## **STUDENT'S RIGHT TO CANCEL**

### **STUDENT'S RIGHT TO CANCEL**

A student has the right to cancel his/her agreement for a course of instruction, without any penalty or obligations through attendance at the first class session or the seventh day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time and you have the right to receive a pro rata refund if you have completed sixty (60) percent or less of the program and less a registration or cancellation fee not to exceed \$200.00. Textbooks and materials are non-refundable. The refund is to be paid within 45 days of withdrawal. However, if the school provided you with any equipment, you must return that equipment on the date that you signed a cancellation notice. If you do not return the equipment on this day, the school will keep the amount that is equal to the cost of the equipment. The equipment must be returned in good condition (good condition does not include equipment that a seal is broken, log-on occurred, or is marked or damaged in anyway).

### **YOU MUST CANCEL IN WRITING**

The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage. You do not have the right to cancel by calling the school or by solely verbally communicating your request. To cancel the contract for school/courses and receive a refund the student must mail, deliver, or fax a signed and dated copy of the written cancellation notice, or any other written notice to our mailing address:
