupposition of this course is that the theology of mission should not be constructed as a justification for a pre-determined course of action. Rather, mission practice should be influenced by our theology of mission. At the same time, theology of mission will not be appropriate missiological reflection unless it is carried out in context, in the midst of missiological praxis, and with the full participation of both theoreticians and practitioners of mission, in the context of the world church.

5. PH 750 Historical Methodology:

Theologizing in World Christian Civilizations. The purpose of this historical methodology course is to provide a chronological overview of the historical and cultural aspects of the global development of the biblical faith and the Christian movement, with special attention to the biblical foundations for addressing the roots of human problems around the world. An overview is given of the past and present with focus on understanding factors that enabled the biblical faith to become a global phenomenon. The positive and negative impact of the Christian movement on culture and human development is examined as well as principles for effective cross-cultural communication of biblical faith.

#### 6. PR 850 Research Design.

The purpose of this course is to develop a dissertation proposal and methodology. This course aims to help learners develop the knowledge and competencies needed to write a doctoral dissertation. Through this course, learners will learn the basic structure of dissertation, how to select the topic, precedent research, research purpose, thesis, and research methodologies. Through this process, learners will develop the ability to write a dissertation and make a proposal of the dissertation.

# 7. PE 860 Instructional Design.

The purpose of this course is to develop an instructional design for mission perspectives program for the church and missionary leaders. Through this course, missionary learners will learn the advanced concepts of missiology, focusing on Ralph Winter's Mission Perspectives program. Missionary leaders will be able to develop their own instructional design appropriate for each church, seminary, or missionary organization.

#### 1. Vision

Our vision is to see people of all nations come to know Christ, grow in His character, and live a Christ-centered life.

#### 2. Mission Statement

Our mission at The Department of Distance Education at PTSA is to utilize technology effectively to provide affordable and accessible learning opportunities for students- who because of time, geographic, or other constraints- choose not to attend traditional, on-site classes at PTSA. The efforts of the Department aim to promote innovative and accommodative sound design, development, and delivery of online courses to meet the educational needs of our students and faculty. Measures have been established to ensure faculty are well-prepared to confidently develop and deliver high-quality, engaging, and academically rich distance learning courses- providing students with a challenging and rewarding educational experience. Prepare for God's call with curriculum and resources that help you grow personally, spiritually, academically, and vocationally.

Ultimately, our mission is to equip men and women for missional living by training them to grow in the knowledge and character of Christ, to live a Christ-centered life, and to lead others to do the same in any setting God places them- whether it is multigenerational, multiracial, or multiethnic. We seek to accomplish this both in the narrow context of the parent denomination, the Korean Presbyterian Church Abroad (KPCA), and the wider context of the global kingdom of God.

# 3. Institutional Goals of PTSA Distance education

In response to the needs of KPCA, PTSA primarily provides theological and spiritual formation education integrated with ministry skills to students who will serve as pastors in KPCA. Secondarily, PTSA will prepare ideal leaders for the diverse ministries for the global kingdom of God.

# 1) High Quality Theological Education

PTSA's faculty, over 80% of whom have doctoral degrees from outstanding seminaries in the United States, offer high quality theological education where students will gain a proficient understanding of God and His Word and learn research skills that will equip them to conduct sound research.

#### 2) Dynamic Spiritual Formation Education

PTSA's spiritual formation education takes a holistic and integrative approach to lead students to grow deeper in their knowledge of, and love for, God, self, and others- which will be reflected in their Christ-centered lives in whatever setting God places them.

# 3) Global Leadership Education

PTSA's leadership education strives to mold leaders who will have the heart to serve and lead by example- integrating biblical and theological knowledge with professional skills in ministerial and public leadership.

# 4) Cultural Education Across Disciplines

PTSA strives to train students to critically discern the truth wherever it is found (that is, both within special revelation such as the Bible and in general revelation- the general academic disciplines such as humanities, natural sciences, social sciences, arts) and evaluate it from a biblical perspective, integrate it with theology, and apply it to their lives and ministry.

#### 5) Bilingual Education

PTSA opened Santa Fe Language & Culture School back in January 2014 in order to provide students and local residents with English and cultural education to prepare them for more effective global ministry.

#### 4. Core Values

The following bullet points are the core values that breaks down how PTSA will carry out its mission statement:

#### 1) Missional

What we teach and practice will have a missional focus resulting in a transformed life that reflects Christ to others.

