ATTENDANCE POLICY-ALL PROGRAMS

This Institution requires that a student attend a minimum of 67% of the scheduled Instructional Hours.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

The Satisfactory Academic Progress Policy is consistently applied to **all** students enrolled at **Newberry School of Beauty**. It is printed in the catalog to ensure that **all** students receive a copy prior to enrollment.

Newberry School of Beauty measures the pace of clock hours progress at the point when the student's scheduled clock hours have elapsed, regardless of when the student attended them.

SAP EVALUATIONS PERIODS

EVALUATION PERIODS: all students must be in compliance with the Academic Probation and Dismissal Policy at the end of each evaluation period or term of the course.

The student's first evaluation will occur no later than mid-point of the course program.

Evaluation points occur based on the total length of the program measured in clock hours, and corresponding to the academic year of each program. The academic year for each program is 900 clock hours. The student (as per contract) is scheduled to complete the hours shown below.

Cosmetology	At the point when the student is scheduled to complete	450	900
Hairstyling	At the point when the student is scheduled to complete	300	600
Barbering	At the point when the student is scheduled to complete	450	900
Barber Crossover	At the point when the student is scheduled to complete	100	200
Manicuring	At the point when the student is scheduled to complete	200	400
Esthetician	At the point when the student is scheduled to complete	300	600

Transfer Students: Midpoint of the contracted hours or established evaluation periods, whichever comes first.

Students meeting the minimum requirements for attendance and academic progress at any evaluation point are considered to be making satisfactory progress until the next evaluation.

***ALL EVALUATIONS MUST BE COMPLETED WITHIN 7 BUSINESS DAYS FOLLOWING ESTABLISHED EVALUATION POINTS (PERIODS). All students receive a copy of their SAP report.**

ATTENDANCE PROGRESSEVALUATIONS

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered to maintain satisfactory attendance progress. Evaluations are conducted at each evaluation point based on scheduled hours to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. For example: 350 (accrued hours) divided by 450 (scheduled hours) = 78%. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time frame in which a student must complete the educational course, does not exceed 150% of the approved length of the education course based on a 67% attendance schedule, measured in clock hours completed. This will allow students to complete each course and avoid withdrawal from school. No student will be allowed to go over the maximum time frame. A leave of absence will extend the contract period and the maximum time frame by the same number of days taken in the leave of absence.

***Note-** A student's contracted time may vary according to their status (full or part-time).

	MAXIMUM WEEKS	MAXIMUM SCHEDULED HOURS:
Cosmetology	34-50 weeks	1500 HOURS
Hairstyling	20-25 weeks	900 HOURS
Barbering	34-50 weeks	1500 HOURS
Barber Crossover	13-20 weeks	300 HOURS
Manicuring	13-25 weeks	600 HOURS
Esthetician	20-25 weeks	900 HOURS

GRADING PROCEDURES

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the

performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70%. **Students must make up for failed or missed tests and incomplete assignments.** Numerical grades are considered according to the following scale:

ACADEMIC AND PRACTICAL GRADING SCALE

<u>% PERCENTAGE</u>	<u>LETTER GRADE</u>	<u>DEFINITION</u>
90-100	A	EXCELLENT
80-89	B	GOOD
70-79	C	AVERAGE
69-below	D	UNSATISFACTORY

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academic and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress will be placed on Warning.

ACADEMIC PROBATION AND DISMISSAL POLICIES

The School Director may place a student on academic **Warning** if the student is not making satisfactory academic progress as per this Institution's published Policy. Students are evaluated on a regular basis on theory, practical, and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. The evaluation form reflects the overall attendance and academic progress of the student. Students must maintain a "C" (70%) average to maintain satisfactory academic status. If the student falls below 70% in academics and/or 67% in attendance the student will be placed on academic Warning. The student under an academic warning will have one additional term to bring up or exceed the minimum standard of the Institution. If the student has still not met the progress requirement at the end of the warning period, the student will be considered not making satisfactory academic progress. At this point, the student will have the option to appeal and request to be placed on probation. In order for the student to be placed on probation, the student **MUST APPEL** the satisfactory academic progress decision within the next 15 days and prevail upon appeal. If at the end of the probation period, the student has not met progress requirements the student will be dismissed from the program.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include the death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 5 business days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS: Students may re-establish satisfactory academic progress by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

TERMINATION

A Student will receive a written termination notice from the Registrar's Office if she/he fails to meet attendance/Academic requirements at the end of the probationary period.

