1. A student provides the school a "Cancellation Notice" Form;
2. A student fails to return at the expiration of an authorized leave of absence. In this event, the refund will be calculated based on the period of enrollment from the time the instruction began through the last day of the student's physical attendance, prior to the authorized leave of absence.
3. A student has been absent for three consecutive weeks, (15 class days).
4. The school dismisses a student for a violation covered in the "Rules and Regulations" of the school.
5. Students may be dismissed by the institution for failure to make tuition payments as scheduled in the enrollment agreement.

All refunds are made within 30 days of formal cancellation or determination of withdrawal as stated in the institution Refund Policy.

SATISFACTORY ACADEMIC PROGRESS (SAP)

This institution expects its students to maintain Satisfactory Academic Progress (SAP) as established by this institution, the student must:

- Maintain a cumulative academic average of "C" (70%) or better on all tests, work projects (operations) and other required course work.
- Maintain a cumulative average attendance level of at least two-thirds (2/3) (67%) of the scheduled hours indicated on their enrollment contract. For example, a student scheduled to complete 30 hours per week would have to maintain an average weekly attendance of at least 20 hours per week ($2/3 \times 30 = 20$).

Regardless of the average level of attendance, students who have more than three consecutive weeks of absences (21 calendar days) will be dismissed. This standard shall apply to all students except those on an approved Leave-of-Absence (see LOA policy). Students who expect to be absent 21 or more days, up to 60 days, are encouraged to request a Leave-of-Absence. In addition to attendance standards relating to Satisfactory Academic Progress (SAP), students are also required to adhere to certain other general institutional policies relating to attendance and tardiness.

- Complete the course within one and one-half (1½) times the length of the course as defined in the enrollment agreement. For example, if the student has contracted to complete the course within 40 weeks, he or she must complete within 60 weeks.
- Students must meet minimum academic and attendance requirements for at least one evaluation prior to the midpoint (50%) of the course to be considered as meeting satisfactory progress at the end of an evaluation period. A student will be considered to be making satisfactory progress until the next evaluation.

EVALUATION PERIODS – COSMETOLOGY & BARBERING STUDENTS ONLY:

Students compliance with the Satisfactory Academic Progress is divided into evaluation periods and is assessed at each of the following times:

- The point at which 25% of the course is scheduled to be completed;
- The point at which 50% of the course is scheduled to be completed;
- The point at which 75% of the course is scheduled to be completed;
- The point at which 90% of the course is scheduled to be completed;
- At the point of actual completion, or at which each additional 400 clock hours are scheduled to be completed, beyond graduation date.

Example: For the 1600 clock hour Cosmetology course, a student will be evaluated at the increments in which the students is scheduled to reach 400, 800, 1200, and 1440 clock hours, if applicable; at the point of which the student is scheduled to reach an additional 400 clock hours beyond scheduled completion, or at actual completion.

Evaluation periods for the Esthetician and Manicurist Programs the evaluations will be performed as follows: The point at which 45% of the course is scheduled to be completed; the point at which 90% of the course is scheduled to be completed;

Example: For the 400 clock hour Manicurist course a student will be evaluated at the increments at which the student is scheduled to reach 180 and 360 clock hours.

Special Note: The percentage of the course scheduled to be completed is defined according to the terms of the enrollment agreement. Example: A student enrolled at 100 hours per month would be scheduled to complete a 600 hour course in 6 months, a 400 hour course in 4 months and a 1600 hours course in 16 months, allowing no absences. For example a student enrolled in a 40 week, 1600 clock hour program would be evaluated for SAP after the 10th week, the 20th week; the 30th week and the 36th week. These dates would correspond to the point at which the student was scheduled to have completed 400, 800, 1200, and 1440 clock hours. In the event a student reaches his/her scheduled graduation date and has hours remaining to complete, the student will receive additional evaluations; either at the time the student is scheduled to reach each additional 400 clock hours, or at the time of actual completion of the remaining hours, whichever occurs first.

ACADEMIC ATTENDANCE AND PROBATION

Students who fail to meet the SAP standards at a given evaluation will be placed on academic and/or attendance probation for one additional evaluation period. Students remain eligible to receive aid during the probation period and will be considered as making satisfactory progress during the probationary period. Probationary students who fail to meet SAP by the conclusion of the probation period will be deemed as not to be making “Satisfactory Academic and/or Attendance Progress” and will lose any remaining eligibility for student financial aid and will be terminated.

Probationary students, who meet SAP by the conclusion of the probationary period, will be removed from probation and SAP will be re-established.

APPEAL PROCEDURES

Students who wish to appeal the decision that they are not making “Satisfactory Academic Progress” must submit a written request to the institution's school director. The letter should be received within (5) days of termination and must describe any circumstances related to the student's academic standing which the student believes deserves special consideration. The school director shall evaluate the appeal within a reasonable time-frame (5-10 business days) and notify the student in writing of the decision. Should the student's appeal be denied, he or she may appear before a school committee comprised of the school director and CAO to present his or her case. The committee shall provide written notice to the student of its decision within a reasonable time frame (5-10 business days). The decision of the committee shall be final.

A student that prevails upon the appeal process, re-entering the program after an interruption of training, or having re-established satisfactory progress, and determined as making satisfactory progress will be re-entered in the course.

Students accepted for re-entering the program that previously were not making satisfactory progress must attain a satisfactory progress status by the next scheduled evaluation.

COURSE INCOMPLETES

Course incompletes, repetitions and non-credit remedial courses are not applicable to this institution's form of instruction.

LEAVE OF ABSENCE

Occasionally, students may experience extended personal, medical, or other problems which make it difficult to attend class. The institution may allow a student under such circumstances to take a "Leave of Absence" (LOA) from the program. LOA's must be requested in writing by the student and must be approved by the school. LOA's for non-medical reason may be granted for up to 60 days. Medical LOA's may be granted for up to six months with a written request from the student's physician. Do not request an LOA unless you absolutely need one. Under no circumstances can the school grant more than a single LOA within a 12 month period. Students returning from an LOA will be returned to the academic progress standing they held prior to the start of the leave. Students who fail to return from an LOA will be considered dismissed as of the last class day of attendance prior to the start of the leave.

STUDENT ACHIEVEMENT

Excused absences are absences accompanied by a doctor's note or other documentation certifying illness, doctor or dentist appointments, death in the family, jury duty or other special circumstances approved on an individual basis by the school's director. EXTRA INSTRUCTION CHARGES

The school is authorized to charge additional fees for any training required beyond the end of the contract period. Additional training charges are assessed at the current rate charged per hour at the end of the student's contract period, for all remaining hours to be completed at the end of the student's contract period, deducting all excused absences. This amount is calculated by dividing the current tuition cost by the (student's course) total hours, and multiplying this amount by the hours remaining to be completed by the student.

The above rates would be calculated as follows:

- Cosmetology \$8.00 per hour of training beyond the enrollment agreement
- Barbering \$8.00 per hour of training beyond the enrollment agreement
- Skin Care \$5.00 per hour of training beyond the enrollment agreement
- Manicuring \$2.50 per hour of training beyond the enrollment agreement
- Massage Therapy \$13.33 per hour of training beyond the enrollment agreement

PAYMENT METHODS

Students may pay in full up to 30 days in advance of the program/class. CBC will accept cash, personal check, money order, or traveler's check. Third party payments are accepted. However, it is the student who accepts responsibility for payment of all fees. Delinquent balances will be referred to a collection agency and returned checks will be assessed a \$25 return check processing fee.

This institution does not provide any type of scholarship programs.

LOANS

If a student obtains a loan to pay for an educational program at AAABC, the student will have to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student receives federal student financial aid funds, the student is entitled to a refund of the money not paid from federal financial aid funds.

The school does not participate in either State or Federal financial aid programs, nor does it provide financial aid directly to its students. A student enrolled in an unaccredited institution is not eligible for federal financial aid programs.

The institution does provide institutional payment plans for the convenience of enrolled students. No interest is assessed.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.” Schedule STRF shall be collected at \$2.50 per \$1000 of tuition.

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.