#### 2) Biblical & Interdisciplinary

What we teach and practice will be biblical. The Bible will be the main subject of the curriculum but other academic disciplines, such as humanities and science, will be integrated with theology from a biblical perspective- taking an interdisciplinary approach. Likewise, although we have a particular doctrinal persuasion, we welcome people of differing evangelical persuasions as long as they are biblical.

#### 3) Responsive to the Culture

We will be relevant to the culture that we are placed in and respond to the needs of the people without compromising biblical truth.

#### 4) Holistic

We believe in a holistic development of godly people through the development of mind and character. Thus, our teaching will focus on the entire individual, including cognitive, affective, behavioral and spiritual aspects.

#### 5) Collaborative

We strive to foster collaboration over competition. We appreciate the uniqueness of individuals and encourage working together as a team toward common goals.

# 6) Excellent

We strive for excellence in all aspects of our lives, both personal and institutional ministry, by exercising responsible stewardship of God-given gifts.

#### 7) Gracious

We strive to be gracious to one another just as we have received much grace from our Lord.

# **5.** Presbyterian Theological Seminary in America (PTSA) Distance Education Manual

**1) Purpose and Context of Manual** PTSA distance education courses and programs conform to best practices in distance education, and the policies articulated in this manual apply to all distance learning courses and programs offered by PTSA.

2) To approve the conversion of existing graduate courses and programs to distance learning

# 6. General Distance Education Policies and Procedures

# 1) Application of Academic Policies to Distance Learning Courses and Programs

The same policies concerning admissions requirements, academic standards, academic integrity, dropping and adding classes, repetition of courses, incomplete designations, withdrawal from a course or from the Seminary, classification, grading, grievance procedures, credits, degree completion, and honors apply to distance learning as for campus-based classes, unless specifically stipulated otherwise (See the current Presbyterian Theological Seminary in America Catalog).

The learning outcomes for distance learning courses and programs are identical to those offered on campus, although instructional strategies will necessarily differ. Faculty members apply the same standards for coursework and grading for both on-campus and distance learning courses.

As with on-campus courses, distance learning courses maintain sufficient enrollment to be taught and are subject to the same course deletion policies as are all courses offered by the seminary.

In addition, all distance learning courses and programs at PTSA must comply with the requirements, standards, and policies of BPPE, ABHE and ATS.

# 2) Development of Distance Learning Courses and Programs

Since distance learning courses may, and distance learning programs will require seeking

cooperation with the Office of Academic Affairs before beginning to develop distance learning courses or programs.

# 7. Academic Policies Specific to Distance Learning Courses and Programs

Presbyterian Theological Seminary in America (PTSA) provides courses through the PTSA Online Campus. 12 week for Graduate Programs, 15 week for Undergraduate Program Online Courses are designed around an intensive, asynchronous format.

The efficiency of this format provides for acceleration of degree program completion considering the structured learning environment, interaction with faculty, staff and students.

# 1) Verification of Participation

Online course developers and instructors must provide a substantive means of determining participation in a course to facilitate the accurate completion of the verification roster such as weekly assignment paper, discussions, and real time video conference.

# 2) Course Syllabus

Online instructors must provide a course syllabus that mirrors the syllabus used in on-campus classes, but which highlights the difference of learning strategy inherent in the online course, and specified on the online version of the course outline. For instance, it must be clear to a student how they will get answers to questions they would normally pose during a class meeting, or how substantive participation in the online class will be measured and assessed.

# 3) Verification of Identity

Online course developers and instructors must demonstrate that the student who registers in a distance is the same student who participates in and completes the course or program and receives the credit by verifying the identity of a student who participates in class or coursework by using, at the option of the instructor, methods such as (1) a secure login and pass code, (2) proctored examinations, and (3) real time video conference that are effective in verifying student identification.

# 8. Distance Learning Legal Policies

# 1) Fair Use

Distance learning courses that involve the performance and display of audio-visual and other copyrighted works are guided by the Educational Fair Use Guidelines for Distance Learning. See the webpage of the <u>Copyright Advisory Office</u> at the Columbia University library for guidance on Fair Use Law. This site includes a useful <u>Fair Use Checklist</u>. Use of copyrighted material is also governed by the University System of Georgia's <u>Policy on Use of Copyrighted Work in Education and Research</u>.

# 2) Intellectual Property

Ownership and copyrighting of distance learning courses are subject to the provisions of PTSA's Intellectual Property Policy [will add link when ready].

# 10. Teaching Distance Learning Courses

As noted above, all policies and procedures that apply to the teaching on-campus courses and programs apply to distance learning courses and programs, as well, unless specifically stipulated otherwise.

#### 1) Lecture

1) Each course is designed to be 60 min to 80 min long for 12 weeks including 8 lectures, Midterm, Reading Week and Final.

2) Each course provides an introduction that includes, if applicable, a course description, faculty contact information (including a statement on how long students should expect to get a reply from you), required and recommended textbooks, course learning outcomes, an explanation of course organization, the grading policy, a description of all exams, descriptions of term papers/projects, directions on how to access the course schedule, research information and links to library resources, a description of netiquette, a description of academic integrity policy for the course, advice on how to succeed in an online course, links to relevant student policies for withdraw, technical requirements for the course, any downloads or plug-ins necessary for the course, technical support contact info, and a description of support for students with disabilities. This introduction should also include a welcome message from the instructor, as well as a specific section that details expectations for success in the course. The course introduction might also include exercises to ensure that students know how to use course tools.

3) Each course should be well-organized with a common structure to units, if possible, and be easily navigable documents and web pages in the course should have consistent appearance.

4) Course units should begin with an overview that describes the outcomes, learning activities, and assessments for the unit. Overviews should also connect current unit to earlier units, and make students aware of how learning activities and assessments in unit connect to course level and unit level learning outcomes.

5) The cornerstone of assessment of distance learning courses and programs is learning outcomes, and therefore, assessment plans for distance learning courses and programs should be based on the same learning outcomes and outcome measures with the same results targets as those used for the same on-campus courses and programs. However, since instructional strategies used for distance delivery often differ from those used in on-campus courses and programs, the responses to assessment results may differ, as well.

# 2) Faculty

1) The faculty teaching distance learning course are assigned from the pool of PTSA faculty and thus meet the same criteria as instructors for campus-based courses in the areas of academic credentials, workloads, and accessibility to students.

2) Curriculum Vitae for all faculty members, including credentials for teaching distance learning courses are on file in the Office of Academic Affairs. If utilized, adjunct faculty must be reviewed and approved as possessing a combination of appropriate academic credentials and experience in the discipline in which the course is being taught. Any faculty member developing a distance learning course is given first priority in teaching that course. 3) Faculty should prepare and participate into discussions/forums for classes, grade class assignments, prepare exam(s), if needed give make-up exam(s), grade exams, calculate grades, interact with students each week at least 3~5 hours, and supervise student research

papers.

# 3) Faculty-Student Interaction

Faculty teaching distance learning courses must provide students with an email address and a phone number. Each course introduction should contain an indication of how quickly students may expect a response.

It is essential that distance learning courses provide an adequate system of interaction between teacher and students. Other forms of communications could include, fax numbers, post office addresses and communication option available through the Learning Management System employed. In cases where there are class meetings (such as interactive compressed video), a period of time before or after class or during a break may be used to discuss more general concerns of distance learning students. Since regular and timely feedback from course instructor to student is crucial for the success of the distance learning program, faculty must provide an appropriate amount of feedback to distance learning students. Faculty must provide real time video meeting and real time video conference ( $20 \sim 25 \text{ min long}$ , 2 times/semester).

# 4) Faculty Development and Support

Faculty development and support are key to the long-term success of the distance learning program. Without the requisite skills and resources to adapt to new teaching and learning environments, faculty will be unable to respond to the demands of the distance learning program. PTSA is committed to providing appropriate faculty support services specifically related to distance learning. Institutional support includes, but is not limited to, providing adequate and up-to-date technology, providing appropriate technical assistance, such as help and training, and compensating faculty for the development of courses designed to be delivered entirely by remote means, such as the Internet. Additionally, distance learning faculty meet together formally each semester to discuss issues related to the effectiveness of the program.

# LIBRARY RESOURCES

The Presbyterian Theological Seminary in America (PTSA) Library is committed to fulfill its mission that provides access to learning resources to PTSA students, faculty, and staff in support of the research and educational mission of the seminary. To maximize the use of the resources, the library also provides information literacy instruction services to the PTSA community. Furthermore, the PTSA library supports life-long learning of PTSA alumni, ministers, and missionaries around the world by giving access to electronic resources and guidance. The PTSA Library holds a wide ranging of information resources, including approximately 28,000 books.

In addition, to provide learning resources for online degree program students, PTSA online education has DBPIA, KISS, KSi, and Kyobo as PTSA Learning and Research Resource (PLR) to the online students. DBPIA provides over 7,000 e-books and full text databases including more than one million articles from about 7,200 Korean scholarly journals in various fields of society, literature, economics & business, medical science, humanities, theology, law & administration, arts, engineering, natural science, and education. All the back issues of each journal title are available and title, author, keyword, journal title and publisher-searchable.

# LEARNING MANAGEMENT SYSTEM

PTSA Online Education has researched and used a learning platform, Canvas. This is PTSA Online Education's multi-functional learning platform that supports administrative, academic and technological responsibilities. Registered students in the online program will be contacted by Canvas Team staff who will assist with basic questions. Online tutorials, references, and links are also available and provided during online student orientation.

The learning management platform supports any file types including MSwords, PDFs, videos, PPTs, DOCX, SCORM, AICC and xAPI-compliant packages. Canvas provides a secure computer network ensuring the integrity and privacy of the communications and records exchanged. It fully and functionally supports and promotes students to fully participate in learning activities through an automation screening system. On the weekly basis, the learning platform automatically informs online students and professors regarding pending and completed tasks or their performance.

For assistance with technical issues throughout courses, personnel in the IT and Canvas team are available.

# 11. Taking Exams and Securing a Proctor

Some distance learning classes at PTSA require proctored exams as part of the identity verification procedure for the course. Typically, the instructor will require students to take the midterm or the final exam for the course at a physical location where their identity can be verified through presentation of identification and completion of an exam under controlled conditions. Instructors facilitating these courses will often set up some exam periods on PTSA's campus, or they may ask students to schedule a time with a testing proctor.

# 1) The Proctor's Role

PTSA requires proctor verification to ensure academic integrity and maintain accreditation by BPPE, ABHE and ATS. Your proctor is responsible for maintaining the academic integrity of the exam process on behalf of PTSA.

If the proctor believes that the academic integrity of the exam process has been compromised, he or she has the right to stop the exam. Whether or not the exam is stopped, the proctor will report the incident to the PTSA and will share the information with your course instructor, who will decide on the appropriate action, consistent with the PTSA's policy on <u>academic integrity</u>.

# A. What You Need to Know before You Find a Proctor

1) To find out how your course's exams will be proctored, you can review your course syllabus in Moodle.

2) Your proctor must <u>meet our requirements\*</u>, and you must submit documentation verifying your proctor's qualifications before your proctor can be approved.

3) Your proctor must be approved before any exams can be taken.

4) While many proctors will serve on a voluntary basis, you are responsible for paying any expenses incurred in retaining a proctor.

# **B.** How to Make Proctor Arrangements and Take Exams

Follow these steps to ensure that you will be ready to take your exam with an approved proctor:

1) Decide whether you will take exams at <u>exam centers</u>\* or with an individual proctor.

2) If you plan to take exams with an individual proctor, your proctor must be approved. For new proctors, <u>review our proctor requirements</u><sup>\*</sup> to ensure that your proctor is qualified and collect any required documentation of the proctor's position.

3) <u>Nominate your proctor for approval using POLC</u>. You will receive an email from <u>ptsa.online@ptsa.edu</u> to your registered email account, notifying you whether your proctor has been approved.

4) When your proctor is approved, or if you decide to take your exam at an exam center, log in to our proctored exam portal and <u>choose the proctor or exam center for the exam you wish to schedule</u>.

5) Once you have chosen your proctor or exam center, you must still schedule the exam.

For the PTSA Testing Center, you can schedule your exam in the proctored exam portal.

For any other testing center, or for an individual proctor, you must contact the exam center or proctor to schedule the exam. Note that some exam centers require two weeks advance notice to schedule exams.

6) <u>Review our exam procedures</u> to prepare for your exam. You and your proctor will both also receive email reminders of your exam and our exam procedures.

7) Take your exam at your scheduled exam time and location. You must begin your exam at the beginning of the exam time you have scheduled. Contact the <u>ptsa.online@ptsa.edu</u> or <u>admin.online@ptsa.edu</u> if you or your proctor experience any technical difficulties with accessing the exam.

8) If you are unable to take your exam during the scheduled exam dates, you must notify us: Notify your proctor and determine whether you can reschedule the exam within the scheduled exam dates.

