ATTENDANCE PROGRESS EVALUATION: Students are required to attend a minimum

of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is:

COURSE HOURS	MAXIMUM TIME ALLOTTED WEEKS	SCHEDULED

1st Evaluation	450 clock hours – 15 weeks	450 clock hours - 15 weeks	300 clock hours – 10 weeks	300 clock hours – 10 weeks	200 clock hours – 6.7 weeks	150 clock hours – 5 weeks	100 clock hours – 3.3 weeks
2nd Evaluation	900 clock hours - 30 weeks	900 clock hours – 30 weeks					

*Transfer students - Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint of the course.

ACADEMIC PROGRESS EVALUATIONS: The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during each course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments.

GRADING SYSTEM: Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. Evaluation forms are issued to the students at the end of each evaluation period. The evaluation form reflects the overall Attendance (measured in actual hours & weeks) and Academic progress of the student. Students must maintain a **"C" (70%)** average to maintain satisfactory academic status. The system detailed below is the system utilized in the school

ACADEMIC GRADING			POINT GRADES FOR PRACTICAL WORK
100 - 90%	Superior Performance		(GPA 4) 4 POINTS=A - Passing
89 - 80%	Above Average		(GPA 3) 3 POINTS=B - Passing
79 - 70%	Average		(GPA 2) 2 POINTS=C - Passing
69 - 60%	Not Passing		(GPA 1) 1 POINTS=D – Not Passing
59 - 00 %	Not Passing		(GPA 0) 0 POINTS=F – Not Passing

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard copy of their Satisfactory Academic Progress Report at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Any student who receives a SAP that does not meet minimum requirements that will impact the student's financial aid eligibility will be notified in writing (i.e. the student must sign and receive a copy of that SAP report).

Georgiykot Academy USA does not offer Title IV Funding at this time.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be deemed ineligible to receive Title IV funds or may be dropped from the program or may be

placed on probation, if applicable. Georgiykot Academy USA does not offer Title IV Funding at this time.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period. Georgiykot Academy USA does not offer Title IV Funding at this time.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract end date and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

Regarding Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at this institution.

ATTENDANCE STATUS: Full time: Any student scheduled to attend 30 hours or more per week is considered to be a full-time student. Part-time enrollment is defined as 20 - 29 hours per week.

STUDENT CLOCK HOUR POLICY:

The Board of Barbering and Cosmetology will only recognize timeclock punched hours of attendance, as a result of this requirement this school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of their class day and lunch period. A thirty (30) minute lunch break shall be taken when a student attends a 6-hour class day or more. If you are attending less than a 6-hour class day and desire to take a lunch break (30 minutes), then the half hour must be deducted from your daily total and you must clock in/out on your timecard for the lunch break.

At the completion of the day, your timecard is prepared from the current weekly timecard. The daily hours and operations earned are added to the totals in the prior column and final totals transferred to the cumulative column. These cumulative figures are then entered in the prior column on the weekly timecard. The timecard must be signed by the student and the instructor daily. **Instructors may not sign a student in or out and if a student does not clock in or out at lunch, 30 minutes for lunch will be deducted.** After clocking in you are required to maintain applied effort. Timecards reflect the student's daily record of hours and operations. It is important that all your hours and operations are recorded properly and accurately. The attendance personnel must be able to read your timecard so that the hours and

operations are transferred correctly to the roster. The timecards are the property of the school and must remain in the school at all times. Timecards must be retained/stored in their entirety for 6 years by the school. **TIMECARD CREDIT:** The following is a guideline for the instructor to issue credits.

1. Each Theory must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category.
2. The portion of the timecard reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated.
3. The portion of the timecard concerning operations are to be applied efforts of the students as they manually perform practical subject.
4. Some practical operations may take longer to perform according to the student. Note the following time frame the Program gives for each operation: Scalp Treatment = 1/2 to 1-hour, Permanent Wave = 2 to 2 1/2 hours, Facial = 1 1/2 to 2 hours, Hair cut = 1/2 to 1 hour

Using the above, the Board would understandably not consider a student capable of performing more than three permanent waves per day.

Personal grooming, leaving the building, reading material not related to your training or activity not related to your training are not tolerated. If this occurs, you will be asked to stop such activity or to punch out for the remainder of the day. Continued activities of this nature could result in your termination.

LEAVE OF ABSENCE (LOA): Students may experience extended personal, medical or other problems which make it difficult to attend class. This institution may allow a student under such circumstances to take a Leave of Absence (LOA), from the program when more than 10 consecutive days of absence are needed. Students needing a LOA for medical, health, welfare or travel must follow the procedures and request for a leave in writing and submit it in advance of the leave, include the reason for the request and sign the request form. Occasionally, unforeseen circumstances prevent the student from requesting a LOA in advance (i.e. an injury in a car accident which requires extended hospitalization). When certain exceptions apply, as with the example given, notification to the administration office by phone text, email or fax must be done as soon as possible for documentation purposes. The beginning date of the approved LOA is determined by the institution to be the first date that the student was unable to attend the institution because of the event. The College will document the reason why a LOA was given and why it wasn't requested in advance of the leave. The College will determine the start date of the approved LOA, as the first date that the student was unable to attend.

In such cases, upon return, documentation to verify the need for the LOA may be requested, and signatures will be required in order to extend the anticipated completion date equally to absences.

There must be a reasonable expectation that the student will return from the LOA in order to for a LOA to be approved.

Students who are granted LOAs who meet these criteria will not be assessed any additional charges while they are on LOAs. No refund calculations will be performed during the LOA. Additionally, the student's contract will be extended by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties.

A student may request more than one LOA during his/her contracted time frame, however, the cumulative total (number of days) of extended absence days must not exceed one hundred eighty (180) days in any 12-month period.

A student who fails to return from a LOA will be considered dismissed (dropped), as of the class of last attendance prior to the start of the LOA.

NOTICE OF STUDENT RIGHTS

STUDENT'S RIGHT TO CANCEL: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (first day of classes), or the seventh day after enrollment (seven days from date when enrollment agreement was signed), whichever is later.

After the end of the cancellation period, you also have the right to stop school at any time and receive a refund for the part of the course not taken.

REFUND POLICY – Applies to all terminations, for any reason, by either party

After the cancellation period, the institution provides a pro rata refund of funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has incurred (including absences), there will be no refund to the student.

A registration fee of \$100.00 is a non-refundable item. Equipment, books, supplies, tools, uniforms, kits and all other items issued and received by the student are not returnable. Once received by the student it will belong to the student and will represent a liability to the student. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange to pay the amount that you owe to Georgiykot Academy.

Official withdrawal date is the student's notification to the School Director or the school's Determination.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

- The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
- The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.
- The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.

If a student receives federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal financial aid funds.

School or Course Cancellation: If a course is canceled subsequent to a student's enrollment and before instruction in the course has begun, a fair refund settlement will be made.

If the School is permanently closed or no longer offering instruction after a student has enrolled, the school will provide a pro rata refund of tuition to the student.

76215. Student Tuition Recovery Fund Disclosures

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the enrolled in the institution prepaid tuition, and suffered and economic loss.

Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution, or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution, or location of the institution, in an educational **program** offered by the institution as to which the Bureau determined there was significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.

5. The institution has failed to pay or reimburse loan proceeds, under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You have sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would otherwise be eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or taxpayer identification number.

It is important that you keep copies of the enrollment agreement, financial aid papers, receipts or any other information that documents the monies paid to the school.