RE-ENTERING: Students accepted for re-entering into the program of study, will be placed under the same satisfactory progress status prevailing at the time of the prior withdrawal.

NONCREDIT, REMEDIAL COURSES, REPETITIONS:

Course incompleteness, repetitions, and non-credit remedial courses are not applicable to this institution's form of instruction. Therefore, these items have no effect on the school's satisfactory academic progress standards.

TRANSFER HOURS: With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

LEAVE OF ABSENCE POLICY

The following Leave of Absence Rules apply to **all** students enrolled.

Occasionally, students may experience extended personal, medical, or other problems, which make it difficult to attend classes. The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program. LOA must be requested in writing by the student and must be approved by the school administration. The written request must include the reason for the LOA and the **start** and end date of the leave of absence, this request needs to be signed by the student unless the student experiences any unforeseen circumstances. Leaves of Absence may be granted for up to **60 days**. The student will not be granted a LOA if the LOA, together with any additional LOAs previously granted, exceeds a total of **60 days** in any 12-month period. The Institution will document the reason for its decision to approve the LOA. Students will not be assessed additional tuition charges while on their Leave of absence and the student's enrollment agreement will be extended for the same days as the leave of absence taken before the start of the leave of absence. A student granted a LOA that meets these criteria is not considered to have withdrawn, and no refund calculation will be required. Students **Returning** from an authorized LOA will retain all credit for clock hours and work projects completed and will return to the academic progress status they held. Students who fail to return from a LOA or take an unapproved LOA will be withdrawn. The student's withdrawal date for the purpose of calculating a refund will be the student's last day of attendance, or the day the student notifies the school that he/she will not be returning. Students must be reasonably certain of their intent to return. Once the student returns from an approved leave of absence the institution will extend the student's maximum time frame and the contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties and an addendum must be signed and dated by all parties. The student will be given a copy of the leave of absence request and return date, and the contract addendum.

The institution may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances. In this situation, the beginning date of the approved LOA would be the first date the student was unable to attend the institution due to unexpected circumstances. The Institution will collect the request from the student at a later date and will have the student sign the LOA form.

Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70%. **Students must make up for failed or missed tests and incomplete assignments.** Numerical grades are considered according to the following scale:

ATTENDANCE:

When it comes to student success, attendance is the key. Regular attendance not only ensures that you graduate on time but also ensures that you acquire the knowledge and experience that you need to achieve your goals. Satisfactory Academic Progress requires a student to maintain a minimum of 67% attendance. Students having difficulty attending class are encouraged to immediately discuss their attendance issues with their Instructor, Registrar and/or School Director. A student with unsatisfactory progress due to excessive absences at specified evaluation points will be held to the standards as outlined in the Satisfactory Academic Progress Policy. (Please refer to the Satisfactory Academic Progress policy in the Catalog.)

However, if you are too ill to take an active part in campus learning activities or cannot actively participate in all aspects of applied effort, we request that you not attend class until you are well. Any student who is absent for fourteen (14) consecutive calendar days without a written and approved Leave of Absence will be terminated from their program.

Due to absences all assignments, tests and homework may be made up. **When authorized to make up excused absences** (days or hours missed), you must come to school on time. If you do not you will not be allowed to make up the excused absence on that day. **No exceptions** will be granted. Any deviation from the policy must be in writing from the office and signed by a member of the administrative staff. Notify office immediately of any address or telephone change.

TARDINESS:

Tardiness and Clock-In Tardiness disrupts the learning environment for everyone. It is your obligation as a student and a condition of your enrollment to exercise the habit of being "on time" for class and appointments. Please be aware that class will begin whether you are there or not. If you clock in after your scheduled start time, you will be marked as tardy. If you are tardy, your clock hours will be rounded to the nearest quarter hour. Forgetting or neglecting to clock in on time is not an excuse and may result in disciplinary action.