If you must reschedule the exam outside the exam dates, contact the course instructor to get permission. The course instructor can determine whether the exam can be taken outside the scheduled dates and provide access to the exam accordingly. The instructor should email permission to Director of Distance Education at <u>admin.online@ptsa.edu</u>

Notify Distance Education in advance of any changes to your exam arrangements at 562-926-1023 EXT 306.

If you have not taken your exam on the scheduled date and you have not rescheduled the exam, your proctor is required to contact the Dean of Department of Distance Education, Jacob Woo at <u>admin.online@ptsa.edu</u>.

# 2) Requirement of Proctor

# A. Who can be a Proctor

Examples of acceptable proctors are: College or professional testing center staff Full-time school or public librarian KPCA minister including pastors and elders.

#### B. Who cannot be a Proctor

1) Relatives, co-workers (of you or your family), and friends (of you or your family) are not eligible to proctor exams.

2) Current and former PTSA students are also ineligible.

3) Some proctors may charge a fee for their services. Students are responsible for all fees incurred while taking exams.

# C. Exam Centers

# 12. Learning Management System (LMS) Technical Support Procedures

The Canvas Team provides technical support to Faculty and Staff members who wish to use LMS.

The Canvas Team offers online tutorials and workshops on LMS periodically as needed. These tutorials and workshops cover the various tools available to help organize and manage a LMS course, including file transfer, quiz management, posting course notes, managing students and use of the grade book. Participants are welcome to bring any items they need incorporated into their courses.

Faculty members are responsible for setting up and maintaining their LMS sections, including uploading course content, creating quiz modules, and posting other instructional materials. The Canvas Team will work with faculty members to ensure that they have the ability to perform these duties through workshops and one-on-one training, as needed.

# 13. Contracts

All employment contracts for teaching distance learning classes follow normal PTSA procedures as outlined in the PTSA Faculty Handbook. In addition, individual academic units may require faculty who teach distance education classes to sign a Memorandum of Understanding that states specific expectations for distance education instruction.

# **Faculty Training**

It is part of the support mission of the Office of Information and Instructional Technology to provide training for PTSA's LMS. Face to face training is provided periodically during planning week and other times throughout the academic year.

First-time distance learning instructors should be assigned an experienced distance learning instructor as a mentor during their first semester teaching an online course. The mentor should be added to the course as a teaching assistant, so the mentor can observe and provide help as needed. Mentors will fill out a formative evaluation of the first-time distance learning instructor at the end of the first semester of online teaching. In addition, first-time distance learning instructors will be observed again during their second semester teaching distance learning courses to provide opportunities for further formative feedback.

# 14. Student Policies and Procedures for Distance Education Programs

As noted above, all policies and procedures that apply to on-campus courses and programs apply to distance learning courses and programs, as well, unless specifically stipulated otherwise.

# 1) Students Rights and Responsibilities

All PTSA students, including students in distance learning courses or programs have rights and responsibilities as outlined in PTSA Student Handbook.

# 2) Student Records

PTSA maintains students' educational records in accordance with the Family Educational Rights and Privacy Act (FERPA) of 1974 as amended. This protection extends to distance learning students. The handling of student records is also governed by Faculty Policy, and General PTSA Policy.

# 3) Student Training

Students enrolled in distance learning classes have the same individual responsibility for coursework as students in traditional (face to face) classes, but because of the special needs of distance learning students, some additional help is provided. FAQs, tutorials, and other information are provided <u>online</u>. Specific course information and coping strategies may be provided in syllabi or as additional course orientation material.

# 4) Access to Library Services and Other Learning Resources

Library services are provided to distance learners through a variety of means, including the library's web page, and through one-on-one contact with librarians. Distance learners can contact the library via phone, email, or use the online resources provided on the library information section located on the library's homepage.

# **5)** Computer Services

All PTSA students, including those enrolled in distance learning classes, should provide a personal email account to the registrar. This provides e-mail capabilities, including online contact with faculty and other seminary personnel.

# 6) Admission

Distance learning students are subject to the same admission requirements as traditional on-campus students. Admission criteria helps ensure that students possess the appropriate background, knowledge, and technical skills required for undertaking a particular course or program.

# 7) Registration

Registration policies and procedures are found in PTSA Catalog and on the homepage of PTSA,ptsa.edu and PTSA Distance Education, online.ptsa.edu

# 8) Tuition

Distance learning students enrolled in distance learning courses are regarded as on-campus students.

Students enrolled in distance learning classes are subject to the same fees as on-campus students.