STUDENT APPEARANCE:

The uniform policy is black pants and the WBI Lab coat and/or school T-shirt. No hats, caps, or beanies are allowed unless it's the School apparel. All apparel must be clean (without stains) and wrinkle-free. Clothing that is too tight or too baggy (oversized pants), exposing the gluteus, cleavage, or abdomen is unprofessional and not permitted. Skirts should not be mini or micro-mini skirts. Skirts or culottes may not be shorter than 2 inches above the knee. No sweat pants. Shirts/blouses should not reveal midriff or cleavage or be sleeveless. No tank tops or muscle shirts are not allowed.

Shoes must be clean. Shoes should be comfortable for standing and walking. Flat, rubber-sole shoes are recommended for safety and comfort. No open toes, open heels, or heels less than 1 inch in diameter or higher than 1 1/2 inches from the floor are permitted. Socks or hoses must be worn with all shoes. No Sandals or flip-flops are permitted.

WEEKLY TIMECARD:

Students are responsible for clocking in and out daily, using their fingerprint and via Smart timeclock software. Daily, make sure that an Instructor reviews all your practical operations so he or she can record them on your Applied Effort card (Student Timecard). For you to complete your state's legal requirements, your instructor must be able to keep an accurate record of your Technical Instruction Hours and Practical Training daily.

Any student clocking in or out of another student will be suspended and/or terminated from school.

THE WEEKLY RECORD CARDS ARE THE PROPERTY OF THE SCHOOL AND MUST REMAIN IN THE SCHOOL AT ALL TIMES.

After clocking in you are required to maintain applied effort, personnel grooming, leaving the building, reading material not related to your training, or activity not related to your training is not tolerated. If this occurs you will be asked to stop such activity or to punch out for the remainder of the day. Continued activities of this nature could result in your termination.

TIME CARD CREDIT: The following is a guideline for the instructor to issue credits. Each Theory must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category... The portion of the time card reflecting hours is in the Theory hours earned and any classes the instructor has demonstrated. The portion of the time card concerning operations is to be applied efforts of the students as they manually perform practical subjects. Some practical operations may take longer to perform according to the student. **Note:** The following time frame is considered by The Board of Barbering & Cosmetology for each operation. **Shampoo/set = 1 1/2 hours, Scalp Treatment = 1/2 to 1-hour Permanent Wave = 2 to 2 1/2 hours, Facial = 1 1/2 to 2 hours, Manicure = 1/2-hour Hair cut = 1/2 to 1 hour. Using this scale, the Board would understandably not consider a student capable of performing more than three permanent waves per day.**

CLASS PREPAREDNESS:

It is critical that you come to school prepared for your daily lessons and assignments. Make sure you bring the books and equipment you need to perform your Technical Instruction and Practical Training assignments. Students who do not come prepared with the books and materials they need to fully participate in that day's lessons may be required to clock out until they return with the necessary books and equipment.

APPLIED EFFORT:

Notify your instructor when you must leave the building. Always display initiative and good effort (Applied Effort) during the hours you are in School by actively participating in Technical Instruction class and working diligently on a customer, another student, or on a mannequin during Practical Training. Perform your assignments as directed by your instructors, including but not limited to your daily cleanup assignments and any scheduled exams. Attending Theory lectures *daily* is required and is a very important role in your training.

ATTITUDE & BEHAVIOR:

The following behavior is not permitted: use of profanity and vulgarity, behavior that causes discord in the school, extreme and willful disruption of the school environment, physical altercations, aggressive arguments, and physical abuse of another person, shouting or being discourteous to any staff member, guest or student. Newberry School of Beauty has zero tolerance for theft.

Headphones, personal radios, CD players, and iPods are not permitted during class or while performing Practical Training on the clinic floor.

SHARING STATIONS:

Please be aware while enrolled in school, you will be sharing your station with another student. The school has a Day and a Night shift. Anytime students are making up hours when the time goes past your shift, you will need to move to another station to accommodate

the next shift coming in. For example, if you are a Day student making up hours and you stay after 2:30 p.m. If a night student comes in at 6 p.m., and you are at their designated station, you will then need to move to another station. And vice versa. If the students cannot learn to share the same station, then we cannot allow them to make up hours. Students should be cordial and courteous to their fellow peers.
